

THE CORPORATION OF THE CITY OF BRAMPTON

BY-LAW

Number 93-90

To amend By-law 200-82

The council of The Corporation of the City of Brampton
ENACTS as follows:

1. By-law 200-82, as amended, is hereby further amended:

(1) by deleting therefrom, section 10.3(b), Accessory Buildings other than a Detached Garage or Carport and substituting therefor the following new subsection:

"(b) Accessory Buildings other than a Detached Garage or Carport

Accessory buildings or structures other than a detached garage or carport are subject to the requirements and restrictions of this by-law for the particular zone in which said buildings or structures are located, and to the following additional requirements and restrictions:

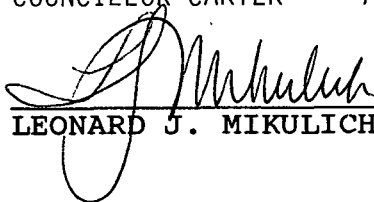

- (1) shall not be constructed in a front yard, exterior side yard or the minimum required interior side yard for the main building;
- (2) shall not be constructed upon any easement;
- (3) shall not be used for human habitation;

- (4) not more than one swimming pool enclosure and one accessory building other than a swimming pool enclosure shall be permitted on a lot;
- (5) the gross floor area of any permitted accessory building other than a swimming pool enclosure shall not exceed 10 square metres;
- (6) all accessory buildings, except swimming pool enclosures, may be located:
 - (i) in the rear yard and shall be no closer than 0.6 metres to the nearest lot line; and,
 - (ii) in the interior side yard provided the building does not encroach on the minimum required side yard for the main building and the accessory building is located no closer to the front wall of the main building than one-half (1/2) the length of the main building wall facing the interior side lot line;
- (7) a building that covers a swimming pool may be located only in the side or rear yard of a lot provided that it is:
 - (i) no closer than 1.2 metres to a side lot line or a rear lot line; and,
 - (ii) no closer to a street than the minimum front yard depth or minimum exterior side yard width for a main building;
- (8) the maximum height of any accessory building shall not exceed 4.5 metres, in the case of a peaked roof, and shall not exceed 3.5 metres in height, in the case of a flat roof; and,

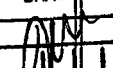

(9) the exterior design of and type of any building materials used for all accessory buildings, other than swimming pool enclosures and greenhouses, shall be compatible with the exterior design and type of building materials used for the main building located on the lot."

READ a FIRST, SECOND and THIRD TIME, and PASSED, in OPEN COUNCIL, this 11th day of June 1990.
