HB025-2024

That Brampton Heritage Board do now adjourn to meet again on June 18, 2024 at 7:00 p.m.

PDC131-2024

Whereas in 2023, Brampton launched its Municipal Brampton Housing Pledge, outlining the City’s commitment to the Province’s goal of achieving 1.5 million new housing units by 2031, with the specific municipal target of 113,000 new homes;

Whereas the Ontario Housing Affordability Task Force has identified options that the Province and it’s municipalities could adopt to help achieve these targets, including the use of surety bonds for development agreements;

Whereas the City of Brampton is committed to unlocking more housing, streamlining development approvals, removal of barriers, and accelerated planning in support of the Province’s housing target;

Therefore, be it resolved that Council direct staff to report back to the Planning and Development Committee on the potential use of surety bonds as a financial security for development projects to secure municipal agreements.

PDC132-2024

That the following correspondence from the Honourable Paul Calandra, Minister, Municipal Affairs and Housing, dated May 27, 2024, re: **Proposed Amendments to Ontario Regulation 525/97 to Exempt Certain Official Plan Matters from Approval under the Planning Act**, to the Planning and Development Committee Meeting of June 17, 2024, be received.

PDC133-2024

That the following correspondence from the Honourable Paul Calandra, Minister, Municipal Affairs and Housing, dated May 28, 2024, re: **Bill 162, Get It Done Act, 2024 Receives Royal Assent**, to the Planning and Development Committee Meeting of June 17, 2024, be received.

PDC134-2024

Whereas on September 29, 2021, the City of Brampton passed Resolutions C329-2021 and C330-2021 endorsing support for four separate Ministerial Zoning Order (MZO) requests – one of them being a request from the Gobin Marg Charitable Trust Ontario to develop lands municipally known as Part of Lot 16, Concession 11 ND (5253 Countryside Dr. / Coleraine Dr.) in the City of Brampton as a state-of-the art integrated school and place of worship;

Whereas on January 28, 2022, the Ministry of Municipal Affairs and Housing issued O.Reg 38/22 to facilitate the development of an integrated elementary and secondary school and associated place of worship;

Whereas on March 5, 2024, the Gobind Marg Charitable Trust submitted a site plan pre-consultation application for development of the site (PRE-2024-0034) to demonstrate progress towards development of the subject lands;

Whereas on April 10, 2024, the City of Brampton received a letter from the Ministry of Municipal Affairs and Housing indicating the Minister has revoked O.Reg 38/22, given insufficient progress of development approvals associated with the site;

Whereas the MZO request by the Gobind Marg Charitable Trust continues offer an opportunity for the city to work collaboratively with relevant stakeholders to develop the site in a manner that supports a mix of employment and institutional land use to enrich the community for residents of Brampton;

NOW THEREFORE BE IT RESOLVED,

THAT the Commissioner of Planning, Building and Growth Management be directed to meet with the Ministry of Municipal Affairs and Housing and Gobind

Marg Charitable Trust and facilitate meetings concerning possible re-consideration of the April 10, 2024, Ministerial Decision to revoke O.Reg 38/22.

PDC135-2024

That the Planning and Development Committee do now adjourn to meet again for a Regular Meeting on Monday, July 8, 2024, at 7:00 p.m. or at the call of the Chair.

CW251-2024

That the delegation from Kurian Prakkanam, President, Brampton Malayalee Samajam / Brampton Boat Race, to the Committee of Council Meeting of June 19, 2024, re: **Park Naming for the Malayalee Community and Brampton Boat Race**, be **referred** to staff for consideration with respect to naming possibilities.

CW252-2024

Whereas the City of Brampton is well regarded as the Cricket Capital of Canada;

Whereas the City of Brampton originally hosted the GT20 Cricket Tournament in 2019 and 2023;

Whereas the City of Brampton has made ongoing investment in Cricket facilities and upgrades a key budget priority for many years;

Whereas the 2023 GT20 Tournament had attendance of 89,759, broadcast audience of 180,000,000 viewers in 133 countries, and social media audience of 877,000,000; and

Whereas the GT20 has offered to host cricket clinics for youth in Brampton and allow community groups to use the temporary stadium after the tournament concludes;

Therefore Be It Resolved That:

1. The delegation from Karan Kohli, Board Member, and Ameem HAQ, Director of Revenue, Global T20 Canada, to the Committee of Council Meeting of June 19, 2024, re: **GT20 Canada Season 4 Sponsorship**, be received; and

2. The City of Brampton agree to sponsor, in principle, the 2024 GT20 Tournament, July 25 to August 1, 2024, as the Hosting Sponsor, at a value of $300,000 CDN for tournament expenses in addition to waiver of rental fees for use of the Cricket fields at the Brampton Sports Park, with contractual terms that are satisfactory to the City's legal and tourism staff, with financing to come from funds allocated in city budget.

CW253-2024

That the delegation from Kathleen McDermott, Brampton Resident, to the Committee of Council Meeting of June 19, 2024, re: **Committee of Adjustment Concerns**, be **referred** to staff for consideration, to include the upholding of City

planning/zoning priorities and growth objectives, and that the committee composition regarding gender diversity be dealt with immediately, and that all committee members be required to undertake mandatory gender diversity training (as a requirement of maintaining a position on the committee), and a training session with respect to the Brampton Official Plan and priorities.

13.2 Discussion Item at the request of Regional Councillor Keenan re: Status Update – Downtown Brampton Business Improvement Area (DBBIA) Boundary Modification

A motion, moved by Regional Councillor Vicente and seconded by Regional Councillor Keenan, was introduced to provide that staff give notice of the proposed modified Downtown Brampton BIA boundary, as outlined in Appendix A to the motion. Appendix A was displayed for Council's reference.

Councillor Vicente outlined the purpose of the motion and accepted amendments to include the commercial/residential block to the southeast of Nelson Street West and McMurchy Avenue North, and the plaza block northwest of Nelson Street West and McMurchy Avenue North.

The motion, as amended, was considered as follows.

C131-2024
Moved by Regional Councillor Vicente
Seconded by Regional Councillor Keenan

1. Whereas Section 209 of the Municipal Act, 2001, S.O. 2001, c. 25, provides that the Council of a local municipality may pass a By-law designating an area as a business improvement area;

2. Whereas the Downtown Brampton BIA boundary has not been modified since 1988;

3. Whereas proposed land-uses for the downtown Major Transit Station Area (MTSA) were approved by Council as part of Brampton Plan in November 2023 and subsequently adopted by the Region of Peel in May 2024;

4. Whereas the downtown MTSA is anticipated to grow considerably by 2051 characterized by high-density mixed-use development and higher order transit, which will increase commerce and visibility;

5. Whereas Council believes a synchronized downtown boundary for the area has its merits, as it provides a sense of identity and unity for the downtown, helping to establish it as a distinct and recognizable part of the City.

6. Whereas the City of Brampton purchased several properties in the downtown to build infrastructure in support of that long term growth but has generally resulted in less revenues and memberships for the Downtown Brampton BIA;

7. Whereas increasing the size of the Downtown Brampton BIA boundary to generally mimic the MTSA will lead to more opportunities for memberships and increased revenues to use towards activating and marketing the downtown; and,

8. Therefore, be it resolved that in accordance with the Municipal Act, staff give notice of the proposed modified Downtown Brampton BIA boundary, attached as Appendix A (as amended), to include the commercial/residential block to the

southeast of Nelson Street West and McMurchy Avenue North, and the plaza block northwest of Nelson Street West and McMurchy Avenue North) to those impacted by the changes.

T. Jackson, Legislative Coordinator
R. Ajitkumar, Legislative Coordinator
T. Brenton, Legislative Coordinator

The meeting was called to order at 3:30 p.m. and adjourned at 3:45 p.m.

1. Call to Order

Mayor Brown confirmed that all Members were present in the meeting, with the exception of Regional Councillor Toor who arrived and 3:31 p.m., and Regional Councillor Medeiros who arrived at 3:32 p.m.

2. Approval of Agenda

Mayor Brown outlined the purpose of the Special Council Meeting and noted that under Council's meeting rules no new business could be added to the agenda.

The following motion was considered.

C138-2024
Moved by Regional Councillor Keenan
Seconded by Regional Councillor Singh Toor

That the agenda for the Special Council Meeting of July 8, 2024 be approved as amended **to defer**:

Item 4.1. - Discussion re. Planning Matters in Mature Neighbourhoods to the Council Meeting of July 10, 2024.

Carried

3. Declarations of Interest under the Municipal Conflict of Interest Act

Nil

4. Business Matters

4.1 Discussion re. Planning Matters in Mature Neighbourhoods

Note: **Deferred** to the Council Meeting of July 20, 2024, pursuant to Approval of Agenda Resolution C138-2024.

4.2 Discussion re. Committee of Adjustment Decision for 82 Bartley Bull Parkway

A motion, moved by Regional Councillor Keenan and seconded by Regional Councillor Palleschi, was introduced to direct staff to appeal Committee of Adjustment approved application A-2024-0152 from June 18, 2024. The motion was displayed for Council's reference.

Councillor Keenan and Councillor Palleschi outlined the purpose of the motion.

The motion was considered as follows.

C139-2024
Moved by Regional Councillor Keenan
Seconded by Regional Councillor Palleschi

Whereas the Committee of Adjustment approved application A-2024-0152 on June 18th, 2024; and

Whereas notwithstanding Staff's endorsement of the proposal there are key issues with the proposed increase in lot coverage from 30% to 39.74%

Therefore be it resolved that:

Council direct staff to appeal Application A-2024-0152 to the Ontario Land Tribunal for the following reasons:

1. Overall intensification: the additional lot coverage and gross floor area of the proposed dwelling will result in overdevelopment of the site;

2. Compatibility: the proposed increase in lot coverage will not be well integrated with the surrounding area and will result in a massing and scale that is not appropriate for the site or neighbourhood.

3. Character – the proposed development is out of character with the neighbourhood.

4. Adverse impacts – loss of privacy and sunlight and potential impacts on drainage, outdoor amenity area and loss of vegetation.

Carried

5. Public Question Period

1. Sheila Moore, Brampton resident, asked about Item 4.2, specifically about the lot size identified in the Committee of Adjustment application for 82 Bartley Bull Parkway and whether staff confirms this information in advance of consideration of the application.

Steve Ganesh, Commissioner, Planning, Building and Growth Management, and Allan Parsons, Director, Development Services and Design, outlined the process for verifying lot sizes.

Ms. Moore referenced an e-mail submitted to the City with other questions on this matter, and it was noted that staff would provide a response to the questions.

2. Sylvia Roberts, Brampton resident, asked about the approved motion that was displayed for Item 4.2, and noted that it is difficult for the public seated in Council Chambers to see the motion on the screen.

Mayor Brown confirmed the contents of the motion for Ms. Roberts.

6. Confirming By-law

PDC142-2024

Whereas protecting the existing purpose-built rental stock in Brampton is critical to ensuring that the city's current and future residents have access to affordable housing options.

Whereas purpose-built rental housing has an integral role in Brampton's housing system, providing diverse and affordable housing supply options for residents, and more stable and secure rental options than Brampton's secondary rental market (e.g., rented condominiums).

Whereas Housing Brampton - the City's Housing Strategy endorsed by Council in 2021 – identifies the need to implement rental unit replacement requirements for rental conversion and demolition permits.

Whereas in 2021, staff-initiated work on a proposed rental unit replacement policy, which was paused because of changing provincial legislation (i.e. Bill 109 and Bill 23).

Whereas it is important to deliver the City's housing target in a manner that meets needs across Brampton's diverse housing continuum; and,

Therefore, be it resolved that staff be directed to finalize previous work on the rental unit replacement policy, develop a supporting by-law to regulate the conversion and demolition of rental properties, hold a statutory public meeting with respect to the proposed by-law, and report back to Council prior to the end of 2024.

PDC143-2024

That the Planning and Development Committee do now adjourn to meet again for a Regular Meeting on Monday, August 12, 2024, at 7:00 p.m. or at the call of the Chair.

12.2 Minutes – Committee of Council – September 4, 2024

A motion, moved by Regional Council Keenan and seconded by Deputy Mayor Singh, was introduced to request that Mayor Brown write a letter to the Minister of Municipal Affairs and Housing and to defer Recommendation CW309-2024.

During consideration of the motion, Mayor Brown confirmed that deferral motions are non-debatable and must be put to a vote immediately.

The motion was considered as follows.

C171-2024
Moved by Regional Councillor Keenan
Seconded by Deputy Mayor Singh

That Mayor Brown be requested to write a letter to the Minister of Municipal Affairs and Housing, Minister Calandra, outlining the issue of squalor-like homes in sections of downtown Brampton identified as student overflow zones; and

That CW309-2024 be deferred until such time as a response has been received from the Minister with regard thereto:

> "CW309-2024
>
> Whereas the City of Brampton believes that every student deserves access to safe housing;
>
> Whereas Brampton has approximately 100,000 international students without proper housing; and
>
> Whereas post-secondary institutions have started to undertake building housing for their students;
>
> Therefore Be It Resolved:
>
> That staff report back to the September 11, 2024 Council meeting with a map of student housing overflow zones based on data from complaints on illegal Additional Residential Units (ARUs) and overcrowding and proximity to postsecondary institutions, to include consideration of the issues outlined below;
>
> That the City of Brampton pause, for newly submitted applications for the remainder of the academic year, approvals of curb cutting, basement apartment, ARU, and side entrance applications (excluding applications related to illegal units coming into compliance), that have resulted in an explosion of unsafe squalor-like student housing units in said student overflow zones; and

That this pause be reviewed at the end of the academic year to determine if it needs to be extended."

A recorded vote was requested and the motion carried as follows.

Yea (10): Mayor Patrick Brown, Regional Councillor Santos, Regional Councillor Vicente, Regional Councillor Kaur Brar, Regional Councillor Palleschi, Regional Councillor Keenan, Regional Councillor Medeiros, Regional Councillor Fortini, City Councillor Power, and Deputy Mayor Singh

Nay (1): Regional Councillor Toor

CW294-2024

Whereas Section 14 of Procedure By-law 160-2004, as amended, allows Council to temporarily suspend the rules of the Procedure By-law by a two-thirds majority vote of Council;

Therefore be it resolved that Section 4.5(8a) (Delegations) be temporarily suspended, in accordance with Section 14 of the Procedure By-law to consider a motion in relation to Delegation Item 6.5.

CW295-2024

That the delegation from Premal Brahmbhatt, Community of Saintsbury Crescent, to the Committee of Council Meeting of September 4, 2024, re: **Road Closure Request - Ganesh Festival on Saintsbury Crescent - Ward 9**, be received; and

Whereas, the City's Special Event Road Closure Policy requires Council approval for events that occur when the proposed road closure exceeds 24 hours in duration or over multiple days;

Whereas, staff have received an application to approve a special event road closure related to Ganesh Mahotsav on Saintsbury Crescent for six (6) days from September 6 to 11, 2024.

Whereas, the organizers of this event have confirmed their event is for the immediate community, which alleviates concerns related to events being too big for a local street, on-streets parking and access for Brampton Fire and Emergency Services; and

Whereas, community events are a good way to get to know your neighbours, reduce crime and aggressive driving on local roadways;

Therefore be it resolved that, staff be directed to approve the special event road closure applications and issue road occupancy permits for the following locations provided all event requirements are fulfilled:

Street Name	Ward #	Limits of Road Closure	Date of Road Closure	Time of Event
Saintsbury Crescent	9	50 Saintsbury Crescent to 63 Saintsbury Crescent	September 6, 2024 to September 11, 2024	4:00 p.m. to 11:55 p.m.

2. That Council acting as the Approving Authority, pursuant to the *Expropriations Act, R.S.O. 1990*, c.E.26, as amended, enact a by-law approving the expropriation of the property described in Attachment 1 ("Subject Property") to

this report, for the purposes of implementing the Downtown Brampton Flood Protection Project and all works ancillary thereto; and

3. That the by-law provide that the Commissioner, Planning, Building and Growth Management, be authorized to execute all agreements and other documents, and serve and publish on behalf of The Corporation of the City of Brampton, all notices, applications, advertisements, agreements and other documents required by the *Expropriations Act, R.S.O. 1990*, c.E.26, as amended, in order to complete the expropriation of and settle the compensation for the said property based on terms and conditions acceptable to the Senior Manager, Realty Services, and in a form acceptable to the City Solicitor or designate.

CW309-2024 – deleted – dealt with under Council Resolution C171-2024

CW310-2024

Whereas the City of Brampton is one of the fastest growing big cities in the Country;

Whereas the City of Brampton has and continues to face a number of challenges associated with the accelerated population growth, such as housing affordability and cost of living;

Whereas Bill 13, the *"Supporting People and Businesses Act*" received Royal Assent on December 9, 2021;

Whereas Bill 13 enables municipal councils to delegate the authority to pass by-laws under Section 34 of the *Planning Act* that are of a minor nature, to a committee of council or an individual who is an officer, employee or agent of the municipality;

Whereas under Bill 13 the delegation of authority to pass by-laws under section 34 of the the *Planning Act* includes removing of a holding "H" provision, authorizing the temporary use of land, buildings, or structures (Temporary Use By-laws), and other minor zoning by-law amendments as determined by the municipality;

Whereas the cumulative impact of Additional Residential Units (ARUs), can significantly change the character of a neighbourhood including during the construction period;

Whereas, Committee of Adjustment applications, specifically minor variance applications, tend to be the primary planning instrument to facilitate the creation of ARUs;

Whereas the intensification of neighbourhoods has implications on a number of city services, in particular property standards and enforcement;

Whereas on June 5th, 2024 the City of Brampton approved a budget amendment to hire 38 new by-law enforcement officers;

Whereas the City of Brampton implemented the Residential Rental Licensing (RRL) Program Pilot Project aimed at enhancing rental property standards and ensuring the safety and well-being of residents; and

Whereas Ward 3 is identified in the City's mature neighbourhood boundary, and is also part of the RRL pilot;

Therefore be it resolved:

1. That the Commissioner of Planning, Building and Growth Management be directed to report back to Council with a report that examines:

2. Expanding the use of delegated authority provided by Bill 13 as it relates to minor zoning by-law amendments;

3. New processes to ensure the cumulative impacts of ARUs in mature neighbourhoods do not undermine the original neighbourhood character;

4. The linkages between new processes and the RRL pilot to ensure that overall property standards, community safety and well being are maintained;

5. Financial and resource implications associated with any new processes;

6. That all residential areas of Ward 3 be designated a mature neighbourhood; and

7. That all residential areas of Ward 2 be designated a mature neighbourhood; and that the Churchville area in Ward 6 bound by Chinguacousy Road, Financial Drive, Highway 407 and Steeles Avenue West be designated a mature neighbourhood.

4. That the Manager of Enforcement and By-law Services be requested to arrange for the enforcement of parking restrictions on Brenda Avenue during school arrival and dismissal times.

SC048-2024

That Brampton School Traffic Council do now adjourn to meet again on

CW340-2024

That the report from Allyson Sander, Strategic Leader, Project Management, Legislative Services, to the Committee of Council Meeting of September 18, 2024, re: **Residential Rental Licensing (RRL) Pilot Program Implementation Update - Wards 1, 3, 4, 5 and 7**, be received; and

Whereas the City of Brampton has and continues to do our part to embrace growth and provincial and federal direction to support ARUs, the city is now feeling the unintended consequences associated with this unprecedented growth and needs our fair share of funding to support proactive enforcement and RRL programs;

That the City advocate to the provincial government to help fund programs like Brampton's RRL whereby its costs are directly related to growth by helping to track, regulate and prioritize the safe development of ARUs to address the housing crisis; and that a consolidated package be prepared including advocacy and actions undertaken by the City in other related areas; and

That a framework (including community engagement and public consultation) be constructed for the integration of Wards 2 & 6 and Ward 8 to be taken into the RRL program, commencing with Pillar 1, and that the Ward Councillors be consulted prior to further activation.

CW341-2024

1. That the report from Farhad Habibi, Chief Building Official and Director of Building, Planning, Building and Growth Management, to the Committee of Council Meeting of September 18, 2024 re: **Addressing Unqualified Contractors and Repeat Inspections (RM 27/2024)**, be received;

2. That staff be directed to implement the surcharge fee as prescribed in the City's Building By-law for any recall of the same inspection process after the second failed inspection;

3. That the Education and Awareness provisions described in this report be implemented by Q1 2025;

4. That staff be directed to continue to advocate and collaborate with the Ontario Contractors Association to address concerns about unqualified contractors to enforce the Business Licensing By-law for contractors in ARU construction; and,

5. That staff be directed to report back on the efficacy of these recommendations in Q3 2025.

CW342-2024

That the report from Peter Bryson, Manager, Enforcement and Bylaw Services, Legislative Services, to the Committee of Council Meeting of September 18, 2024, re: **Review of Public Nuisance By-Law 136-2018 in Respect to Car Rallies (RM 49/2024)**, be **referred** back to staff to report back to the September 25, 2024 meeting of Council with increased fines related to car rallies which are similar to the City of Vaughan. (Note: Brampton's fines related to noise, et cetera, at car rallies are currently lower than those in Vaughan).

CW343-2024

Whereas:

1. The RRL is in place to address non-compliant property, parking, and health and safety standards of registered and unregistered ARU properties which are negatively impacting quality of life and overall safety of residents; and

2. The City ongoingly receives thousands of complaints and evidence of overcrowding and excessive subletting of rental units within registered and unregistered ARUs which may or may not be licensed through RRL; and

3. The City currently does not have by-laws in place to control overcrowding and excessive subletting; and

4. The Residential Tenancies Act allows landlords to reasonably deny tenants from subletting based on property capacity and local legislation; and

5. Through ARU registration and RRL, it is possible to track the total number of units per ARU household, and respectively determine safe occupancy numbers for each RRL license held; and

6. The City's comments to the Province on "Bill 185, Cutting Red Tape to Build More Homes Act, 2024" highlighted the need for the Province to consult with municipalities on safety, environmental and community impacts related to the enforcement of ARUs; and

7. The provision of ARUs to address the national housing crisis should be more than simply providing a roof over heads, and needs to focus on the integration of ARUs as part of complete communities; and

8. The province and federal government needs to consider municipal funding programs to help municipalities enforce the proper construction, maintenance and licensing of ARUs; and

9. Currently, the City of Brampton's Official Plan and Zoning By-law 270-2004 only allow Lodging Houses in detached dwelling units within the downtown core and it is illegal to operate an unregistered lodging or group home without a licence or outside this area; and

10. Staff have been directed by resolution CW113-2023 (cl.5) to "Develop a workplan to update Lodging Houses for city-wide Application"; and

11. Supportive Housing (previously known as "Group Homes") are regulated by Supportive Housing Registration By-law 254-2021 and Supportive Housing Residences Type 1 and Type 2 shall not operate in the City unless they are registered as per By-law 254-2021.

Therefore be it resolved that:

1. Staff report back (in Q4), with by-law recommendations that outline occupancy limits within the existing process for ARU registration and Residential Rental Licensing (RRL); and

2. Staff report back with recommendations on how overcrowding and excessive subletting will be identified and tracked, and how occupancy limits will be enforced through the RRL process; and

3. Staff report back on a process to identify and enforce existing legislation regarding illegal lodging and group homes; and

4. The City advocate to the provincial and federal government (with copies to FCM and AMO) for municipal funding programs to help municipalities enforce the proper and safe construction, maintenance and licensing of ARUs that prioritizes safety of residents; and

5. As part of the above advocacy to appropriate provincial and federal Ministers, local MPPs and MPs, this motion be included as an attachment.

CW344-2024

That the **Referred Matters List - 2024 Third Quarter Update**, to the Committee of Council Meeting of September 18, 2024, be received.

CW345-2024

That Committee proceed into Closed Session to discuss matters pertaining to the following:

15.1 Report – New Brampton Transit Facility – Ward 10

Open Meeting exception under Section 239 (2) (k) of the Municipal Act, 2001:

A position, plan, procedure, criteria or instruction to be applied to any negotiations carried on or to be carried on by or on behalf of the municipality or local board.

15.2 Report - Legal Advice re: Development Agreements

Open Meeting exception under Section 239 (2) (f) and (k) of the Municipal Act, 2001:

Advice that is subject to solicitor-client privilege, including communications necessary for that purpose and,

A position, plan, procedure, criteria or instruction to be applied to any negotiations carried on or to be carried on by or on behalf of the municipality or local board.

15.3 Report - Construction Services to Accommodate Office Space Reorganization

Open Meeting exception under Section 239 (2) (a) and (k) of the Municipal Act, 2001:

The security of the property of the municipality or local board and,

A position, plan, procedure, criteria or instruction to be applied to any negotiations carried on or to be carried on by or on behalf of the municipality or local board.

CW346-2024

That the Committee of Council do now adjourn to meet again on Wednesday, October 2, 2024, or at the call of the Chair.

On a two-thirds majority vote the item was reopened, to amend the motion as follows:

The following motion was considered.

C200-2024
Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Kaur Brar

That the verbal update from Karley Cianchino, Supervisor Wetlands and Environmental Projects, and Pam Cooper, Manager, Environmental Planning, Planning, Building and Growth Management, re. **Heart Lake Turtle Troopers Delegation and Heart Lake Road Ecology Measures**, to the Council Meeting of October 16, 2024, be received; and

Whereas to ensure the long-term sustainability of road ecology efforts along Heart Lake Road and maintain current levels of service with the road ecology program, the following actions are recommended for 2024/2025; and

Whereas a permanent Road Ecology Program would address current challenges and ensure long-term wildlife protection and habitat conservation along Heart Lake Road;

That Council directs the establishment of a permanent Road Ecology Program, with focus on the following key areas:

1. Funding Utilization & Long-Term Planning: Allocate the $310,000 from developer contributions to support the program’s implementation and develop a budget for the long-term maintenance and monitoring of road ecology infrastructure.
2. Stakeholder Coordination: Establish a collaborative working group consisting of City staff, TRCA, community volunteers, and other stakeholders to ensure a unified and coordinated approach to road ecology along HLR.

3. Maintenance: Develop a protocol to regularly inspect and maintain existing mitigation infrastructure.
4. Wildlife Fencing: Undertake a geotechnical review of HLR and pilot project to test different types of permanent wildlife fencing to address ongoing issues with the temporary fencing.
5. Wildlife Monitoring & Adaptive Management: Undertake an annual wildlife monitoring study along the full length of HLR to track wildlife movements and road mortality. Utilize collected data to adapt and expand road ecology measures such as new culverts and fencing
6. Public Awareness**:** Conduct annual communication campaigns to maintain public awareness and support for road ecology initiatives and wildlife safety along HLR.; and

That the Mayor be requested to include within the 2025 operating budget a Supervisor of Wetlands and Environmental Projects position (cost to be determined) and an Environmental Project Specialist position (at an approximate cost of $124,169) in order to support the Road Ecology Program.

10.4.3 Staff Report re. City Comments on ERO 019-9210 Amendment to Ontario Regulation 299/19 Additional Residential Units, under the Planning Act

Connor Cowan, Planner, Integrated City Planning, Planning, Building and Growth Management, provided an overview of key changes and concerns with respect to the ERO 019-9210 Amendment to Ontario Regulation 299/19 Additional Residential Units, Under the *Planning Act*.

Councillor Santos expressed concern with the proposed changes and requested that the following concerns be communicated with the province regarding stormwater issues, fire safety concerns and other consequences related to services that the City is trying to mitigate through the RRL program that will increase, such as transit, by-law services, etc.

Staff responded to questions regarding how surrounding municipalities will be dealing with the proposed changes, the lack of investment in the possible implementation of the changes, the RRL program language change to remove "successful RRL program", parking for garden suites, and extra garbage bins for additional ARU's.

The following motion was considered.

C201-2024
Moved by Regional Councillor Santos
Seconded by Regional Councillor Keenan

1. That the report from Connor Cowan, Planner I, Integrated City Planning to the City Council Meeting of October 16, 2024, re: **Recommendation Report - City Comments on ERO 019-9210 Amendment to Ontario Regulation 299/19 ADDITIONAL RESIDENTIAL UNITS, under the Planning Act**, be received;

2. That the City's comments and proposed recommendations to the Province contained and appended to the report be endorsed;

3. That the City Clerk forward this report to the Ministry of Municipal Affairs and Housing;

4. That Council not endorse the proposed changes prescribed in ERO 019-9210 in their current iteration for the reasons summarized below, and as further articulated in this report and the appended comment letter:

> i. Increasing the maximum lot coverage to 45% for lots containing ARUs will facilitate and encourage inappropriate development patterns in existing and sensitive neighbourhoods. This includes downstream negative effects on municipal stormwater systems and other services (i.e. property standards).
>
> ii. Removal of angular plane requirements will lead to privacy concerns and increased strain on the City's building and enforcement teams.
>
> iii. Removal of FSI requirements will undermine community character and will lead to broader enforcement issues related to property standards. This could undermine the City's outcome(s) associated with the Residential Rental License (RRL) pilot program.
>
> iv. Language within the ERO is unclear and does not provide City staff with direction on how similar zoning provisions (i.e. building height, gross floor area requirements) may be applied.

5. That Council request the Province to continue further dialogue with municipal partners including the City of Brampton prior to final approval of the proposed legislative changes given the potential enforcement and development impacts precipitated by ERO 019-9210. This will result in a more balanced approach to align with Brampton's objectives rather than a universal approach as per the proposed legislation; and

6. That, to ensure the City of Brampton has complete communities that maintain their character and provide safe and affordable housing with desirable living conditions (internal and external), the City has undertaken several initiatives to hold landlords more accountable through Residential Rental Licensing and increased property standards enforcement efforts.

While these efforts are focused to course correct absentee landlord issues, it is evident that meeting provincial housing targets cannot be accommodated through forced growth by way of relaxing ARU zoning standards at the sacrifice of smart growth and well-planned development.

To this end, should the province pass the legislation as proposed it must be accompanied by a sustainable funding program for ARU dependent services such as fire, transit, waste collection and increased building inspections and property standards enforcement to minimize the impact on Brampton taxpayers choosing not to permit an ARU on their property – whom are already constrained.

CW351-2024

That the delegation from Jermaine Spence and Marlene Spence, Hope Endoors Community Services/The Chance Centre, to the Committee of Council Meeting of October 2, 2024, re: **'I Can' Learning Disabilities Awareness Campaign**, be received.

CW352-2024

Whereas the growing number of homeless encampments in the City of Brampton is a complex problem that requires collaborative efforts from all levels of government and community partners; and

Whereas encampments and homelessness are on the rise across the country due to a lack of and access to deeply affordable housing options, underfunding of supports for equity seeking populations, and the rising cost of living; and

Whereas the Federation of Canadian Municipalities is calling on all orders of government to develop a comprehensive plan to end chronic homelessness, which clearly lays out roles and responsibilities, presents a timeline with clear milestones, and includes:

- Coordinated investment and policy measures to increase the supply of non-market housing (housing for low- and moderate-income households, often through public or co-op operators) and prevent individuals from becoming homeless.
- New investments in supportive housing to be funded through a Housing First-approach, with cost-sharing between federal, provincial, and territorial governments; and

Whereas the Ontario Big City Mayors Caucus launched the "Solve the Crisis" campaign calling on the Governments of Ontario and Canada to take immediate action to solve the homelessness and mental health crisis gripping our communities; and

Whereas as of October 1st, 2024, the City has had to address approximately 50 (and counting) known active encampment sites throughout Brampton, including those within flood zones, beside playgrounds and splashpads, near schools, and directly adjacent to residential backyards; and

Whereas the City has been working closely with the Region of Peel to support its work in developing an Encampment Policy Framework and Joint Protocols for Peel Region and its Local Municipalities that will be implemented in 2025; and

Whereas a May 2024 report entitled, The Provincial Funding for Social Services in Peel Region, commissioned by the Metamorphosis Network ranked Peel Region as the lowest amongst all of these municipalities when looking at Provincial Support per Capita and General Assistance and Community Support by per Capita of Provincial Support; and

Whereas this funding shortfall impacts services like housing, childcare, schools, seniors' care, mental health programs and youth programs; and

Whereas the lack of suitable alternative shelter spaces for the encampment residents with Peel Region lacking low barrier shelters for individuals with addictions and other challenges; and

Whereas connecting encampment residents to wraparound services that in turn connect them to the appropriate social service or program is essential to address an individual's needs; and

Whereas effectively addressing the issue of encampments requires coordination across all levels of government and service providers, there is a need for constant coordination and communication; and

Whereas this year, City of Brampton has increased financial expenditures (approximately $450,000 and increasing) in response to encampments including staffing costs from Security Services, the Community Safety and Well-Being Office (CSWO), Parks Maintenance and Forestry, Fire and Emergency Services, Animal Services and Legal Services and costs related to park signage, collection of over 44 – twenty cubic yard bins of debris and counting, other materials needed for the response and an external contractor to clean up abandoned and potentially hazardous sites, while also providing added security during the clean-up events; and

Whereas on September 22, 2024 the Federal Government announced next steps to address homelessness by allocating $250M, as outlined in Budget 2024, to address the urgent issue of encampments and unsheltered homelessness;

Therefore Be It Resolved That:

1. The Council of the City of Brampton urges the Government of Canada to work with the Province of Ontario and the Region of Peel to allocate adequate funding for the Region, and specifically for Brampton to ensure the City has the necessary resources to continue the work and efforts to address encampments and homelessness locally in our community; and

2. That the Mayor, on behalf of the City Council, will advocate for a fair allocation of the aforementioned federal funding and any matching Provincial contribution for the City of Brampton.

CW353-2024

That the presentation by Andrzej Hoffmann, Manager, Government Relations and Public Liaison, Office of the CAO, to the Committee of Council Meeting of October 2, 2024, re: **Government Relations Matters**, be received.

CW354-2024

1. That the report from Douglas Elsmore, Director, Technology and Cybersecurity, Information Technology, Corporate Support Services, to the Committee of Council Meeting of October 2, 2024, re: **Annual Public Sector Network (PSN) Update**, be received; and

2. That the PSN Revenue and Expenditure Statement for 2023 as outlined in Appendix I and 2024 PSN Proposed Budget as outlined in Appendix II reported by the Region of Peel be received.

CW355-2024

13.1 Minutes – Planning and Development Committee – October 21, 2024

An amendment, moved by Deputy Mayor Singh and seconded by Regional Councillor Keenan, was introduced to amend Recommendation PDC183-2024 to change the effective date for Schedule A of the Tariff of Fees By-law to January 1, 2025, to facilitate the inclusion of the Committee of Adjustment fees.

The following motion was considered.

C212-2024
Moved by Deputy Mayor Singh
Seconded by Regional Councillor Keenan

1. That the **Minutes of the Planning and Development Committee Meeting of October 21, 2024**, to the Council Meeting of October 30, 2024, be received; and,

2. That Recommendations PDC180-2024 to PDC182-2024 and PDC184-2024 to PDC190-2024 be approved as outlined in the minutes; and

Whereas on October 21, 2024, the Planning and Development Committee passed motion PDC183-2024 endorsing the approval of Schedule A to the Tariff of Fees By-law with respect to Planning and Other Municipal Applications By-law, with an effective date of November 1, 2024; and,

Whereas the motion also included direction that staff undertake a review of the Committee of Adjustment fees and report back to Council; and,

Whereas the effective date for Schedule A should include all fees contain therein.

Therefore, be it resolved that, the effective date for Schedule A to the Tariff of Fees By-law be amended to January 1, 2025 to facilitate the inclusion of the Committee of Adjustment fees.

That Recommendation PDC183 be amended, and approved, as follows:

PDC183-2024

1. That the report from Carolyn Crozier, Carolyn Crozier, Strategic Leader, Project Management, to the Planning and Development Committee Meeting of October 21, 2024, re: 2024 Fee Changes for Development Applications (Tariff of Fees By-law with Respect to Planning and other Municipal Applications – By-law 85-96, as amended), be received;

2. That staff be directed to undertake a review of fees associated with Committee of Adjustment applications and report back to Council thereon.

3. That Schedule A to the Tariff of Fees By-law with respect to Planning and Other Municipal Applications By-law 85-96, as amended, be amended

to reflect the fee changes as set out in Attachment A of this report, to be effective January 1, 2025; and

4. That the delegation from Peter Simcisko, Watson and Associates Economists Ltd., re: 2024 Fee Changes for Development Applications (Tariff of Fees By-law with Respect to Planning and other Municipal Applications – By-law 85-96, as amended) to the Planning and Development Committee Meeting of October 21, 2024, be received.

Carried

2. That staff be directed to develop Zoning By-law performance standards for in-ground waste storage units and incorporate those performance standards through the City's Comprehensive Zoning By-law Review.

PDC186-2024

That the Summary of Recommendations of the Special Brampton Heritage Board meeting of October 2, 2024, Recommendations HB033-2024 - HB040-2024, to the Planning and Development Committee Meeting of October 21, 2024, be approved as published and circulated.

HB033-2024

That the agenda for the Special Brampton Heritage Board meeting of October 2, 2024 be approved as published and circulated.

HB034-2024

1. That the report from Arpita Jambekar, Heritage Planner, Integrated City Planning, to the Special Brampton Heritage Board meeting of October 2, 2024, re: **Heritage Impact Assessment, 18 River Road – Ward 6**, be received;

2. That the Heritage Impact Assessment Report for 18 River Road, prepared by LHC Heritage Planning & Archaeology Inc, dated October, 2023 be deemed complete;

3. That, based on the recommendation of the HIA, Option 1 for the proposed severance (as described in this report) be selected as the preferred alternative; and,

4. That staff initiate the Heritage Designation process for the property, per HIA finding that it meets criteria 1 and 4 of the Ontario Regulation 9/06 and is eligible for designation under Section 29 Part IV of the Ontario Heritage Act.

HB035-2024

1. That the report from Arpita Jambekar, Heritage Planner, Integrated City Planning to the Special Brampton Heritage Board meeting of October 2, 2024, re: **Heritage Impact Assessment, 12 Rosegarden Drive Ward 10**, dated January 2024 be received;

2. That the Heritage Impact Assessment Report for 12 Rosegarden Drive, prepared by ATA Architects Inc., dated January 2024 be deemed complete; and,

3. That the following recommendations as per the Heritage Impact Assessment by ATA Architects Inc. be followed:

i. As a result of a fire at 12 Rosegarden Drive in 2023, which has rendered the building unsafe and made it impossible to salvage or restore, the building must be demolished;

ii. A Commemoration of the property should be erected and placed in Gladstone Shaw Park, immediately west of the property. A Commemoration Plan to guide the commemorative strategy is required to be submitted and must adhere to the city's new Terms of Reference for Commemoration Plans.

HB036-2024

1. That the report from Arpita Jambekar, Heritage Planner, Integrated City Planning, to the Special Brampton Heritage Board meeting of October 2, 2024, re: **Heritage Impact Assessment for proposed development at 8525 Mississauga Road– Ward 4**, be received;

2. That the Heritage Impact Assessment Report for the proposed Kaneff Subdivision on Part of the Lionhead Golf Club & Conference Centre Lands, 8525 Mississauga Road, prepared by Paul Dilse, Heritage Planning Consultant, dated June 28, 2023 be deemed complete;

3. That the following recommendations per the Heritage Impact Assessment be included in 2023 Kaneff's Draft Plan of Subdivision:

i. Measures including natural or human-made deterrents to movement of people from the proposed park in Block 72 across the buffer and up the hill into the camp should be explored. A Landscape architect should be involved to choose the planting of native thorny shrub roses along the

southern edge of the buffer to impede movement and design an eight-foot high chain link fence on which native Ontario vines can be grown where the turning circle and eventual alignment of Street A come close to the camp's southwest corner. Under the direction of a landscape architect, the buffer itself should be planted with native species to the southern latitudes of the Province to develop into a screen of vegetation as dense as the forest behind.

ii. For apartment buildings rising above the highest point of land in Camp Naivelt, measures should be explored to soften the impression of their height on the skyline. Opportunities like green roofs, terraced elevations and curvilinear profiles should be explored to design cluster of point towers that would have lesser effect on the skyline than slab towers with larger floor plates. Floors above the camp's highest elevation could be clad in bird-friendly materials that resemble in color the pale blue or light gray shades of typical southern Ontario sky. Nighttime illumination of mechanical penthouses should be minimized; and,

4. That a historical interpretation on-site is recommended which involves following implementation recommendations:

i. Mounting site interpretation map of Eldorado Park and vicinity;

ii. Creation of a web page and an app on the cultural history of the Credit River Valley at Eldorado Park.

HB037-2024

1. That the report from Tom Tran, Heritage Planner, Integrated City Planning to the Special Brampton Heritage Board meeting of October 2, 2024, re: **Heritage Impact Assessment and Addendum, 11185 Airport Road – Ward 10**, be received;

2. That the following recommendations of the Heritage Impact Assessment prepared by Golder Associates dated October 21, 2021 be received:

i. The property is determined to have met four of nine criteria of O. Reg. 9/06 in design/physical value, historical/associative and contextual value, and therefore has cultural heritage value or interest (CHVI) and is worthy of Designation under Part IV of the Ontario Heritage Act;

3. That the following recommendation from the HIA addendum dated August 2024 be received:

i. The preferred option to facilitate relocation and rehabilitation of the Sargent Farmhouse as a residence on a new lot in the subdivision is Option 2;

4. That the following recommendation as per the Heritage Impact Assessment Addendum by WSP dated August 8, 2024 be received and followed:

i. Option 2: Disassembly of the Sargent Farmhouse and recreation of the front façade and west façade using salvaged brick as a cladding on a new larger dwelling;

5. That a Heritage Conservation Plan, Documentation & Salvage Report and Commemoration Plan be prepared according to the City's Terms of Reference as conditions of the Draft Plan Approval and prior to issuance of the Demolition Permit; and,

6. That a Heritage Delisting Report be presented for the Board's acceptance prior to the issuance of the Demolition Permit for 11185 Airport Road.

HB038-2024

1. That the report from Arpita Jambekar, Heritage Planner, Integrated City Planning, to the Special Brampton Heritage Board meeting of October 2, 2024, re: **Heritage Permit Application for 7 & 9 Wellington Street E –Ward 3**, be received; and,

2. That the Heritage Permit application for 7 & 9 Wellington Street E for repairs to the heritage stone wall, Building 9 (Jail) window replacement and other miscellaneous site improvements at Peel Museum & Archives, be approved.

HB039-2024

1. That the report from Arpita Jambekar, Heritage Planner, Integrated City Planning, to the Special Brampton Heritage Board Meeting of October 2, 2024, re: **Repeal of Heritage Designation for 8990 McLaughlin Road South- Ward 4**, be received;

2. That the recommendation to begin the process to repeal the designation by-law for the property be approved;

3. That the staff be authorized to publish and serve the Notice of Intention to repeal the designation by-law for the property at 8990 McLaughlin Road S in accordance with the requirements of the Ontario Heritage Act;

4. That if no objections to the repeal of the designation by-law are received, a repeal of the designation by-law be passed to de-designate the subject property; and

5. That following the repeal of the designation by-law, staff be authorized to serve a notice of intention to demolish portions of the existing building, following the recommendations from the recently approved Heritage Impact Assessment for the property.

HB040-2024

That the Brampton Heritage Board do now adjourn to meet again for a regular meeting on Tuesday, October 15, 2024 at 7:00 p.m.

PDC187-2024

That staff be directed to undertake an analysis to prepare for a future Council discussion in response to the proposed legislation respecting bike lanes, including alternatives to bike lanes that may achieve the same outcomes associated with a balanced approach to transportation, and to include data on bike lane usage by modes of travel other than bicycles.

PDC188-2024

That the implementation of new bike lanes on roadways within Wards 2 and 6 and Wards 7 and 8 be halted, until such time as the newly proposed provincial legislation can be assessed, and the data with regards to bike lane usage has been compiled, reported on and reviewed by Council.

PDC189-2024

That the following correspondence re: 2024 Fee Changes for Development Applications (Tariff of Fees By-law with Respect to Planning and other Municipal Applications – By-law 85-96, as amended) to the Planning and Development Committee Meeting of October 21, 2024, be received:

4. Bob Hackenbrook, Detective Sergeant in charge of the Vice Unit, Peel Regional Police.

CW377-2024

Whereas:

Local issues and action taken

- Brampton is home to thousands of financially vulnerable international students who study locally in Brampton or in other municipalities across the province/country
- Many international students have become victims of “false hope” through student visa and college enrollment scams
- International students soon discover after arriving in Canada, that the local cost of living may exceed their financial means and many education institutions (private and public) do not assist students adequately to integrate, particularly as it relates to housing, leaving international

students vulnerable to exploitation as discussed at Committee of Council on September 4, 2023

- Exploitation and human trafficking of international student girls have resulted in unwanted pregnancies, abortions, mental health and addictions issues and suicide
- The City of Brampton and the Region of Peel have been working within municipal jurisdiction to address the exploitation through the development of an International Students Charter, Residential Rental Licensing Pilot (RRL), established an International Student Collaborative, and an anti-human sex trafficking strategy
- Peel Regional Police's Human Trafficking team was one of the first established in the province, with a total of 20 members with a variety of service providers and crown attorneys to identify, pursue, and charge human traffickers, and increase awareness, education and specialized human trafficking intervention training for targeted groups like international students
- Post-Secondary Institution's orientation sessions only scratch the surface with regards to what students should know/expect when they arrive in Canada and lack vital information related to protecting oneself from exploitation and what their rights are as an international student in Canada
- Survivors of human trafficking require specialized, trauma-informed, community-based supports to help them heal and rebuild their lives, and to reduce the risk of re-exploitation
- Peel Region currently provides some supports to international students, however, many Regional programs are not accessible due to federal and provincial eligibility criteria excluding people without Canadian citizenship or permanent residency or who are refugee claimants
- Many international students who are being exploited choose not to access support at their educational institutions because of fear of deportation, expulsion from school, and a lack of culturally sensitive support programs

Other orders of government

- Despite local efforts, the City of Brampton and Peel Region are reacting to this inherited problem with limited to no jurisdiction to address its root causes and significantly limited financial resources to respond to the consequences

- Legislative jurisdiction over international student visas and accountability of public and private post-secondary institutions, reside with the federal and provincial governments for example (but not limited to):
    - Provincial Ministry of Colleges and Universities could do more to mandate support and programs for international students and regulate private colleges
    - The federal government recently capped legal off-campus work for international students to 24 hours, which may be putting financially vulnerable students at further risk of exploitation and
    - Federal legislation is weaponized and used against international students by traffickers due to specific conditions to deport like “sex work”

Therefore Be It Resolved That:

1. With feedback from post-secondary partners located in Brampton or elsewhere, staff report back on additional incentives that may support the development of safe affordable student housing, including improvements to the RRL; and

2. The City of Brampton and the International Students Collaborative encourage other post secondary institutions outside of Brampton, with students who live in Brampton, to endorse the guiding principles of Brampton’s International Students Charter

3. The City of Brampton support the Region of Peel’s continued work with the International Students Collaborative to better understand the impact of recent policy changes on students by developing a comprehensive Advocacy Strategy in Peel

4. That the City of Brampton advocate to the federal and provincial government through official correspondence and follow-up with a meeting with appropriate Ministers (Federal: IRCC and Housing, Provincial: Colleges and Universities, and Labour, Immigration, Training and Skills Development, etc.)

i) to endorse the guiding principles of Brampton’s International Students Charter

ii) to establish clear responsibility for public and private post-secondary institutions in providing formal orientation for international students looking to study in Canada, including increasing awareness of legal, employment,

access to health care, interpersonal violence and housing rights, before arriving in the country

iii) to have student visa requirements require place of residence in addition to place of study and provide policy or financial incentives for the development of safe and affordable student housing

iv) continue advocacy requesting that the province double the heads and beds levy and base the levy on the student's place of residence, to ensure additional funding is available to municipalities who provide municipal services for international students residing in their municipality

v) to strengthen regulations for private colleges as it relates to recruitment and education standards of international students

vi) for legislative changes related to student visas, such as removing "sex work" as a condition to deport

vii) to increase working hours to 40 hours/week so students can access legal work from employers

viii) to expand funding eligibility to allow international students to access existing Regional and community programs and supports in Peel Region

ix) to provide dedicated funding for a three-year pilot to develop a wrap-around support hub, which is community-focused with anti-human trafficking services and supports designed for (and by the community) and culturally-responsive to provide settlement, housing, employment, and mental health supports along with human trafficking assessment and referral for international students attending post-secondary institutions

x) to increase accountability of post-secondary institutions to develop formal pathways to dedicated anti-human sex trafficking services such as nCourage, Peel safe house and transitional house to support access to safe, reliable, trauma-informed services, and provide the necessary legislative and financial support for increased access to such services

xi) to strengthen regulations and continue investigations of immigration consultants providing fraudulent acceptance letters and engaging in other fraudulent activity related to international students

xii) to clearly identify and raise awareness of existing pathways international students can legally obtain permanent residency in Canada

5. The City of Brampton support efforts from Peel Regional Police to:

- Participate in intelligence-led joint forces investigations team from police agencies across Ontario
- Enhancing the use of Major Case Management tools for missing persons and human trafficking investigations by investing in software development to enable national access to databases across the country. This will assist in meeting specific needs of human trafficking investigators and analysts
- Continue to participate in intelligence-led joint forces investigations team from police agencies across Ontario

6. That this motion and any related or follow-up correspondence be forwarded to:

- Federal Ministers of Immigration, Refugees, and Citizenship and Housing (and other relevant Ministries)
- Provincial Minister(s) of Colleges and Universities, and Labour, Immigration, Training and Skills Development (and other relevant Ministries)
- Local MPs and MPPs
- FCM and AMO
- Region of Peel Council

7. That the City of Brampton host a public screening of I Am No Queen, at no cost to attendees.

That the correspondence from The Drew Family of Brampton, to the Committee of Council Meeting of October 23, 2024, re: **Item 9.2.1 - Staff Report re: Downtown Transit Hub Project - Update**, be received.

CW396-2024

1. That the report from Julia Seeratan, Advisor, Community Safety and Well-Being Office, Community Services, to the Committee of Council Meeting of October 23, 2024, re: **Safe Public Spaces for All: Addressing Encampments in the City of Brampton (RM 55/2024)**, be received;

2. That the Brampton Encampment Planning Working Group examine by-laws identified by Enforcement and By-Law Services that fall under the umbrella of ‘safe public spaces for all’ to determine:

i. how they can be strengthened to ensure public spaces are safe for all users in the city, and;

ii. which will need updating for the Encampment Policy Framework and Joint Protocols for Peel Region and its Local Municipalities;

3. That this report be forwarded to Regional Council, Regional staff, and the Peel Encampment Working Group and Steering Committee for consideration in the development and implementation of the Encampment Policy Framework and Joint Protocols for Peel Region and its Local Municipalities;

4. That staff increase advocacy efforts by supporting the Solve the Crisis campaign and a letter be sent to the Federal Government and Provincial Government, relevant cabinet members, and local MPs and MPPs asking to appoint a single ministry and minister to lead the Province's response to homelessness and mental health issues and to create a municipal-provincial task force to immediately direct resources and supports to cities and establish a common framework that includes operational guidelines for municipalities;

5. That the 2025 Community Services capital budget submission include the cost of a dedicated multi-disciplinary unit focused on risk intervention and response with the subject matter expertise needed to assess and address encampment hazards, provide interventions, and respond to encampment concerns, with an estimated annual budget of $907,000 and presented to the Mayor for his consideration; and

6. That this item be forwarded to: Brampton Members of Parliament and Members of Provincial Parliament, and appropriate Ministry staff; to the Federation of Canadian Municipalities; the Association of Municipalities of Ontario; and the Council of the Region of Peel, for information and support.

CW397-2024

Whereas the City of Brampton is committed to addressing resident concerns in a timely and customer-focused manner;

Whereas improving internal processes and coordination across departments and external organizations is essential for enhancing customer service, reducing call transfer incidents, and ensuring timely, effective resolution of issues raised by residents;

Whereas improving and streamlining internal processes and coordination across departments and external organizations is essential for enhancing customer service and ensuring timely, effective resolution of issues raised by residents;

Whereas ensuring proper actioning and resolution of issues, including those requiring third-party agency involvement, is critical to maintaining public safety and trust in the City's services;

Therefore Be It Resolved That:

1. The CAO be directed to have staff develop and implement improved Standard Operating Procedures (SOPs) that ensure streamlined coordination, call transfer reductions, process alignment, and customer service excellence, along with any required training, technology and tools, across all departments and divisions involved in these safety-related processes;

2. City staff report back to Council with a proposed framework and timelines for improving service delivery timelines, department coordination, and third-party collaboration, with a focus on elevating the quality of customer service and ensuring that safety and service expectations are consistently delivered, including any costs required for any technology or system updates to implement the framework; and

3. City staff provide regular updates to Council on the progress of implementing these improved procedures and outcomes.

CW398-2024

That the following correspondence to the Committee of Council Meeting of October 23, 2024, re: **Item 10.2.1 - Safe Public Spaces for All: Addressing Encampments in the City of Brampton (RM 55/2024)**, be received:

1. Jennifer Kendall, Brampton resident, dated October 18, 2024

2. Natalie Geraci-Oliveira, Brampton resident, dated October 21, 2024

CW399-2024

AAC012-2024

That the Accessibility Advisory Committee meeting do now adjourn to meet again on December 10, 2024 at 6:30 p.m.

CW400-2024

Whereas according to a 2020 study by Hawke et al, early cannabis initiation and use are associated with increased mental health and substance use challenges in adulthood and 30% of youth seeking clinical services started using cannabis before the age of 14, and these youth had increased rates of trauma, internalizing and externalizing symptoms, polysubstance use, and precarious housing; and

Whereas from data sourced from a 2022 study looking at access to legal cannabis, the Province of Ontario currently uses private retail model and has

1,552 cannabis stores, compared to the neighbouring province of Quebec which uses a public model and has 91 cannabis stores; and

Whereas according to a 2023 study, there was a 69% increase in cannabis initiation among those aged 15-18 in Ontario since the legalization of cannabis in Canada; and

Whereas according to the results of a 2022 Ontario Student Drug and Health Survey, 41% of Ontario students in grades 7-12 reported through this survey that it is easy to obtain cannabis; and

Whereas as reported in a study on Youth cannabis use in Canada post-legalization, cannabis use during adolescence can cause functional and structural changes to the developing brain, leading to damage. Marijuana use in this age group is strongly linked to: cannabis dependence and other substance use disorders; the initiation and maintenance of tobacco smoking; an increased presence of mental illness, including depression, anxiety and psychosis; impaired neurological development and cognitive decline; and diminished school performance and lifetime achievement; and

Whereas Youth cannabis use in Canada remains a significant public health concern, necessitating a more comprehensive plan to protect Ontario youth and reduce associated harms; and

Whereas the Alcohol and Gaming Commission of Ontario regulates cannabis retail stores in the province in Ontario; and

Whereas Provincial legislation prohibits municipalities from passing a by-law that distinguishes land or building use for cannabis from any other kinds of use; and

Whereas during the application process of a Retail Store Authorisation (RSA), the AGCO allows a 15-day public notice period. This period is an opportunity for Municipalities and its residents to make written submissions to the Registrar as to whether the issuance of the RSA is in the public interest as set out in the regulations under the Cannabis Licence Act, 2018. The applicant of the store will receive these responses and will have an opportunity to respond to the submissions to the registrar; and

Whereas according to the restrictions set by the Alcohol and Gaming Commission of Ontario, cannabis store locations must be greater than 150 metres away from a school;

Therefore Be It Resolved That:

1. Mayor Brown, on behalf of Council, send a letter of advocacy to the Alcohol and Gaming Commission of Ontario and the Ministry of the Attorney General to advocate for more regulations on the locations of cannabis retail stores, specifically their proximity to schools, daycares, community centres and other youth hubs.

2. The letter of advocacy should also call for a restriction on the number of cannabis shops located within a certain radius, ensuring that multiple shops are not open in the same or neighbouring retail centres.

3. The letter of advocacy be sent to all Brampton Members of Provincial Parliament to request their support in this matter.

4. Mayor Brown, on behalf of Council, send a letter of advocacy to The Minister of Health, Hon., Sylvia Jones, and the Minister of Mental Health and Addictions, Michael Tibollo to request funding support for services and programming that targets youth with cannabis dependency issues and other substance abuse disorders; and

5. Both letters of advocacy be forwarded to the Region of Peel.

CW401-2024

1. That the report from Tara Hunter, Manager Sponsorship and Corporate Development, Economic Development, Office of the CAO, to the Committee of Council Meeting of October 23, 2024, re: **Multi-Year Sponsorship and Naming Rights Agreements: Algoma University and Great Gulf**, be received;

2. That Council authorize the Interim Director of Economic Development to execute the Algoma University sponsorship agreement on behalf of the City on terms and conditions satisfactory to the Manager of Sponsorship and Corporate Development and in a form satisfactory to the City Solicitor, or designate, in the amount of $183,000 over the Agreement Term; and

3. That Council authorize the Interim Director of Economic Development to execute the Scottish Heather Development Inc. amenity naming rights Agreement on behalf of the City on terms and conditions satisfactory to the Manager of Sponsorship and Corporate Development and in a form satisfactory to the City Solicitor, or designate, in the amount of $67,500 plus HST over the Agreement Term.

CW402-2024

15.2 Discussion Item - Lease Negotiations

Open Meeting exception under Section 239(2) (c) and (k) of the Municipal Act, 2001:

A proposed or pending acquisition or disposition of land by the municipality or local board; and, a position, plan, procedure, criteria or instruction to be applied to any negotiations carried on or to be carried on by or on behalf of the municipality or local board.

15.3 Verbal Update - Labour Negotiations

Open Meeting exception under Section 239 (2) (d) of the Municipal Act, 2001:

Labour relations or employee negotiations.

CW403-2024

1. That the report from David VanderBerg, Manager, Development Services, to the Committee of Council Meeting of October 23, 2024, re: **Recommendation Report – Development Approvals Process Technology Assessment**, be received;

2. That the Commissioner of Planning, Building and Growth Management and Chief Information Officer be directed to begin the procurement process for an integrated, end-to-end Development Approvals Process (DAP) workflow software platform that aligns with the City’s plans for future technologies by issuing a Request for Expression of Interest for the new software; and

3. That the Commissioner of Planning, Building and Growth Management and the Chief Information Officer report back to Council to seek Council’s approval on commencing a potential Request for Proposal for the new DAP workflow software and with any necessary budgetary amendments based on the information received through the Request for Expression of Interest.

CW404-2024

Whereas Brampton is one of the youngest cities in Canada, with 23.4% of the population within the ages of 15-29;

Whereas Brampton has received a Platinum Youth-Friendly Community designation;

Whereas Brampton has invested in the health and well-being of youth by providing positive spaces and services through Recreation facilities such as the Susan Fennell Youth Hub and the upcoming Century Gardens Youth Hub;

Whereas Brampton continues to administer a periodic Expression of Interest (EOI) process open to all youth serving organizations, in an effort to ensure equitable access and a variety of services offered;

Whereas the government of Ontario has established a provincial network of 22 Youth Wellness Hubs that have connected 43,000 youth and their families to mental health, substance use, and wellness services, accounting for over 168,000 visits;

Whereas the Ontario government is making it faster and easier for young people to connect to mental health and substance use services by launching a new Youth Wellness Hub in Brampton to serve Peel Region;

Whereas Peel Children's Aid Society has been the successful lead agency recipient from the Ontario government, who will work with other youth and community partners across the region to meet the needs of all communities including Indigenous, First Nations and Black youth who will be at the centre of the hub's model;

Whereas the new hub will connect youth and their families across Peel Region to convenient and free mental health, substance use and primary care services in a safe, youth-friendly space, making it easier for youth to drop in for in-person counselling or peer support close to their home.

Therefore Be It Resolved That:

1. That Council authorize the Commissioner, Community Services to enter into formal negotiations with Peel Children's Aid Society (Peel CAS), the Lead Agency for the establishment and operation of a Youth Wellness Hub within the City of Brampton (e.g. Century Gardens Youth Hub); and

2. That the Commissioner, Community Services be delegated the authority to execute on behalf of the City of Brampton a memorandum of understanding, lease agreement, operating and maintenance agreement and any additional

agreements related to the operation of a Youth Wellness Hub in the City of Brampton with Peel CAS on terms and conditions acceptable to the Chief Administrative Officer and in a form acceptable to the City Solicitor.

CW422-2024

WHEREAS, scientists have warned that Canada's unprecedented fire season, linked to climate change, will become the new normal and will intensify as climate change makes hotter, drier weather and longer fire seasons more common; and

WHEREAS, animal agriculture is responsible for 30% of Canada’s total methane emissions, the United Nations 2021 Methane Assessment reveals that methane cuts of 45% by 2030 are required to prevent a 0.3C temperature rise by 2045, buying us time for carbon dioxide, a longer-lived gas, to dissipate; and

WHEREAS, the IPCC (2019) Special Report on Land Use, shows that a plant-based food system would save almost 8 Gigatons Equivalent in greenhouse gas emissions by 2050; and

WHEREAS, cattle ranching is the largest driver of deforestation in every Amazon country, accounting for 80% of current deforestation rates, and the most extensive food system analysis to date found that globally 83% of agricultural land is used to farm animals, yet supplies just 18% of calories; and

WHEREAS, extreme temperature rises, droughts and floods are a risk to food security, and according to the Animal Nutrition Association of Canada, 80% of Canada’s supply of barley, 60% of Canada’s available corn supply, and 30% of Canada’s wheat supply are used to feed farmed animals rather than humans; and

WHEREAS, a global initiative is underway calling for a Plant Based Treaty that, through its three R’s - Relinquish, Redirect and Restore – aims to halt the accelerating expansion of animal agriculture, incentivise and promote a plant-based food system, rewild critical ecosystems in line with the global commitment

to limit warming to 1.5C and work to mitigate the climate crisis with fair equitable transition plans; and

WHEREAS, action to improve accessibility and promote the consumption of plant-based foods in Brampton will help to mitigate and adapt Brampton to the impacts of climate change, improve social justice and economic wellbeing, and support the Brampton in reducing its consumption-based emissions;

THEREFORE, BE IT RESOLVED:

1. With the concurrence of the Mayor, that by the adoption of this Resolution, the City of Brampton formally endorses a plant based treaty and makes a plant based approach as a part of the city's climate plan.

2. Use Brampton civic events including meeting and events hosted by city council to promote and showcase appropriately environmentally friendly plant-based food and drink options, alongside displayed information about the climate and health benefits and relative cost of different protein/food sources and informing people about how to achieve a balanced plant-based diet.

3. When events occur on Brampton open spaces, and where catering is provided, ensure that environmentally friendly plant-based options are included and available (i.e., minimum from at fifty per cent of caterers), secured through the use of terms and conditions of hire (where reasonably and appropriately possible).

4. Evaluate the potential for increasing plant-based food options and introducing plant-based defaults in City of Brampton facilities and during regional events, with the aim of increasing healthy eating options for staff and visitors while contributing to the reduction of negative climate impacts.

5. Promote a plant-based awareness week and use municipal communication channels to promote sustainable and affordable food and drink practices throughout the City of Brampton.

6. Create an action plan and time scale for implementing changes to City of Brampton activities following the endorsement of the treaty and report back on progress is 6 months.

AND FURTHER THAT a copy of this motion be circulated to the Region of Peel.

Whereas the Federal government has announced the 2025–2027 Immigration Levels Plan, a plan that will reduce immigration levels and pause population growth in the short term;

Whereas the City of Brampton Economic Development Office is committed to supporting local businesses in navigating challenges that impact growth and sustainability;

Whereas the reduction of Immigration Levels in Canada will have notable impacts on the labour market in Brampton;

Whereas immigration plays a crucial role in the economic vitality of Brampton, contributing to a diverse workforce and entrepreneurial landscape;

Whereas many local businesses are facing challenges related to immigration, including recruitment difficulties, regulatory complexities, talent attraction and retention, worker immigration challenges, integration of new employees and opportunities and clarity for permanent residency/immigration pathways; and

Whereas the Brampton Board of Trade serves as a vital resource for local businesses and has established relationships with various stakeholders in the community.

Therefore be it resolved that the City of Brampton's Economic Development Office be instructed to partner with the Brampton Board of Trade to host an industry roundtable discussion with local businesses and government officials which aims to:

- Discuss and identify the specific immigration challenges faced by Brampton businesses;
- Explore potential solutions and best practices for addressing these challenges; and
- Foster collaboration between local businesses, community organizations, and government representatives.

And be it further resolved that a report summarizing the findings and recommendations from the roundtable discussion be shared with Council in Q1 2025.

9.4 Budget 2025 - Consideration of Motions

The following motions were introduced and considered during the Special Council Meeting relating to the 2025 Proposed Budget.

Howden Recreation Centre and Chinguacousy Library

A motion was introduced with the following operative clause.

> Therefore Be It Resolved that Council direct staff to revisit the design and plan for the Howden Recreation Centre. The aim is to incorporate the Community Hub model, focusing on the integration of a 30,000 square foot Chinguacousy Library into the design. The redesign process should ensure it is cost-effective and efficient.

Council discussion took place regarding the impact of the Chinguacousy Library branch closure on the community and the need for a quick solution to restore programs and services.

In response to an inquiry from Council, Todd Kyle, CEO, Brampton Library, advised that the motion meets the Library's needs for a new location for this branch.

Council Members expressed their support for the motion and discussion took place with respect to the following:

- Construction timeline and costs for redesign
- Transit service to the Howden Recreation Centre
- The importance of working with the Brampton Library on this project

The following motion was considered.

C014-2025
Moved by City Councillor Power
Seconded by Mayor Patrick Brown

Whereas the City of Brampton provides a wide range of essential services that are critical to our quality of life;

Whereas Community Hubs are versatile, future-proof public centres that embody a "walk-to-one-stop-shop" policy, bringing together health, social, cultural, recreational, and other resources in one location to meet the diverse needs of the community;

Whereas the key to supporting existing and future growth requires significant investment to co-locate facilities and services such as libraries, arts, innovation, and child care;

Whereas Brampton creates parks and recreation hubs with flexible spaces to be shared between Recreation and Brampton Library, allowing for multiple activities that serve many age groups and interests throughout the year.

Therefore Be It Resolved that Council direct staff to revisit the design and plan for the Howden Recreation Centre. The aim is to incorporate the Community Hub model, focusing on the integration of a 30,000 square foot Chinguacousy Library into the design. The redesign process should ensure it is cost-effective and efficient.

A recorded vote was requested and the motion carried unanimously, as follows:

Yea (11): Mayor Patrick Brown, Regional Councillor Santos, Regional Councillor Vicente, Regional Councillor Kaur Brar, Regional Councillor Palleschi, Regional Councillor Keenan, Regional Councillor Medeiros, Regional Councillor Fortini, Regional Councillor Singh Toor, City Councillor Power, and Deputy Mayor Singh

Carried (11 to 0)

To Allocate a Portion of the $1,250,000 in the 2025 Capital Budget for the Design, Development, and Revitalization of Amenities at Sandalwood Park, 95 Sandalwood Pkwy E, Brampton, ON L6Z 4S3

A motion with the following operative clause was introduced.

Therefore, Be It Resolved That:

1. Staff be directed to work with the ward Councillors and Mayor to design the scope of future outdoor amenities as well as the revitalization of existing amenities, including, but not limited to, an outdoor hockey rink and dedicated pleasure skating area at Sandalwood Park in Ward 2.
2. The proposed design improvements at Sandalwood Park include:
    a. Conversion of the existing soccer field to an artificial turf field,
    b. Installation of a running track,
    c. Development of a full-sized hockey rink, including all necessary facilities for operation and maintenance, and
    d. Creation of a large area dedicated to pleasure skating.
3. Staff be directed to release a procurement document by June 1st, 2025, for the design and construction of the proposed new amenities and the revitalization of existing amenities at Sandalwood Park.
4. Staff be directed to report back to Council outlining additional funding required for the design and construction of future outdoor amenities, including, but not limited to, an outdoor hockey rink and pleasure skating area at Sandalwood Park, to be ready for the 2025-2026 winter season.
5. A portion of the $1,250,000 in the 2025 Capital Budget, including but not limited to $625,000, be allocated for the design, development, and revitalization of amenities at Sandalwood Park.

Council Members expressed support for the motion and discussion took place with respect to the following:

- Lack of amenities and facilities in Ward 2
- The importance of outdoor amenities for communities
- Installing similar amenities in other wards where possible

The following motion was considered.

C015-2025
Moved by Regional Councillor Palleschi
Seconded by Mayor Patrick Brown

Whereas, residents have requested enhanced community facilities for recreation and social gathering throughout the City of Brampton, particularly in Ward 2;

Whereas, residents, especially those from the Heart Lake community, have expressed concerns to their local Councillors regarding the lack of sufficient investment in community amenities and facilities in Ward 2;

Whereas, there is overwhelming support from residents, particularly in the Heart Lake community, for the addition of hockey and pleasure skating rinks, recognizing the importance of these spaces in fostering community connections and recreational engagement.

Therefore, Be It Resolved That:

1. Staff be directed to work with the ward Councillors and Mayor to design the scope of future outdoor amenities as well as the revitalization of existing amenities, including, but not limited to, an outdoor hockey rink and dedicated pleasure skating area at Sandalwood Park in Ward 2.

2. The proposed design improvements at Sandalwood Park include:

    a. Conversion of the existing soccer field to an artificial turf field,
    b. Installation of a running track,
    c. Development of a full-sized hockey rink, including all necessary facilities for operation and maintenance, and
    d. Creation of a large area dedicated to pleasure skating.

3. Staff be directed to release a procurement document by June 1st, 2025, for the design and construction of the proposed new amenities and the revitalization of existing amenities at Sandalwood Park.

Financial Support to be Extended to Niwass Long Term Care Facility

A motion was introduced with the following operative clause:

> Therefore, be it resolved;
>
> That the development charges for the Niwass Long-Term Care project be waived, with an estimated amount of $1,960,077.88 to be recovered through internal borrowing over a 10-year period, resulting in an annual repayment of $239,000, which is included in the 2025 Proposed Budget.

Council discussion took place regarding the purpose of the motion and equitable support for long-term care facilities.

The following motion was considered.

C016-2025
Moved by Regional Councillor Singh Toor
Seconded by Regional Councillor Kaur Brar

Whereas, Council approved a report on August 10, 2022 outlining the ‘Protocol for Evaluation of Incentives to Non-Profit Affordable Housing and Long Term Care Projects’ (Appendix 1);

Whereas, the report recommended that staff continue to review requests on a case-by-case basis using the Council endorsed evaluation criteria as an interim approach until such time as the City-wide CIP for Housing is established; and

Whereas, Niwass LTC had been identified in the report as one of the applicants that had requested for relief from Permit Fees and DCs in 2022 and satisfies all the stipulated evaluation criteria identified in the report

Therefore, be it resolved;

That the development charges for the Niwass Long-Term Care project be waived, with an estimated amount of $1,960,077.88 to be recovered through internal borrowing over a 10-year period, resulting in an annual repayment of $239,000, which is included in the 2025 Proposed Budget.

Howden – Active Transportation

The following motion was introduced:

1. That the 2025 Capital Budget be amended to include a new project in the amount of $170,000, to design the relocation of active transportation bike lanes from the road to the boulevard on Howden Boulevard between North Park Drive and Central Park Drive, with the funding source to be determined by the Treasurer; and

2. That the design be completed in time for construction funding to be requested in the 2026 Budget submission, subject to the Mayor’s consideration.

Committee discussion on this matter included the following:

- The Province's position on bike lanes
- Design of bike lanes
- Vision Zero and the need to prioritize safety
- Rationale and cost implications of moving bike lanes to the boulevard
- Concern regarding setting a precedent for bike lanes on boulevards
- Suggestion that public consultation be undertaken
- Request that Brampton-specific data on bike lane usage be included in the forthcoming mobility network update report

The following amendments to the motion were introduced and accepted by the mover:

- That staff report back regarding any implications related to safety of vulnerable users and traffic patterns in Brampton, should more lanes of traffic be added;
- That Vision Zero be incorporated into the design;
- That staff review the increase of service in addition to associated costs when bike lanes move to the boulevard to ensure the bike lanes are maintained in a similar manner to roads within Brampton;
- That staff be directed to undertake public consultation prior to the report coming back to Council for consideration.

The motion, as amended, was considered as follows.

C018-2025

- Based on per-capita funding, The City of Brampton, has been chronically underfunded for decades by other orders of government (regardless of Party) in numerous services like health care, transit, infrastructure, social services and more, relative to other municipalities across the country and province;

- Federal and Provincial elections are looming, and while the current governments have been great partners in announcing funding commitments like Brampton’s second hospital, Riverwalk, and Transit, we are barely catching up to the investments needed to support the city’s growth;

- From Dec 2018 – present, the Mayor and Council have flagged and advocated for Brampton’s fair share of funding from other orders of government given anecdotal evidence of an under-reported population, with population facts as of January 16, 2025, to now back it up;

- The City of Brampton has been an ongoing example of the need for a new municipal growth framework, as advocated at the Federation of Canadian Municipalities (FCM), for the Federal government and Provinces to provide sustainable and predictable funding and/or new revenue tools for municipalities to pay for growth;
- Without equitable, sustainable and predictable funding from other orders of government, this shortfall adds significant financial pressure on property taxes despite significant efforts in finding efficiencies;
- It is important to note that property taxes are calculated using the Current Value Assessment of a property, as determined by the Municipal Property Assessment Corporation (MPAC) NOT by population; and
- Based on population, the province balanced The City of Brampton's representation by allocating more seats to Brampton at the Region of Peel, but continues to be under-represented, particularly since Mississauga is still allocated more seats, representing a majority of votes, despite having a lower and declining population;

Therefore be it resolved that:

- Staff report back in February, on all areas where The City of Brampton falls behind on per-capita funding allocations and/or grants from other orders of government, with an objective to revitalize a Fair Share Campaign for Brampton; and
- The Mayor on behalf of the City of Brampton advocate to the provincial government for fair representation at the Region of Peel, given Brampton's population has surpassed that of Mississauga.

Technical Recommendations Budget 2025

Mayor Brown provided an overview of the technical recommendations.

The following motion was considered.

C020-2025
Moved by Mayor Patrick Brown
Seconded by Regional Councillor Vicente

1. That the City of Brampton Council endorse a 2025 net property tax levy variance of 2.9% on the Tax Bill for the City;

2. That the Treasurer be authorized to make all necessary transfers of amounts budgeted on a provisional basis in General Government accounts to Department operating accounts, as and when the necessary supporting information is available;

3. That the Chief Administrative Officer be authorized to affect the necessary funding transfers, incur expenditures, and add or adjust complement as required to implement the budget;

4. That the Capital Budget for Howden Recreation Centre, in the amount of $9,800,000, be shifted from the 2025 budget year to the 2026 budget year;

5. Notwithstanding Council Resolution C323-2023, as outlined in Section 6.10 e of Budget Policy FIN-140, that recommendations to return capital be deferred to the 2025 Q2 Capital Status Report to Council:

    6.10 e) Capital Projects or Activities that have been open for 3 years or longer and have no commitments against them are to be presented to Council, through the Second Quarter Capital Status Report, including a recommendation for closure with remaining funds returned to source. Projects with an external funding component or that are tied to funding by other levels of government will be exempt from this section as the budget or program is dependent on external factors not controlled by the City of Brampton;

6. That staff be directed to:

    - Waive the Residential Licensing fee for 2025,
    - Extend licenses that have been purchased prior to the enactment of this amendment by the same period that the waiver is in effect,
    - Amend Schedule 2 of the Residential Rental Licensing By-Law 216-2023 to a future Council meeting indicating the above direction;

7. That the Community Services 2025 Operating Budget be amended to include $95,000 in additional funding for the provision of year-round youth sports services;

8. That the 2025 and 2026 Capital Projects for Williams Parkway Reconstruction in the Proposed Budget be amended to align the funding sources of the projects with the latest 2024 DC Background Study, resulting in a shift from the current ratio of 95% Development Charges and 5% Reserve 4 – Asset Repair and Replacement to 80% Development Charges and 20% Reserve 4 – Asset Repair and Replacement.

CW009-2025

Whereas:

- It is a relief that Premier Ford was unharmed in the accident on the 401 in Pickering involving a reckless driver (age 18) from Oshawa on January 8, 2025 (Source: https://toronto.ctvnews.ca/ontario-premier-doug-ford-uninjured-in-highway-401-collision-says-his-office-1.7168982)

- In addition to tragic loss of life and injury, vehicle collisions cause higher auto-insurance rates, unwanted congestion, lost productivity, and significant costs associated with emergency response (police, fire, paramedics, hospital emergency rooms and healthcare);

- According to the OPP, there were more car collision-related deaths (**568**) on Ontario highways in 2023 than in any year since 2007, making it **the deadliest year in over 15 years** and "…it's so critically important that we

understand the rules of the road and we share the road safely, responsibly and understand the consequences for making a bad decision can be deadly." (Source: https://www.cbc.ca/news/canada/toronto/opp-number-fatalities-last-year-deadly-year-1.7204528);

- That same year 26,425 were injured in vehicle collisions according to the MTO Preliminary 2023 Ontario Road Safety Annual Report (Source: https://www.ontario.ca/files/2024-07/mto-orsar-preliminary2023-en.pdf)
- As of Thanksgiving 2024, the OPP notes that **296** drivers, passengers, pedestrians and cyclists died in car collisions, and the vast majority of those road incidents were preventable and attributed to poor and careless actions and behaviours (Source: https://barrie.ctvnews.ca/nearly-300-people-missing-from-thanksgiving-tables-opp-1.7070787), one-fifth involving a transport truck (as at July 2024 Source: https://www.baytoday.ca/local-news/one-fifth-of-fatal-collisions-in-2024-involve-transport-trucks-9177343)
- 2024 is the most dangerous year for pedestrians and cyclists who have been particularly at risk this year, with fatalities in these two road user classes up 100 per cent and 82 per cent respectively over this time last year (Source: https://www.mondaq.com/canada/rail-road-cycling/1565790/how-2024-has-quickly-become-the-deadliest-year-for-cyclists-and-pedestrians);
- By far, the most common type of conviction of the Highway Traffic Act (HTA) and cause for fatalities was speeding, representing 60.4% of all HTA convictions (Source: https://www.g1.ca/driving-statistics/);
- Peel Region had 25 fatalities due to car collisions - 13 in Brampton and 12 in Mississauga;
- The most dangerous places to drive in Ontario are Brantford (0.7/5), Kingston (0.7/5), Burlington (0.8/5)and Brampton (1.1/5), which impacts road safety and insurance affordability for everyone in these communities (Source: https://www.newswire.ca/news-releases/top-10-safest-and-most-dangerous-cities-to-drive-in-ontario-in-2024-889054846.html);
- From January to September 2024 the following traffic violation charges have been made by Peel Police:
- 632 careless driving charges (345 in Brampton, a 25% increase compared to Jan-Sep 2023)

- 559 cellphone use while driving charges (125 in Brampton, a 29% increase compared to Jan-Sep 2023)
- 6,367 speeding charges (830 in Brampton, a 117% increase compared to Jan-Sep 2023)
- 1,992 “Fail to Stop” at a stop sign charges (874 in Brampton, a 74% increase compared to Jan-Sep 2023);
- To mitigate speeding drivers, The City of Brampton has made historic investments in ASE cameras, an ASE processing centre, speed bumps, road diets, lower speed limits, police enforcement and other traffic calming measures, however like all municipalities, lacks jurisdiction over driver training and examinations, an area requiring urgent reform under the Provincial Government;
- Under the HTA, the Ministry of Transportation (Ministry) is responsible for protecting the public by restricting the privilege of driving to those who demonstrate that they have the necessary knowledge, skills and experience to drive safely;
- Ensuring that drivers receive appropriate and effective training and testing before they get a driver’s licence is a crucial step in keeping Ontario’s roads safe;
- The Auditor General (AG) conducted a value for money audit (AG Report) which includes 18 recommendations **(*summary attached to this motion*)** for the Provincial Government Ministry, published in December 2023 and concludes by highlighting:

  “Our audit concluded that the Ministry of Transportation did not have effective evidence-based driver examination programs to evaluate and test novice drivers thoroughly and consistently. The Ministry did not provide effective oversight of novice driver training and driver examination service providers to ensure desired service outcomes with due regard to economy. Ministry oversight of driving schools and instructors was limited. It does not regulate driver training services outside of the optional Beginner Driver Education program, curbing its ability to identify and/or deter substandard training practices within the industry. In addition, the Ministry’s monitoring programs were not designed to proactively identify drivers with repeat suspensions or high-risk medical conditions, impeding the effectiveness of these programs to maximize road safety in Ontario. (Source Page 4:

https://www.auditor.on.ca/en/content/annualreports/arreports/en23/AR_drivertraining_en23.pdf);

- In March 2024, CBC Marketplace broke an investigative story "Driving schools selling shortcuts to insurance discounts and faster road tests" where schools submit false information to government saying drivers completed 40 hours of training, consistent with concerning findings in the AG Report (Source: https://www.cbc.ca/news/business/marketplace-driving-schools-education-fee-1.7134557); and
- The provincial government has not provided a substantial update on any action taken regarding the recommendations in the AG Report to improve driver training and examination for safer drivers and improve safety on our roads.

Therefore be it resolved that:

1. The City Brampton endorse the Auditor General Value-for-Money Audit Driver Training and Examination Report (AG Report) - its findings and 18 recommendations to ensure that we have safe and qualified drivers on our roads; and

2. The City of Brampton share this motion and endorsement with the Premier, Minister of Transportation, all local MPPs, and the leaders of the official opposition and third party; and

3. The City of Brampton request a formal update from the provincial government and meeting with the Minister of Transportation regarding any action taken to date based on the recommendations described in the AG Report, particularly those that prioritize improved driver training and examination for safer drivers on our roads; and

4. The City of Brampton forward this motion and attachment to any cities or towns listed in the AG Report and the top dangerous cities in Ontario, encouraging them to pass a similar motion; and CC them in the follow-up correspondence to the province; and

5. The City of Brampton forward this motion, attachment, and follow-up correspondence to the Region of Peel, Peel Police, the Association of Municipalities of Ontario (AMO), Driving Instructors Association, and Young Drivers of Canada.

6. Staff report back with data to identify road safety hotspots with the intention to use the data strategically with Peel Police to improve Brampton's status as a safe city to drive.

7. Staff report back on bylaw enforcement tactics regarding driving instructors as referenced on page 22 of the AG Report: “In some municipalities, such as Brampton, municipal bylaw officers patrolled test routes and issued fines to driving instructors who lingered around exam routes.

10.6.3.

1. That the report from Carlos Gomes, Supervisor, Contracts, Road Maintenance, Operations and Fleet to the Council Meeting of February 5, 2025, re: **Request to Begin Procurement for Public Works Repairs East Side – Wards 3, 7, 8, 9 and 10**, be received; and

2. That the Purchasing Agent be authorized to commence the procurement for Public Works Repairs East Side.

12.1.

1. That the **Minutes of the Committee of Council Meeting of January 29, 2025**, to the Council Meeting of February 5, 2025, be received; and,

2. That Recommendations CW034-2025 to CW045-2025 be approved as outlined in the minutes.

14.2.

That the correspondence from Regional Councillor Medeiros, dated January 31, 2025, re. **Notice of Leave of Absence**, to the Council Meeting of February 5, 2025, be received.

15.1.

Whereas: The City of Brampton currently recognizes COR2020 as the sole verification of an occupational health and safety management system.

Whereas: The Ministry of Labour, Immigration, Training, and Skills Development recognizes both COR and ISO 45001 as accredited standards under the Supporting Ontario’s Safe Employers (SOSE) program;

Whereas: Promoting health and safety, ensuring fairness, and providing equitable access to the market are fundamental pillars of the City's procurement process.

Therefore, be it resolved that: The City of Brampton shall now accept both COR2020 and ISO 45001 as valid standards for demonstrating competency and compliance with an occupational health and safety management system.

15.2.

Whereas soccer is the most popular sport for young Canadians to play, according to a recent study (2023 Canadian Youth Sports Report), and the growth of soccer in Brampton for those of all ages continues to increase;

Whereas seven players on Canada's National soccer team that played in the recent World Cup are originally from Brampton, Ontario,

Whereas Atiba Hutchinson is a Brampton born professional soccer player and former Captain of the Men's Team Canada National Soccer Team who began his career playing with Brampton Youth Soccer Club on Brampton recreational fields, including those at Century Gardens Recreation Centre;

Whereas Atiba Hutchinson has had a renowned international soccer career, representing Brampton talent on the world athletic stage;

Whereas in 2022, Council approved the naming of the Century Gardens boxed soccer court to honor Atiba Hutchinson's remarkable athletic achievements and ongoing contributions to the Brampton community;

Whereas Atiba Hutchinson remains actively engaged in supporting the Brampton community, particularly in advancing youth athletics and soccer development;

Whereas the City of Brampton remains committed to fostering healthy and active lifestyles through investments in sports infrastructure and programs that engage youth and residents, in alignment with the City's Corporate Strategic Plan.

Therefore be it resolved that:

1. Council authorize the Commissioner of Community Services to initiate an exploration into the feasibility of creating an urban sports park or similar multipurpose sports venue(s) in Brampton;

2. This exploration should include the potential for a partnership with Atiba Hutchinson and Fusion Sports Parks Incorporated to design and develop the facility, inspired by successful urban sports parks around the world, including but not limited to LA Galaxy Park (https://lagalaxypark.com/) and;

3. The Commissioner of Community Services report back to Council with findings, including options for location, design concepts, estimated costs, funding opportunities, and community engagement strategies.

15.3.

Whereas the United Achievers' Club of Brampton Inc. was established in 1980 and incorporated as a non-profit organization in 1987; and

Whereas United Achievers' Club is dedicated to raising the profile and consciousness of Black and Caribbean communities in the wider society; and

Whereas the United Achievers' Club's community involvement has increased over the years to include a community services centre (now United Achievers' Community Services Inc.) and non-profit housing (United Achievers' Non-Profit Housing Corporation); and

Whereas the City of Brampton has supported United Achievers' Club through waiving facility rental fees for the 2024 Celebrity Men Who Cook event; and

Whereas the 2025 Celebrity Men Who Cook event is scheduled for April 26, 2025, at Century Gardens Recreation Centre;

Therefore Be It Resolved:

That the City's facility rental fees, for the annual Celebrity Men Who Cook event in support of United Achievers' Club, be waived for the scheduled 2025 event and planned 2026 event, during the current term of Council.

16.1.

That the Referred Matters List, to the Council Meeting of February 5, 2025, be acknowledged.

19.1.

That the following Closed Session minutes be acknowledged and the directions therein be deemed given:

19.1. Closed Session Minutes - City Council - January 22, 2025

19.2 and 19.3

That the following Closed Session items be acknowledged and the directions therein be deemed given:

19.2. New License Agreement

Open Meeting exception under Section 239 (2) (k) of the Municipal Act, 2001:

A position, plan, procedure, criteria or instruction to be applied to any negotiations carried on or to be carried on by or on behalf of the municipality or local board.

19.3. Update re: Proposed Property Acquisition

Open Meeting exception under Section 239 (2) (c) and (k) of the Municipal Act, 2001:

(c) a proposed or pending acquisition or disposition of land by the municipality or local board;

(k) a position, plan, procedure, criteria or instruction to be applied to any negotiations carried on or to be carried on by or on behalf of the municipality or local board.

Carried

The recommendations approved under Consent are as follows.

CW034-2025

That the agenda for the Committee of Council Meeting of January 29, 2025 be approved, as amended, as follows:

To Add:

7.2. Discussion Item at request of Regional Councillor Santos, re: Municipal Allocation of Land Transfer Tax and GST on Property Transactions

7.3. Discussion Item at request of Regional Councillor Santos, re: Preparing a “Made in Canada” Approach to Procurement in Response to US Tariff Threats

7.4. Correspondence from Minister Prabmeet Sarkaria, MPP Brampton South, re: Peel Village and Rooming Houses

CW035-2025

That the following items to the Committee of Council Meeting of January 29, 2025 be approved as part of Consent: **8.2.1, 8.2.2, 12.2.1, 13.1**

CW036-2025

That the presentation from Chris Ethier, Director, Municipal Transportation and Integration, Office of the CAO, to the Committee of Council Meeting of January 29, 2025, re: **Government Relations Matters**, be received.

CW037-2025

Whereas:

- Municipalities face growing infrastructure needs, including roads, bridges, public transit, water systems, and other critical services, which are essential to community well-being and economic development; and
- Current sources of municipal revenue, including property taxes and user fees, are insufficient to meet these increasing demands and costs for infrastructure investment and services; and
- Province of Ontario currently collects the Land Transfer Tax (LTT) on property transactions in municipalities across the province, generating significant revenue that is not directly shared with municipalities; and
- Federal Government collects the Goods and Services Tax (GST) on property transactions, a portion of which could be directed to municipalities to address local infrastructure needs; and
- Redistributing a portion of the Provincial LTT and GST to municipalities would provide a predictable and sustainable source of funding that is tied to growth, without creating a new tax burden on residents or homebuyers; and
- Redistribution of a portion of the existing LTT and GST would allow municipalities to better plan and invest in long-term infrastructure initiatives, supporting local economic growth and improving the quality of life for residents; and
- For decades, the City of Brampton and the Region of Peel, have been chronically underfunded by other orders of government and continues to advocate for fair share funding, and joins municipalities across the

province and country to advocate for a revised funding model and additional revenue tools; and

- The Federal and Provincial governments continue to enable the proliferation of ARUs (additional resident units) in the City of Brampton through criteria for funding programs and mandated legislation; and
- The City of Brampton is the 3rd most populous City in Ontario and 2nd in the GTHA, accommodating growth through mandated ARU provision, which requires additional infrastructure and city services such as fire and emergency services, bylaw enforcement, garbage collection, etc.; and
- ARU supply has “good intentions” – but can generate “unintended consequences” through additional strain on services (i.e. by-law enforcement, fire) to ensure quality and safe housing;

Now therefore be it resolved that:

1. The City of Brampton Council, join over 100 municipalities in formally requesting the Provincial Government to consider redistributing a portion of the LTT collected on property transactions to municipalities; and

2. The City of Brampton Council, calls on the Federal Government to allocate a percentage of the GST collected on property sales to municipalities; and

3. This redistribution of the LTT and GST should be structured to provide predictable and sustainable funding to municipalities, allowing for better long-term planning and investment in city services and infrastructure projects that benefit local communities, thus ensuring that local governments receive a fair share of the revenue to address critical infrastructure and service needs; and

4. Specific for the City of Brampton, requesting the redistribution of the Provincial LTT and GST to ensure Brampton get’s it’s fair share to pay for additional services associated with ARU accommodation to support Brampton’s significant growth; and

5. Copies of this resolution be forwarded to Prime Minister Justin Trudeau, Premier Doug Ford, the Ontario Minister of Finance, the Minister of Municipal Affairs and Housing, Leaders of the official opposition and third parties, local Members of Parliament (MPs) and Members of Provincial Parliament (MPPs); and

6. Copies of this resolution be forwarded to the Region of Peel Council, Federation of Canadian Municipalities (FCM), and the Association of Municipalities of Ontario (AMO) for their endorsement and advocacy.

CW038-2025

Whereas possible tariffs from the United States of America (US), would threaten local jobs and the economy in Brampton; and

Whereas other orders of government are preparing to respond to such threats; and

Whereas all municipalities like The City of Brampton, are major purchasers of goods and services; and

Whereas The City of Brampton purchasing bylaw upholds respect for trade agreements, with specific reference to CETA (between Canada and the EU), but nothing specific to the US.

Therefore be it resolved that, City staff report back as soon as possible, on a "Made in Canada" procurement policy exception in response to tariff threats from the US, should they be implemented; and this motion be forwarded to the Region of Peel Council, FCM and AMO; and

That a preliminary list identifying vulnerable sectors within Brampton be developed by February 6, 2025.

CW039-2025

That the correspondence from Minister Prabmeet Sarkaria, MPP Brampton South, to the Committee of Council Meeting of January 29, 2025, re: **Peel Village and Rooming Houses**, be **referred** to the February 24, 2025 Planning and Development Committee meeting for consideration.

CW040-2025

1. That the report from Dale Turpin, Supervisor, Contracts and Client Services, Facilities, Operations and Maintenance, Public Works and Engineering, to the Committee of Council Meeting of January 29, 2025, re: **Request to Begin Procurement for Preventative and Demand Maintenance Services for Arena Refrigeration Equipment at Various City Locations for a Three-Year Period – All Wards**, be received; and

2. That the Purchasing Agent be authorized to commence the procurement for Preventative and Demand Maintenance Services for Arena Refrigeration Equipment at various City locations for a three-year period with the renewal options for two additional one-year periods.

CW041-2025

BWAC004-2025

That Brampton Women's Advisory Committee do now adjourn to meet again on Thursday, April 17, 2025 at 7:00 p.m.

CW073-2025

Whereas, municipalities across the Province of Ontario, including Hamilton, London, and the Region of Waterloo, with populations smaller than the City of Brampton, are equipped with three or more hospitals to effectively deliver critical healthcare services to their residents;

Whereas, the City of Brampton, now the third-largest city in Ontario, is experiencing rapid population growth and a significant increase in demand for healthcare services, resulting in overcrowded hospital beds even after the construction of the second hospital, which is unable to meet the current and future demand;

Whereas, Brampton’s healthcare infrastructure is significantly strained, with hospital bed availability per 100,000 residents markedly below the provincial average, and the city has approximately 56% fewer hospital beds per person than the provincial average. Specifically, the provincial average is 220 hospital beds per 100,000 residents, while Brampton only has 96 beds per 100,000 residents, less than half the provincial figure, highlighting a pressing need for increased healthcare capacity;

Whereas, Brampton’s population is projected to grow by 300,000 to 400,000 new residents due to new housing targets, which will necessitate a proportional increase in healthcare services, including at least 660 new hospital beds to meet the rising demand;

Whereas, securing a provincial planning grant for a third hospital would send a strong signal to Brampton residents that their healthcare needs are a priority, helping to address the current strain on hospital capacity;

Therefore, be it resolved that:

1. Council advocate to the provincial government for the identification and acquisition of lands necessary for the establishment of a third hospital in Brampton;

2. Council requests that the provincial government prioritize the planning and funding for a third hospital, ensuring timely delivery of healthcare services to meet the needs of Brampton's residents and address the current strain on hospital capacity.

CW074-2025

That the following item be **referred** to February 26, 2025 Council meeting:

Discussion Item at the request of Regional Councillor Palleschi re: Development Charges for Office

CW075-2025

That Deputy Mayor Singh serve as Proxy for representation to the Region of Peel Council for the Leave of Absence period of Regional Councillor Medeiros.

CW076-2025

1. That the report from Cynthia Ogbarmey-Tetteh, Director, Human Resources, and Medhanie Tekeste, Chief Information Officer, Information Technology, Corporate Support Services, to the Committee of Council Meeting of February 19, 2025, re: **Budget Amendment and Request to Begin Procurement – Applicant Tracking System (ATS) for a Three (3) Year Period – Ward All**, be received;

2. That staff be authorized to proceed with the use of an existing enterprise system, as set out in this report, for the Applicant Tracking System (ATS);

3. That Council approve the return of surplus capital funds totaling $295,584 as detailed in the financial section of this report;

4. That a budget amendment be approved for project #201480-041 Employee Applicant Tracking System to increase the project by the amount of $295,584, with funding to be transferred from Reserve #4 Asset R&R; and,

5. That the Purchasing Agent be authorized to begin the limited tendering procurement for the Applicant Tracking System (ATS) for a Three (3) Year Period.

CW077-2025

That the Committee of Council do now adjourn to meet again on Wednesday, March 19, 2025, or at the call of the Chair.

15. Notices of Motion

15.1 Notice of Motion – Response to U.S. Tariff Threats and Support for Brampton's Local Economy

Mayor Brown and Regional Councillor Santos outlined proposed amendments to the motion, which were displayed for Council's reference, and outlined the purpose of the motion and amendments.

The motion, as amended, was considered as follows.

C053-2025
Moved by Mayor Patrick Brown
Seconded by Regional Councillor Santos

WHEREAS, the United States has announced its intent to impose tariffs on all Canadian goods destined for the U.S.;

WHEREAS, these proposed tariffs threaten the stability of local industries and businesses, particularly those in Brampton, and could severely impact our economy, workers, and trade relations with the U.S.;

WHEREAS the City of Brampton is committed to protecting its local businesses, ensuring fair trade practices, and maintaining a competitive environment for all industries;

WHEREAS, on January 29, a motion was passed regarding a "Made in Canada" procurement policy exception in response to tariff threats from the US, should they be implemented;

WHEREAS, KPMG's recent survey to Canadian Business leaders shares that 9 in 10 Canadian business leaders "wholeheartedly believe" that Canadian governments "must stand firm in protecting Canada's sovereignty and values" and that includes fighting tariffs with tariffs, and over 80% want a targeted, dollar-for-dollar retaliatory response;

WHEREAS the City of Brampton needs to send a clear message that Canada is committed to ensuring balanced and fair-trade relationships, ensuring that businesses in Brampton and across Canada are not unfairly impacted by U.S. tariffs.

THEREFORE, BE IT RESOLVED

That staff be directed to advocate for reciprocal tariffs to protect Brampton and Canadian industries,

That the City of Brampton collaborates with federal and provincial governments in championing policies that prioritize Brampton's businesses and workers and ensure that Canada's trade interests are effectively represented.

That City staff work with federal and provincial partners to ensure necessary support systems are in place for Canadian businesses to remain competitive in the global market and mitigate the impact of tariffs on key sectors.

That City staff advocate for federal financial support to help Canadian businesses offset shipping costs and access new markets

That City staff create the Mayor's Tariff Task Force to address the challenges and opportunities of the tariffs and strengthening the city's economy by:

- Developing a City to City strategy to engage local stakeholders in the U.S. market, including reaching out to U.S. businesses operating in Brampton; and US municipalities with common interest in protecting and strengthening our supply chain and exploring new opportunities.
- Exploring the diversification of Brampton's trade relationships and removing inter-provincial trade barriers to prioritize Canadian supply chain opportunities.
- That the City of Brampton Economic Development Office support ongoing efforts and plan to build and strengthen market opportunities outside the USA.
- That staff engage in public consultation and report back to Council with a business case study for the creation of a municipal services corporation

(MSC) to build relationships in new international markets and support the diversification of export markets for goods and services from Brampton.

THE CORPORATION OF THE CITY OF BRAMPTON

BY-LAW

Number _____- 2025

To provide for the consent for the transfer of power for waste collection services, excluding with respect to community recycling centres, within the geographic boundaries of the City of Brampton from The Regional Municipality of Peel to The Corporation of the City of Brampton

WHEREAS subsection 191(1) of the *Municipal Act, 2001,* S.O. 2001, c. 25, as amended (the "Act") permits a lower-tier municipality to pass a by-law to consent to the transfer of all or part of an upper-tier power from its upper-tier municipality to one or more of the lower-tier municipalities forming part of the upper-tier municipality and for transitional matters to facilitate the assumption of the upper-tier power;

AND WHEREAS subsection 191(2) of the Act provides that a by-law under subsection 191(1) shall not come into force unless,

(a) at least half of all the lower-tier municipalities forming part of the upper-tier municipality for municipal purposes, excluding the lower-tier municipality which passed the by-law, have passed resolutions giving their consent to the by-law;

(b) the total number of electors in the lower-tier municipalities which have passed resolutions under clause (a) and in the lower-tier municipality which passed the by-law form a majority of all the electors in the upper-tier municipality; and

(c) the council of the upper-tier municipality has passed a resolution giving its consent to the assumption of the power and a majority of all the votes on the council were cast in favour of the resolution;

AND WHEREAS on March 19, 2025, the Council for The Corporation of the City of Brampton passed Resolution _____ approving the transfer of waste collection powers, excluding with respect to the community recycling centres, in the City of Brampton from The Regional Municipality of Peel to The Corporation of the City of Brampton

AND WHEREAS on March 19, 2025, the Council for The Corporation of the City of Mississauga passed a resolution giving consent to this By-law;

AND WHEREAS on March 18, 2025, the Council for The Corporation of the Town of Caledon passed a resolution giving consent to this By-law;

AND WHEREAS the total number of electors in the municipalities of Brampton, Caledon and Mississauga form a majority of all the electors in the upper-tier municipality;

NOW THEREFORE the Council of The Corporation of the City of Brampton ENACTS as follows:

1. That waste collection services, excluding with respect to the community recycling centres, within the geographic boundaries of the City of Brampton shall be transferred from The Regional Municipality of Peel to The Corporation of the City of Brampton effective January 1, 2026 or on such other date agreed to in writing between The Corporation of the City of Mississauga and The Regional Municipality of Peel.

2. That transitional matters to facilitate the assumption of waste collection services, excluding with respect to the community recycling centres, from The Regional Municipality of Peel be provided for in accordance with an implementation plan agreed to in writing between The Corporation of the City of Brampton and The Regional Municipality of Peel, which shall include a staff implementation plan that includes rights of first offer of employment from the City of Brampton to Regional staff impacted by the transfer.

3. This By-law shall come into force when:

   a. at least half of all the lower-tier municipalities forming part of the upper-tier municipality for municipal purposes, excluding the lower-tier municipality which passed the by-law, have passed resolutions giving their consent to the by-law;

   b. the total number of electors in the lower-tier municipalities which have passed resolutions under clause (a) and in the lower-tier municipality which passed the by-law form a majority of all the electors in the upper-tier municipality; and

   c. the council of the upper-tier municipality has passed a resolution giving its consent to the assumption of the power and a majority of all the votes on the council were cast in favour of the resolution.

ENACTED and PASSED this 19th day of March, 2025.

That the presentation by Andrzej Hoffmann, Manager, Government Relations and Public Liaison, Office of the CAO, to the Committee of Council Meeting of March 19, 2025, re: **Government Relations Matters**, be received.

CW085-2025

Whereas the dissolution of provincial parliament on January 28, 2025, and the issuance of writs for a general election on February 27, 2025, terminated all parliamentary business, including consideration of The Peel Transition Implementation Act, 2024 (Bill 240);

Whereas sections 188-193 of the Municipal Act, 2001 (the "Act") contain provisions permitting transfers of certain powers from upper-tier to lower-tier municipalities;

Whereas one such power that can be transferred is with respect to waste collection; and;

Whereas the process to transfer the Region of Peel's powers in relation to waste collection to the City of Brampton under sections 191 and 192 of the Act involves the following processes:

- The City of Brampton must pass a by-law to provide for the transfer of Peel Region's powers with respect to waste collection to Brampton;
- at least half of the lower-tier municipalities of the Region of Peel (either the Town of Caledon or the City of Mississauga), but excluding the City of Brampton have passed resolutions giving their consent to the by-law;
- the total number of electors in the lower-tier municipalities which have passed resolutions (Caledon and/or Mississauga) and Brampton form a majority of all the electors in the Region of Peel;
- the council of the Region of Peel has passed a resolution giving its consent to the assumption of the power by Brampton and a majority of all the votes on the council were cast in favour of the resolution;
- Brampton shall enter into discussions with the Region to provide for transitional matters involved with the transfer;
- Brampton shall enter into discussion with Caledon regarding a shared service agreement for waste collection.

Therefore, be it resolved that:

1. In accordance with sections 188-193 of the Municipal Act, 2001 Brampton Council shall pass a by-law to consent to the transfer of the waste collection powers from the Region of Peel to its local municipalities directly, without awaiting provincial legislation. The by-law shall give effect to the transfer of waste collection powers from the Region to Brampton and transitional matters to

facilitate the assumption of the powers, excluding powers with respect to the community recycling centres located in Brampton;

2. Brampton shall enter into discussions with the Region to provide for transitional matters involved with the transfer, including a staff transition plan that shall include rights of first offer of employment from Brampton to qualified Regional staff impacted by the transfer;

3. Brampton, Mississauga and Caledon agree to honour the existing contract for waste collection services that is in place until the end of Sept 2027 and continue to contribute under the current agreement where required;

4. Brampton and Caledon shall develop a contract to jointly deliver waste collection services where Caledon provides Brampton the waste collection levy that it currently pays to the Region of Peel, including growth and CPI increases, to maintain its current waste collection services, with work following the Region of Peel's existing timeframe for contract development to vendor start date (Mar 2025-Oct 1, 2027);

5. Brampton passes a motion in support of the transfer of the waste collection from the Region of Peel to the City of Mississauga;

6. Brampton passes a motion in support of the transfer of the waste collection from the Region of Peel to the Town of Caledon;

7. This motion be presented to the Region of Peel at the Council meeting of March 20, 2025 in relation to the transfer of waste collection from the Region of Peel to Brampton, Mississauga and Caledon;

8. All necessary by-laws be enacted;

9. Staff from the Region of Peel, City of Brampton, City of Mississauga, and Town of Caledon strike a group to immediately begin work and report back with a detailed breakdown of the current and future forecasted Regional Planning Waste budget by municipality, including:

Operational costs including staffing breakdown and Expenditures, including funding sources and staffing breakdown

- Approved and Forecasted Capital Budgets and Funding Sources
- Related Reserve Balances and annual funding contributions
- Existing Purchase Orders, including contract duration and status of spending and balance to date

- Current operational logistics, policies, and Standard Operating Procedures (SOPs) related to waste collection
- Value of assets for each municipality
- Identification of all other funding sources
- Waste collection contracts
- Key Performance Indicators (KPIs)
- Tax levy allocation from each local municipality and the methodology used to determine these values

CW095-2025

That the following proposed motion, as amended to remove cost recovery for non compliance, be **referred** to staff for consideration and report thereon:

> “Moved by Councillor Vicente
>
> Whereas fire hydrants are a critical component of Brampton’s emergency response infrastructure, providing firefighters with immediate access to water in the event of a fire;
>
> Whereas heavy snowfall and uncleared hydrants can delay emergency response times and put lives and property at risk;
>
> Whereas Brampton Fire and Emergency Services may experience difficulty locating or accessing fire hydrants due to snow accumulation following major winter storms; and
>
> Whereas the Ontario Fire Code Regulation 213/07 requires hydrants to remain clear and unobstructed at all times, and municipalities such as Ottawa, Toronto, and Hamilton require property owners adjacent to

hydrants to maintain necessary clearance around them, free from snow, and other obstructions;

Therefore be it resolved that staff be directed to develop a by-law requiring the nearest property owner to a hydrant in Brampton to be responsible for ensuring it remains clear of snow and accessible at all times during the winter months; and

Further be it resolved that staff explore appropriate enforcement measures and implement a public awareness campaign to educate residents on the importance of keeping hydrants clear for community safety."

CW105-2025

Whereas Brampton's housing strategy, Housing Brampton, identifies the need to increase the supply of affordable and purpose-built rental housing across the city;

Whereas Housing Brampton outlines six guiding principles, including collaboration with the non-profit sector, and Niwaas Living, a Brampton-based non-profit organization, exemplifies this principle through its commitment to delivering community-focused housing solutions;

Whereas the City has committed to a Housing Pledge to support the creation of 113,000 new housing units by 2031;

Whereas there is a shortage of purpose-built rental housing in Brampton, and affordable rental units play a crucial role in ensuring a diverse and accessible housing supply for residents;

Whereas on August 12, 2024, Niwaas Living delegated to the Planning and Development Committee, seeking collaboration with the City on both of their projects, leading Council to direct staff to explore opportunities for municipal support;

Whereas City staff have reviewed the Niwaas Affordable Rental Project in ward 3 under the Council-endorsed Community Improvement Plan (CIP) for affordable housing;

Whereas the project will deliver 90 purpose-built family rental units along the newly announced Hazel McCallion LRT extension, aligning with Council's vision for transit-oriented development;

Whereas Niwaas Living has a proven track record in delivering community-based projects, including a 160-bed long-term care facility at 380 Fernforest Drive, which has received provincial and municipal funding and remains on time and on budget;

Whereas 40 of the 90 family rental units meet the affordability criteria established under the Council-endorsed CIP, and the development will incorporate geothermal technology to achieve key sustainability metrics;

Whereas the project qualifies for $10,800,000 in funding under the Community Improvement Plan (CIP) for affordable housing; and

Whereas the Niwaas Affordable Rental Project has reached key development milestones and is close to shovel-ready, with construction expected to begin within 30 days, pending financing;

Now Therefore Be It Resolved:

1. That the Commissioner of Planning, Building and Growth Management, City Solicitor, and Treasurer be delegated the authority to enter into and execute a contribution agreement for Niwaas' Affordable Rental Project, totaling approximately $10,800,000;

2. That a new capital project be established for Niwaas Affordable Rental – in ward 3 to construct 40 affordable housing rental units, in the amount of $10,800,000, to be funded through the Building Faster Fund and Housing Accelerator Fund, along with identified return of capital; and

3. That the Treasurer be authorized to transfer funding from reserves and close identified capital projects to fund the new capital project.

PDC045-2025

1. That the report from Carolyn Crozier, Strategic Leader, Office of the Commissioner, Planning, Building and Growth Management to the Planning and Development Committee meeting of April 7, 2025, re: Surety Bonds for Development Agreements (RM 34/2024), **be received**; and

2. Whereas on November 19, 2024, the Province of Ontario enacted Ontario Regulation 461/24: Surety Bonds, under Section 70.3.1 of the Planning Act, stipulating that a surety bond may be used to secure an obligation imposed by the City that is required to be secured as a condition to an approval in connection with land use planning;

   Whereas the Surety Bond Regulation does not contain retroactive wording or a transition provision providing for the swapping of existing securities for Surety Bonds;

   Whereas the City sees benefit in providing a defined period for which existing securities in connection with land use planning, typically provided by Letters of Credit, may be swapped out or replaced by Surety Bonds;

   Therefore be it resolved that Council direct staff to make provision to permit swaps of existing securities in connection with land use planning with Surety Bonds where the following conditions are met:

   i. that the Letter of Credit was received by the City on, or after, November 19, 2022; and,

   ii. ownership has remained unchanged since the Development Agreement was executed; and,

   iii. the developer is not involved in litigation against the City.

PDC046-2025

That the Minutes of the Brampton Heritage Board meeting of February 18, 2025, Recommendations HB001-2025 – HB007-2025, to the Planning and Development Committee Meeting of April 7, 2025, be approved.

HB002-2025

1. That the report from Arpita Jambekar, Heritage Planner, Integrated City Planning to the Brampton Heritage Board Meeting of February 18, 2025, re: **Heritage Impact Assessment for 17-35 Railroad Street, Ward 1**, be received;
2. That the Heritage Impact Assessment-17-35 Railroad Street, Brampton by Stantec, dated January 21, 2025 be received;
3. That the following recommendations per the Heritage Impact Assessment by Stantec be followed:
    1. The following Design guidelines for mitigating the impacts of the proposed development shall be incorporated into the proposed development:
        1. Plan and Form
        2. Architectural Style and Detailing
        3. Building Materials
        4. Landscaping
        5. Commemoration
    2. Site plan controls and vibration monitoring for adjacent properties be developed and implemented including:
        1. Isolation of properties from construction-related activities.
        2. Mapping showing all adjacent properties are to be included in the engineering and construction plans.
        3. Stabilization measures and protective barriers be installed during prior to commencement of construction activities.
        4. Vibration studies are to be completed by a qualified geotechnical engineer or vibration specialist.
    3. That a Documentation and Salvage Plan for 59 Elizabeth Street North and the Railroad CHL be prepared prior to issuance of permits for any demolition works; and,

HB003-2025

1. That the report from Tom Tran, Heritage Planner, Integrated City Planning, to the Brampton Heritage Board Meeting of February 18, 2024, re: **Heritage Impact Assessment, 30 James Street – Ward 3**, be received;
2. That the Heritage Impact Assessment for 30 James Street prepared by AECOM dated December 16, 2024 be deemed complete; and,
3. That the following recommendations as per the Heritage Impact Assessment: 30 James Street be received and followed:
    i. If it is demonstrated that relocation of the house is not feasible due to no prospective buyers or structural concerns, a Documentation & Salvage Plan and Commemoration Plan must be completed following City's Terms of Reference and accepted by Heritage Staff prior to the issuance of the demolition permit.
    ii. That the project team has confirmed that relocation is not a feasible option due to lack of available sites for relocation both within and beyond the footprint of the project and therefore Documentation and Salvage with Commemoration are the recommended mitigation options.
    iii. That the salvaged materials from 30 James Street be meaningfully incorporated as part of the commemoration strategy.
    iv. That the commemoration strategy celebrates the cultural heritage significance of 30 James Street as well as the evolution of the Etobicoke Creek flood diversion channel and its wider influence on downtown Brampton.
    v. That the commemoration strategy be prominently featured at the southern end of the Etobicoke Creek Diversion channel, ensuring access and visibility to the public.
    vi. That the commemoration strategy incorporate a memorial and other physical or landscaping features that will complement and enrich the Riverwalk project for the enjoyment and benefit of the future generation and community.

The meeting was called to order at 1:15 p.m. and adjourned at 1:33 p.m.

1. Call to Order

Mayor Brown and Genevieve Scharback, City Clerk, confirmed that all Members were present in the meeting, with the exception of Regional Councillor Medeiros (other municipal business).

2. Approval of Agenda

Mayor Brown outlined the purpose for the special meeting and noted that, in accordance with Council's meeting rules, no new business could be added to the agenda at this meeting.

Mayor Brown also reviewed the agenda items during this section of the meeting and allowed Members to identify agenda items for debate and consideration, with the balance to be approved as part of a Consent Motion.
The following items marked with a caret (^) were considered to be routine and non-controversial by Council and were approved as part of the Approval of the Agenda/ Consent Motion below: 5.2, 5.3, and 7.1.

The following motion was considered.

C085-2025
Moved by Regional Councillor Singh Toor
Seconded by City Councillor Power

That the agenda for the Special Council Meeting of April 17, 2025 be approved as published and circulated; and

That the following items be approved on Consent: 5.2, 5.3, 7.1:

5.2

1. That the report from Melinda Yogendran, Principal Planner/Supervisor, Integrated City Planning, to the Special City Council Meeting of April 17, 2025, re: **Home Opportunities Loan Agreement**, be received;

2. That Council approve the Loan Agreement between the City of Brampton and Home Opportunities for 10124 Mississauga Road, included in this report as Attachment 1; and

5.1 Summary of Recommendations - Brampton Heritage Board - April 15, 2025

Regional Councillor Palleschi noted concerns that had been raised by a delegation at the Brampton Heritage Board meeting of April 15, 2025, with regard to the degree of communications that had been undertaken with respect to HB011-2025, indicating that he and Councillor Brar would like the associated staff report referred back to staff for further discussion.

The motion was considered as follows.

C086-2025
Moved by Regional Councillor Vicente
Seconded by City Councillor Power

1. That the **Summary of Recommendations from the Brampton Heritage Board Meeting of April 15, 2025**, to the Special Council Meeting of April 17, 2025, be received; and,

2. That Recommendations BHB008-2025 to BHB010-2025 and BHB012-2025 to BHB015-2025 be approved as outlined in the summary;

3. That HB011-2025 be stuck out and replaced with the following:

   HB011-2025

   1. That the delegation by Renji Abraham and Sudha Abraham, Brampton residents, to the Brampton Heritage Board meeting of April 15, 2025, re: **Consideration of Objection to Notice of Intention to Designate 18 River Road, under Part IV of the Ontario Heritage Act - Ward 6,** be received;

   2. That the report by Arpita Jambekar, Heritage Planner, Integrated City Planning, to the Brampton Heritage Board meeting of April 15, 2025, re: **Recommendation Report for Consideration of Objection to Notice of Intention to Designate 18 River Road under Part IV of the Ontario Heritage Act – Ward 6**, be referred back to staff for further consideration and communication with residents.

Carried

Regional Councillor Keenan raised the need for an additional motion with regard to a delegation to the April 15, 2025 Brampton Heritage Board meeting, with respect to a request for a repeal of Designation By-law 33-2006 for 133 Main Street South (Kirkwood), which was considered as follows.

C087-2025
Moved by Regional Councillor Keenan
Seconded by Regional Councillor Palleschi

Whereas the City of Brampton has an ambitious housing pledge target enabling the construction of 113,000 new homes by 2031.

Whereas the City has received a pre-consultation development application for 127 and 133 Main Street South, consisting of a 15 story building with 231 units.

Whereas the property at 133 Main Street South (Kirkwood) is Designated by By-Law under Part IV of the Heritage Act and 127 Main Street South is Listed on the City of Brampton's Heritage Inventory.

Whereas the applicant has delegated to the April 15, 2025 Brampton Heritage Board requesting a repeal of Designation By-law 33-2006 for 133 Main Street South (Kirkwood).

Whereas the Brampton Heritage Board referred the delegation to staff to report back on the Heritage Impact Assessment Terms of Reference.

Whereas the applicant has committed to retaining and incorporating elements of 133 Main Street South house in their design for the redevelopment.

Whereas the Provincial and Federal Governments' commitment to funding the Hurontario LRT along Main Street, reinforce the appropriateness for intensification and redevelopment along the Main Street South corridor

Now Therefore Be It Resolved that:

1. The Clerk's Office issue a Notice of Intention to Repeal By-law 33-2006 as required under Section 32(2) of the Ontario Heritage Act.
2. That staff be directed to work with the applicant to identify an appropriate approach to redevelopment that supports the retention and conservation of the heritage resources on the property to the greatest extent possible while supporting the redevelopment of the property.
3. A Heritage Impact Assessment that meets the City of Brampton Heritage Impact Assessment Terms of Reference will be required as part of the complete application for the property and will be presented to the Brampton Heritage Board following the 30-day Public Notice Period as required under Section 32(5) of the Heritage Act.

Michael Miele, Manager, Sponsorship and Corporate Development, highlighted the new sponsorship with Amazon. Amazon's sponsorship is the first sponsor and has contributed to the continuation of the 2025 Brampton Youth Pass. Mr. Miele advised that applications have been received for over 60 per-cent of the available spots and encourage others interested to apply.

7. Public Delegations and Staff Presentations (5 minutes maximum)

7.1 Delegations re: Item 10.4.1 - Staff Report re: Information Report – Response to Delegations on Committee of Adjustment Fees

Item 10.4.1 was brought forward and dealt with at this time.

Wilson Christian, Brampton Resident, provided remarks on the implementation of the new application process and the effect it had on his application that was submitted prior to the new fees, due to the City's labour disruption. Mr. Christian asked Council to impose the old fees for his application, as it was submitted prior to the new fee structure.

Kathleen McDermott, Brampton Resident, expressed gratitude that the community's voices have been heard and remarked that they have seen the positive impact in Wards 3 and 4. Ms. McDermott remarked that the new fees allow the City to have adequate cost recovery and that the City's driveway widths are more than adequate. Ms. McDermott asked whether the Strong Mayor Powers will be used to ensure the fees stay in place.

Councillor Medeiros remarked he was in support of the increased fees and inquired as to whether or not there were evaluation or performance measures that could be shared with residents.

The following motion was considered.

C104-2025
Moved by Regional Councillor Santos
Seconded by Regional Councillor Kaur Brar

8. Government Relations Matters

8.1 Staff Update re: Government Relations Matters

Councillor Palleschi remarked that he would like staff to undertake to look at extenuating circumstances where individuals demolish the existing home and rebuild on the same lot, that do not create exponential demand on parkland and existing infrastructure. Councillor Palleschi put forward the following motion for consideration.

> *Whereas Bill 17, "Protect Ontario by Building Faster and Smarter Act",2025 is designed in part to accelerate infrastructure and housing development; reduce red tape and administrative delays;*
>
> *Whereas the City of Brampton has and continues to support innovative housing solutions that support smart and responsible growth that is affordable and cost-effective to deliver;*
>
> *Whereas the redevelopment of a single lot can create opportunities to accelerate housing development but may not always create exponential demand on parkland and existing infrastructure;*
>
> *Now Therefore Be It Resolved that as part of staff's forthcoming analysis on Bill 17, particular attention be given to the impacts and opportunities the legislation presents for private property owners undertaking redevelopment of their own lots, including streamlined approvals for minor variances, reduced study requirements, deferral of development charges, and other measures that may facilitate gentle intensification and more efficient small scale project delivery*.

Steve Ganesh, Commissioner, Planning, Building and Growth Management, remarked that Bill 17 speaks to an overhaul of the development charges regime and revenue-generating tools such as cash in lieu of parkland. The motion would give staff the ability to do research regarding the request and report back to Council.

The following motion was considered.

C107-2025
Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Kaur Brar

1. That the staff update re: **Government Relations Matters**, to the Council Meeting of May 14, 2025, be received; and

10.2.2 Staff Report re: Closed Session Meeting Protocol Updates

Councillor Palleschi remarked on the roles and responsibilities of closed session and requested that the City Solicitor be included.

Mayor Brown clarified that the original basis was to ensure that closed session material was not inadvertently leaked out. If the matter is of a sensitive nature closed session will be held in person, and the closed session material be distributed in-person as an extra measure of caution.

Genevieve Scharback, City Clerk, clarified that the in-person closed session is to be determined in consultation with both the Mayor and City Solicitor.

Councillor Medieros suggested that notification as to whether the closed session will be held in person or hybrid be communicated accordingly, and not on the morning of the meeting.

Genevieve Scharback advised that members of Council will be notified as soon as we receive an item of such nature.

The following motion was considered.

10.2.3 Staff Update re: Update on Consultations re. New Mobile Licensing By-law

Regional Councillor Keenan declared a conflict on this item. (Family owns a restaurant.

Regional Councillor Kaur Brar declared a conflict on this item. (Family members who are taxi drivers.)

Rob Higgs, Director, Enforcement & By-Law Services, provided an update on Consultations regarding the new Mobile licensing by-law that included the following:

- Public consultation sessions 1 and 2:
    - Primary major transit station areas (MTSAs)
    - Distance limitation (current 50m)
    - Implementation period
    - Clarification on food trucks vs. food trailers

Mr. Higgs, outlined the following for Council's consideration:

- Remove MTSA component altogether and place in Zoning Bylaw
- Keep MTSA but no net-new food trucks in MTSA
- Grandfather food trucks whose only contravention is an MTSA location
- Cap current number of food trucks to current, renewals and those currently in process
- Distance between trucks: 1-3 = 5m, 4+ = 10m
- Distance from restaurant: 1-3 = 50m, +25m for each additional food truck

Mayor Patrick Brown sought clarification from staff that if the changes were accepted, there would be no food trucks in the downtown core, where Council has been inundated with complaints.

Mr. Higgs confirmed that was correct if certain ones were put in place. Staff was looking for direction with respect to which direction Council would like to proceed.

Deputy Mayor Singh suggested that the report be referred back to staff for further consideration.

The following motion was considered.

C109-2025
Moved by Deputy Mayor Singh
Seconded by Regional Councillor Vicente

10.4.3 Staff Report re: Niwaas Bramalea Application for Funding - Capital Grant Application under the City-Wide CIP for Affordable Housing – 11556 Bramalea Road

Mayor Patrick Brown remarked that the item was held until there was clarification regarding whether the housing accelerator funding would be continued after the Federal election. The work undertaken through the housing accelerator fund has been incredible across the city.

Deputy Mayor Singh put forward the following motion for consideration.

1. *That the report from Mahsa Koushki, Policy Planner III, Integrated City Planning, Planning, Building and Growth Management, to the City Council Meeting of May 14, 2025, re:* ***Niwaas Bramalea Application for Funding****, be received;*

2. *That a budget amendment be approved for capital project #257831-002 in the amount of $14,040,000, with funding to be transferred from the Housing Accelerator Fund to Niwaas' Affordable Rental Project at 11556 Bramalea Road; and*

3. *That the Commissioner of Planning, Building and Growth Management and Treasurer be delegated the authority to enter into and execute a contribution agreement (and other necessary documents) for Niwaas' Affordable Rental Project, in a form acceptable to the City Solicitor or designate.*

Councillor Keenan expressed his support for the funding and sought clarification from staff that this application followed the same guidelines as other applications and that the other organizations are also receiving their funding.

Steve Ganesh, Commissioner, Planning, Building and Growth Management, confirmed that the Council endorsed housing CIP program will leverage money from the housing accelerator funding, all protocols and practices in previous examples and brought before Council will apply.

Councillor Palleschi asked for clarification regarding whether Home Opportunities has received its funding.

Steve Ganesh, Commissioner, Planning, Building and Growth Management, advised that direction has been received to begin distributing funding in stages to Home Opportunities and called upon staff for further details

Melinda Yogendran, Supervisor, Principal Planner, provided additional details regarding the distribution of the funding.

Councillor Palleschi put forward an amendment to the motion to include the following:

> *That no funding be advanced for this project, or any other similar projects, until such time and the funding has been transferred for the Home Opportunities project.*

Steve Palleschi, Commissioner, Planning, Building and Growth Management, confirmed that the agreement with Home Opportunities has specific milestones in

which they receive the money as opposed to a lump sum payment up front and confirmed the money is secured for the organization.

Nash Damer, Treasurer, outlined the details in the agreement with Home Opportunities.

Councillor Palleschi withdrew the amendment from consideration to allow for further discussion.

The following motion was considered.

That the Minutes of the Brampton Heritage Board meeting of April 15, 2025, Recommendations HB008-2025 – HB0015-2025, to the Planning and Development Committee Meeting of May 12, 2025, be approved.

The recommendations were approved as follows:

HB008-2025

That the agenda for the Brampton Heritage Board Meeting of April 15, 2025, be amended:
To add:

6.2. Delegation by Peter Epler, Division Manager, Archaeologist Research Associates, re: City of Brampton Archaeological Management Plan (BRAMP)

Project Update
(See Item 10.1)

6.3. Delegation by Renji Abraham and Sudha Abraham, Brampton Residents, re: Consideration of Objection to Notice of Intention to Designate 18 River Road, under Part IV of the Ontario Heritage Act - Ward 6
(See Item 8.1)

HB009-2025

1. That the delegation from Zoe Sotirakos and Nick Bogaert, Development Manager and Associate Heritage Planner, re: **127 and 133 Main Street South - Repeal of Designation for 133 Main Street South**, to the Brampton Heritage Board Meeting of April 15, 2025, be received; and

2. That the matter be referred to staff for further consideration and a report back to Brampton Heritage Board on May 20, 2025.

HB010-2025

1. That the delegation by Peter Epler, Division Manager, Archaeological Research Associates Ltd, re: **Completion of the City of Brampton Archaeological Management Plan (BRAMP)** be received;

2. That the report by Charlton Carscallen, Principal Planner, Heritage, Integrated City Planning to the Brampton Heritage Board meeting of April 15, 2025, re: Completion of the City of Brampton Archaeological Management Plan (BRAMP), be received; and,

3. That Brampton Heritage Board receive the BRAMP for their review and include a discussion as an agenda item at the meeting on May 20, 2025, for consideration of next steps.

HB011-2025

1. That the delegation by Renji Abraham and Sudha Abraham, Brampton residents, to the Brampton Heritage Board meeting of April 15, 2025, re: **Consideration of Objection to Notice of Intention to Designate 18 River Road, under Part IV of the Ontario Heritage Act - Ward 6,** be received;

2. That the report by Arpita Jambekar, Heritage Planner, Integrated City Planning, to the Brampton Heritage Board meeting of April 15, 2025, re: Recommendation Report for Consideration of Objection to Notice of Intention to Designate 18 River Road under Part IV of the Ontario Heritage Act – Ward 6, be received; and,

3. That the Brampton Heritage Board recommend that the City Council not withdraw the Notice of Intention to Designate and proceed with the designation process under Part IV of the Ontario Heritage Act.

HB012-2025

1. That the report by Tom Tran, Heritage Planner, Integrated City Planning, to the Brampton Heritage Board meeting of March 18, 2025, re: Cultural Heritage Evaluation Report and Heritage Impact Assessment, 41- 45 Mill Street North and 32 - 34 Park Street – Ward 1, be received;

2. That the Cultural Heritage Evaluation Report and Heritage Impact Assessment, 41-45 Mill Street North and 32-34 Park Street dated February 18th, 2025 be deemed complete;

3. That the following recommendations as per the Cultural Heritage Evaluation Report, 41-45 Mill Street North and 32-34 Park Street be received:

    1. That the property at 43 Mill Street North be deemed to have met one criterion under O. Reg. 9/06 (criterion 2) for design/physical value, as the building is considered to exhibit atypically high craftsmanship, in the use of local clinker brick in a tight Flemish bond.

    2. That all five properties comprising the Site (41, 43, 45 Mill Street North and 32, 34 Park Street) and the adjacent listed property at 39 Mill Street North be deemed not to have met two or more O. Reg. 9/06 criteria. They are thus not considered candidates for designation under the Ontario Heritage Act.

4. That the following recommendations as per the Heritage Impact Assessment, 41-45 Mill Street North and 32-34 Park Street be received and followed:

    1. That the materiality of the new students residence building be compatible to the prevailing materiality of the buildings in the Nelson Street West Character area, specifically 40 and 44 Mill Street North.

    2. That a clinker brick pattern be incorporated on sections of the west and north elevations of the proposed building to recognize the identified cultural heritage attribute 43 Mill Street.

- That a landscape strategy be implemented along the Mill Street North elevation to respond to the residential character of the streetscape,

helping to further integrate the proposed building into the neighbourhood and mitigate its visual impact.

1. That a plaque be installed on or adjacent to the building on Mill Street North that commemorates the masonry treatment and its significance to the Arts and Crafts architectural style, specifically acknowledging the clinker brickwork as an historic design approach, and its use and significance in Brampton.

5. That the demolition of 41-45 Mill Street North and 32-34 Park Street is allowed to move forward. A scoped documentation and salvage plan for the clinker bricks should be prepared and accepted by Heritage Staff prior to the issuance of the demolition permit for 43 Mill Street North.

HB013-2025

1. That the report by Tom Tran, Heritage Planner, Integrated City Planning, to the Brampton Heritage Board meeting of April 15, 2024, re: **Heritage Impact Assessment, 10300 Highway 50 – Ward 10,** be received;

2. That the Heritage Impact Assessment, 10300 Highway 50 dated December 12, 2024, be deemed complete;

3. That the following recommendations as per the Heritage Impact Assessment, 10300 Highway 50, to address the indirect impacts of the development on the adjacent listed property at 10192A Highway 50 be received and followed:

    1. To mitigate the potential impacts related to the disruption of the visual setting of the farmhouse from the surrounding rural agricultural landscape, it is recommended that a landscape plan is developed to include a planted buffer to screen the concrete wall from the heritage property. Where required, fencing must be complimentary and sympathetic to the heritage character of the subject property (e.g. black Clear View fence). Non-sympathetic fencing (e.g. chain link fence) must be avoided. A landscape plan developed by WSP is presented in Appendix C.

    2. To mitigate the potential vibration impacts resulting from nearby heavy traffic, grading, and construction activities, WSP recommends that a qualified vibration specialist be consulted to develop an appropriate vibration monitoring program to avoid or reduce impacts to the structure.

4. That Heritage Staff proceed with preparing a recommendation report for the designation of the property at 10192A Highway 50 under part IV of the Ontario Heritage Act.

HB014-2025

That the correspondence from Donna Ruttle, Resident to the Brampton Heritage Board meeting of April 15, 2025, re: **Historic Bovaird House Closure** be received.

HB015-2025

That the Brampton Heritage Board do now adjourn to meet again on Tuesday, May 20, 2025 at 7:00 p.m. or at the call of the Chair.

PDC067-2025

Whereas the Board of Directors at Credit Valley Conversation (CVC) approved the Credit Valley Trail Strategy in 2017;

Whereas the Credit Valley Trail Strategy aims to establish a 100-kilometre pathway through the Credit River Valley that spans Orangeville, Caledon, Halton Hills, Mississauga and Brampton;

Whereas within the City of Brampton, the Credit River Watershed runs from north-west Brampton to south-west Brampton; and

Whereas the CVC will be relying on its municipal partners to support the implementation of the Credit Valley Trail Strategy;

Therefore be it resolved:

That the City affirm support for the Credit Valley Trail Strategy and work with CVC to develop a workplan that identifies immediate candidate parcels along with lands suitable for longer-term inclusion in the trail strategy;

That the workplan include resources and costing to develop a land catalogue and a list of necessary future studies (such as surveys, appraisals or environmental assessments); and

That staff report back to Council before September 2025 with the workplan, including any immediate candidate parcels identified through a high-level desktop exercise.

PDC068-2025

That the Planning and Development Committee do now adjourn to meet again for a Regular Meeting on Monday, May 26, 2025 at 1:00 p.m. or at the call of the Chair.

1. That the report from Arjun Singh, Planner, Development Services, to the Planning and Development Committee Meeting of May 26, 2025, re: Modifications to Growth Management Staging and Sequencing Strategy for Secondary Plan 47 - Sub Area 3A, **be received**;

2. That **Council support staff recommendation** to approve the modification request to create Sub Area 3A – Phase 1 within the Growth

Management Staging and Sequencing Strategy for Secondary Plan 47; and

3. That **staff be directed to continue to work with Corbett Land Strategies** to implement the changes to the Growth Management Staging and Sequencing Strategy for Secondary Plan 47 and make any required modifications to the Conditions of Draft Approval for both File: OZS-2023-0001 (Sheridan Capital Management) and File: OZS-2021-0047 (Emerald Castle Developments).

PDC076-2025

That the Summary of Recommendations of the Brampton Heritage Board meeting of May 20, 2025, Recommendations HB016-2025 – HB017-2025 and HB019-2025 – 24-2025, to the Planning and Development Committee Meeting of May 26, 2025, **be approved**; and

That Recommendation HB018-2025, **be approved**, as amended, as follows:

HB018-2025

1. That the delegation by Jason Aphonso, Partner, Glen Schnarr and Associates, on behalf of Bruce and Shirley Reed, to the Brampton Heritage Board meeting of May 20, 2025, re: Heritage Resource at 10294 Heritage Road be received; and,

2. Whereas the City of Brampton has signed a municipal housing pledge to meet 113,000 residential units by 2031;

Whereas the Heritage Heights Secondary Plan has a projected population of 134,000 people with approximately 50,000 housing units;

Whereas the current housing shortage in Brampton is a key driver to streamline development application processes to approve housing starts in Heritage Heights;

Whereas the Province of Ontario continues to pass legislation encouraging municipalities to streamline development approvals to build complete communities faster;

Whereas the Cultural Heritage Evaluation report prepared for 10294 Heritage Road concludes the subject property in it’s entirety (including structures, buildings, etc.) does not meet the criteria for heritage designation;

Whereas adding additional layers of process to undertake a review of a heritage impact assessment for 10294 Heritage Road is not an effective use of time and staff resources given findings of the Cultural Heritage Evaluation Report;

Whereas the proposed development of the subject lands does not facilitate long term preservation or relocation of it's structures;

Now therefore it be resolved, that 10294 Heritage Road be delisted from the City's heritage register;

And further, that staff be directed to work with the applicant to process and approve necessary demolition permits for structures on 10294 Heritage Road at the appropriate time in the development approval process.

The recommendations were approved as follows:

HB016-2025

That the agenda for the Brampton Heritage Board Meeting of May 20, 2025, be approved as published and circulated.

HB017-2025

1. That the delegation by Jason Aphonso, Partner, Glen Schnarr and Associates, on behalf of Bruce and Shirley Reed, to the Brampton Heritage Board meeting of May 20, 2025, re: **Heritage Resource at 10294 Heritage Road** be received; and,

2. That the request to delist the heritage resource be referred to Council.

Whereas the current housing shortage in Brampton is a key driver to streamline development application processes to approve housing starts in Heritage Heights;

Whereas the Province of Ontario continues to pass legislation encouraging municipalities to streamline development approvals to build complete communities faster;

Whereas the Cultural Heritage Evaluation report prepared for 10294 Heritage Road concludes the subject property in it's entirety (including structures, buildings, etc.) does not meet the criteria for heritage designation;

Whereas adding additional layers of process to undertake a review of a heritage impact assessment for 10294 Heritage Road is not an effective use of time and staff resources given findings of the Cultural Heritage Evaluation Report;

Whereas the proposed development of the subject lands does not facilitate long term preservation or relocation of it's structures;

Now therefore it be resolved, that 10294 Heritage Road be delisted from the City's heritage register;

And further, that staff be directed to work with the applicant to process and approve necessary demolition permits for structures on 10294 Heritage Road at the appropriate time in the development approval process.

HB019-2025

1. That the report from Arpita Jambekar, Heritage Planner to the Brampton Heritage Board meeting of May 20, 2025, re: **Heritage Impact Assessment for 127, 133 & 133A Main Street South - Ward 3** be received;

2. That the Heritage Impact Assessment for 127, 133 & 133A Main Street South, by MHBC, dated April 2025 be received;

3. That following the recommendations of the Heritage Impact Assessment be followed to mitigate the substantial negative impacts associated with the removal of existing buildings:

1. That the proposed design be developed through incorporation of historic-inspired elements for the new development;

2. That a Documentation and Salvage Report be prepared for each of the existing dwellings at 127 and 133 Main Street South per the City of Brampton Documentation and Salvage Report Terms of Reference prior to submission of any demolition permits for the properties;

- That a Commemoration Plan be developed for the dwellings at 127 and 133 Main Street South, for documenting the history of the site and incorporation within the new development. Any proposed commemoration must include elements accessible from the public realm; and,

4. That the properties be maintained in good condition until such time the applicant is ready to apply for building permits for the new construction on the property.

HB020-2025

1. That the report from Arpita Jambekar, Heritage Planner, Integrated City Planning, dated May 9, 2025, to the Brampton Heritage Board meeting of May 20, 2025, re: **Report from Arpita Jambekar, Heritage Planner, re: Heritage Impact Assessment, 2305 Embleton Road – Ward 6**, be received;

2. That the Heritage Impact Assessment, 2305 Embleton Road, Brampton, prepared by Hobson Heritage, dated March 10, 2025 be deemed complete; and,

3. That based on the recommendations of the Heritage Impact Assessment, the proposed development will have no negative impacts on the adjacent cultural heritage resource and no mitigations measures are required.

HB021-2025

1. That the report from Tom Tran, Heritage Planner, Integrated City Planning, to the Brampton Heritage Board meeting of May 20, 2025, re: **Heritage Impact Assessment, 24 Alexander Street and Etobicoke Creek Diversion Channel and Bridges – Wards 1 & 3**, be received;

2. That the Heritage Impact Assessment, 24 Alexander Street and Etobicoke Creek Diversion Channel and Bridges dated May 2025 be deemed complete;

3. That the following recommendations per the Heritage Impact Assessment, 24 Alexander Street be received:

1. Based on the current design, the former Central Public School building at 24 Alexander Street remains outside of the construction limits and therefore no impacts will be made to the identified Cultural Heritage Value or Interest (CHVI) of the property;

4. That the following recommendations as per the Heritage Impact Assessment, Etobicoke Creek Diversion Channel and Bridges be received and followed:

    1. The temporary removal of the stone cairn commemorating the construction of the original Channel is required due to anticipated impacts from the proposed construction. A conservation plan is recommended to address the temporary disassembly and relocationof the cairn.

    2. It is recommended that a commemoration plan be developed for the Diversion Channel and the three associated bridges: the Church Street Bridge, the Scott Street Bridge, and the Queen Street Bridge. This plan should expand upon the plaque and text on the existingcairn structure and provide a meaningful interpretation of the historical and cultural significance of the Diversion Channel and the bridges. Consistent with the BHB and Council recommendations for 30 James Street in April 2025, the final commemoration plan for the Etobicoke Creek Diversion Channel and Bridges will also contribute towards a cohesive commemoration program throughout the Riverwalk project, linking the north and south ends of the Channel as part of the larger wayfinding and landscaping plan;

5. That the demolition and construction work on the Etobicoke Creek Diversion Channel and Bridges can proceed. The Conservation Plan for the cairn should be reviewed and accepted by Heritage Staff prior to its removal/relocation. Likewise, the Commemoration Plan for the Channeland Bridges should be accepted by Heritage Staff prior to the approval of the final landscaping plan for the project.

HB022-2025

1. That the report from Johanna Keus, Assistant Heritage Planner; Integrated City Planning, to the Brampton Heritage Board meeting of May 20, 2025, re: **Heritage Permit and Heritage Grant Application, 27 Church Street East – Ward 1**, be received;

2. That the Heritage Permit application for 27 Church St. E. for the restoration, repair and cleaning of the red brick exterior cladding, as well as the replacement of the front porch steps be approved; and,

3. That the Designated Heritage Property Incentive Grant application for the restoration, repair and cleaning of the red brick exterior cladding, as well as the replacement of the front porch steps for 27 Church St. E. be approved, to a maximum of $10,000.00.

HB023-2025

1. That the report from Arpita Jambekar, Heritage Planner, Integrated City Planning, to the Brampton Heritage Board meeting of May 20, 2025, re: **Documentation & Salvage Report and Commemoration Plan for 59 Elizabeth St N and Railroad Cultural Heritage Landscape – Ward 1**, be received;

2. That the Documentation and Salvage Report and Heritage Commemoration Plan for 59 Elizabeth St N and the Railroad Street CHL, by Stantec, dated April 23, 2025 be received; and,

3. That the following recommendations as per the Documentation and Salvage Report and Commemoration Plan by Stantec be followed:

    1. That the land use history, construction details and photographic record of 59 Elizabeth and properties within the Railroad Cultural Heritage Landscape be documented;

    2. That the following materials from 59 Elizabeth St N and Railroad CHL are identified for salvage and possible commemoration:

        1. Representative sample of bricks from the exterior walls of 59 Elizabeth Street North (approximately 1 wooden pallet’s worth of material for the property),

        2. Potential plaster moldings located in Apartment One of 59 Elizabeth Street North (to be confirmed on site by demolition contractor),

- Clawfoot bathtub of 59 Elizabeth Street North,

1. Cast iron radiators of 59 Elizabeth Street North, and

2. Representative samples of bricks from contributing properties located within the CHL (approximately 1 wooden pallet’s worth of material per property);

- That a provision be made for transportation, of individually segregated bricks salvaged from the contributing properties at the Railroad Street CHL and 59 Elizabeth St N, to the City's storage yard at 82 Railroad Street, at the Tribute (Railroad Street) Limitedexpense.

1. That the outlined strategy for removal and storage methods in the Documentation and Salvage Report be followed by Tribute (Railroad Street) Limited; and

2. That the following commemoration options be followed to offer a unique way to tell the storey of the Study Area and maintain the historical connection of the Study area to the proposed development:

    1. Interpretive Panels,

    2. Display of salvaged materials, and

- Graphic wrapping along the crash wall.

Tiffany DeCoito and Krista Scott, Co-Founders, Breaking Borders Sports, provided remarks regarding the Breaking Borders Baseball tournament and outlined that 19 youths and 9 coaches from the Dominican Republic are in attendance to compete from June 13 to 15, 2025.

7. Public Delegations and Staff Presentations (5 minutes maximum)

7.1 Staff Presentation by Steve Ganesh, Commissioner, Planning, Building and Growth Management and Nash Damer, Treasurer, Corporate Support Services re: Bill 17 City Building and Financial Implications

Item 11.4.1 was brought forward and dealt with at this time.

Steve Ganesh, Commissioner, Planning, Building and Growth Management, and Nash Damer, Treasurer, Corporate Services, provided a presentation entitled "Bill 17 City Building and Financial Implications".

Committee discussion on this matter included the following:

- Clarification that the deferral of development charges will be moved to occupancies (12 to 14 months).
- Outlined there will be a financial impact regarding cash flow that will have an impact of $100-million, as the collection of development charges can't be collected until occupancy.
- Advised that other projects will be impacted as a result, and the City will not be able to plan ahead.
- Questions regarding the impact on the City of Brampton credit rating and what it would mean if the avenue of borrowing money were undertaken.
- Clarification that the Province's $40 million mandate is application-based funding, which would result in specific project funding and would take away part of Council's ability to decide what projects get funded.
- Suggestion to send correspondence to firmly stress that the City of Brampton is not in support.

- Staff clarified that Bill 17 received royal assent for the financial component; however, the changes to the Planning Act are still being considered.
- Outlined that the City's top priority is employment, with a caveat, the shortage of rentals. The market cannot handle condominiums; the marketplace needs rental and employment.
- Concerns regarding the proliferation and impact of Additional Rental Units.

The following motion was considered.

C134-2025
Moved by Regional Councillor Santos
Seconded by Regional Councillor Toor

1. That the presentation from Steve Ganesh, Commissioner, Planning, Building and Growth Management, and Nash Damer, Treasurer, Corporate Support Services to the Council Meeting of June 11, 2025 re: **Bill 17 city Building and Financial Implications,** be received.

2. That the report from Carolyn Crozier, Strategic Leader, Office of the Commissioner, Planning, Building and Growth Management, and Amit Gupta, Senior Manager, Revenue, Finance, Corporate Support Services, to the Council Meeting of June 11, 2025, re: **Recommendation Report – City Building and Financial Implications of Bill 17 "Protect Ontario By Building Faster and Smarter Act, 2025"** be received;

3. That staff be directed to submit detailed comments based on concerns and proposed recommendations contained in this report to the Province;

4. That the City Clerk forward this report to the Ministry of Municipal Affairs and Housing, Brampton's Members of Provincial Parliament, the Association of Municipalities of Ontario, and the Region of Peel;

5. That Council not endorse the amendments implemented through Bill 17 for the reasons summarized below and further articulated in this report:

    i. The Province's goal of accelerating housing through Bill 17 undermines the City's duty and ability to deliver complete, sustainable communities that meet Bramptonians' needs now and into the future.

    ii. Reduced municipal autonomy in planning, zoning and urban design erodes Brampton's ability to align development with local priorities, risking undesirable built forms and community character.

iii. Reduces development charge revenues by further expanding exemptions and deferring payments, delaying critical growth-related funding. This creates infrastructure funding gaps that will require higher property taxes, increased debt reliance, or reduced capital delivery.

6. That Council request the Province to engage in further dialogue with municipal partners, prior to final approval of Bill 17 related implementation regulations, to ensure a balanced approach that supports local objectives rather than a blanket mandate;

7. That Council request direct funding from the Province to offset lost development charge revenue and request new revenue tools to sustainably fund growth infrastructure that supports local and provincial housing goals; and

8. That staff conduct a funding review of the existing capital program and report back to Council with options to address the Development Charge revenue shortfall, including options to defer approved capital projects as a consequence of this legislative change.

Carried

8. Closed Session - 1

Note: Items 20.1 and 20.2 were dealt with under Consent Resolution C133-2025, and the directions therein were deemed given.

The following motion was considered.

C135-2025
Moved by Mayor Patrick Brown
Seconded by Deputy Mayor Singh

That Council proceed into Closed Session to discuss matters pertaining to the following:

8.1 Peel Regional Police Update

Open Meeting exception under Section 239 (2) (a) of the Municipal Act, 2001:

The security of the property of the municipality or local board.

20.3 Brampton Transit Update

Open Meeting exception under Section 239 (2) (k) of the Municipal Act, 2001:

A position, plan, procedure, criteria or instruction to be applied to any negotiations carried on or to be carried on by or on behalf of the municipality or local board.

20.4 Discussion re. Automated Speed Enforcement

Open Meeting exception under Section 239 (2) (k) of the Municipal Act, 2001:

A position, plan, procedure, criteria or instruction to be applied to any negotiations carried on or to be carried on by or on behalf of the municipality or local board.

Carried

Note: In Open Session, Genevieve Scharback, City Clerk, reported on the status of matters considered in Closed Session, as follows:

8.1 – This item was considered in closed session, including consideration of an open session motion (see Resolution C136-2025 below).

20.3 – This item was considered in closed session, and direction was given.

20.4 - This item was considered, in closed session, and direction was given.

The following motion was considered with respect to Item 8.1:

C136-2025
Moved by Regional Councillor Santos
Seconded by Mayor Patrick Brown

Whereas:

The City of Brampton, situated next to Canada’s busiest international airport, is home to one of the country’s largest intermodal freight corridors, with a rapidly growing diverse population, now the third largest in Ontario, making Brampton one of the most important urban centres in the GTHA; and

The City of Brampton welcomes the introduction of Bill C-2 the Strong Borders Act as a first step, aimed to enhance border security, combat transnational organized crime, address the flow of illegal drug, and cut down on money laundering and the proceeds of crime; and

The City of Brampton was on the frontlines of an evolving public safety crisis—one marked by violent auto thefts, high-risk home invasions, human trafficking, and the trafficking of illicit firearms, drugs, and fentanyl; and

Organized crime networks continue to take advantage of gaps in our justice system and border infrastructure, with devastating consequences for residents, first responders, and communities; and

The City of Brampton together with Peel Police, have been at the forefront of public safety modernization including innovative partnerships between governance and policing—such as raising the alarm on organized auto theft long before it became a national issue; and

Since October 2021 the City of Brampton together with Peel Police, has advocated for stronger bail reform, more targeted federal penalties, and greater integration between local, provincial, and federal enforcement agencies; and

Peel Regional Police—under the leadership of Chief Nishan Duraiappah—has led major cross-border investigations, including a recent international partnership with the FBI that resulted in the dismantling of a transnational drug and firearms trafficking network; and

Despite these efforts, the legal and policy frameworks that govern bail, border enforcement, and organized crime have not kept pace with the scale and sophistication of modern criminal operations; and

The experience and leadership of Brampton and Peel Region have increasingly shaped the national conversation on public safety, with Chief Duraiappah presenting at the Federation of Canadian Municipalities (FCM) conference in May 2025: “Police Perspectives on Bail Reform: Breaking the Cycle of Repeat Offenders”; and

Councillors and Mayors across the country expressed support for the panelists and FCM’s advocacy related to Public Safety and Bail Reform including the following recommendations from the panelists as summarized by the Mayor of Steinbach (Manitoba), who attended, and consistent with the City of Brampton’s position:

- The federal government needs to tighten bail laws so that judges are empowered to keep repeat violent offenders in prison.
- Provinces need to streamline the provincial court system so that judges aren’t faced with a massive backlog of cases.

- Municipalities can assist with advocacy. Municipal politicians do not control the justice system, but we can advocate for change. The police chief on the FCM panel emphasized that when police chiefs speak, they get only limited attention from the media, but when municipal politicians speak, it attracts a lot more attention.

The City of Brampton and more broadly the Region of Peel is uniquely positioned to contribute to a more coordinated national strategy.

Peel Police plans to host a “Victims/Survivors Symposium” in the fall of 2025, to provide a platform for victims and their families, many of whom have courageously spoken out in media and legal forums, to share the real-life impacts of repeat violent offenders being released on bail, highlight the frontline public safety concerns from police leadership across Ontario and build a unified voice among police leaders, victims, and communities that the justice system must prioritize safety and accountability; and

In follow-up to the aforementioned symposium focusing on victims, Peel Police will be uniquely positioned to convene a National Public Safety Summit hosted in Brampton, in partnership with FCM and key national policing and governance bodies, to unify and amplify Canada’s advocacy efforts and influence national policy reform on pressing public safety priorities, especially regarding bail reform; and

FCM’s First Vice-President, Councillor Tim Tierney of Ottawa, has been briefed on the idea for FCM to partner in convening a National Public Safety Summit in Brampton, and has expressed support.

Therefore be it resolved that:

The City of Brampton, on behalf of Peel Police and consistent with Brampton’s ongoing advocacy since 2021 and FCM’s advocacy on Public Safety, request FCM’s partnership to convene a National Public Safety Summit in early 2026 with a clear mandate to generate a national action plan on public safety and justice reform; and

That this National Public Safety Summit include representatives from all orders of government, Police Chiefs from across the country, and Provincial/Federal Ministers; and

That this motion be forwarded to the FCM Executive Board and Board immediately for upcoming meetings, the next Region of Peel Council, Canadian Association of Chiefs of Police, RCMP, OPP and AMO, BCM, OBCM, and federal

and provincial Ministers of Justice and Public Safety, and local Brampton MPs and MPPs, as soon as possible.

17.2 Discussion Item at the request of Regional Councillor Palleschi re: Mason Walker Commemorative Bench

Councillor Palleschi expressed his sorrow regarding the tragic loss of Mason Walker.

The following motion was considered.

C138-2025
Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Kaur Brar

Whereas the City of Brampton offers commemorative bench and tree dedication programs through Parks Maintenance & Operations, providing residents the opportunity to honour loved ones through meaningful and lasting tributes; and

Whereas Mason Walker, a 21-year-old member of our community, tragically passed away at Loafer's Lake, a location of deep emotional significance to his family and friends; and

Whereas Mason's father, Len Walker, has submitted a request through the City's bench dedication program to install a commemorative bench in Mason's memory at Loafer's Lake; and

Whereas the Walker family has identified a preferred location for the bench, which has been submitted and approved by staff; and

Whereas the cost of the bench and commemorative plaque totals $2,087.64;

Therefore Be It Resolved That Parks Maintenance and Operations staff support the installation of a commemorative bench at Loafer's Lake in memory of Mason Walker, to be placed at the location preferred by the family; and

That the City of Brampton waive the full cost of $2,087.64 associated with the bench and plaque, as a gesture of compassion and community support; and

That City staff work closely with the Walker family to finalize the installation and plaque inscription in accordance with program guidelines.

6. Committee Reports

6.1 Minutes - Planning and Development Committee - July 7, 2025

Committee discussion took place with respect to PDC-098-2025, which included questions regarding the possibility of access off Highway 50 versus the current proposed access point on Clarkway Boulevard, keeping in mind Vision Zero.

Staff clarified they typically work with the applicants through the site plan process to look for alternate access to mitigate impacts to local roads.

A recorded vote was taken on the proposed amendment, identified as Part 3.

The following motion, as amended, was considered and carried.

C169-2025
Moved by Regional Councillor Singh Toor
Seconded by Regional Councillor Palleschi

1. That the **Minutes of the Planning and Development Committee Meeting of July 7, 2025**, to the Special City Council Meeting of July 17, 2025, be received;

Carried

PDC101-2025

That the Minutes of the Brampton Heritage Board meeting of June 17, 2025, **Recommendations HB025-2025 to HB031-2025,** to the Planning and Development Committee Meeting of July 7, 2025, **be approved**.

The recommendations were approved as follows:

HB025-2025

That the agenda for the Brampton Heritage Board meeting of June 17, 2025, be approved as published and circulated.

HB026-2025

1. That the report from Tom Tran, Heritage Planner, Integrated City Planning, to the Brampton Heritage Board meeting of June 17, 2025, re: **Heritage Impact Assessments, 10980 Highway 50 – Ward 10**, be received;
2. That the following conclusion of the Heritage Impact Assessment prepared by ASI dated September 2021 be received:
    I. The property is determined to have met five out of nine criteria of O. Reg. 9/06 in design/physical value, historical/associative and contextual value, and therefore has cultural heritage value or interest (CHVI);
3. That the following recommendations from the Scoped Heritage Impact Assessment prepared by MHBC dated June 2025 be received and followed:
    I. That structural condition report prepared by TACOMA Engineers (See Appendix C) has concluded that the retention and conservation of the building is not recommended given that it has been structurally compromised, and its retention is not feasible and safe;
    II. That all existing features will be removed as part of the development;
    III. That a Documentation & Salvage Report and Commemoration Plan be prepared according to the City's Terms of Reference as conditions of the Site Plan Approval and prior to issuance of the Demolition Permit.
    IV. That the commemoration plan includes creative design and landscaping options to best honour the heritage resources being

impacted and that the salvaged materials be incorporated into commemorative feature(s) on-site to the greatest extent feasible; and,

4. That the delegation by Vanessa Hicks, Associate/Heritage Planner, MHBC, on behalf of Prologis, to the Brampton Heritage Board meeting of June 17, 2025, re: **Demolition Permit - 10980 Hwy 50, Brampton,** be received.

HB027-2025

1. That the report from Arpita Jambekar, Heritage Planner, Integrated City Planning, to the Brampton Heritage Board meeting of June 17, 2025, re: **Cultural Heritage Evaluation for 47 and 51 Queen Street East - Ward 3,** be received;

2. That the Cultural Heritage Evaluation Report for 47 and 51 Queen Street East dated May 15th, 2025 prepared by Richard Collins be deemed complete;

3. That the following recommendations as per the Cultural Heritage Evaluation Report for 47 and 51 Queen St East be received:

4. That the property at 51 Queen Street East is deemed to have met seven criteria under O. Reg. 9/06 (criteria 1, 2, 3, 4, 6, 7, and 8) for design/physical value, historical value and contextual value, and merits designation under the terms of Part IV of the Ontario Heritage Act. The CHER recommends protection for 51 Queen Street East through conservation of the building in situ.

5. That although much of the original fabric of 47 Queen Street East has been lost or altered, the property remains historically significant, and a Heritage Commemoration Plan shall be prepared for the property.

6. That in anticipation of the proposed redevelopment, the design proposal shall be cohesively developed by preserving the identified cultural heritage attributes of 51 Queen Street East and by complementing the property's architectural characteristics.

7. That a Heritage Impact Assessment be prepared for 47 and 51 Queen Street East to determine impacts of the proposed development on the identified cultural heritage attributes of both the properties and propose mitigation measures to be incorporated within the proposed development.

HB028-2025

1. That the report from Arpita Jambekar, Heritage Planner, to the Brampton Heritage Board meeting of July 17, 2025, re: **Heritage Impact**

Assessment for 48 and 52 Main Street North Properties - Ward 1, be received;

2. That the following recommendations per the Heritage Impact Assessment Addendum by LHC Heritage Planning & Archaeology Inc. be followed:

3. Provisional proposed development alternatives and mitigation measures are presented in the HIA report. They are intended to inform the design of the forthcoming development and should be considered to help mitigate possible impacts to the properties' heritage attributes. Detailed mitigation strategies shall be developed upon finalization of the design for the proposed development.

4. That regardless of which development options is selected, a documentary record of the buildings on the properties should be prepared;

5. That as demolition is the approved alternative by City Council, the properties shall be included in the Documentation and Salvage Plan for properties at 30-60 Main Street North. Commemoration through City's plaque program should also be considered; and

6. That when the design of the proposed development is finalized, an addendum to this HIA should be prepared to address any additional impacts and to clarify proposed alternatives, mitigation, and next steps.

HB029-2025

1. That the report from Tom Tran, Heritage Planner, Integrated City Planning, to the Brampton Heritage Board Meeting of June 17th, 2025, re: **Recommendation Report: Documentation & Salvage Plan and Delisting, 11185 Airport Road – Ward 10** be received;

2. That the Documentation & Salvage Plan, 11185 Airport Road prepared by WSP in May 2025 be deemed complete;

3. That the following recommendations as per the Documentation & Salvage Plan, 11185 Airport Road be received and followed:

    - A qualified contractor with expertise in salvage of heritage materials should be contracted to salvage the identified building materials in accordance with guidance taken from Canada's Historic Places' Standards and Guidelines for the Conservation of Historic Places in Canada.

- Salvage contract documents for the property should include information regarding its CHVI specifically the list of heritage attributes, measured drawings, photographs, and a plan for savaging material.
- Exterior bricks should be extracted in a way that ensures they will not be irreparably damaged.
- Salvaged items are recommended to be stored in a sheltered place, protected from water and temperature fluctuations.
- Incorporation of salvaged materials into a proposed seating area should be accompanied by interpretation, so residents and visitors can understand the provenance of the materials.
- An inventory of salvaged bricks is recommended to be prepared by the contractor at site during salvage using the template included in (APPENDIX C) and is to be provided to the City and the storage location.

4. That the property 11185 Airport Road be removed from the Brampton Heritage Register to facilitate the disassembly, salvage, partial reassembly and commemoration of the historic farmhouse.

HB030-2025

1. That the report from Johanna Keus, Assistant Heritage Planner, Integrated City Planning, to the Brampton Heritage Board Meeting of June 17, 2025, re: **Heritage Grant Application, 44 Church Street East – Ward 1** , be received; and,
2. That the Paul Willoughby Heritage Incentive Grant application for the repair and restoration of existing woodwork and glazing repairs on windows of the exterior of St. Andrews Presbyterian Church located at 44 Church Street East be approved, to a maximum of $10,000.00.

HB031-2025

That Brampton Heritage Board do now adjourn to meet again on Tuesday, July 15, 2025, at 7:00 p.m.

PDC102-2025

That the Planning and Development Committee do now adjourn to meet again for a Regular Meeting on August 11, 2025, at 7:00 p.m. or at the call of the Chair.

7. Other Business/New Business

7.1 Discussion Item at the Request of Councillor Santos re: Programming at Bovaird House Property

Councillor Santos and Mayor Patrick Brown outlined the purpose of the motion.

The motion was displayed for reference and was considered as follows.

C170-2025
Moved by Regional Councillor Santos
Seconded by Mayor Patrick Brown

1. That the Bovaird House property be managed with existing resources already allocated to manage the Alderlea, another heritage asset owned by the city; and
2. That staff be directed to explore and implement programming opportunities at the Bovaird House property using existing approved budget, for example: outdoor wedding ceremonies, recreation and sports programming, community gardens, Culture Days, movie nights, performing arts pop-ups, and more; and
3. That staff be directed to apply for applicable provincial and federal funding programs to support the programming and/or improvements to the property, especially as it relates to its heritage designation and place in Brampton's history; and
4. That staff continue to explore avenues for the property to achieve museum status, especially considering recent negotiations with the Region of Peel regarding PAMA; and
5. That the Bovaird House property (563 Bovaird Drive East) be declared an official public open space (park) showcasing this historic gem in the city, allowing access for all residents to enjoy while protecting and conserving the character of the buildings and grounds as a historic site; and
6. That staff submit any additional requests for resources or programming to the Mayor for consideration during the 2026 budget process.

7.2 Discussion Item at the Request of Councillor Santos re: Safety Concerns in Downtown Area

A delegation was made by Kelly Walker, Brampton resident, regarding safety concerns in the Downtown area.

The Chair recognized the correspondence related to this matter.

Regional Councillor Santos provided an overview of a proposed motion, directing the City Solicitor to send correspondence to Grace United Church, Regeneration Outreach and the Region of Peel, outlining the serious health and safety concerns identified and requesting immediate action.

The following motion was considered.

C171-2025
Moved by Regional Councillor Santos
Seconded by Regional Councillor Keenan

Whereas Regeneration Outreach has operated at the Grace United Church property at 156 Main St North for nearly 15 years, serving some of the most vulnerable in our community with a food kitchen and other services such as basic needs, addiction services, and identification clinic;

And whereas Regeneration Outreach delegated to Council requesting assistance in finding a new location and the City of Brampton acknowledged and continues to acknowledge the contribution that Regeneration Outreach has made in our community, as they search for a new location which would be more appropriate outside of an existing and growing residential neighbourhood;

And whereas the City continues to receive ongoing and escalating public safety concerns arising from numerous service users and/or their affiliates of Regeneration Outreach on and around the Grace United Church property at 156 Main St N to include but not limited to the immediate residential neighbourhood, the 711, 164 & 166 Main St North, and 171 Main Street N;

And whereas there are a significant and increasing number of police calls, arrests, and nuisance on this property and the surrounding area involving the service users and/or their affiliates of Regeneration Outreach;

And whereas residents and surrounding businesses are ongoingly concerned for their health and safety, and demand immediate action from the City to include suggested action items shared (attached with redacted personal information) at a meeting on Monday, July 14th, attended by Councillor Santos, Councillor Keenan and Mayor Brown, Peel Police and City Security Services;

And whereas Regeneration Outreach receives funding from the Region of Peel through taxpayers’ money;

And whereas Regeneration Outreach has delegated to City Council, publicly confirming that tents were distributed to service users despite the City's efforts to address unsafe encampments and trespassing on public property;

And whereas Regeneration Outreach and Grace United Church provide important services but are still responsible for the safety and security of their property, and the impact that service users and/or their affiliates have in the surrounding area;

And whereas the City, in collaboration with the Region of Peel, has worked to mitigate challenges between the vulnerable community and local businesses through the Welcoming Streets pilot program, which has since informed the development of an expanded, place-based Peel Outreach initiative, but ongoing and escalating public safety concerns persist at this particular property and adjacent area.

And whereas, in similar action, the City of Brampton is implementing policies and enforcing action on private and public properties related to public health and safety;

And whereas Brampton's downtown is undergoing significant transformation and construction to attract residential and business development and investment;

Now therefore be it resolved:

1. That Council hereby directs the City Solicitor (and with any additional staff) on behalf of the City of Brampton, to send an official letter to Grace United Church, Regeneration Outreach and the Region of Peel outlining the serious health and safety concerns and requiring action to be taken to address the concerns immediately, or face further legal action;

2. That the delegation from Kelly Walker, Brampton Resident, to the Special Council Meeting of July 17, 2025, re: **Safety Concerns in the Downtown Area**, be received; and

3. That correspondence re: **Safety Concerns in the Downtown Area**, to the Special Council Meeting of July 17, 2025, be received:

    1. Gail Miles - Brampton Resident, dated July 17, 2025 on behalf of Brampton Residents; and

    2. Brampton Residents received July 17, 2025.

Carried

7.3 Discussion Item at the Request of Councillor Keenan re: Garden Suite Grant Program

Councillor Keenan outlined the purpose of the motion.

The motion was displayed for reference and was considered as follows.

C172-2025
Moved by Regional Councillor Santos
Seconded by Regional Councillor Keenan

Whereas the City entered into an agreement dated October 10, 2023 with Canada Mortgage and Housing Corporation (CMHC) to receive funding under the Housing Accelerator Fund (HAF) subject to the proposed action plan approved by the CMHC;

Whereas the HAF contribution to the City of Brampton contemplates a Garden Suite Grant Program;

Whereas since November 2024, there has been only three (3) applications received by the city for the Garden Suite Grant Program, demonstrating minimal uptake;

Whereas since November 2024, minimal general inquiries or questions have been submitted outside of these applications, further demonstrating low uptake;

Whereas Bill 17 “Protecting Ontario by Building Faster and Smarter Act, 2025” is forcing municipalities like Brampton to re-think their financial state-of-affairs, including their ability to entertain and continue with grant programs;

Whereas Section 12.9 of the agreement between the City of Brampton and CMHC provides an opportunity for amendments;

Now therefore be it resolved, that staff be directed to cancel the Garden Suite Grant Program effective Monday, July 21st, 2025, and further that,

The Commissioner of Planning, Building and Growth Management be authorized to initiate discussions with the CMHC to amend the agreement and reallocate the funds originally allocated for the Garden Suite Grant Program towards education and enforcement of Brampton’s well established and successful Residential Landlord Licensing Program – geared towards providing safe and affordable housing for all.

7.4 Discussion Item at the Request of Councillor Palleschi re: Budget Reallocation - Outdoor Rinks

Councillor Palleschi announced that two full-size outdoor rinks will be developed in Heart Lake and expressed his excitement and support for the community.

Mayor Patrick Brown highlighted funding for the projects was drawn existing budget and also expressed his excitement for the community.

The following motion was considered.

C173-2025
Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Kaur Brar

That Capital Project # 215865 - New Capital Development be amended to include an activity to support the implementation of outdoor rinks at Sandalwood Park, to be funded within the existing approved funding currently available in the project.

Carried

7.5 Discussion Item at the Request of Councillor Brar re: Khalsa Darbar Field Hockey Club

Councillor Brar outlined the purpose of the motion.

The motion was displayed for reference and was considered as follows.

C174-2025
Moved by Regional Councillor Kaur Brar
Seconded by Regional Councillor Palleschi

Whereas the Ontario Khalsa Darbar Field Hockey Club (O.K.D. Field Hockey Club) has played a significant role in promoting youth sports and community engagement in Brampton; and

Whereas the Club has requested support to support their annual tournaments and promote field hockey and economic growth in Brampton;

Therefore be it resolved:

1. That a funding contribution of $10,000 be provided to the Ontario Khalsa Darbar Field Hockey Club, to be funded from *Reserve #16 – Community Grant Program*; and

2. That staff be directed to work with the organization to receive a written proposal and execute a standard City funding contribution agreement; and

3. That the Ontario Khalsa Darbar Field Hockey Club be referred to the 2026 Advance Brampton Fund process for consideration of future funding opportunities.

Carried

8. Public Question Period

1. Nayan Brunbhatt, Brampton Resident, asked questions regarding BARIC ratification.

2. Gloria Berger, Brampton Resident, asked questions electronically regarding Bovarid House.

The following questions were provided electronically and read aloud:

1. What are the existing resources already allocated to manage Alderlea that are to be split to manage the Bovaird House Property?

2. Who will be responsible for the managing of the Bovaird House property?

3. What is the yearly cost to the City for the ongoing maintenance of Alderlea?

4. What is the yearly income to the City from events held at Alderlea?

5. What is the existing approved budget that staff has access to for exploring the "possibility of outdoor wedding ceremonies, recreation and sports programming, community gardens, Culture Days, movie nights, performing arts pop-ups, etc." at the Bovaird House property?

6. How does the "possibility of outdoor wedding ceremonies, recreation and sports programming, community gardens, Culture Days, movie nights, performing arts pop-ups, etc.", meet the Covenant that Runs with the Land - *the house located upon the lands shall be preserved for public use for cultural and educational purposes only*?

7. What are the applicable provincial and federal fundings programs that staff has been directed to apply for?

8. What are the improvements to the property staff has been directed to find funding for in supporting programing on the property?

9. All of the examples provided will require significant changes to the property - including the addition of more than the one existing washroom facility. What are the plans for the development of the property to meet the obvious needs/requirements based on this motion?

10. It does not seem that the programming to manage Bovaird House meets the Covenant that Runs with the Land – *there is a positive obligation to maintain the property for educational and cultural purposes.* How does this motion relate to the Covenant that Runs with the Land?

11. Regarding museum status, what are the negotiations you are referring to as "especially considering recent negotiations with the Region of Peel regarding PAMA." ?

12. Why is the Bovaird House property being declared "an official public open space (park) showcasing this historic gem in the city, allowing access for all residents to enjoy while protecting and conserving the character of the buildings and grounds as a historic site" when currently, the Covenant that Runs with the Land states: *That the lands shall be developed and landscaped as one park for passive recreation purposes only* and *To maintain the lands and buildings located thereon as an historic site?)*

9. Closed Session

The following motion was considered.

4.1 Summary of Recommendations – Planning and Development Committee – August 11, 2025

The following motion was considered.

C180-2025
Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Keenan

1. That the Summary of Recommendations from the Planning and Development Committee Meeting of August 11, 2025, to the Special Council Meeting of August 11, 2025, **be received**; and,

2. That Recommendations PDC103-2025 to PDC112-2025 **be approved** as outlined in the summary.

Carried

The recommendations were approved as follows:

PDC103-2025

That the agenda for the Planning and Development Committee Meeting of August 11, 2025, be approved, as published and circulated.

PDC104-2025

That the delegation from Marco Marcante, Royal Pine Homes, on behalf of 2185715 Ontario Inc., re: Request to Eliminate Sidewalk on Gold Bottom Crescent, to the Planning and Development Committee Meeting of August 11, 2025, **be referred to staff**; and

Whereas the City of Brampton has received a resident petition requesting the removal of the sidewalk on Arnold Circle due to its unusually close placement to homes, which is making winter snow management, driveway usability, and landscaping extremely difficult; and

Whereas staff are investigating the removal of a sidewalk in a similar circumstance on Gold Bottom Crescent (Item 5.1),

Therefore be it resolved that Public Works and Engineering **staff be directed to**:

- Review the sidewalk on Arnold Circle, taking into account the concerns outlined in the petition and any additional feedback received;
- Distribute a survey to all affected residents to determine whether they are in favour of removal;
- Work with Paradise Developments to identify and contact purchasers of unoccupied homes to ensure their input is incorporated into the survey process;
- Compile and analyze the results of the survey to determine the level of support for removing the sidewalk; and
- Should the survey results demonstrate unanimous support for removal, proceed with the removal of the sidewalk.

PDC105-2025

That the delegation from Sylvia Roberts, Brampton Resident, re: Section 40 (of the Planning Act) Funds, to the Planning and Development Committee Meeting of August 11, 2025, **be received**.

PDC106-2025

2. That staff be authorized to publish and serve the Notice of Intention to Designate for the property at Kennedy Valley in accordance with the requirements of the Act;

3. That, in the event no objections to the designation are received, a by-law be passed to designate the subject property;

4. That, in the event any objections to the designation are received, staff be directed to refer the proposed designation to the Ontario Land Tribunal, and;

5. That staff be authorized to attend any hearing process held by the Ontario Land Tribunal in support of Council’s decision to designate the subject property.

HB034-2025

1. That the report from Arpita Jambekar, Heritage Planner, Integrated City Planning, to the Brampton Heritage Board Meeting of June 15, 2025, re: **Heritage Conservation Plan and Addendum for 59 Tufton Crescent – Ward 6**, be received;

2. That the Heritage Conservation Plan by Golder dated October 6, 2021, and HCP Addendum for 59 Tufton Crescent dated June 9, 2025 prepared by WSP be deemed complete;

3. That the following recommendations per the Heritage Conservation Plan for relocation, restoration and rehabilitation of the Breadner House at 59 Tufton Crescent be followed:

    1. That the property at 59 Tufton Crescent, the Breadner House be reconstituted as a mid-19th century vernacular stone house with cultural heritage significance to the community;

    2. That the Breadner House be adaptively re-used by following the proposed design within the HCP Addendum, as a comfortable and desirable single-family dwelling in a low rise and single-detached residential context;

- That the updated implementation and reconstruction schedule in the HCP addendum be followed;

4. That, in anticipation of the proposed conservation efforts, an amendment to By-Law No. 34-2006 (a by-law to designate the property at Lot 301, Tufton Crescent – known as the Breadner House – as being of cultural heritage value or interest) be approved in accordance with Attachment 4 to this report;

5. That staff be authorized to give the owner of the designated property at 59 Tufton () Crescent (PIN 14254569, formerly Lot 301) and the property at 0 Tufton Cresent (PIN 142545818) (“Owner”) written notice of the proposed amendment in accordance with the requirements of the Ontario Heritage Act;

6. That following the expiry of the 30-day period during which the owner may object to the proposed amendment, a by-law be passed to amend By-law Number 34-2006, in accordance with Attachments 4 to this Report;

7. That, in the event that the owner objects to the proposed amendment, staff be directed to refer the proposed designation to the Ontario Land Tribunal; and,

8. That the Commissioner of Planning, Building and Growth Management be authorized to enter into a Heritage Easement Agreement with the Owner for the property at 0 Tufton Crescent to secure the relocation, restoration and rehabilitation of the Breadner House that was formerly intended for reconstruction at 59 Tufton Crescent, with content satisfactory to the Director of Development Services & Design, and in form approved by the City Solicitor or designate.

HB035-2025

1. That the report from Tom Tran, Heritage Planner, Integrated City Planning, to the Brampton Heritage Board Meeting of July 15, 2025, re: **Heritage Conservation Plan and Addendum for 59 Tufton Crescent – Ward 6**, be received;

2. That the following findings of the Heritage Impact Assessment prepared by WSP dated July 2023 be received:

    1. There are two Built Heritage Resources (BHR) and four Cultural Heritage Landscapes (CHL) with known cultural heritage value or interest (CHVI) within the study area including:

        - BHR-1 – Wiley Bowstring Bridge - 0 Gorewood Dr - Designated
        - BHR-2 – Bland House - 8940 Claireville Conservation Rd – Listed
        - CHL-1 – McVean Barn – 0 McVean Drive – Designated
        - CHL-2 – Humber River – Designated Canadian Heritage River
        - CHL-3 – McVean Mill Ruins – Listed
        - CHL-4 – Claireville Conservation Area – Potential CHL

    2. That the following recommendations of the Heritage Impact Assessment prepared by WSP dated July 2023 be received as follows:

        - Where feasible, the proposal should be designed in a manner requiring as little property acquisition as possible. Storage and construction staging areas should be appropriately located and/or planned to avoid impacting any of the identified BHRs and CHLs;

        - Where construction is anticipated to result in grading impacts and tree removal, post-construction landscaping with native tree species should be employed to mitigate visual impacts to CHL-1 and CHL-4;

- Should future work require expansion of the McVean SPS study area, a qualified heritage consultant should be contacted to confirm the impacts of proposed work on known or potential BHRs and CHLs.

4. That Heritage Staff work collaboratively with the Toronto and Region Conservation Authority (TRCA) to identify and manage cultural heritage resources within the Claireville Conservation Area, in particular, to ensure existing designated heritage properties within Claireville Conservation Area are well maintained and conserved; and

5. That Heritage Staff explore designation under part IV and/or amendment of existing designation bylaws to ensure the long-term protection of the identified Listed and potential Built Heritage Resources and Cultural Heritage Landscapes within the Claireville Conservation Area.

HB036-2025

1. That the report from Tom Tran, Heritage Planner, Integrated City Planning to the Brampton Heritage Board Meeting of July 15, 2025, re: **Cultural Heritage Evaluation Report and Heritage Impact Assessment, Kennedy Valley – Ward 3**, be received;

2. That the following recommendations of the Cultural Heritage Evaluation Report prepared by ASI dated May 2025 be received:

    1. That the property meets at least two criteria presented in Ontario Regulation 9/06 of the *Ontario Heritage Act* and therefore, the municipality may consider designation of this property under Part IV of the *Ontario Heritage Act*.

3. That the following recommendations of the Heritage Impact Assessment prepared by ASI dated May 2025 be received and followed:

    1. Construction crews should be advised of the heritage status and heritage attributes of the Kennedy Valley prior to any work in its vicinity.

    2. Staging and construction should be suitably planned and executed to ensure that unintended negative impacts to the identified heritage attributes of the Kennedy Valley are avoided. Mitigation measures may

also include establishing no-go zones with fencing and directing working crews to avoid identified heritage attributes.

- Where the proposed work cannot be revised to avoid temporary land disturbances and impacts, the removal of trees and vegetation should be limited to the extent possible, and where removal cannot be avoided, postconstruction rehabilitation with sympathetic plantings should be implemented.

4. That Heritage Staff work with Cemetery Services to explore ways to rehabilitate the Grahamsville Cemetery including clearing vegetation and repairing headstones and stabilization of erosion along the bank of Etobicoke Creek where it passes the cemetery.

That the Citizen Appointments Committee does now adjourn, to meeting again at the call of the Chair.

12.3 Minutes - Planning and Development Committee - August 11, 2025

The following motion was considered.

C194-2025
Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Kaur Brar

1. That the **Minutes of the Planning and Development Committee Meeting of August 11, 2025**, to the Council Meeting of September 10, 2025, be received

Carried

12.4 Minutes - Committee of Council - September 3, 2025

Committee discussion took place with respect to CW266-2025, which included questions regarding the mobility master plan and provincial funding.

The following motion, as amended, was considered and carried unanimously.

C195-2025
Moved by Regional Councillor Vicente
Seconded by Regional Councillor Santos

1. That the **Minutes of the Committee of Council Meeting of September 3, 2025**, to the Council Meeting of September 10, 2025, be received; and,

2. That Recommendations CW253-2025 to CW265-2025, and CW267-2025 to CW275-2025 be approved as outlined in the minutes; and

3. That Recommendation CW266-2025 be approved as amended as follows:

CW266-2025

Whereas it is evident that the City of Brampton needs to make bold moves to incentivize and accelerate the supply of purpose-built rental housing to meet the needs of our residents; and

Whereas purpose-built rental incentives support the opportunity to move away from relying on the secondary rental market, particularly through Additional Rental Units (ARUs), for gentle densification and rental housing supply; and

Whereas this DC incentive program can work to incentivize redevelopment opportunities in the city; and

Whereas the City of Brampton wants to supply appropriate flexibility in the DC incentive program for purpose-built rental housing to secure both attainable housing and compete communities,

Now therefore be it resolved:

1. That staff be directed to undertake a Development Charges By-law amendment to enact the development charge reduction incentive effective immediately, until the end of term of Council, November 14, 2026 with the following elements:

- 50% DC discount for 1-bedroom units
- 75% DC discount for 1-bedroom+den and 2-bedroom units
- 100% DC discount for 3-bedroom units
- 100% DC discount for 2+bedroom units with mixed use; and

2. That the report from Steve Ganesh, Commissioner, Planning, Building and Growth Management, and Nash Damer, Treasurer, Corporate Support Services, to the Committee of Council Meeting of September 3, 2025, re: **DC Incentives for Purpose-Built Rental Housing**, be received; and

3. That, in addition, staff be requested to report on potential reduction of DCs for 5000 units across the City that are currently fully serviced, registered, and meet timelines of the Regional program; such report to include the criteria to be eligible for this DC reduction program; and

4. That if 66% or more of the proposed purpose-built rental building meets the higher incentive, then the entire building shall fall under that incentive rate.

Carried

The recommendations were approved as follows:

CW253-2025

That the agenda for the Committee of Council Meeting of September 3, 2025 be approved, as amended, as follows:

To add:

CW259-2025

That the staff update re: **Government Relations Matters**, to the Committee of Council Meeting of September 3, 2025, be received.

CW260-2025

Be it resolved that the special event application process for the remainder of the year (2025) allow for:

- The grace period be extended for the remainder of 2025, as it relates to the Level 2 criminal record check requirement for food vendors, given the tight timelines and administrative barriers; and
- A reconsideration of the business registration number requirement, allowing sole proprietors and micro-businesses without incorporation or GST/HST registration to participate by providing alternative documentation like their Master Business License number, and

That other improvements to the special event permit application process be considered with changes to be implemented in 2026;

That the updated process be communicated to all organizations who have hosted

events in Brampton over the past year; and

That staff be directed to report to the Council meeting on September 10, 2025 with any considerations with respect to by-law requirements.

CW261-2025

1. That the report from Yvonne Kwiecien, Manager, Taxation and Assessment, Corporate Support Services, to the Committee of Council

Meeting of September 3, 2025, re: **2025 Levy By-law per Section 323 of the *Municipal Act, 2001* (Annual Levy on Universities/Colleges, Correctional Institutions, and Public Hospitals)**, be received; and

2. That a by-law be passed for the annual levy on Universities/Colleges, Correctional Institutions, Public Hospitals for the year 2025 as per Section 323 of the *Municipal Act, 2001*.

CW262-2025

1. That the report from Douglas Elsmore, Director, CISO, Data and Governance, Information Technology, Corporate Support Services, to the Committee of Council Meeting of September 3, 2025, re: **Annual Public Sector Network (PSN) Update 2025**, be received; and

2. That the Public Sector Network, Revenue and Expenditure Statement for 2024, as outlined in Appendix I, and Public Sector Network, Proposed 2025 Operating Budget, as outlined in Appendix II, be approved with no impact to the overall City budget.

CW263-2025

1. That the report from Kasia Bielska, Manager, Corporate Collections, Finance, Corporate Support Services, to the Committee of Council Meeting of September 3, 2025, re: **Status of Collection Activities on Provincial Offences Act Defaulted Fines and Write-Off of Uncollectible POA - 2024**, be received; and

2. That the administrative write-off of $483,940.00, as shown in table C of the report, be approved.

CW264-2025

1. That the report from Kasia Bielska, Manager, Corporate Collections, Finance, Corporate Support Services, to the Committee of Council Meeting of September 3, 2025, re: **Status of Tax Collection Accounts and Write-Off of Uncollectible Taxes**, be received; and

2. That the tax account adjustments as listed on Appendix A of this report be approved.

CW265-2025

1. That the report from Raymond Thomson, Manager, Executive Operations and Special Projects, Office of the CAO, to the Committee of Council

Meeting of September 3, 2025, re: **Plant-Based Treaty – Update (RM 76/2024)**, be received; and

2. That staff incorporate language and evaluation criteria into future procurement catering and concession contracts to promote plant-based food options at City of Brampton events and meetings.

CW266-2025

Whereas it is evident that the City of Brampton needs to make bold moves to incentivize and accelerate the supply of purpose-built rental housing to meet the needs of our residents; and

4. That if 66% or more of the proposed purpose-built rental building meets the higher incentive, then the entire building shall fall under that incentive rate.

CW267-2025

Whereas a mix and range of housing options is essential to meet the needs of residents at all ages, stages and income levels.

Whereas given the primary rental market has had limited growth in the last few decades, many Brampton residents (in particular students) have little choice and turned to the secondary market, specifically in the form of additional residential units (ARUs).

Whereas the aggressive promotion of Additional Residential Units (ARUs) by provincial policy and legislation has led to more than 26,000 registered ARUs in Brampton, now representing over 60 percent of new residential units in 2025.

Whereas development charges to finance necessary growth related infrastructure and services are not collected in ARU construction, therefore creating a financial strain for the City.

Whereas the proliferation of ARUs in any one neighbourhood can undermine community character, increase property standard violations and strain services such as, by-law enforcement, 311, recreation centres, fire, and transit.

Whereas despite efforts by the City of Brampton requesting the province allow for a temporary pause on ARU construction, allowing the city to catch up on property standard and unsafe living condition cases, the province continues to promote universal ARU legislation, causing additional strain on city services.

Whereas the City of Brampton is proactively addressing the rental market gap by incentivizing purpose built rental housing, in an effort to provide an alternative to ARUs to mitigate the strain on city services.

Whereas the City of Brampton is prepared to financially risk manage the purpose built rental incentive by offering significant reductions up to 100% on development charges, in absence of provincial funding.

Now therefore it be resolved that the City of Brampton request the Province to reverse their aggressive ARU legislation and policy, and allow the City to govern the amount and location of ARUs in a manner that ensures compatibility with infrastructure capacity, service delivery and neighbourhood context, including a

pause on ARUs in concentrated areas to further incentivize purpose built rental development in these areas.

A recorded vote was requested and the motion carried as follows:

CW268-2025

1. That the report from Shane Loftus, Director, Roads Maintenance, Operations and Fleet, Public Works and Engineering, to the Committee of Council Meeting of September 3, 2025, re: **Request to Begin Procurement – Waste Collection Services for Brampton and Caledon for a period of eight (8) years with two (2) additional one (1) year optional renewal periods**, be received; and

2. That the Purchasing Agent be authorized to commence the procurement of Waste Collection Services for Brampton and Caledon.

CW269-2025

1. That the report from Amanda McIlveen, Manager, Transportation Right of Way and Safety, Roads Maintenance, Operations and Fleet, Public Works and Engineering, to the Committee of Council Meeting of September 3, 2025, re: **Request to Begin Procurement of Maintenance Services for Traffic Signals for a three (3) Year Period with two (2) additional one (1) year optional renewal periods**, be received; and

That the report from Shane Loftus, Director, Road Maintenance, Operations and Fleet, Public Works and Engineering, to the Committee of Council Meeting of September 3, 2025, re: **Recommendation to Update the Transition Date for Transfer of Waste Collection Services to October 1, 2027**, be received;

2. That the transition date for the transfer of waste collection services, excluding community recycling centres, from The Regional Municipality of Peel to The Corporation of the City of Brampton be updated from January 1, 2026, to October 1, 2027 in alignment with consensus reached by the City of Brampton, City of Mississauga, Town of Caledon and the Region of Peel;

3. That consistent with By-law 043-2025, the City of Brampton enter into a written agreement with the Region of Peel confirming the revised transition date, eliminating the need for a formal by-law amendment;

4. That staff be directed to work collaboratively with the Region of Peel and local municipal partners to establish the implementation plan and transitional arrangements consistent with the revised date; and

5. That the Chief Administrative Officer be delegated authority to execute on behalf of the City all agreements and other documents with The Regional Municipality of Peel, local municipal partners and/or such other parties as necessary to confirm such revised date for the transfer of waste collection services and with respect to any such transitional arrangements, on such terms and conditions as may be satisfactory to the Commissioner, Public Works & Engineering and in a form approved by the City Solicitor or designate.

CW271-2025

16.2 Discussion Item at the request of Regional Councillor Medeiros, re: Garba Event

Regional Councillor Medeiros provided remarks with respect to the Delkeith Road two day celebration and criteria, noting that only the first day of celebration was approved, and introduced the following motion.

WHEREAS, residents within the City of Brampton, may apply for multi-day road closures to hold special events;

WHEREAS, City Staff in the Roads Maintenance, Operations and Fleet (RMOF) division review each application to ensure it meets the qualifying requirements before approval;

WHEREAS, to qualify for the program, applicants must meet the following criteria:

- To provide the City of Brampton with proof of insurance prior to the commencement of the special event.
- To arrange for the road closure in accordance with Ministry of Transportation requirements including submission of traffic management plans and hiring a qualified contractor to close the roadway.
- To ensure the event is carried out in accordance with all laws, regulations, municipal by-laws and SEAT requirements.
- To secure the approval and supervision of Peel Regional Police as deemed necessary by the Police and/or Commissioner of the Public Works and Engineering Department.
- To submit a petition signed by all residents directly affected by the road closure.

WHEREAS, the City's Special Event Road Closure Policy requires Council approval for events that occur when the proposed road closure exceeds 24 hours in duration or will be held over multiple days;

WHEREAS, the Dalkeith Rd – Garba event is proposed to be held on September 27, 2025 and September 28, 2025;

WHEREAS, the Dalkeith Rd – Garba were not listed among Garba events within the City of Brampton that were included in a report and passed by Committee of Council on June 18, 2025, and approved by Council on June 25, 2025.

THEREFORE BE RESOLVED THAT:

1. The temporary closure for this community celebration should be approved, provided the applicants fulfill all standard permit requirements.; and,

2. That City Staff in RMOF work with the applicant to complete their application and upon completion, approve any required permits to hold the event.

The following motion was considered.

2. That staff work together with owners of the property and obtain consent to proceed with the designation, and once the consent for designation is received, that a report be brought back to Council for further consideration.

HB041-2025

1. That the report from Arpita Jambekar, Heritage Planner, Io the Brampton Heritage Board Meeting of September 9, 2025, re: **Heritage Impact Assessment for 2774 Bovaird Drive West, Brampton - Ward 6** be received;

2. That the Heritage Impact Assessment, 2774 Bovaird Drive West, Brampton prepared by Peninsula Heritage, dated October 31, 2024 be deemed complete; and,

3. That based on the recommendations of the Heritage Impact Assessment, the proposed development at its current location will have no negative impacts on the adjacent cultural heritage resource and no mitigations measures are required.

HB042-2025

1. That the report from Arpita Jambekar, Heritage Planner, to the Brampton Heritage Board Meeting of September 9, 2025, re: **Scoped Heritage Impact Assessment, 2035 Embleton Road, Brampton – Ward 6** be received;

2. That the Scoped Heritage Impact Assessment, 2035 Embleton Road, Brampton prepared by Peninsula Heritage Ltd, dated August 11, 2025, be deemed complete;

3. That, based on the evaluation within the HIA, the proposed development does not result in major direct or indirect impacts on any adjacent or nearby listed or designated heritage properties; and

4. That, the following mitigation measures should be implemented as recommended by the Heritage Impact Assessment, to minimize impact of the proposed development on the heritage character of adjacent heritage properties and the area of Huttonville:

    1. Any mature trees that are impacted or removed by the proposed changes to the property should be replaced by incorporating large scale trees of similar type into landscaping for providing additional barrier to visual impacts from the public right of way;

    2. The current visual barriers including extant foliage and solid wood fence around the property and along Embleton Road must be maintained.

HB043-2025

1. That the report from Rawan Osman, Heritage Planner, to the Brampton Heritage Board Meeting of September 9, 2025, re: **Heritage Impact Assessment, 80 Scott Street – Ward 1**, be received;

2. That the Heritage Impact Assessment, 80 Scott Street dated August 2018(revised August 2019, September 2019) be deemed complete;

3. That the following recommendations as per the Heritage Impact Assessment, 80 Scott Street, to mitigate any potential negative impacts of the proposed development on the adjacent property at 68 Scott Street be received and followed:

    1. Staff recommend the implementation of the landscaping plan prepared by NAK Design Strategies (dated 27 September 2019) and the Tree Inventory and Preservation Plan prepared by Kuntz Forestry Consulting (dated 26 May 2017) that incorporates a buffer of vegetation between the proposed development and the adjacent property at 68 Scott Street as a means of mitigating any potential negative visual impacts from the proposed development.

    2. Vibration monitoring to be conducted as part of the demolition of theexisting building at 80 Scott Street and during the construction phase of the proposed development to ensure that vibration levels have no impact on the listed property at 68 Scott Street. This requirement is consistent with City of Brampton By-law 217-2018.

HB044-2025

1. That the report from Tom Tran, Heritage Planner, to the Brampton Heritage Board Meeting of September 9, 2025, re: **Heritage Impact Assessment, 10398 and 10350 The Gore Road – Ward 10**, be received;

2. That the following recommendations of the Heritage Impact Assessment related to the subject property at 10398 and 10350 The Gore Road prepared by LHC dated June 2025 be received and followed:

    1. That the mid-19th century farmhouse at 10398 The Gore Road meets two criteria under Ontario Regulation 9/06 of the Ontario Heritage Act and is considered to have Cultural Heritage Value or Interest (CHVI). That the property at 10350 The Gore Road is not considered to have CHVI.

    2. That the farmhouse at 10398 The Gore Road is an advanced state of deterioration and demolition is recommended. Salvage of building materials and fixtures from the farmhouse is not recommended due to their lack of integrity.

- That prior to the issuance of the Demolition Permit for any structures on 10398 The Gore Road, a Documentation Plan and Commemoration Plan be prepared in accordance to the City’s Terms of Reference and accepted by Heritage Staff. In particular, the Commemoration Plan should consider

landscaping and creative strategies to address the loss of the heritage resource.

3. That the following recommendations of the Heritage Impact Assessment prepared by LHC related to the adjacent designated property at 10300 The Gore Road, be received and followed:

    1. That in order to mitigate the indirect impacts of the development to the designated heritage resource at 10300 The Gore Road, the design and materials of the two-storey podium should be sympathetic to while remaining distinguishable from the Castlemore Schoolhouse. Design inspiration could come from various of the heritage attributes of the schoolhouse such as the dichromatic and corbeled brick patterning, the use of quoins, and buff brick flat segmental arches with stone keystones over windows.

    2. That landscape design should complement and draw attention to views of the Castlemore Schoolhouse bell tower from The Gore Road looking in a southern direction.

- That temporary protection measures including vibrational assessment, fencing and signs be implemented during project construction in order to prevent impacts to the structural integrity of 10300 The Gore Road.

HB045-2025

1. That the report from Arpita Jambekar, Heritage Planner, to the Brampton Heritage Board Meeting of September 9, 2025, re: **Heritage Impact Assessment, 126 Nelson Street West – Ward 1**, be received;

2. That the Heritage Impact Assessment, 126 Nelson Street West, Brampton prepared by MHBC Planning, Urban Design and Landscape Architecture, dated June, 2025 be deemed complete;

3. That based on the recommendations of the Heritage Impact Assessment, the proposed development at its current location will have no negative impacts on the adjacent cultural heritage resource at 228 Queen Street West, and no mitigation measures are required.

HB046-2025

1. That the report from Arpita Jambekar, Heritage Planner, to the Brampton Heritage Board Meeting of September 9 2025, re: **Heritage Impact Assessment for 9763 Heritage Road – Ward 6** be received;

2. That the Heritage Impact Assessment, 9763 Heritage Road, Brampton prepared by Peninsula Heritage Ltd, dated February 3, 2025, be deemed complete;

3. That based on the evaluation within the HIA for 9763 Heritage Road, the property meets the criteria for designation under Part IV of the OHA with the main heritage attributes being associated with the red brick Neo-classical residential structure and associated early red brick addition on the south side;

4. That as per the HIA, the structure and its associated CHVI falls within the land being held by the Province for Highway 413 and the responsibility pertaining to the retention and/or preservation of the house falls to the Province of Ontario through the Ministry of Transportation; and,

5. That a Commemoration Plan be prepared by the applicant to commemorate the agricultural heritage of the area and integrate recommended commemorative measures within the HIA, into the proposed development, regardless of whether the Province chooses to retain and re-use the resource.

HB047-2025

That Brampton Heritage Board meeting do now adjourn to meet again on October 9, 2025.

PDC127-2025

That staff **be directed to report and present** to the City Council Meeting of September 24, 2025 re: Residential Development Charges.

PDC128-2025

WHEREAS the report from François Hémon-Morneau, Planner, Development Services, to the Planning and Development Committee Meeting of September 22, 2025 re: Application to Amend the Official Plan and Zoning By-law, and Draft Plan of Subdivision, 13743446 Canada Inc., Blackthorn Development Corp., 9874 The Gore Road, Ward 8, File: OZS-2023-0017, was received by the Planning and Development Committee on July 7, 2025 and referred back to staff to review the proposed development for Zoning consistency with the Estate Residential Zone.

WHEREAS the previous concept plan provided at the July 7, 2025, Planning and Development Committee proposed a total of 31 units comprised of 4 single detached dwellings and 27 townhouse units.

Whereas following the publication of the September 22, 2025 Planning and Development Committee Agenda the application and concept plan were revised by the applicant to propose 26 single detached dwellings generally in accordance with the attached concept plan.

Whereas Development Services and Design staff have confirmed that the revised proposal and concept plan for the subject property, which now consists of single detached dwellings (26 units in total) is recommended to be approved on the basis that the application represents good planning, has regard for the Planning Act, is consistent with the Provincial Planning Statement (2024) and is in conformity with the Region of Peel Official Plan and the City of Brampton Official Plan (2006) and Brampton Plan (2023);

Therefore be it resolved;

16.2 Discussion Item at the request of Mayor Brown re: Addition of Nigerian Independence Day Celebration to Heritage Month Corporate Events Listing

Mayor Brown introduced a motion regarding the addition of Nigerian Independence Day to the Heritage Corporate Event Listing.

The following motion was considered.

C221-2025
Moved by Mayor Patrick Brown
Seconded by Regional Councillor Medeiros

Whereas City Council recognizes that Brampton is strengthened by its diverse and multicultural communities that bolster its place as a world-class city and Canada's top municipalities to live, play and work; and

Whereas Brampton's various festivals and events contribute to the quality and diversity of community life for Brampton citizens and visitors, and provide opportunities for public participation, economic activity, and tourism; and

Whereas City Council recognizes the historic and ongoing contributions of various communities in this city to the rich legacy and growth of Brampton, including in the important domains of city building, business, culture, arts, sports, and civic life; and

Therefore, be it resolved:

Nigerian Independence Day be added the to Corporate Events Listing 2023-2026, Heritage Month Category, with a budget of $5,000.00, to be delivered within the Strategic Communications, Tourism and Events annual base operating budget.

2. That the Heritage Impact Assessment, 2774 Bovaird Drive West, Brampton prepared by Peninsula Heritage, dated October 31, 2024 be deemed complete; and,

3. That based on the recommendations of the Heritage Impact Assessment, the proposed development at its current location will have no negative impacts on the adjacent cultural heritage resource and no mitigations measures are required.

HB042-2025

1. That the report from Arpita Jambekar, Heritage Planner, to the Brampton Heritage Board Meeting of September 9, 2025, re: **Scoped Heritage Impact Assessment, 2035 Embleton Road, Brampton – Ward 6** be received;

2. That the Scoped Heritage Impact Assessment, 2035 Embleton Road, Brampton prepared by Peninsula Heritage Ltd, dated August 11, 2025, be deemed complete;

3. That, based on the evaluation within the HIA, the proposed development does not result in major direct or indirect impacts on any adjacent or nearby listed or designated heritage properties; and

4. That, the following mitigation measures should be implemented as recommended by the Heritage Impact Assessment, to minimize impact of the proposed development on the heritage character of adjacent heritage properties and the area of Huttonville:

    1. Any mature trees that are impacted or removed by the proposed changes to the property should be replaced by incorporating large scale trees of similar type into landscaping for providing additional barrier to visual impacts from the public right of way;

    2. The current visual barriers including extant foliage and solid wood fence around the property and along Embleton Road must be maintained.

HB043-2025

1. That the report from Rawan Osman, Heritage Planner, to the Brampton Heritage Board Meeting of September 9, 2025, re: **Heritage Impact Assessment, 80 Scott Street – Ward 1**, be received;

2. That the Heritage Impact Assessment, 80 Scott Street dated August 2018(revised August 2019, September 2019) be deemed complete;

3. That the following recommendations as per the Heritage Impact Assessment, 80 Scott Street, to mitigate any potential negative impacts of the proposed development on the adjacent property at 68 Scott Street be received and followed:

    1. Staff recommend the implementation of the landscaping plan prepared by NAK Design Strategies (dated 27 September 2019) and the Tree Inventory and Preservation Plan prepared by Kuntz Forestry

Consulting (dated 26 May 2017) that incorporates a buffer of vegetation between the proposed development and the adjacent property at 68 Scott Street as a means of mitigating any potential negative visual impacts from the proposed development.

2. Vibration monitoring to be conducted as part of the demolition of the existing building at 80 Scott Street and during the construction phase of the proposed development to ensure that vibration levels have no impact on the listed property at 68 Scott Street. This requirement is consistent with City of Brampton By-law 217-2018.

HB044-2025

1. That the report from Tom Tran, Heritage Planner, to the Brampton Heritage Board Meeting of September 9, 2025, re: **Heritage Impact Assessment, 10398 and 10350 The Gore Road – Ward 10**, be received;

2. That the following recommendations of the Heritage Impact Assessment related to the subject property at 10398 and 10350 The Gore Road prepared by LHC dated June 2025 be received and followed:

    i. That the mid-19th century farmhouse at 10398 The Gore Road meets two criteria under Ontario Regulation 9/06 of the Ontario Heritage Act and is considered to have Cultural Heritage Value or Interest (CHVI). That the property at 10350 The Gore Road is not considered to have CHVI.

    ii. That the farmhouse at 10398 The Gore Road is an advanced state of deterioration and demolition is recommended. Salvage of building materials and fixtures from the farmhouse is not recommended due to their lack of integrity.

    iii. That prior to the issuance of the Demolition Permit for any structures on 10398 The Gore Road, a Documentation Plan and Commemoration Plan be prepared in accordance to the City's Terms of Reference and accepted by Heritage Staff. In particular, the Commemoration Plan should consider landscaping and creative strategies to address the loss of the heritage resource.

3. That the following recommendations of the Heritage Impact Assessment prepared by LHC related to the adjacent designated property at 10300 The Gore Road, be received and followed:

    i. That in order to mitigate the indirect impacts of the development to the designated heritage resource at 10300 The Gore Road, the design and

materials of the two-storey podium should be sympathetic to while remaining distinguishable from the Castlemore Schoolhouse. Design inspiration could come from various of the heritage attributes of the schoolhouse such as the dichromatic and corbeled brick patterning, the use of quoins, and buff brick flat segmental arches with stone keystones over windows.

ii. That landscape design should complement and draw attention to views of the Castlemore Schoolhouse bell tower from The Gore Road looking in a southern direction.

iii. That temporary protection measures including vibrational assessment, fencing and signs be implemented during project construction in order to prevent impacts to the structural integrity of 10300 The Gore Road.

HB045-2025

1. That the report from Arpita Jambekar, Heritage Planner, to the Brampton Heritage Board Meeting of September 9, 2025, re: **Heritage Impact Assessment, 126 Nelson Street West – Ward 1**, be received;

2. That the Heritage Impact Assessment, 126 Nelson Street West, Brampton prepared by MHBC Planning, Urban Design and Landscape Architecture, dated June, 2025 be deemed complete;

3. That based on the recommendations of the Heritage Impact Assessment, the proposed development at its current location will have no negative impacts on the adjacent cultural heritage resource at 228 Queen Street West, and no mitigation measures are required.

HB046-2025

1. That the report from Arpita Jambekar, Heritage Planner, to the Brampton Heritage Board Meeting of September 9 2025, re: **Heritage Impact Assessment for 9763 Heritage Road – Ward 6** be received;

2. That the Heritage Impact Assessment, 9763 Heritage Road, Brampton prepared by Peninsula Heritage Ltd, dated February 3, 2025, be deemed complete;

3. That based on the evaluation within the HIA for 9763 Heritage Road, the property meets the criteria for designation under Part IV of the OHA with the main heritage attributes being associated with the red brick Neo-classical residential structure and associated early red brick addition on the south side;

4. That as per the HIA, the structure and its associated CHVI falls within the land being held by the Province for Highway 413 and the responsibility pertaining to the retention and/or preservation of the house falls to the Province of Ontario through the Ministry of Transportation; and,

5. That a Commemoration Plan be prepared by the applicant to commemorate the agricultural heritage of the area and integrate recommended commemorative measures within the HIA, into the proposed development, regardless of whether the Province chooses to retain and re-use the resource.

HB047-2025

That Brampton Heritage Board meeting do now adjourn to meet again on October 9, 2025.

PDC127-2025

That staff **be directed to report and present** to the City Council Meeting of September 24, 2025 re: Residential Development Charges.

PDC128-2025

WHEREAS the report from François Hémon-Morneau, Planner, Development Services, to the Planning and Development Committee Meeting of September 22, 2025 re: Application to Amend the Official Plan and Zoning By-law, and Draft Plan of Subdivision, 13743446 Canada Inc., Blackthorn Development Corp., 9874 The Gore Road, Ward 8, File: OZS-2023-0017, was received by the Planning and Development Committee on July 7, 2025 and referred back to staff to review the proposed development for Zoning consistency with the Estate Residential Zone.

WHEREAS the previous concept plan provided at the July 7, 2025, Planning and Development Committee proposed a total of 31 units comprised of 4 single detached dwellings and 27 townhouse units.

Whereas following the publication of the September 22, 2025 Planning and Development Committee Agenda the application and concept plan were revised by the applicant to propose 26 single detached dwellings generally in accordance with the attached concept plan.

Whereas Development Services and Design staff have confirmed that the revised proposal and concept plan for the subject property, which now consists of single detached dwellings (26 units in total) is recommended to be approved on the basis that the application represents good planning, has regard for the Planning

Act, is consistent with the Provincial Planning Statement (2024) and is in conformity with the Region of Peel Official Plan and the City of Brampton Official Plan (2006) and Brampton Plan (2023);

Therefore be it resolved;

That the report from François Hémon-Morneau, Planner, Development Services, to the Planning and Development Committee Meeting of September 22, 2025 re: Application to Amend the Official Plan and Zoning By-law, and Draft Plan of Subdivision, 13743446 Canada Inc., Blackthorn Development Corp., 9874 The Gore Road, Ward 8, File: OZS-2023-0017, **be received**;

That the correspondence from Harjeet Gill, Barinder Kaur, and Onorio Rocca, Brampton Residents, dated September 18, 2025, to the Planning and Development Committee meeting of September 22, 2025, **be received**;

That the correspondence from Maurizio Rogato of Blackthorn Development Corp., including the submission of a revised Concept Plan proposal (page 3 of Attachment 4 of item 11.1.3 - “Correspondence - Maurizio Rogato, Blackthorn Development Corp., dated September 19, 2025”), to the Planning and Development Committee Meeting of September 22, 2025, **be received**;

That the revised amendments to the Official Plan generally in accordance with the attached Draft Official Plan Amendments (Attachments 1 and 2 of item 11.1.1.1 - “Appendix 2 – Draft Official Plan Amendment 2006” and “Appendix 3 - Draft Official Plan Amendment 2023”) **be recommended for adoption by Council at the September 24, 2025, Council meeting**;

That the revised amendment to the Zoning By-law generally in accordance with the attached Draft Zoning By-law Amendment (Attachment 3 of item 11.1.1.1 - “Appendix 4 - Draft Zoning By-Law Amendment”) **be recommended for adoption by Council at the September 24, 2025, Council meeting**; and

That **no further notice be required** for the attached Zoning By-law Amendment pursuant to Section 34(17) of the Planning Act, R.S.O. c.P. 13, as amended.

A recorded vote was requested and the motion carried as follows:

PDC129-2025

1. That the verbal update by Steve Ganesh, Commissioner, Planning, Building and Growth Management, re: Sunfield Homes Housing Projects (RM 38/2025), to the Planning and Development Committee Meeting of September 22, 2025, **be received**; and

2. That staff **be directed to report** thereon to the City Council Meeting of September 24, 2025.

PDC130-2025

That the Planning and Development Committee do now adjourn to meet again for a Regular Meeting on October 6, 2025, at 7:00 p.m. or at the call of the Chair.

CW302-2025

That the staff update re: **Government Relations Matters**, to the Committee of Council Meeting of October 1, 2025, be received.

CW303-2025

Whereas the Province of Ontario filed enabling regulations in December 2019, to prescribe the locations, fines, and signage for municipalities to utilize Automated Speed Enforcement Cameras (ASE) as a tool to address speeding and improve public safety; and,

Whereas the Province’s ASE legislative framework, together with provincial encouragement in 2019, has led municipalities such as Brampton - where auto-insurance rates remain among the highest in Ontario - to implement ASE technology to improve safety, reduce speeding, and prevent serious collisions and fatalities; and,

Whereas the Provincial government, through the Ministry of Transportation, is responsible for the legislation, regulations and program standards governing municipal ASE programs; and,

Whereas some cities have implemented ASE incorrectly, Brampton is part of the vast majority of municipalities who have implemented best practices endorsed by the Ministry of Transportation and the Ontario Traffic Council - including speed thresholds - that prioritize public safety, resulting in safer roads; and,

Whereas consistent with local, regional, national and international research by third parties including Sick Kids & Toronto Metropolitan University, the Canadian Automibile Association, the Ontario Association of Chiefs of Police, the Traffic Injury Research Foundation, and the Ontario Traffic Council; the City of Brampton's ASE program has resulted in significant reductions in speed, increased speed compliance in Community Safety and School Zones, and changes in driver behaviour as outlined in the September 10, 2025 Council report titled "Automated Speed Enforcement – Traffic Safety Update";

Whereas the average recorded speed for ticket issued is 15.7 km/h over the posted limit, demonstrating that Brampton's existing threshold is both reasonable and aligned with best practices; and

Whereas between twenty and thirty percent of ASE ticket revenue is collected by the Province of Ontario.

Whereas Brampton is working to improve road safety and uphold its commitment to Vision Zero, through its ASE program and complementary traffic-calming measures such as speedbumps/humps, roundabouts, road diets, and improved signage, in order to reduce speeds, prevent collisions, and promote lawful driving behaviour.

Whereas the City of Brampton has already implemented a significant number of speedbumps, likely the most in the province with 834 locations and anticipates installing an additional 33 individual locations this year, but because speedbumps cannot be deployed in all areas around schools, a comprehensive approach to traffic calming, including Automated Speed Enforcement, has proven effective in reducing vehicle speeds, changing driver behaviour, preventing fatal collisions, and enhancing public safety;

Whereas polling in Brampton demonstrates strong and consistent public support for ASE as a tool to reduce speeding, including: Mainstreet Research (Early September 2025) showing 65% overall support, and the City-led Telephone Townhall poll (July 2025) showing 86% of participants support for speed cameras near schools and parks to help curb speeding; and

Whereas despite clear evidence and proven results from cities like Brampton, municipalities were caught off guard by the Premier's sudden announcement to cancel ASE programs across the province, made without adequate notice and consultation;

Whereas a preliminary estimate of private sector investment by companies delivering ASE solutions indicates the creation of 62 jobs and $14 million dollars of investment in the province; and

Whereas the Premier believes some municipalities have misused ASE; but that is no reason to shut down municipal ASE programs that have proven successful at changing driver behaviour and improving public safety; and

Whereas the Premier's concerns regarding ASE can be addressed through amendments to provincial legislation, regulations and program standards that enable municipalities to consistently utilize ASE, without an outright ban on the technology; and,

Whereas Brampton's ASE program is considered best-practice and rather than banning, the Premier should meet with Mayor Patrick Brown and other municipal leaders to develop improved provincial legislation, regulations and program standards related to the ASE program; and,

Whereas it is reckless to abandon what works, and essential to maintain a program that preserves public safety, and, especially, at a very minimum, safety in school locations; and,

Whereas should the ASE program be cancelled, the considerable municipal investments to implement this provincially shaped program must be reimbursed, and additional funding must be provided to implement alternate, although not necessarily as effective, traffic calming measures.

Therefore be it resolved:

1. That Brampton City Council formally opposes the Province's decision to abruptly cancel ASE, a public safety tool enabled through provincial regulations in December 2019; and,

2. That a letter from Council be sent to the Premier, the Minister of Transportation, and local MPPs outlining Brampton's position, calling for the continuation of ASE, and Brampton Council request that the Premier meet with Mayor Patrick Brown, and other municipal leaders to negotiate consistent implementation across municipalities that utilizes best practices to uphold the public safety benefits of ASE; and,

3. That the City of Brampton immediately implement the following ASE program enhancements to accommodate concerns and maintain the technology as an effective public safety tool:

    a. Limit the use of ASE cameras to school locations

    b. Maintain the existing threshold and implement variable threshold speeds:

        - Maintain existing speed threshold during peak hours around schools
        - Implement a higher speed threshold for non-peak hours to enforce excessive speeding & stunt driving

    c. Develop and implement a process to limit the number of tickets that can be issued to a single license plate within a defined period of time, excluding excessive speeding or stunt driving

    d. Prohibit the operation of an ASE camera for six months following a speed limit change

    e. Require that surplus ASE revenues be reinvested in road safety–related infrastructure, initiatives, and education

    f. Require that staff report annually to Council, through the budget process, on the allocation and use of surplus ASE revenues

    g. Require that staff report annually to Council on outcomes of the ASE program (e.g., number of tickets, speed reductions, speed limit compliance, collisions, injuries/fatalities, etc.); and,

4. That the City of Brampton request the Provincial government to amend their legislation, regulations and program standards governing ASE as follows:

    a. Restrict the use of ASE to School locations

    b. Use of ASE in areas that do not contain schools must be approved by the Minister of Transportation, supported by data clearly demonstrating the need and a description of why alternative traffic calming measures are not suitable for the location.

    c. Eliminate provincial fees and charges from ASE tickets, including:

        - MTO fee, currently $8.25 per ticket, for providing registered license plate owner information
        - Victim surcharge fee ranging from $10 to $125 - or 25% of the fine for speeding offences greater than $1,000

d. Develop a revised fee schedule for ASE tickets that reduces the cost for lower speed infractions while maintaining higher penalties for excessive speeding and stunt driving

e. Extend voluntary electronic notification (SMS and/or email) to license plate holders to reduce the notification period for ASE offences, similar to license plate renewal notifications

f. Develop new signage to include language indicating that the location is speed camera enforced

g. Develop more visible ASE signage that includes the speed limit

h. Require municipalities to reinvest surplus ASE revenue into road safety-related infrastructure, initiatives and education

i. Require greater transparency from municipalities by implementing the following reporting requirements:

- Report annually to municipal Council on how surplus ASE funds are spent.
- Require annual public reporting of program outcomes (e.g., number of tickets, speed reductions, speed limit compliance, collisions, injuries/fatalities, etc.).

j. Establish program standards across all municipalities for key program elements - like speed thresholds - through a process led by the Ministry of Transportation and in consultation with municipalities to ensure consistency and transparency for all municipalities in Ontario.

k. That the Ministry of Transportation provide greater oversight and enforcement of Municipal ASE programs through regular audits; and

5. That, should the provincial government proceed with banning the use of ASE despite Brampton's immediate actions to address concerns and requests to work collaboratively with the Province and other municipalities to continue these programs, the Province must reimburse municipalities for all costs incurred to implement ASE program; and,

6. Staff be directed to report back on potential impacts of an ASE ban on Brampton's road safety strategy and financial investments; and,

7. That a copy of this resolution be sent to the Premier of Ontario, the Minister of Transportation, Brampton members of Provincial Parliament, local MPPs across the Region of Peel, all Ontario Municipalities, the Association of

Municipalities of Ontario (AMO), the Ontario Association of Chiefs of Police (OACP), and the Ontario Traffic Council; and,

8. That the City develop an advocacy campaign consistent with this motion.

CW304-2025

That the correspondence from David Laing, Brampton Resident, to the Committee of Council Meeting of October 1, 2025, re: **Item 7.2 - Discussion Item at the request of Regional Councillor Santos, re: Provincial Decision on Automated Speed Enforcement (ASE)**, be received.

16.2 Discussion Item at the request of Regional Councillor Palleschi, re: Parks Bench and Tree Dedication Program

Regional Councillor Palleschi put forward the following motion for consideration.

C232-2025
Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Kaur Brar

Whereas the family of **Gurjot Gill**, a 20-year-old Brampton resident who tragically lost his life in a motorcycle accident at the intersection of Mayfield Road and Highway 10 in August 2023, has expressed their wish to honour his memory through the City's Tree Dedication Program; and

Whereas Gurjot was a proud graduate of **Jean Augustine Secondary School**, where he built lasting friendships and strong community ties; and

Whereas the family wishes to commemorate Gurjot's life ahead of his **birthday on October 20, 2025**, by dedicating a tree and bench in his honour; and

Whereas the family has requested that a **memorial tree be planted near the site of the accident** and that a **memorial bench be installed at or near Jean Augustine Secondary School**, to celebrate his life and enduring impact on his community.

Therefore, be it resolved that:

1. The deadline for the 2025 Tree Dedication Program be extended to allow the Gill family to participate in honouring their son's memory; and
2. Staff be directed to coordinate the planting of a memorial tree near the location of the accident (Mayfield Road and Highway 10); and
3. Staff be directed to install a memorial bench at or near Jean Augustine Secondary School, in consultation with the school to determine feasibility and placement; and
4. All applicable fees associated with the memorial tree and bench installation in memory of Gurjot Gill be waived, in recognition of the compassionate and exceptional nature of this request; and
5. That other residents who have submitted similar requests for memorial trees or benches this year be permitted to participate under the extended program deadline.

Carried

A recorded vote was requested and carried unanimously as follows:

CW324-2025

1. That the report from Paul Aldunate, Senior Manager, Economic Development and International Relations, to the Committee of Council Meeting of October 22, 2025, re: **Update Economic Development Office Tariff – Brampton's Economic Resilience – Tariff Action Plan**, be received; and

2. That staff continue to monitor trade relationship with the U.S. and provide updates as required regarding Brampton's Tariff Action Plan; and

3. WHEREAS In May 2022, federal and provincial governments announced an investment of $3.6 billion to help Stellantis retool its Brampton and Windsor plants to install a flexible assembly line capable of producing battery-electric and hybrid vehicles;

AND WHEREAS Since December 2023, production at the plant stopped for the Challenger and Charger gas vehicles and retooling began at the beginning of 2024 to accommodate the retooling to manufacture electric vehicles;

AND WHEREAS in January 2025, the City of Brampton supported the severance and sale of 32 acres from Stellantis's 270-acre site at 2000 Williams Parkway, generating $80 million intended to support retooling efforts and accommodate Stellantis's anticipated shift in operational space and production strategy;

AND WHEREAS in October 2025, Stellantis announced its decision to shift production of the Jeep Compass from the Brampton Assembly Plant in Ontario to a facility in Belvidere, Illinois, as part of a US$13 billion expansion of its U.S. manufacturing operations;

AND WHEREAS Stellantis has been an anchor in Brampton's community since 1985, driving economic growth and providing thousands of high-quality manufacturing jobs, and contributing to the city's reputation as a hub for automotive excellence and innovation;

AND WHEREAS this decision will directly impact 3,000 Stellantis union workers at the Brampton assembly plant and thousands more of non-unionized workers that feed the local supply chain, support services, and small business community. Nearly a quarter of Brampton's manufacturing jobs are tied to auto and for every auto job in Brampton, there are 5-6 spin-off jobs in our community;

AND WHEREAS Stellantis has not yet confirmed any new product allocation for the Brampton Assembly Plant, creating significant uncertainty regarding the long-term viability of the facility;

AND WHEREAS the City of Brampton has already established a Mayor's Tariff Task Force, to address issues related to Canada-U.S. trade and tariffs, and to coordinate responses that protect Brampton's manufacturing base and economic interests;

AND WHEREAS the Government of Canada is actively seeking input from municipalities and businesses as part of its consultation process for the 2026 review of the Canada-United States-Mexico Agreement (CUSMA), and the City of Brampton is currently gathering and compiling business feedback for formal submission;

THEREFORE BE IT RESOLVED:

THAT Council instructs staff to engage with the Governments of Ontario and Canada to:

- Secure immediate transitional support for affected workers, including financial assistance, job matching, and upskilling programs;
- Explore targeted investment attraction strategies and incentives to bring new production or advanced manufacturing opportunities to Brampton;
- Ensure Brampton is included in federal and provincial economic impact assessments tied to the Stellantis decision;

THAT Council directs Economic Development to lead coordinated engagement with the automotive supply chain, as part of the work of the City's existing Tariff Task Force, to:

- Respond directly to and measure the impact of the Stellantis announcement;
- Coordinate efforts to support affected workers and suppliers;
- Identify reinvestment and innovation pathways for the Brampton Assembly Plant;

- Ensure Brampton's interests and its workers are protected in ongoing Canada–U.S. trade discussions;

THAT Council directs staff to prepare and submit Brampton's formal input to the Government of Canada as part of the CUSMA review consultation process, including:

- Feedback from Brampton-based businesses and manufacturers;
- A clear summary of how trade-related decisions, including the Stellantis relocation, are affecting Brampton's economy;
- Recommendations for how future trade agreements can better protect Canadian jobs, manufacturing cities, and municipal-level economic development;

THAT Council requests that staff report back to Council by Q2 2026 with:

- Updates on all engagements with the auto manufacturing industry, and federal/provincial government partners;
- Details of any funding or support programs secured for Brampton workers and businesses;
- A summary of Brampton's final CUSMA submission and related advocacy actions, and;

FURTHER that this resolution be circulated to:

- Stellantis North America and Global leadership;
- The Premier of Ontario;
- The Prime Minister of Canada;
- Global Affairs Canada;
- Local MPs and MPPs representing Brampton;
- Unifor leadership;
- Auto Parts Manufacturers Association;
- Peel Region Council.
- Federation of Canadian Municipalities (FCM); and
- Association of Municipalities of Ontario (AMO)

CW325-2025

That the delegation from Jaipaul Massey-Singh, CEO, Brampton Board of Trade, to the Committee of Council Meeting of October 22, 2025, re: **Item 8.2.1 - Staff Report re: Update Economic Development Office Tariff – Brampton's Economic Resilience – Tariff Action Plan**, be received.

CW326-2025

That the staff update re: **Government Relations Matters**, to the Committee of Council Meeting of October 22, 2025, be received;

That the Commissioner of Legislative Services be requested to send correspondence to the Clerk of the Legislative Assembly of Ontario to provide correction of data with respect to speed cameras in Brampton, quoted incorrectly within its proceedings; and

That staff report to a future meeting with respect to the feasibility of the use of automated speed cameras for the capture of automobiles passing through red traffic signals and noise infractions specific to automobile exhaust systems / mufflers.

CW327-2025

That staff be directed to report on the potential of all revenue collected in relation to camera speed enforcement, that would otherwise be allocated to the City, be directed to charities of the choice of the Premier of Ontario.

Whereas the City of Brampton has several businesses impacted by the decline in the conditions along Kennedy Road South and Stafford Drive; and

Whereas local area businesses and residents have raised concerns regarding illegal parking, unauthorized businesses, and environmental issues such as oil spills on adjacent streets; and

Whereas these conditions have contributed to a negative appearance of the area, reduced road accessibility, and safety concerns for first responders responding to emergencies;

Therefore Be It Resolved that City of Brampton staff be directed to return to a future meeting of the Committee of Council with a comprehensive strategy to clean up Kennedy Road South and Stafford Drive, including:

- Enhanced enforcement measures;
- Environmental remediation efforts;
- Accessibility and safety improvements; and
- Business area revitalization initiatives.

15.1 Notice of Motion re: Canada's Role in Peace for the Palestinian People

The following motion was considered.

C244-2025
Moved by Regional Councillor Medeiros
Seconded by Regional Councillor Toor

That the following proposed motion be forwarded to Brampton Interfaith for consideration and feedback, prior to it being place on a Council agenda for consideration:

Whereas the City of Brampton recognizes its responsibility to uphold human rights, international humanitarian law, and the dignity of all peoples;
Whereas since October 2023, notwithstanding the decades of violence against Palestinians, the Palestinian people of Gaza have endured a large‐scale military campaign, siege, blockade, and destruction of civilian infrastructure by the State of Israel, resulting in the deaths of thousands of civilians, including children, women, and elderly persons;
Whereas the United Nations, international human rights organizations, and independent investigations have called the actions of Israel in Gaza a form of genocide, with the scale of civilian casualties, displacement, and destruction indicating intent to erase the Palestinian people and their way of life in Gaza;
Whereas this ongoing violence is in direct violation of international law, including the Geneva Conventions, which prohibit attacks on civilians and the destruction of essential civilian infrastructure;
Whereas in December 2023, the United Nations Human Rights Council confirmed that actions by Israel in Gaza qualify as genocide under the UN's legal definition, recognizing the deliberate targeting of civilians and the destruction of Palestinian cultural and civilian heritage as acts of cultural genocide;
Whereas the Government of Canada officially recognized the State of Palestine in September 2025 and continues to advocate for a two-state solution to the Israeli-Palestinian conflict;
Whereas despite Canada's recognition of Palestine, Canada’s continued military trade and arms exports to Israel have contributed to ongoing violence in Gaza, directly violating Canada’s stated values of peace, justice, and human rights;
Whereas despite international calls for a ceasefire, the Israeli government has continued its attacks in Gaza, as confirmed by multiple international monitoring bodies, even after a ceasefire agreement was brokered in early November 2023;

Whereas despite the peace deal that was announced by the United States, Israel is still actively engaged in further attacks in Gaza;
Whereas recent investigative reports reveal that, despite Canada's declaration in 2023 of a temporary suspension on arms exports to Israel,

military shipments to Israel from Canada have continued through backdoor channels and existing export permits, undermining Canada's commitment to peace;

Whereas Canadian civil society and Palestinian advocacy organizations report that Canadian military components, including munitions and parts for airstrikes, continue to reach Israel, exacerbating the ongoing genocide and destruction in Gaza;

Whereas the City of Brampton has a responsibility to stand against systemic injustice and oppression, and affirm the rights of all peoples to live in peace and dignity, including Palestinians in Gaza;

Whereas families of Palestinian origin living in Canada face severe obstacles to reunification and safe travel, and the current Temporary Resident Visa (TRV) program is inadequate to support family reunification or meet humanitarian needs in Gaza;

Whereas the City of Brampton recognizes the concept of apartheid as defined in international law and is committed to ensuring that it remains a community free from all forms of racial, ethnic, or religious discrimination;

Therefore be it resolved that the Council:

1. Authorizes the Mayor to send a formal letter to the Government of Canada urging:
    - the immediate establishment of a **full two- way arms embargo** between Canada and Israel, including halting all arms exports to Israel, and cancelling existing arms export permits;
    - the transformation of the Gaza Temporary Resident Visa (TRV) program so as to prioritize safe reunification of Gazan- Canadian families, including expedited processing, humanitarian pathways, and removal of barriers for eligible applicants;
2. Calls on the Government of Canada to recognize and take immediate action to address the **genocide** and **ethnic cleansing** occurring in Gaza by:
    - demanding an immediate, unconditional ceasefire, ending all military operations by Israel in Gaza and facilitating full, unfettered humanitarian aid access to the region;

CW360-2025

That the matter of real estate and open house signage be **referred** to staff for consideration and a report thereon.

CW361-2025

Whereas the owner of 8957 Heritage Rd has sent a formal letter requesting to be de-listed from the Municipal Register of Cultural Heritage Resources “Listed” Heritage Properties;

Whereas a Cultural Heritage Evaluation Report (CHER) for 8957 Heritage Road, prepared in accordance with the Ontario Heritage Act, the City’s Heritage Impact Assessment Terms of Reference, and Ontario Regulation 9/06, concluded that the property does not demonstrate sufficient cultural heritage value or interest to warrant continued listing on the City’s Register;

Whereas the evaluation determined that the existing mid-twentieth-century one-and-a-half-storey dwelling has undergone extensive alterations, resulting in a

loss of physical integrity and elimination of any distinctive design or craftsmanship features that would justify design or physical value;

Whereas historical research found that the property lacks direct association with significant persons, events, or themes, and is not connected to Brampton's early settlement period or historic development patterns, and therefore does not meet the criterion for historical or associative value;

Whereas the property is contextually isolated due to surrounding urban expansion, road widening, and modern commercial uses, such that it no longer contributes to or supports the character of any surrounding heritage resources or landscapes, thereby failing to meet the contextual criterion under Ontario Regulation 9/06;

Whereas the CHER concludes that continued inclusion of the property on the municipal register does not align with sound heritage management principles or effective prioritization of genuine heritage resources, and recommends that any components of potential salvage value - such as wood trim, stonework, or façade elements - be evaluated for reuse or donation to local heritage initiatives;

Therefore, be it resolved:

That Staff be directed to undertake the process to de-list 8957 Heritage Rd from the City of Brampton's Municipal Register of Cultural Heritage Resources and;

That any by-laws associated with the "listing" of 8957 Heritage Rd as a Heritage Property be repealed.

CW362-2025

Whereas the owner of 127 Queen St W has sent a formal letter requesting to be de-listed from the Municipal Register of Cultural Heritage Resources "Listed" Heritage Properties; and

Whereas the owner of 127 Queen St W cites hardships to his business due to municipal infrastructure projects in downtown Brampton leading to hindered access, blocked entrances, sidewalks and streets, sever sewer back ups and flooding events leading to insurers not willing to insure the property and business;

Therefore be it resolved

That staff be directed to undertake the process to de-list 127 Queen St W from the City of Brampton's Municipal Register of Cultural Heritage Resources and;

That any by-laws associated with the “listing” of 127 Queen St W as a Heritage Property be repealed.

CW363-2025

That the correspondence from Steve Oliveira, Owner, Ego Studio & Barber Inc., to the Committee of Council Meeting of November 12, 2025, re: **Item 9.3.6 - Notice of Motion - “Listed” Heritage Property – 127 Queen Street West**, be received.

CW364-2025

That staff be requested to report on potential strategies with respect to enhancement of Remembrance Day and related public education, potentially a month-long observance, partnership with Veterans Affairs, recognition of the 100th Anniversary of Canadian Legion Branch Number 15, or other options as may be appropriate.

CW365-2025

15. Notices of Motion

15.1 Notice of Motion re: To Improve Sepsis Recognition and Response

The following motion was considered.

C255-2025
Moved by Regional Councillor Kaur Brar
Seconded by Mayor Patrick Brown

Whereas sepsis is a life-threatening response to infection with significant morbidity and mortality.

And whereas, Canadian researchers, in response to recent sepsis related deaths throughout Ontario highlighted the need for early detection and escalation protocols across the system, are calling for progress towards a national action plan that includes standards and guidelines for the prevention, early diagnosis and management of sepsis.

And whereas, early identification and treatment of sepsis can significantly reduce mortality, and consistent application of screening tools and protocols is critical.

Therefore be it resolved,

That Mayor Brown write a letter to the Ministry of Health and Ontario Health advocating for standardized protocols to support early recognition and timely intervention for sepsis; and calling for standardized training on sepsis identification, escalation, and management procedures across the health sector; and,

That the letter be shared with local Ontario Health Teams for their information and to advocate for a coordinated, system-wide approach to sepsis awareness and prevention; and,

That “Sepsis Awareness Month” be recognized by the City of Brampton and added to the Important and Commemorative Dates listing for the month of September on an annual basis; and.

That this correspondence also be forwarded to Brampton area MPs and MPPs and the Region of Peel.

Yea (10): Mayor Patrick Brown, Regional Councillor Santos , Regional Councillor Vicente , Regional Councillor Kaur Brar, Regional Councillor Palleschi , Regional Councillor Keenan, Regional Councillor Medeiros , Regional Councillor Fortini , City Councillor Power, and Deputy Mayor Singh

That the staff update re: **Government Relations Matters**, to the Council Meeting of December 10, 2025, be received.

Carried

C266-2025
Moved by Deputy Mayor Singh
Seconded by Mayor Patrick Brown

WHEREAS, extortion is rapidly increasing in Canada, driven by transnational criminal networks and digital intimidation tactics.

WHEREAS, small businesses and vulnerable communities are frequent targets, with threats of violence or property damage used to extract payments quickly and with low investigative risk.

WHEREAS, on November 28, 2025, the Government of Canada announced that, in collaboration with the B.C. Government, to better target organized crime tied to drugs and cross-border movement, the government is launching a new Regional Integrated Drug Enforcement Team (RIDET). It will receive $4 million over four years under the federal border plan.

WHEREAS, the Government of Canada further announced that the federal and provincial governments are committing $1 million to support victims of extortion, with an additional $500,000 going to B.C. police agencies for victim safety planning, outreach and protective equipment.

WHEREAS, Peel Region's extortion rates meet or exceed those in B.C., with 319 reports in 2023, 490 reports in 2024 (53.6% increase) and 436 reports from January 1-November 30, 2025.

WHEREAS, the Region of Peel faces one of the highest volumes of extortion in Canada, with a significant community impact.

WHEREAS, on September 29, 2025, the Honourable Gary Anandasangaree, Minister of Public Safety, announced that the Government of Canada has listed the Bishnoi Gang, a transnational criminal organization, as a terrorist entity under the Criminal Code.

WHEREAS, the Bishnoi Gang engages in murder, shootings, arson, and generates terror through extortion and intimidation.

WHEREAS, the Bishnoi gang is active in areas with significant diaspora communities.

WHEREAS, the City of Brampton and Region of Peel have one of the largest diaspora communities in Canada.

WHEREAS, Peel Regional Police have confirmed that the Bishnoi Gang has been responsible for numerous crimes and extortion in the Peel Region.

WHEREAS, advanced investigative capacity is resource-intensive and unsustainable at the municipal level.

WHEREAS, Peel Regional Police's efforts are constrained by a lack of authority for border, immigration, and international intelligence operations.

WHEREAS, the City of Brampton requires support from both the federal and provincial governments to help address this issue, as recognized in B.C.

WHEREAS, the federal funding model in B.C. sets a precedent for national equity: funding should follow crime severity, not geography.

WHEREAS, the Region of Peel's rates justify eligibility for federal task-force funding and victim support.

Therefore, be it resolved:

1. That a copy of this motion be shared with the Prime Minister, Minister of Public Safety, Premier Ford and the Ontario Solicitor General.
2. That the Mayor send a letter to the Prime Minister and the Minister of Public Safety requesting that the federal government:
    a. Extend dedicated extortion task-force funding to the Region of Peel, mirroring B.C.'s model.

b. Provide targeted victim-support and community outreach funding.

c. Establish formal intelligence-sharing frameworks for coordinated disruption of transnational networks.

3. That the Mayor send a letter to Premier Doug Ford and the Ontario Solicitor General requesting that the province work with the Government of Canada to establish a dedicated victim support fund, mirroring the funding model in B.C.

10.2.1 Staff Report re: Amendments to Administrative Penalty System Penalties

Council discussion on this matter included the following:

- Rationale for the proposed increases to Administrative Penalty fines
- Efforts to increase compliance and safety
- Costs associated with enforcement response and building and fire code inspections
- Benchmarking with other municipalities
- Improvements in the level of compliance
- The need to ensure offenders pay the costs associated with enforcement response and inspections
- The need for robust communications to inform the public of the increased fines
- Clarification regarding on-street and sidewalk obstruction offenses during a snow event

Steven Ross, Deputy City Solicitor, advised that an amendment is required to By-law Items 18.16 and 18.17 to include an effective date of January 1, 2026.

The following motion was considered.

C267-2025
Moved by Regional Councillor Keenan
Seconded by Regional Councillor Santos

1. That the report from Robert Higgs, Director, Enforcement and By-law Services, Legislative Services, to the Council Meeting of December 10, 2025, re: **Amendments to Administrative Penalty System Penalties**, be received; and

Regional Councillor Medeiros outlined his position with respect to Recommendation CW416-2025 and requested that this recommendation be extracted and a recorded vote be taken.

The motion was considered as follows.

C268-2025
Moved by Regional Councillor Medeiros

That the Chief Administrative Officer be delegated authority to execute a long-term lease agreement, and any other documents necessary, between The Corporation of the City of Brampton, as landlord, and the Regional Municipality of Peel, as tenant, on terms and conditions as directed by Council and otherwise acceptable to the Senior Manager, Realty Services, and in a form acceptable to the City Solicitor or designate.

A recorded vote was requested and carried as follows:

Yea (8): Mayor Patrick Brown, Regional Councillor Santos, Regional Councillor Vicente, Regional Councillor Kaur Brar, Regional Councillor Palleschi, Regional Councillor Keenan, Regional Councillor Toor, and City Councillor Power

Nay (2): Regional Councillor Medeiros, and Regional Councillor Fortini

Absent (1): Deputy Mayor Singh

Carried (8 to 2)

Regional Councillor Toor outlined his position with respect to Recommendation CW412-2025 and requested that this recommendation be extracted and a recorded vote be taken. In addition, the Councillor raised concerns regarding the communication of this recommendation on the City's website prior to receiving Council approval and requested that staff report back on this matter at the next Council meeting.

The motion was considered as follows.

C269-2025
Moved by Regional Councillor Toor

Whereas the Province of Ontario has enabled Additional Residential Units (ARUs) as-of-right across municipalities, imposing significant enforcement and regulatory responsibilities on local governments without commensurate funding to support Building, Fire Prevention, and By-law Enforcement functions;

Whereas the City recognizes that ARUs contribute to housing affordability, but affirms that affordability must never come at the expense of life-safety, Fire Code and Building Code compliance, or community well-being;

Whereas enabling ARUs as-of-right has resulted in forced growth and at times unpermitted and unsafe construction, creating increased demands for oversight and placing significant pressure on municipal capacity to proactively identify and mitigate life-safety risks;

Whereas unlicensed ARUs and absentee landlords throughout the city continue to pose significant risks to resident safety, housing quality, and neighbourhood well-being;

Whereas the City continues to invest within its financial means in tools such as the Residential Rental Licensing (RRL) Pilot Program, launched in January 2024 and updated through the enhanced framework presented to Committee of Council on November 26, and in proactive enforcement initiatives to address the unintended consequences of rapid ARU growth, including illegal construction, fire-safety violations, parking pressures, and property-standards concerns;

Whereas the City of Brampton has a long history of advocating for sustainable, long-term provincial and federal funding to ensure adequate municipal resources are in place to support ARU-related legislation, and has consistently advocated

for improvements to the Landlord and Tenant Board to reduce backlogs and improve adjudication timelines;

Whereas the City of Brampton currently has approximately 28,254 registered ARUs across all wards and an additional 4,257 proposed ARUs city-wide, resulting in substantial service demands on Building, Fire Prevention, Property Standards, and Enforcement divisions;

Whereas as a result of inspections conducted under the RRL Pilot Program, an additional 869 properties have been brought into compliance with by-law requirements, and 789 properties brought into compliance with Fire Code requirement, demonstrating the effectiveness of the program in making rental housing safer for residents;

Whereas any expansion of the RRL Program will require new resources, including Fire Prevention Officers, Building Inspectors, and Property Standards Officers, to support compliance monitoring, life-safety inspections, and complaint response, particularly as a city-wide rollout would more than double the number of ARUs subject to oversight compared to the current pilot area;

Whereas the Ontario Building Code places responsibility on property owners to obtain permits, follow approved plans, and request mandatory inspections, and the Building Code Act, 1992 restricts municipal entry into dwelling units without consent, a warrant, or immediate danger, limiting the City's ability to proactively verify compliance or detect unpermitted construction;

Whereas the City of London adopted bedroom limits under an Interim Control By-law, including a maximum of two bedrooms per ARU, gross floor area limits, and caps on the total number of bedrooms per property, to manage intensity and safety concerns; and,

Whereas the real estate industry has a critical role in verifying legality before marketing, selling, or leasing dwelling units, and the Real Estate Council of Ontario (RECO) has authority under TRESA to investigate and discipline realtors for false, misleading, or deceptive advertising, including the misrepresentation of unpermitted or illegal ARUs as legal rental units.

Now Therefore Be It Resolved:

1. That the Residential Rental Licensing (RRL) Program be expanded to all wards in the City of Brampton, with implementation commencing in 2026 following the established phased model, in consultation with the area ward councillors.

2. That staff report back to Council on the resource and staffing needs required to support the city-wide expansion of the RRL Program, including budget

requirements for Fire Prevention, Building, Enforcement, and any supporting functions and resources.

3. That the Province of Ontario and the Government of Canada be requested to provide dedicated, long-term funding to support municipal Fire Prevention, Building Code compliance, and By-law Enforcement functions associated with increasing ARU-related responsibilities transferred to municipalities through provincial legislation, to mitigate life-safety risks and support safe, healthy, and livable communities.

4. That the Province of Ontario be requested to amend the Building Code Act, 1992 and associated regulations to modernize municipal authorities for inspecting ARUs that parallel authorities for institutional, commercial, and industrial permits, recognizing that ARUs operate as businesses with elevated life-safety risks, including providing Building Officials with conditional authority to enter dwelling units without a warrant for the purpose of verifying Building Code compliance when a permit has been applied for or issued, or where there are reasonable grounds to believe a change of use has occurred without a permit, and establishing an Administrative Monetary Penalty framework for Building Code violations.

5. That staff assess the applicability of ARU bedroom limits, like those adopted by the City of London, as a tool to support life-safety, manage intensity, and address property-standards impacts, and report back with recommended approaches.

6. That the City of Brampton continue to request the Province of Ontario and Tribunals Ontario to prioritize reducing adjudication backlogs at the Landlord and Tenant Board to support timely resolution of rental disputes and safe, compliant housing.

7. That staff continue to inform the Ontario Real Estate Association and the Brampton Real Estate Board of the City's RRL and related program requirements, advise the Real Estate Council of Ontario (RECO) of concerns regarding the marketing of unregistered or illegal ARUs, and request that RECO reinforce compliance expectations regarding accurate disclosure of ARU status; and

8. That a letter outlining the advocacy positions and requests contained in this motion, the related staff report and RRL Task-Force presentation, together with a copy of the motion, be sent to the Minister of Municipal Affairs and Housing, all Brampton-area Members of Provincial Parliament, and the Association of Municipalities of Ontario (AMO).

A recorded vote was requested and carried as follows:

Yea (9): Mayor Patrick Brown, Regional Councillor Santos, Regional Councillor Vicente, Regional Councillor Palleschi, Regional Councillor Keenan, Regional Councillor Medeiros, Regional Councillor Fortini, City Councillor Power, and Deputy Mayor Singh

PDC011-2026

That the Minutes of the Active Transportation Advisory Committee meeting of December 9, 2025, Recommendations ATC036-2025 – ATC043-2025, to the Planning and Development Committee Meeting of January 16, 2026, **be approved**.

ATC036-2025

That the agenda for the Active Transportation Advisory Committee Meeting of December 9, 2025, be approved, as published and circulated.

ATC037-2025

That the delegation from David Laing, Chair, BikeBrampton, to the Active Transportation Advisory Committee Meeting of December 9, 2025, re: **The Impact of Provincial Legislation, Specifically Bill 60 on the Implementation of the City's Active Transportation Strategy**, be received.

ATC038-2025

That the presentation by Cindy Evans, Citizen Member, Brampton Resident, to the Active Transportation Advisory Committee Meeting of December 9, 2025, re: **Ideas for 2026 Community Rides**, be received.

ATC039-2025

1. That the presentation by Stephen Laidlaw, Co-Chair, to the Active Transportation Advisory Committee Meeting of December 9, 2025, re: **School Zone Speed Reduction in Brampt**on, be received; and,

2. Whereas the City of Mississauga and other surrounding municipalities have already reduced the posted speed limits in school zones to 30 km/h; and,

   Whereas the Hospital For Sick Kids has found a 28% reduction in pedestrian/vehicle collision, in a study of the adoption of 30 km/h school zone speed limits in Toronto; and,

Whereas the speed reduction to 30 km/h in school zones would be in line with the City of Brampton commitment to Vision Zero; and,

Whereas the provincial government has publicly committed to funding such speed reduction measures, in the manner of signage; and,

Therefore be it resolved that it is the position of the Active Transportation Advisory Committee that Council have Traffic Operation staff review and consider a reduction of school zone speed limits to 30 km/h.

ATC040-2025

That the verbal update by Fernanda Soares, Project Manager, Active Transportation, Planning Building and Growth Management, to the Active Transportation Advisory Committee Meeting of December 9, 2025, re: **The 2025 Work Plan**, be received.

ATC041-2025

Whereas the success of Brampton's Mobility Plan is highly dependent on increasing the mode share for sustainable transportation options including walking, cycling and micromobility,

Whereas failure to increase active transportation mode share will likely result in growing rates of traffic congestion leading to economic harm, increased health related risks and higher carbon emissions,

Whereas increasing the percentage of trips taken by pedestrians, cyclists or micromobility device users is dependent on the city providing a transportation network that meets high design and maintenance standards for safety, convenience, comfort, and connectedness,

Whereas the current Mobility Plan calls for a variety of bike lane types to be installed on many roads, and that this strategy represents the most expeditious and most cost-effective approach to completing the active transportation network while achieving the standards noted above,

Whereas the Ontario government's Bill 60 now bans Brampton from removing vehicle traffic lanes to install bike lanes,

Whereas the City of Toronto proposes to reconfigure roads allowing bike and traffic lanes to coexist by making efficient use of available road space,

Therefore be it resolved that it is the position of the Active Transportation Advisory Committee, that:

1. Council direct staff to reevaluate the Brampton Mobility Plan in light of Bill 60; and,
2. Staff report back to the Active Transportation Advisory Committee on which streets in Brampton could receive similar treatment to that being proposed in Toronto as part of the Active Transportation Master Plan update and to prioritize Active Transportation network infrastructure projects; and,
3. Sufficient funds be included in the city's budget each year to build prioritized projects such that the network can be completed within the planning period.

The motion be referred to the mayor's budget process.

ATC042-2025

That the Correspondence from Amanda Mcilveen, Manager, Transportation Right of Way and Safety, to the Active Transportation Advisory Committee Meeting of December 9, 2025, re: **Leading Pedestrian Intervals (LPI) in the City of Brampton**, be received.

ATC043-2025

That the Active Transportation Advisory Committee do now adjourn to meet again on Tuesday, February 10, 2026, at 7:00 p.m. or at the call of the Chair.

PDC012-2026

That the Minutes of the Active Transportation Advisory Committee meeting of December 9, 2025, Recommendations BHB054-2025 – BHB060-2025, to the Planning and Development Committee Meeting of January 16, 2026, **be approved**.

BHB054-2025

That the agenda for the Brampton Heritage Board meeting of December 16, 2025 be approved as published and circulated.

BHB055-2025

1. That the report from Rawan Osman, Heritage Planner, Integrated City Planning, to the Brampton Heritage Board meeting of December 16, 2025, re: **Heritage Designation of 93 Scott Street - Ward 1,** be received;
2. That designation of the property at 93 Scott Street under Part IV, Section 29 of the Ontario Heritage Act (the "Act") be approved;

3. That staff be authorized to publish and serve the Notice of Intention to Designate for the property at 93 Scott Street in accordance with the requirements of the Act;

4. That, if no objections to the designation are received, a by-law be passed to designate the subject property;

5. That, if any objections to the designation are received, staff be directed to refer the proposed designation to the Ontario Land Tribunal, and;

6. That staff be authorized to attend any hearing process held by the Ontario Land Tribunal in support of Council's decision to designate the subject property.

BHB056-2025

1. That the report from Tom Tran, Heritage Planner, Integrated City Planning, to the Brampton Heritage Board Meeting of December 16, 2025, re: **Heritage Designation of St. Mary's Cemetery (0 Airport Road) - Ward 10**, be received;

2. That heritage staff work with Cemetery Services and other relevant City Departments to create and implement a Commemoration Plan for the St. Mary's Cemetery and onsite remnants of the former Anglican church;

3. That designation of the property at 0 Airport Road under Part IV, Section 29 of the Ontario Heritage Act (the "Act") be approved;

4. That staff be authorized to publish the Notice of Intention to Designate for the property at 0 Airport Road in accordance with the requirements of the Act;

5. That if no objections to the designation are received, a by-law be passed to designate the subject property;

6. That if any objections to the designation are received, staff be directed to refer the proposed designation to the Ontario Land Tribunal, and,

7. That staff be authorized to attend any hearing process held by the Ontario Land Tribunal in support of Council's decision to designate the subject property.

BHB057-2025

1. That the report from Rawan Osman, Heritage Planner, Integrated City Planning, to the Brampton Heritage Board Meeting of December 16, 2025, re: **Recommendation Report – Heritage Impact Assessment, 17 Chapel Street – Ward 1**, be received;

2. That the Heritage Impact Assessment for 17 Chapel Street dated October 2025, and revised November 2025 be deemed complete;

3. That the following recommendations, as per the Heritage Impact Assessment, 17 Chapel Street, to mitigate potential adverse impacts to the heritage attributes of the property and adjacent heritage properties, be received and followed:

    i. Indirect adverse impacts are possible from noise and vibration due to the proximity of the setback between 27 John Street (the Telephone Exchange building) and the construction footprint of the proposed addition. The HIA recommends pre- and post-construction assessment by a qualified engineer, including photographic documentation of baseline conditions. Engagement with the adjacent property owner will be required to coordinate permission to access the property and undertake the assessment.

    ii. A Conservation Plan prepared in accordance with the City's Heritage Conservation Plan Terms of Reference should be prepared to address interim stabilization measures for the building prior to, during, and following construction activities. It should also provide the framework for and details of conservation, restoration, and adaptive re-use efforts for the building and outline the conservation approach, actions required by trades during project work, and establish an implementation schedule.

    iii. Temporary protection measures should be prepared and shared with contractors which clearly identifies:

        - The location of the adjacent heritage properties at 14 Chapel Street, 27 John Street, and 32 John Street;
        - The route for access to the site and the delivery of materials and equipment;
        - Staging and storage locations for materials and equipment. Staging and storage should avoid, to the extent possible, the adjacent heritage property at 27 John Street;
        - Based on the locations of staging, storage, and access, fencing or flagging is recommended around the Property; and
        - A fire and security plan.

BHB058-2025

1. That the report from Tom Tran, Heritage Planner, Integrated City Planning, to the Brampton Heritage Board Meeting of December 16, 2025, re: **Recommendation Report – Heritage Impact Assessment, 150 Central Park Drive (former Bramalea Civic Centre) – Ward 7**, be received;

2. That the Heritage Impact Assessment, 150 Central Park Drive dated 24 September 2024, and revised 12 March 2025 be deemed complete;

3. That the following recommendations, as per the Cultural Heritage Value Evaluation of the property, be received:

    i. That the property meets six out of nine criteria under Ontario Regulation 9/06 for design/physical, historical/associative and contextual value, thus is determined to possess Cultural Heritage Value or Interest.

4. That the following recommendations, as per the Impact Assessment of 150 Central Park Drive, be received and followed:

    i. That the proposed development would have minor impact on the cultural heritage value of the building. The Civic Centre's exterior and character-defining elements are in good condition and can remain in situ without extensive repair or replacement.

    ii. That the selective conservation treatment allows for the sensitive transformation of the property and building for continued use.

    Iii That a commemorative exterior or interior plaque or signage is also recommended.

BHB059-2025

1. That the report from Johanna Keus, Assistant Heritage Planner, Integrated City Planning to the Brampton Heritage Board Meeting of September 9th, 2025, re: Part IV Designation Recommendation Report – 10100 The Gore Road – Ward 10, be received;

2. That the designation of the property known as 10100 The Gore Road under Part IV, Section 29 of the Ontario Heritage Act (the "Act") be approved;

3. That staff be authorized to publish and serve the Notice of Intention to Designate for the property at 10100 The Gore Road in accordance with the requirements of the Act;

4. That in the event no objections to the designation are received, a by-law be passed to designate the subject property;

5. That in the event any objections to the designation are received, staff be directed to refer the proposed designation to the Ontario Land Tribunal, and;

6. That staff be authorized to attend any hearing process held by the Ontario Land Tribunal in support of Council's decision to designate the subject property.

BHB060-2025

That Brampton Heritage Board do now adjourn to meet again on January 20, 2026 at 7:00 p.m.

PDC013-2026

That the Planning and Development Committee do now adjourn to meet again for a Regular Meeting on February 2, 2026, at 7:00 p.m. or at the call of the Chair.

10.2.2 Staff Report re: 2026 Municipal Election – Question on the Ballot

Council discussion took place with respect to the addition of a question on the ballot for the 2026 Municipal Election regarding a city-wide windrow snow clearing service, which included the following:

- Voter turnout rate
- Alternative options for seeking public opinion on this service (e.g. communications campaign, city-wide survey)
- Results of previous public consultation/engagement
- Challenges of providing this service to meet resident expectations, including:
    - timeline for receiving service

    - inability to service all properties
    - property damages
- Experiences from other municipalities that currently provide this service
- Property tax impact of implementing this service
- The need to provide additional information to residents regarding this service
- Process and timelines for adding a question on the ballot
- Options for conducting a comprehensive, city-wide survey
- Suggestion to increase the Snow Removal Financial Assistance Program grant to support seniors and persons with disabilities

In response to a question from Council in regard to conducting a survey during the 2026 Municipal Election, staff advised that the voting process must be efficient for electors and recommended that any survey be conducted outside of the voting room or location, noting that additional people may not be appropriate at certain locations (e.g. schools). In addition, staff clarified that a potential survey would not be managed by the Elections Team.

The following motion was considered.

C015-2026
Moved by Regional Councillor Vicente
Seconded by Regional Councillor Toor

1. That the report from Genevieve Scharback, City Clerk, Legislative Services, to the Council Meeting of February 4, 2026, re: **2026 Municipal Election – Question on the Ballot**, be received;

2. That staff be directed to investigate and report back on:

    a. Survey options, costs and a potential implementation plan, such report to include multiple survey points such as: polling stations, on-line, in-person at recreation centers and so on as may be possible;

    b. The potential complications of survey activity during election, polling and voting processes; and

    c. The potential span of the windrow clearance service and associated service costs.

1. That the report from Ramsen Yousif, Principal Planner/Supervisor, Downtown Revitalization, and Andria Oliveira, Director, Downtown Revitalization, to the Planning and Development Committee Meeting of February 2, 2026, re: City-initiated Application to Amend the Official Plan, Centre for Innovation (CFI) and Heritage Theatre Block and Southern Block (HTB&SB), City File 2026-068, be received;
2. That Council endorse as outlined in the Draft Official Plan Amendment and SPA 3E Package (see Attachments 6-10);
3. That Council endorse the Draft Official Plan Amendment to create SPA 3E for the Development Lands, and the supporting SPA amendment application, including technical, safety, and risk management materials as outlined in Attachments 6-10 (collectively, the “Draft OPA and SPA 3E Package”);
4. That Council direct staff to submit the Council-endorsed Draft OPA and SPA 3E Package to the Toronto and Region Conservation Authority (TRCA) for its Board of Directors and/or Executive Committee for endorsement, in accordance with the Procedures for Approval of New SPAs and Modifications to Existing SPAs under the Provincial Policy Statement, January 2009 (the “Provincial SPA Procedures”);
5. That Council direct staff in accordance with Policy 5.2.5(a) of the Provincial Planning Statement, 2024 and Sections 3.2 and 4.0 of the Provincial SPA

Procedures, to submit the Council-endorsed Draft OPA and SPA 3E Package with the TRCA endorsement to the Minister of Municipal Affairs and Housing and the Minister of Natural Resources to request joint-Ministerial pre-approval of the Draft OPA;

6. That Council direct staff to require, as condition of any development approval(s) issued in respect of permanent buildings or structures on the Development Lands, that the recommended mitigation measures which are supported by the Toronto and Region Conservation Authority be implemented, as applicable, to protect public safety during the interim period;

7. That Council direct staff in consultation with the City Solicitor, and public authorities (Province and TRCA) to implement conditions of development approval(s) and obtain lawful agreements such that appropriate indemnification and risk-allocation measures are secured from the development proponent(s) in the enacting OPA of this report, to protect the City and the public interest;

8. That, subject to Recommendations 1 through 7 above, City staff be directed to report back to Council for adoption of the final Official Plan Amendment for SPA 3E, following receipt of endorsement from the Toronto and Region Conservation Authority and joint-Ministerial pre-approval of the Draft Official Plan Amendment; and

9. That there are no financial implications resulting from the recommendations in this report.

Dayle Laing, BikeBrampton, addressed Council regarding the Brampton's vision in relation to bike lane infrastructure and provided information with respect to the following:

- The importance of investing in active transportation infrastructure and to plan for future growth
- Council approval of Brampton's 2040 Vision and the Mobility Plan
- Evidence-based decision making
- Impact of the potential removal of the Howden Boulevard bike lanes on the east-west corridor

Council discussion on this matter included the following:

- Implementation of the Active Transportation Master Plan
- Increased speeding on roads since the cancellation of the Automated Speed Enforcement program

The following motion was considered.

C032-2026
Moved by City Councillor Power
Seconded by Regional Councillor Santos

That the following delegation to the Special Council Meeting of January 19, 20, 27, and February 6, 2026, re: **2026 Proposed Budget**, be received:

Dayle Laing, BikeBrampton, re: Brampton Vision in relation to Bike Lane Infrastructure

Carried

Idris Orughu, Brampton Resident, outlined their opinion that the proposed 2026 budget increase does not align with the current economic climate and challenges faced by residents, including inflation, and indicated that residents are not getting value for money. In addition, the delegation:

- requested that the City find efficiencies and savings in various projects and contracts
- highlighted the importance of transparency and accountability
- outlined the need for improvements to the City's infrastructure and enforcement services

Council shared information regarding subsidized programs offered by the City to support residents and provide access to recreation.

Cindy Evans, Brampton Resident, addressed Council regarding Brampton's bike lane infrastructure, outlined their opinion that the 2040 Vision and Mobility Plan are only achievable if people use active transportation, and highlighted the benefits of the Howden Boulevard bike lanes. The delegation outlined the need to encourage youth and residents to use active transportation in order to achieve the City's vision.

In response to questions from Council, the delegation outlined the importance of the Howden Boulevard bike lanes to the east-west corridor and the impact of replacing these bike lanes with sharrows.

Stephen Laidlaw, Brampton Resident, addressed Council regarding the Howden Boulevard bike lanes, outlined the importance of protected bike lanes for cyclists, including delivery riders that depend on this infrastructure for work, and referenced the Vision Zero approach to road safety. In addition, the delegation:

- advised that protected bike lanes are a safer design option
- provided information on the use of sharrows
- highlighted the health benefits of active transportation

- advised that active transportation provides residents with an affordable transportation option

Staff responded to questions from Council regarding use and effectiveness of sharrows in accordance with the Ontario Traffic Manual (OTM) - Book 18.

Dennis Szilvasy, Brampton Resident, addressed Council regarding the Howden Boulevard bike lanes and its importance to the east-west corridor. The delegation outlined the impact of population growth and traffic on cycling and expressed support for maintaining the protected bike lanes. In addition, the delegation outlined the need to encourage people to use active transportation.

In response to questions from Council, the delegation outlined safety concerns in relation to cycling on Bovaird Drive due to increased traffic and bike lanes on the boulevard, and highlighted the benefits of protected bike lanes and the Howden Boulevard bike lanes to the east-west corridor.

Justin Kang, Brampton Resident, addressed Council and provided a presentation regarding the Howden Boulevard bike lanes, which included information regarding:

- the importance of these bike lanes to the east-west corridor and lane connectivity
- previous speeding and traffic concerns on this road
- history of the implementation of these bike lanes
- impact of Peel Region construction in the area
- data regarding e-scooters and e-bikes
- safe active transportation infrastructure

Council asked questions of staff regarding the previous installation of rocks in the area of Howden Boulevard and Vodden Street due to speeding and unsafe driving, and how the installation of the bike lanes improved safety in this area.

A Point of Order was raised by Regional Councillor Toor, for which Mayor Brown gave leave. Councillor Toor indicated that this matter should not be debated at this time.

Anna Hooper, Brampton Resident, addressed Council regarding the impact of the bike lanes on Howden Boulevard on traffic in the area and requested that they be removed. The delegation outlined the following:

- Lack of consultation with area residents regarding the installation of the bike lanes

- Concerns regarding a survey conducted by staff
- Petition signed by residents requesting the removal of the bike lanes
- Traffic impacts due to the bike lanes, including impact on emergency vehicle access
- Increased traffic due to Additional Residential Units (ARUs)
- The need to design bike lanes that keep cyclists safe and maintains traffic flow

Anna Hooper, Brampton Resident, read a statement on behalf of Ann Robson, Brampton Resident, regarding the bike lanes on Howden Boulevard, which included the following:

- Impact of the bike lanes on area residents
- Lack of use of the bike lanes
- Traffic congestion during peak hours and the impact on emergency vehicle access
- Statistics on accidents in the area before and after the installation of the bike lanes
- Concerns regarding a survey conducted by staff

Sylvia Roberts, Brampton Resident, addressed Council regarding the 2026 Proposed Budget in relation to Transit, outlined the impact of the reduction of international students on transit ridership, and suggested that the City consider establishing an operating stabilization reserve for transit, similar to the TTC in the City of Toronto.

In response to the delegation, Mayor Brown and staff provided information regarding the use of the General Rate Stabilization Reserve for all lines of business, and explained how fluctuations resulting from the decrease in student ridership was addressed.

The following motion was considered.

C033-2026

Note: This item was deemed to be received by Council through its publication on the meeting agenda.

9.4 Budget 2026 – Consideration of Motions

Amendment to User Fee By-law to Recover Costs Associated with Abandoned Shopping Carts

A motion was introduced with the following operative clause:

Now Therefore Be It Resolved:

1. That Council direct staff to implement a user fee of $100 per shopping cart retrieved to recover staff time and resource costs; and
2. That the fee apply to retailers in the City of Brampton who, at City staff discretion, fail to properly manage their shopping carts, where such carts are clearly identifiable as the retailer's property, and where their abandonment results in hazardous conditions or pollution within the City.
3. That staff report back in Q1 2026, on the feasibility of legislating a requirement for Brampton retailers to implement locking technology that keeps their respective shopping carts within the proximity of their property.

Council discussion on this matter included the following:

- Abandoned shopping carts and communication with Walmart regarding this issue
- Number of abandoned carts found on City property and green spaces per year
- Effectiveness of implementing a fee to recover shopping cart retrieval costs
- Resident complaints regarding abandoned shopping carts

- Indication that Walmart does not use GPS locking technology on their shopping carts in Brampton

The following motion was considered.

C039-2026
Moved by Regional Councillor Santos
Seconded by Regional Councillor Keenan

Whereas the Municipal Act, 2001, c.25, S.391(1) provides that a municipality may amend a by-law to impose fees or charges;

Whereas the City is experiencing a growing problem with abandoned shopping carts in parks, creeks, valleys, boulevards, transit stops, storm water management ponds, and other public spaces;

Whereas the City has received an increasing number of complaints from residents regarding abandoned shopping carts on City property;

Whereas abandoned shopping carts create hazards for pedestrians, cyclists, and motorists, impede accessibility, and pose risks to public safety;

Whereas abandoned shopping carts pose risks to wildlife and contribute to environmental pollution within the City;

Whereas shopping carts are the property of retailers or merchants, who are responsible for securing and managing their property and preventing carts from being removed from their premises;

Whereas reacting to this growing problem requires the collection and removal of abandoned shopping carts from City property, utilizing a significant amount of staff time and municipal resources, resulting in additional costs to the City and property tax payers; and

Whereas in cases of persistent incidents of abandoned shopping carts on City property, it is appropriate for City staff to at minimum, recover costs associated with cart retrieval and management through the imposition of user fees;

Now Therefore Be It Resolved:

1. That Council direct staff to implement a user fee of $100 per shopping cart retrieved to recover staff time and resource costs; and

2. That the fee apply to retailers in the City of Brampton who, at City staff discretion, fail to properly manage their shopping carts, where such carts are clearly identifiable as the retailer’s property, and where their abandonment results in hazardous conditions or pollution within the City.

3. That staff report back in Q1 2026, on the feasibility of legislating a requirement for Brampton retailers to implement locking technology that keeps their respective shopping carts within the proximity of their property.

Amendment to the User Fee By-law for a Fire Inspection Fee through the Residential Rental Licensing Program

The following motion was considered.

C040-2026
Moved by Regional Councillor Santos
Seconded by Regional Councillor Keenan

Whereas the Municipal Act, 2001, c.25, S.391(1) provides that a municipality may amend a by-law to impose fees or charges;

Whereas all residential rental properties must meet minimum standards for health, safety, and habitability, and property owners are responsible for ensuring their properties comply with fire safety regulations;

Whereas residential rental property owners remain subject to the requirements of the Fire Protection and Prevention Act, 1997, S.O. 1997, c. 4, and any contraventions of that Act may be enforced independently of, and in addition to, any municipal fees;

Whereas failure to comply with fire safety requirements poses serious risks to tenants, neighbouring properties, and the safety of first responders;

Whereas the City's Residential Rental Licensing (RRL) program has expanded to protect resident safety, housing quality, and neighbourhood well-being, and can be further strengthened to reduce life-safety risks associated with fire hazards; and

Whereas escalating user fees for repeat fire safety violations support enforcement, promote compliance, and help safeguard tenants and residents;

Therefore Be It Resolved:

1. That Council direct staff to bring forward an amendment to the Fire and Emergency Services Fees (User Fee By-law 193-2024 – Schedule A) to establish a new tiered fee structure for non-compliant fire inspections for properties licensed under the City's Residential Rental Licensing (RRL) program, as follows:

- $3,000 for a first RRL fire inspection with a violation
- $5,000 for a second RRL fire inspection with a violation
- $10,000 for a third and any subsequent RRL fire inspections with a violation; and

2. That these fees apply to the Owner of the residential rental property, as defined in the Residential Licensing By-law 216-2023, as amended; and
3. That staff update all related by-laws, enforcement procedures, and public communications to reflect these changes and ensure consistent application.

Carried

Howden Boulevard Bicycle Lanes (Wards 7 and 8)

A motion was introduced with the following operative clause:

Therefore Be It Resolved:

1. That staff proceed with immediate removal of on-street protected bicycle lanes on Howden Boulevard from Dixie Road to Williams Parkway, restoring four traffic lanes, utilizing the funds in the amount of $337,000 from the allocated $730,000;
2. That staff incorporate sharrows (shared lane pavement markings) on this section to maintain cycling accommodation;
3. That the remaining $393,000 be allocated to future bike lane relocation projects with Active Transportation; and
4. That staff continue to find practical solutions with resident input for Active Transportation and connectivity of trail systems already in place and biking infrastructure across the City using money previously allocated from the Howden design process.

Council discussion on this matter included the following:

- Impact of the Howden Boulevard bike lanes on area residents and traffic in this area
- Implementation and benefits of Brampton's active transportation network
- Court ruling relating to the removal of a bike lane in the City of Toronto
- Data and evidence in relation to bike lanes addressing traffic congestion and improving safety

- Indication that sharrows are not an appropriate alternative to bike lanes
    - Staff advised that sharrows are not recommended in this area and provided information on their intended use
- Impact of the removal of these bike lanes on the Mobility Plan
- Previous traffic concerns along Howden Boulevard
- Impact of the removal of these bike lanes on safety and a suggestion that the painted lines be maintained and only the concrete barriers be removed
- Inclusion of a multi-use pathway
- Region of Peel construction in this area
- Active Transportation Master Plan update in relation to provincial legislation, the *Highway Traffic Act* amendments, and court rulings

A Point of Order was raised by Regional Councillor Toor, for which Mayor Brown gave leave. Councillor Toor indicated that the matter relating to the Active Transportation Master Plan update does not relate to the 2026 Budget and should not be debated at this meeting. Regional Councillor Santos clarified that there is currently no budget allocated to proceed with the update of this plan.

The following amendments to the motion were introduced and accepted by the mover:

- To add the words "including a multi-use pathway along the same route" to the end of clause 3; and
- To add clause 5 as follows:

    "5. That the Active Transportation Master Plan be updated with respect to provincial legislation and *Highway Traffic Act* amendments."

The motion, as amended, was considered as follows.

C041-2026
Moved by City Councillor Power
Seconded by Regional Councillor Fortini

Whereas the Province of Ontario enacted Bill 60, Reducing Gridlock, Saving You Time Act, 2024, requiring removal of bike lanes from certain roadways;

Whereas protected bicycle lanes on Howden Boulevard were installed on-street as part of Brampton's Active Transportation Network;

Whereas public consultation showed 70 per cent support (842 of 1,209 respondents) for Option 1A; and as referenced by Minister Williams, a recent survey shows 86 per cent of respondents do not support the current configuration on Howden Boulevard; and

Whereas the staff report has allocated $730,000 to implement Option 4;

Therefore Be It Resolved:

1. That staff proceed with immediate removal of on-street protected bicycle lanes on Howden Boulevard from Dixie Road to Williams Parkway, restoring four traffic lanes, utilizing the funds in the amount of $337,000 from the allocated $730,000;

2. That staff incorporate sharrows (shared lane pavement markings) on this section to maintain cycling accommodation;

3. That the remaining $393,000 be allocated to future bike lane relocation projects with Active Transportation including a multi-use pathway along the same route;

4. That staff continue to find practical solutions with resident input for Active Transportation and connectivity of trail systems already in place and biking infrastructure across the City using money previously allocated from the Howden design process; and

5. That the Active Transportation Master Plan be updated with respect to provincial legislation and *Highway Traffic Act* amendments.

A recorded vote was requested and carried as follows:

City-wide Windrow Snow Clearing Service

Council discussion on this matter included the following:

- Windrow snow clearing service in other municipalities
- Lack of a decisive response from residents on this issue

- Possibility of adding a question on the ballot for the 2026 Municipal Election with respect to this service
- Cost of providing this service and indication that it would not be available to all residential areas
    - It was noted that the costs and percentage of the City that would receive this service must be clearly outlined on the ballot.
- Potential damages to residential properties resulting from this service
- Indication that this service is not a top priority for residents
- Suggestion to increase the Snow Removal Financial Assistance Program grants
- The need to address on-street parking during snow events prior to considering a windrow clearing service
- Staff review of camera technology on snow plows

The following motion was considered.

C042-2026
Moved by Regional Councillor Singh Toor
Seconded by Regional Councillor Vicente

That staff be requested to report to the February 4, 2026 meeting of Council with respect to potential means and process for the addition of a question on the ballot for the 2026 Municipal Election in Brampton with respect to city-wide windrow snow clearance service, such report to include details with respect to associated costs and potential coverage area.

15. Notices of Motion

15.1 Notice of Motion re: Keeping Automotive Assembly in Canada

Mayor Brown outlined the purpose of the subject Notice of Motion.

Members of Council expressed support for the motion and highlighted the following:

- Economic and community impacts of the Stellantis plant,
- The importance of maintaining automotive manufacturing in Brampton
- Council's unified commitment to protecting auto‑ sector employment

An amendment to the motion was introduced and accepted by the mover to circulate the motion to the Provincial and Federal Governments.

Vito Beato, President, Unifor Local 1285, addressed Council in support of the motion, highlighting the generational impact of the plant, the importance of protecting workers' livelihoods, and appreciation for Council's continued support.

The motion was considered as follows.

C053-2026
Moved by Mayor Patrick Brown

Seconded by All Members of Council

Whereas U.S. trade aggression, fuelled by tariffs, continues to disrupt jobs, production and investment across the North American automotive supply chain, including in Canada; and

Whereas Canada's auto industry is facing an unprecedented economic crisis that threatens 125,000 direct jobs, hundreds of thousands of indirect jobs, and the economic welfare of automotive communities, such as Brampton; and

Whereas automotive assembly plants are highly sought-after investments, that are job creating engines, that attract local supplier firms as well as lucrative research, development and skills innovation, that generate significant public tax revenue to pay for social services and that help build strong local economies; and

Whereas the City of Brampton will consider all options, within its authority, to preserve existing and encourage future automotive assembly capacity as well as beneficial auto sector investments and jobs in the community, over the long term.

Therefore, be it resolved that the City of Brampton will take all necessary steps to amend the relevant Official Plan, Zoning By-law, and other relevant by-laws pertaining to the Stellantis Brampton Assembly Plant, located at 2000 Williams

Pkwy, Brampton, to designate that land as explicitly for the purposes of automotive assembly and related automotive manufacturing; and

That this resolution be shared with the Provincial and Federal Governments.

A recorded vote was requested, and the motion carried unanimously, as follows:

Yea (11): Mayor Patrick Brown, Regional Councillor Santos, Regional Councillor Vicente, Regional Councillor Kaur Brar, Regional Councillor Palleschi, Regional Councillor Keenan, Regional Councillor Medeiros, Regional Councillor Fortini, Regional Councillor Toor, City Councillor Power, and Deputy Mayor Singh

C063-2026
Moved by Mayor Patrick Brown
Seconded by Regional Councillor Toor

That the delegation from Rizwan Mohammad, Senior Government Affairs and Public Policy Officer, The National Council of Canadian Muslims (NCCM), to the Council Meeting of March 11, 2026, re: **Item 16.2 - Quebec’s Bill 21 – An Act respecting the laicity of the State**, be received.

Carried

C064-2026
Moved by Mayor Patrick Brown
Seconded by Regional Councillor Toor

Whereas Bramptonians value the Charter of Rights and Freedoms; and

Whereas the Supreme Court of Canada is now prepared in March 2026 to hear a legal challenge against Quebec’s Bill 21 – An Act respecting the laicity of the State; and

Whereas Bill 21 represents a threat to the integrity of the Charter and the foundational value of religious freedom; and

Whereas the City of Brampton's Mayor and Council have had a history of serving as leading voices opposing the infringement of fundamental Charter rights and freedoms through motions in 2019 and 2021, as well as supporting civil society organizations reflecting the diversity of Brampton to legally challenge Bill 21; and

Whereas a Supreme Court decision allowing the infringement of religious freedom would have negative consequences for Bramptonians and all Canadians;

Therefore Be It Resolved:

1. That the City of Brampton re-affirm its opposition to Quebec's Bill 21 – An Act respecting the laicity of the State; and

2. That the City of Brampton re-affirm its support for the legal challenge to Quebec's Bill 21 at the Supreme Court of Canada by the Canadian Civil Liberties Association (CCLA), the World Sikh Organization (WSO), and the National Council of Canadian Muslims (NCCM); and

3. That a copy of this Resolution be sent to:

    a. the Canadian Big City Mayors, the Federation of Canadian Municipalities (FCM) and the Association of Municipalities of Ontario (AMO) requesting they share with all their member municipalities inviting municipal leaders to voice their opposition to Bill 21 and their commitment to upholding Charter Rights and Freedoms, including freedom of religion; and

    b. the Region of Peel, City of Mississauga, Town of Caledon and all Members of Parliament and Ontario Members of Provincial Parliament, requesting their support.

A recorded vote was requested, and the motion carried unanimously, as follows:

15. Notices of Motion

15.1 Notice of Motion re: Modernizing School Zone Safety: An Infrastructure-Based Strategy Following Automated Speed Enforcement Cancellation

Regional Councillor Santos outlined the purpose of the motion.

Council discussion took place and included the following topics:

- Cost and procurement process
- Report back on associated costs and timelines
- Providers and technology involved
- Provincial funding opportunities
- Technology used in the past for crosswalks
- Clarification on whether the initiative is led by a specific technology or company

Council Members expressed support for the motion and thanked Regional Councillor Santos for exploring an innovative approach to improve road safety.

An amendment to the motion was introduced and accepted by the mover to add the words “or similar program” to clauses 2 and 3.

The motion, as amended, was considered as follows.

C067-2026
Moved by Regional Councillor Santos
Seconded by Regional Councillor Medeiros

WHEREAS the City of Brampton has demonstrated strong leadership in advancing road safety initiatives in School and Community Safety Zones, including the implementation of Automated Speed Enforcement (ASE) and complementary traffic-calming measures; and

WHEREAS recent provincial legislation to cancel ASE programs has created an urgent need for municipalities to deploy alternative, infrastructure-based safety measures that are effective, visible, and aligned with Vision Zero principles; and

WHEREAS following the provincial ban on Automated Speed Enforcement cameras, municipalities were provided large new school-zone signage to replace enforcement measures; however, these signs have proven problematic in most locations due to their excessive size and infrastructure requirements, making them difficult to install and limiting their practicality as an effective traffic-calming tool; and

WHEREAS the limitations beyond replacement signage increase the urgency for alternative safety measures, as the current level of protection in former school-

zone camera areas is inadequate and residents remain at risk in locations where there is no enforcement or sufficiently visible cues to slow drivers; and

WHEREAS SmartCrossingLED, an Ontario-based company, appeared as a delegation before Committee of Council on November 26, 2025, presenting its in-ground LED gateway safety technology for consideration in School and Community Safety Zones; and

WHEREAS the SmartCrossingLED in-ground system is a proven, infrastructure-based solution that enhances visibility through illuminated in-pavement LED technology designed to increase driver awareness and compliance; and

WHEREAS in-ground LED have been successfully implemented for years across jurisdictions in Europe, Asia, and the Middle East, including in winter-weather climates such as Finland that are comparable to Ontario; and

WHEREAS the SmartCrossingLED system is ready for pilot deployment in Canada and has undergone consultation and technical refinement with municipal staff across the Greater Toronto Area to ensure alignment with operational, maintenance, and regulatory considerations; and

WHEREAS under current provincial guidance, municipalities may proceed with pilot or demonstration projects where a technology is not expressly prohibited, particularly for the purpose of safety evaluation, performance validation, and data collection; and

WHEREAS the City of Brampton has previously implemented successful pilot initiatives, including the 2023 E-Scooter Pilot Program, which enabled staff to evaluate performance, operational considerations, and data outcomes in a controlled, real-world environment to inform future policy decisions; and

WHEREAS City staff are currently reviewing a broad range of traffic-calming measures in response to the cancellation of Automated Speed Enforcement and are expected to report back to Council in April; and implementing a SmartCrossingLED pilot at this time would generate real-world performance data and operational insights to inform staff’s recommendations and support evidence-based decisions regarding potential broader implementation; and

WHEREAS similarly, a SmartCrossingLED pilot program would allow the City to continue its leadership in advancing and evaluating innovative safety solutions while assessing real-world performance, visibility impact, driver behaviour response, winter resilience, maintenance requirements, and overall operational fit; and

WHEREAS pilot deployment would generate meaningful data to inform Brampton's broader transportation safety strategy and provide evidence-based insight to guide future policy and capital investment decisions; and

WHEREAS the Province of Ontario provides Road Safety Initiatives funding and other transportation safety funding streams that may be leveraged to support innovative infrastructure-based solutions in School and Community Safety Zones where speed cameras were previously operational; and

WHEREAS the cancellation of ASE presents an opportunity for the City to redirect eligible funding toward permanent, visible, infrastructure-based safety enhancements such as in-ground LED gateway treatments; and

WHEREAS advancing new technology like SmartCrossingLED pilots would position the City of Brampton as a provincial leader in next-generation school-zone safety innovation; and

WHEREAS highly visible safety infrastructure projects generate strong public awareness, reinforce Council's commitment to protecting children and neighbourhoods, and demonstrate proactive leadership in community safety; and

WHEREAS providing each Member of Council the opportunity to nominate one pilot location within their respective Ward would ensure equitable geographic distribution and responsiveness to local safety concerns;

THEREFORE BE IT RESOLVED:

1. THAT staff continue their work to evaluate and report back on innovative and infrastructure-based traffic-calming solutions, including SmartCrossingLED and other emerging technologies, to inform a coordinated, city-wide implementation strategy for safety measures replacing the Automated Speed Enforcement program

2. THAT Council direct staff to proceed with the development and implementation of a SmartCrossingLED Pilot Program, or similar program, in School and Community Safety Zones within the City of Brampton where speed cameras were previously operational; and

3. THAT the Pilot Program include the installation of one (1) SmartCrossingLED, or similar program, gateway location in any Ward where the Ward Councillor requests participation, in consultation with the respective Ward Councillor and subject to technical feasibility and site suitability; and

4. THAT staff identify appropriate funding sources, including but not limited to Ontario Road Safety Initiatives funding and any funding streams associated

with the transition from Automated Speed Enforcement, to support the pilot installations; and

5. THAT staff report back to Council no later than the end of April with recommended pilot locations, implementation timelines, and cost; and

6. THAT staff conduct a formal evaluation of pilot installations and report to Council on outcomes, including safety impact, operational performance, and recommendations regarding potential expansion of the technology.

16.3 Discussion Item at the request of Regional Councillor Toor re: Apartheid Free Communities Pledge

Item 14.1 was dealt with at this time.

Regional Councillor Toor introduced a motion with the following operative clause and outlined the purpose of the motion and encouraged Council support.

Therefore, be it resolved that:

1. The City of Brampton sign the Apartheid-Free Communities Pledge to:

   a. Affirm our commitment to freedom, justice, and equality for the Palestinian People and all people;

   b. Oppose all forms of racism, bigotry, discrimination, and oppression;

   c. Declare ourselves an apartheid-free community and to that end;

   d. Pledge to join others in working to end support to all Apartheid Regimes, settler colonialism and military occupation;

2. The Mayor of Brampton send a formal letter to the Government of Canada, urging the immediate establishment of a full two-way arms embargo between Canada and Israel;

3. Brampton city councillors urge all Brampton Federal Members of Parliament to support Bill C233 – the No More Loopholes Act, which will regulate arms being exported from Canada to align with the Arms Trade Treaty and international law;

4. The Mayor of Brampton send a formal letter to the Government of Canada urging the transformation of the Gaza Temporary Resident Visa (TRV) program so as to prioritize safe reunification of Gazan‑Canadian families, including expedited processing, humanitarian pathways, and removal of barriers for eligible applicants

Council discussion took place and included the following topics:

- Potential impacts on City procurement, partnership, and operations
- Review of legal and financial considerations
- Request for additional information

Staff responded to questions from Council and advised that staff will report back with additional information.

The following amendments to the motion were introduced to:

- amend clause 1 to read as follows:.

"1. The City of Brampton support the Apartheid-Free Communities Pledge in principle to:"

- add the following after clause 1:

"That staff report back to Council on the financial and legal implications of formalizing the commitment to the pledge;"

The motion, as amended, and in its entirety, was considered as follows.

C068-2026
Moved by Regional Councillor Toor
Seconded by Regional Councillor Kaur Brar

Whereas the City of Brampton recognizes its responsibility to uphold human rights, international humanitarian law, and the dignity of all peoples;

Whereas since October 2023, Israel's military campaign in Gaza has constituted genocide against the Palestinian people—as confirmed by the United Nations, Amnesty International, Human Rights Watch, the International Association of Genocide Scholars, and many other international human rights organizations,

including Jewish and Israeli groups such as Independent Jewish Voices, Zochrot and B'Tselem;

Whereas the United Nations Independent International Commission of Inquiry on the Occupied Palestinian Territory, including East Jerusalem, and Israel, determined that Israeli authorities and security forces committed four out of the five underlying acts of genocide and whereas this represents a fundamental violation of international law, including the Geneva Conventions;

Whereas international human rights organizations such as the United Nations, International Court of Justice, Amnesty international and Human Rights Watch, have concluded that Israel's policies toward Palestinians meet the legal definition of apartheid;

Whereas Canada, while officially recognizing the State of Palestine in September 2025 and expressing support for a two‑state solution, has continued military trade and arms exports to Israel, including via backdoor channels and existing permits following a purported 2024 suspension, which some observers argue may be inconsistent with international law and Canada's stated human rights commitments;

Whereas third‑party states and municipalities, including Brampton, bear a legal and moral duty under international law to prevent complicity in genocide and Apartheid, a duty to uphold justice;

Whereas Brampton affirms its responsibility to refuse complicity and to act decisively in defence of Palestinian rights and human dignity for all people under oppression;

Therefore, be it resolved that:

1. The City of Brampton support the Apartheid-Free Communities Pledge in principle to:

    a. Affirm our commitment to freedom, justice, and equality for the Palestinian People and all people;

    b. Oppose all forms of racism, bigotry, discrimination, and oppression;

    c. Declare ourselves an apartheid-free community and to that end;

    d. Pledge to join others in working to end support to all Apartheid Regimes, settler colonialism and military occupation;

2. That staff report back to Council on the financial and legal implications of formalizing the commitment to the pledge;

3. The Mayor of Brampton send a formal letter to the Government of Canada, urging the immediate establishment of a full two-way arms embargo between Canada and Israel;

4. Brampton city councillors urge all Brampton Federal Members of Parliament to support Bill C233 – the No More Loopholes Act, which will regulate arms being exported from Canada to align with the Arms Trade Treaty and international law;

5. The Mayor of Brampton send a formal letter to the Government of Canada urging the transformation of the Gaza Temporary Resident Visa (TRV) program so as to prioritize safe reunification of Gazan‐ Canadian families, including expedited processing, humanitarian pathways, and removal of barriers for eligible applicants; and

6. That the correspondence from the Apartheid Free Communities Canada Team, dated March 11, 2026, to the Council Meeting of March 11, 2026, re: Apartheid Free Communities Pledge, be received.

A recorded vote was requested and the motion carried unanimously, as follows:

17. Public Question Period

Genevieve Scharback, City Clerk outlined questions submitted to the City Clerk's Office from Daryl Rome regarding Item 10.1.2 – Purchasing Activity Quarterly Report, as follows:

"Pertaining to the Q4-2025 Purchasing Activity Quarterly Report, Line Item# 89 on page 10 of 13 states its for Card and Card Reader Replacement.

Based on the original contract value plus now an extension value;

- Is this replacement for all city owned properties or just for city hall itself?
- If it's for city hall itself, is it for the original building or the new addition on George Street?
- Lastly, when was the original access control system installed?"

Peter Pilateris, Commissioner, Public Works and Engineering, responded that the card reader replacement project applied to all City facilities and that the existing access control system was more than 20 years old.

A motion, moved by Regional Councillor Palleschi and seconded by Regional Councillor Brar, was introduced to amend CW109-2026 with the following:

" **CW109-2026**

That staff be requested to undertake consultation on the possibility of including an additional week to monthly memberships to account for portions unused due to menstruation, and to review and consider a reduction in the associated fees, and report back to Council in June 2026."

The motion, in its entirety, was considered as follows.

C089-2026
Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Kaur Brar

1. That the **Minutes of the Committee of Council Meeting of April 15, 2026**, to the Council Meeting of April 22, 2026, be received;

2. That Recommendations CW098-2026 to CW108-2026 and CW110-2026 to CW119-2026 be approved as outlined in the minutes; and

3. That Recommendation CW109-2026 be approved, as amended, as follows:

CW109-2026

That staff be requested to undertake consultation on the possibility of including an additional week to monthly memberships to account for

portions unused due to menstruation, and to review and consider a reduction in the associated fees, and report back to Council in June 2026.

Carried

The recommendations were approved as follows:

CW098-2026

That the agenda for the Committee of Council Meeting of April 15, 2026 be approved, as amended, as follows:

To add:

5.1 Announcement - Celebrating Yuvraj Samra's Milestone at the World Cup

Council Sponsor: Mayor Brown

9.3.1 Discussion Item at the request of Regional Councillor Palleschi, re: Monthly Recreation Memberships

To vary the order of business to deal with Item 11.1.1 before Item 6.1.

CW099-2026

That the following items to the Committee of Council Meeting of April 15, 2026 be approved as part of Consent:

7.1, 9.2.1, 10.2.1, 10.4.1, 11.2.1, 12.2.1, 13, 15.2, 15.4

CW100-2026

Whereas Toronto Metropolitan University (TMU) has proposed the development of a Wet Lab and Innovation Facility to address the critical shortage of wet lab space across the Greater Toronto Area and Southern Ontario; and

Whereas the proposed facility would support life sciences, medical technologies, digital health, clean-health technologies, and clinical innovation, benefiting startups, small- and medium-sized enterprises, academic researchers, healthcare institutions, and industry partners; and

Whereas the proposal includes the creation of a Diabetes Innovation Hub, which aligns with Brampton’s population health priorities and builds on emerging strengths in chronic disease prevention, health technology, and community-based research; and

Whereas the proposed initiative aligns with the City of Brampton’s economic development, innovation, and employment objectives, including diversification of

the local economy, attraction of high-value investment, and support for inclusive growth; and

Whereas stakeholder consultations with industry, healthcare, and innovation ecosystem partners have demonstrated strong support for the Wet Lab and Diabetes Innovation Hub concept; and

Whereas the development of specialized research, commercialization, and innovation infrastructure would further position Brampton as a competitive, investment-ready life sciences and health innovation centre;

Therefore Be It Resolved That:

1. Council endorse, in principle, the proposed Toronto Metropolitan University Wet Lab and Diabetes Innovation Hub as a strategic initiative supporting innovation, economic development, and community health outcomes in the City of Brampton; and
2. Council direct City staff to collaborate with TMU to engage provincial and federal partners, to position the project for external funding and investment opportunities; and
3. Council request that City staff report back, as appropriate, on progress, opportunities, and any future matters requiring Council consideration.

15. Notices of Motion

15.1 Notice of Motion re: Bench in honour of Judith Medeiros at Roehampton Park

Regional Councillor Medeiros declared a conflict on this item.

Council agreed to vary the order of business and dealt with this Notice of Motion after Item 6.4.

Mayor Brown expressed sorrow regarding the passing of Judith Medeiros and outlined her significant impact and community spirit. On behalf of Council, Mayor Brown extended condolences to Regional Councillor Medeiros's family. A motion, moved by Mayor Brown and seconded by Councillor Keenan, was introduced to install a commemorative bench in Brampton in honour of the late Judith Medeiros.

Note: Following the conclusion of this item, Regional Councillor Santos assumed the Chair.

The motion was considered as follows.

C090-2026
Moved by Mayor Patrick Brown
Seconded by Regional Councillor Keenan

Whereas the City of Brampton offers commemorative bench and tree dedication programs through Parks Maintenance & Operations, providing residents the opportunity to honour loved ones through meaningful and lasting tributes;

Therefore, Be It Resolved

That Parks Maintenance & Operations staff support the installation of a commemorative bench at Roehampton Park in memory of Judith Medeiros, to be placed at the location preferred by the family; and

That the City of Brampton waive the cost associated with the bench and plaque, as a gesture of compassion and community support.

16.2 Discussion Item at the request of Regional Councillor Brar re: On-street Parking - Clockwork Drive

Regional Councillor Brar outlined concerns regarding parking challenges on Clockwork Drive, and the following motion, moved by Regional Councillor Brar and seconded by Regional Councillor Palleschi was introduced.

C091-2026
Moved by Regional Councillor Kaur Brar
Seconded by Regional Councillor Palleschi

WHEREAS Council approved the Active Transportation Plan (2019) to build a connected cycling network that supports making Brampton a safe, complete, and attractive community; and

WHEREAS Council directed staff to update the Active Transportation Master Plan during the 2026 Budget deliberations (Resolution C041-2026); and

WHEREAS Clockwork Drive is identified in the Active Transportation Master Plan as a strategic east-west corridor connecting existing and planned active transportation facilities at Edenbrook Hill Drive, Chingaucousy Road, Brisdale Drive, Brisdale Drive, Creditview Road, Robert Parkinson Drive, Mount Pleasant Recreational Trail, and Veterans Drive within the Mt. Pleasant Secondary Plan Area; and

WHEREAS the active transportation facility on Clockwork Drive has been delivered by the developer in accordance with the approved subdivision plan (File C03W17.004) and applicable collector road design standards, including bicycle lanes; and

WHEREAS residents have expressed concerns regarding the current prohibition of on-street parking on both sides of Clockwork Drive, limiting opportunities for visitor parking;

THEREFORE, BE IT RESOLVED THAT

1. Staff be directed to evaluate options and associated costs to:

    a) permit on-street parking on one side of Clockwork Drive; and

    b) maintain east–west active transportation connectivity through alternative measures, such as shared-use space and appropriate signage; and

2. Staff report back to Council with recommendations in May 2026, with implementation to follow thereafter.

16.3 Discussion Item at the request of Regional Councillor Palleschi re: Fees for Heart Lake Turtle Troopers

Council discussion took place to waive the annual fee for the Heart Lake Turtle Troopers Family Fun Night, and the following motion was introduced and considered in this regard.

C092-2026
Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Kaur Brar

Whereas, the Heart Lake Turtle Troopers are a volunteer-led community group committed to environmental education and wildlife conservation in Brampton, with a focus on protecting native turtle species and local wetland habitats;

Whereas, the group's mission strongly supports Council's strategic priorities around community engagement, resident empowerment, environmental stewardship, and fostering stronger, more connected neighbourhoods;

Whereas, the event provides an opportunity for meaningful community interaction, environmental education, and civic participation in support of Brampton's broader sustainability goals;

Whereas, the Turtle Troopers are organizing their Annual Family Fun Night on the evening of July 14, 2026, to raise public awareness about local conservation efforts and encourage families to get involved in protecting the natural environment, as well as a volunteer appreciation event in May;

Whereas, the organizers have requested that this fee be waived to ensure the event remains free and accessible to the public, and that the south-end side parking lot at the venue be reserved for attendees, volunteers, and vendors on July 14, 2026 ;

Therefore Be It Resolved That:

1. The City of Brampton waive the Recreation fee for the Heart Lake Turtle Troopers' Annual Family Fun Night on July 14, 2026;
2. The south-end side parking lot at the event location be reserved for exclusive use by event organizers and attendees during the event;
3. City staff be directed work with the Turtle Troopers to support the planning and execution of this environmentally-focused, community led event, in alignment with Council's commitment to community engagement, environmental sustainability, and support for resident driven initiatives.

15.1

Whereas, Canada and the City of Brampton are strengthened by their cultural diversity, and the contributions of Chinese Canadians have been integral to the social, economic, and cultural fabric of the nation;

Whereas, Chinese Canadians have played a significant role in the development of Canada, Ontario and Brampton, including contributions to the building of the Canadian Pacific Railway, entrepreneurship, public service, and community leadership;

Whereas, Chinese Canadians have faced historical injustices, including the Chinese Head Tax and the Chinese Exclusion Act, and continue to demonstrate resilience and commitment to building an inclusive Canada;

Whereas, recognizing and celebrating the heritage, culture, and contributions of Chinese Canadians promotes greater understanding, inclusion, and unity across all communities in Canada;

Whereas, 68 cultural heritage days and months have been established by Parliament to recognize and celebrate the contributions of diverse communities across Canada;

Whereas, the City of Brampton celebrates its diverse community by proclaiming heritage months throughout the year, including Portuguese History and Heritage Month, Italian Heritage Month, Irish Heritage Month, Polish Heritage Month and Hungarian Heritage Month, to name a few;

Whereas, organizations representing Chinese Canadians across the country have asked municipal Councils to urge Parliament to enact a Canadian Chinese Heritage Month;

Therefore be it resolved that:

1. Council recognize the contributions of the Chinese community to the success and growth of Brampton, Ontario and Canada.
2. The City of Brampton proclaim February as Canadian Chinese Heritage Month.

3. The City of Brampton request that Parliament enact a Canadian Chinese Heritage Month.
4. The City Clerk forward a copy of this resolution to all Members of Parliament.

15.2

Whereas the Brampton Excelsiors Lacrosse Club and Brampton Minor Lacrosse Association are historic and valued sports organizations that contributes to the cultural fabric and community pride of the City of Brampton;

And Whereas the Brampton Excelsiors Lacrosse Club and Brampton Minor Lacrosse Association provide opportunities for local athletes, promote active living, and draw visitors and economic activity to the city;

And Whereas sponsorship and advertising revenue are critical to supporting the operational sustainability and growth of the organization;

And Whereas Memorial Arena is a municipally-owned facility and a central home venue for the Brampton Excelsiors Lacrosse Club and Brampton Minor Lacrosse Association;

Therefore be it resolved that Brampton City Council approve granting the Brampton Excelsiors Lacrosse Club and Brampton Minor Lacrosse Association executive teams the authority to sell rink board advertising space at Memorial Arena to their sponsors, with revenue from those advertisements to be shared equally, with 50% allocated to the Brampton Excelsiors Lacrosse Club and Brampton Minor Lacrosse Association and 50% to the City after all administrative & production fees.

And that the terms of use, duration and any associated agreements be developed in consultation with City Corporate Support Services and Community Services staff to ensure alignment with existing municipal policies, sponsorship frameworks and revenue considerations.

15.3

Whereas concessions in the City of Brampton are operated within various recreation centres and city facilities;

And Whereas previous attempts to find an operator for the concessions at Memorial Arena through a public procurement have been unsuccessful due to the facility being seasonal in nature;

And Whereas Brampton Excelsiors Lacrosse Club and Brampton Minor Lacrosse Association run all of the programming at Memorial Arena and have shown interest in running the concessions at Memorial Arena;

Therefore be it resolved that the Commissioner of Community Services or designate be authorized to negotiate and execute required agreements for the operations of concessions at Memorial Arena with Brampton Excelsiors Lacrosse Club and Brampton Minor Lacrosse Association on terms acceptable to the Director, Recreation or designate, in a form acceptable to the City Solicitor or designate, and with financial approval from the City Treasurer or designate.

And that the terms of use, duration and any associated agreements be developed in consultation with City Corporate Support Services and Community Services staff to ensure alignment with existing municipal policies and revenue considerations.

15.4

Whereas the Site Alteration By-Law currently does not require a permit to be issued for pool infill or backfilling;

And Whereas lack of permitting has resulted in improper materials being used as infill and/or work being completed incorrectly leading to hazardous conditions;

Therefore be it resolved that the Site Alteration By-law be amended to remove exemption 4.2 (3);

And that the Site Alteration By-law be amended to update the definition of Minor Landscaping to exclude the filling in of an in-ground pool.

16.1

That the **Referred Matters List**, to the Council Meeting of May 27, 2026, be acknowledged.

Dealt with under Consent Resolution C113-2026

15.5 Notice of Motion re: Charolais Boulevard Bike Lanes

Regional Councillor Keenan and Regional Councillor Medeiros outlined the rationale for the motion with the operative clause as follows:

″ **Therefore be it resolved that:**

1. Charolais Boulevard immediately be converted back to four traffic lanes, and that “sharrows” be continued on Charolais in place of the bike lanes; and

2. Staff report back on an alternate bike route that maintains connectivity of trail systems and biking infrastructure already in place such as Elgin Drive or extending the multi-use pathway on Steeles Avenue West to Chinguacousy Road; and

3. Staff report back on the cost of placing bike lanes on to the boulevard of Charolais Boulevard"

Council discussion on this matter included safety, network connectivity, equity, and alignment with the City’s mobility and active transportation plans. Members of Council outlined varying perspectives with respect to the motion.

A motion moved by Regional Councillor Keenan and Regional Councillor Medeiros was introduced, adjusted and displayed for Council’s reference, with the final operative clauses as follows:

Therefore be it resolved that:

1. Charolais Boulevard be converted back to four traffic lanes, to be completed by the end of August, and that “sharrows” be continued on Charolais in place of the bike lanes; and

2. Staff report back on an alternate bike route that maintains connectivity of trail systems and biking infrastructure already in place such as Elgin

Drive or extending the multi-use pathway on Steeles Avenue West to Chinguacousy Road; and

3. Staff report back on the cost of placing bike lanes on to the boulevard of Charolais Boulevard; and

4. That the Mayor be requested to write to the Minister of Transportation to request funding for conversion of the lanes;

5. That staff be directed to report back as expeditiously as possible on a budget amendment to accommodate active transportation, specifically the conversion to the boulevard of the two missing links on Howden Boulevard and Charolais Boulevard; and

6. That staff be requested to provide an update report on impacts to the Brampton Mobility Plan.

The motion, as amended, was considered as follows.

C119-2026
Moved by Regional Councillor Keenan
Seconded by Regional Councillor Medeiros

Whereas the City's Active Transportation Master Plan (ATMP) was adopted by Council in 2019;

And Whereas the Province of Ontario enacted Bill 60, *Reducing Gridlock, Saving You Time Act, 2024,* requiring removal of bike lanes from certain roadways;

And Whereas a survey was conducted to get feedback from residents of wards 3 & 4 with an emphasis on residents who reside adjacent to Charolais Boulevard;

And Whereas 58 per cent of survey respondents use Charolais Boulevard daily;

And Whereas 83 per cent of survey respondents are not in favour of bike lanes on Charolais Boulevard;

And Whereas the biggest concerns cited by respondents include traffic congestion and the lack of usage of the bike lanes,

And Whereas the redevelopment of Shoppers World into a mixed-use community includes the addition of 800 residential units in its first phase with additional units to be added during future phases;

And Whereas the redevelopment will lead to a sharp increase in population adjacent to Charolais Boulevard;

And Whereas drivers are already experiencing heavy delays and backed up traffic on Charolais Boulevard since the addition of bike lanes;

And Whereas prolonged vehicle idling wastes fuel, increases carbon dioxide and other harmful emissions which negatively impact environmental sustainability;

And Whereas the ATMP identifies a strategy to build a connected cycling and pedestrian network across Brampton, as part of facilitating and encouraging cycling for both recreation and everyday purposes;

And Whereas there are alternate routes that can be considered to provide east-west connectivity;

Therefore be it resolved that:

1. Charolais Boulevard be converted back to four traffic lanes, to be completed by the end of August, and that “sharrows” be continued on Charolais in place of the bike lanes; and
2. Staff report back on an alternate bike route that maintains connectivity of trail systems and biking infrastructure already in place such as Elgin Drive or extending the multi-use pathway on Steeles Avenue West to Chinguacousy Road; and
3. Staff report back on the cost of placing bike lanes on to the boulevard of Charolais Boulevard; and
4. That the Mayor be requested to write to the Minister of Transportation to request funding for conversion of the lanes;
5. That staff be directed to report back as expeditiously as possible on a budget amendment to accommodate active transportation, specifically the conversion to the boulevard of the two missing links on Howden Boulevard and Charolais Boulevard; and
6. That staff be requested to provide an update report on impacts to the Brampton Mobility Plan.

A recorded vote was requested and the motion carried.

16.2 Discussion Item at the request of Mayor Brown re: Susan Fennell Sportsplex Change Room Grant for Credit River Capitals and Brampton Hockey Inc.

Mayor Brown outlined the purpose of the motion.

Council discussion took place on procurement, costs, and timelines.

An amendment to the motion was introduced and seconded to refer the matter to staff for a report to be brought back to the June 10, 2026 Council meeting.

The motion, as amended, carried unanimously as follows.

C120-2026
Moved by Regional Councillor Santos
Seconded by Regional Councillor Toor

That the Notice of Motion be **referred to staff** for report thereon to the June 10, 2026 meeting of Council:

*"*Moved by: Mayor Brown

Seconded by Cl Medeiros/Keenan

Whereas the City of Brampton has a long-standing commitment to supporting the growth and development of minor hockey as well as community and youth sport;

Whereas Brampton Hockey Inc., with decades of service to the community, provides accessible, community-based hockey programming to thousands of youth participants annually, supporting healthy, active living and skill development;

Whereas the Credit River Capitals, established as a regional AAA program, provide local athletes with access to elite-level development opportunities within their home community, reducing the need to travel outside Brampton for high-performance hockey;

Whereas existing change room infrastructure at Susan Fennell Sportsplex is under pressure from high utilization and evolving program needs, including

dedicated team use, increased participation, and modern standards for player experience, safety, and inclusion; and

Whereas targeted investment in change room improvements will directly enhance program delivery, improve participant experience, and support the continued growth of both community and high-performance hockey in Brampton.

Therefore, be it resolved that:

1. Council authorize the Commissioner of Community Services to approve the allocation of funding from within the approved 2026 Capital Budget to Credit River Capitals and Brampton Hockey Inc. in the form of a grant, to support the renovation of dedicated player change rooms at Susan Fennell Sportsplex;

2. The scope, design, and implementation of the renovations be subject to review and approval by staff to ensure alignment with City standards and long-term facility planning."

C132-2026
Moved by Mayor Patrick Brown
Seconded by Regional Councillor Palleschi

Whereas on June 1, 2026, the Governments of Canada and Ontario opened applications for the Development Charge Reduction Program, providing up to $8.8 billion over 10 years for housing-enabling infrastructure, with priority given to municipalities that reduce development charges for residential development by 30 to 50 per cent or more for a minimum of three years;

Whereas eligibility for funding under the Development Charge Reduction Program requires municipalities to reduce existing development charges by 30 per cent in all residential development charge categories;

Whereas the City of Brampton has already implemented a reduced development charge program for purpose-built rental housing and was among the leading municipalities to use development charge reductions to stimulate new housing development;

Whereas further reductions to development charges would support housing affordability and housing supply in the City of Brampton.

Therefore, be it resolved that:

1. Staff prepare a complete application for the Development Charge Reduction Program to be submitted prior to the deadline of June 19th, 2026, as outlined in the recent provincial announcement; and

2. Staff be directed to reduce the collection of development charges in all other residential development charge categories by a minimum of 30 per cent and extend the Purpose Built Rental reduction program upon completion of a satisfactory Transfer Payment Agreement making the City of Brampton's effective discount rate 53 per cent; and

3. Once a transfer payment agreement is signed all residential projects that have or will receive a Building Permit after March 30, 2026, for a period of three years receive the applied development charge reduction; and

4. That the City of Brampton's application(s) to the Development Charge Reduction Program include all capital projects listed in the staff presentation; and

5. That staff continue discussions with the Province of Ontario and the Government of Canada to identify additional funding opportunities for growth-related infrastructure; and that, should the City of Brampton receive more than

$190 million in funding through the Development Charge Reduction Program, staff report back to Council with options to increase the residential development charge reduction from 30 per cent to 50 per cent, which would increase the effective average discount rate from 53 per cent to 67 per cent, including the Purpose-Built Rental program.

6. That the Chief Administrative Officer and Chief Financial Officer/Treasurer or delegates, be delegated authority to negotiate terms, enter into, and execute the Transfer Payment Agreement with the Province for the Development Charge Reduction Program.

A recorded vote was requested and the motion carried as follows.

2. That the correspondence be forwarded to the Region of Peel with a request that it be considered by the Region of Peel, and/or the Health Systems Integration Committee.

CW176-2026

That the delegation from Herbert Sinnock, Executive Director, and Michelle McCollum, Board Director, Centre for Community Energy Transformation (CCET), to the Committee of Council Meeting of June 3, 2026, re: **Update on the Centre for Community Energy Transformation (CCET)**; be received; and

Whereas Committee of Council, through recommendation CW213-2020, supported staff's recommendation to establish a Centre for Community Energy Transformation (CCET) and directed staff to move forward with creating the not-for profit organization; and

Whereas Committee of Council, through recommendation CW030-2022, endorsed the recommendations of the CCET Advisory Task Force in principle and supported the reallocation of $300,000 in existing Environmental Master Plan capital funding toward the establishment of CCET and its initial operations, with any future funding beyond the first year to be considered through future Service Level Agreements and future Council approval; and

Whereas Council, pursuant to Council Resolution C172-2024, supported the City of Brampton entering into a Service Level Agreement (SLA) with CCET for initiatives related to residential energy retrofits and district energy exploration; and

Whereas Council recognizes that CCET has undertaken a review and reframing of its organization mandate, strategic priorities, and future programming opportunities related to energy affordability, home retrofits, district energy, and clean-economy initiatives; and

Whereas both the Brampton Grow Green Environmental Master Plan (EMP) and the Community Energy and Emissions Reduction Plan (CEERP) require a comprehensive review, which will reflect evolving market conditions, funding opportunities, legislative changes, municipal priorities, and implementation considerations; and

Whereas Council recognizes the importance of ensuring that future partnerships, governance models, and program delivery approaches are aligned with the City's evolving environmental, financial, and strategic objectives;

Therefore Be It Resolved:

1. That staff be directed to consider and evaluate CCET's potential future role as a strategic partner in advancing Community Energy and Emissions Reduction Plan (CEERP) objectives as part of the review of the Brampton

Grow Green Environmental Master Plan (EMP) and the Community Energy and Emissions Reduction Plan (CEERP); and

2. That staff be directed to review the existing SLA with CCET and report back on potential options to realign or revise the scope of work, deliverables, governance structure, partnership opportunities, and any potential future funding considerations related to CCET initiatives, subject to alignment with updated City priorities, available funding, and future Council consideration; and

3. That staff continue to collaborate with CCET, Toronto and Region Conservation Authority (TRCA), and other relevant partners on matters related to residential energy retrofit programming, district energy exploration, energy affordability initiatives, and clean-economy opportunities where appropriate; and

4. That any future funding requests, partnership arrangements, or revised program delivery considerations associated with CCET be subject to future Council consideration through future budget deliberations and/or future reports to Council, as appropriate.

12.2 Minutes - Planning and Development Committee - June 8, 2026

Council discussion took place on the following:

A motion, moved by Regional Councillor Vicente and seconded by Regional Councillor Santos, was introduced to replace Recommendation **PDC076-2026** with the following:

PDC076-2026

WHEREAS the City of Brampton has remained committed to supporting a full mix and range of housing options, as outlined through Housing Brampton, the City's housing strategy;

WHEREAS transitional housing is a critical housing typology that provides vulnerable populations with affordable, stable housing options;

WHEREAS there is a listed heritage dwelling, located at, 136 Church Street East that has been evaluated for heritage value, requiring the relocation of the heritage listed dwelling to 132 Church Street in the Official Plan, with the intent to designate the site under the *Ontario Heritage Act;*

WHEREAS the Council of the Corporation of Brampton passed By-law 86-2023 to adopt Official Plan Amendment OP2006-244 to support the construction of a 14 storey apartment building and three townhouse blocks on the site with the relocation of the listed heritage dwelling from 136 Church Street East to 132

Church Street East, and this application no longer proposes to relocate the listed heritage dwelling per the existing site specific Official Plan requirements;

WHEREAS timely decision-making is required to advance the Church Two Non-Profit Corporation affordable rental project, located at 55-61 Beech Street and 132-142 Church Street East, through an Official Plan amendment to support development in alignment with the aforementioned priorities, including increasing the supply of affordable housing;

Therefore be it resolved:

1. That the report prepared by Mahsa Koushki, Policy Planner III, Integrated City Planning to the Planning and Development Committee Meeting of June 8, 2026, re: Church Two Non-Profit Corporation Affordable Housing CIP Application for 55- 61 Beech Street and 132-142 Church Street East, be received; and that

2. Staff be directed to continue reviewing the non-profit CIP Affordable Housing Application for the above project; and that

3. Staff be directed to prepare and execute a funding agreement similar to those prepared for Sunfield Non-Profit application under the housing CIP; and that

4. $12.48 million be earmarked for the Church Two Non-Profit Corporation affordable rental project once the next installment of the Housing Accelerator Funding Program funds are received; and that

5. Any negative balances after commitments in the HAF reserve resulting from this motion be offset by the overall positive balance in other City Capital reserves, until such time that the final tranche of the HAF funding is received, which is anticipated in Q1 2027; and that

6. Staff be directed to support the provision of affordable and transitional housing on the site, exploring opportunities for the applicant to partner with not-for-profit transitional housing providers such as Armagh House; and that

7. The Commissioner of Planning, Building and Growth Management be directed to undertake an administrative zoning by-law amendment and official plan amendment to facilitate the appropriate zoning performance standards for the Church Two Non-Profit Corporation Affordable housing CIP application at 55-61 Beech Street and 132-142 Church St (per item 8.1 on the June 8, 2026 Planning and Development Committee meeting) and to remove the requirement to relocate the listed heritage dwelling

from 136 Church Street East to 132 Church Street East, and instead work with the applicant to donate and relocate the dwelling to an alternative location to support arts and culture in Brampton, subject to Council approval and any required heritage review and approvals.

The motion, in its entirety, was considered as follows.

C136-2026
Moved by Regional Councillor Vicente
Seconded by Regional Councillor Santos

1. That the **Minutes of the Planning and Development Committee Meeting of June 8**, 2026, to the Council Meeting of June 10, 2026, be received;

2. That Recommendations **PDC070-2026 to PDC075-2026** and **PDC077-2026,** be approved as outlined in the minutes; and

3. That the amendments to the 2023 Official Plan and to the Credit Valley Secondary Plan and Block Plan, generally in accordance with the attached Draft Official Plan Amendment (Attachment 11) to this report, **be approved**;

4. That the amendment to the Zoning By-law 270-2004, generally in accordance with Attachment 12A attached to this report, **be approved**;

5. That the amendments to the Zoning By-law 14-2026, generally in accordance with Attachment 12B attached to this report, **be approved and come into effect upon Tribunal approval** of the relevant sections;

6. That prior to staff forwarding the enacting amendments to the Official Plan and Zoning By-law to Council for approval, that the Commissioner of Planning, Building and Growth Management is to be provided with confirmation that the landowner has satisfied all obligations of the Credit Valley Block 45-5 Cost Sharing Agreement; or alternatively a Holding (H) provision be included in this respect in the Zoning By-law Amendment; and

7. That **no further notice or public meeting be required** for the attached Zoning By-law Amendment pursuant to Section 34(17) and 17(15) of the Planning Act, R.S.O. c.P. 13, as amended.

PDC076-2026

WHEREAS the City of Brampton has remained committed to supporting a full mix and range of housing options, as outlined through Housing Brampton, the City's housing strategy;

WHEREAS transitional housing is a critical housing typology that provides vulnerable populations with affordable, stable housing options;

WHEREAS there is a listed heritage dwelling, located at, 136 Church Street East that has been evaluated for heritage value, requiring the relocation of the heritage listed dwelling to 132 Church Street in the Official Plan, with the intent to designate the site under the *Ontario Heritage Act;*

WHEREAS the Council of the Corporation of Brampton passed By-law 86-2023 to adopt Official Plan Amendment OP2006-244 to support the construction of a 14 storey apartment building and three townhouse blocks on the site with the relocation of the listed heritage dwelling from 136 Church Street East to 132 Church Street East, and this application no longer proposes to relocate the listed heritage dwelling per the existing site specific Official Plan requirements;

WHEREAS timely decision-making is required to advance the Church Two Non-Profit Corporation affordable rental project, located at 55-61 Beech Street and 132-142 Church Street East, through an Official Plan amendment to support development in alignment with the aforementioned priorities, including increasing the supply of affordable housing;

Therefore be it resolved:

1. That the report prepared by Mahsa Koushki, Policy Planner III, Integrated City Planning to the Planning and Development Committee Meeting of June 8, 2026, re: Church Two Non-Profit Corporation Affordable Housing CIP Application for 55- 61 Beech Street and 132-142 Church Street East, be received; and that

2. Staff be directed to continue reviewing the non-profit CIP Affordable Housing Application for the above project; and that

3. Staff be directed to prepare and execute a funding agreement similar to those prepared for Sunfield Non-Profit application under the housing CIP; and that

4. $12.48 million be earmarked for the Church Two Non-Profit Corporation affordable rental project once the next installment of the Housing Accelerator Funding Program funds are received; and that

5. Any negative balances after commitments in the HAF reserve resulting from this motion be offset by the overall positive balance in other City Capital reserves, until such time that the final tranche of the HAF funding is received, which is anticipated in Q1 2027; and that

6. Staff be directed to support the provision of affordable and transitional housing on the site, exploring opportunities for the applicant to partner with not-for-profit transitional housing providers such as Armagh House; and that

7. The Commissioner of Planning, Building and Growth Management be directed to undertake an administrative zoning by-law amendment and official plan amendment to facilitate the appropriate zoning performance standards for the Church Two Non-Profit Corporation Affordable housing CIP application at 55-61 Beech Street and 132-142 Church St (per item 8.1 on the June 8, 2026 Planning and Development Committee meeting) and to remove the requirement to relocate the listed heritage dwelling from 136 Church Street East to 132 Church Street East, and instead work with the applicant to donate and relocate the dwelling to an alternative location to support arts and culture in Brampton, subject to Council approval and any required heritage review and approvals.

PDC077-2026

That the Planning and Development Committee do now adjourn to meet again for a Regular Meeting on June 15, 2026, at 7:00 p.m. or at the call of the Chair.

15.1 Notice of Motion: Portugal Way Commemorative Street Naming

Regional Councillor Medeiros outlined the purpose of the subject Notice of Motion.

The motion was considered as follows.

C137-2026
Moved by Regional Councillor Medeiros

Seconded by Councillor Vicente and Councillor Keenan

Whereas the month of June has been declared Portuguese Heritage Month in the City of Brampton;

And Whereas the City of Brampton has held annual Portuguese heritage flag raisings to celebrate Brampton's Portuguese community since 2016, this year marking 10 years since Brampton's first Portuguese flag raising celebration;

And Whereas nearly 18,700 residents of Portuguese ethnic origin residing in Brampton;

And Whereas the Portuguese community has contributed to Brampton's growth in business, arts, and rich cultural heritage, including hosting the annual Lusofonia festival;

And Whereas the construction of the Portas Da Cidade monument in Azores Park located on Malta Ave will be the first monument of its kind in Canada

And Whereas Our Lady of Fatima Parish, a community hub for the Portuguese community is also located on Malta Ave;

And Whereas a commemorative street naming would honour the contributions of Brampton's Portuguese community in a meaningful way;

Therefore be it resolved that Malta Ave from Herdmans Rd to Sir Lou Dr (corner of Azores Park) be commemoratively renamed Portugal Way;

16.2 Discussion Item at the request of Mayor Brown re: Defence Sector Economic Development

Mayor Brown outlined the purpose of the subject motion.

The motion was considered as follows.

C154-2026
Moved by Mayor Patrick Brown
Seconded by Regional Councillor Santos

Whereas Roshel Smart Armoured Vehicles is a Brampton-based Canadian defence manufacturer specializing in the design, production, and support of advanced armoured vehicles, with proven sales to allied governments, NATO partners, and security clients around the world, and is now seeking the opportunity to supply the Canadian Armed Forces.

Whereas Brampton is home to one of Canada’s largest and most skilled industrial workforces, with deep expertise in advanced manufacturing, automotive production, logistics, engineering, and skilled trades, providing the human capital necessary to support the growth of a sovereign Canadian defence industrial base;

Whereas Roshel has become one of Brampton’s top advanced manufacturing and defence employers, creating high-quality local jobs, boosting the city’s

industrial strength, and showing the ability of Canadian companies to compete in complex global defence markets.

Whereas the Government of Canada has launched a new Defence Industrial Strategy focused on strengthening Canada's sovereign defence industrial capabilities, increasing domestic defence production, supporting Canadian defence champions, and leveraging procurement to generate long-term industrial and economic benefits in Canada;

Whereas, over 2,500 Roshel vehicles are actively serving in Ukraine, showcasing the operational importance, reliability, and international trustworthiness of Brampton-made defence platforms in one of the world's most challenging security environments.

Whereas Roshel received the Business of the Year Award from the Brampton Board of Trade, recognising the company's growth, contribution to the local economy, and leadership as a successful Brampton enterprise.

Whereas a strong domestic defence industrial base is essential to Canada's national security, support for allies, supply chain resilience, and long-term economic prosperity;

Whereas Roshel exemplifies the kind of Canadian defence company envisioned by this new approach: a domestic manufacturer with established production capacity, Canadian operations, export potential, supply chain partnerships, and the ability to provide direct economic benefits to Canadian workers and communities.

Whereas the federal Light Utility Vehicle and Domestic Arctic Mobilization Enhancement programs are anticipated to provide a significant procurement opportunity for the Canadian Armed Forces and aim to replace aging light utility vehicles and arctic amphibious vehicles with modern vehicles that improve mobility, protection, and operational capability.

Whereas Roshel is the Brampton-based defence manufacturer positioned to compete for the Light Utility Vehicle and Domestic Arctic Mobilization Enhancement program and to deliver a Canadian-made solution rooted in local employment, domestic manufacturing and Canadian supply chain participation;

Whereas Roshel's participation in the Light Utility Vehicle and Domestic Arctic Mobilization Enhancement procurements would support Brampton jobs, strengthen Ontario's advanced manufacturing sector, and help ensure that federal defence spending contributes to Canadian industrial capacity rather than flowing primarily to foreign suppliers;

Whereas Roshel is also advancing a proposed $320 million investment to establish Canada's first sovereign domestic ballistic steel production capability, including the transfer of proven ballistic steel expertise from its Swedish subsidiary, Swebor, to Ontario, which would create a sovereign supply of defence-grade material for armoured vehicles and other Canadian defence applications;

Whereas Roshel has formed Roshel Algoma Defence with Algoma Steel to create a Canadian Centre of Excellence for Ballistic Steel Production, pairing Algoma's Ontario steelmaking capacity with Roshel's armoured vehicle manufacturing and Swebor's ballistic steel expertise;

Whereas this investment and partnership would establish a domestic pathway for defence-grade steel, reduce dependence on foreign suppliers, support auto workers in Brampton who have been laid off and in Sault Ste. Marie, and link Canadian steel, manufacturing, and locally produced armoured vehicles into a more resilient domestic defence industrial ecosystem.

Whereas supporting Roshel's federal bid for the Light Utility Vehicle and Domestic Arctic Mobilization Enhancement programs aligns with Brampton's economic development priorities, including job creation, growth in advanced manufacturing, innovation, export expansion, and the promotion of local companies on national and international levels.

Therefore Be It Resolved that the Council of the City of Brampton express its support for Roshel Smart Armoured Vehicles as a Brampton-based Canadian defence manufacturer seeking to participate in the federal Light Utility Vehicle and Domestic Arctic Mobilization Enhancement procurements;

And Be It Further Resolved that the Mayor, on behalf of the Council, communicate in writing to the Prime Minister of Canada, the Minister of National Defence, the Minister responsible for Public Services and Procurement, the Minister of Industry, the Secretary of State responsible for the Defence Investment Agency, and all Peel Region Members of Parliament to express the City of Brampton's support for Roshel's participation in the Light Utility Vehicle and Domestic Arctic Mobilization Enhancement procurement, and to strongly encourage the Government of Canada to select Roshel to deliver these full programs as early as 2026.

Whereas the late Isobel Agnes Brown, a resident of Brampton, generously named the Brampton Animal Shelter as a beneficiary in her Last Will and Testament; and

Whereas charitable gifts of this nature reflect the community's confidence in, and support for, the work of Brampton Animal Services and enable enhanced care for animals in need; and

Whereas the Donations and Gifts Received Administrative Directive requires Council approval for the acceptance of donations and gifts valued at more than $10,000;

Therefore, be it resolved that:

- The City of Brampton formally accept a charitable donation of approximately $50,250 from the Estate of Isobel Agnes Brown, being the residuary bequest gifted to the Brampton Animal Shelter, of which two instalments have been received, and the final instalment is anticipated before the end of 2026; and
- That the funding be directed to the Helping Orphaned Pets in Emergencies (HOPE) Fund in support of the Brampton Animal Shelter; and
- That the Treasurer be authorized to receive and deposit all current and future instalments of the bequest to the HOPE Fund as they are distributed by the Estate Trustees, without further report to Council; and
- That staff be authorized to issue the appropriate charitable donation receipt to the Estate of Isobel Agnes Brown and to provide the acknowledgement required to discharge the Estate Trustees under the terms of the Will; and
- That staff be directed to extend appropriate recognition and acknowledgement of the gift, having regard to the wishes of the donor's family.

10.6.1 Staff Report re: Budget Amendment – Century Gardens Youth Hub: Federation of Canadian Municipalities Green Municipal Fund Financing

Members of Council recognized Regional Councillor Santos for her leadership and advocacy through the Federation of Canadian Municipalities (FCM) and highlighted the benefits of Brampton's participation in municipal organizations.

Regional Councillor Santos thanked Council and highlighted the value of FCM's Green Municipal Fund in supporting municipalities across Canada.

The following motion, moved by Regional Councillor Toor and seconded by Regional Councillor Palleschi, was put forward for consideration:

"Whereas the 2026 Capital Budget included the installation of traffic signals at three (3) intersections: Countryside Drive and Goodview Drive/Fairservice Drive, Bramalea Road and Sesquicentennial Park/Claremont Drive and Kennedy Road and Arctic Tern Avenue funded through Development Charges (DCs) and Reserve 18;

And whereas the Development Charge-funded portion of the project has been placed on hold due to current Development Charge cash flow constraints and lower-than-anticipated Development Charge revenues;

And whereas the City has been approved for financing through the Federation of Canadian Municipalities (FCM), which will improve Development Charge cash flow by returning eligible Development Charge

funding to source and allowing repayment over an extended repayment period;

And whereas the Province has announced the Development Charge Reduction Program (DCRP), which is intended to provide significant funding for eligible growth-related infrastructure projects and further improve the City's Development Charge funding capacity;

And whereas the intersections have all met traffic signalization warrant conditions, where increasing traffic volumes have outgrown the existing traffic control configurations, resulting in increased safety concerns for motorists, pedestrians, and cyclists;

Therefore be it resolved that:

1. That the previously approved 2026 Capital Budget for the signalization of the intersections of Countryside Drive and Goodview Drive/Fairservice Drive, Bramalea Road and Sesquicentennial Park/Claremont Drive and Arctic Tern Avenue be activated by releasing the $730,000 Development Charge-funded component, together with the previously approved $170,000 from Reserve 18, for a total project budget of $900,000.

2. That staff be directed to proceed with the design, procurement, and installation of the traffic signals at the earliest practical opportunity in accordance with the City's procurement and capital delivery processes.”

An amendment to Clause 1 was introduced and accepted by the mover to remove “Arctic Tern Avenue” and to add “on Kennedy Road in the proximity of Mayfield Road”.

The following motion to receive the report and approve the recommendations, as amended, was considered.

C169-2026
Moved by Regional Councillor Santos
Seconded by Regional Councillor Vicente

1. That the report prepared by Mitsa Montaser, Director, Building Design and Construction, Public Works and Engineering, to the Council Meeting of July 8, 2026, re: **Budget Amendment – Century Gardens Youth Hub: Federation of Canadian Municipalities Green Municipal Fund Financing**, be received;

2. That a budget amendment be approved to revise the funding sources for Capital Project #205651 – Century Gardens Youth Hub by recognizing Federation of Canadian Municipalities (FCM) Green Municipal Fund financing in the amount of $10,000,000, consisting of a grant of $1,304,340 from the FCM Green Municipal Fund Grant and a favorable lower cost loan of $8,695,660 from Development Charge Supported External Debt (FCM Loan), replacing previously approved City funding sources, resulting in the return of $8,100,000 from previously approved funding to the applicable reserve funds and the removal of the 2026 funding request of $1,900,000;

3. That Council approve Development Charge Supported External Debt in the amount of $8,695,660 through the Federation of Canadian Municipalities Green Municipal Fund Loan, to be repaid over a 20-year amortization period from future Development Charge revenues, subject to completion of the Regional Municipality of Peel borrowing process and execution of the required financing agreements;

4. That staff be authorized to enter into the required funding agreement with the Federation of Canadian Municipalities to secure and utilize the Green Municipal Fund financing; and,

5. That Council authorize staff to work with the Regional Municipality of Peel to complete the borrowing by-law and related financing process required for the Green Municipal Fund loan component.

15. Notices of Motion

15.1 Notice of Motion re: Adoption of a Fuel Cost Adjustment Index for Infrastructure Construction Contracts and Tenders

Regional Councillor Palleschi thanked staff for providing revisions to the motion that were published on the agenda for this meeting.

An amendment was introduced to amend the motion with the operative clauses as follows:

“Therefore be it resolved, that:

1. Staff be directed to develop a Fuel Cost Adjustment Index framework for existing infrastructure construction contracts, and future procurements, modelled on the MTO Fuel Price Index and in consultation with MTO, and incorporating, at minimum:

   a) A reference fuel price index based on the MTO monthly Fuel Price Index;
   b) A trigger threshold of +5%, consistent with the MTO model, above or below which monthly payment adjustments shall apply;

2. Staff report back through the 2027 budget process with a recommended Fuel Cost Adjustment Index policy, any required amendments to Brampton’s Procurement By-law, and an implementation plan for application to current contracts and future tenders”.

The motion, as amended, was considered as follows.

C172-2026
Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Keenan

Whereas Brampton, as part of the Region of Peel is one of Ontario's largest public sector purchasers of infrastructure construction services, including roads, water, wastewater, and transit infrastructure, entering into multi-year contracts that are highly fuel-intensive in their execution;

And whereas, rising fuel costs materially impact infrastructure construction, including equipment operation, trucking, material hauling, and asphalt production, resulting in increased costs for contractors and public owners alike;

And whereas, recent global geopolitical and economic conditions have contributed to significant volatility in fuel prices, creating financial uncertainty for infrastructure projects;

And whereas, under the current fixed-price contract model widely used by Ontario municipalities, contractors are required to lock in fuel costs at the time of

bid submission with no mechanism for adjustment, regardless of actual market conditions over the life of the contract;

And whereas, the absence of a fuel cost adjustment mechanism forces contractors to incorporate substantial contingency premiums into their bid prices to protect against potential fuel price increases, ultimately causing municipalities and their ratepayers to pay more than the actual cost of construction for risks that may never fully materialize;

And whereas, the Ministry of Transportation Ontario (MTO) has operated a monthly Fuel Cost Adjustment Index for all Design-Bid-Build construction contracts, with adjustments triggered when fuel costs fluctuate by more than +5% from the base price established at the time of tender;

And whereas, a growing number of municipalities and regions such as the Region of Waterloo, City of Ottawa and the City of Toronto have begun either implementing or are exploring fuel cost adjustment mechanisms for linear infrastructure projects, including the use of MTO fuel price indices as a reference;

Therefore be it resolved, that:

1. Staff be directed to develop a Fuel Cost Adjustment Index framework for existing infrastructure construction contracts, and future procurements, modelled on the MTO Fuel Price Index and in consultation with MTO, and incorporating, at minimum:

   a) A reference fuel price index based on the MTO monthly Fuel Price Index;

   b) A trigger threshold of +5%, consistent with the MTO model, above or below which monthly payment adjustments shall apply;

2. Staff report back through the 2027 budget process with a recommended Fuel Cost Adjustment Index policy, any required amendments to Brampton's Procurement By-law, and an implementation plan for application to current contracts and future tenders.
