SCHEDULE "B"

SHORT STATEMENT OF THE REASON FOR THE DESIGNATION OF 7749 Kennedy Road South and 0 Clipper Court

The property at 7749 Kennedy Road South and 0 Clipper Court is worthy of designation under Part IV of the Ontario Heritage Act for its cultural heritage value or interest. The property meets the criteria for designation prescribed by the Province of Ontario under the Ontario Heritage Act, Regulation 9/06 c.1 s. 27 (3) (b) for the categories of historical/associative value and contextual value.

Historical/Associative Value:

The Kennedy Valley has historical and associative value for its associations with the Indigenous peoples that lived within and adjacent to the valley and used its watercourse for trade and transportation. It forms part of the larger Etobicoke Creek watershed that was utilized by Indigenous peoples that lived in and travelled through the area for fresh water and fishing. It is also associated with two prominent early settler families in Brampton.

The Graham family, who were among the earliest European settlers in the area and for whom the historic settlement of Grahamsville is named, were the first to settle the property. The Graham Family Cemetery, which remains on the Kennedy Valley property contains the grave of Hugh Graham along with the burials of 25-30 other individuals.

The property is also associated with the Rutledge family, who were also among the earliest European settlers in the area. William Rutledge, who owned the property in the late 1800s, was a very prominent figure in the local community, serving as a Deputy Reeve, then Reeve, and Councillor for Toronto Township, before rising to the rank of Warden of the Township in 1914 and 1915.

The presence of early 19th century burial sites(s) has the potential to yield information that contributes to an understanding of a community or culture.

Contextual Value:

The Kennedy Valley property also has contextual value for its historical and physical links to its surroundings. While the property has been mostly naturalized, features of the historical use of the property as an early settler farmstead remain in the Graham Family Cemetery and the remnant quarry, which provided the stone for the construction of the farmhouse which once stood on the property and the extant yard wall of the Peel County Jail as well as other buildings across the former Chinguacousy Township.

DESCRIPTION OF THE HERITAGE ATTRIBUTES OF THE PROPERTY:

The heritage attributes comprise all physical remnants, monuments, plaques as well as significant landscape elements and important vistas. The detailed heritage attributes/character defining elements include, but are not limited to:

- The Etobicoke Creek and its associated valley
- The Graham Family Cemetery
 - Original markers and monuments
 - Location on the former Graham-Rutledge Farmstead
- Remnant Quarry
- Commemorative stone monument and interpretive panel
