*Starting from January 2019 to October 29, 2021, a copy of all responsive records relating to any requests for proposals, qualifications, contracts or tenders awarded by the City of Brampton to Perez Bryan Procope LLP. Responsive records should include any work the firm did for the City of Brampton. For example, if the City retained Perez Bryan Procope to conduct a study, please include responsive records showing the tender process and documents, as well as the final study. This request also applies to sole-source contracts or tenders awarded without a bidding process due to their lower value.
