In cases of emergencies, such work may be done without prior notice but the Owner shall be notified forthwith. The cost of such work will be calculated by the Commissioner[s], whose decision shall be final. It is understood and agreed that such cost shall include a management fee of fifteen per cent (15%) of the cost of the labour and materials. Any work done at the direction of the Commissioner[s] pursuant to the provisions of this clause shall not be an assumption by the City of any liability in connection therewith nor a release of the Owner from any of its obligations under this agreement.

18.4 If required by the City, the Owner shall prove to the satisfaction of the City that all premiums on such policy or policies have been paid and that all insurance is in full force and effect.

18.6 The Owner shall file a renewal certificate with the City not later than one (1) month before the expiry date of any policy provided pursuant to this agreement, until the City has indicated in writing that the policy need not continue in force any longer. In the event that such renewal certificate is not received, the City shall be entitled to either renew the policy at the expense of the Owner or to order that all work on the land within the plans cease until the policy is renewed.

18.7 The issuance of such a policy of insurance shall not be construed as relieving the Owner from the responsibility for other or later claims, if any, for which it may be held responsible.
