Detailed descriptions for the Fire & Emergency Services user fees in Schedule F

Motor Vehicle Collision (MVC) - Non-Resident

- If Fire and Emergency Services attends at the scene of a motor vehicle collision or motor vehicle fire, on any property within the City of Brampton and provides firefighting or other emergency services, and if the owner of the motor vehicle is a non-resident, the Corporation shall charge the fee stipulated in this fee schedule to any one or more of the following: the non-resident driver, the owner and the insurance company, in order to recover full payment of the stipulated fee.
- In the case of a multiple vehicle collision, where those drivers involved consist of a Brampton resident and a non-resident, the fee billed to the non-resident shall be pro-rated.
- Example:(1)Two vehicle collision, one resident and one non-resident: billing shall be only 50% of the total cost recovery fees demanded of a non-resident; or,(2)Three vehicle collision, one resident and two non-residents: cost recovery fees shall be divided (as per this example) by three and one third shall be demanded of each of the two non-resident drivers.

Hazardous Materials Response

- If Fire and Emergency Services responds to an incident or emergency and a hazardous material response is provided, the Corporation shall charge the fee stipulated in the fee schedule to any one or more of the following: the property owner, the vehicle owner and the insurance company, in order to recover full payment of the stipulated fees.
- In the event an emergency involves hazardous materials and at the scene or property, damages or contaminations of equipment occurs, the expenses incurred by Fire and Emergency Services for cleaning and decontamination or replacement of equipment, as applicable, and shall be recovered as a fee as stipulated in this schedule.
- In the event an emergency involves hazardous materials and at the scene or property, the use of consumable materials, other than water and medical supplies, are used to suppress or extinguish a fire, preserve property, prevent a fire from spreading or otherwise control and eliminate an emergency, the expenses incurred by Fire and Emergency Services for using consumable materials shall be recovered as a fee as stipulated in this schedule.

Natural Gas Incident Response

- If Fire and Emergency Services attends at a property in response to a natural gas leak and upon conducting an investigation, fire personnel determine that the due diligence was not exercised (example: locates of utility lines not completed before digging commenced), the property owner shall be charged the fee as stipulated within this Schedule.

Non-Emergency Elevator Incident Response

- If Fire and Emergency Services attends to a property in response to a stalled elevator and determines that the confined individual(s) do not have urgent medical needs and is not in immediate danger as a result of the elevator being inoperative, the property owner shall be charged the fee stipulated with this Schedule.

Reports and Searches

- For all fire related file searches and fire report requests, the requester shall be charged the fee as stipulated in this schedule.

Permits, Applications and Reviews

- For all fire related permit requests, designated fire route applications and Propane Facility License application and reviews, the requestor shall be charged the fee as stipulated in this schedule.
- Consumer firework permits are issued at no cost to Brampton residents, provided the

firework by-law requirements are met, and only on designated occasions. Refer to the Fireworks by-law 147-2006 for more information.

- For all other firework requests, including consumer, display or pyrotechnique special effects, a permit is required. Display and pyrotechnique special effects permits are required, any day of the year.

Fireworks Retailer Course

- Is a course provided by Fire and Emergency Services, which provides guidance regarding safe practices for fireworks retailers. The Fireworks Retailer Course is current to the year of issue.
- Contact Fire Prevention for course schedule and availability.

Fire Inspection - Group Homes

- For the provision of requested fire related inspection services, the requester shall be charged the fee as stipulated in this schedule.
- "Per Occupant" and "Over 10,000 square feet" fees are billed in addition to the base inspection fee, where applicable.

Rentals

- For the provision of requested rentals of the specified fire equipment or facilities, the requester shall be charged the fee as stipulated in this schedule.
- All rentals are subject to availability as well as pre-approval by Fire and Emergency Services. Usage restrictions and limitations apply. Liability waivers are required.
- For the rental of fire trucks: (1) One hour shall be added to all vehicle rentals, in addition to the duration requested, to allow for set-up and travel. All vehicle rentals require a minimum three hour rental.
- Burn Building (Live Fire) Rental: A mandatory requirement for the rental of this facility is to have a qualified NFPA 1403 instructor present for the full duration of the rental. One may be provided by the renter, subject to approval by Brampton Fire and Emergency Services.

Fire Apparatus Standby

- For the provision of a standby crew and fire apparatus, other than an emergency response, for a private company, community group, developer, industry or provincial government. Standby location must be within Brampton's jurisdiction.
- All fire apparatus standby requests are subject to availability as well as pre-approval by Fire and Emergency Services.

- (1) One hour shall be added to all standby requests, in addition to the duration requested, to allow for set-up and travel. All standbys require a minimum three hour charge.

Miscellaneous

- For the provision of other general services and products such as key boxes, smoke alarms, carbon monoxide detectors, printed copies of safety plans and/or other general items listed within this section, the requester shall be charged the fee as stipulated in this schedule.
- If Fire and Emergency Services responds to a fire or other emergency at a property and determines that it is necessary to rent special equipment or use consumable materials to board-up and barricade a property, the expenses incurred by Fire and Emergency Services shall be recovered as a fee under this By-law.

Addition to Tax Roll

- If a property owner who is charged a fee under this by-law fails to pay the fee within ninety (90) days of the invoice date, the Corporation may add the fee, including interest and administration fees to the tax roll for any real property in the City of Brampton, registered in the name of the owner and collect the fee, including interest, in like manner as municipal taxes.
