* **Requesting records of all complaints involving Brampton By-law Officer K. Prewal for the last 4 years. Also requesting all disciplinary action taken against him by his employer for the last 4 years. I would also like records indicating if Brampton By-law Officers receive extra compensation, bonus pay or overtime to attend court. Also, request all records indicating if Brampton By-law Officers have quotas to meet regarding number of charges, or types of charges they are expected to lay and if they receive extra compensation, bonus pay or overtime to do so.**
