Dance rates are incrementally lower than the Commercial rate and applies to "Dance Schools" (registered businesses) renting at a Performing Arts Venue for the purposes of presenting recitals, competitions or showcases.

Not-For-Profit rates are incrementally lower than both the Commercial and Dance rates and will be applied to government agencies, schools, churches and registered not-for-profit and charitable organizations upon presentation and confirmation of a registered, valid not-for-profit or charitable number.

Community rates are incrementally lower than all other rates and apply to those organizations that were members of the Brampton Arts Council in its final operating year. No additional organizations will be added to this list and the rate application is non-transferrable. Organizations that have ceased operation will be removed from the list.
