Section 2.0 - Land Use

Section 3.0 - Development Principles

Section 4.0 - Implementation

Section 5.0 - Interpretation

3.0 Location

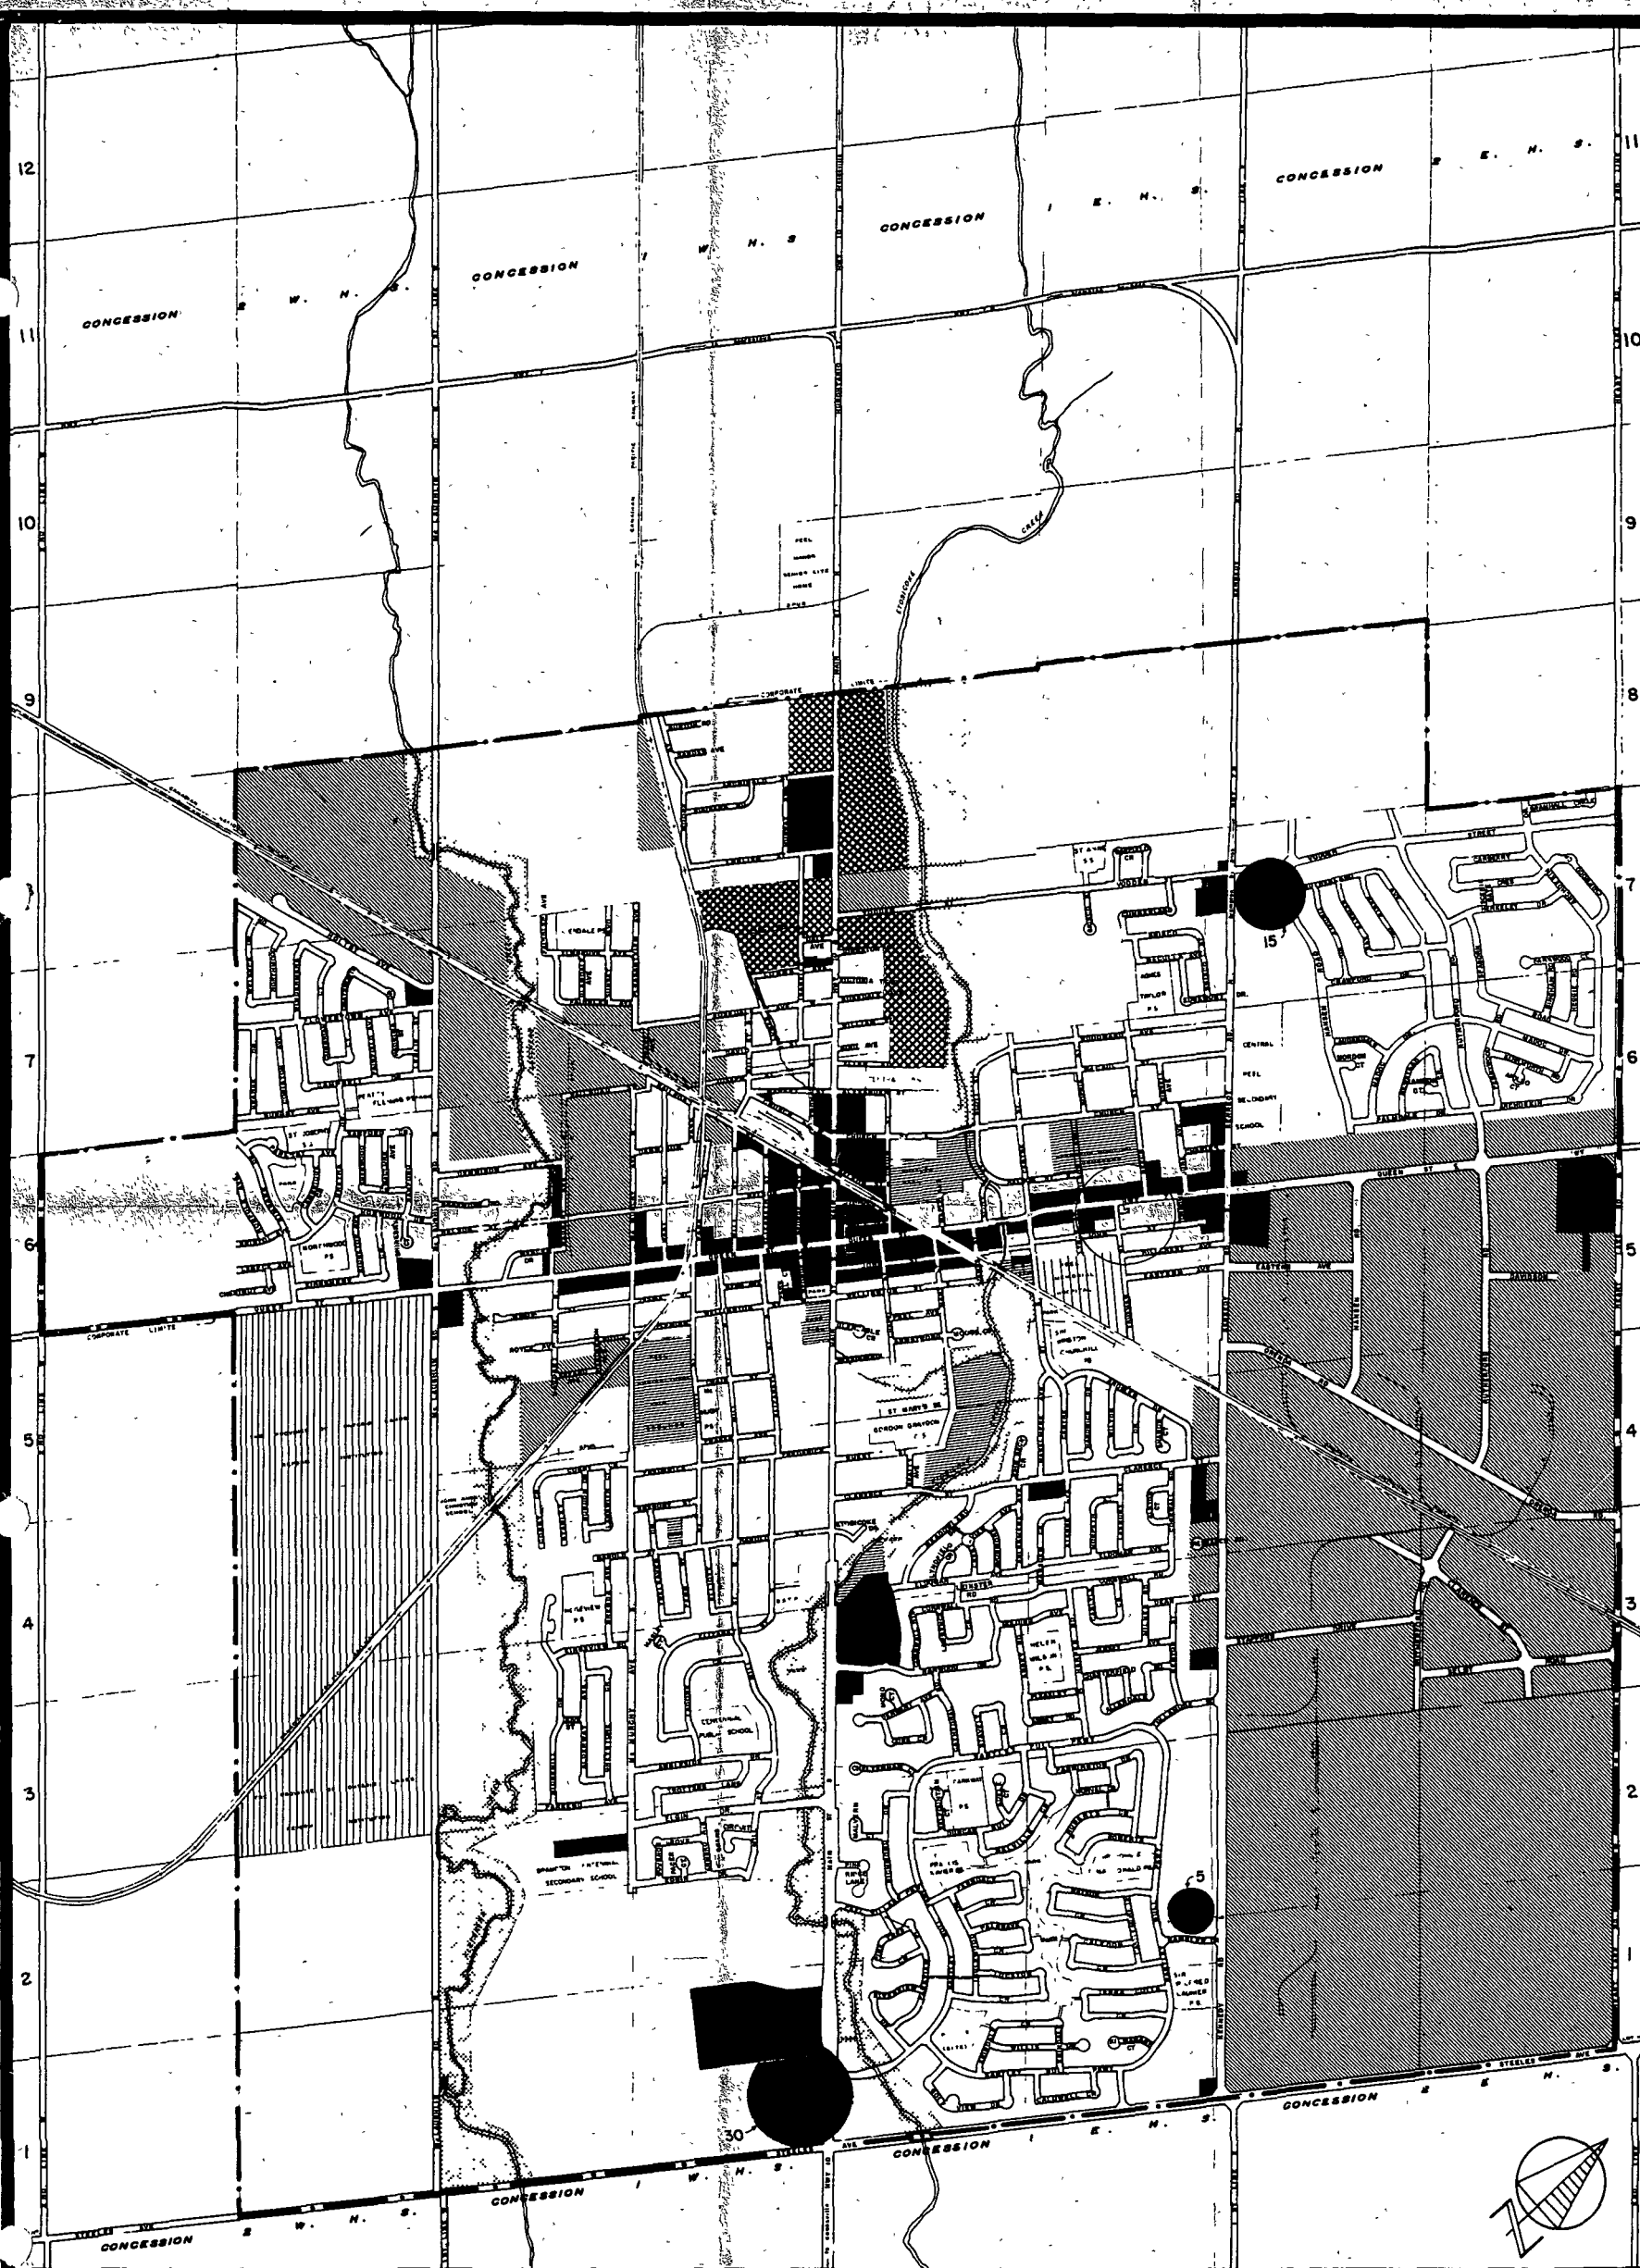

This Amendment is concerned with land situated in part of Lot 5, Concession 1, East of Hurontario Street, lying on the south-east intersection of Queen Street East and Trueman Street in the City of Brampton, Regional Municipality of Peel.

4.0 Purpose

The purpose of this Amendment is to change the present designation of the lands from Residential to Commercial and to establish principles for the use of the main floor of a building for specified retail uses and the upper storey of the building for office use only.

5.0 Basis

The City Council of Brampton considered an application by Messrs. McIntyre and Thorne to amend the Official Plan and Restricted Area By-law to permit the establishment of a retail and office building limited to specified uses under the restricted area by-law. The Planning Committee of the City of Brampton after considering the application and after the holding of an advertised public meeting recommended the change in land use and the preparation of the appropriate amendment to the Official Plan.

PART B - THE AMENDMENT

The whole of the part of this document entitled Part B - The Amendment which consists of the following text and the attached map (Schedule "A" Site Plan) constitutes Amendment Number 69 to the Official Plan of the former Town of Brampton Planning Area.

The Official Plan is hereby amended as follows:

1.0 Definitions

For purposes of this Amendment the following definitions shall apply:

- 1.1 Commercial Area shall mean that the predominant use of the land is for commerce. The Commercial category includes offices and stores. This classification will not prevent some of the land being used for other than commercial purposes provided they do not prevent the areas from being used for commercial development.
- 1.2 Gross floor area (G.F.A.) shall mean the area of all floors including any floor area used for building maintenance, communal facilities and storage purposes.

2.0 Land Use

- 2.1 The land use classification of lands shown as edged with a red border on Schedule "A" attached hereto shall be designated as Commercial. The Commercial Area designation shall apply to the proposed building to be used for off-street parking, loading and unloading, signs and landscape purposes.

3.0 Development Principles

- 3.1 Development will proceed only when City Council is satisfied that all necessary services and utilities (water, sanitary sewer, storm sewer, street lighting, traffic control, roads, sidewalks, and electric energy facilities) are adequate, and that the appropriate steps have been taken to provide the necessary facilities when deemed necessary.

3.2 Within the area which is the subject of this Amendment only specified uses under the restricted area by-law shall be permitted as a commercial use.

3.3 Council shall determine the minimum number of off-street parking spaces that shall be provided to satisfy the expected requirements of customers and employees.

The location of parking areas shall be arranged in recognition of the convenience of customers and employees of the proposed commercial use. Further, where deemed necessary by City Council, fencing, screening and landscaping will be provided as may be required.

3.4 To ensure that the development will be of a high quality the location of signs and advertising devices will be subject to control as to location, size and illumination.

3.5 In recognizing the importance of the abutting local road, namely Trueman Street, the location of access driveways shall be such to ensure that the traffic function of the street will not be affected unduly.

4.0 Implementation

4.1 Amendment Number 69 will be implemented by an appropriate amendment to the restricted area by-law in such a form which will impose the appropriate zoning classification and regulations in conformity with the development principles.

4.2 Council will enter into an agreement incorporating various aspects of site and building design not implemented by the zoning by-law including financial and such other matters as deemed necessary by Council.

5.0 Interpretation

5.1 The boundaries between classes of land use designated on Schedule "A" are general only and are not intended to define the exact limits of each such class. It is intended therefore

that minor adjustments may be made to these boundaries for the purposes of any by-law to implement Schedule "A" without the necessity of making formal amendment to the Official Plan. Other than such minor changes as these, it is intended that no area or district shall be created that does not conform with Schedule "A".

All numerical figures on Schedule "A" should not be interpreted as absolute or rigid. Minor variations from these figures will be tolerated, in so far as the spirit and intent of the Amendment is maintained.

- 5.2 The provisions of the Official Plan, as amended from time to time with respect to the interpretation of policies of this Amendment, shall apply to this Amendment.

PART C - APPENDIX

1.0 Attached are copies of reports of the Planning Director dated January 10th, 1975 and a copy of the minutes of a Planning Committee meeting held on January 13th, 1975 subsequent to the publishment of notices in the local newspapers and mailing of notices to assessed owners with 400 feet of the subject site.
