The estimated cost of all of these works is set out in paragraph 1 of Schedule D to this agreement.

authorize the use of all or part of the security to pay the cost of any part of such works the Commissioner[s] may deem necessary, notwithstanding the specific allotment of security for works set out in paragraph 1 of Schedule D to this agreement.

17.3 The Owner may, from time to time, apply to the City for a reduction in the amount of the security by an amount up to ninety per cent (90%) of the value of the works for which security was deposited, which the Commissioner[s] certified in writing to be satisfactorily completed upon receipt of:

17.3.1 a statutory declaration that all accounts relative to the installation of the completed works have been paid;

violated, or carelessly executed, or shall the Owner neglect or refuse to renew or again perform such work as may be rejected by the Commissioner[s] as defective or unsuitable, or shall the Owner, in any manner in the opinion of the Commissioner[s] make default in performance in the terms of this agreement, then in such case the Commissioner[s] shall notify the Owner in writing of such default or neglect and if such default or neglect not be remedied within ten (10) clear days after such notice, then in that case the Commissioner[s] thereupon shall have full authority and power immediately to purchase such materials, tools and machinery and to employ such workmen as in its opinion shall be required for the proper completion of the said works at the cost and expense of the Owner. In cases of emergencies, such work may be done without prior notice but the Owner shall be notified forthwith. The cost of such work will be calculated by the Commissioner[s], whose decision shall be final. It is understood and agreed that such cost shall include a management fee of fifteen per cent (15%) of the cost of the labour and materials. Any work done at the direction of the Commissioner[s] pursuant to the provisions of this clause shall not be an assumption by the City of any liability in connection therewith nor a release of the Owner from any of its obligations under this agreement.

Inspection of Works

17.6 The Owner hereby grants to the City, its servants, agents and contractors, the licence to enter the lands for the purpose of inspection of any of the works referred to in this agreement and to perform such work as may be required as a result of a default.

18. Insurance

damage resulting from bodily injury to or death of one or more persons and for loss or damage to property;

18.2 Such policies shall not be terminated, cancelled, or materially altered unless written notice of such termination, cancellation, or material alteration is given by the insurers to the City at least thirty (30) days before the effective date thereof.

18.3 All policies of insurance stipulated herein will be with insurers acceptable to and in a form satisfactory to the City.

18.4 If required by the City, the Owner shall prove to the satisfaction of the City that all premiums on such policy or policies have been paid and that all insurance is in full force and effect.

18.5 The Owner shall deposit with the City, prior to the issuance of a building permit, a certificate of insurance on a form provided by the City.

18.6 The Owner shall file a renewal certificate with the City not later than one (1) month before the expiry date of any policy provided pursuant to this agreement, until the City has indicated in writing that the policy need not continue in force any longer. In the event that such renewal certificate is not received, the City shall be entitled to either renew the policy at the expense of the Owner or to order that all work on the land within the plans cease until the policy is renewed.

18.7 The issuance of such a policy of insurance shall not be construed as relieving the Owner from the responsibility for other or later claims, if any, for which it may be held responsible.
