2013 Fee Approvals - **COURSE FEE LISTING**
Community Services Department

Section 'A'

The Course Fee Listing has been condensed this year to improve presentation and readability. In prior years each variation of a fee was listed. For example, courses run a variety of lengths (number of classes); each length was listed and the pro-rated fee for the different lengths was presented. Also, each non-resident (NR) variation and adult 55+ fee was listed.

Courses Fee Section 'A' presents the Brampton resident course fee and a sample length that represent the fee for a Course Fee Description.

All course fees are pro-rated for course lengths that differ from the course length presented. The course length is included in Course Fee Description column with a bracket surrounding the number of classes.

Non-resident fees are not presented and are calculated using the following:

A surcharge fee of 25% per person, per program, up to a maximum of \$50 per person, per program, per session, will be added to the registration fee of all non-residents. Non-residents do not qualify for special discounts. Proof of residency may be requested at time of registration. For the purposes of this section, City of Brampton ratepayers are considered residents.

Adult 55+ Discounts are not presented and are calculated using the following:

Adults 55 years of age and over are entitled to a 25% discount on all registered programs in this guide, with the exception of programs offered at the Flower City Seniors Centre. Proof of age may be required. Material fees, if applicable, are payable at the full rate.

Family Discounts are not presented and are calculated using the following:

Register three or more children (17 years of age and under) from the same family at the same time, in the same session and receive a 10% discount. Note: restrictions may apply.
