

A By-law respecting the issue of licenses in the Corporation of the City of Brampton

THE COUNCIL of the Corporation of the City of Brampton hereby ENACTS as follows:

For the purpose of this By-law:

1. (a) "Council" means the Council of the Corporation of the City of Brampton.
- (b) "License Inspector" means the person or persons appointed as such by Council.
- (c) "License Issuer" means the person or persons appointed as such by Council.
- (d) "Person" includes a Corporation, partnership and the heirs, executors, administrators or other legal representatives of a person to whom the context can apply according to law.
- (e) "Chief of Police" means the Chief Constable of the Regional Municipality of Peel or any person acting in the place and stead thereof.
- (f) "City" means the Corporation of the City of Brampton.
- (g) "Health Inspector" means the person appointed by the Region of Peel Health Department.
2. "Building Renovator" means a person engaged in the business of altering, repairing or renovating buildings or structures or constructing radiation fallout shelters, and includes any person who solicits for such work, or who in anyway advertises or holds himself out to the public as doing building renovations or as being a building contractor in renovation work, but does not include a building contractor whose principal business is the construction of building or structures.
3. "Bake Shop" means a building, premises, work shop, room or place in which bread or baked goods is made for sale or sold.
4. "Chimney Repairman" means a person engaged in the trade or occupation of repairing chimneys.
5. "Dealers in Second-hand Goods" includes persons who go from house to house or along highways for the purpose of collecting, purchasing or obtaining second-hand goods.
6. "Electrical Contractor" means a person engaged in the business of contracting for the making of electrical installations and for the repairing of such installations.
7. "Journeyman Electrician" means a person who holds a certificate of qualification as such from the Province of Ontario.
8. "Master Electrician" means a person who is skilled in the planning, superintending and installing of wires, conduits, apparatus, fixtures or other appliances for the carrying or using of electricity for light, heat or power purposes, who is familiar with laws, rules and regulations governing the same, who has a regular place of business and who, himself, or by journeymen electricians in his employ, performs electrical work.

9. "Master Plumber" means a person who is skilled in the planning, superintending and installing of plumbing, is familiar with the laws, rules and regulations governing the same, has a regular place of business and who, himself, or by journeymen plumbers in his employ performs plumbing work.
10. "Person" includes a firm or corporation to whom the context can apply.
11. "Plumbing Contractor" means a person engaged in the business of contracting for the making and repairing of plumbing installations, and includes any person who solicits for plumbing work, or who in anyway advertises, or holds himself out to the public, as doing plumbing work or as being a plumbing contractor.
12. "Plumbing" includes any procedure, method, matter or thing referred to or described in the Plumbing Code, being Regulation No. 647 of The Revised Regulations of Ontario, 1970, and amendments thereto from time to time; and "Plumbing Work" has a corresponding meaning.
13. "Public Garage" includes a parking station or a parking lot or a building or place where motor vehicles are hired or kept or used for hire or where such vehicles or gasoline or oils are stored or kept for sale, and a building or place used as a motor vehicle repair shop or for washing or cleaning motor vehicles, and an automobile service station.
14. "Salvage Yard" includes an automobile wrecking yard or premises.
15. "Second-hand Goods" includes waste paper, rags, bones, bottles, bicycles, automobile tires, old metal and other scrap material and salvage.
16. "Transient Trader" includes any person commencing business who has not resided continuously in the Corporation of the City of Brampton for at least three months next preceding the time of his commencing such business there.
17. "Heating Contractor" means a person, including a firm or corporation to whom the context can apply, engaged in the business of installing warm air, hot water or steam heating equipment of any kind excepting the installation of oil tanks and oil and gas burners and includes any person who solicits for, or in anyway advertises or holds himself out to the public as doing work involving the installation of warm air, hot water or steam heating equipment of any kind excepting the installation of oil tanks and oil and gas burners, or as being a heating contractor; and "heating work" has a corresponding meaning.
18. "Master Steam and Hot Water Heating Installer" means a person who is skilled in the planning and installation of steam, hot water, vapour and vacuum heating systems and equipment used in connection therewith, and in the superintending of such work.
19. "Master Warm Air Heating Installer" means a person who is skilled in the planning and installation of all types of warm air heating systems, including air conditioning and ventilating systems in connection therewith, and in the superintending of such work.

20. "Journeyman Steam and Hot Water Heating Installer" means a person, other than a master heating installer, who is employed in the installation of steam, hot water, vapour and vacuum heating systems and equipment used in connection therewith and who has acquired sufficient skill and knowledge of the trade to be considered a safe and responsible mechanic.
21. "Journeyman Warm Air Heating Installer" means a person, other than a master heating installer, who is employed in the installation of warm air heating systems, including air conditioning and ventilating systems and equipment used in connection therewith, and who has acquired sufficient skill and knowledge of the trade to be considered a safe and responsible mechanic.

## II LICENSES

- (2) There shall be taken out by:
- (1) every auctioneer selling or putting up for sale goods, wares, merchandise or effects by public auction, provided that nothing in this By-law shall apply to a sheriff or bailiff offering for sale goods or chattels seized under an execution or distrained for rent;
  - (2) every keeper of a riding school and livery stable.
  - (3) every person who owns a barber shop and every person who owns a hairdressing establishment;
  - (4) every person who for hire or gain directly or indirectly keeps or has in his possession or on his premises any billiard, pool or bagatelle table, or who keeps or has any such table whether used or not in a house or place of public entertainment or resort;
  - (5) every person who carries on the business of a bill poster or bill distributor, advertising sign painter, bulletin board painter or sign poster;
  - (6) every person who goes from house to house or along any street, whether public or private, for the purpose of collecting, purchasing or obtaining second-hand goods.
  - (7) every drain contractor, drain layer and person who installs septic tanks;
  - (8) every person who carries on the business of teaching persons to operate motor vehicles and every driving instructor employed in such business;
  - (9) every electrical contractor, electrician, and master electrician;
  - (10) every person who owns or keeps a place where foodstuffs intended for human consumption are made for sale, offered for sale, stored or sold;
  - (11) every person not being a wholesale dealer residing in Ontario who goes from place to place or to a particular place to make sales or deliveries of fruits and garden produce to a retail dealer (except where the fruits or garden produce are the growth or produce of Ontario and are sold by the producer of them or his bona fide servants or employees having written authority so to do);
  - (12) every person who goes from place to place or to a particular place with goods, wares or merchandise for sale, or who carries and exposes samples, patterns or specimens of any goods, wares or merchandise which are to be delivered within the municipality afterwards; but not including a person who hawks, peddles or sells goods, wares or merchandise

- (1) to wholesale or retail dealers in similar goods, wares or merchandise, or
  - (2) if the goods, wares or merchandise are grown, produced or manufactured in Ontario and are hawked, peddled or sold by grower, producer or manufacturer or his agent or employee having written authority so to do, in the municipality in which the grower, producer or manufacturer resides, or
  - (3) if the goods, wares or merchandise are grown or produced by a farmer resident in Ontario who offers for sale or sells only the produce of his own farm, or
  - (4) if the goods, wares or merchandise are hawked, peddled or sold by a person who pays business tax in the municipality, or by his employee, or by his agent, or
  - (5) if the goods, wares or merchandise are hawked, peddled or sold by an agent of the grower, producer or manufacturer, acting on behalf of a dealer who pays business tax in the municipality in respect of premises used for the sale of such goods, wares or merchandise;
13. every heating contractor, master steam and hot water heating installer, master warm air heating installer, journeyman steam and hot water heating installer and journeyman warm air heating installer.
  14. every person carrying on the business of making available to the public the use of laundretorias, washing machines and dryers, including coin-operated washing machines and dryers;
  15. every keeper of a shop or place where animals or birds for use as pets are sold or kept for sale;
  16. every plumbing contractor, plumber, master plumber and journeyman plumber;
  17. every proprietary club (as defined by The Municipal Act), which directly or indirectly keeps or has in its possession or on its premises any billiard, pool or bagatelle table;
  18. every person who owns or keeps any place (other than an ice cream parlour in an hotel as defined by the Factory, Shop and office Building Act) for the reception, refreshment or entertainment of the public;
  19. every person who owns or operates and every person who drives or who assists in the sale or refreshments from a vehicle from which refreshments are sold for consumption by the public;
  20. (a) every owner or keeper of a salvage shop, salvage yard, a shop, store or other place for the purchase, sale or exchange of second-hand goods.

20. (b) every person, except those licensed under subsection (20a) of this section, who engages in the business of purchasing, selling, exchanging or otherwise dealing in second-hand goods in or from a yard, shop, store or other premises;
21. every owner or keeper of an Automobile Service Station, Public Garage, Parking Station and Parking Lot as defined in Section 13 hereof.
22. every person who owns or keeps for hire or gain an exhibition and exhibits same elsewhere a theatre, music hall, public hall or other place licensed under this subsection, or who owns or keeps a theatre, music hall, bowling alley, moving picture show, public hall, circus-midways, miniature golf ranges, golf driving range.
23. every transient trader or other person whose name has not been entered on the assessment roll or is entered on it for the first time, in respect of business assessment for the current year, and who offers goods, wares or merchandise for sale by auction, conducted by himself, or by a licensed auctioneer or otherwise, or who offers them for sale in any other manner and every other person who, after the return of the assessment roll, commences to carry on any business in premises in respect to which he is liable for business assessment, but this paragraph shall not apply to the sale of the stock of a bankrupt or insolvent, within the meaning of any Bankruptcy or Insolvency Act in force in Ontario, nor to the sale of any stock damaged by or by reason of fire, so long as no goods, wares or merchandise are added to such stock, nor shall this paragraph apply to the sale of a business to a bona fide purchaser who continues the same;
24. every person engaged in the business of altering, repairing or renovating buildings or structures or constructing radiation fallout structures, other than building contractors whose principal business is the construction of buildings or structures; and chimney repairman.
25. every person who conducts a special sale, a license from the License Issuer authorizing them respectively to carry on their several trades, callings, businesses, and occupations in the City for which said license the person obtaining the same shall pay to the License Issuer at the time of taking out such license the fee fixed by this By-law, and no person shall, within the limits of the Corporation of the City of Brampton, carry on or engage in any of the said trades, callings, businesses or occupations until he has procured such license so to do.
26. every person engaged in the business of a non-resident transient photographers or vendors of photographic services.

PROCEDURAL AND GENERAL PROVISIONS

1. There shall be taken out by every person as set out in this By-law, a license from the Corporation of the City of Brampton authorizing them respectively to carry on their several trades, calling, businesses and occupations in the City of Brampton, for which said license the person obtaining the same shall pay to The Corporation of the City of Brampton at the time of taking out of such license, the fee fixed by this By-law, and no person shall within the limits of the City of Brampton, carry on or engage in any of the said trades, callings, businesses or occupations until he has procured such license so to do.
2. Before a license is granted the applicant shall make application to the License Issuer of the Corporation of the City of Brampton upon such a form or forms as may be from time to time prescribed by Council. But no such application shall be required where a licensee desires renewal of his license if the facts and conditions relating thereto are the same as when the original license was issued.
3. No person shall knowingly make any false statement in an application for a license or renewal thereof.
4. Upon receipt of an application for a license or the renewal thereof, the License Issuer shall make or cause to be made all investigation which he deems advisable or which are required by Council relative to such application.
5. The License Issuer shall on behalf of Council sign all licenses pursuant to this By-law and such licenses shall be in such form as Council may from time to time designate.
6. Every person obtaining a license under this by-law, where the same applies to premises shall keep his license posted up in some conspicuous place on the premises in respect to which the license is issued, and every person when so licensed shall when requested by any License Inspector or Peace Officer, produce the license for inspection.

7. Any license inspector, peace officer or other person duly authorized by Council may at all reasonable times inspect as much of any house, place or premises as is used for the carrying on of any trade, calling business or occupation in respect of which any person has or is required to have a license under this By-law and any such person so authorized may inspect any goods, articles, books, records, and other documents of or relating to any such trade, calling, business or occupation, and no person who has or is required to have a license under this By-law shall obstruct or hinder the making of the inspection aforesaid, or cause or permit the same to be obstructed or hindered.
8. Where two or more persons carry on or engage in partnership in any of the trades, callings, businesses or occupations the license may be issued in the name of one partner only, but when the application for license is made the name and address of each member of the partnership shall be set out therein.
9. (1) No person shall enjoy a vested right in the continuance of a license and upon the issue, renewal transfer, cancellation or suspension thereof the value of the license shall be the property of the Corporation of the City of Brampton.  
(2) No License shall be transferred except with the consent of Council and the Council is not bound to give such consent.
10. Every person applying for or holding a license under this By-law shall in such application or in carrying on or engaging in the trade, calling, business or occupation in respect of which such license is issued observe, comply with and be governed by the regulations set out in the schedules to this By-law in so far as they relate to such person and the said schedules shall form part of this by-law.
11. (1) The Council may revoke any license issued under this By-law and without limiting the generality of the foregoing Council may revoke any and all licenses held by a Licensee for violation by the Licensee of any of the provisions of this By-law, including the provisions of any schedule hereto, but before revoking any such license the holder thereof shall be

given at least seven (7) days' notice mailed or delivered to the address on the license and the said licensee shall be permitted either by himself or by his representative to appear before Council to show cause why he believes such license should not be revoked.

(2) Upon revocation of a license issued under this By-law, the licensee shall return to the License Issuer all certificates and plates issued with reference to such license, and the license issuer or any person authorized by him shall have access to any premises, vehicle or other property of the licensee for the purpose of receiving or taking the certificate, or plates to the license issuer or person from receiving or taking the same.

12. Notice or revocation of any license may be given by registered letter signed by the City Clerk mailed to the address on the License and upon such notice the License revoked shall cease and terminate and be of no further effect.
13. Any person convicted for the breach of any of the provisions of this By-law, shall forfeit and pay a penalty not less than \$10.00 (Ten Dollars) and not more than \$1000.00 (One Thousand Dollars) recoverable under the provisions of the Summary Convictions Act.
14. If "Daylight Saving Time" has been adopted in the City of Brampton, for any period of the year under any statute, Order-in-Council, by-law, resolution or proclamation, whether the same is effective in law or not, such time shall be held to be the time referred to during such period in any reference to time in this By-law.
15. The licenses for several trades, callings, businesses, and occupations set out in this By-law shall, unless they are expressed to be for a shorter or longer time, be for one year, and unless they are sooner forfeited or revoked, shall in each case expire in each year on the date set out opposite the same in the said schedule of fees.

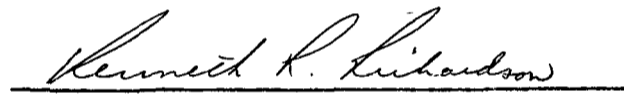

16. For the purpose of this By-law every application for a license shall be deemed to be an application for a new license except where such application is made and fee paid within Thirty (30) days of the expiry of a license previously held by the applicant for the same trade, calling, business or occupation.

17. This By-law shall take effect from and including the Day of

READ A FIRST, SECOND AND THIRD TIME and PASSED in Open Council  
this 27th day of January 1975.

  
JAMES E. ARCHDEKIN, Mayor

  
KENNETH R. RICHARDSON, Clerk

SCHEDULE #1

Relating to Auctioneers or other persons putting up for sale goods or merchandise by Public Auction

1. Any person selling or putting up for sale goods, wares, merchandise or effects by public auction, shall be deemed an auctioneer within the meaning of this By-law.
2. Every person who exercises the calling or business of an auctioneer shall, at the place of each auction, prominently display his name and business address and shall, in all public advertisements of any nature used by him in the course of his business, include his name and business address in such advertisement.
3. Every auctioneer shall keep proper books of account of the business transacted by him as an auctioneer, which books shall give the names and addresses of the owners of the goods, wares or merchandise to be sold, the description of same, the price for which the same may be sold, and the names and addresses of the persons purchasing such goods, wares or merchandise, or any portion thereof, and he shall forthwith, after the sale of same, or any portion thereof, account for the proceeds and pay the same to the person or persons entitled to such proceeds, less his proper and legal commissions and charges; and he shall, in case no sale is made of such goods, on payment of his proper costs and charges, return such goods, to the person or persons entitled to receive the same on proper demand being made therefor.

Provided that nothing in this section contained shall in any way affect or invalidate the claim of any auctioneer for goods warehoused with him, and on which he shall have made advances.

4. No auctioneer shall:
  - (a) permit any disorder in his auction room or offices;
  - (b) conduct or permit to be conducted any mock auction;
  - (c) knowingly make or permit to be made any misrepresentation as to the nature, content, quantity or value or any goods, wares, merchandise or effects which may be offered for sale by him;

- (d) give away articles or sell them for nominal amounts for the purpose of stimulating bidding;
- (e) do any act that is calculated to or which may reasonably have the effect of confusing purchaser as to the amount he pays for any article or articles;
- (f) avail himself of the services of, or act in concert with persons known in the trade as "beaters", "boosters" or "shills" for the purpose of raising or stimulating bids;
- (g) sell or put up for sale by auction any goods, wares, merchandise or effects on a reserve-bid basis without first having announced clearly to those in attendance at the auction the fact of such reserve bid.

SCHEDULE # 2

relating to keepers of livery stables and  
all horses used for hire

1. Every person making application for a license under this By-law as owner or keeper of a livery stable and of horses used for hire shall accompany such application with a certificate from the Medical Officer of Health for the Region of Peel, certifying that the applicant's stable or place of business is properly fitted as follows:
  - (a) Screens over all windows
  - (b) Paved or hard surfaced floor, kept clean with proper drainage and in a sanitary and satisfactory condition
  - (c) Equipped with water trough, manure box and feed trough clean and in good condition
  - (d) Well ventilated, free from offensive odours and sprayed to eliminate flies, bugs, etc.
2. Shall provide an insurance policy in the amount of \$50,000.00 (exclusive of interests and costs) for bodily injury or property damage. A copy or certificate of such policy shall be deposited with the License Issuer.
3. Every owner or keeper licensed under this By-law shall not permit any person who is of immoral character or who conducts himself or herself in a loose, disorderly manner, in any room, place, stable or premises at any time.
4. Every owner or keeper licensed under this By-law shall be responsible for the orderly conduct of all patrons at all times when on his premises and shall not permit drinking, betting, or any other form of gambling.

## SCHEDULE #3

Relating to Owners of Barber Shops or Hairdressing Establishments

1. No person licensed as the owner of a barber shop or of a hairdressing establishment shall employ any person as a barber or hairdresser in such shop or establishment, or permit any person to engage in the trade of a barber or hairdresser therein, unless such person employed or engaged in the trade of a barber or hairdresser as aforesaid is,

(1) the holder of a current certificate of qualification as a barber or hairdresser issued pursuant to Regulations made under The Apprenticeship Act; or

(2) registered with the Director of Apprenticeship as an apprentice barber or hairdresser under The Apprenticeship and Trademen's Qualification Act, 1970.

2. No person licensed as the owner of a hairdressing establishment shall actively engage in the trade of a hairdresser therein unless such person is the holder of a current certificate of qualification, or is registered with the Director of Apprenticeships as an apprentice hairdresser.

3. No person licensed as the owner of a barber shop shall actively engage in the trade of a barber therein unless he is the holder of a current certificate of qualification, or is registered with the Director of Apprenticeships as an apprentice barber.

4. Every person licensed as the owner of a barber shop or hairdressing establishment shall comply with the following regulations in respect to the operation of such shop or establishment:

(1) Adequate facilities shall be provided for a continuous supply of hot water.

(2) All razors, scissors, combs and other instruments shall be properly cleaned and disinfected by immersion in water heated to the boiling point or in a solution of a suitable and efficacious recognized germicide before being used on a customer and shall not be used on any other customer without being disinfected again.

(3) All hair brushes shall be immersed in a strong solution of a recognized disinfectant or water heated to the boiling point, rinsed in clear water and properly dried before being used on any customer, and all shaving brushes shall be cleansed in the same manner as hair brushes and shall be rinsed in very hot water or disinfected in such a manner as is approved by the appropriate Medical Officer of Health before each and every use.

(4) Fresh, separate, individual, clean neck bands or clean towels shall be placed around the neck of each customer immediately under the hair cloth.

(5) Each towel or steamer used shall be individual, fresh and clean, and after being used, such towel or steamer shall immediately be deposited in a receptacle reserved for that purpose and shall not again be utilized for any purpose before being freshly laundered.

(6) No caustic or styptic pencils, powder puffs or sponges shall be used.

(7) Alum or other astringent may be applied but only when in liquid or powdered form.

(8) No customer shall be shaved whose neck or face is broken out with a rash, and no customer shall be served when the surface which is to be treated is inflamed or broken out in a rash.

(9) No shop or establishment, in respect to which a license is issued, shall be used for living, dining or sleeping purposes.

(10) No sink or basin used for domestic purposes shall be used in connection with any barber shop or hairdressing establishment.

(11) No food or soft drinks, except small wrapped articles of confectionery such as chocolate bars, or chewing gum, shall be for sale or sold on the premises.

5. Every person licensed as aforesaid under this By-law shall in his licensed premises, to the satisfaction of the Medical Officer of Health:

- (1) provide proper lighting and ventilation;
- (2) keep the furnishings in a sanitary condition at all times;
- (3) keep an ample supply of running hot and cold water;
- (4) have available proper sanitary conveniences for all employees; and
- (5) keep posted in a conspicuous location the regulations contained in this section and in sections 4 and 5.

SCHEDULED #4

Relating to person/s having or keeping  
billiard, pool or bagatelle tables

1. No licensed keeper of a billiard, pool or bagatelle table shall open his room, house, place or premises in which any billiard, pool or bagatelle table is kept, or permit any person to play such billiard, pool or bagatelle during specified hours. "Sunday from 12:01 a.m. of the Lords Day until 1:00 p.m., of the Lords Day."
2. No person shall be granted a licence to keep for hire or gain a billiard, pool or bagatelle table until he shall produce and file with his application for such licence a certificate of the Medical Officer of Health showing that the premises in respect to which he desires a licence are in proper sanitary condition and provided with proper conveniences.
3. No person licensed under this By-law to keep a pool room or billiard room shall permit any person under the age of 18 (eighteen) years to take part in any game therein, or frequent such pool or billiard room, unless accompanied by a parent or guardian.
4. Every person licensed under this By-law shall be responsible for the orderly conduct of all patrons at all times while on his premises. He shall not permit loitering of any persons on his premises or place of business, or any portion thereof or permit them to cause undue noise or create a disturbance in any way.
5. No person licensed under this By-law shall permit any person in the room, house, place or premises at any time, who is of immoral character, or conducts himself or herself in a loose, disorderly or improper manner

6. No person licensed under this By-law shall permit drinking, betting, or any form of gambling on the premises, or place of business, or any portion thereof.

SCHEDULE #5

Relating to Bill Distributors

"Bill Distributor" shall mean and include a person who distributes bills, posters, pamphlets, circulars, dodgers, fly sheets, samples, articles, or other similar matter of an advertising nature, or causes same to be done.

1. No person shall distribute or cause to be distributed (other than a newspaper or magazine) bills, posters, pamphlets, circulars, dodgers, fly sheets, samples, articles or other similar matter or device of an advertising nature, or causes same to be done, in the Corporation of the City of Brampton without first having obtained licence so to do.
2. Any person distributing handbills, circulars, or advertising material to private dwellings, shall have them delivered by adult persons in envelope containers or secured in such a manner that they cannot fall or become dislodged.
3. No person, when distributing handbills, circulars and other papers, or advertising material shall enter, or cross over private property, except by means of the paved, or usual path provided for such purpose.
4. No person (licensed or unlicensed) shall distribute, circulate, place, throw, or hand out any bills, dodgers, circulars, notices, pamphlets or other advertising information or device in or upon any highway, or to persons, thereon or thereupon, provided that any religious, philanthropic, patriotic, or charitable society, may by written consent of the Council or persons Council designated by each of them to act in their place and stead in their absence, distribute the same without a licence or permit, and if for the sole purpose or benefit of the society or organization, but subject to such terms as the Council or as Council may impose and provided that no nuisance is thereby caused.

5. Nothing in this Regulation shall apply to election material distributed on behalf of any candidate for Federal, Provincial or Municipal Office or any Board or Commission thereof.

SCHEDULE # 6

Salvage Collectors, relating to persons going from house to house or other place or along highways for the purpose of collecting, purchasing or obtaining salvage goods.

1. No person shall engage in the business of salvage collector without first obtaining a license as required under this By-law.
2. Every applicant for a salvage collector's license shall submit with his application three photographs, of himself, one of such photographs to be attached to the license and the other two to be filed with the License Issuer.
3. The license shall at all times when he is carrying on his business, have his license with him.
4. Charitable or Religious Organizations are exempt from this By-law.

SCHEDULE #7

Relating to drain contractors

1. (a) "Drain contractor" means a person engaged in the business of contracting for the installation or repairing of drain work and includes any person who solicits for drain work, or who in any way advertises to or holds himself out to the public as doing drain work or as being a drain contractor.
  - (b) "Drain work" means the non-metallic piping forming parts of;
    - (i) A building drain as defined in the Provincial Plumbing Regulations of the Revised Regulations of Ontario, or
    - (ii) A building sewer as defined in the Provincial Plumbing Regulations of the Revised Plumbing Regulations of Ontario, or
    - (iii) A building storm drain as defined in the Provincial Plumbing Regulations of the Revised Regulations of Ontario, or a building storm sewer
    - (iv) "Maintenance" means the repairing of a leak or forcing out of a stoppage but shall not mean or include the installation, constructing, reconstruction, relocation or replacement of drain work.
2. No person shall do, perform, carry out or effect any drain work within the Corporation of the City of Brampton unless such person is,
  - (a) licensed as a drain contractor under this by-law; or
  - (b) performing maintenance as defined in Section 1(iv) of this schedule; or
  - (c) the owner personally doing drain work on property upon which is erected a single family dwelling owned and personally occupied by such owner; or
  - (d) licensed by the City of Brampton as a plumbing contractor, master plumber, and is performing the work in accordance with the provisions of Schedule <sup>16</sup>~~3~~ to this by-law; or

- (e) doing such work under the direct, continuous personal supervision of a drain contractor licensed as such under this by-law.
3. In addition to furnishing any information required in this by-law, every applicant for a septic contractor's license shall in his application truly and accurately set out the mailing address of his proposed business premises and every holder of such license shall notify the license issuer in writing within two days of any change of his business address.
4. (a) Every applicant for a drain contractor's license shall be examined by an official of the City as designated from time to time testing his knowledge of the provisions of this by-law and all relevant codes and standards relating to the planning and installation of drain work and equipment used in connection therewith. Such examination may be written and/or oral.
- (b) Notwithstanding anything herein contained, and before a drain contractor's license may be issued a license without examination if he holds a current license as a drain contractor in a municipality, which has established examinations of an acceptable standard.
5. No person shall be licensed as a drain contractor unless he has a regular place of business in Ontario and if other than a Corporation is of the full age of 18 (eighteen) years.
6. No person shall be licensed as a drain contractor unless such person:
- (a) is licensed as a drain contractor by the Corporation of the City of Brampton; or
- (b) has in his employ a drain contractor licensed by the Corporation of the City of Brampton in which case
- (1) the name of such licensed drain contractor shall be endorsed by the License Issuer upon the drain contractor's license.

7. A drain contractor's license issued pursuant to this by-law shall for all purposes of this by-law be conclusively deemed suspended during any period in which such person is not licensed as a drain contractor by the Corporation of the City of Brampton.
  
8. An examining Board may be appointed by the Council and when authorized shall be constituted as follows:
  - (a) A member of Council.
  - (b) Building and Zoning Co-ordinator or his designate.
  - (c) A licensed master in the trade for which an application is being made.
  
9. The members of the Examining Board may be appointed for terms expiring on 31st December in each year and shall be eligible for re-appointment and may be paid such remuneration as may be fixed by resolution of the Council.

Schedule # 7

Relating to Septic Tank Contractors and  
Private Sewage Disposal Installers.

1. In this Part:
  - (a) "Chief Sanitary Inspector" means the Chief Sanitary Inspector for the "Peel Regional Health Unit."
  - (b) "Medical Officer of Health" means the Medical Officer of Health of the "Peel Regional Health Unit."
  - (c) "Septic Tank Contractor" includes
    1. A Plumbing Contractor
    2. A Drain Contractor
    3. Persons who installs, repairs or reconstructs septic tank effluent.
  - (d) "Private Sewage Disposal System" shall mean a system, not municipally owned and operated, for the disposal of sewage and shall include the use of any of the following devices, septic tank, tile disposal bed and grease trap.
2. No person shall do, perform, carry out or effect a business in the City of Brampton as a septic tank contractor unless such person is:

Licensed as a plumbing contractor, drain contractor, or Septic Tank Contractor.
3. The License Inspector shall not issue a License under this By-law until the annual license fee of \$25.00 therefor shall have been paid to the Corporation of the City of Brampton.
4. Every License issued under this By-law shall be in force for the calendar year in which it is issued, shall not be transferrable and may be revoked for cause at any time by the Council on the recommendation of the Medical Officer of Health.
5. Every holder of a license issued under this By-law shall keep the License available for inspection at any time

by any officer or inspector of this Corporation or The Peel Regional Health Unit and shall present the License at the time of application for a private sewage disposal system permit.

6. Notwithstanding anything contained in this Schedule, any person licensed under this By-law may employ servants, agents, or workmen to assist him in carrying on business as a septic tank contractor and shall be liable for any contravention of this By-law by any of his servants, agents, or workmen while so employed, but none of such servants, agents or workmen shall require a license hereunder while so employed.

SCHEDULE NO. 8 :

Relating to persons who carry on the business of teaching persons to operate motor vehicles and driving instructors employed in such business.

1. (1) "Driving school operator" means a person who is licensed or is required to be licensed under this By-law to carry on the business of teaching persons to operate motor vehicles.  
  
(2) "Instructor" means a person who is licensed as a driving instructor or is required to be licensed as such under this By-law and who is employed or self-employed in the business of teaching persons to operate motor vehicles.  
  
(c) "Employed" includes any business relationship between an operator and instructor, whether on a salary, hourly wage, commission or independent contract or other basis, and the terms "employee" and "employment" have a corresponding meaning.
2. The Corporation may issue the following types of licenses in connection with driving instruction:
  - (1) an instructor's license;
  - (2) a driving school operator's license.
3. An applicant, if qualified under the provisions of this By-law may be issued one or more of the said licenses according to his qualifications.
4. The holder of one type of license issued under section 2 of this Schedule shall not carry on the trade or calling for which another type of license is required unless he holds such other type of license under section 2.
5. Every Instructor shall:
  - (1) be of the full age of 18 (eighteen) years or over.
  - (2) be the holder of an instructor's license issued pursuant to the Highway Traffic Act R.S.O. 1970 as amended.
  - (3) be able to read and speak the English language.
  - (4) submit with his application for license two photographs of himself, one of such photographs to be attached to the license and the other to be filed with the Issuer of Licenses; and shall, when giving instruction to any student driver, place the license with photograph attached in the vehicle in a frame or other device for holding the same securely, in such position that it is plainly visible to the student driver.
  - (5) within forty-eight hours of changing his address, attend at the head office of the Corporation and inform the Corporation of such change of address, and produce his license for the change to be entered thereon.

(6) while giving driving instruction, be properly dressed, neat and clean in his person and civil and well behaved.

(7) before giving instruction to any student, advise the Issuer of Licenses of all vehicles which he proposes to use to give instruction, identifying such vehicles by the makes and serial numbers thereof.

(8) at the request of the License Issuer or any person authorized by Council, submit any such vehicles for inspection at such time and place as may be designated by the License Issuer or such person.

(9) in respect to each driving school vehicle which is used for the purpose of giving instruction, procure a policy of insurance endorsed to the effect that the Corporation shall be given at least ten days' notice in writing of any cancellation, expiration or change in the amount of the policy, and insuring in respect of any one accident, to the limit of at least \$200,000.00 exclusive of interest and costs against loss or damage resulting from bodily injury to or death of one or more persons and loss of or damage to property; and the said policy shall make provision for passenger hazard including the carrying of passengers for compensation or hire in the business of or for the use of a driving school in an amount not less than \$200,000.00. A certified copy or certificate of such policy shall be deposited with the License Issuer.

6. No instructor shall give driving instruction:

(1) to any student driver when any person other than him self, the student driver, and the owner of the business or an appointee of such owner connected with the school staff is in the vehicle in which the instruction is being given but, where all the students are under the age of twenty-five years, this provision shall not apply to any course of driving instruction meeting the standards set for such driving course by the Ministry of Transportation and Communications and of the Ministry of Education for the Province of Ontario.

(2) in any vehicle which has not, in addition to the standard controls and brakes for use by the driver, extra braking equipment in good working condition placed in a position for ready use by the instructor or operator seated beside the driver.

(3) to any student driver who fails to produce a current Ontario motor vehicle operator's license or a current Ontario motor vehicle operator's temporary instruction permit.

(4) upon such streets or areas in the City of Brampton as the Corporation from time to time may, by by-law designate.

(5) to any student driver whose ability he knows, or has reason to suspect, is impaired by the use of alcoholic beverages, drugs or narcotics.

(6) if he has within the previous six hours, taken or consumed any alcoholic beverages, or if the use of alcoholic beverages, drugs or narcotics by him is apparent in any way.

(7) in any vehicle unless the same has securely affixed to the back thereof in a position approved by the License Issuer a plate issued by the Corporation bearing an identifying number and indicating that such vehicle is used in a business licensed by the Corporation.

(8) in any vehicle until the same has been approved by the License Issuer and is recorded at the office of the License Issuer.

(9) to any student driver who is not registered as a student at the driving school where the driving instructor is employed.

(10) to any student unless the vehicle being used for such instruction bears the sign or signs referred to in Section 8(8) (b) of this Schedule.

7. Every driving school operator shall:

(1) be of the full age of 18 (eighteen) years or over.

(2) be able to read and speak the English language.

(3) within forty-eight hours of any change in his address, attend at the office of the License Issuer and furnish the License Issuer with particulars of his new address, and produce his license for the change to be entered thereon.

(4) before taking out a license, advise the Issuer of Licenses of all vehicles to be used in the business, identifying the same by the makes and serial numbers thereof.

(5) advise the Issuer of Licenses forthwith when he ceases to use any such vehicles and when he proposes to use any additional vehicles, identifying the same as in subsection (4) hereof, and return to the said Issuer of Licenses all plates issued pursuant to subsection (5) of section 8 of this Schedule in respect of vehicles which he has ceased to use in the business.

(6) upon being ordered so to do by the License Issuer cease to publish, display or circulate any poster, handbill, card, novelty, notice, newspaper advertisement or other material used to advertise his business.

(7) provide in every vehicle used in the business a frame or other device in accordance with subsection (4) of section (5) of this Schedule for holding the photograph of the person giving instruction to a student driver.

(8) keep a permanent record of the name and address of each student, the date of commencement of instruction, the date, time and name of the instructor for each lesson and the number of the student's motor vehicle operator's temporary instruction permit or a motor vehicle operator's license.

(9) allow the License Issuer or any person authorized by it to have access to all premises, vehicles, equipment, books and records used in the business, and submit any such vehicles for inspection whenever required by the License Issuer or persons authorized as aforesaid.

(10) notify the License Issuer in writing of the name and address of each driving instructor whose employment by him has terminated, and of the date of the termination of such employment, such notification to be given not later than forty-eight hours after the employment has terminated.

(11) notify the License Issuer in writing of the name and address of each driving instructor employed by him and of the date of the commencement of such employment, such notification to be given not later than forty-eight hours after the employment has commenced.

(12) before giving instruction:

(a) furnish each student with a written statement of all rates and charges for services provided by the school which statement shall be in a form approved by the License Issuer, and shall commence with the words,

The following is a complete schedule of rates and charges for all services provided by \_\_\_\_\_

(Name of Driving School)

and no other rates or charges shall be demanded or received by the school or by any of its instructors.

(b) furnish the License Issuer with a copy of such statement.

(13) adhere to the rates and charges, published in the statement referred to in section 7(12(a)); and give fifteen days' advance written notice to the License Issuer of any new statement of rates and charges which he proposes to publish in lieu of an existing statement.

(14) in respect of each driving school vehicle which is used for the purpose of giving instruction, procure a policy of insurance endorsed to the effect that the License Issuer shall be given at least ten days' notice in writing of any cancellation, expiration or change in the amount of the policy, and insuring in respect of any one accident, to the limit of at least \$200,000.00 exclusive of interest and costs against loss or damage resulting from bodily injury to or death of one or more persons and loss of or damage to property; and the said policy shall make provision for passenger hazard including the carrying of passengers for compensation or hire in the business of or for the use of a driving school in an amount not less than \$200,000.00. A certified copy or certificate of such policy shall be deposited with the License Issuer.

8. No driving school operator shall:

(1) cause or permit instruction to be given in any vehicle which has not, in addition to the standard controls and brakes for use by the driver, extra braking equipment in good working condition placed in a position for ready use by the instructor or operator seated beside the driver.

(2) cause or permit instruction to be given to any student driver who fails to produce a current Ontario motor vehicle operator's temporary instruction permit.

(3) cause or permit driving instruction to be given in or upon any streets or area in the City of Brampton prohibited by by-laws of the Corporation.

(4) advertise driving school services or instruction unless he operates from the address so advertised.

(5) use or permit to be used in his business any vehicle unless the same has securely affixed to the back thereof in a position approved by the License Issuer, a plate issued by the License Issuer bearing an identifying number and indicating that such vehicle is used in a business licensed by the Corporation.

(6) use or permit to be used in his business any vehicle until the same has been approved by the License Issuer and is recorded at the office of the License Issuer.

(7) employ as an instructor any person not licensed under this By-law.

(8) use or permit to be used in his business any vehicle unless the same bears the following:

(a) the provincial motor vehicle permit number plate of the vehicle;

(b) a sign or signs of such nature, size and location on the vehicle as to be readily legible at a distance

of at least 50 feet both from the front and from the rear of the vehicle, which sign shall bear the business name, address and telephone number of the operator and which sign must not obstruct the clear view of the plate referred to in subsection (5) hereof; and

(c) any other number, sign, card or plate issued or approved by the License Issuer.

(9) use or permit to be used in his business any vehicle bearing any number, sign, card or plate other than those mentioned in subsection (8) above;

(10) enter into an agreement for driving instruction with any person not the holder of a current Ontario motor vehicle operator's temporary instruction permit.

(11) cause or permit driving instruction to be given during the first hour of practical training on any primary traffic artery, main highway route or heavily travelled thoroughfare.

9. No instructor shall be employed by more than one operator at a time and upon ceasing employment with one operator and commencing employment with another operator every such instructor shall attend in person at the office of the License Issuer within forty-eight hours of his change of employment and give the name and address of his new employer.

10. In construing this Schedule the words "he", "his" or "himself" shall be read and construed as the gender of the person referred to requires.

SCHEDULE NO. 9

Relating to Electrical Contractors,  
Electricians and Master Electricians

1. (1) Every applicant for a license to whom this Schedule relates may be examined by an Examining Board, touching his knowledge of the provisions of this By-law and of all relevant codes and standards relating to the planning and installation of electrical systems used in connection therewith.  
(2) The Examining Board shall report the result of each examination to the License Issuer.
  
2. (1) An examination Board may be appointed by the Council and when appointed shall be constituted as follows:
  - (a) A chairman who shall be or has been an administrative officer of an area municipality who is conversant with the skills and knowledge required to exercise the several callings, businesses, or occupations to which this Schedule relates, and is familiar with the pertinent legislation concerning the same;
  - (b) A licensed master electrician who has had not less than ten (10) years' experience as a master tradesman, or a person who teaches such trade or calling in a trade school of the Province of Ontario; and
  - (c) An electrician certified by the Province of Ontario who has had not less than ten (10) years' experience as an electrician, or a person who taught such trade or calling in a trade school of the Province of Ontario.(2) The members of the Examining Board may be appointed for terms expiring on 31st December in each year and shall be eligible for re-appointment and shall be paid such salary or/other remuneration as may be fixed by resolution of the Council.

(3) Notwithstanding anything herein contained, a license as a master electrician may be issued by the License Issuer without examination if he holds a current license as such in a municipality which in the opinion of the License Issuer has established examinations of an acceptable standard and provided he submits a letter from the municipality in which he holds a subsisting master electrician's license certifying that he has successfully passed the examination for that municipality.

(4) For the purpose of an examination, two members of the Board shall constitute a quorum.

3. No person shall be licensed as a master electrician unless he is of the full age of eighteen years.

4. The Council may require any person previously licensed as an electrician or master electrician who does not renew his license for two or more consecutive years to be re-examined by the Examining Board before receiving a license.

5. Subject to section 4 the Council may require any person to whom this Schedule relates to submit himself for re-examination by the Examining Board but not more than once in five year period.

6. The Issuer may issue a special license to permit a qualified expert or specialist to install special wiring and connections for electrical experiments, research work or new inventions at a specified location, provided that the other provisions of this By-law are complied with.

7. Electricians employed by visiting theatrical or performing companies may work without a license as assistants to and under the supervision of an electrician certified by the Province of Ontario.

8. No person shall perform any electrical work or install any electrical material or appliances or engage in the electrical trade and occupation except under the personal supervision and direction of a licensed master electrician in charge of and directly responsible for the superintendance of the electrical work performed.

9. Any change in the persons composing a firm, or person representing a corporation, or in the location of a business, shall be promptly reported to the License Issuer.
10. Every master electrician licensed under this By-law shall post the permit issued to him by the Hydro-Electric Power Commission of Ontario in a conspicuous position outside the front of the building in or upon which such work is being carried on and on the completion of such work shall procure a certificate on inspection from the Hydro-Electric Power Commission of Ontario.
11. No person licensed hereunder shall allow his name to be used by any other person, licensed or unlicensed, for the purpose of or in connection with obtaining a work permit from the Hydro-Electric Power Commission of Ontario.
12. Every person to whom this Schedule relates shall, upon changing his address, notify the License Issuer of such change within forty-eight hours thereafter (48 hours after change...) and give his new address.
13. (1) No person shall be licensed as an electrical contractor unless he holds a master electrician's license or has in his employ a person who is licensed as a master electrician or unless any work that he undertakes is contracted out to and performed by an electrical contractor who holds a master electrician's license or has in his employ a person who holds a master electrician's license.
14. (2) No licensed contractor shall perform or permit to be performed any electrical work that is not under the direct personal supervision of a master electrician.

## SCHEDULE NO. 10

Relating to a place where foodstuffs intended for human consumption are made for sale, offered for sale, stored or sold and relating to operating restaurants or refreshment places for the public.

---

## 1. In this schedule:

- (a) "Equipment" includes counters, slabs, fittings, apparatus, stoves, appliances, utensils, crockery and cutlery.
- (b) "Food business" means any trade, business or manufacture for the purpose of which any person engages in the handling of food.
- (c) "Food premises" means any premises on or from which there is carried on any food business.
- (d) "Food room" means any room, being, or being part of any food premises, in which any person engages in the handling of food.
- (e) "open Food" means food not contained in a container or suitable materials, and so closed as to exclude all risks of contamination.
- (f) "Premises" means a building or part of a building and any yard or place of storage used in connection with a building.
- (g) "Preparation" in relation to food includes manufacture and any form of treatment; and "Prepared" shall be construed accordingly.
- (h) "Reasonably practicable" means reasonably practicable in all the circumstances including, in any case where works are involved, the expense in executing the works.
- (i) "Sanitary conveniences" shall include toilet rooms.

2. No food business shall be carried on in or at any unsanitary premises or in any premises the use of which, because of the situation, construction or condition thereof, exposes the food to the risk of contamination.

3. Suitable sanitary conveniences shall be provided for every food business and every sanitary convenience situated in or upon any food premises;

- (a) shall be kept clean and in efficient order;
- (b) shall be so placed that no offensive odours therefrom can penetrate into any food room;
- (c) shall be suitable and sufficiently lighted and ventilated.

4. No sanitary conveniences shall have direct access to any room in which any food is prepared or stored.

5. Suitable and efficient means of lighting shall be provided in every food room and every such room shall be suitably and sufficiently lighted.

6. Except in the case of humidity and controlled or temperature controlled changer, suitable sufficient means of ventilation shall be provided in every food room, and suitable and sufficient ventilation shall be maintained therein.

7. No food room shall be used as a sleeping place.

8. The walls, floors, doors, windows, ceilings, woodwork and all other parts of the structure of every food room shall be kept clean and shall be kept in such good order, repair and condition as to:

- (a) prevent any infestation by rats, mice and insects and the entry of birds, and to
- (b) enable the structure to be effectively cleaned.

9. Any person operating a food business shall take suitable precautions to prevent infestation of the premises by rodents and insects.

10. All sewage and waste waters shall be discharged to a means of disposal approved by the Medical Officer of Health.

11. A person who engages in the handling of food shall, while so engaged take all such steps as may be reasonably necessary to protect the food from dust, dirt, mud, filth, dirty water, animals, birds, rodents, flies, insects and other sources of contamination, including contamination by other persons and, in particular, shall cause the food to be so placed as to prevent the risk of contamination from such sources.

12. Any food business shall be provided with a supply of water adequate for efficient operation, the quality of which is satisfactory to the Medical Officer of Health.

13. In all food premises suitable and sufficient hand washing facilities for the use of all persons engaged in the handling of food on or about these premises shall be provided and maintained in a position conveniently accessible to each person (such persons).

14. There shall be provided and maintained for such hand washing facilities an adequate supply of hot and cold water or such a supply of hot water at a suitably controlled temperature.

15. At or near such hand washing facilities there shall be provided and maintained for the use the persons engaged in the handling of food on or about the food premises, adequate supplies of soap or other suitable detergent, nail brushed and clean towels or other suitable drying facilities, which shall be used by such persons only for securing personal cleanliness.

16. All such hand washing facilities shall be kept clean.

17. Except where adequate provision is made elsewhere than in a food room, suitable and sufficient cupboard or locker accommodation shall be provided and maintained in all food premises for the clothing and footwear not worn during working hours of all persons engaged in the handling of food.

18. Articles and equipment with which food comes into contact in the course of a food business shall be kept clean and shall be so constructed, be of such materials and be kept in such good order, repair and condition as to:

- (a) enable them to be cleaned; and
- (b) prevent so far as is reasonably practicable any matter being absorbed by them or the contamination of any such food.

19. There shall be provided and maintained in all food premises suitable and sufficient sinks or other facilities for washing food and equipment in the food business; and there shall be provided and maintained, for every such sink or other facility an adequate supply of hot and cold water or a supply of hot water at a suitable controlled temperature.

20. All such sinks and other facilities shall be kept clean and in efficient working order, and there shall be provided and maintained adequate supplies of soap or other suitable detergent and of clean cloths or other suitable cleaning or drying facilities.

21. No refuse or filth, whether solid or liquid, shall be deposited or allowed to accumulate in a food room except so far as may be unavoidable for the proper carrying on of the trade or business.

22. All containers for containing food in the course of a food business, including returnable containers held by a retailer, shall be far as reasonably practicable, be protected and kept free from contamination.

23. Suitable storage facilities and metal garbage containers shall be provided for refuse from any food business and the refuse shall be removed as often as reasonably necessary:

24. All food shall be packaged or wrapped in such a manner as to preclude reasonable risk of contamination during transportation.

25. Food which is susceptible to spoilage and the action of toxin producing organisms shall be kept under refrigeration.

26. A person who engages in the handling of food shall, while so engaged:

(1) keep as clean as may be reasonably practicable all parts of his person which may be liable to come into contact with the food.

(2) Keep as clean as may be reasonably practicable all parts of his clothing or overall which may be liable to come into contact with the food.

27. This schedule shall not apply to premises which contain only automatic dispensers for bottled beverages and/or automatic dispensers for prepacked candy.

SCHEDULE #12

Relating to persons going from place to place  
with goods, wares or merchandise for sale

No person shall, subject to the exception set out in this by-law, act or carry on business as a salesperson, hawker, pedlar or petty chapperson who go from place to place or to a particular place with goods, wares or merchandise for sale, or, who carry and expose samples, patterns or specimens of any goods, wares or merchandise that are to be delivered in the municipality afterwards, without having first obtained a license so to do and shall have paid the necessary license fee provided.

1. No such license is required for hawking, peddling or selling goods, wares or merchandise,

(a) to wholesale or retail dealers in similar goods, wares or merchandise, or

(b) if the goods, wares or merchandise are grown, produced or manufactured in Ontario and are hawked peddled or sold by the grower, producer or manufacturer or his agent or employee having written authority so to do, in the municipality in which the grower, producer, or manufacturer resides, or

(c) if the goods, wares or merchandise are hawked, peddled or sold by a person, who pays business tax in the municipality, or by his employee, or by his agent, or

(d) if the goods, wares or merchandise are hawked, peddled or sold by an agent of the grower, producer or manufacturer acting on behalf of a dealer who pays business tax in the municipality in respect of premises used for the sale of such goods, wares or merchandise.

2. Such servant or employee shall exhibit his/her authority when required so to do by any municipal or peace officer.

3. In a prosecution for a breach of the by-law, the onus of proving that he does not for any of the reason mentioned in Section 1, require to be licensed is upon the person charged.

4. The licensee shall, at all times, while carrying on his business, have his license with him and shall upon demand exhibit it to any municipal or peace officer.

5. If a peace officer demands the production of a license by any persons to whom the by-law applies, and the demand is not complied with, it is the duty of the peace officer and he has power to arrest such person without warrant and to take him before the nearest Justice of the Peace, there to be dealt with according to law.

6. Before a license shall be issued under this by-law the License Issuer shall ascertain if the applicant therefor is of good (character) reputation and a person to whom, in his opinion, a license should be granted.

7. All applications for licenses shall be addressed to the License Issuer and shall set out,

- (a) the name, address and occupation of the applicant,
- (b) the nature of the merchandise which the applicant proposes to sell,
- (c) the nature of the license applied for.

8. A license shall not be transferred.

9. A license issued under this by-law to any person, company or partnership shall not permit more than one person to go from house to house or along highways for the purpose of buying, selling or trading.

SCHEDULE NO. 13

Relating to Heating Contractors,  
Master Steam and Hot water Heating  
Installers, Master Warm Air Heating  
Installers.

1. (a) Every applicant for a Master Steam and Hot Water Heating Installer's License may be examined by the Examining Board as hereinafter constituted, touching his knowledge of the provisions of this By-law and of all relevant codes and standards relating to the installation of heating equipment, the planning and installing of steam, hot water, vapour and vacuum heating systems and equipment used in connection therewith, and estimating the cost of the material and labour used in such heating systems.  
  
(b) Every applicant for a Master Warm Air Heating Installer's License may be examined by the Examining Board as hereinafter constituted, touching his knowledge of the provisions of this By-law and of all relevant codes and standards relating to the installation of heating equipment, the planning and installing of warm air heating systems, including equipment and air conditioning and ventilating systems used in connection therewith, and estimating the cost of the material and labour used in such heating systems.
2. An examining Board may be appointed by the Council and when authorized shall be constituted as follows:
  - (a) Member of Council
  - (b) Building and Zoning Co-ordinator or his designate
  - (c) A licensed master in the trade for which an application is being made.

The members of the Examining Board may be appointed for terms expiring on 31st December in each year and shall be eligible for re-appointment and may be paid such remuneration as may be fixed by resolution of the Council.

(A) The members of the Examining Board shall be appointed for terms expiring on 31st December in each year and shall be eligible for reappointment and shall be paid such salary or other remuneration as may be fixed by resolution of the Council.

3. Building and Zoning Co-ordinator, his designate and/or Council may require any person to who this Schedule related to be examined by the Examining Board.
4. No person shall be licensed as a heating contractor unless he has a regular place of business and if other than a corporation is of the full age of 18 (eighteen) years.
5. In addition to furnishing any information required of him under Section 4 of this By-law, every applicant for a heating contractor's license shall in his application truly and accurately set out the mailing address of his proposed business premises and every holder of such license shall notify the License Issuer in writing within two days of any change of his business address.
6. (1) Save as provided by paragraphs (II) and (III) hereof, no heating contractor or master steam and hot water installer, or master warm air heating installer shall cause or permit any person not licensed under this By-law as a master steam and hot water heating installer or warm air heating installer to do or perform or assist in the doing or performing of any heating work or in the installation of any heating system.  

(II) Notwithstanding paragraph (I) a heating contractor or master steam and hot water heating installer or master warm air heating installer who employs a apprentice or other unlicensed person may permit such helper or unlicensed person to assist in the doing of heating work or in the installation of any heating system provided each such helper or unlicensed person while so doing is in the constand presence of, and under the direct, continuous personal supervision of a licensed master steam and hot water heating installer or warm air heating installer.

(III) No master or journeyman steam and hot water heating installer or warm air heating installer shall have under his direct personal supervision as an assistant under paragraph (II) above more than one registered Apprentice or unlicensed person at any one time.

7. No person licensed as a journeyman heating installer (whether steam and hot water or warm air) under this By-law shall perform any heating contracting work or any work in connection with the installation of heating systems or engage in the heating trade or occupation except under the personal supervision and direction of a master heating installer (in the same trade) in charge of and directly responsible for the superintendence of the heating work performed.
8. (I) No person other than a licensed Master steam and hot water heating installer or Master warm air heating installer of the regular full-time employer of a licensed Master steam and hot water heating installer or Master warm air heating installer may be issued a heating contractor's license or may continue to hold such license.  
(II) No heating contractor shall perform or permit to be performed any heating work that is not under the direct personal supervision of a master steam and hot water heating installer or master warm air heating installer.
9. (a) No master steam and hot water heating installer or master warm air heating installer shall act as such for more than one heating contractor at one time.  
(b) Any person licensed under this By-law as a master steam and hot water heating installer or as a master warm air heating installer shall notify the License Issuer forthwith upon ceasing to act as such for one heating contractor or employer and upon commencing to act as such for another heating contractor or employer such licensee shall within 7 days after changing his employment personally attend at the office of the License Issuer and produce his license to have such change of employment noted and endorsed thereon.  
(c) No heating contractor shall employ a Master steam and hot water heating installer or Master warm air heating installer as such unless and until such heating contractor's name has been endorsed on such Master steam and hot water heating installer or Master warm air heating installer's license as his employer in accordance with paragraph (b)

hereof and no Master steam and hot water heating installer or Master warm air heating installer shall commence work with any heating contractor or other employer until his license shall have been so endorsed.

Schedule #14

Relating to Laundry persons and Laundry Companies

1. Every person to whom this Schedule relates shall be required to take out a separate license for each premises owned or occupied by him where laundry work is done, but shall not be required to take out a license for premises for the purpose of collecting, receiving or returning clothes or materials upon which the laundry work is to be or has been done in a laundry premises owned or occupied by such person.
2. Every person to whom this Schedule relates shall be required to take out a separate license for each premises used for the purpose of collecting, receiving or returning clothes or materials upon which the laundry work is to be or has been done in a laundry premises not owned or operated by such person.
3. Every person who is the holder of a license to which this Schedule applies shall keep his premises and the appurtenances thereto belonging, and his offices, wagons, carts and other vehicles used in collecting or delivering laundry work, clean and in a sanitary condition, and shall not allow any of the workrooms used for carrying on said laundry business to be used as a sleeping room.
4. Such licensee shall not, after the hour of eight o'clock in the afternoon of any day or before the hour of seven o'clock in the forenoon of any day, use or permit to be used on his premises any machinery driven by steam, electric or other motive power, if the said premises are within a distance of ten feet from any building used wholly or partly as a dwelling; but this restriction shall not apply to coin-operated domestic-sized washing machines.
5. If the holder of a license to which this Schedule applies does not own or control the premises in which the laundry work collected by him is done, he shall post his license

in a conspicuous place in an office, wagon, cart or other vehicle used by him for collecting or delivering laundry work; and said license shall remain posted during the time it is in force.

6. Every person who collects laundry work at any office, or with any wagon, cart or other vehicle, shall, at the time of the issue of his license, receive from the License Issuer a plate or plates bearing a number, one of which shall be affixed, in the case of each office where laundry work is collected, received from or delivered to the public, as provided in Section 2, hereof, and, in the case of each such wagon, cart or other vehicle, on a prominent place on the left-hand side of the outside of each such wagon, cart or other vehicle, and shall remain thereon during the period for which the license is granted; and except as required by law, no other device displaying a number shall be exhibited upon the outside of such wagon, cart or other vehicle and such plate or plates shall be returned to the License Issuer at the expiration of the term of the license. Every such licensed person shall have his name and address or the name and address of his laundry legibly printed on each side of each such wagon, cart or other vehicle in letters at least three inches high.
7. All branch offices, and other places where laundry work is collected, received from or delivered to the public, must have a sign containing the name and address of the laundry controlling or owning such branch office, or for whom the laundry work is received, plainly affixed in a prominent place on the outside street wall of such office, said laundry name and address to be legibly printed in letters at least three inches high, and to have attached to said sign, the plate hereinbefore provided for, said plate to bear the number of the license, and no laundry work may be collected at, received from or delivered to the public from any premises unless the premises comply with the provisions of this By-law.

8. Every person carrying on the business of making available to the public the use of coin-operated washing machines and dryers shall post in a conspicuous place on all premises where such machines are kept a sign in clearly legible letters satisfactory to the License Issuer stating the name, address and telephone number of the person responsible for the operation of the premises.
9. Every person to whom this Schedule relates shall ensure that all premises used by him for a business referred to in this Schedule shall keep all such premises neat, clean and in a tidy condition.

SCHEDULE #15

Relating to keepers of shops or places  
where animals or birds for use as pets  
are sold or kept for sale

1. Every applicant for a license to which this schedule relates shall with his license application file a certificate from the Medical Officer of Health that the same complies with the requirements of this By-law.
2. A separate license shall be taken out in respect of each such shop or place.
3. Every person licensed as a keeper of shops where animals or birds for use as pets are sold or kept for sale shall comply with the following requirements:
  - (a) At all times maintain his shop or place of business in a sanitary, well-ventilated, clean condition and free from offensive odours.
  - (b) keep his stock of animals or birds in a sanitary, well-bedded, well ventilated, naturally lighted, clean quarters and maintain and keep such quarters at a healthy temperature at all times.
  - (c) keep his stock of birds in adequately sized cages having removable metal or other impermeable bottoms which shall be cleaned daily.
  - (d) Adequately feed and water his stock of animals or birds periodically each day and keep same in clean healthy condition, free from vermin and disease.
4. No person shall:
  - (a) keep his stock of animals or birds in crowded quarters or cages.
  - (b) sell any diseased animal or bird.
  - (c) sell any dog or bitch under the age of 8 (eight) weeks.
  - (d) display any animal or bird in a shop or display window except at the rear of such window out of draughts and rays of the sun.
5. Whenever any such licensee sells or otherwise disposes of

a dog or bitch, such person shall give to the purchaser a receipt showing the name and address of the vendor and the purchaser, the date of sale, the sale price, the breed or crossbreed, sex, age and description including colour and placing of markings, if any, of the dog or bitch.

6. Every such licensee shall keep a register in which shall be entered in the English language, written in ink, in a plain legible hand, a record of each dog and bitch purchased or otherwise obtained. Each entry shall be made at the time each dog or bitch comes in such person's possession and shall include the addition to the date of purchase, a full description of the dog or bitch, the name and address and description of the person from whom the same was purchased or otherwise obtained.
7. It shall be the duty of the Licensee to see that the aforesaid register is not mutilated or destroyed and it shall be open to inspection by the Council or any person designate thereby, at all times during business hours and may be removed at any time for inspection or for use in the Courts, if necessary. The person licensed shall not be responsible for neglect to make the necessary entries in the said register while same is so absent from his premises.
8. Every such Licensee shall make every reasonable effort to obtain the name, address and description of anyone offering to him any dog or bitch which such person has cause or reason to suspect has been stolen or otherwise unlawfully obtained, and report the facts promptly to the nearest Police Station.
9. A Medical Officer of Health or such of his staff as may designate, and every other person authorized by the Council may inspect any shop or place where animals or birds for use as pets are sold or kept for sale.

SCHEDULE #16

Relating to plumbing contractors,  
master plumbers.

1. In this part:

- (a) "Journeyman plumber" means a person, other than master plumber, who has been employed in plumbing installation and has acquired sufficient skill a knowledge of the trade to be considered a safe and responsible mechanic;
- (b) "Maintenance" means the keeping in repair of plumbing, including repair of taps and valves by replacing worn parts but shall not mean or include the installation, construction, reconstruction, relocation or replacement of plumbing or addition thereto;
- (c) "Master plumber" means a person who is skilled in the planning, superintending and installing of plumbing, is familiar with the laws, rules and regulations governing the same, has a regular place of business in the Province of Ontario and who himself or by journeyman plumbers in his employ performs plumbing work;
- (d) "Plumbing contractor" means a person engaged in the business of contracting for the making and repairing of plumbing installations, and includes any person who solicits for plumbing work, or who in any way advertises to, or holds himself out to the public as doing plumbing work, or as being a plumbing contractor;
- (e) "Plumbing" includes any procedure, method, matter or thing referred to or described in the Provincial Plumbing Code, and amendments thereto from time to time; and "plumbing work" has a corresponding meaning;

2. No person shall do, perform carry out or effect any plumbing work within the City of Brampton unless such person is:

- (a) certified as a plumber in the Province of Ontario; and
- (b) licensed as a plumbing contractor, master plumber under this By-law; and

- (c) registered with the Apprenticeship Branch of the Ministry of Colleges, Universities of Ontario as an indentured apprentice in the plumbing trade and is assisting in the doing or performing of plumbing work in accordance with the provisions of Section 8 of this schedule; or
  - (d) performing maintenance as defined in Section 1(b) of this schedule; or
  - (e) the owner personally doing plumbing work within a single family dwelling owned and personally occupied by himself; or
  - (f) installing or repairing drain work as defined in Section 1(c) of Schedule 4 to this By-law and is doing or performing the work in accordance with the provisions set out in Schedule 4 to this By-law.
3. An Examining Board may be appointed by the Council and when authorized, shall be constituted as follows:
- (a) Member of Council
  - (b) Building and Zoning Co-Ordinator or his designate
  - (c) A Licensed Master in the trade for which an application is being made.
- The Members of the Examining Board may be appointed for terms expiring on 31st December in each year and shall be eligible for re-appointment and may be paid remuneration as may be fixed by resolution of the Council.
4. In addition to furnishing any information required in this by-law, every applicant for a plumbing contractor's license shall in his application truly and accurately set out the mailing address of his proposed business premises and every holder of such license shall notify the license Issuer in writing within two (2) days of any change of his business address.
5. (a) Every applicant for a master plumber's license shall hold a certificate of qualification for the trade of plumber issued pursuant to the Apprenticeship and Tradesmen Qualification Act, and shall have had not less than two years experience as a journeyman plumber and may be examined by an examining board, touching his

knowledge of the provision of this by-law and all relevant codes and standards relating to the planning and installation of plumbing and drainage systems and equipment used in connection therewith. Such examination may be written and/or oral.

- (b) The Examining Board shall report the result of each examination to the License Issuer.
- (c) Notwithstanding anything herein contained, an applicant for a master plumber's license may be issued a license without an examination if he holds a current license as a master plumber in a municipality which, in the opinion of the Building & Zoning Co-Ordinator has established examinations of an acceptable standard.

6. No person shall be licensed as a plumbing contractor unless he has a regular place of business in the Province of Ontario; and if other than a corporation is of the full age of 18 (eighteen) years.

- 7. (a) Save as provided by subsections (b) and (c) of this section, no plumbing contractor or master plumber shall cause or permit any person not licensed under this by-law as a master journeyman plumber, to do or perform or assist in the doing or performing of any plumbing or plumbing work.
- (b) Notwithstanding subsection (a) of this section a plumber contractor or master plumber who employs one or more persons registered with the Apprenticeship Branch of the Ministries of Colleges and Universities of Ontario as an indentured apprentice in the plumbing trade (and hereafter referred to as apprentices) may permit such apprentice or apprentices to assist in the doing or performing of plumbing or plumbing work, provided each such apprentice while so doing is in the constant presence of, and under the direct personal supervision of a licensed master plumber or journeyman plumber continuously employed on the same job or contract.

(c) No master plumber or journeyman plumber shall have under his director personal supervision as an assistant under subsection (b) of this section, morethan one apprentice plumber at any one time.

8. No person certified as a journeyman plumber under this by-law shall perform any plumbing work or install any plumbing material or appliance or engage in the plumbing trade or occupation except under the personal supervision and direction of a licensed master plumber in charge of and directly responsible for the superintendance of the plumbing work performed.

9. (a) No master plumber shall act as such for more than one plumbing contractor at one time.

(b) A master plumber shall notify the License Issuer forthwith upon ceasing to act as a master plumber for one plumbing contractor or employer and upon commencing to act as a master plumber for another plumbing contractor or employer and such master plumber shall, within seven days after so changing his employment, personally attend at the office of the License Issuer and produce his license to have such change of employment noted and endorsed thereon.

(c) No plumbing contractor shall employ a master plumber as such unless and until such plumbing contractor's name has been endorsed on such master plumber's license as his employer in accordance with subsection (b) of this section and no master plumber shall commence work with any plumbing contractor or other employer until his license shall have been so endorsed.

SCHEDULE # 18

PUBLIC HALLS

1. INTERPRETATION

OWNER - means a person who has in respect of premises, an estate for life or a greater estate, legal or equitable, or a leasehold estate.

PUBLIC HALL - means a building, including a portable building or tent with a seating capacity for over one hundred persons, that is offered for use or used as a public assembly, but does not include a theatre within the meaning of the Theatres Act, or a Building, except a tent, used solely for religious purposes.

FIRE RESISTIVE CONSTRUCTION - means non-combustible construction having a fire-resistance rating of one hour or more.

2. No owner shall operate a public hall or allow any building or part thereof to be used as a public hall unless he holds a public hall license issued by the License Issuer of this municipality for which the fees payable shall be as follows:

Grade 1 - For a hall having a licensed capacity of over  
1,000 persons .. .. \$50.00

Grade 2 - For a hall having a licensed capacity of between  
999 and 600 persons .. .. \$40.00

Grade 3 - For a hall having a licensed capacity of between  
599 and 300 persons .. .. \$30.00

Grade 4 - For a hall having a licensed capacity of under  
300 persons .. .. \$20.00

3. No license fee shall be payable under this schedule by any religious or municipal organization nor by a University Public School, Separate School or Board of Education in respect of a hall used for entertainment given or held by it, but every such hall shall in all other respects comply with this schedule.
4. Every application for a public hall license shall be accompanied by:

- (a) a statement on the form provided by the License Issuer giving such particulars as to the location, size and construction of the hall, as may be required;
  - (b) a certificate signed by the fire chief or fire prevention officer, certifying that he has inspected the building in respect of which the application is made and has found that it is in accordance with this schedule as to fire safety precautions;
  - (c) a certificate dated within three months of the application signed by the local inspector of The Hydro Electric Power Commission of Ontario, certifying that the Electric wiring has been inspected and found satisfactory.
  - (d) a certificate signed by the Building Co-ordinator or Delegate.
5. The owner of a public hall shall not allow a greater number of persons to enter and be in the hall at any one time than is stated to be the maximum capacity of the hall on the license, which maximum capacity shall be determined as follows:
- (1) (a) where the public hall is in a building of fire-resistive construction or on the first or ground floor of a building not of fire-resistive construction, the maximum capacity shall be determined on the basis of one person to each six square feet of total floor area where fixed seating is employed and eight square feet per person where movable seats are used;
  - (b) where the public hall is in the basement or on the second floor of a building not of fire-resistive construction the maximum capacity shall be determined on the basis of one person to each ten square feet of total floor area; such floor area will be determined in accordance to 1.(a) provided approved Fire Protection is required
  - (c) where the public hall is on the third floor of a building not of fire-resistive construction, the maximum capacity shall be determined on the basis of one person to each fifteen square feet of floor area, such floor area will be determined in accordance to 1.(a) provided approved Fire Protection is required.
- (2) A license shall not be issued for a public hall on any storey higher than the third floor in a building not of fire-resistive construction.

- (3) The owner of every public hall shall display in a prominent place in the entranceway to the public hall and inside the hall adjacent to the entranceway a sign with the following wording in letters not less than two inches high:

"Occupancy of this Hall by more than ..... persons is dangerous and unlawful."

with the blank filled in with the maximum capacity as stated on the license, and signs stating the location of the nearest telephone, the telephone number of the fire department and the location of the nearest fire alarm box or fire hall.

- (4) For the purposes of this section:

(a) the floor area of a public hall shall not include the floor areas of any platform, stage, washroom, kitchen, cloakroom, hallway, entranceway, stairway, stairwell or any other anti room adjacent to or used in connection with such public hall;

(b) no person employed or serving on or in any of the floor areas mentioned in clause (a) shall be counted in determining the number of persons permitted in a public hall.

6. In every public hall having rows of fixed seats there shall,
- 1) in addition to the space at the front and rear of the hall, be aisle space of not less than forty-four inches in width for every 200 persons or fraction thereof for which the hall is licensed.
  - 2) In every public hall having rows of movable seats there shall, in addition to the space at the front and rear of the hall, be aisle space of not less than forty-four inches in width for every 150 persons or fraction thereof for which the hall is licensed and no centre seating section shall contain more than fourteen seats in a row and no seating section running to a side wall shall contain more than seven seats in a row.
  - 3) In every public hall having rows of movable seats they shall be fastened together so that there are units of not less than three or more than twelve seats.
  - 4) In every public hall having chairs and tables there shall, in addition to the space at the front and rear of the hall, and in addition to any space used for dancing or any entertainment, be clear aisle space of not less than twenty-two

inches in width between rows of tables and chairs for not more than two persons, thirty-six inches between rows of tables and chairs for not more than four persons and forty-four inches in width between rows of tables and chairs for more than four persons at an individual table.

- 5) Movable seats shall not be permitted in balconies or galleries on which the floor is arranged as steps.
  - 6) Where an exit is located at the side of the hall having movable or fixed seats or chairs and tables there shall be across aisle giving access to each such exit.
  - 7) Standing in the aisles, additional seats or additional chairs or tables which would reduce the aisle space below the minimum required shall not be permitted.
7. 1) Every public hall shall have at least two independent exits, each at least three feet in width, located as far apart as is structurally feasible, but in no case less than the width of the public hall or approximately fifty percentum of the length of the public hall.
- 2) The distance of travel to any exit from the hall shall not exceed 100 feet, measured along the path of exit travel from any seat. Where because of the size of the hall this is not practical, exits may be spaced not more than 100 feet apart along the perimeter of the hall.
  - 3) Where there are only two exits from a public hall licensed for more than 300 persons, each exit shall not be less than forty-four inches in horizontal width.
  - 4) Where the licensed maximum capacity of the hall is greater than 400 persons in a building of fire-resistive construction or the hall is on the first or ground floor of a building not of fire-resistive construction, additional exits shall be required on the basis of not less than twenty-two inches of exit width for every 90 persons or fraction thereof above 400 persons.
  - 5) Where the licensed maximum capacity of the hall is greater than 300 persons in the basement or on the second or third floor of a building not of fire-resistive construction additional exits shall be required on the basis of

- not less than twenty-two inches of exit width for every 60 persons or fraction thereof above 300 persons.
- 6) Every balcony or gallery in a public hall shall have at least two independent means of exit, either to the outside or to the main floor of the hall.
  - 7) Rugs, carpets or other floor coverings shall be secured and maintained so that they will not ruck, or so that they will not in any way impede egress.
  - 8) Mats located at the entrance of the public hall shall be flush with floors or have chamfered or bevelled edges.
  - 9) Articles which may create any obstruction shall not be located in or adjacent to the path of exit travel.
  8. 1) All exit doors including the main entrance door shall be equipped with panic-type hardware that enables a door to be opened easily upon the application of pressure from the inside. Panic hardware shall not be required on free-swinging doors which are not equipped with any locking or latching devices.
  - 2) No revolving type of door or turnstile shall be used as an exit from a public hall except that a revolving type door or turnstile may be used from the first or ground floor provided that there is an exit door or doors of the swing type adjacent to and within at least fifteen feet of the revolving door or turnstile.
  - 3) Hooks, padlocks, chains and draw bolts, other than the panic hardware type, shall not be permitted on doors.
  - 4) Whenever a public hall is to be used the owner shall take all necessary steps to ensure that the doors open freely.
  9. 1) Above every exit, or access to exit, there shall be an illuminated sign having letters of not less than six inches in height and the principal strokes three-quarters of an inch in width, with the word "EXIT" lighted with electric current on a circuit separate from that furnishing any other electric service in the building, or on a circuit from a point on the supply side of the service switch and provided with its own service box.
  - 2) Every exit sign shall be clearly visible from the most distant part of the hall from which there is a clear line of sight.

- 3) The inspector may require a stand-by or auxiliary electric service of a capacity sufficient to supply all exit lights or to floodlight the hall from a storage battery kept permanently charged with a trickle charger.
  - 4) Every door which does not lead to an exit shall be plainly marked with letters not less than six inches in height designating the part of the premises to which it leads unless an exit leading to grade is available through such a room and in such case the door shall be marked as an exit.
10. 1) The width of every exit stairway shall not be less than the exit door from which it leads and shall have treads not less than ten inches in width exclusive of nosing and risers not more than eight inches in height, provided that where structural difficulties exist the building and zoning inspector may issue a permit in writing for a stairway having a slope of not greater than forty-five degrees from the horizontal.
- 2) The treads of such stairs shall be maintained with a non-slip surface.
  - 3) When the difference in floor levels or the height of any exit door from the ground level is not greater than ten feet, an inclined ramp may be permitted in lieu of a stairway, provided such ramp shall have a slope not greater than one foot rise in a ten foot run.
  - 4) Any exit stairway, connecting two or more floors, shall be enclosed at all floor levels with construction having a fire resistance of not less than one hour. Doors providing access to this enclosure shall have a fire-resistance of not less than three-quarters of an hour, and shall open in the direction of exit travel.
  - 5) All exit stairway enclosures shall provide a protected means of egress to grade such that it would not be necessary to leave the stairway enclosure to reach an exterior door. A lobby or foyer may constitute part of the stair enclosure provided that it is enclosed in accordance with subsection 4 and provided that the distance of travel through the lobby to an exit does not exceed fifty feet.

- 6) Exit stairs from the first balcony or gallery above the main floor need not be enclosed provided that these stairs serve only the first balcony or gallery.
  - 7) Every passageway or platform leading to or from an exit stairway shall be kept clear of all obstructions.
  - 8) Cupboards shall not be constructed underneath any stairway nor the space under any stairway used for storage purposes.
  - 9) All combustible exit stairs and landings shall have their undersides protected by a one hour fire resistive ceiling.
11. 1) Every outside fire escape shall be of the stair type only and shall extend down to the ground or street level, provided that where a fire escape is situated on a street or travelled lane the last section may, with the approval in writing of the building inspector, be the counter-balanced type. In no case shall the slope of the stairway exceed forty-five degrees with the horizontal.
- 2) Every Fire Escape shall be approved by the Zoning and Building Co-ordinator in accordance with the prevailing building code.
12. Before the public hall is used on any occasion the owner shall clear every outside fire escape of snow and ice or other obstruction.
13. Every stairway, passageway and fire escape shall be well lighted whenever the public hall is in use, and all electric light bulbs within eight feet of the floor level shall be protected with metal guards to prevent breakage or removal.
14. 1) Every public hall shall be kept clean and clear of rubbish.
- 2) Metal containers with self-closing covers shall be provided and conveniently placed for the deposit of used paper towels and rubbish and the contents of every such container shall be emptied and disposed of immediately following the use of the hall.

## SCHEDULE #19

Relating to owners, operators, drivers of and assistants in vehicles from which refreshments are sold for consumption by the public

1. Every owner, operator, driver of and assistant in a vehicle from which refreshments (other than those described in Part 2 of this Schedule) are sold for consumption by the public shall observe and comply with the following regulations or cause the same to be observed and complied with:
  - (1) The vehicle from which the refreshments are sold shall be of a four-wheeled commercial motor vehicle type;
  - (2) The body, doors and windows of such vehicle shall be of sufficiently sound construction to provide reasonable protection against dust, dirt, flies and other injurious matter or things;
  - (3) The floor of such vehicle shall be of a suitable impervious material, free of holes, cracks or crevices, and the surface thereof shall be readily washable and shall be kept clean and in good condition;
  - (4) The vehicle shall have painted in contrasting colour on both side panels in letters and figures at least 4 inches high, the name and business address of the owner thereof; and below such name and address in letters at least 2½ inches high, the words "Brampton License" followed by the license number of such vehicle in figures at least 6 inches high;
  - (5) Only single-service disposable cups, plates, containers, forks, spoons and serviettes provided in dispensers or individually wrapped shall be used in the sale of all refreshments;
  - (6) The vehicle shall be equipped with either:
    - (a) a metal refuse container with a self-closing lid which shall be kept at all times in a clean and sanitary condition and emptied at least once daily, or
    - (b) a daily disposable litter container which shall be replaced daily; and such containers shall be used for the disposal of all refuse;
  - (7) The vehicle and all parts and equipment thereof for use in the dispensing of refreshments shall at all times be kept in a clean and sanitary condition and in good repair;
  - (8) All milk sold from the vehicle shall be kept in dry storage at a temperature no higher than 50 degrees Fahrenheit and shall be sold only in individual disposable containers;
  - (9) All sandwiches, cakes, doughnuts, hot dogs, hamburgers, pies and other similiar foods shall be wrapped and sold in individual servings;

- (10) The date of preparation shall be clearly and legibly marked as such on or affixed to the wrapper of all sandwiches sold from the vehicle;
- (11) No prepared foods other than those kept in unopened cans shall be sold more than twenty-four hours after their preparation;
- (12) Adequate refrigeration at a temperature no higher than 50 degrees Fahrenheit shall be provided for perishable foodstuffs, which shall be kept so refrigerated;
- (13) The vehicle shall be equipped so as to maintain hot prepared foods at a temperature of not less than 140 degrees Fahrenheit, and such foods shall be kept so heated;
- (14) All refreshments sold from the vehicle shall be clean, fresh and wholesome.
- (15) Every person selling or handling refreshments shall wear clean clothes, be clean and neat in appearance and have clean hands.

2. No owner to whom this part relates shall permit or allow any person other than a licensed driver employed by him to operate his refreshment vehicle.

3. No person to whom this part relates shall sell any refreshments not prepared, assembled and wrapped in premises and under conditions complying entirely with the requirements of the Medical Officer of Health.

4. The owner of every vehicle to which this part relates shall at all times display in such vehicle in a conspicuous place accessible to the public a copy of the license for the said vehicle.

5. Every owner shall take out a separate license for each refreshment vehicle owned by him; and the plate issued in respect of such license shall be securely affixed to the rear of the vehicle.

6. Every owner of a refreshment vehicle shall, whenever required to do so by the License Inspector, bring such vehicle to any person designated by the License Inspector to inspect the same, at the place and time indicated by him.

7. No refreshments shall be sold from a vehicle drawn by an animal.

8. Every owner and operator of a refreshment vehicle to which this part relates shall:

- (a) at the time he receives his license, designate to the License Issuer the source of supply of all refreshments to be sold from the vehicle;

- (b) notify the License Issuer forthwith of any change in such source of supply;
- (c) refrain from selling or permitting to be sold from the vehicle any refreshments from a source of supply other than that designated by him to the License Inspector.

9. Every owner of a refreshment vehicle shall for each such vehicle procure a policy of insurance endorsed to the effect that the Clerk of the City of Brampton will be given at least ten days' notice in writing of any cancellation, expiry or variation in the amount of the policy insuring in at least the amount of \$200,000.00 (exclusive of interest and costs) insuring against loss or damage resulting from bodily injury to or death of one or more persons, or from loss of or damage to property resulting from any one accident. A copy or certificate of such policy shall be deposited with the Municipal Clerk.

SCHEDULE #20

Relating to Owners or Keepers of Salvage Yards; owners or keepers of shops, stores or other places for the purchase, sale or exchange of second-hand goods; persons other than those beforementioned who engage in the business of purchasing, selling, exchanging or otherwise dealing in second-hand goods in or from a yard, shop, store or other premises; and person who go from house to house or along any street whether public or private for the purpose of collecting, purchasing or obtaining second-hand goods.

---

1. Notwithstanding any other provision in this By-law contained, no license shall be required by persons engaged in any of the trades, callings, businesses or occupations to which this Schedule relates for patriotic or charitable purposes or in the purchase, sale or exchange of articles commonly known and recognized as valuable antiques and works of art, either in their original condition or as renovated, remodelled, repaired or re-manufactured.
2. Any license issued under this By-law may be issued to authorize the licensee to deal in one class only of second-hand goods or in more than one class as may be specified in the license, and such licensee shall not be entitled to deal in any class of second-hand goods not covered by his license.
3. Every person taking out a collector's license under this By-law shall, at the time of the issue of his license, be furnished by the License Issuer with a metallic plate bearing a number which shall be securely affixed to his wagon cart or other vehicle used in carrying on his business.
4. Every store, shop, yard or other place, the owner or keeper of which is licensed under this By-law, shall be kept clean, in a neat condition, and in good repair. No goods or merchandise shall be displayed on the outside of any such store, shop, yard or other place, and all goods shall be exhibited in an orderly manner.
5. Every application for a license to carry on any of the businesses mentioned in this By-law in a yard, shop, store, warehouse or other similar place, the owner or keeper of which

had not been licensed in respect thereto during any portion of the previous twelve months, must be accompanied by a certificate from the Medical Officer of Health for the area municipality in which the business is proposed to be located, to the effect that the said business is unobjectionable on sanitary grounds.

6. Every person requiring a license under the provisions of this By-law shall obtain a separate license in respect of each and every shop, store or other place used for the transaction of business or for taking in or storing second-hand goods.

7. Every owner or keeper of a salvage shop, salvage yard or of a shop, store or other place for the purchase, sale or exchange of second-hand goods, except those dealing in bicycles only shall, during the whole period in which the license is in force, exhibit over the street door or in the front window of the premises in respect to which a license is issued, or in some other conspicuous place on the front thereof satisfactory to the License Issuer in large plain letters in the English language, the words "Licensed Second-Hand Shop" or "Licensed Salvage Shop" or "Licensed Salvage Yard" as the case may be, and shall also keep the license constantly exposed in a conspicuous place in the interior of the licensed premises.

8. No person to whom this Schedule relates shall purchase, take in exchange, or receive any goods, article or thing from any person who appears to be under the age of eighteen years, or from any person under the influence of liquor.

9. Notwithstanding any other provision of this By-law no person having a collector's license shall, between the hours of sunset on any day and the hour of sunrise on the next following day, pass from house to house or along any private street or lane or public highway in the City for the purpose of collecting, purchasing or obtaining second-hand goods.

10. Subject to subsection 2 hereof, no person to whom this Schedule relates shall alter, repair, dispose of, or in any way part with any goods or articles purchased or taken in exchange until after the expiration of fifteen clear days, exclusive of Sundays and holidays, from the date of purchase of such exchange, and during these fifteen days the goods or articles so obtained shall remain on the premises in respect to which the license is

issued and be kept in a separate location from goods previously purchased, and shall be subject to inspection at any time during business hours by the License Issuer or any police officer or any person duly authorized by the Council. The provisions of subsection 1 hereof shall apply to all persons to whom this Schedule relates who purchase, sell, exchange or deal in anyway in second-hand outboard motors during the period from September 15 of one year to April 15 of the following year.

11. The Council shall furnish free of charge to every person to whom this Schedule relates, a book known as the "Register", in which shall be entered in the English language, written in ink in a plain, legible hand, a record of all goods received or taken in exchange or otherwise obtained, either at the licensee's place of business or elsewhere. The entry must be made at the time the goods are received or immediately thereafter, and shall include, in addition to the date on which and the hour at which the goods are received, a full description of the article or articles including the serial and model number, if any, and the manufacturer's name, if any, and the name, address, full particulars of identification and description of the person from whom the goods are received, and if purchased, the price paid therefor, and in the case of goods delivered or conveyed by motor vehicle licensed by any Province of Canada or any State of the United States of America, the provincial or state license number of the motor vehicle delivering or conveying the goods. Goods of every description redeemed on pawn tickets purchased or taken in exchange by licensed dealers shall be treated as purchased and shall be so entered. In entering bicycles, the name of the maker and the manufacturer's number thereof shall in every case, be recorded, if known or ascertainable.

12. The Register mentioned in the last preceding section shall remain the property of the Council; and it shall be the duty of the person to whom it is issued to see that it is not mutilated or destroyed. It shall be open to inspection by the Licensing Officer or any person authorized by the Council at all times during business hours, and may be removed at any time for inspection, or for use in the courts if necessary. The person

licensed shall not be held liable for neglecting to enter goods received while the Register is so absent from his premises.

13. Every person to whom this Schedule relates shall deliver, or cause to be delivered, to such place as the License Issuer required not later than nine o'clock in the morning of every week day, a transcript of the goods received on the previous business day, accurately copied from the Register on the blank forms supplied for that purpose.

14. Every person to whom this Schedule relates or any person acting as a servant or agent of any such person, shall make every reasonable effort to obtain the name, address and description of any person offering to him goods or articles of any kind, which he has cause to suspect have been stolen or otherwise unlawfully obtained, and report the facts including the removal or defacement or apparent tampering with the serial numbers or model numbers if any, on such goods or articles to the nearest police station or police officer.

15. (1) Subject to subsection (2) of this Section, sections 3,5,7,8,9,10,11,12, and 13 of this Schedule shall not apply to a person whose primary business is in the sale of new goods or merchandise and who purchases, sells, exchanges or deals in second-hand goods only to the extent of purchasing traded-in articles the value of which is applied against the purchase price of new goods and who subsequently resells such traded-in articles.

(2) The provisions of Sections 10,11,12,13, and 14 of this Schedule shall apply, without limiting the generality of application thereof, to all persons to whom this Schedule relates who purchase, sell, exchange or deal in any way in second-hand outboard motors or in second-hand business machines including typewriters, adding machines, cash registers, comptometers and dictating and transcribing machines, or in second-hand firearms including air pistols, automatic pistols, starting pistols, revolvers, rifles, shotguns and sub-machine guns, or in second-hand still cameras, movie cameras, slide projectors, movie projectors, or portable television sets.

Requirements for Building and Structure:

- a) conduct a salvage operation within an enclosed building or within an area surrounded by a visual barrier to a minimum height of six feet above grade.
- b) construct the fence of either masonry, metal, wood or a composition thereof and if constructed of wood or metal shall be painted uniform.
- c) Provide a driveway minimum of 25 feet.
- d) Maintenance of buildings and grounds, fencing and buildings shall be kept in a good state of repair.

An operator of a salvage yard shall permit at all reasonable times an inspection of the premises by the Medical Officer of Health, Fire Chief and Licensing Officer or their agent.

SCHEDULE #21

Relating to owners and operators of  
public garages and owners or keepers  
of automobile service stations

1. A public garage licence may be issued restricted to one or more of the following classifications:
  - (a) A parking station or a parking lot or a building or place where motor vehicles are hired or kept or used for hire or sold or kept for sale capable of accommodating:
    - (i) Not more than five motor vehicles; or
    - (ii) Six to ten motor vehicles; or
    - (iii) More than ten motor vehicles.
  - (b) A building or place where gasoline or oil is sold or kept for sale;
  - (c) A building or place used as a motor vehicle repair shop other than as described in (d);
  - (d) A building or place used as a motor vehicle repair shop limited to making minor or running repairs;
  - (e) A building or place used for washing or cleaning motor vehicles by mechanical means;
  - (f) A building or buildings used for washing or cleaning motor vehicles by other than mechanical means.

PART I

Relating to Owners and Operators of Public Garages  
other than those described in Parts 2,3, and 4 hereof.

1. No person licensed under this Part shall store or park or allow to be stored or parked thereat for a longer period than forty-eight hours any trailer used for human habitation while so stored or parked.
2. No person licensed under this Part shall remove or cause to be removed any snow from his public garage or automobile service station premises to any sidewalk or roadway upon which such premises abuts.
3. Every person licensed under this Part shall at all times permit any person authorized by the Council to enter the Licensed Premises and make such inspection as may be deemed necessary in order to ascertain whether or not the provisions of this by-law are being complied with.

4. No person licensed under this Part shall permit the engine of a motor vehicle in any building to run, whether on a frame or in a motor vehicle while stationary, unless adequate ventilation is provided to ensure dilution of any carbon monoxide fumes.

5. No person licensed under this Part shall, where practicable, permit the drainage of surface water across any sidewalk upon which the Licensed Premises abuts.

6. Every person licensed under this Part shall keep the Licensed Premises free from rubbish and in a clean and neat condition and keep any sidewalk or street upon which such premises abuts free from any dirt or other foreign substance derived from such premises or resulting from the use thereof.

#### PART 2

Relating only to Owners and Keepers or Public Garages used as Parking Lots and Parking Stations.

1. No person licensed under this Part shall store or park or allow to be stored or parked thereat for a longer period than forty-eight hours any trailer used for human habitation while so stored or parked.

2. Every applicant for a license to own or operate a parking lot or parking station shall include in his application a statement setting forth:

- (a) The location and dimensions of the lands in respect to which he seeks such license (hereinafter referred to as the Licensed Premises);
- (b) The maximum number of motor vehicles proposed to be parked or stored at or upon such premises at any one time;
- (c) The hours during which such premises will be open for business;
- (d) The location of each proposed entrance to and exit from such premises;
- (e) The location, size and type of construction of any office proposed to be used or erected at or upon such premises.

3. Every person licensed under this Part shall:

- (1) If he engages in driving, operating, or moving motor vehicles parked or stored at or upon the Licensed Premises, be the holder of an Operator's or Chauffeur's License under the Highway Traffic Act R.S.O. 1970, and shall not

employ any person or permit any employee to likewise drive or operate such motor vehicles unless such person is the holder of such an Operator's or Chauffeur's License;

(2) Display in a conspicuous place at or upon the Licensed Premises a sign or signs of a design which is not misleading and bearing (a) in letters and figures of uniform size but not less than three inches in height, his rates or charges for parking or storing motor vehicles and (b) in readily legible letters, the hours during which the Licensed Premise are open for business, his name and address;

(3) Provide proper means of ingress and egress to and from the Licensed Premises, to the satisfaction of the Council designated thereby;

(4) Keep the Licensed Premises free from rubbish and in a clean and neat condition and keep any sidewalk or street upon which such premises abuts, free from any dirt or other foreign substance derived from such premises or resulting from the use thereof;

(5) Prevent the drainage of surface water across any sidewalk upon which the Licensed Premises abuts;

(6) Whenever any motor vehicle remains continuously without lawful excuse at or upon the Licensed Premises for more than twenty-four hours, forthwith report to the nearest police station the make and provincial permit number of such motor vehicle.

4. No person licensed under this Part shall:

(1) Remove or cause to be removed any snow from the Licensed Premises to any sidewalk or roadway upon which such premises abuts;

(2) Park or store any motor vehicle on any highway upon which the Licensed Premises abuts;

(3) Lend, hire or rent or cause or permit any employee or other person to lend, hire or rent any motor vehicle that has been received by him or any of his employees for the purpose of parking or storing same at or upon the Licensed Premises or use or cause or permit any employee

or other person to use any such motor vehicle or any accessory or equipment thereof except for purposes necessarily incidental to parking or storing same, or if the Licensee is also licensed to make motor vehicle repairs, necessarily incidental to make repairs thereto.

5. Every person licensed under this Part shall at all times permit any person authorized by the Council or any person designated thereby to enter the Licensed Premises and make such inspection as may be deemed necessary in order to ascertain whether or not the provisions of this by-law are being complied with.

(1) No person licensed under this Part shall permit the engine of a motor vehicle in any building to run, whether on a frame or in a motor vehicle while stationary, unless adequate ventilation is provided to ensure dilution of any carbon monoxide fumes.

### PART 3

Relating only to Owners and Keepers of Public Garages used as Car Wash Establishments.

1. No person licensed under this Part shall remove or cause to be removed any snow from his public garage or automobile service station premises to any sidewalk or roadway upon which such premises abuts.

2. Every person licensed under this Part shall at all times permit any person authorized by the Council to enter the Licensed Premises and make such inspection as may be deemed necessary in order to ascertain whether or not the provisions of this by-law are being complied with.

3. No person licensed under this Part shall permit the engine of a motor vehicle in any building to run, whether on a frame or in a motor vehicle while stationary unless adequate ventilation is provided to ensure dilution of any carbon monoxide fumes.

4. No person licensed under this Part shall use or permit to be used any portion of the public garage for the washing of motor vehicles by mechanical means, unless

- (1) The point at which the vehicles leave the wash racks is at least 60 feet from the street into which such vehicles will enter;
- (2)
  - (a) Vehicle waiting space on the basis of a space 22 feet long by 8 feet wide per vehicle, is provided on lands forming part of and contiguous to the premises, which waiting space is to be used to accommodate vehicles waiting to enter the carwash rack or racks; and such waiting space is sufficient to accommodate at least 14 (fourteen) vehicles,
  - (b) There are not more than two waiting lanes;
  - (c) Waiting lines are clearly defined by approved marking or barriers;
  - (d) The minimum inside turning radius for a waiting line is 20 feet;
  - (e) The waiting line is physically separated from all other traffic movements;
  - (f) The waiting line is unobstructed by parked cars.
- (3) Where the public garage is adjacent to a residential area, the boundary between the public garage and the residential area is screened in a manner approved by the Council.
- (4) All outside areas used for the parking, storage or operation of motor vehicles are paved;
- (5) All external and internal drainage is connected directly to sewers;

A sand trap is installed in each drain line connecting a wash area to the sewers.

- (6) During hours of business, a minimum illumination of 0.8 foot-candle is provided at all parts of the public garage so used;

Lighting fixtures are of a type and are so arranged as to cause no nuisance or distraction to passing traffic or to adjoining properties.

(7) Signs are of such size, colour and design and are so placed as to cause neither distraction nor confusion to motorists or pedestrians;

One-way driveways are clearly signed at the street line.

(8) Vehicles left for washing are stored on private property.

5. The holder of a public garage license for washing motor vehicles at a building or place on an entirely coin-operated self-carwash basis with no attendant in charge shall observe and comply with the following regulations:

(1) There shall be provided for each washing bay, waiting space on the basis of an area 22 feet long by 8 feet wide per vehicle for 4 vehicles in tandem immediately in front of each such washing bay.

(2) No person licensed under this Part shall, where practicable, permit the drainage of surface water across any sidewalk upon which the Licensed Premises abuts.

(3) Every person licensed under this Part shall keep the Licensed Premises free from rubbish and in a clean and neat condition and keep any sidewalk or street upon which such premises abuts free from any dirt or other foreign substance derived from such premises or resulting from the use thereof.

#### PART 4

##### Relating to Owners and Operators of Public Garages Used as Service Stations.

1. No person licensed under this Part shall store or park or allow to be stored or parked thereat for a longer period than forty-eight hours any trailer used for human habitation while so stored or parked.

2. No person licensed under this Part shall use or permit his automobile service station to be used for the purpose of wrecking, parking, storing or selling motor vehicles, or except in an enclosed building for washing motor vehicles, or except in an enclosed building for vulcanizing tires or tubes, or for performing therein any repairs to motor vehicles other than

minor or running repairs essential to the actual operation of such vehicles.

3. No person licensed under this Part shall remove or cause to be removed any snow from his public garage or automobile service station premises to any sidewalk or roadway upon which such premises abuts.

4. Every person licensed under this Part shall at all times permit any person authorized by the Council to enter the Licensed Premises and make such inspection(s) as may be deemed necessary in order to ascertain whether or not the provisions of this By-law are being complied with.

5. (1) No person licensed under this Part shall permit the engine of a motor vehicle in any building to run, whether on a frame or in a motor vehicle while stationary, unless adequate ventilation is provided to ensure dilution of any carbon monoxide fumes.

(2) No person licensed under this Part shall, where practicable, permit the drainage of surface water across any sidewalk upon which the Licensed Premises abuts.

(3) Every person licensed under this Part shall keep the Licensed Premises free from rubbish and in a clean and neat condition and keep any sidewalk or street upon which such premises abuts free from any dirt or other foreign substance derived from such premises or resulting from the use thereof.

## SCHEDULE NO. 22

Relating to Owners or Keepers of Exhibitions  
Theatres, Music Halls, Moving Picture Shows,  
Circus, Miniature Golf Course and Golf Driving  
Range.

---

1. The Licensee of every theatre, music hall or other building or place in which is held any sparring, boxing or wrestling match for which an admission fee is charged, shall give the License Issuer full particulars thereof at least twenty-four hours before such proposed match is held.
2. Every licensee of a theatre which is located so as to cause the frequent forming of queues for the purpose of gaining entrance to such theatre shall have an attendant present whenever any such queue is formed, for the purpose of regulating such queue and prohibiting undue obstruction or encumbering of the highway by such queue.
3. (1) Save as provided in sub-section one and three the owner or keeper of every theatre or moving picture show shall close and keep closed his theatre or moving picture show between the hours of 12:15 o'clock in the forenoon of each Monday, Tuesday, Wednesday, Thursday, Friday and Saturday and 8 o'clock in the forenoon of the same day.  
  
(2) The owner or keeper of every theatre or moving picture show may keep his theatre or moving picture show open between the hours of 12:15 o'clock and 8 o'clock in the forenoon on the first Monday immediately preceding the 25th day of December in any year and on any Dominion Day, Civic holiday, Easter Monday, Labour Day, Thanksgiving Day, December 26th and January 1st, except upon any of such days which falls upon a Sunday.  
  
(3) When December 26th or January 1st in any year occur on Sunday every such owner or keeper may open and keep open his theatre or moving picture show between the hours of 12:05 o'clock and 8 o'clock in the forenoon of the Monday following such days.

- (4) Notwithstanding the foregoing provisions, the owner or keeper of every theatre or moving picture show may keep the same open during the prohibited hours provided the performance thereat is given under the auspices of a recognized organization or a patriotic, fraternal or charitable society or other similar organization, and the approval of this Council has been first obtained.
4. Every person to whom this schedule relates shall upon being ordered so to do by the Council cease to publish, display or circulate any poster, handbill, card, novelty, notice, newspaper advertisement or other matter used to advertise his business or any show or other performance, and shall obliterate, withdraw, remove or destroy any such poster, handbill, card, novelty, notice, advertisement or other matter.
5. No circus, menagerie, hippodrome or other like travelling exhibition, side show, or other entertainment connected therewith, shall be exhibited in the City of Brampton for a longer period than one day, unless with the permission of the Council and unless a new license is taken out for each day such exhibition or show is exhibited.
6. No person to whom this schedule relates who owns or keeps a miniature golf course, golf driving course or similar place of amusement shall keep the same open or allow any person to play thereon at any time between the hour of 11:45 in the afternoon and the hour of 8 o'clock in the morning of the following day.

SCHEDULE # 22

Relating to owners and keepers of Bowling Alleys

NOW THEREFORE the Council of the Corporation of the City of Brampton ENACTS the following regulations:

1. No person shall be granted a licence to own, operate or keep a bowling alley until he shall produce and file with his application for such a licence a certificate from the Medical Officer of Health showing that the premises in respect of which he desires a licence are in proper sanitary condition and provided with proper conveniences.
2. Every person licensed under this By-law shall be responsible for the orderly conduct of all patrons at all times while on his premises or place of business, or any portion thereof, or permit them to cause undue noise or create a disturbance in any way.
3. No person licensed under this By-law shall permit any person in the premises, or place of business, or any portion thereof, at anytime, who is of immoral character, or conducts himself or herself in a loose, disorderly or improper manner.
4. No person licensed under this By-law shall permit drinking, betting, or any form of gambling on the premises, or place of business, or any portion thereof.
5. "No licenced keeper of a Bowling Alley shall open his place of business in which any bowling alley/s is kept or permit any person to play such bowling during the specified hours. Sunday from 12:01 a.m. of the Lords Day until 1:00 p.m. of the Lords Day."

Schedule #23

Relating to Transient Traders.

1. (a) No Transient Traders or other persons whose names have not been entered on the assessment roll in respect of business assessment for the then current year, shall offer goods, wares or merchandise for sale by auction, conducted by themselves or by a licensed auctioneer or otherwise, or who offer them for sale in any other manner, or  
(b) Who are entered on the assessment roll for the first time, in respect of business assessment; and who so offer goods, wares or merchandise for sale, shall do so without first paying a license fee before commencing to trade.
2. "Transient Trader" includes any person, firm or corporation commencing business who has not resided continuously in the municipality for at least three months next preceding the time of his commencing such business there.
3. The by-law does not apply to the sale of the stock of a bankrupt or an insolvent within the meaning of any bankruptcy or insolvency Act in force in Ontario, nor to the sale of any stock damaged by or by reason of fire, which is being sold or disposed of within the Municipality in which the business was being carried on at the time of the bankruptcy, insolvency or fire, so long as no goods, wares or merchandise are added to such stock.
4. The by-law does not apply to the sale of a business to a bona fide purchaser who continues the business.
5. Subject to sub-section 6, the fee to be paid for a license in the case of a transient trader shall be \$300.00.
6. The sum paid for a license shall be credited to a bona fide purchaser of the business who carries on the business, on account of taxes payable in respect of the business.
7. Every transient trader who carries on business without a license is guilty of an offence and on summary conviction is liable to a fine equal to the license fee that he should

have paid in addition thereto the sum of not less than \$10.00 and not more than \$200.00.

8. Every transient trader shall cause his license to be prominently and permanently displayed in his place of business as a transient trader and in default thereof is guilty of an offence and on summary conviction liable to a fine of not more than \$10.00.
9. Every applicant for a transient trader's license shall as part of his application for such license, furnish a statement in writing containing a full description of the goods, wares or merchandise that he proposes to sell or offer for sale under such license

SCHEDULE NO. 24

Relating to Chimney repairmen and persons  
engaging in the business of altering,  
repairing or renovating building or  
structures

1. No person shall be licensed as a building renovator unless he has a regular place of business and, if other than a corporation, is of the full age of 18 (eighteen) years.
2. In addition to furnishing any information required of him under section 2 of this By-law, every applicant for a chimney repairman or building renovators license shall, in his application, truly and accurately set out his mailing address of his proposed business premises, and every holder of such a license shall notify the License Issuer in writing within forty-eight hours of any change of his business address.
3. A person licensed as a building renovator may carry on business under a trade name or name other than his own but shall not carry on business under more than one name, and only one license shall be issued.
4. (1) No person carrying on business as a building renovator shall perform any type of work as a building renovator unless his license is endorsed to show that he has qualified to perform the type of work being done or he has in his employ, throughout the performance of the work, a person who is licensed as a building renovator and whose license is endorsed to show that he has qualified to perform such work.  
(2) No building renovator shall employ any person other than a licensed chimney repairman to do chimney repair work.
5. Every person licensed or required to be licensed under this By-law as a building renovator shall observe or cause to be observed the following regulations:
  - (1) Before commencing any work a building renovator shall enter into a written contract with the person for whom the work is to be performed to be signed by the renovator and such person and to be in the form attached hereto as Appendix "A".

(2) No other work shall be done by such building renovator as an extra or otherwise unless and until a further contract on the same form covering such other work has been entered into in like manner between the parties.

(3) The building renovator shall complete the form of contract in as much detail as may be practical as to the quality and quantity of material and the number of hours of labour involved and the rate thereof and as to all other dimensions and measurements relating to the work to be done.

(4) A building renovator shall upon request furnish to the person for whom the work has been done an itemized and detailed written bill concerning such work within twenty-four hours.

(5) The contract shall not contain any clause or provisions except those contained in Appendix "A" without the express approval of the Building and Zoning Co-ordinator or designate, and the building renovator shall not enter into any collateral or supplemental agreement or arrangement whose terms are repugnant to or inconsistent with the contract.

Schedule #25

A By-law to provide for the licensing and Regulation of special sales and persons conducting special sales.

The Council of the Corporation of the City of Brampton hereby ENACTS the following:

1. In this by-law;

(a) "Inspector" shall mean the person appointed from time to time by resolution of the Council of the Corporation of the City of Brampton for the purpose of administering this by-law;

(b) "Special Sale(s)" shall be deemed to mean and include any sale or intended sale at retail described by the use of any of the following words or expressions or any enlargement, contraction or combination thereof:

bankrupt	moving out	fire
insolvent	selling out	smoke
trustee	lease expiring	water damage
receiver	closing out	creditor
liquidation	discontinuing	forced

or any other similar word or words which represent, hold out or advertise that any goods, wares or merchandise are to be disposed of in a manner which is not in the ordinary course of retail business.

2. Notwithstanding anything herein contained, this by-law shall not apply to any sale by or under the authority of;

(a) a receiver or trustee under the Bankruptcy Act (Canada) or a liquidator under the Winding-up Act (Canada); or

(b) a court or a receiver appointed by a court; or

(c) a bailiff, sheriff, executor or administrator; or

(d) a receiver, liquidator or trustee under any general or special Act.

3. No person shall sell, offer to sell or advertise for sale in any way, any goods, wares or merchandise by way of special sale unless such person is the holder of a license issued under this by-law for such purpose.

4. Any person who has not carried on business in the Corporation of the City of Brampton for a period of at least two months prior to the date of the proposed special sale shall not be granted a license. Provided that this provision shall not apply where the applicant is the executor or administrator of the estate of a person who had been carrying on a business in the Corporation of the City of Brampton immediately prior to his death and where the goods to be offered for sale form part of the estate being administered by the applicant.
5. Every application for a license shall include the following information: (Appendix A)
  - (a) Name, age, address, occupation, and place of business of the applicant;
  - (b) Date upon which the applicant commenced the business now being carried on by him in the Corporation of the City of Brampton;
  - (c) Location of goods, place and date or dates of special sale;
  - (d) Detailed list of goods, wares or merchandise to be offered for sale, including the cost price to the owner thereof and approximate retail value;
  - (e) Name and address of person or persons from whom goods purchased and date or dates of purchase;
  - (f) Particulars of ownership of such goods if not owned by the applicant and relationship, if any, between owner and applicant;
  - (g) Particulars of any damage or other deterioration caused to goods by fire, smoke, water, or any other means;
  - (h) Particulars of the information to be contained in any sign, pamphlet, handbill or other advertisement to be displayed, distributed, announced or published by any means before or during the sale, purporting to indicate the reason for such sale.
6. Every application shall be verified by statutory declaration of the applicant in the form annexed hereto as Appendix B to this by-law and if the applicant is not

the owner of the goods to be sold, the application shall also be verified by statutory declaration of the owner thereof.

7. The applicant shall produce such books, records or other documents or information as the inspector shall consider necessary to corroborate any of the statements contained in the application, both before and after the license is issued and shall permit the inspector, at any reasonable hour, to inspect the goods to be sold and to enter and inspect the premises in which such goods are located or in which the sale will be held.
8. Notwithstanding anything herein contained, the Council of the Corporation of the City of Brampton may refuse to issue a license, may revoke at any time, any license already issued under this by-law if;
  - (a) Any of the information or particulars set forth in the application or statutory declaration of the applicant or the owner is false;
  - (b) Any attempt is made to add to or replenish the goods described in the application or to substitute other goods, wares or merchandise therefor;
  - (c) The sale is advertised or conducted in any manner other than that described in the application or in any manner contrary to the provisions of this by-law;
  - (d) The applicant refuses to produce any books, documents, records or other information requested by the inspector, or refuses to permit the inspector to inspect any goods or premises in accordance with the provisions of this by-law.

Notice of refusal of a license or revocation of any license shall be forwarded promptly to the applicant or licensee by the Inspector, by ordinary prepaid post addressed to such applicant or licensee at the request shown in the application for license of such person.

9. Every license issued under this by-law shall expire thirty days after the date of issue, provided that a licensee shall be entitled to apply for and receive once only, a

license for an additional thirty-day period to permit the further sale of any remaining goods, wares or merchandise described in the original application. Such license shall be granted upon submission by the original licensee to the inspector of a detailed list of such goods, wares or merchandise remaining, verified by declaration in form annexed hereto as Appendix "C" to this by-law. The fee for such license shall be fifty percent (50%) of the fee which would have been payable with respect to such goods, wares or merchandise on an original application for license.

10. All advertising material distributed or published with respect to a special sale, including each radio or television broadcast, shall contain a statement that such sale is held under the authority of this by-law and shall state the number and expiry date of the license issued hereunder. A similar statement shall be prominently displayed on the premises at which sale is held.
11. The fees payable upon filing an application for license under this by-law shall be two dollars (\$2.00) for each full thousand dollars of the cost price to the owner as disclosed in such application.
12. (1) Every person who violates any of the provisions of this by-law shall be guilty of an offence and for each such offence, shall incur a penalty of not more than One Thousand Dollars (\$1,000.00) exclusive of costs, and such penalty shall be recoverable under the provisions of the Summary Convictions Act, R.S.O. 1970, all provisions of which shall apply.  
(2) For the purposes of this section, a separate violation shall be deemed to have been committed for each and every day during which any such violation continues, and conviction in respect of a violation shall not operate as a bar to further prosecution if such violation continues.

## SCHEDULE NO. 26

Relating to non-resident itinerant  
photographers or vendors of photographic  
services.

"non-resident transient photographers" shall mean photographers and other persons who for gain use other similar devices and who go from place to place or to a particular place, notwithstanding that any product is to be delivered in the municipality afterwards but does not include photographers who take photographs for use in newspapers, magazines or other periodicals or in television broadcasts or to photographers on specific assignment to local industries.

1. Each applicant for a license shall fill in and sign an application form provided by the City of Brampton which form shall include, inter alia, particulars of whether the applicant is in business for himself or employed, with full names and addresses.
2. Every arrangement for photographic services shall be accompanied by contemporaneous delivery to the prospective customer of a written statement containing all terms including quality, number, dimensions, mounting, price, delivery date and full names and addresses of the licensee as set forth on the application for license form.
3. Any change in address of employer or employee will be notified in writing to the license inspector and the application for license form will be deemed to be amended accordingly.

Street Photographers:

1. No person shall for gain use any photographic camera or other similar device in or upon any highway or public place in the City of Brampton without first having obtained a license from the City of Brampton except where the pictures are taken for newspapers or television.
2. Each applicant for a license shall fill in and sign the

form provided, which form shall contain, inter alia, particulars of whether the applicant is in business for himself or employed, with full names and addresses.

3. No licensed street photographer shall in or upon any highway or public place obstruct or attempt to obstruct anyone or demand, solicit, accept or receive payment from any person for any picture taken or about to be taken.

4. One licensed person only shall operate each photographic device and no assistant is permitted to sell or otherwise help.

5. No person so licensed shall operate except at a distance of two hundred feet from another street photographer and one hundred and fifty feet from a photographer's shop.

6. The form or any paper writing for delivery to a prospective customer must be approved by the License Issuer and will contain, inter alia, the name and business address of the licensee.

7. A licensee shall pick up from the street all paper or cards distributed, to keep the street uncluttered.

8. Any change in address of employer or employee will be notified in writing to the License Issuer and the application for license form will be deemed to be amended accordingly.
