**General:**

The presented user fees do not include H.S.T. however, if taxes are applicable, it has been identified and will be charged at the time of purchase. Programs specifically tailored for individuals fourteen (14) years of age and under or Inclusive Programs are tax exempt.

**Resident:** If the customer or the customer's landlord is paying property taxes in the City of Brampton, the customer is considered a Brampton resident (proof of residency will be required at the time of purchase).

**Non-Resident:** If the customer or the customer's landlord is not paying property taxes to the City of Brampton, the customer is considered non-resident.

The CAO, Commissioner of Community Services or the Director of Recreation, as applicable, may approve a new fee, waive a fee, approve promotional pricing, and or discounts on any Recreation fee in accordance with the general criteria for any such waiver or reduction or variation. New fees will be submitted for approval by Council in the following year's user fee report.

**Registered Programs:**

Unless otherwise presented, the base program length can be increased/decreased by multiplying or dividing the applicable fee

**Non-Residents:** When not presented, will be calculated as a surcharge of 50% per person, per program, per session and will be added to the registration fee for all individuals. Non-residents do not qualify for special discounts. Full Year programs will be limited to a maximum of a \$100 surcharge per person, per program, per session. Leadership programs will be limited to a 30% per person surcharge

**BOED programs:** For BOED programs delivered to schools outside of the City Brampton, the surcharge will be 25%.

**Family Discount:** When not presented, families that register three (3) or more children (seventeen (17) years of age and under) from the same family, at the same time, in the same session, may be eligible to receive a 10% discount off of the program fee (some restrictions may apply). This discount is only eligible to residents.

Prior to the program start date, customers can withdraw and receive a refund of 100% of the program fee. After the program start, up to the start of the third class, the program fee is pro-rated. After the start of the third class, no refund will be issued. For summer and March break camps, customers must withdraw 5 calendar days prior to the start of camp in order to receive a refund of 100% of the camp fee. Within the 5 calendar days prior to the start of camp, a \$50 admin fee will be charged. After the camp start date no refund will be issued. Due to the variety of programming options available to customers, some programs cannot adhere to these guidelines.

All Departments (Other than Community Services) – Full-Time, Permanent Employees: 50%

All Departments – Part-Time or Contract Employees: 50%

All Departments – Spouse/Dependant of Full-Time, Permanent Employees: 50%

All other staff: 50% off

A 20% corporate discount is available on to eligible participants based on the Corporate Discount SOP for Annual Fitness Memberships only. This discount applies to the rate the participant would otherwise qualify for based on age and residency.

### **Community Sport Groups**

**Youth Group - Non-Residents:** Youth groups are to collect a non-resident surcharge of 30% up to \$100 for each non-resident registration, and remit to the City of Brampton within 60 days after the start of the group's playing season

### **Flower City Senior Centre Events**

When not presented, the non-resident fee will be calculated with a surcharge of 30% per person, per event and will be added to the registration fee for all individuals. Non-residents do not qualify for special discounts.

**Rentals:**

Standardized client types have been established for pricing purposes.

- Resident rates have been established as the *base rate* for all rental fees
- Community Sport Group Youth A / Youth B /Board of Education rates are incrementally lower than the Resident rate
- Non-Resident/For-Profit (Commercial) rates are incrementally higher than the Resident rate
- In circumstances where the Community Sport Group Youth A / B /Board of Education or Non-Resident/For-Profit rates are not presented, the Resident rate will apply.

Non-Profit groups will be charged Resident or Non-Resident rates, based on their residency and/or the residency of the people they serve.

All rentals require that a minimum 20% non-refundable deposit be paid at the time of booking in order to hold the space. The remainder of the fee is due thirty (30) days prior to the rental date unless otherwise specified on the Rental Agreement. The Permit holder must notify the designated department representative two weeks in advance of any cancellation. Failure to do so will result in forfeit of the full amount paid to the City. Refunds requested in accordance with this clause will be made up to 80% of the contracted price.

Requests for internal bookings from Divisions within Community Services will not be charged any of the applicable rental and extra fees, providing they meet program requirements detailed in the Corporate Internal Booking SOP. In addition, rental and extra fees are waived for internal bookings by Human Resources for City of Brampton employees, Public/Town Hall meetings hosted by the Mayor and/or members of City Council, and meetings on matters of public interest for all City Departments.

Requests for bookings by Affiliated Seniors and Board of Education/Joint Use Agreement Partners may not be charged, following terms identified in relevant policies or agreements.

Last minute is defined as within 48 hours of the start time of an event, unless otherwise noted.

**Room Categories:** Rentable space categorized based on the maximum number of guests per room.

**Aquatic Facility Categories:** Rentable space categorized based on the maximum capacity of the pool tank.

**Gymnasium Categories:** Rentable space categorized based on the available amenities.

In order to rent any facility or space all Rental Agreement Holders must have liability insurance coverage that sufficiently meets established City requirements. The Liability Insurance Program provides individuals or groups with a straightforward and affordable avenue to obtain the required liability insurance coverage. Rates are established by an approved designated vendor and the associated fee applied to the Rental Agreement.

For resale items including food, beverages, and retail goods, the sales pricing is determined using the cost to purchase an item plus the cost of goods sold percentage, established in accordance with the divisional standard operating procedure.

**Prime Time Arena Ice/Floor, Field Indoor, Field Artificial Turf/Dome is defined as:**

Monday to Friday 4:00pm to 12:00am (midnight)

Saturday & Sunday 6:00am to 11:00pm

All 1 hour ice rentals and programs are inclusive of ice maintenance.

Curling bonspiels rates are applicable to annual/seasonal curling tournaments, consisting of multiple games over the weekend. The inter-club rate is applicable to half day scheduled play with pre-schedule clubs/teams for competitive play, but not tournament play. To be eligible for this rate, groups must provide their inter-club schedule in September in advance of the upcoming season.

Where a charge for staff is applicable, if the date falls on a statutory holiday, the fee will be calculated at 1.5 times the fee.

## SCHEDULE A - CULTURAL SERVICES

### **General:**

The presented user fees do not include H.S.T., however if taxes are applicable, it has been identified and will be charged at the time of purchase. User Fee Fact Sheets specify how fees are applied, and are available in the rentals or booking section of each venue website.

The CAO, Commissioner of Community Services or the Director, Cultural Services, as applicable, may approve a new fee, waive a fee, approve promotional pricing, and or discounts on any Performing Arts fee in accordance with the general criteria for any such waiver or reduction or variation. New fees will be submitted for approval by Council in the following year's user fee report.

The Agreement Holder must comply with all applicable laws, by-laws, policies, guidelines, procedures and other conditions or requirements that may apply to the use of the Venue and the Event, including but not limited to the Rental Agreement Terms & Conditions:

[https://tickets.brampton.ca/content/Files/Marketing/PA\\_RentalAgreement\\_TermsConditions.pdf](https://tickets.brampton.ca/content/Files/Marketing/PA_RentalAgreement_TermsConditions.pdf)

Food & Beverage pricing at the theatre bars operated by the City of Brampton is based on the Standard Operating Procedure

All hourly fees will be booked in one (1) hour increments, subject to applicable minimum requirement, but may be reduced to half (0.5) hour increments, rounded up, at the reconciliation stage, based on event actuals.

Student Filming and Photography must be booked no more than one (1) month prior to event date and must be booked for a minimum of one (1) hour. Hourly rates for photos and student filming include one (1) staff.

### **Rental Categories**

Standardized rental client types have been established for pricing purposes. Rates are non-transferrable.

**Commercial:** rates apply to organizations, promoters, groups or individuals that do not fall into other categories. Commercial usage may also be defined as citizens renting a venue for personal use.

**Dance:** rates are incrementally lower than Commercial rates, and apply to dance schools that are registered businesses renting Performing Arts venues for the purposes of dance activities, presenting dance recitals (including Arangetram), competitions or showcases.

**Not-for-Profit:** rates are incrementally lower than both Commercial and Dance rates, and apply to government agencies, schools, churches and registered not-for-profit and charitable organizations.

## SCHEDULE A - CULTURAL SERVICES

**Artists & Arts Organizations:** rates are available at LBP, Cyril Clark and Garden Square only; they are not available at The Rose. Rates are incrementally lower than all other rates, and are for exclusive use by Brampton-based artists and arts organizations. The address of the organization or individual named on the rental agreement must be in Brampton. Proof of address will be required.

**LBP Artists & Arts Organization Load-In Hourly rate:**

- 8 hour minimum is applicable
- is not available Friday-Sunday or on Statutory Holidays, as declared by the City of Brampton
- is applied for load-in only days, no show or rehearsal will take place

**Student Filming** rate is for use by agreement holders that are currently enrolled in a recognized educational program. Proof of enrollment will be required.

### Payment Schedule:

A deposit based on the total estimated fees of the rental as listed on the Agreement is required for all rentals. Failure to make the deposit payment as required will result in the cancellation of the Agreement.

Agreement Holders who have rented a Venue less than three (3) times are required to:

- make a fifty percent (50%) deposit
- make the full balance payment

Agreement Holders who have rented a Performing Arts venue three (3) or more times with all payments previously made on time, and no outstanding balance or claims against the City, may be permitted to:

- make a twenty percent (20%) deposit
- make a reduced balance payment in the amount of the difference between ticket sales revenue held by the City at the time the balance payment is owed, and the balance amount owed
- The City will establish the minimum staff required in each department for an event
- The cost of staff, as deemed necessary by the City, shall be borne by the Agreement Holder, including but not limited to all staff required to supervise the venue until such time as all areas are vacated by the Agreement Holder, their officers, agents, employees, volunteers, participants, vendors and patrons
- The City reserves the right to increase or decrease the deposit or balance payment amount, as deemed reasonable and appropriate, and approved by the Commissioner, Community Services or the Executive Artistic Director
- The City may collect amounts due under the rental agreement or any part thereof from the sale of tickets or subscriptions at the City of Brampton Box Office
- Any monies owed by the City to the Agreement Holder from box office sales will be paid by cheque or direct deposit following acknowledgment of the reconciliation by the Agreement Holder
- Payments are subject to the City's cheque processing schedules
- After thirty (30) calendar days following issuance of the Reconciliation, unpaid rental agreements will proceed to collections, at which time an administration fee will be applied, and interest will accrue at the rate of 1.5% per month on the unpaid balance
- The following payment schedule applies:
  - Deposit is required within fourteen (14) calendar days of receipt of rental agreement◦
  - Balance payment is required a minimum of thirty (30) calendar days prior to event
  - Reconciliation of amount owing or owed will generally be sent within fourteen (14) calendar days following event

## SCHEDULE A - CULTURAL SERVICES

- If applicable, final amount owing is required a minimum of thirty (30) calendar days after reconciliation is issued
- Agreement Holders who owe funds to the City will not be considered for any future rental requests until their account has been paid in full

### **Insurance Requirements:**

The Agreement Holder shall obtain Commercial General Liability insurance, at their own expense, with an inclusive limit of not less than \$5 million per occurrence, against all claims for personal injury, bodily injury including sickness and death, and property damage. The City reserves the right to request such higher limits of insurance or other types of insurance policies appropriate to this Agreement as the City may reasonably require, such as additional vendor insurance. The Agreement Holder shall provide the City with proof of insurance coverage on a form provided by the City a minimum of fourteen (14) calendar days prior to rental start. This insurance will be carried for the entire rental period and will list "The Corporation of the City of Brampton" as an additional insured on the policy. Such policy shall be with a rated insurer licensed in Ontario that meets the City's requirements.

### **Administration Fees and Additional Services:**

In circumstances where an Agreement Holder must complete a scheduled financial transaction and does not have sufficient funds available, an 'Admin Fee – Declined Payments' of \$35.00 is charged to the Agreement Holder in addition to the outstanding balance.

The Agreement Holder is responsible for all required payments to SOCAN and Re:Sound through Entandem for music licensing. The City of Brampton will collect fees on the rental agreement from the rental client, and will submit those fees, on behalf of the Agreement Holder, to the applicable organization.

Third Party Invoices (including Piano Tuning) will be included in the rental agreement as per each invoice for service.

The City reserves the right to require security, police, first aid, and/or fire department presence at any event, at the expense of the rental client. The City will notify the Agreement Holder if such presence is required, prior to the use of the venue.

There is a 4 hour minimum for third party security

Full cost of security coverage for LBP Fire Watch will be charged to client

## SCHEDULE A - CULTURAL SERVICES

Merchandise Commission 15% (sold by artist) is not charged to:

- Curators Series artists when sold by the local artist or their team
- Event organizers that are Canadian charitable organizations recognized by the Canada Revenue Agency, conducting fundraising activities on their own behalf
- City of Brampton partners: Brampton Library at Cyril Clark Theatre, TMU at LBP, DBBIA at The Rose & Garden Square, BAO
- Local artists and arts organizations selling their own produced work

The rental fees for the LBP studio do not include a staff member.

For use of haze or fog at LBP, additional charges for the cost of security for fire watch will be charged back to rental clients as the fire monitoring system will require bypass.

**Detailed descriptions for Fire & Emergency Services user fees are as follows:**

**Motor Vehicle Collision (MVC) - King’s Highway & ETR/407 Highway**

- If Fire and Emergency Services attends at the scene of a motor vehicle collision or motor vehicle fire, on any property designated as a King’s Highway or ETR/407 and provides firefighting or other emergency services, the Corporation shall charge the fee stipulated in this fee schedule to any one or more of the following: the driver, the owner and the insurance company, the Ministry of Transportation, the ETR/407, in order to recover full payment of the stipulated fee. Motor Vehicle Collision user fee rates are based on the remuneration rate for fire response service as approved by the Ministry of Transportation, which shall be adjusted annually effective January 1st of each year based on the most recent remuneration rate approved by the Ministry of Transportation.

**Motor Vehicle Collision (MVC) - Non-Resident, Brampton City Streets**

- If Fire and Emergency Services attends at the scene of a motor vehicle collision or motor vehicle fire, on any property under the jurisdiction of the City of Brampton and provides firefighting or other emergency services, the Corporation shall charge the fee stipulated in this fee schedule to any one or more of the following: the driver, the owner and the insurance company, the Ministry of Transportation, the ETR/407, in order to recover full payment of the stipulated fee. Motor Vehicle Collision user fee rates are based on the remuneration rate for fire response service as approved by the Ministry of Transportation, which shall be adjusted annually effective January 1st of each year based on the most recent remuneration rate approved by the Ministry of Transportation.
- In the case of a multiple vehicle collision, where those drivers involved consist of a Brampton resident and a non-resident, the fee billed to the non-resident shall be pro-rated.
- Example:
  - (1) Two vehicle collision, one resident and one non-resident: billing shall be only 50% of the total cost recovery fees demanded of a non-resident; or,
  - (2) Three vehicle collision, one resident and two non-residents: cost recovery fees shall be divided (as per this example) by three and one third shall be demanded of each of the two non-resident drivers.

**Hazardous Materials Response**

- If Fire and Emergency Services responds to an incident or emergency and a hazardous material response is provided, the Corporation shall charge the fee stipulated in the fee schedule to any one or more of the following: the property owner, the vehicle owner and the insurance company, in order to recover full payment of the stipulated fees.

- In the event an emergency involves hazardous materials and at the scene or property, damages or contaminations of equipment occurs, the expenses incurred by Fire and Emergency Services for cleaning and decontamination or replacement of equipment, as applicable, and shall be recovered as a fee as stipulated in this schedule.
- In the event an emergency involves hazardous materials and at the scene or property, the use of consumable materials, other than water and medical supplies, are used to suppress or extinguish a fire, preserve property, prevent a fire from spreading or otherwise control and eliminate an emergency, the expenses incurred by Fire and Emergency Services for using consumable materials shall be recovered as a fee as stipulated in this schedule.

**False Alarms**

- For the purpose of this Schedule, a False Alarm means the activation of a fire alarm or emergency system which occurs without just cause, including where there is no fire, carbon monoxide or other emergency situation.
- Fire and Emergency Services shall charge a property owner the False Alarm Fee stipulated in this Schedule if upon attending a property in response to the activation of a fire alarm or emergency system it is determined that it was a False Alarm.
- Where a False Alarm is triggered as a result of work being conducted on a fire alarm or emergency system and Fire and Emergency Services attend at the property in response to the False Alarm, the property owner shall be charged the False Alarm Fee stipulated in this Schedule, unless the property owner notified the Joint Fire Communication Centre in advance that the work was being conducted.
- The False Alarm Fee will not be charged for the first occurrence of a False Alarm at a property, but will be charged for each subsequent False Alarm occurrence within the same calendar year.

**Natural Gas Incident Response**

- If Fire and Emergency Services attends at a property in response to a natural gas leak and upon conducting an investigation, fire personnel determine that the due diligence was not exercised (example: locates of utility lines not completed before digging commenced), the property owner shall be charged the fee as stipulated within this Schedule.

**Non-Emergency Elevator Incident Response**

- If Fire and Emergency Services attends to a property in response to a stalled elevator and determines that the confined individual(s) do not have urgent medical needs and is not in immediate danger as a result of the elevator being inoperative, the property owner shall be charged the fee stipulated with this Schedule.

**Unauthorized Open-Air Burn Response**

- For the purpose of this schedule, unauthorized open-air burns are open-air burns that occur without a permit from Brampton Fire and Emergency Services.
- The first occurrence of a response to an unauthorized open-air burn at a property will not be charged but will be charged for each subsequent occurrence within the same calendar year.

**Reports and Searches**

- For all fire related file searches and fire report requests, the requester shall be charged the fee as stipulated in this schedule.

**Permits, Applications and Reviews**

- For all fire related permit requests, designated fire route applications and Propane Facility License application and reviews, the requestor shall be charged the fee as stipulated in this schedule.
- Firework permit requirements are identified within Fireworks By-law 163-2016

**Fireworks Retailer Course**

- Is a course provided by Fire and Emergency Services, which provides guidance regarding safe practices for fireworks retailers. The Fireworks Retailer Course is current to the year of issue.
- Contact Fire Prevention for course schedule and availability.

**Fire Inspections**

- For the provision of requested fire related inspection services, the requester shall be charged the fee as stipulated in this schedule.
- Fees such as "Per Occupant", "Per Tenant", "Per Additional Floor" and "Over 10,000 square feet" are billed in addition to the identified base inspection fee, where applicable.
- Re-inspection fees will be charged on Fire Safety Inspection Orders where a subsequent re-inspection is required as a result of the owner not suitably addressing all fire safety hazards identified in the Fire Safety Inspection Order.

**Rentals**

- For the provision of requested rentals of the specified fire equipment or facilities, the requester shall be charged the fee as stipulated in this schedule.
- All rentals are subject to availability as well as pre-approval by Fire and Emergency Services. Usage restrictions and limitations apply. Liability waivers are required.
- For the rental of fire trucks: (1) One hour shall be added to all vehicle rentals, in addition to the duration requested, to allow for set-up and travel. All vehicle rentals require a minimum three hour rental.
- Burn Building (Live Fire) Rental: A mandatory requirement for the rental of this facility is to have a qualified NFPA 1403 instructor present for the full duration of the rental. One may be provided by the renter, subject to approval by Brampton Fire and Emergency Services.

**Fire Apparatus Standby**

- For the provision of a standby crew and fire apparatus, other than an emergency response, for a private company, community group, developer, industry or provincial government. Standby location must be within Brampton's jurisdiction.
- All fire apparatus standby requests are subject to availability as well as pre-approval by Fire and Emergency Services.
- (1) One hour shall be added to all standby requests, in addition to the duration requested, to allow for set-up and travel. All standbys require a minimum three hour charge.

**Miscellaneous**

- For the provision of other general services and products such as key boxes, smoke alarms, carbon monoxide detectors, printed copies of safety plans and/or other general items listed within this section, the requester shall be charged the fee as stipulated in this schedule.
- If Fire and Emergency Services responds to a fire or other emergency at a property and determines that it is necessary to rent special equipment or use consumable materials to board-up and barricade a property, the expenses incurred by Fire and Emergency Services shall be recovered as a fee under this By-law.

**Addition to Tax Roll**

- If a property owner who is charged a fee under this by-law fails to pay the fee within ninety (90) days of the invoice date, the Corporation may add the fee, including interest and administration fees to the tax roll for any real property in the City of Brampton, registered in the name of the owner and collect the fee, including interest, in like manner as municipal taxes.

## SCHEDULE E - PUBLIC WORKS AND ENGINEERING

Notes

### General:

The presented user fees do not include H.S.T. however, if taxes are applicable, it has been identified and will be charged at the time of purchase.

**Resident:** If the customer or the customer's landlord is paying property taxes in the City of Brampton, the customer is considered a Brampton resident (proof of residency will be required at the time of purchase).

**Non-Resident:** If the customer or the customer's landlord is not paying property taxes to the City of Brampton, the customer is considered non-resident.

The Commissioner of Public Works & Engineering may waive or lower established user fees, as appropriate or in accordance with defined criteria, in regard to City facility permits and associated fees as set out Schedule E – Facilities Operations and Maintenance to City's User Fee By-law 380-2003.

### Rentals:

Standardized client types have been established for pricing purposes.

- Resident rates have been established as the base rate for all rental fees
- Affiliated Group/Board of Education rate is incrementally lower than the Resident rate
- Non-Resident/For-Profit (Commercial) rates are incrementally higher than the Resident rate
- In circumstances where the Affiliated Group/Board of Education or Non-Resident/For-Profit rates are not presented, the Resident rate will apply.

In circumstances where the client does not match an appropriate client category (i.e. Resident; Non-Resident; Affiliated Youth/BoEd) the highest rate will be charged.

All rentals require that a minimum 20% non-refundable deposit be paid at the time of booking in order to hold the space. The remainder of the fee is due thirty (30) days prior to the rental date unless otherwise specified on the Rental Agreement. The Permit holder must notify the designated department representative two weeks in advance of any cancellation. Failure to do so will result in forfeit of the full amount paid to the City. Refunds requested in accordance with this clause will be made up to 80% of the contracted price.

Requests for internal bookings from within the City will not be charged any of the applicable rental and extra fees, providing they are booking spaces for City business (i.e. internal staff booking a meeting room, Alderlea excluded). In addition, rental and extra fees are waived for internal bookings for City of Brampton employees booking Public/Town Hall meetings hosted by the Mayor and/or members of City Council, and meetings on matters of public interest for all City Departments.

## Schedule H - Stormwater Charges

Effective from June 1, 2024 to March 31, 2025

### **PURPOSE**

The City is responsible for constructing/operating, maintaining, improving and renewing its existing stormwater drainage system to provide stormwater management and drainage services to its residents and businesses. The City has deemed it appropriate and necessary to fund the costs related to these services by way of fees and charges imposed on those residents and businesses that benefit or will benefit in the future, from these services. This Schedule I is enacted pursuant to the authority of the *Municipal Act, 2001* to impose fees and charges for services provided by the City in order to pay for the costs of its stormwater drainage system services, including the costs of operating, administering, maintaining and improving the current stormwater drainage system and any future upgrades. The fees and charges imposed under this Schedule I, once collected will be allocated expressly to the costs related to operating, administering, maintaining and improving the City's stormwater drainage system.

### **DEFINITIONS**

1. In this Schedule I,

**“Adjustment”** means a process by which changes are made to information associated with a given Stormwater Account.

**“Appeal”** means a process by which a person challenges information that has been associated to their Stormwater Account.

**“Applicant”** means a single residential, Non-Residential or Multi-Family Residential property owner that submits a Stormwater Charge Credit Application on the City approved form.

**“Billing Error”** means an undercharge or overcharge caused by an error in the preparation of the Stormwater Bill that is clerical or factual in nature, including the transposition of figures, a typographical error or similar errors.

**“City”** means The Corporation of the City of Brampton or where the context requires the geographical jurisdiction of The Corporation of the City of Brampton.

**“Council”** means the elected council of the City.

**“Credit Application”** means the completed prescribed application form and all required supporting documents demonstrating eligibility to receive a Stormwater Charge Credit.

**“Credit Program”** means the City's credit program to recognize certain existing properties with stormwater management measures already in place, and to provide an incentive for certain Property Owners to provide on-site stormwater management measures by reducing the amount of the Stormwater Charge.

**“Environmental Engineering Division”** means the City's Environment and Development Engineering Division within the City's Planning, Building and Growth Management Department.

**“Finance Commissioner”** means the City's Commissioner of Corporate Services or Treasurer or his/her designate.

**“HST”** means harmonized sales tax.

**“Impervious Area”** means the total area of paved or hard surfaces, building rooftops, compacted gravel, artificial turf, and other surfaces on a property which are considered highly resistant to the infiltration of water, increasing stormwater runoff.

**“Low-Income Seniors and Disabled Persons”** means persons approved for the City's Property Tax Rebate program.

## Schedule H - Stormwater Fees and Charges

Effective from June 1, 2024 to March 31, 2025

**“Material Change”** means a change that could result in a property no longer being eligible for a Stormwater Charge Credit or Technical Exemption.

**“Non-Residential and/or Multi-Residential property”** means a property that contains more than one residential unit and/or contains or is zoned for industrial, commercial, or institutional uses.

**“Person”** includes an individual, sole proprietorship, partnership, corporation, municipal corporation, unincorporated association or organization, trust, and a natural person in his or her capacity as trustee, executor, administrator, or other legal representative;

**“Place of Worship”** means a property recognized as such by the Municipal Property Assessment Corporation (MPAC) by the designation of an MPAC land use property code of 700 (Place of worship - with a clergy residence) or 701 (Place of Worship - without a clergy residence) and with the property tax/class qualifier “EN,” meaning exempt.

**“Planning Commissioner”** means the City’s Commissioner of Planning, Building and Growth Management or such successor appointed as the head of the City’s operating department responsible for the Stormwater Charge program or his/her designate.

**“Property”** means any real property within the City, including buildings, structures and improvements of any nature and kind in or upon such lands, but excludes real property owned by any entity excluded from municipal fees and charges by law;

**“Property Owner”** means the registered owner of property and any other person, firm or corporation having control over or possession of the property or any portion thereof, including a property manager, mortgagee in possession, receiver and manager, trustee and trustee in bankruptcy.

**“Property Tax Rebate”** means a property tax rebate for low-income seniors and disabled persons provided by the City’s property tax rebate program.

**“Region of Peel”** means The Regional Municipality of Peel.

**“Stormwater Account”** means the Region of Peel’s water and wastewater service customer account to which Stormwater Bills are invoiced.

**“Stormwater Bill”** means the City’s Stormwater Charge as invoiced by the Region of Peel in the same manner as the Region of Peel’s water and wastewater utility charges and itemized on the same monthly or quarterly invoice or separately as a Stormwater Charge-only invoice.

**“Stormwater Billing Unit”** means the number of billing units assigned to a property as a result of a stormwater charge assessment. A single “Stormwater Billing Unit” is equivalent to the average total impervious area (234 m<sup>2</sup>) found on detached single residential properties in the City.

**“Stormwater Charge”** means the City’s stormwater fees and charges listed in Appendix “A” to this Schedule I imposed pursuant to ss. 9 and 11 and Part XII of the *Municipal Act, 2001*.

Division designated to manage the Stormwater Charge program.

**“Stormwater Charge Subsidy”** means the City grant provided to reduce or eliminate the amount of Stormwater Charge payable by a Property Owner.

**“Stormwater Drainage System”** means the infrastructure used, controlled, maintained or operated by the City to manage stormwater flow and drainage and all appurtenances thereto owned, and includes, but is not limited to, storm sewers, catch basins, storm service connections, drains, pipes, overland conveyance systems including road corridors, culverts, channels, ditches, rivers, streams, creeks, ravines and watercourses, stormwater management facilities including landscaping and low impact development features, storage ponds or underground tanks, and oil-grit separators that control quantity or quality of stormwater runoff, pumping stations, outfalls, swales and all equipment laid within any highway or road allowance, City right-of-way or easement or City property used for the collection, transmission, detention and treatment of stormwater or uncontaminated water.

**“Veterans’ Organization Property”** means properties recognized by the City as being used and occupied by the Royal Canadian Legion or a branch thereof, specifically Royal Canadian Legion, Branch 609 (1133 Queen ST East, Brampton) and Royal Canadian Legion, Branch 15 (80 Mary Street, Brampton), and any other properties recognized by the City as being used and occupied as a memorial home, clubhouse or athletic grounds by persons or organizations representing, supporting or advocating for persons, who served in the armed forces of His or Her Majesty or an ally of His or Her Majesty in any war.

### SCOPE

2. A Stormwater Charge shall be imposed upon all Property Owners in the City in accordance with Appendix “A”, which is based on the amount of impervious area and property types. In the event of a property having more than one Property Owner, the liability shall be joint and several.
3. The Planning Commissioner shall be responsible for the administration of this Schedule I and shall prescribe all forms necessary to implement this Schedule I and may amend such forms from time to time as the Planning Commissioner deems necessary.
4. Council hereby establishes the Stormwater Charges as set out in Appendix “A” to this Schedule I and the Credit Program as set out in the City’s Stormwater Charge Credit Program Manual . Stormwater Charges will be subject to the HST where applicable.

### CREDITS

5. The Credit Program provides Property Owners of Non-Residential and/or Multi-Residential property with the opportunity to receive a reduction to their Stormwater Charge for implementing and maintaining stormwater management practices or measures on their property.
6. Property Owners of Non-Residential and Multi-Residential property may qualify for Stormwater Charge credits where such Property Owners can clearly demonstrate to the City that their stormwater management practices or measures provide the City with cost savings that the City would otherwise incur as part of its efforts to manage stormwater. Qualifying criteria of the Credit Program are outlined in the City’s Stormwater Charge Credit Program Manual.
7. Participation in the Credit Program is by application only. Property Owners of Non-Residential and Multi-Residential property must submit a Credit Application in a form approved by the City for qualification and consideration of a Stormwater Charge Credit. Credit Applications will be reviewed by, and approved credit amounts will be determined by the Environmental Engineering Division and in accordance with the City’s Stormwater

Charge Credit Manual then in effect.

8. Reductions to Stormwater Charges made as a result of the approval of a Credit Application shall take effect in accordance with the following schedule:
  - (1) Credit Applications received within the first year of the Credit Program (2020): Reductions that result from applications which were received on or before December 31, 2020 will be retroactive from date of first billing (i.e. June 1st, 2020) or the date on which the qualifying stormwater management practices or measures were implemented into service, as determined by the Environmental Engineering Division, whichever is later;
  - (2) Credit Applications from January 1, 2021 onward: Reductions that result from applications which were received on or after January 1, 2021 will be retroactive from the date of receipt of the application by the Stormwater Charge Manager or the date on which the qualifying stormwater management practices or measures were implemented into service, as determined by the Environmental Engineering Division, whichever is later; and
  - (3) Credit Applications based on revised criteria in the Stormwater Charge Credit Program Manual: Reductions that result from applications satisfying new criteria introduced in revisions to the Stormwater Charge Credit Program Manual will be retroactive from date of first billing or the date on which the qualifying stormwater management practices or measures were implemented into service, as determined by the Environmental Engineering Division, whichever is later.
9. Stormwater Charge Credits do not apply to any property, or any portions of a property, that receives a Stormwater Charge Subsidy or is exempt from the imposition of Stormwater Charges.
10. Stormwater Charge Credits shall be in effect for a period of up to five (5) years or as otherwise specified at the time of approval of the Credit Application, subject to compliance with the credit approval terms. Stormwater Charge Credits will expire if not renewed prior to the expiration date of the credit approval.
11. An updated Credit Application must be submitted to the City no later than three (3) months after any Material Change to the last approved Credit Application. Any failure to submit or late submission of the application may result in a discontinuance of the current credit amount. The City may adjust (increase or decrease) or terminate the current credit amount based on the updated Credit Application.
12. An application to renew approved Stormwater Charge Credits must be submitted to the City no later than six (6) months prior to the expiration date of the most recent credit approval. Any late submission of the application may result in a discontinuance of the current credit amount. The City may adjust (increase or decrease) the current credit amount.
13. The City reserves the right to conduct audits of, and inspect without hindrance, stormwater management works for which Stormwater Charge Credits have been approved.

### **SUBSIDIES**

14. The City is entitled to provide a Stormwater Charge Subsidy by way of a grant made pursuant to s. 107 of the *Municipal Act, 2001* to reduce or eliminate the amount of Stormwater Charge payable by the following persons:
  - (1) Property Owners of a property which is a Place of Worship;
  - (2) Property Owners of a property which is a Veterans' Organization Property; and

## Schedule H - Stormwater Fees and Charges

Effective from June 1, 2024 to March 31, 2025

- (3) Low-Income Seniors and Disabled Persons.

### **EXEMPTIONS**

15. A Property Owner may be partially or totally exempt from the Stormwater Charge if they qualify for a Legal Exemption and/or a Technical Exemption:
- (1) An entity occupying a Property has a Legal Exemption if it is not legally subject to municipal fees and charges; and
  - (2) A Property, in whole or part has a Technical Exemption if it drains directly to a point outside the municipal boundary of the City of Brampton without using the City's stormwater drainage system.
16. A Property Owner shall notify the City in writing when there is a Material Change made to a Property that could affect the distribution of an exemption amount or the validity of the approved Stormwater Charge exemption amount. Failure to comply may result in the cancellation of the exemption for that property.

### **ADMINISTRATION AND ENFORCEMENT**

17. The Region of Peel is hereby authorized to invoice and collect the City's Stormwater Charges pursuant to this Schedule I, together with any interest and fees related to such collection.
18. The Region of Peel shall deliver a Stormwater Bill, on behalf of the City, to each Property Owner upon whom a Stormwater Charge is imposed under this Schedule I in the same manner as the Region of Peel's water and wastewater utility charges and shall be itemized on the same monthly or quarterly invoice or separately as a Stormwater Charge-only invoice.
19. Payment of all Stormwater Charges imposed by the City under this Schedule I is due and payable upon receipt of a Stormwater Bill. Stormwater Charge credits under the Credit Program will be processed and reflected on the Stormwater Bill.
20. No person shall be entitled to any discounts for the early payment of any Stormwater Charge under this Schedule I.
21. Interest on any outstanding accounts shall be applied and calculated at the then current Region of Peel interest charge for late payment. Interest shall accrue from the due date, and shall be added to the next subsequent Stormwater Bill that is issued, together with unpaid and carried-forward Stormwater Charges.
22. If Stormwater Charges are not paid when due and remain outstanding, the Region of Peel may enforce collection of the Stormwater Charges under this Schedule I in the same manner as Region of Peel water and wastewater charges.
23. A Stormwater Charge imposed upon a Property Owner under this Schedule I, which shall be deemed to include any interest charges, penalties and all costs of collection, constitutes a debt of the person to the City and to the Region of Peel.
24. Notwithstanding Section 21 of this Schedule I, all costs, including any interest on such costs, recoverable by the City and the Region of Peel pursuant to this Schedule I or otherwise pursuant to the *Municipal Act, 2001*, may be recovered by any lawful means available to the City and Region of Peel, and such recovery methods may include pursuant to subsection 398(2) of the *Municipal Act, 2001* and any outstanding monies owed with respect to Stormwater Charges may be added to the tax roll of the property in respect of the money owed, and shall be collected in the same manner as municipal taxes.
25. The Planning Commissioner shall have delegated authority and is authorized to:
- (1) approve or reject any application submitted for Stormwater Charge credit or update

## Schedule H - Stormwater Fees and Charges

Effective from June 1, 2024 to March 31, 2025

or renewal of said credit;

- (2) impose such terms and conditions to the approval of any application under this Schedule I as the Planning Commissioner considers appropriate;
- (3) determine and decide any Appeal under this Schedule I;
- (4) approve or reject Adjustments as described in Section 35;
- (5) from time to time make such revisions and amendments to the City's Stormwater Charge Credit Manual as the Planning Commissioner may determine as necessary or appropriate;
- (6) enter into maintenance agreements regarding maintenance of private stormwater infrastructure;

and the decision of the Planning Commissioner shall be final and binding.

26. The Finance Commissioner shall have delegated authority and is authorized to adjust the Stormwater Charge on any property, to the extent it is deemed appropriate due to a Billing Error, and the account may be retroactively recalculated for a period not exceeding one (1) year from the date of detection with resulting credits or charges being applied to the Property Owner's Stormwater Account, and the decision of the Finance Commissioner shall be final and binding.
27. Notwithstanding any other section of this Schedule I, the City reserves the right to conduct site inspections and may, at any reasonable time, enter and inspect any property, to review eligibility and may suspend, reduce or cancel credits if the approved stormwater management practices or measures on the property no longer meet the performance criteria as documented in the Stormwater Charge Credit Application or the credit update or renewal application and/or its supporting documentation and/or the terms and conditions for the Stormwater Charge credit approval, update or renewal.
28. A Stormwater Charge credit may be suspended, reduced or cancelled by the City under the following circumstances:
  - (1) failure of an applicable Property Owner to make Stormwater Charge payments as invoiced by the Region of Peel;
  - (2) failure of an applicable Property Owner to meet the terms and conditions of the credit approval;
  - (3) submission of inaccurate or false information by the Applicant;
  - (4) failure of the Applicant to maintain a stormwater management practice or measure as required by the terms and conditions of the credit approval;
  - (5) failure of a stormwater management practice or measure to operate or meet the performance criteria as documented in the Applicant's Stormwater Charge Credit Application or credit update or renewal application and/or its supporting documentation and/or the terms and conditions for the Stormwater Charge credit approval, update or renewal; or,
  - (6) failure to submit a complete Stormwater Charge credit renewal application by the deadline provided in this Schedule I.
29. A reduction or cancellation of a Stormwater Charge Credit, Technical Exemption, and/or Legal Exemption may be appealed by the Applicant in writing to the Planning Commissioner. The decision of the Planning Commissioner shall be considered final and binding.

**Schedule H - Stormwater Fees and Charges**

**Effective from June 1, 2024 to March 31, 2025**

30. Where the City determines that a stormwater management practice or measure is in a state of disrepair or no longer functions as approved, the Applicant shall reimburse to the City the entire amount of the credit received in respect of the property since the date that the application was approved, updated or renewed or since the last inspection by the City, whichever is later. If the credit has been cancelled, the Applicant may not re-apply for a credit for a period of twelve (12) months.

**APPEALS**

31. An Applicant will not be required to pay a service fee for any of the following Appeals:

<b>PERMITTED BASIS FOR APPEAL</b>	<b>CATEGORY</b>	<b>EXPLANATION</b>

Effective from June 1, 2024 to March 31, 2025

Stormwater Charge billed during the course of the Appeal will be due and payable upon receipt and remain subject to the Region of Peel's standard collection processes.

33. Adjustments made as a result of an Appeal shall take effect in accordance with to the following schedule:
  - (1) Appeal within first year of Credit Program (2020): Adjustments that result from an Appeal which was received on or before December 31, 2020 will be retroactive from date of first billing.
  - (2) Appeal from January 1, 2021 onward: Adjustments that result from an Appeal which is received on or after January 1, 2021 will be retroactive from date of receipt of the Appeal by the Stormwater Charge Manager.
  - (3) Notwithstanding subsections (1) and (2) above, any Adjustment as a result of a credit update application under section 11 will be retroactive up to the date of the subject Material Change as determined by the City. Where the change results in an increased credit, the additional amount will be retroactive for a maximum period of six (6) months.
34. A Person filing an Appeal will be contacted within fifteen (15) business days of submitting a request, subject to the volume of requests received by the City, and may be asked to provide further information to complete review of the Appeal.
35. The City may make Adjustments to the Stormwater Charge, such as to revise, modify or amend a Stormwater Charge assessment, subsidy eligibility, subsidy amount, legal exemption, technical exemption or credit, including revised or new criteria in the Credit Program. Adjustments include, but are not limited to updates to impervious area assessments as a result of new geomatics information, changes to a property due to redevelopment, changes to MPAC data, and inspections/audits of properties receiving stormwater credits.
36. Appeals will follow the appeal process as determined by the Planning Commissioner as set out in Appendix "B" to this Schedule I.

### **GENERAL**

37. Appendices "A" and "B" shall form and be an integral part of this Schedule I.
38. Should any part of this Schedule I, including any part of Appendix "A" or Appendix "B", be determined by a court of competent jurisdiction to be invalid or of no force and effect, it is the stated intention of Council that such invalid part of the Schedule I shall be severable and that the remainder of this Schedule I, including the remainder of Appendices "A" and "B", as applicable, shall continue to operate and to be in force and effect.
39. Words importing the singular number shall include the plural, and words importing the masculine gender shall include the feminine, and the converse of the foregoing also applies, unless the context of the Schedule I otherwise requires.
40. Any decision or determination required to be made by the City or any official of the City under this Schedule I shall be made in the sole and absolute discretion of the City or the City official.

## **PURPOSE**

The City is responsible for constructing/operating, maintaining, improving and renewing its existing stormwater drainage system to provide stormwater management and drainage services to its residents and businesses. The City has deemed it appropriate and necessary to fund the costs related to these services by way of fees and charges imposed on those residents and businesses that benefit or will benefit in the future, from these services. This Schedule J is enacted pursuant to the authority of the *Municipal Act, 2001* to impose fees and charges for services provided by the City in order to pay for the costs of its stormwater drainage system services, including the costs of operating, administering, maintaining and improving the current stormwater drainage system and any future upgrades. The fees and charges imposed under this Schedule J, once collected will be allocated expressly to the costs related to operating, administering, maintaining and improving the City's stormwater drainage system.

## **DEFINITIONS**

1. In this Schedule J,

**"Adjustment"** means a process by which changes are made to information associated with a given Stormwater Account.

**"Appeal"** means a process by which a person challenges information that has been associated to their Stormwater Account.

**"Applicant"** means a single residential, Non-Residential or Multi-Family Residential property owner that submits a Stormwater Charge Credit Application on the City approved form.

**"Billing Error"** means an undercharge or overcharge caused by an error in the preparation of the Stormwater Bill that is clerical or factual in nature, including the transposition of figures, a typographical error or similar errors.

**"City"** means The Corporation of the City of Brampton or where the context requires the geographical jurisdiction of The Corporation of the City of Brampton.

**"Council"** means the elected council of the City.

**"Credit Application"** means the completed prescribed application form and all required supporting documents demonstrating eligibility to receive a Stormwater Charge Credit.

**"Credit Program"** means the City's credit program to recognize certain existing properties with stormwater management measures already in place, and to provide an incentive for certain Property Owners to provide on-site stormwater management measures by reducing the amount of the Stormwater Charge.

**"Environmental Engineering Division"** means the City's Environment and Development Engineering Division within the City's Planning, Building and Growth Management Department.

**"Finance Commissioner"** means the City's Commissioner of Corporate Services or Treasurer or his/her designate.

**"HST"** means harmonized sales tax.

**"Impervious Area"** means the total area of paved or hard surfaces, building rooftops, compacted gravel, artificial turf, and other surfaces on a property which are considered highly resistant to the infiltration of water, increasing stormwater runoff.

**"Low-Income Seniors and Disabled Persons"** means persons approved for the City's Property Tax Rebate program.

## Schedule I - Stormwater Fees and Charges

Effective from April 1, 2025 to March 31, 2026

**“Material Change”** means a change that could result in a property no longer being eligible for a Stormwater Charge Credit or Technical Exemption.

**“Non-Residential and/or Multi-Residential property”** means a property that contains more than one residential unit and/or contains or is zoned for industrial, commercial, or institutional uses.

**“Person”** includes an individual, sole proprietorship, partnership, corporation, municipal corporation, unincorporated association or organization, trust, and a natural person in his or her capacity as trustee, executor, administrator, or other legal representative;

**“Place of Worship”** means a property recognized as such by the Municipal Property Assessment Corporation (MPAC) by the designation of an MPAC land use property code of 700 (Place of worship - with a clergy residence) or 701 (Place of Worship - without a clergy residence) and with the property tax/class qualifier “EN,” meaning exempt.

**“Planning Commissioner”** means the City’s Commissioner of Planning, Building and Growth Management or such successor appointed as the head of the City’s operating department responsible for the Stormwater Charge program or his/her designate.

**“Property”** means any real property within the City, including buildings, structures and improvements of any nature and kind in or upon such lands, but excludes real property owned by any entity excluded from municipal fees and charges by law;

### SCOPE

2. A Stormwater Charge shall be imposed upon all Property Owners in the City in accordance with Appendix “A”, which is based on the amount of impervious area and property types. In the event of a property having more than one Property Owner, the liability shall be joint and several.
3. The Planning Commissioner shall be responsible for the administration of this Schedule J and shall prescribe all forms necessary to implement this Schedule J and may amend such forms from time to time as the Planning Commissioner deems necessary.
4. Council hereby establishes the Stormwater Charges as set out in Appendix “A” to this Schedule J and the Credit Program as set out in the City’s Stormwater Charge Credit Program Manual. Stormwater Charges will be subject to HST where applicable.

### CREDITS

5. The Credit Program provides Property Owners of Non-Residential and/or Multi-Residential property with the opportunity to receive a reduction to their Stormwater Charge for implementing and maintaining stormwater management practices or measures on their property.
6. Property Owners of Non-Residential and Multi-Residential property may qualify for Stormwater Charge credits where such Property Owners can clearly demonstrate to the City that their stormwater management practices or measures provide the City with cost savings that the City would otherwise incur as part of its efforts to manage stormwater. Qualifying criteria of the Credit Program are outlined in the City’s Stormwater Charge Credit Program Manual.
7. Participation in the Credit Program is by application only. Property Owners of Non-Residential and Multi-Residential property must submit a Credit Application in a form approved by the City for qualification and consideration of a Stormwater Charge Credit. Credit Applications will be reviewed by, and approved credit amounts will be determined by the Environmental Engineering Division and in accordance with the City’s Stormwater

Charge Credit Manual then in effect.

8. Reductions to Stormwater Charges made as a result of the approval of a Credit Application shall take effect in accordance with the following schedule:
  - (1) Credit Applications received within the first year of the Credit Program (2020): Reductions that result from applications which were received on or before December 31, 2020 will be retroactive from date of first billing (i.e. June 1st, 2020) or the date on which the qualifying stormwater management practices or measures were implemented into service, as determined by the Environmental Engineering Division, whichever is later;
  - (2) Credit Applications from January 1, 2021 onward: Reductions that result from applications which were received on or after January 1, 2021 will be retroactive from the date of receipt of the application by the Stormwater Charge Manager or the date on which the qualifying stormwater management practices or measures were implemented into service, as determined by the Environmental Engineering Division, whichever is later; and
  - (3) Credit Applications based on revised criteria in the Stormwater Charge Credit Program Manual: Reductions that result from applications satisfying new criteria introduced in revisions to the Stormwater Charge Credit Program Manual will be retroactive from date of first billing or the date on which the qualifying stormwater management practices or measures were implemented into service, as determined by the Environmental Engineering Division, whichever is later.
9. Stormwater Charge Credits do not apply to any property, or any portions of a property, that receives a Stormwater Charge Subsidy or is exempt from the imposition of Stormwater Charges.
10. Stormwater Charge Credits shall be in effect for a period of up to five (5) years or as otherwise specified at the time of approval of the Credit Application, subject to compliance with the credit approval terms. Stormwater Charge Credits will expire if not renewed prior to the expiration date of the credit approval.
11. An updated Credit Application must be submitted to the City no later than three (3) months after any Material Change to the last approved Credit Application. Any failure to submit or late submission of the application may result in a discontinuance of the current credit amount. The City may adjust (increase or decrease) or terminate the current credit amount based on the updated Credit Application.
12. An application to renew approved Stormwater Charge Credits must be submitted to the City no later than six (6) months prior to the expiration date of the most recent credit approval. Any late submission of the application may result in a discontinuance of the current credit amount. The City may adjust (increase or decrease) the current credit amount.
13. The City reserves the right to conduct audits of, and inspect without hindrance, stormwater management works for which Stormwater Charge Credits have been approved.

### **SUBSIDIES**

14. The City is entitled to provide a Stormwater Charge Subsidy by way of a grant made pursuant to s. 107 of the *Municipal Act, 2001* to reduce or eliminate the amount of Stormwater Charge payable by the following persons:
  - (1) Property Owners of a property which is a Place of Worship;
  - (2) Property Owners of a property which is a Veterans' Organization Property; and

## Schedule I - Stormwater Fees and Charges

Effective from April 1, 2025 to March 31, 2026

- (3) Low-Income Seniors and Disabled Persons.

### **EXEMPTIONS**

15. A Property Owner may be partially or totally exempt from the Stormwater Charge if they qualify for a Legal Exemption and/or a Technical Exemption:
- (1) An entity occupying a Property has a Legal Exemption if it is not legally subject to municipal fees and charges; and
  - (2) A Property, in whole or part has a Technical Exemption if it drains directly to a point outside the municipal boundary of the City of Brampton without using the City's stormwater drainage system.
16. A Property Owner shall notify the City in writing when there is a Material Change made to a Property that could affect the distribution of an exemption amount or the validity of the approved Stormwater Charge exemption amount. Failure to comply may result in the cancellation of the exemption for that property.

### **ADMINISTRATION AND ENFORCEMENT**

17. The Region of Peel is hereby authorized to invoice and collect the City's Stormwater Charges pursuant to this Schedule J, together with any interest and fees related to such collection.
18. The Region of Peel shall deliver a Stormwater Bill, on behalf of the City, to each Property Owner upon whom a Stormwater Charge is imposed under this Schedule J in the same manner as the Region of Peel's water and wastewater utility charges and shall be itemized on the same monthly or quarterly invoice or separately as a Stormwater Charge-only invoice.
19. Payment of all Stormwater Charges imposed by the City under this Schedule J is due and payable upon receipt of a Stormwater Bill. Stormwater Charge credits under the Credit Program will be processed and reflected on the Stormwater Bill.
20. No person shall be entitled to any discounts for the early payment of any Stormwater Charge under this Schedule J.
21. Interest on any outstanding accounts shall be applied and calculated at the then current Region of Peel interest charge for late payment. Interest shall accrue from the due date, and shall be added to the next subsequent Stormwater Bill that is issued, together with unpaid and carried-forward Stormwater Charges.
22. If Stormwater Charges are not paid when due and remain outstanding, the Region of Peel may enforce collection of the Stormwater Charges under this Schedule J in the same manner as Region of Peel water and wastewater charges.
23. A Stormwater Charge imposed upon a Property Owner under this Schedule J, which shall be deemed to include any interest charges, penalties and all costs of collection, constitutes a debt of the person to the City and to the Region of Peel.
24. Notwithstanding Section 21 of this Schedule J, all costs, including any interest on such costs, recoverable by the City and the Region of Peel pursuant to this Schedule J or otherwise pursuant to the *Municipal Act, 2001*, may be recovered by any lawful means available to the City and Region of Peel, and such recovery methods may include pursuant to subsection 398(2) of the *Municipal Act, 2001* and any outstanding monies owed with respect to Stormwater Charges may be added to the tax roll of the property in respect of the money owed, and shall be collected in the same manner as municipal taxes.
25. The Planning Commissioner shall have delegated authority and is authorized to:
- (1) approve or reject any application submitted for Stormwater Charge credit or update

## Schedule I - Stormwater Fees and Charges

Effective from April 1, 2025 to March 31, 2026

or renewal of said credit;

- (2) impose such terms and conditions to the approval of any application under this Schedule J as the Planning Commissioner considers appropriate;
- (3) determine and decide any Appeal under this Schedule J;
- (4) approve or reject Adjustments as described in Section 35;
- (5) from time to time make such revisions and amendments to the City's Stormwater Charge Credit Manual as the Planning Commissioner may determine as necessary or appropriate;
- (6) enter into maintenance agreements regarding maintenance of private stormwater infrastructure;

and the decision of the Planning Commissioner shall be final and binding.

26. The Finance Commissioner shall have delegated authority and is authorized to adjust the Stormwater Charge on any property, to the extent it is deemed appropriate due to a Billing Error, and the account may be retroactively recalculated for a period not exceeding one (1) year from the date of detection with resulting credits or charges being applied to the Property Owner's Stormwater Account, and the decision of the Finance Commissioner shall be final and binding.
27. Notwithstanding any other section of this Schedule J, the City reserves the right to conduct site inspections and may, at any reasonable time, enter and inspect any property, to review eligibility and may suspend, reduce or cancel credits if the approved stormwater management practices or measures on the property no longer meet the performance criteria as documented in the Stormwater Charge Credit Application or the credit update or renewal application and/or its supporting documentation and/or the terms and conditions for the Stormwater Charge credit approval, update or renewal.
28. A Stormwater Charge credit may be suspended, reduced or cancelled by the City under the following circumstances:
  - (1) failure of an applicable Property Owner to make Stormwater Charge payments as invoiced by the Region of Peel;
  - (2) failure of an applicable Property Owner to meet the terms and conditions of the credit approval;
  - (3) submission of inaccurate or false information by the Applicant;
  - (4) failure of the Applicant to maintain a stormwater management practice or measure as required by the terms and conditions of the credit approval;
  - (5) failure of a stormwater management practice or measure to operate or meet the performance criteria as documented in the Applicant's Stormwater Charge Credit Application or credit update or renewal application and/or its supporting documentation and/or the terms and conditions for the Stormwater Charge credit approval, update or renewal; or,
  - (6) failure to submit a complete Stormwater Charge credit renewal application by the deadline provided in this Schedule J.
29. A reduction or cancellation of a Stormwater Charge Credit, Technical Exemption, and/or Legal Exemption may be appealed by the Applicant in writing to the Planning Commissioner. The decision of the Planning Commissioner shall be considered final and binding.

**Schedule I - Stormwater Fees and Charges**

**Effective from April 1, 2025 to March 31, 2026**

30. Where the City determines that a stormwater management practice or measure is in a state of disrepair or no longer functions as approved, the Applicant shall reimburse to the City the entire amount of the credit received in respect of the property since the date that the application was approved, updated or renewed or since the last inspection by the City, whichever is later. If the credit has been cancelled, the Applicant may not re-apply for a credit for a period of twelve (12) months.

**APPEALS**

31. An Applicant will not be required to pay a service fee for any of the following Appeals:
