Performing Arts Venue Rentals:**Fee Structure:**

Standardized client types have been established for pricing purposes.

Commercial Rentals are defined as organizations, promoters, groups or individuals that do not fall into other mentioned categories. Commercial usage may also be defined as citizens renting a venue for personal use.

Dance rates are incrementally lower than the Commercial rate and applies to "Dance Schools" (registered businesses) renting at a Performing Arts Venue for the purposes of presenting recitals, competitions or showcases.

Not-For-Profit rates are incrementally lower than both the Commercial and Dance rates and will be applied to government agencies, schools, churches and registered not-for-profit and charitable organizations upon presentation and confirmation of a registered, valid not-for-profit or charitable number.

Community rates are incrementally lower than all other rates and apply to those organizations that were members of the Brampton Arts Council in its final operating year. No additional organizations will be added to this list and the rate application is non-transferrable. Organizations that have ceased operation will be removed from the list.

Rose – Photo rate includes one (1) staff member and requires a minimum three (3) hour booking

LBP – Off-Peak Hourly rate applies to rentals that:

begin after 8:00am and end before 5:00pm; and

occur Monday, Tuesday, Wednesday or Thursday; and

are in January, February, March, April, July, August, September or October; and

do not take place on a declared statutory holiday

Payment Schedule:

Commercial, Dance and Not-For-Profit rentals require that a minimum 50% non-refundable deposit be paid at the time of booking in order to hold the space.

Community rentals require that a minimum of 20% non-refundable deposit be paid at the time of booking in order to hold the space.

The remainder of the fee is due fifteen (15) days prior to the rental date.

Insurance Requirements:

In order to rent any facility or space all Rental Agreement Holders must have liability insurance coverage that sufficiently meets established City requirements. The Liability Insurance Program provides individuals or groups with a straightforward and affordable avenue to obtain the required liability insurance coverage. Rates are established by an approved designated vendor and the associated fee applied to the Rental Agreement.

Administration Fees and Additional Services:

In circumstances where a client is responsible to complete a scheduled financial transaction and does not have sufficient funds available, an 'Admin Fee – Declined Payments' of \$35.00 is charged to the client in addition to the outstanding balance.

SOCAN (Society of Composers, Authors and Music Publishers of Canada) requires users of music to obtain a SOCAN licence to perform, or authorize others to perform, copyright music in public. Depending on the category a music user falls under, if at all, license fees will be payable on a per-event basis. SOCAN currently monitors and imposes 49 different Tariffs which will be charged to, and remitted on behalf of, rental clients.

Third Party Invoices (including Piano Tuning) will be included in the rental agreement as per each invoice for service.

Food & Beverage Service Fees:

Rose - Bar Closure Fee Client Request:
