Committee of Council Recommendation CW376-2022 was considered at this time.

The following motion was considered.

C350-2022
Moved by Regional Councillor Keenan
Seconded by Regional Councillor Singh Toor

That Committee of Council Recommendation CW376-2022 be extracted from the minutes and approved as follows:

> CW376-2022
>
> Whereas the City of Brampton allows residents the use of short-range fireworks on their private property four times a year (Victoria Day, Canada Day, Diwali and New Years Eve); and
>
> Whereas the City of Brampton currently has city-run events with fireworks on Canada Day and New Years Eve; and
>
> Whereas the current firework permit process allows for the issuance of permits for special events and the film industry; and
>
> Whereas staff have identified a significant growth related to the number of fireworks related complaints since 2019; and
>
> Whereas in a staff report from June 10, 2022, staff indicated that a complete ban on permitted fireworks would remove enforcement ambiguities surrounding height of effect and location of use as all fireworks purchased, sold, possessed or discharged unless a Fireworks Permit was issued;
>
> Therefore be it resolved that:
>
> 1. The City of Brampton amend the Fireworks By-Law to prohibit the use, purchase, discharge, possession, sale and offer to sell all fireworks including Consumer Fireworks, Display Fireworks, Pyrotechnics and Prohibited Fireworks for all uses (except those outlined in clause 2) effective immediately; and

2. The current firework permit process be amended to only be applicable to the film industry and City run events; and

3. The City of Brampton increase the fines for discharge, sale, and offer to sell fireworks as per the chart below; and

Description	Current Administrative Penalty	Proposed Administrative Penalty
Discharge or be in possession of fireworks	$350.00	Minimum $500.00
Sell or offer for sale fireworks	$350.00	Minimum $1000.00

4. Staff be directed to implement a fireworks ban awareness campaign through the City's Strategic Communications Division with a cost of $20,000 to be included in the 2023 budget process; and

5. Staff add an annual City-run Diwali event with Pyrotechnics and/ or fireworks similar to Canada Day and New Years Eve fireworks and pyrotechnics displays; and

6. Events and Protocol staff and Sponsorship staff work with local partners to invest in the City-run Diwali event to support a vibrant, fun and safe event for residents to enjoy; and

7. Staff report back on:

a. The feasibility of an enforcement "blitz" for New Years Eve 2022 with additional 311 staff and staff for proactive enforcement including the possibility of utilizing City of Brampton Property Standards Officers or enforcement officers from neighbouring jurisdictions to assist with service requests for the day; and

b. The justification and maximum fines that can be laid for the discharge and sale of fireworks through the AMPS system.

Carried

4.2 Delegations re. Item 5.1 – Committee of Council Recommendation CW389-2022 – Election Signs:

See Items 4.5 and 5.1 (Committee of Council Recommendation CW389-2022 – November 23, 2022)

The following delegations addressed Council and expressed their views, suggestions, concerns and questions in opposition to a ban on election signs:

1. Tracy Pepe, Brampton resident

2. Azad Goyat, Brampton resident

3. Nayan Brahmbhatt;, Brampton resident

Items 4.4 and 4.5 were brought forward and dealt with at this time.

The following motion was considered.

C351-2022
Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Vicente

That the following delegations and correspondence re. Item 5.1 – Committee of Council Recommendations CW389-2022 (Election Signage) and CW390-2022 (Cancellation of Election Sign Invoices), to the Special Council Meeting of November 28, 2022, be received:

Delegations:

1. Tracy Pepe, Brampton resident

2. Azad Goyat, Brampton resident

3. Nayan Brahmbhatt, Brampton resident;

Correspondence:

1. Wesley Jackson, Brampton resident, dated November 26, 2022

2. Jaqui Everett, dated November 28, 2022

3. Cody Vatcher, Brampton resident dated November 28, 2022

Carried

Committee of Council Recommendation CW389-2022 was considered at this time.

Council discussion took place on the recommendation, during which time staff responded to questions.

The following motion was considered.

C352-2022
Moved by Regional Councillor Vicente
Seconded by Regional Councillor Kaur Brar

That Committee of Council Recommendation CW389-2022 be extracted from the minutes and approved as follows:

> CW389-2022
>
> Whereas election signs are regulated and enforced by the municipality;
>
> Whereas in Brampton, the existing sign by-law only permits election signs on private property with specific regulations on size, placement, timing and quantity per candidate, and does not permit election signs on public property;
>
> Whereas research and experience demonstrate no real correlation between the number of election signs for candidates and results related to voter turn-out or candidate support;
>
> Whereas the City of Brampton report dated 2021-05-17 (Impacts Associated with Illegal Election Signs) and recent verbal update from staff at the Special Council Meeting on November 16, 2022, share that over the past many elections, including the 2018, 2019, and 2022 municipal, provincial and federal elections, Brampton's election sign regulations are consistently being contravened;
>
> Whereas despite candidate guides and education seminars offered through the City Clerk's Department, the volume of contraventions continues to grow;
>
> Whereas a large number of these complaints pertained to signs placed on public property, including boulevards and parkland, excessive signage on residential and non-residential properties, billboards exceeding 2m² in sign area, signs placed on City fences or noise walls, and signs displayed for more than 72 hours after the close of the election;
>
> Whereas contravention of election sign regulations raise a number of concerns in relation to visual clutter, driver distraction, visibility and public safety when located at intersections and/or near driveway access points;

Whereas costs associated with election signs are significant and can cost a campaign up to 50% or more of the expense limit and significant volunteer effort and time to install, manage, and replace signs during the campaign period in order to stay competitive using this campaign tactic;

Whereas campaigns for candidates in all elections have experienced an increase of sign tampering, including vandalism, theft and misplacement;

Whereas illegal signage also has an impact on municipal resources for enforcement, with an average cost to the City of investigating and prosecuting an illegal municipal election sign at approximately $125.00 to $130.00 per sign;

Whereas a significant amount of resources are spent on enforcement, investigation and in collecting the fines associated with illegal signs and sunk costs associated with such work is never fully recuperated;

Whereas it is within the municipality's jurisdiction to regulate and enforce the use of election signs and the provincial and federal government do not provide resources to help cover the costs borne by the municipality to enforce illegal election sign activity resulting from their respective elections;

Whereas alternate tactics for campaigns and options for residents to express their support for specific candidates or third parties exist other than election signs placed on lawns;

Whereas the placement of election posters at a residential window instead of election signs on lawns provides residents with the option to express their support for any particular candidate or third party but also prevents sign tampering, illegal placement, visual clutter, driver distraction, and public safety issues, etc.

Whereas election posters are less expensive and more environmentally friendly than election lawn signs;

Therefore Be It Resolved that as per City Staff Report issued on 2021-05-17, Option 1 be adopted to amend the Sign By-law to only permit the display of election posters in windows or in windows in doors with this restriction applying to all private property, including residential and non-residential lands. Only exempting election posters displayed from the interior of the building and restricting the use of all exterior election signs for candidates and third parties; and

That the amended sign by-law apply to all future elections; and

That staff recommend an increase to fines associated with illegal election signs in order to deter and recuperate costs associated with illegal signs.

1. Jasmeet Anand, Brampton Resident

PDC197-2022

1. THAT the report titled: **Recommendation Report – Request for a Municipal Council Support Resolution** dated November 9, 2022 to the Planning and Development Committee Meeting of November 28, 2022, be received;

2. THAT Council approve the following Municipal Council Support Resolution, for the request to assist Alectra Convergent Development Limited Partnership and Capital Power (Goreway Generation Station) (hereinafter referred to as the Proponents) in their application to a Long-Term Reliability Project Request for Proposal (RFP) issued by the Independent Electricity System Operator (IESO):

> "WHEREAS:
>
> 1. The Independent Electricity System Operator (hereinafter as the IESO) has issued the Long-Term Reliability Project Request for Proposals (hereinafter as the RFP) for new projects that will increase the capacity and reliability of the electrical system in Ontario;
>
> 2. Alectra Convergent Development Limited Partnership, a joint venture between Alectra Energy Solutions and Convergent Energy + Power (and hereinafter as Alectra Convergent), proposes to construct and operate a Battery Energy Storage System (BESS) on the Alectra-owned property at the Jim Yarrow Transformation Station on lands with municipal address of 1100 Steeles Avenue West;

3. Capital Power proposes two electricity enhancement and expansion options at the Goreway Generation Station site on lands with municipal address of 8600 Goreway Drive, with Option One entailing the construction and operation of additional BESS units and Option Two entailing the construction and operation of a new gas-powered electricity generation unit;

4. Capital Power has not indicated its preference between the two options (addition of Battery Energy Storage System units or a gas-powered electricity generation unit) in their proposal;

5. Both Alectra Convergent and Capital Power (hereinafter as the Proponents) have requested a support resolution from the Council of the City of Brampton to assist their RFP bid;

6. Pursuant to the RFP, proposals that receive the formal support of the local jurisdictional authorities of all the project communities in which a proposed project is located in the form of a support resolution will be awarded three Rated Criteria points for the purpose of ranking the proposal in relation to other proposals in Ontario for a contract under the RFP;

7. Obtaining this Resolution does not guarantee a contract will be offered to both or either Proponents by the IESO;

8. The sole purpose of this Resolution is to assist the Proponents in their submissions to the IESO Long-Term Reliability Project RFP process;

9. In the February 24, 2021 Committee of Council meeting, Council adopted Resolution No. CW098-2021 to affirm the City's commitment in achieving ambitious greenhouse gasses (GHG) reduction targets under the Community Energy and Emissions Reduction Plan (CEERP) and urge the Government of Ontario to phase out gas-fired electricity generation by 2030; and,

10. The addition of a gas-powered electricity generation unit in Brampton (Option Two of Capital Power's proposal) does not align with Council Resolution No. CW098-2021, including the City's adopted GHG reduction targets under the CEERP and the City's position to urge the Government of Ontario to phase out gas-fired electricity generation by 2030.

NOW THEREFORE BE IT RESOLVED THAT:

1. The Council of the City of Brampton supports Capital Power solely for its additional Battery Energy Storage System unit proposal (i.e., Option

One of Capital Power's proposal) and Alectra Convergent on their bids for the RFP issued by the IESO;

2. The Council of the City of Brampton affirms that this Resolution does not imply support for planning or other forms of approval that may be required for the proposed projects; and

3. If either or both proposals are selected by the IESO for implementation, the Proponents will be required to work with City staff for the appropriate required development approvals and ensure the proposed development adhere to appropriate zoning, environmental, landscaping, urban design and other standards."; and,

3. THAT Council affirms that this Resolution does not imply support for planning or other forms of approval that may be required for the proposed projects, as the sole purpose of this Resolution is to assist the Proponents in their submissions to the IESO Long-Term Reliability Project RFP process.

PDC198-2022

That the Minutes of the Age-Friendly Brampton Advisory Committee Meeting of September 27, 2022, Recommendations AFC012-2022 to AFC015-2022, to the Planning and Development Committee Meeting of November 28, 2022, be approved as published and circulated.

AFC012-2022

That the agenda for the Age-Friendly Brampton Advisory Committee meeting of September 28, 2022, be approved as published and circulated.

AC013-2022

That the presentation by Bindu Shah, Principal Planner/Supervisor, to the Age-Friendly Brampton Advisory Committee meeting on September 27, 2022, re: **Housing Brampton Year 1 Update**, be received.

AFC014-2022

That the presentation by Hanu S. Dilip, Urban Designer, to the Age Friendly Brampton Advisory Committee meeting of September 27, 2022, re: Uptown Brampton Urban Community Hub 2022-2027 be received.

AFC015-2022

That the Age-Friendly Brampton Advisory Committee meeting do now adjourn to meet again on November 29, 2022 at 7:00 p.m.

PDC199-2022

That Planning and Development Services staff be directed to submit additional comments to the Province and immediately meet with Provincial staff on ERO 019-06217, to explore the potential as it relates to the signed Minutes of Settlement (April 2018) between the Corporation and Brampton Brick Ltd. for the purposes of attempting to resolve the long outstanding matter of the Norval Quarry.

PDC200-2022

WHEREAS the Government of Ontario passed Bill 23 on November 28, 2022; and

WHEREAS Bill 23 removes the ability for the City of Brampton to control growth, planning and management, and provides less City Council oversight in neighbourhood redevelopment; and

WHEREAS Bill 23 has potential to create overcrowding and/or unsuitable living conditions for Brampton residents, while adding additional responsibility for service delivery for the City, and

WHEREAS Bill 23 introduces a 10-year target of 113,000 new households for the City of Brampton, representing an annual increase in total housing growth nearly three (3) times the City's historical average over the past 20 years, and;

WHEREAS Bill 23 amends the definition of 'affordable housing' further increasing the threshold from $400,000 to $800,000 at which housing options are deemed affordable and exacerbating 'entry level' housing development options; and

WHEREAS to service the additional infrastructure, an estimated $2 billion will be required beyond the current needs, an equivalent to a one-time property tax increase of 40% over a 10-year period for Brampton residents.; and

WHEREAS the combination of reduced DC revenue tools and targeted rapid growth will shift a significant portion of these additional infrastructure costs to the Property Tax Base;

WHEREAS with the rapid rate of growth in Bill 23 the City of Brampton will need funding partners from higher levels of government to build the infrastructure to service this growth without immediate investments in capital planning from the federal and provincial governments;

Finance

WHEREAS It is estimated that Bill 23 could cost the City $440 million in development charges alone based on current growth plans. Without corresponding provincial grants, the City of Brampton would need to recover that revenue through the tax base or by reducing service levels. In efforts to recover the DC Shortfall, the City could expect an equivalent to a one-time increase of property taxes by about 9%, and;

WHEREAS additional impacts to development charges may also result from the proposed threshold of 80% of average market value to define affordable housing which could result in additional loss of revenue of between $260M and $800M depending on what % of development meets this threshold which would be equivalent to a one-time property tax increase of between 5%-16%, and;

WHEREAS the estimated 'cash-in-lieu' (CIL) parkland revenue loss is estimated to be as much as $700 million to $1.05 billion over the next decade, equating to a potential one-time increase of property taxes by 14% -21%, and;

WHEREAS Bill 23 is anticipated to not only reduce revenue for parkland and recreational facilities, but also reduce parks across the City, including less parkland per development and poorer quality parkland directly impacting the quality of life of Brampton residents, and;

Healthcare

WHEREAS despite the announcement of the Peel Memorial Phase 2 expansion to a full-service hospital, the City of Brampton continues to face a healthcare emergency, and planning must begin immediately for a third hospital in Brampton to meet the growth assigned in Bill 23; and

Riverwalk

WHEREAS the City of Brampton has secured partial Federal funding while actively advocating and waiting for the Province to also provide its share of funding to advance the Riverwalk project and remove flood risk to unlock downtown Brampton for the development of thousands of new residential units and 9 million square feet of new residential and non-residential gross floor area (GFA) situated at a significant transit hub in downtown Brampton; and

Environment

WHEREAS Bill 23 will reduce the ability of municipalities to protect, conserve, enhance and manage the natural heritage system, leading to the loss of protected lands, further loss of natural heritage areas and wetlands potentially

resulting in significant impacts such as increased risk of serious flooding and climate change risks, and;

Transit

WHEREAS congestion is an ongoing issue, and the Region of Peel has already determined that building more roads will not solve congestion issues; and

WHEREAS Brampton has the highest growth in ridership in the country; and

WHEREAS The City of Brampton needs funding to ensure residents and businesses can depend on transit today, and in the future, transit initiatives and vital transit infrastructure enhances regional connections and supports the growth of a diverse, dynamic and fast-growing city like Brampton; and

WHEREAS Brampton has not received the same level of transit funding as other comparable municipalities, the city continues to request a fair share of funding from higher levels of government for major transit infrastructure projects; and

WHEREAS The City of Brampton will need to partner with the province to build transportation infrastructure that best serves the needs of residents not only in Brampton, but across Peel Region, the GTA and communities across Canada's Innovation Corridor; and

WHEREAS the City of Brampton will need the provincial government to expedite the approval process in major transit projects including the Highway 7/Queen Street BRT, Hurontario/Main Street LRT extension to the Brampton GO station, and GO Rail Expansion Regional Express Rail service (frequent two-way, all-day) on the Kitchener corridor west of Bramalea GO to Mount Pleasant GO and beyond to Kitchener/Waterloo; and

WHEREAS Bill 39 Better Municipal Governance Act, 2022 is currently at second reading in the legislature, if adopted without changes it will add further challenges as it pertains to Bill 23 and associated wide ranging changes to municipal planning and potential fiscal impact to the City of Brampton;

NOW THEREFORE BE IT RESOLVED THAT:

1. City of Brampton Council form a special task force comprised of the Mayor (Patrick Brown), Chair of Planning (Councillor Palleschi), Deputy Mayor/Vice-Chair Planning (Councillor Singh), Chair of Community Services and FCM Board Member (Councillor Santos), Chair of Public Works and AMO Board Member (Councillor Vicente), and City Staff as determined by the CAO to develop and deliver a plan of advocacy to the provincial government which focuses on the

City's concerns related to Bill 23 and the need for significant investments to service the growth outlined in Bill 23;

2. The plan consider the work being done with municipal advocacy groups such as AMO, FCM, the Ontario Big City Mayors, to mitigate the fiscal impacts to municipalities and address unintended consequences from Bill 23

3. The task force engage in a meaningful fashion with developers and key stakeholders to identify the best approach to municipal planning and growth management as it relates to Brampton's existing plans, specific needs and challenges.

PDC201-2022

That Planning and Development Committee do now adjourn to meet again for a Regular Meeting of Committee on December 12, 2022 at 7:00 p.m. or at the call of the Chair.

5.3 Referrals from Committee of Council on November 23, 2022:

5.3.1 Request for Motion re. Decline of Fabricare/Dryclean Industry and Support for the 'Get Close With Your Cleaner Again' Campaign

The following motion was considered.

C355-2022
Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Vicente

WHEREAS the City of Brampton is home to numerous dry cleaners, of which combined employ many Brampton residents;

WHEREAS the City of Brampton is a significant provider of businesses associated with the fabricare industry;

WHEREAS many businesses have endured economic hardship due to the societally negative effects of the pandemic;

WHEREAS dry cleaning businesses, on average, have experienced a considerable decline in their sales locally and nationally, with many locations having been closed down as a result;

WHEREAS the dry cleaning industry once thrived and is now in desperate need of community support and revitalization;

THEREFORE BE IT RESOLVED

That the Council of the City of Brampton extends its support to members of the dry cleaning community by acknowledging the hardship suffered but rallying behind their “Get Close With Your Cleaner Again” industry campaign; and further, and

That the Council of the City of Brampton connects with their counterparts at the Federal and Provincial levels, local-area MP’s and MPP’s included, and calls upon them for their support of this campaign and for their further assistance where possible.

6.2 Announcement – Brampton Resident Recognized on Forbes 30 Under 30 List

Regional Councillor Toor announced that Aadil Ali was named one of Forbes Top 30 under 30 for his contribution to healthcare, specifically for the development of a new method of donor lung preservation, which allows for a significant extension of safe donor lung preservation times.

On behalf of Council, Mayor Brown and Councillor Toor extended congratulations to Mr. Ali for this achievement.

Aadil Ali thanked Council for its recognition and provided information about his medical research and development work.

7. Public Delegations and Staff Presentations (5 minutes maximum)

7.4 Staff Presentation from Clare Barnett, Director, Economic Development, Office of the CAO, re. Brampton Bhive 2022 Update and Strategy

Clare Barnett, Director, Economic Development, Office of the CAO, and Vikram Khurana, CEO, BHive, provided a presentation titled: "Bhive Strategy", and responded to questions of clarification from Council.

A motion, moved by Mayor Brown and seconded by Regional Councillor Toor, was introduced, with the operative clause as follows:

> Therefore, be it resolved that the City of Brampton will provide $500,000 of funding to Bhive to cover operational costs; and the existing agreement

be modified accordingly to recognize a revised cost recovery schedule and updated KPIs, to be sourced from the General Rate Stabilization Reserve.

The motion was considered as follows.

C368-2022
Moved by Mayor Patrick Brown
Seconded by Regional Councillor Toor

That the staff presentation from Clare Barnett, Director, Economic Development, Office of the CAO, re. **Brampton Bhive 2022 Update and Strategy**, to the Council Meeting of December 14, 2022, be received;

Whereas the Brampton Bhive was opened in May 2021 to welcome foreign born entrepreneurs from around the world to establish their innovative businesses in Brampton's Innovation District;

Whereas the businesses come to Canada under the Start Up Visa program;

Whereas the Start Ups pay a $30,000 fee for programs and soft landing space at Bhive;

Whereas the fees are not fully paid until the businesses are in Brampton;

Whereas the City does not begin to recover the costs of their investment until the fees are paid;

Whereas during the Covid-19 pandemic, the federal government closed its international border to foreign nationals (excluding Americans) on March 16 2020, followed by a restriction on non-essential travel across the Canada-United States border was then implemented on March 21;

Whereas Immigration, Refugee and Citizenship Canada has been delayed in processing Start Up Visa applications during and since the pandemic;

Whereas the IRCC website indicates the wait time for a Start Up Visa application to be processed has been up to 32 months;

Whereas an alternative is to apply for a work permit, resulting in some entrepreneurs committing to the Brampton Bhive while pursuing this immigration pathway;

Whereas the City of Brampton has advocated to IRCC Officials stressing the economic importance of processing Start Up Visa applications;

Whereas in January 2023, Bhive will welcome its first in person cohort of 10 businesses and it has 58 in the process;

Whereas funding for operational expenses is required in 2023; and,

Therefore, be it resolved that the City of Brampton will provide $500,000 of funding to Bhive to cover operational costs; and the existing agreement be modified accordingly to recognize a revised cost recovery schedule and updated KPIs, to be sourced from the General Rate Stabilization Reserve.

7.5 Delegation from Kulwinder Singh Chhina, Brampton resident, re. Item 15.3 – Notice of Motion – To Establish a Direct Flight Between Canada and the State of Punjab

Kulwinder Singh Chhina, outlined comments in support of the Notice of Motion (Item 15.3) regarding establishing a direct flight between Canada and the State of Punjab, and provided information in response to questions of clarification from Council.

Item 15.3 was brought forward and dealt with at this time.

Regional Councillor Brar withdrew the original Notice of Motion that was published on the agenda for this meeting.

The following new motion, moved by Regional Councillor Toor and seconded by Councillor Brar, was introduced and considered.

C369-2022
Moved by Regional Councillor Toor
Seconded by Regional Councillor Kaur Brar

That the delegation from Kulwinder Singh Chhina, Brampton resident, re. **Item 15.3 – Notice of Motion – To Establish a Direct Flight Between Canada and the State of Punjab**, to the Council Meeting of December 14, 2022, be received.

Whereas the recently expanded Canada-India Air agreement which indicates unlimited flights between the two nations has excluded Punjab, in particular the Amritsar Airport;

Whereas many residents living in Brampton have family ties in Punjab and a great example of this was seen during the Covid-19 pandemic, when initial lockdowns saw 30,000 Canadians stranded in India due to flight cancellations and the federal government instated 37 repatriation flights which were redirected

through the Amritsar airport, providing a great example the feasibility of the facility alongside the demand through the region;

Whereas there would be significant economic and social value in establishing direct flight between Canada and the state of Punjab;

Therefore, be it resolved:

That the City of Brampton write a letter in support to the Federal Government's efforts to bring direct flights between Pearson Airport and the state of Punjab. This correspondence shall also be sent to all local MPs.

Carried

Council discussion took place with respect to processing of Visa applications by the Consulate of India, and the following motion was introduced and considered in this regard.

C370-2022
Moved by Regional Councillor Toor
Seconded by Regional Councillor Kaur Brar

That the Consulate of India be requested to increase its capacity to process visa applications more expeditiously.

7.6 Video Delegation from Cody Vatcher, Brampton resident, re. Item 13.4 – Discussion Item at the Request of Regional Councillor Palleschi re: Pre-recorded Video Delegations

Cody Vatcher, Brampton resident, provided a video delegation outlining comments on Item 13.4 regarding pre-recorded video delegations. In his video delegation, Mr. Vatcher suggested that any future video delegations submitted to Council be considered as correspondence, and outlined his reasons for this request.

Item 13.4 was brought forward and dealt with at this time.

During Council's consideration of Mr. Vatcher's suggestion, Peter Fay, City Clerk, indicated the Procedure By-law could be broadly interpreted to provide for consideration of future video delegations as correspondence.

The following motion was considered.

C371-2022
Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Keenan

That the video delegation from Cody Vatcher, Brampton resident, re. **Item 13.4 – Discussion Item at the Request of Regional Councillor Palleschi, re: Pre-recorded Video Delegations**, to the Council Meeting of December 14, 2022, be received.

7.7 Delegation from the Jaskaran Sandhu, Canada Truck Operators Association (CTOA) re: Item 16.3 – Discussion Item at the Request of Deputy Mayor Singh re. Trucking Industry

Jaskaran Sandhu, Executive Director, Canada Truck Operators Association (CTOA), provided information on CTOA, outlined concerns about the impact of a recent federal policy change on independent contracted drivers, and requested Council's support of CTOA's advocacy efforts.

A motion, moved by Regional Councillor Toor and seconded by Regional Councillor Brar, was introduced, with the operative clause as follows:

> Therefore be it resolved that a request be sent to the federal government to engage and consult with Brampton's local trucking businesses and truck drivers, including the Canadian Truck Operators Association, when forming any policy, regulatory, or legislative changes involving independent contractors or incorporated drivers be reflective of industry realities.

Council discussion took place on the motion and included an amendment proposed by Regional Councillor Palleschi to provide that a generic version of the motion be sent to the Region of Peel, the Association of Municipalities of Ontario and the Federation of Canadian Municipalities for their consideration and advocacy.

The motion, as amended, was considered as follows.

C372-2022
Moved by Regional Councillor Toor
Seconded by Regional Councillor Kaur Brar

That the delegation from Jaskaran Sandhu of the Canada Truck Operators Association (CTOA), to the Council Meeting of December 14, 2022, be received.

Whereas the trucking and logistics industry forms a critical part of Brampton's and Peel Region's economy; and

Whereas many truck drivers, owner-operators, and companies call Brampton home; and

Whereas the trucking industry is one of Canada's largest industries providing front-line services particularly throughout the pandemic; and

Whereas many in the trucking industry deserve to be at the table with the federal government when it comes to making any policy, regulatory, or legislative decisions that impact the entire industry; and

Whereas truck drivers, owner-operators, and companies have expressed concerns regarding the recent federal announcements pertaining to independent contractors and incorporated drivers and believe that it will have a detrimental impact on the industry and on Canada's supply chain; and

Whereas the Canada Truck Operators Association (CTOA) is the newest and fastest-growing trucking association in Canada, with a diversity of members from across the country;

Therefore be it resolved that a request be sent to the federal government to engage and consult with Brampton's local trucking businesses and truck drivers, including the Canadian Truck Operators Association, when forming any policy, regulatory, or legislative changes involving independent contractors or incorporated drivers be reflective of industry realities; and

That a generic version of the motion be provided to the Region of Peel, the Association of Municipalities of Ontario, and the Federation of Canadian Municipalities for their consideration and advocacy.

Whereas the trucking and logistics industry forms a critical part of Ontario's economy; and

PDC209-2022

Whereas there are 11,000+ employers in the logistics sector (transportation and warehousing), with over 50,000 Brampton residents working in that sector.

Whereas Transportation and Warehousing represents Brampton's largest sector of employment with over 50,000 jobs and 24,000 businesses;

Whereas the Transportation and Warehousing sector continues to fuel the demand for industrial land, contributing to historically low industrial vacancy rates in Brampton of less than 1 percent;

Whereas the City of Brampton is home to the largest trucking fleets in Canada;

Whereas Brampton's logistics sector contributes to approximately $2 billion annually to the national GDP;

Whereas Brampton is one of the most connected cities in North America, supported by the largest intermodal railway in Canada and proximity to Canada's largest airport;

Whereas extensive areas of logistics uses are planned for the employment lands in the eastern third of the Highway 427 Industrial Secondary Plan Area (SP47), with plans for approximately 2,600 jobs on over 100 hectares of land (with a further 10,100 or so jobs on 260+ hectares of lands designated for Prestige Industrial and Business Park employment);

Whereas the City has received and 36 development applications, for 17 properties, to facilitate logistics and trucking-related development in SP47 since 2019 (see Appendix 1);

Whereas the employment lands in SP47 contain roads under the jurisdiction of the City of Brampton and the Region of Peel;

Whereas the planned development in SP47 and in the employment lands north of this area in the Town of Caledon will result in an increase in the amount of heavy truck trips to, from, and within SP47;

Whereas the employment lands in SP47 require efficient access to the Regional and Provincial highway networks;

Whereas increased truck traffic in the area will impact the condition and lifespan of roads in and adjacent to SP47;

Whereas From 2019 to 2022, 14 service requests for road quality/degradation were submitted roads in SP47.

Whereas the City of Brampton and Region of Peel are advancing Environmental Assessment studies for arterial roads that will serve the employment lands in SP47;

Therefore Be It Resolved

That Council for the City of Brampton directs staff to work with the Region of Peel to examine opportunities to expedite the planning and construction of the goods movement-serving roads in SP47;

And further that staff be directed to work with the Region of Peel and area employment land landowners to identify short-term opportunities to plan for, finance, and construct connections from soon-to-be developed logistics and other employment uses to the existing road network pending construction of the planned arterial road network;

And further that staff report back to Council annually on this matter;

And further that this resolution be circulated to the Regional Municipality of Peel and Town of Caledon.

PDC210-2022

That the correspondence from City of Mississauga re: **Resolution 0231-2022, adopted by Council, Bill 23, More Homes Built Faster and Implications for the City of Mississauga**, to the Planning and Development Committee Special meeting of December 12, 2022 be received.

PDC211-2022

That the correspondence from the Town of Caledon re: **Bill 23, More Homes Built Faster Act**, to the Planning and Development Committee Special meeting of December 12, 2022 be received.

PDC212-2022

That the correspondence from the Ontario Big City Mayors, dated December 2, 2022, re: Bill 23, to the Planning and Development Committee Special meeting of December 12, 2022 be received.

PDC213-2022

That Committee not proceed into Closed Session, with the direction set out in the Closed Session agenda, regarding the following item, deemed to have been given:

14.1 Open Meeting exception under Section 239 (2) (e) of the Municipal Act, 2001:

Litigation or potential litigation, including matters before administrative tribunals, affecting the municipality or local board - Ontario Land Tribunal matter

PDC214-2022

That Planning and Development Committee Special Meeting do now adjourn to meet at its Regular Meeting on Monday, December 12, 2022 at 7:00 p.m., or at the call of the Chair.

12.6 Summary of Recommendations – Planning and Development Committee – December 12, 2022

This item was withdrawn at the request of staff. The full minutes will be provided for consideration at the Council Meeting of January 25, 2023.

13. Unfinished Business

13.1 Discussion Item at the request of Regional Councillor Santos re: Beautification of Local Neighbourhoods

Regional Councillor Santos and Regional Councillor Keenan, mover and seconder, outlined the purpose of the proposed motion that was published on the agenda for this meeting.

The motion was considered as follows.

C380-2022
Moved by Regional Councillor Santos
Seconded by Regional Councillor Keenan

Whereas Brampton's Community Safety Action Plan (2022-2027) addresses tactics related to safety, awareness, and empowerment; and

Whereas residents have expressed an interest in beautifying their local neighbourhoods as a means of enhancing safety and well-being;

Therefore be it resolved that:

1. The Community Safety Action Plan tactics of the Neighbourhood Association Guide and the Focused Neighbourhood Development and Engagement (Nurturing Neighbourhoods Program Phase 2) be developed with beautification strategies to empower residents to take action;

2. That an additional stream to support local neighbourhood beautification be developed through the Community Grant Program, with additional funds allocated through the 2024 budget process;

3. Staff report back on measures for beautification of local neighbourhoods, to include but not limited to micro-grant options, development of the Neighbourhood Association Guide, formalized neighbourhood association affiliation and benefits, and plans for Phase 2 of the Nurturing Neighbourhoods Program, under the focused neighbourhood development and engagement Action Plan tactic.

Carried

A motion, moved by Councillor Santos and seconded by Regional Councillor Toor, was introduced, with the operative clauses as follows:

Therefore be it resolved that:

1. in alignment with Brampton's Culture Master Plan, Interim Public Art Framework, and Brampton's Community Safety Action Plan (2022-2027) that Council support staff efforts to increase budget for public art and placemaking initiatives in operating budgets and capital infrastructure projects (including renovation and development of facilities) as a means to enhance and improve neighbourhood beautification.

2. Council reallocate $300,000 previously approved for staining of existing Williams Parkway Noise Wall in the 2022 Capital budget from Project #223840-001 to Project #196860-001 to fund City-wide Public Art Initiatives in 2023.

Councillor Santos outlined the purpose of the motion.

The motion was considered as follows.

C381-2022
Moved by Regional Councillor Santos
Seconded by Regional Councillor Toor

Whereas arts and culture help build vibrant and liveable communities in Ontario;

Whereas Brampton's 10-year Culture Master Plan sets the City on a strategic and intentional path to becoming a creative, expressive, and connected urban city;

Whereas the 2021 Nurturing Neighbourhoods survey data reports that residents rank Arts and Culture as the most desirable neighbourhood asset;

Whereas residents have expressed an interest in beautifying their local neighbourhoods as a means of enhancing safety and well-being;

Whereas Placemaking capitalizes on a local community's assets, inspiration, and potential, with the intention of creating public spaces that promote people's health, happiness, and well-being;

Whereas public art is a catalyst for Placemaking, central to the cultural identity of a place and an important tool for animating public spaces and promoting citizen engagement;

Whereas the City successfully piloted placemaking and public art projects in 2022;

Therefore be it resolved that:

1. in alignment with Brampton's Culture Master Plan, Interim Public Art Framework, and Brampton's Community Safety Action Plan (2022-2027) that

Council support staff efforts to increase budget for public art and placemaking initiatives in operating budgets and capital infrastructure projects (including renovation and development of facilities) as a means to enhance and improve neighbourhood beautification.

2. Council reallocate $300,000 previously approved for staining of existing Williams Parkway Noise Wall in the 2022 Capital budget from Project #223840-001 to Project #196860-001 to fund City-wide Public Art Initiatives in 2023.

WHEREAS Brampton's ambitious approach to climate action and GHG emissions reduction positions the City to realize the environmental and economic benefits of the City's climate goals;

THEREFORE BE IT RESOLVED THAT:

1. The City initiate work to identify opportunities to assess the City's potential capacity to implement Brampton's climate goals and identify economic potential for revenue generation through GHG reduction initiatives.

2. The City of Brampton publish a RFP to solicit a vendor with expertise in the carbon market to work with the city staff to specifically assess potential revenue for the City and the expertise to create carbon credits on behalf of the city and the ability to list any carbon credits created on the greenest blockchain possible.

3. The City position itself to develop tools and strategies to scale up economic benefits from effective climate action for maximum implementation and expertise sharing through/with sector peers.

Council discussion took place on the following Recommendations:

Recommendation PDC006-2023:

The following motion, moved by Mayor Brown and seconded by Deputy Mayor Singh was introduced:

That Recommendation PDC006-2023 be deleted and replaced with the following:

1. That the report titled: Recommendation Report, Application to Amend the Official Plan and Zoning By-law, MPLAN Inc. – Ivory Group, 227 and 229 Main Street, Ward 3, dated December 30th, 2022, to the Planning and Development Committee meeting of January 23rd, 2023 be received;

2. THAT the Official Plan and Zoning By-law Amendment applications submitted by MPLAN Inc. on behalf of Ivory Group be approved, with modifications, on the basis that they represent good planning, including that they are consistent with the Provincial Policy Statement, conform with the Growth Plan for the Greater Golden Horseshoe, the Region of Peel Official Plan, and the City's Official Plan, for the reasons set out in this Recommendation Report;

3. That the amendment to the Official Plan generally in accordance with the attached Appendix 10 to this report be adopted, as revised to include a provision that maintains the 45 degree angular plane, as drawn from the rear property line of the site to minimize the impact from the building height on the adjacent low-rise neighborhood;

4. That the amendment to the Zoning By-law generally in accordance with the attached Appendix 12 to this report be adopted, as revised to include

a provision that maintains the 45 degree angular plane, as drawn from the rear property line of the site, to minimize the impact from the building height on the adjacent low-rise neighborhood; and to add a requirement to hold a community meeting prior to the removal of the Holding provision.

5. THAT no further notice or public meeting be required for the attached Official Plan and Zoning By-law Amendment pursuant to Section 22 and Section 34 of the Planning Act, R.S.O. c.P. 13, as amended.

A further amendment was identified by staff to add “or lower” after “45 degree angular plane” in Clauses 3 and 4.

The amendment, as further amended, was voted on and carried.

Recommendations PDC007-2023 and PDC009-2023:

An amendment, moved by Regional Councillor Palleschi and seconded by Regional Councillor Santos, was introduced to strike out the recommendations and refer the related items (7.2 and 7.4) to a Special Meeting of Planning and Development Committee to be held on February 6, 2023 at 1:00 p.m.

15.1 ^ Notice of Motion – Black History Month Street Naming – Justice Tulloch

Dealt with under Consent Resolution C003-2023

15.2 Notice of Motion – Advance Brampton Fund Program

In response to questions from Council, staff provided information on the Advance Brampton Fund, which included details about the budget, increase in the number of applications submitted over the years, and granting programs in other municipalities.

Staff confirmed that all applications submitted for funding in 2023 met the threshold for approval, however, given the limited budget, not all applications could be approved for funding, and highlighted the need for timely communication to successful applicants.

Council consideration included the need for review of the budgeted amount for this program, acknowledgement that all 2023 applicants met the funding threshold, and the economic and community value resulting from these community programs and events.

An amendment was proposed by Regional Councillor Santos to provide for funding for the 2023 applicants that met the threshold, but could not be funded due to the limited budget.

With the assistance of staff, an additional clause to the Notice of Motion was prepared and displayed, as follows:

That the unfunded application shortfall amount of $461,858 in 2023 be allocated from the General Rate Stabilization Fund, or other sources deemed appropriate by the Treasurer, to provide for the 2023 applications.

The motion, as amended, was considered as follows.

C010-2023
Moved by Regional Councillor Santos
Seconded by Mayor Patrick Brown

Whereas the City's Advance Brampton Fund Program is a community granting program that supports non-profit sector development and provides municipal funding to eligible Brampton-based non-profit or charitable organizations for strong project proposals that align within City-defined priority areas; and

Whereas the 2023 Advance Brampton Fund list of approved applicants will soon be released.

Whereas the Program delivery continues to be overwhelmingly successful with the number and type of quality applications far exceeding available funding assistance to charitable and non-profit sector partners to deliver important and valuable programs and services to Brampton residents;

Therefore Be It Resolved That Council discuss possible options to enable the Advance Brampton Fund Program to continue to meet growing community needs, including additional funding opportunities, if available; and

That the unfunded application shortfall amount of $461,858 in 2023 be allocated from the General Rate Stabilization Fund, or other sources deemed appropriate by the Treasurer, to provide for the 2023 applications.

15.3 Notice of Motion – Global T20 Cricket Letter of Support

Mayor Brown outlined the purpose of the subject Notice of Motion.

The motion was considered as follows.

C011-2023
Moved by Mayor Patrick Brown
Seconded by Regional Councillor Palleschi

WHEREAS cricket is an extremely popular sport in Brampton and leads the way in Canada with state-of-the-art amenities;

AND WHEREAS Bombay Sports Co. Ltd. has hosted international cricket tournament known as Global T20 Canada (GT20) at the CAA Centre cricket grounds (now Brampton Sports Park) in 2019;

AND WHEREAS Bombay Sports Co. Ltd. is preparing to host the GT20 international cricket event at the Brampton Sports Park in 2023 and is currently seeking approval from the International Cricket Council (ICC) to host this event;

AND WHEREAS Community Services staff has tentatively reserved the cricket grounds at Brampton Sports Park for this event;

AND WHEREAS a letter of support from the City of Brampton to host the event is required as the final step to complete Bombay's application for sanctioned status from the ICC;

THEREFORE IT BE RESOLVED THAT the City of Brampton provide a letter of support to Bombay Sports Co. Ltd. as a confirmation of the City's commitment to host the GT20 tournament at the Brampton Sports Park.

AND THAT the letter is reviewed and approved by the respective Commissioner of Corporate Support Services, Community Services, Public Works and Engineering and Fire and Emergency Services.

AND THAT The City of Brampton Recreation and Tourism staff continue to work with Bombay Sports Co. Ltd.to ensure all required information and documentation is provided to achieve a successful and mutually desired goal of hosting the GT20 tournament in Brampton in 2023.

CW038-2023

Whereas, Brampton residents have expressed significant concern for their personal safety and well being, and residents of Brampton have specifically singled out the perceived rise in auto theft, and

Whereas, the Peel Regional Police have recently reported statistical data for the year ending December 31, 2022 which confirms that residents fears are well-founded, and

Whereas, there has been an overall rise in auto thefts across Canada comparing to 2019 with a 97% rise in auto thefts in Peel Region, York Region 134%, Toronto 80% and Montreal 122%.

Whereas, there are a number of factors contributing to sudden and dramatic rise in thefts which include, but are not exclusive to, the vulnerability of keyless lock and keyless ignition FOB technology present in most late model vehicles, and

Whereas, thieves are using a combination of a “relay attack” to unlock and start vehicles and diagnostic equipment to create new key FOBs of stolen vehicles, and

Whereas, a Faraday bag or Faraday pouch can successfully prevent a relay attack by blocking the radio signal given off by a key FOB, thereby foiling thieves who would steal the key FOB signal while residents are sleeping in their homes, and

Whereas, auto theft represents hundreds of millions of dollars of financial loss to Brampton residents and is a contributing cause of high insurance premiums;

Therefore Be It Resolved:

1. That the City of Brampton implement an auto theft reduction campaign in partnership with Peel Crime Stoppers and Brampton Community Safety Office; and

2. That five (5) pilot areas in Brampton be identified in partnership with Peel Regional Police (PRP) and City of Brampton to distribute Faraday pouches/bags to residents in the pilot areas; and

3. That Strategic Communications develop appropriate collateral communication material including, but not exclusive to, a letter from the City asking residents to participate in this program with instructions on how to use the Faraday pouch/bag and Peel Regional Police tips on preventing auto theft; and

4. That appropriate City staff report, at a future date, on the effectiveness of the pilot program and offer any recommendations in furtherance of the goal of reducing auto theft in Brampton; and

5. That the costs for this pilot program be funded from an appropriate City's General Rate Stabilization Reserve account or such other appropriate funding source as determined by the Treasurer.

CW039-2023

1. That the report from Mihir Patel, Traffic Operations Technologist, Road Maintenance, Operations and Fleet, Public Works and Engineering, to the Committee of Council Meeting of February 1, 2023, re: **Traffic By-law 93-93 – Administrative Update**, be received; and,

2. That a by-law be passed to amend Traffic By-law 93-93, as amended, as outlined in the subject report.

CW040-2023

1. That the report from Van Thai, Coordinator, Street Lighting, Road Maintenance, Operations and Fleet, Public Works and Engineering, to the Committee of Council Meeting of February 1, 2023, re: **Request to Begin Procurement of Underground Locates Services for Street Lighting, Park and Pathway Lighting, Traffic Signal, Transit and Storm Sewer**, be received; and

2. That the Purchasing Agent be authorized to commence the procurement for Underground Locates Services for Street Lighting, Park and Pathway Lighting, Traffic Signal, Transit and Storm Sewers.

CW041-2023

That speed bumps and traffic control in the vicinity of Van Kirk Drive, Van Scott Drive and Potters Wheel Gate, Ward 2, be included within the 2023 Budget considerations.

CW042-2023

That staff be requested to report on potential support for, and related costs in regard to, the Lusofonia Festival.

CW043-2023

That Committee proceed into Closed Session to discuss matters pertaining to the following:

15.2 Open Meeting exception under Section 239 (2) (k) of the Municipal Act, 2001:

A position, plan, procedure, criteria or instruction to be applied to any negotiations carried on or to be carried on by or on behalf of the municipality or local board – a governance matter

15.3 Open Meeting exception under Section 239 (2) (e) and (b) of the Municipal Act, 2001:

Litigation or potential litigation, including matters before administrative tribunals, affecting the municipality or local board; and, personal matters about an identifiable individual, including municipal or local board employees – a discussion regarding by-law enforcement

CW044-2023

1. That a by-law be passed to approve and ratify the Agreement of Purchase and Sale executed by the Corporation of the City of Brampton for the acquisition of one (1) property:

    i. property at 42 Main Street North, Brampton (approx. 0.03 acres) PT LT 9, VODDEN BLK, PL BR10 AS IN RO640573; BRAMPTON, being all of PIN 14124-0030 (LT), accepted on November 22, 2022.

2. That the Commissioner of Legislative Services be authorized to execute any agreements or other documents necessary for the completion of the City's acquisition of the property at 42 Main Street North, Brampton, on terms acceptable to the Senior Manager, Realty Services and in a form acceptable to the City Solicitor or designate;

3. That a budget amendment be approved and a new capital project be established in the aggregate amount of $1,550,000 (inclusive of all taxes, due diligence costs, legal fees, and other ancillary costs and applicable HST) for the acquisition of 42 Main Street North, Brampton with funding to be transferred from Reserve #12 – Land Sale Proceeds.

4. That staff be directed to make a pre-payment of Land Transfer Tax payable in connection with the acquisition of 42 Main Street North, Brampton to the Minister of Finance.

Staff referenced a report in development for consideration in March 2023 with respect to the annual Community Iftar event, and requested direction from Council to enable staff to incorporate flexibility on the celebration date in 2023 to avoid scheduling of the event during the winter months, given that it is an outdoor event.

Council consideration included the benefit of providing flexibility for staff organizing the event for the remainder of the current term of Council to allow for either an Iftar or Eid event based on input from the community.

A motion, moved by Regional Councillor Keenan and seconded by Regional Councillor Santos, was introduced for this purpose.

The motion was considered as follows.

C028-2023
Moved by Regional Councillor Keenan
Seconded by Regional Councillor Santos

That the Corporate Event listing be updated from “Community Iftar” to “Celebrate Ramadan” for 2023 and that the upcoming Corporate Event Listing Report provide flexibility for the remainder of the 2022-2026 term to hold an Iftar or Eid event based on input from the community.

15. Notices of Motion

15.1 Notice of Motion – Sheridan College International Students Summit and Charter

The subject Notice of Motion was considered as follows.

C030-2023
Moved by Regional Councillor Santos
Seconded by Mayor Patrick Brown

Whereas Brampton City Council has been working with various post-secondary and community agency partners to ensure international students residing and/or attending public and private post-secondary institutions in the City have access to the necessary support services to succeed and thrive; and

Whereas an International Students Summit was held in 2022 to address the issues facing international students in order to identify and implement meaningful solutions to assist and support the international student experience within our community; and

Whereas Sheridan College, in collaboration with community agency and government partners, has been working to improve the international student experience within the City, through establishing an International Student Experience Charter, and wishes to provide an update to City Council on progress to-date and improvements underway;

Therefore Be It Resolved That Council receive an update from Sheridan College and community agency partners at the February 8, 2023 City Council meeting and give further consideration to opportunities and options for the City to continue to support international students, and the post-secondary institutions they attend within the City.

Note: The recommendations outlined in the subject minutes were approved by Council on February 8, 2023, pursuant to Resolution C019-2023.

12.2 Minutes – Planning and Development Committee – February 13, 2023

Regional Councillor Palleschi, Committee Chair, introduced the subject minutes and led Council's consideration.

The following amendment to Recommendation PDC028-2023, moved by Regional Councillor Keenan and seconded by Councillor Palleschi, was introduced:

1. That the staff report titled: **Supplementary Recommendation Report, Application to Amend the Official Plan and Zoning By-law, Gagnon Walker Domes Ltd. – Rotary Club of Brampton Community Centre, 1857 Queen Street West, Ward 4**, dated January 20th, 2023, to the Planning and Development Committee of February 13th, 2023 be received;

2. That the Official Plan and Zoning By-law Amendment submitted by Gagnon Walker Domes Ltd., on behalf of Rotary Club Of Brampton Glen Community Centre, Ward: 4, File: OZS-2021-0018, be **refused**, on the basis that;

a. The form of the development is not compatible with the character of the surrounding area;

b. The proposed height and density are not consistent with the other developments within the Queen Street West Tertiary Plan;

c. The proposed development will create undue negative impacts on the surrounding community;

d. The lack of consideration by the applicant of the input on the application received from the public; and,

e. Uncertainty about the proposed use as to whether it would be for seniors housing or another type of residential use.

The amendment was voted on and carried.

The following motion to receive the subject minutes and approve the recommendations, as amended, was considered.

That the Minutes of the Brampton Heritage Board Committee meeting of January 24, 2023, Recommendations HB001-2023 - HB009-2023, to the Planning and Development Committee Meeting of February 13, 2023, be approved as published and circulated.

HB001-2023
That the agenda for the Brampton Heritage Board meeting of January 24, 2023, be approved, as amended as follows:

To add:

12.4 - Verbal update from Steve Collie, Member, re: Highlights on Heritage - February 11, 2023

HB002-2023

1. That the report from Merissa Lompart, Assistant Heritage Planner, Planning, Building and Growth Management, dated December 29, 2022 to the Brampton Heritage Board Meeting of January 24, 2023, re: the Heritage Impact

Assessment and Heritage Conservation Plan for 69 Elliott Street, Memorial Arena – Ward 3, be received; and

2. That the following recommendations as per the Heritage Impact Assessment by ATA Architects be followed:

1. The schematic design of the addition has minimal impact on the heritage value of the Brampton Memorial Arena. Its form and massing complement the existing building and the addition is designed to be subordinate to the heritage arena. Refinement only is required.

2. The architectural detailing of the addition requires further development to be fully compatible and sympathetic to the original building. Specific direction is noted in the HIA report that addresses that the design of the addition should borrow approaches and elements visible on the Arena exterior. Specific elements to be addressed include:

i. Structure cladding and roof line above the existing facia line of the Hipel roof

ii. Consideration of the materials and articulation of the addition relative to the existing structure for compatibility and scale.

iii. Revise the window design for a continuous sill and variability in materials to emphasize horizontal nature of the window placement.

iv. Various brick and cladding options to enhance visual effect of the design and support compatibility with existing.

3. That the partial Heritage Conservation Plan prepared by ATA Architects Inc., which was included in the Heritage Impact Assessment pages 59-61be referenced and followed as it addresses conservation requirements during construction and for the longer-term maintenance of the building. The Conservation Plan shall be amended and expanded and should further articulate the final design direction.

4. That the Heritage Conservation Plan be submitted and approved prior to the issuance of Demolition or Building Permits for the project.

HB003-2023

That the report from Harsh Padhya, Heritage Planner, Planning, Building and Growth Management, dated December 28, 2022, to the Brampton Heritage Board meeting of January 24, 2023, re: Heritage Impact Assessment – 8520 Creditview Road (Eldorado Park) – Ward 4 (File H.EX. 8520 Creditview Road) be received.

HB004-2023

1. That the report from Merissa Lompart, Assistant Heritage Planner, Planning, Building and Growth Management, dated, December 29, 2022, to the Brampton Heritage Board Meeting of January 24, 2021, re: Removal of Non-Designated Properties from the City of Brampton's Municipal Register of Cultural Heritage Resources, be received; and,

2. That the Brampton Heritage Board recommend removal of the properties listed in this report from the City of Brampton's Municipal Register of Cultural Heritage Resources as required under Part IV, Section 27 (4) of the Ontario Heritage Act (the "Act") for approval by Council;

3. That, following approval by Council to remove properties listed in this report, staff be authorized to publish a Notice of Removal on the City of Brampton's website, and to serve this Notice to applicable property owners.

HB005-2023

1. That the report from Merissa Lompart, Assistant Heritage Planner, Planning, Building and Growth Management, dated January 9, 2023 to the Brampton Heritage Board Meeting of January 24, 2023, regarding the Heritage Conservation Plan, 10431 The Gore Road – Ward 10, dated November 2022 be received; and,

2. That the following recommendations as per the Heritage Conservation Plan by WSP be followed:

    a. Sympathetic rehabilitation of the house will retain the building's late 19th century heritage attributes, reflect its changes through time, and accommodate contemporary use without compromising its authenticity or cultural heritage significance.

    b. Secondary treatments, selected to conserve the heritage attributes of the 10431 The Gore Road for the future, are stabilization, preservation, and commemoration.

3. That the following conservation strategies be implemented. A complete and detailed explanation can be found in section 6 of the Heritage Conservation Plan.

    a. Stabilize the structure

        i. Monitor and secure

        ii. Protect from adjacent construction

    b. Rehabilitate

i. Draft architectural designs for a rehabilitated 10431 The Gore Road

ii. Relocate the structure

iii. Inspect the sill and floor joists, and repair or strengthen if necessary

iv. Build the concrete foundation with basement and seat the house

v. Repair the main block roof and features

vi. Repoint and repair masonry and install drainage system if required

vi. Install new wood windows and exterior doors

viii. Rehabilitate the interior

ix. Rehabilitate the setting

c. Preserve

i. Develop and follow a maintenance and monitoring program

d. Commemorate

i. Designate the 10431 The Gore Road property and erect an interpretive plaque

4. That the table in Section 7: Implementation Plan of the Heritage Conservation Plan be followed.

5. That any changes to the Heritage Conservation Plan must be approved by Heritage Staff prior to any work on the resource being done, and that Heritage Staff will keep the Brampton Heritage Board updated on the progression of this conservation project.

12.4 Summary of Recommendations – Committee of Council – February 22, 2023

Note: Regional Councillor Vicente declared a conflict of interest with respect to Recommendation CW059-2023 (boundaries of Downtown Brampton Business Improvement Area) as he owns property within the Downtown BIA area.

Deputy Mayor Singh introduced the Summary of Recommendations, and the section Chairs led Council's consideration.

Council discussion took place on the following recommendations:

Recommendation CW073-2023 – Recording of Traffic Cameras at Intersections

An amendment was introduced by Mayor Brown to refer the recommendation to staff to the recommendation to staff for a report to the Budget Committee meeting of March 6, 2023, to include options and costing in relation to AI technology and upgraded cameras.

See also Item 7.4 – Resolution C040-2023.

Recommendation CW077-2023 – Budget Amendment – Emancipation Park Servicing Enhancements – Ward 7

Council consideration included complications resulting from the City not owning the entire parklands, and details about issues raised by the City's Black community.

Staff responded to questions from Council regarding City-owned versus leased lands, proposed interim improvements to the City-owned portion of the park, costs for the proposed feasibility study, and lands reserved for future Brampton Transit uses.

Amendments to Clause 2 of the recommendation were introduced by City Councillor Power to include the Minister of Tourism, Culture and Sport, and by Regional Councillor Fortini to add "proportionate" before "provincial funding".

The following motion to receive the subject summary and approve the recommendations, as amended, was introduced. Separate votes were taken on Clauses 3 and 4.

The motion, in its entirety, carried as follows.

C046-2023

2. That staff report back on a location in Wards 3 or 4 to name an existing park or future park as Sagarmatha Park, in consultation with Ward Councillors and the Mayor; and

3. That the feasibility of adding children's climbing equipment in this park be included.

CW052-2023

That the following delegations to the Committee of Council meeting of February 22, 2023, re: **Item 12.3.4 - Youth Mental Health**, be received:

1. Kathy McDonald, Brampton resident

2. Karla Bailey, Brampton resident.

CW053-2023

Whereas, youth mental health was hitting a crisis point in Peel before Covid, as demonstrated by research in 2019 and expressed locally at a round table hosted in February 2020, with a number of school administrators, staff and teachers, the Mayor, local Councillors, community agencies and representatives from Region of Peel and the City of Brampton;

Whereas, Children's Mental Health Ontario's (CMHO) report titled "Kids Can't Wait" showed Peel among the highest in wait times in the province, reaching as high as 566 days for counselling and therapy for those under 18 years old and even longer wait times for more intensive mental health services, reaching 737 days, or over two years;

Whereas, CMHO considered Peel a "hot spot" for long wait times because funding for many mental health services hasn't kept pace with booms in the region's population over the years;

Whereas, the report titled "Changing Landscape of Health in Peel" (2019) identified Emergency Department (ED) visits for mental health, highest among youth under age 24 (more than doubled over same time period among individuals younger than 14 years) and individuals who accessed care for a mental illness had 3 or more repeat hospitalizations;

Whereas, the same report found that suicide/self harm have increased significantly among female youth under age 24 and discovered that 33% (44% for females) of students in Grades 7–12 did not know who to turn to when wanting to discuss a mental health issue;

Whereas, limited access to mental health supports for students, result in them turning to their school teachers and administrative staff for support but such staff lack the professional training to address or keep up with demand for support;

Whereas, as recently as last fall, the Canadian Mental Health Association (CMHA) launched the "Act of Mental Health Campaign" pressing our national leaders to fund mental health care, recognizing that kids are getting sicker, and increasingly post-pandemic, because they can't get mental health care when they need it and are winding up in Emergency Departments and in hospital because their mental health isn't treated soon enough;

Whereas, the Region of Peel continues to be chronically under-funded for mental health support whereby per capita funding (2019) was calculated to be $48 and $36 for Central West and Mississauga Halton LHINs, respectively, which is significantly lower than the per capita funding of $80 for Ontarians;

Whereas, In October 2020 the Region of Peel Council approved the Community Safety and Wellbeing Plan, with focus to use upstream approaches to tackle systems-level challenges: family violence, mental health and addictions, and systemic discrimination.

Whereas, the City of Brampton has Council and staff representation at the Region of Peel Community Safety and Wellbeing Committee with a separate sub-committee focusing on mental health;

Whereas, the City of Brampton Community Safety and Wellbeing action plan approved in September 2022, is committed to enhancing community resilience through cross-sector engagement, collaboration, and advocacy which clearly identifies: Increased mental health supports and programming, especially for children and youth, considering the growing challenges faced by this demographic during the pandemic;

Whereas Mississauga's youth hub based in Malton provides youth with access to mental health support and the City of Brampton is developing two youth hubs with potential to do the same;

Whereas, Algoma University is planning to establish a Mental Health and Addictions Research and Training Institute in Brampton;

Whereas, unlike other School Boards across the province (such as the Upper Grand School Board which provides specific psychological and mental health services) the Peel District School Board and Dufferin Peel Catholic District School Board, do not adequately provide mental health supports or access to support for students, especially those in crisis;

Whereas, on Feb 15, 2023 the Peel District School Board hosted an Advisory Council Meeting regarding the development of their Mental Health Strategy and highlighted collaboration with other levels of government as a priority;

Therefore Be It Resolved:

1. The City engage in the following advocacy measures:

    a. Mayor, on behalf of Council write letters to Federal and Provincial Ministers of Mental Health and Addictions (Bennett and Tibollo respectively), and cc: to the Peel District School Board, Dufferin Peel Catholic School Board, Regional Council, and local MPPs and MPs, regarding the need for increased mental health funding and support for youth in Brampton and that the letter include a link to this agenda item, this motion, and related correspondence in the agenda;

    b. A meeting be scheduled with Minister Tibollo, School Board Trustees, Mayor and members of Council regarding mental health support for youth in Brampton;

    c. Council advocate to the Peel District School Board to collaborate with the City, Region and social support agencies in order to improve immediate mental health support needs for youth in Brampton;

    d. Council advocate to Minister Tibollo and School Boards to implement a model of mental health support similar to Upper Grand School Board where trained mental health workers are allocated to schools, especially for those most in need (https://www.ugdsb.ca/programs/special-education/student-support-and-program-services-department/);

    e. Council advocate to Region of Peel to enhance communication related to access to the Region’s community response table so schools can access immediate support for youth in crisis;

    f. A meeting to be scheduled with the Region of Peel Community Safety and Well-Being Executive Leadership Members and the School Boards to discuss opportunities for collaboration at the Community Safety and Well-Being Mental Health and Addictions Action Table.

    g. Possible collaboration with the CSWB System Leadership Table, Algoma University and other relevant stakeholders to host a Youth Mental Health Summit or Roundtable in Brampton.

2. The City action the following:

a. Community Safety and Well-Being Office to join the Peel District School Board's planning process in the development of their Mental Health Strategy; and

b. Provide an update on Brampton's Youth Hubs and support/programming related to youth mental health.

CW054-2023

1. That the delegation from Alain Bolduc, Owner and VP Sales, Urben Blu Inc. to the Committee of Council meeting of February 22, 2023, re: **Item 12.2.4 - Self-Sustaining Public Washrooms – All Wards (RM 49/2022)**, be received; and

2. That the report from Tonian Reid, Coordinator, Parks Business Planning, Parks Maintenance and Forestry, Community Services, to the Committee of Council meeting of February 22, 2023, re: **Self-Sustaining Public Washrooms – All Wards (RM 49/2022)**, be received.

CW055-2023

That the staff update to the Committee of Council Meeting of February 22, 2023, re: **Government Relations Matters**, be received.

CW056-2023

Whereas the Government of Ontario passed Bill 23 on November 28, 2022, and;

Whereas Bill 23 introduces a 10-year target of 113,000 new households for the City of Brampton, representing an annual increase in total housing growth nearly three (3) times the City's historical average over the past 20 years, and;

Whereas the combination of reduced DC revenue tools and targeted rapid growth will shift a significant portion of these additional infrastructure costs to the Property Tax Base, and;

Whereas with the rapid rate of growth in Bill 23 the City of Brampton will need funding partners from upper levels of government to build the necessary infrastructure including the water/waste water allocation services, community services such as recreation and public safety to support this growth, and;

Whereas the City of Brampton is looking to work with the Province to support the provincial priorities related to increasing the supply of attainable and affordable housing for Brampton residents, and;

Whereas the new Provincial housing targets for the City will require accelerated pace of investments for critical and supporting infrastructure including healthcare and transit in order to match the ten year housing target timeline, and;

Whereas Brampton's existing health care challenges, combined with the new provincial housing targets will require further investment to support the new school of medicine of Brampton, timely delivery of the Peel memorial Centre as a full service hospital and planning grant for a third hospital in Brampton, and;

Whereas critical transit infrastructure such as Hurontario - Main Street LRT extension, the Queen Street – Hwy 7 BRT, and adequate transit funding to meet the high ridership growth experienced by Brampton Transit will be required, and;

Whereas active transportation infrastructure investment is critical to accommodating growth in our communities supporting connectivity, sustainability and a healthy population, and;

Whereas Bill 39 Better Municipal Governance Act, 2022 as it pertains to Bill 23 may require changes to municipal planning and potential fiscal impact to the City of Brampton;

Now Therefore Be It Resolved That:

The City of Brampton work closely with the Association of Municipalities of Ontario (AMO) to advocate and work collaboratively with the Government of Ontario to ensure:

1. Municipalities are made whole and suffer no additional financial burden from impacts related to the implementation of Bill 23 and higher housing targets;

2. The Province consider changes to the Planning Act that require applicants to make submissions for building permits in a defined time after land use approvals are achieved to ensure all development partners are committed to the expedited growth targets; and

3. The Province work collaboratively with municipalities to assess, expedite, approve and fund critical infrastructure and services needed to support expedited growth including: water/waste water allocation services, community services such as recreation and public safety, transit projects, and active transportation infrastructure which support complete and connected communities, sustainability and efforts to support a healthy population.

That the report from Claudia Santeramo, Manager, Procurement Performance, Purchasing, Corporate Support Services, to the Committee of Council Meeting of February 1, 2023, re: **Active Consulting Service Contracts – 3rd Quarter 2022**, be received.

CW062-2023

Whereas, Brampton residents have expressed significant concern for their personal safety and well being. Residents of Brampton have specifically singled out the rise in auto theft, and

Whereas, various municipal Police services have reported statistical data for the year ending December 31, 2022 which confirms that residents fears are well-founded, and

Whereas, there has been an 80% rise in auto thefts in Toronto, a 97% rise in auto thefts in Peel Region, a 122% rise in auto thefts in Montreal and a 134% rise in auto thefts in York Region since 2019, and

Whereas, there are a number of factors contributing to sudden and dramatic rise in thefts which include, but are not exclusive to, the vulnerability of keyless lock and keyless ignition FOB technology present in most late model vehicles, and

Whereas, thieves are using a combination of a “relay attack” to unlock and start vehicles and diagnostic equipment to create new key FOBs of stolen vehicles, and

Whereas, it has been reported that Canada Border Services Agency (CBSA) is only able to inspect 1% of intermodal shipping containers exiting Canada at thee ports of Vancouver, Montreal and Halifax, and

Whereas, almost all stolen vehicles are shipped by container to foreign destinations, and

Whereas, section 331.1(1) of the criminal code of Canada states
Everyone who commits theft is, if the property stolen is a motor vehicle, guilty of an offence and liable

> (a) proceedings by way of indictment, to imprisonment for a term of not more than 10 years, and to a minimum punishment of imprisonment for a term of six months in the case of a third or subsequent offence under this subsection; or
>
> (b) summary conviction, to imprisonment for a term of not more than two years less a day; and

Whereas section 48.3(1) 48.3(2) of the Highway traffic Act in Ontario allows for the administrative suspension of one’s drivers license for a period of 90 days for DUI prior to a conviction, and

Whereas, it is perceived that there is a lack of interjurisdictional communication between law enforcement agencies when it comes to prevention and interdiction of auto theft crime, and

Whereas the official MTO drivers handbook and private driving school curriculum does not reference or mention methods to protect against auto theft, therefore

Be it resolved that

Brampton City Council encourage the Federal Minister of Transportation to consider exercising his authority under section 10.5 of the Motor Vehicle Safety

Act to order a recall of the vehicles most susceptible to theft via relay attack, and further

Brampton City Council urges the federal Minister of Community Safety provide adequate resources so that CBSA can inspect every and all containers transiting through the ports of Vancouver Montreal and Halifax, and further that

Brampton City council urge the Minister of Justice to increase the sentencing for summary convictions for auto theft to increase the deterrence for car thieves, and further

Brampton council urges the Ontario Minister of Transportation to make changes to the Highway Traffic Act enabling police to immediately suspend the drivers license of those charged with auto theft for a period of 90 days in a similar fashion to DUI charges, and further

Ontario Minster of Transportation be encouraged to alter the curriculum for driving schools and the official MTO drivers handbook to specifically references methods to prevent auto theft, and further

Federal, provincial and municipal policing authorities strengthen human and financial resources to enable better interjurisdictional cooperation in the enforcement and interdiction of auto theft crime rings, and further

That insurance companies in cooperation with the provincial ministry of consumer commercial relations establish a discounted insurance rate premium for consumers who utilize auto theft prevention technology in the furtherance of protecting their individual or fleet vehicles, and further

The Mayor of Brampton be authorized to draft suitable correspondence to give effect to actionable clauses of this motion.

CW063-2023

Whereas the city of Brampton is committed to ensuring the City of Brampton reflects the diverse cultural mosaic of our community;

Whereas the City of Brampton recognizes Black History month as a time of significance, action and reflection;

Whereas a motion was passed at Council to name a street after RSM Henry Shepherd;

Whereas staff have identified an appropriate street to transform into a ceremonial street;

Therefore be it resolved that Council approve the Ceremonial naming of Chapel Street after RSM Henry Shepherd.

15. Notices of Motion

15.1 Notice of Motion – Confirmation of Approval for 11 Applications for Marquee Festivals Funding

Deputy Mayor Singh outlined the purpose of the subject Notice of Motion.

The motion was considered as follows.

C048-2023
Moved by Deputy Mayor Singh
Seconded by Regional Councillor Toor

Whereas City Council, at its February 8, 2023 regular meeting, considered and adopted Resolution C027-2023 in regard to a staff report titled: 2023 Tourism Sponsorship Program; and

Whereas during consideration of this matter at the meeting, amendments were proposed to reflect Council's debate and intent for 2023 event funding which inadvertently omitted confirmation of approval of the 11 applications for Marquee Festivals funding, as originally recommended in the staff report;

Therefore Be It Resolved that the 11 applications for Marquee Festivals funding, as set out in the staff report titled 2023 Tourism Sponsorship Program, and considered by Council at its February 8, 2023 meeting, be approved.

15.2 Notice of Motion – To Implement All-Way Stops within Wards 9 & 10

Note: Later in the meeting, on a two-thirds majority vote to reopen the question, the Approval of Agenda was reopened and this item was added.

A motion, moved by Regional Councillor Toor and seconded by Deputy Mayor Singh, to add all way stops to various locations in Wards 9 and 10.

The motion was considered as follows.

C049-2023
Moved by Regional Councillor Toor
Seconded by Deputy Mayor Singh

Whereas, many Wards 9 and 10 residents have expressed an immense need for all-way stop signs at the intersections of George Gray Drive/Swan Acre Trail and Maisonneuve Boulevard/Riva Ridge Drive;

Whereas, the local Councillors would like to elect to conserve City resources by approving this motion as opposed to initiating the streamlined process since the Councillors have already heard from the local residents when visiting door-to-door;

Therefore be it resolved, that Traffic Services be directed to initiate an initial review of each intersection to determine whether all-way stop signs can safely be accommodated at both locations, respectively; and

That upon the completion of the initial review, Traffic Services commence the process to implement all-way stop signs at the intersections of George Gray

Drive/Swan Acre Trail and Maisonneuve Boulevard/Riva Ridge Drive as soon as possible.

C064-2023
Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Vicente

1. That the report from Meagan Guerra, Acting Supervisor, Corporate Events & Protocol, Corporate Support Services, to the Committee of Council meeting of March 8, 2023, re: **Corporate Events Listing 2023-2026**, be received;

2. That, the Corporate Events Listing 2023-2026 and recommendations outlined in this report be approved, with the inclusion of the following annual events for 2023-2026 and addition of an additional operating budget, to be sourced from an appropriate account as identified by the Treasurer;

a) Hockey Night in Brampton (with operating budget of $50,000.00) and

b) Latino Heritage Month in October

3. That a City-led Diwali event as per Council Resolution CW376-2022 be added to the Corporate Events Listing along with $200,000 included in the 2023 operating budget submission, pending Council approval;

4. That departments be authorized to not charge-back any costs associated with using existing City assets and staff resources related to the Corporate Events and Protocol office, including but not limited to staff/labour, facility rentals and equipment; and further, whereby an external cost is borne by a resource department to support the Corporate Events and Protocol office, that these charges be payable by the Corporate Events and Protocol Office budget; and

5. That the Director, Strategic Communications, Culture and Events, Corporate Support Services, be delegated authority to approve and execute on behalf of the City of Brampton any required agreements and other documents deemed necessary for the implementation of corporate events, including artist agreements and all other related agreements, on such terms and conditions as may be satisfactory to the Director, Strategic Communications, Culture and Events, Corporate Support Services or designate, and in a form satisfactory to the City Solicitor or designate.

6.. Whereas Brampton's various festivals and events contribute to the quality and diversity of community life for Brampton citizens and visitors, and provide opportunities for public participation, economic activity, and tourism;

Whereas Members of Council have requested additional enhancements and programming to current Corporate Events beyond current budget availability; including New Year's Eve, Emancipation Day, Heritage Celebrations, etc.;

Therefore be it resolved:

That Strategic Communications deliver the enhancements to events in the 2023-2026 Corporate Events Listing noted above, within the existing operating budget proposed for 2023 and report back through the next applicable budget cycle on the true costs for the enhancements.

i) 2024: Ages 70 and above:

ii) 2025: Ages 65 and above.

with exceptions for User-Pay programs (e.g. Curling, Tennis, Ice rentals and seniors-specific programming at Flower City Centre – Seniors Centre), for seniors residing in Brampton, possessing permanent residency or Canadian citizenship.

A recorded vote was requested on the amendment, with the result as follows:

Yea (10): Regional Councillor Santos, Regional Councillor Vicente, Regional Councillor Kaur Brar, Regional Councillor Palleschi, Regional Councillor Keenan, Mayor Brown, Deputy Mayor Singh, City Councillor Power, Regional Councillor Fortini, and Regional Councillor Medeiros

Nay: (0)

Absent: (1): Regional Councillor Singh Toor

Carried (10 to 0 with 1 absent)

Recommendation BC027-2023:

A motion, moved by Regional Councillor Palleschi and subsequently seconded by Regional Councillor Santos, was introduced to amend the recommendation, with the operative clauses as follows:

Therefore be it resolved:

That the 2023 capital budget of $24.2M allocated for the Howden Recreation Centre be postponed to the 2024 capital budget; and

That the 2023 capital budget be amended to include $24.2M towards Embleton Recreation Centre; and

That the 2024 forecasted capital budgets be adjusted to reflect these changes.

During Council discussion on the proposed amendment, Members expressed comments in support of, and opposition to, the proposed motion, and staff responded to questions from Council.

A recorded vote was requested on the amendment, with the result as follows:

Yea (10): Regional Councillor Santos, Regional Councillor Vicente, Regional Councillor Kaur Brar, Regional Councillor Palleschi, Regional Councillor Keenan, Mayor Brown, and Deputy Mayor Singh

Nay: (3): City Councillor Power, Regional Councillor Fortini, and Regional Councillor Medeiros

Absent: Regional Councillor Singh Toor

Carried (7 to 3 with 1 absent)

A separate vote was taken on Recommendation BC028-2023 to accommodate Regional Councillor Fortini's declared conflict of interest. Councillor Fortini left the meeting during consideration of the recommendation.

Recommendation BC028-2023 was voted on and carried.

The following motion to receive the Summary of Recommendations and approve the recommendations, as amended, was considered.

C067-2023
Moved by Regional Councillor Palleschi
Seconded by City Councillor Power

1. That the **Summary of Recommendations from the Budget Committee Meeting of February 27 and 28, 2023 and March 6, 2023**, to the Special Council Meeting of March 9, 2023, be received; and,

2. a) That Recommendation BC005-2023 be approved, as amended, to increase the Canadettes renovation budget from $164,000 to $200,000;

b) That Recommendation BC012-2023 be approved, as amended, to delay implementation to be aligned with the user fee study, and that the age grouping be revised to 2024: Ages 70 and above, and 2025: Ages 65 and above, such that it reads as follows:

> BC012-2023
>
> 1. That the report from Anand Patel, Director, Recreation, Community Services, to the Budget Committee meeting of February 27, 28 and March 6, 2023, re: **Recreation Cost Analysis for Free Older Adult Programming**, be received; and
>
> 2. That Council directs staff to report on phasing in free recreation fees, through the upcoming User Fee study happening in 2023 as follows:
>
> i) 2024: Ages 70 and above:

ii) 2025: Ages 65 and above.

with exceptions for User-Pay programs (e.g. Curling, Tennis, Ice rentals and seniors-specific programming at Flower City Centre – Seniors Centre), for seniors residing in Brampton, possessing permanent residency or Canadian citizenship.

c) That Recommendation BC027-2023 be approved, as amended, to add the following to the Community Services Departmental budget:

Whereas the Embleton Recreation Centre is specifically named in nine of the recommendations outlined in the Parks and Recreation Master Plan (2017); and

Whereas the Parks and Recreation Master Plan (2017) notes that "the most notable facility related recommendation stemming from the PRMP is to construct a multi-use community centre, complemented by a number of outdoor recreational amenities, and the Mississauga/Embleton Community Park located in Bram West"; and

Whereas the 2023 Capital Budget three-year forecast indicates budget allocated for the Embleton Recreation Centre in 2024 and 2025; and

Whereas the area surrounding Embleton Recreation Centre covers 23,761,561 square meters, has an approximate population of 61,431; and no recreation centres;

Whereas the area surrounding Embleton Recreation Centre will provide residents of Wards 3, 5 & 6 access to a recreation centre; and

Whereas the 2023 Capital Budget has $24.2M allocated to the Howden Recreation Centre; and

Whereas the area surrounding the existing Howden Recreation Centre covers 7,934,233 square meters, has an approximate population of 45,462 and four existing recreation centres;

Therefore be it resolved:

That the 2023 capital budget of $24.2M allocated for the Howden Recreation Centre be postponed to the 2024 capital budget; and

That the 2023 capital budget be amended to include $24.2M towards Embleton Recreation Centre; and

That the 2024 forecasted capital budgets be adjusted to reflect these changes; and

3. That Recommendations BC001-2023 to BC004-2023, BC006-2023 to BC011-2023, BC013-2023 to BC026-2023, and BC028-2023 to BC029-2023 be approved as outlined in the subject summary.

Carried

The recommendations were approved, as amended, as follows.

BC001-2023

2. Fire and Emergency Services

3. Public Works and Engineering

4. Community Services

5. Corporate Support Services

6. Planning, Building and Growth Management

7. Legislative Services

8. Office of the CAO

BC004-2023

That the following delegations to the Budget Committee meeting of February 27, 28 and March 6, 2023, re: **2023-2025 Budget**, be received:

1. Tracy Pepe, Brampton resident

BC005-2023

That the delegation from the Brampton Canadettes Girls Hockey Association, to the Budget Committee meeting of February 27, 28 and March 6, 2023, re: **Funding Request for the Brampton Canadettes Girls Hockey Association**, be received:

Joshua Sammut, Head Coach and General Manager

Tina Kelloway, President

Stewart Mackie, Vice President

Mikyla Grant-Mentis, Professional; and

Whereas the World Health Organization (WHO) states that, “each one of us, irrespective of gender, must advocate for inclusive mindsets and tangible solutions for a sustainable future with the active participation of woman and girls.”

Whereas the Government of Canada announced a target to achieve gender equity in sport at every level by 2035 and formed a specific working group on Gender Equity in Sport;

Whereas gender inequality in Canadian sport has been perpetuated by women's restricted access to sport facilities and training resources, a lack of quality physical education, and marginalized representation within national sport organizations;

Whereas on December 7, 2022 this term of Council passed a motion to support and empower women at the City of Brampton, with celebrations planned annually on International Women’s Day on March 8th;

Whereas the City of Brampton has a policy in place since 2019 on Gender Identity and Expression Protocol and is committed to go beyond commemoration of these days of significance and be intentional in its efforts to provide support and empowerment opportunities for women and gender parity within the City;

Whereas the City of Brampton has a proud history of supporting women's hockey in Brampton to include honouring legends like Cassie Campbell and sponsoring the upcoming 2023 IIHF Women's World Hockey Tournament;

Whereas the Canadettes have proudly supported Girls Hockey in Brampton for over 60 years and is home to the largest and longest running female hockey tournament in the world,

Therefore Be It Resolved That:

1. A new 2023 capital budget be established and included in the 2023 Capital Budget ask, pending Council approval in the amount of $200,000, to be funded from Capital Reserve #4 – Asset Replacement, to provide a grant for the Canadettes to renovate the dedicated player changerooms and coaches changerooms at Century Gardens Recreation Centre in a form approved by Community Services staff;

2. City Staff be directed to seek possible sponsorships and partnerships in an attempt to offset a portion or all of the cost, and any other further opportunities in relation to the expansion proposal, and report back to Council if successful;

3. City seek possible grant opportunities with the Federal and Provincial Governments or other granting organizations, to support Women in Sport in Brampton including but not limited to this renovation project.

BC006-2023

That the delegation from Malkeet Sandhu, Community Organizer, David Suzuki Foundation, to the Budget Committee meeting of February 27, 28 and March 6, 2023, re: **Budget for Transportation and Environmental Initiatives**, be received.

BC007-2023

That the delegation from Prashanth Panda, Karmbir Singh, Jitender Jani, Pushkar Chavan, Residents of Ward 6, to the Budget Committee meeting of February 27, 28 and March 6, 2023, re: **Mississauga / Embelton Community Park Progress**, be received.

BC008-2023

That the delegation from Glen Coyle, Canada House Veterans Ambassador, to the Budget Committee meeting of February 27, 28 and March 6, 2023, re: **Canada House and Post-Traumatic Growth Association (PTGA)**, be received.

BC009-2023

1. That the presentation from Suzy Godefroy, Executive Director, Downtown Brampton BIA, to the Budget Committee meeting of February 27, 28 and March 6, 2023, re: **Downtown Brampton BIA 2023 Operating Budget Request**, be received; and

2. That the 2023 Operating Budget submission for the Downtown Brampton BIA be approved, as presented.

BC010-2023

1. That the presentation from Todd Kyle, CEO, and Michael Ben, Board Chair, Brampton Public Library, to the Budget Committee meeting of February 27, 28 and March 6, 2023, re: **Brampton Public Library 2023 Operating Budget Request**, be received;

2. That the 2023 Operating Budget submission for the Brampton Library be approved, as presented;

3. That the 2023 Capital Budget submission for the Brampton Library be approved, as presented; and

4. That the 2024 and 2025 Capital Budget submission for the Brampton Library be endorsed, in principle.

BC011-2023

1. That the report from Jarrid Jensen, Supervisor, Transit Accounting and Employee Support Services, Transit, to the Budget Committee meeting of February 27, 28 and March 6, 2023, re: **Brampton Transit Fare Change**, be received; and

2. That Brampton Transit fares and related charges be approved and set, with an effective date in Q2 of 2023, as detailed in Appendix B of this report; and

3. That Schedule G of the User Fee (Municipal Act) By-Law 380-2003, as amended be updated to reflect the approved 2023 Brampton Transit fares and related charges as detailed in Appendix B.

BC012-2023

1. That the report from Anand Patel, Director, Recreation, Community Services, to the Budget Committee meeting of February 27, 28 and March 6, 2023, re: **Recreation Cost Analysis for Free Older Adult Programming**, be received; and

2. That Council directs staff to report on phasing in free recreation fees, through the upcoming User Fee study happening in 2023 as follows:

i) 2024: Ages 70 and above:

ii) 2025: Ages 65 and above.

with exceptions for User-Pay programs (e.g. Curling, Tennis, Ice rentals and seniors-specific programming at Flower City Centre – Seniors Centre), for seniors residing in Brampton, possessing permanent residency or Canadian citizenship.

BC013-2023

That the supplementary information, to the Budget Committee meeting of February 27, 28 and March 6, 2023, re: **2023 Proposed Operating and Capital Budgets Pre-Budget Discussions**, be received.

BC014-2023

That the **Public Engagement Handout**, to the Budget Committee meeting of February 27, 28 and March 6, 2023, be received.

BC015-2023

That the **Responses to Questions Raised at Budget Deliberations**, to the Budget Committee meeting of February 27, 28 and March 6, 2023, be received.

BC016-2023

That staff be requested to review and identify opportunities for potential savings in relation to projects that may no longer be necessary or may have changed in scope or intent, the funds for which could be redirected to account for the costs of new items proposed for this 2023 budget.

BC017-2023

Whereas Brampton City Council recognizes the benefits of Arts and Culture to the City of Brampton and the valuable contributions of the local creative community;

Whereas Council approved the City's first Culture Master Plan in 2018, which identified a critical need to expand spaces for Creative Production and Presentation in Brampton;

Whereas staff were directed to identify municipally-owned properties to expand dedicated cultural space in the City;

Whereas the heritage-designated former OPP Administration building at Flower City Community campus, with a civic address of 8990 McLaughlin Road, Brampton, Ontario, is beyond the reasonable state of repair and not economical to remediate;

Whereas the boarded building referenced above is impacted by mold, asbestos and other hazardous substances, and was estimated in 2020 to require a minimum of $1,000,000 to establish safe access to the facility;

Therefore Be It Resolved That:

1. The City de-designate the heritage property located at 8990 McLaughlin Road, Brampton, Ontario, to allow for demolition of the existing heritage building while retaining heritage elements to the greatest extent possible;

2. That a new capital project be included in the 2023 Capital Budget in the amount of $2,600,000 for the demolition of the building identified above and the design of an Arts and Culture Centre, including accommodations for community space, to be funded from Reserve #4 – Repair and Replacement;

3. That Capital Project #236811-001 - Brampton Arts and Culture Hub Feasibility Study currently included in the Proposed 2023 Capital Budget in the amount of $60,000 with funding from Reserve #4 – Repair and Replacement, be removed;

4. Council delegate authority to the CAO or his designate to expedite the actions necessary to prepare the site, issue an RFP to solicit consulting services and evaluate the needs of the arts and cultural sectors in the community and determine the size, scope and funding strategy for a purpose-built Arts & Culture Centre, including accommodations for community space, at 8990 McLaughlin Road, Brampton.

BC018-2023

Whereas the Building, Design and Construction of the Animal Shelter Design is listed under the forecasted 2024 Capital Budget;

Whereas the City of Brampton is slated to begin the planning and design of the new animal service centre under the 2023 Proposed Operating and Capital Budgets;

Whereas the City of Brampton is committed to ensuring a sustainable and resilient community where residents safely coexist with wildlife and natural ecosystems;

Whereas Environmental Resiliency is listed as a key goal in the 2023 Proposed Operating and Capital Budget;

Whereas the City of Brampton's commitment towards facilitating the coexistence of our residents with wildlife and natural ecosystems, as well as its commitments towards Environmental Resilience and Responsibility;

Whereas a report from the Institute for Sustainable Brampton (ISB) was received in February 2019 highlighting an Environmental Education Centre as a Vision 2040 Priority;

Whereas a motion was passed on November 20, 2019 directing the formation of a partnership between Community Energy and Emissions Reduction Plan (CEERP) and the Institute for a Sustainable Brampton (ISB), to establish a comprehensive strategy and action plan to address environmental concerns;

Whereas in September 2020, Council unanimously passed a motion to endorse, in principle, the recommended organizational model and approach for developing the Centre for Community Energy Transformation (CCET) (formerly known as Institute for Sustainable Brampton, ISB), further directing that this initiative be presented at the Regional level for endorsement and expansion;

Whereas in a special Council Meeting on March 9, 2022, following a staff report titled "City of Brampton Veterans Program", staff were directed to enhance the City of Brampton's outreach to actively support members of the Canadian Armed Force Veterans to promote employment opportunities and establish partnerships with external community partners and engage in community events;

Whereas the City of Brampton is committed to strategies designed to prioritize community safety and well-being and should therefore include initiatives focused on the mental health and well-being of war veterans and our first responders;

Therefore Be It Resolved:

That the $3.5-million allocated towards the new construction of the Animal Shelter be moved from the forecasted 2024 Capital Budget to the 2023 Capital Budget;

That the allocation of this $3.5million be leveraged to design the Environmental Education Centre and animal shelter as a joint complex and maximize efficiencies;

That the Environmental Education Centre design concept include space dedicated to the Centre for Community Energy Transformation (CCET) as part of the City's commitment towards Environmental Resiliency, where it would simultaneously serve as an educational tool for the community;

That during the program design phases of the Environmental Education Centre and Animal Shelter, that space be created for veterans and first responders and include a component that explores possible program partnerships between the joint complex and veterans and first responders, whereby the former will serve as a safe space for the latter to actively engage with the community;

That the City of Brampton engage in partnership with Post-Traumatic Growth Association (PTGA) to administer this space for the purpose of actively supporting members of the Canadian Armed Force Veterans and our First Responders; and

That additional funding also be sought, for space and operations, from the Department of National Defence and/or Veterans Affairs if available and be accounted for with in the request for proposal.

BC019-2023

Be It Resolved that:

1. A new 2023 capital budget be established and included in the 2023 capital budget in the amount of $2,750,000, to be funded from Reserve #134 – Development Charges – Recreation, to investigate and initiate, using the design and construction method, the establishment of new park amenities to be installed at a City-owned park in Ward 4; and

2. If programming for the new park is expanded, staff report back to Council in the form of a budget amendment for additional funding.

Outdoor Rinks

BC020-2023

That a new 2023 capital budget be established and included in the 2023 Capital Budget in the amount of $1,000,000, to be funded from Reserve #134 – Development Charges-Recreation, to establish two seasonal outdoor artificial rinks, in the same manner as Duggan Park rink as follows:

1. Boreham outdoor rink; and

2. Peel Village outdoor rink; or

3. Other sites as identified in collaboration with Ward-area Councillors, should either of the above sites be deemed unsuitable.

BC021-2023

Whereas, the City connects and engages with residents through a variety of communications platforms and methods;

Whereas, Tele Town Halls, Press Conferences and Voice Drops are forms of communication that can connect with large numbers of Brampton residents to share City programs, initiatives and campaigns;

Whereas, the City has a number of new and important campaigns coming forward in 2023 that require additional public awareness and community support;

Therefore Be It Resolved That Council approve an additional $174,057.00 operating budget for the Strategic Communications Division to enable the following enhanced communications activities in 2023: such as press conferences per annum, tele town halls per annum, and additional voice drops per annum, and enhanced multilingual communications, and that this amount be added to the Strategic Communications operating budget on an ongoing basis.

BC022-2023

1. That a new capital project be included in the 2023 Capital Budget in the amount of $100,000 to initiate a feasibility study for the winter optimization of recreation amenities, to be funded from Reserve #4 – Repair and Replacement; and

2. That staff be directed to report back to Council with an implementation plan to optimize recreation amenities for winter, such as a pilot project for winter availability for tennis, soccer, basketball and cricket sports, for the 2023-2024 winter season.

BC023-2023

Whereas the City of Brampton Council declared a Climate Change Emergency in August 2019;

Whereas Brampton is a municipal leader nationwide in implementation of GHG reduction measures and strategies including introduction of zero emission buses, net zero retrofits and rollout of electric vehicle (EV) charging stations;

Whereas the City has established an ambitious goal to reduce greenhouse gas emissions generated in Brampton by 100% by 2050;

Whereas Brampton’s Community Energy and Emissions Reduction Plan (CEERP), an evidence-based, comprehensive plan guides the City’s innovation,

employment and economic development while helping achieve the City's environmental and climate change goals;

Whereas Brampton has been successful in leveraging Federal and Provincial funding to implement sustainable infrastructure, transit and active transportation improvements, green technologies and GHG reduction initiatives;

Whereas the current economic environment may impact the availability of critical funding opportunities from higher levels of government;

Whereas the carbon credit trading market is a fast growing market, estimated at $50 billion per year by 2030;

Whereas Brampton's ambitious approach to climate action and GHG emissions reduction positions the City to realize the environmental and economic benefits of the City's climate goals;

Whereas at the December 14, 2022 City Council meeting, council endorsed a motion that the City of Brampton solicit a vendor with expertise in the carbon market to work with the city staff to specifically assess potential revenue for the City and the expertise to create carbon credits on behalf of the city; and

Whereas any carbon credit that can be created through carbon reductions by the City of Brampton can only backdated six months;

Therefore Be It Resolved That:

1. The City of Brampton work to quantify how many carbon credits it has generated through carbon reduction projects; and

2. The City position itself to develop tools and strategies to scale up economic benefits form effective climate action for maximum implementation and expertise sharing through/with sector peers.

BC024-2023

That the Councillor budget increase be amended from an additional $25,000 to $50,000, to the new total of $500,000.

BC025-2023

Whereas the City of Brampton implements traffic calming measures to address issues with speeding, excessive traffic volumes, and neighbourhood safety; and

Whereas the 2023 Roads Maintenance, Operations & Fleet Capital Budget includes $800,000 to be used towards a Traffic Calming Program; and

Whereas in 2022 Council approved $200,000 of this budget to be used for speed cushions to be installed based on locations identified by the local area Councillors; and

Whereas the current budget allocated for the installation of speed cushions limits Councillors to either one long street or two small streets;

Therefore Be It Resolved:

That the capital budget allocated to the installation of traffic calming measures including speed cushions be increased by $1.2-million for a total of $2,000,000; and

That staff report back on identified budget savings through projects that no longer meet their original intent in the 2023 Capital Budget to fund the increase above.

BC026-2023

Whereas The City of Brampton has declared a Climate Emergency to support the Government of Canada's emission reduction targets, and has established a goal of reducing GHGs to 80% by 2050;

In alignment with the City's Community Energy & Emissions Reduction Plan, the Environmental Master Plan – Brampton Grow Green, Term of Council Priorities, and the Brampton 2040 Vision, the long-term plan for Brampton Transit is to operate zero emission buses and the City of Brampton is committed to the electrification of its Transit fleet;

Brampton has an urgent need to procure buses, to replace the existing fleet reaching its 18-year useful life and to implement new growth service to address extraordinary ridership demand, which is significantly exceeding pre-pandemic levels;

One of the biggest challenges with electrification of transit fleets is the supporting infrastructure;

Brampton is not able to accommodate any more electric buses, beyond the existing 8 battery electric buses and 10 more battery electric buses (BEBs) as part of phase 2 of the e-bus trial, with existing infrastructure;

The approved budget for 38 replacement buses is replacing units that have achieved or will soon be approaching their 18-year useful life.

Original Equipment Manufacturers (OEMs) of the buses have advised that available manufacturing slots in their production facilities are filling up quickly. As

a result, in the short term the only options are clean diesel or hybrid-electric buses (HEBs);

Staff have explored the option of HEBs. Preliminary estimates suggest the cost of HEBs could be as much as 40% higher than equivalent 18m (40') clean diesel buses.

Therefore Be It Resolved That Council directs staff to report to City Council in April, if possible, on the following:

i. an overview of current bus procurement considerations,

ii. a strategy and recommendations to address the urgent need for replacement and growth buses, while minimizing the purchase of GHG emitting buses to the extent possible,

iii. providing an update on the anticipated timelines of facility infrastructure required to support additional electric buses at the existing Sandalwood Transit Facility.

BC027-2023

Transit

1. That the 2023 Operating Budget submission for the Transit Department be approved;

2. That the 2023 Capital Budget submission for the Transit Department be approved, as presented; and

3. That the 2024 and 2025 Capital Budget submission for the Transit Department be endorsed, in principle, as presented.

Fire and Emergency Services

1. That the 2023 Operating Budget submission for the Fire and Emergency Services Department be approved;

2. That the 2023 Capital Budget submission for the Fire and Emergency Services Department be approved, as presented; and

3. That the 2024 and 2025 Capital Budget submission for the Fire and Emergency Services Department be endorsed, in principle, as presented.

Public Works and Engineering

1. That the 2023 Operating Budget submission for the Public Works and Engineering Department be approved,

2. That the 2023 Capital Budget submission for the Public Works and Engineering Department be approved, as presented; and

Community Services

1. That the 2023 Operating Budget submission for the Community Services Department be approved;

2. That the 2023 Capital Budget submission for the Community Services Department be approved;

3. That the 2024 and 2025 Capital Budget submission for the Community Services Department be endorsed, in principle, as presented; and

4. **Whereas** the Embleton Recreation Centre is specifically named in nine of the recommendations outlined in the Parks and Recreation Master Plan (2017); and

Whereas the Parks and Recreation Master Plan (2017) notes that “the most notable facility related recommendation stemming from the PRMP is to construct a multi-use community centre, complemented by a number of outdoor recreational amenities, and the Mississauga/Embleton Community Park located in Bram West”; and

Whereas the 2023 Capital Budget three-year forecast indicates budget allocated for the Embleton Recreation Centre in 2024 and 2025; and

Whereas the area surrounding Embleton Recreation Centre covers 23,761,561 square meters, has an approximate population of 61,431; and no recreation centres;

Whereas the area surrounding Embleton Recreation Centre will provide residents of Wards 3, 5 & 6 access to a recreation centre; and

Whereas the 2023 Capital Budget has $24.2M allocated to the Howden Recreation Centre; and

Whereas the area surrounding the existing Howden Recreation Centre covers 7,934,233 square meters, has an approximate population of 45,462 and four existing recreation centres;

Therefore be it resolved:

That the 2023 capital budget of $24.2M allocated for the Howden Recreation Centre be postponed to the 2024 capital budget; and

That the 2023 capital budget be amended to include $24.2M towards Embleton Recreation Centre; and

That the 2024 forecasted capital budgets be adjusted to reflect these changes.

Corporate Support Services

1. That the 2023 Operating Budget submission for the Corporate Support Services Department be approved;

2. That the 2023 Capital Budget submission for the Corporate Support Services Department be approved, as presented; and

3. That the 2024 and 2025 Capital Budget submission for the Corporate Support Services Department be endorsed, in principle, as presented.

Planning, Building and Growth Management Development

1. That the 2023 Operating Budget submission for the Planning, Building and Growth Management Department be approved;

2. That the 2023 Capital Budget submission for the Planning, Building and Growth Management Department be approved, as presented; and

3. That the 2024 and 2025 Capital Budget submission for the Planning, Building and Growth Management Department be endorsed, in principle, as presented.

Legislative Services

1. That the 2023 Operating Budget submission for the Legislative Services Department be approved, except for the compensation portion of the Enforcement and By-law Services Division of the Legislative Services Department budget;

2. That the 2023 Capital Budget submission for the Legislative Services Department be approved, as presented; and

3. That the 2024 and 2025 Capital Budget submission for the Legislative Services Department be endorsed, in principle, as presented.

Office of the Chief Administrative Officer

1. That the 2023 Operating Budget submission for the Office of the Chief Administrative Officer be approved; and

2. That the 2023 Capital Budget submission for the Office of the Chief Administrative Officer be approved.

General Government

That the 2023 Operating Budget submission for General Government be approved.

BC028-2023

Legislative Services

That the 2023 Operating Budget submission for the Legislative Services Department, as it pertains specifically to the compensation portion of the Enforcement and By-law Services Division of the Legislative Services Department budget, be approved.

BC029-2023

That the Budget Committee meeting of February 27, 28 and March 6, 2023, do now adjourn to meet again at the call of the Chair.

6.2 Summary of Recommendations – Committee of Council – March 8, 2023

The following motion was considered.

C068-2023
Moved by Regional Councillor Medeiros
Seconded by City Councillor Power

1. That the **Summary of Recommendations from the Committee of Council Meeting of March 8, 2023**, to the Special Council Meeting of March 9, 2023, be received; and,

2. That Recommendations CW087-2023 to CW107-2023 be approved as outlined in the subject summary.

Carried

CW095-2023

Whereas the homelessness crisis is taking a devastating toll on families and communities, undermining a healthy and prosperous Ontario;

Whereas the homelessness crisis is the result of the underinvestment of successive provincial governments;

Whereas homelessness requires a range of housing, social service and health solutions from government;

Whereas homelessness is in part driven by a lack of housing affordable to low- and middle-income households;

Whereas homelessness is felt most at the municipal level of government and the residents that they serve;

Whereas in the Region of Peel shelter use increased by 26.9% in 2021, 50% of demand for persons with need for supportive housing continues to go unmet, and 70% of low income households are living in unaffordable housing;

Whereas municipalities and District Social Administration Boards are doing their part, but do not have the resources, capacity or tools to address this complex challenge; and,

Whereas leadership and urgent action is needed from the provincial government on an emergency basis to develop, resource, and implement a comprehensive plan to prevent, reduce and ultimately end homelessness in Ontario;

Therefore Be It Resolved That the City of Brampton calls on the Province to urgently:

a. Acknowledge that homelessness in Ontario is a social, economic, and health crisis;

b. Commit to ending homelessness in Ontario;

c. Increase the supply of housing affordable for low- and middle-income households; and

d. Work with AMO and a broad range of community, health, Indigenous and economic partners to develop, resource, and implement an action plan to achieve this goal;

And Further That a copy of this motion be sent to the Premier of Ontario, Minister of Municipal Affairs and Housing; Minister of Children, Community and Social Services; Minister of Health; Peel Members of Provincial Parliament, and to the Association of Municipalities of Ontario.

CW096-2023

1. That the report from Peter Fay, City Clerk, City Clerk's Office, and Martin Bohl, Sector Manager, Health and Life Sciences, Economic Development Office, to the Committee of Council Meeting of March 8, 2023, re: **Appointments to the Medical Technology (Medtech) Advisory Committee**, be received;

2. That the Medical Technology (Medtech) Advisory Committee be renamed the Medical Technology (MedTech) Task Force;

3. That the terms of reference for the Medical Technology (MedTech) Task Force be updated to establish the composition (other than appointed Members of Council or City staff) to include one representative, or delegate, appointed from the following health and life science businesses, academic institutions and property development sector interests, with each entity providing the name of the appointed representative:

Medtronic Canada,

Taro Pharmaceuticals,

The Stevens Company,

NorthWest Healthcare Properties REIT,

Myant Inc.,

SOTI,

Dynacare,

Toronto Metropolitan University,

Sheridan College,

William Osler Health Systems,

Trillium Health Partners,

MedTech Canada

Rogers,

Morguard,

DG Group, and

RioCan; and

4. That Deputy Mayor Singh be appointed as Chair, and the representative from Toronto Metropolitan University be appointed as Vice-Chair for the Medical Technology (MedTech) Task Force.

CW097-2023

1. That the report from Meagan Guerra, Acting Supervisor, Corporate Events & Protocol, Corporate Support Services, to the Committee of Council meeting of March 8, 2023, re: **Corporate Events Listing 2023-2026**, be received;

2. That, the Corporate Events Listing 2023-2026 and recommendations outlined in this report be approved, with the inclusion of the following annual event for 2023-2026 and addition of an additional operating budget, to be sourced from an appropriate account as identified by the Treasurer:

a) Hockey Night in Brampton (with operating budget of $50,000.00) and

b) Latino Heritage Month in October;

3. That a City-led Diwali event as per Council Resolution CW376-2022 be added to the Corporate Events Listing along with $200,000 to be included in the 2023 operating budget submission, pending Council approval;

4. That departments be authorized to not charge-back any costs associated with using existing City assets and staff resources related to the Corporate Events and Protocol office, including but not limited to staff/labour, facility rentals and equipment; and further, whereby an external cost is borne by a resource department to support the Corporate Events and Protocol office, that these charges be payable by the Corporate Events and Protocol Office budget; and

5. That the Director, Strategic Communications, Culture and Events, Corporate Support Services, be delegated authority to approve and execute on behalf of the City of Brampton any required agreements and other documents deemed necessary for the implementation of corporate events, including artist agreements and all other related agreements, on such terms and conditions as may be satisfactory to the Director, Strategic Communications, Culture and Events, Corporate Support Services or designate, and in a form satisfactory to the City Solicitor or designate.

CW098-2023

Whereas Brampton's various festivals and events contribute to the quality and diversity of community life for Brampton citizens and visitors, and provide opportunities for public participation, economic activity, and tourism;

Whereas Members of Council have requested additional enhancements and programming to current Corporate Events beyond current budget availability; including New Year's Eve, Emancipation Day, Heritage Celebrations, etc.;

Therefore Be It Resolved:

That an additional budget of $200,000.00 be added to the City's Events annual base operating budget. Strategic Communications, to deliver these enhanced events included in the 2023-2026 Corporate Events Listing.

That the item, and associated recommendations, be **referred** to the Special Council Meeting of March 9, 2023 for consideration.

CW099-2023

Whereas women represent over 50% of the population across the country and locally in Brampton yet, women hold 35.6% of management positions and 30.9% of senior level positions according to Statistics Canada;

Whereas gender equality is enshrined in the Canadian Charter of Rights and Freedoms specifically Section 15 and Section 28, which is part of the Constitution of Canada, along with federal legislation of Canadian Labour Code Part II, Gender Budgeting Act, and the Employment Equity;

Whereas gender equality means that diverse groups of women, men and gender diverse people are able to participate fully in all spheres of Canadian life, contributing to an inclusive and democratic society;

Whereas Gender Based Analysis Plus (GBA+) is an analytical process that provides a rigorous method for the assessment of systemic inequalities, as well

as a means to assess how diverse groups of women, men, and gender diverse people may experience policies, programs and initiatives;

Whereas the Canadian Government has recently renewed its commitment in 2015, to GBA+, which first began in 1995, and is working to strengthen its implementation across all federal departments (https://women-gender-equality.canada.ca/en/gender-based-analysis-plus/what-gender-based-analysis-plus.html);

Whereas in March 2017, the City of Edmonton Council passed a motion to implement mandatory GBA+ e-learning training for senior leaders in the Administration and for City Councillors by end of 2018, utilizing the federal government's e-learning tool and the same Council directed that staff in role-specific positions, predominantly in the areas of research, policy and program development, human resource and communication, receive in-depth, City of Edmonton-customized GBA+ training (https://webdocs.edmonton.ca/siredocs/published_meetings/120/677815.pdf);

Whereas in July 2021, Halifax Council brought forward a motion to implement the Federal GBA+ program as part of the Councillor training and orientation for all current and future members of the Halifax Regional Council (https://cdn.halifax.ca/sites/default/files/documents/city-hall/regional-council/210720rc1132.pdf);

Whereas the City of Edmonton established a "Women's Advocacy Voice of Edmonton Committee (WAVE) which provides Council with advice on affairs relevant to municipal jurisdiction (https://www.edmonton.ca/city_government/city_organization/womens-advocacy-voice-of-edmonton-committee#:~:text=The%20Women's%20Advocacy%20Voice%20of,City%20policies%2C%20priorities%20and%20decisions);

Whereas in November 2019, Halifax Council approved the creation of the Women's Advisory Committee, to support the creation of a gender inclusive municipality and provide advice to Council on matters relevant to the municipal mandate (https://www.halifax.ca/city-hall/boards-committees-commissions/s-z/womens-advisory-committee);

Whereas on December 14, 2022 this term of Council passed a motion to support and empower women at the City of Brampton, with celebrations planned annually on International Women's Day on March 8th;

Whereas in keeping with the City's recognition of International Women's Day, Gender Equality week in September, Women's History Month in October, the

over arching themes were gender equality for a sustainable tomorrow and today #EmbraceEquity;

Whereas the City of Brampton has a policy in place since 2019 on Gender Identity and Expression Protocol and is committed to go beyond commemoration of these days of significance and be intentional in its efforts to provide support and empowerment opportunities for women and gender parity within the City and Council.

Therefore Be It Resolved That The City of Brampton:

1. Implement mandatory Gender-based Analysis Plus (GBA+) e-learning training for senior leaders in the administration and for City Council by March 8, 2024 and that this training utilize the federal government's e-learning tool;

2. Develop Terms of Reference for a Women's Advisory Committee with an inaugural committee established no later than March 8, 2024;

3. Officially establish and support a Women's Employee Resources Group through the Equity Office with support from Human Resources.

CW100-2023

Whereas the City of Brampton provides a wide range of services that are essential to our quality of life;

Whereas Vision 2040 and the Brampton Plan embrace the "Urban Community Hub Design Concept" geared to foster inter-disciplinary collaboration and investment to deliver complete communities;

Whereas Council has endorsed application of the "Urban Community Hub Design" in two pilot projects, being; "The Uptown Hub" and "Queen's Hub";

Whereas the City of Brampton's Housing Pledge to accommodate 113,000 residential units by 2031 accelerates the city's growth targets over the next eight years;

Whereas key to supporting existing and future growth requires significant investment to co-locate facilities and services such as libraries, arts, innovation and technology;

Whereas the City of Brampton is developing the Corporate Strategic Plan, Parks and Recreation Master Plan and Culture Master Plan presenting opportunities to further enshrine and deliver the community hub model;

Therefore Be It Resolved That Council direct staff to prepare for and deliver a Council workshop facilitating an update on:

1. the “Urban Community Hub Design Concepts and Uptown Hub and Queens Hub”;

2. ongoing master plans/initiatives that leverage the urban community hub concept; and a

3. work plan for the 2022-2026 Term of Council highlighting key deliverables associated with the urban community hub model.

CW101-2023

C075-2023
Moved by Mayor Patrick Brown
Seconded by Regional Councillor Toor

That the staff update re. **Government Relations Matters**, to the Council Meeting of April 5, 2023, be received.

Carried

Council discussion took place with respect to the responsibilities of the Alternate Member with regard to attendance at Regional Council meetings.

A proposed motion was displayed for consideration, as follows:

> That the responsibilities of the Alternate Member with regard to attendance at Regional Council on behalf of an absent Brampton Regional Councillor be clarified to include prioritization of the Alternate Member (currently Deputy Mayor Singh) to attend, as per Section 268 of the *Municipal Act,* rather than the Proxy under Regional provisions.

Council discussion took place on this matter, during which time staff outlined the provisions of the *Municipal Act* as they relate to the Alternate Member. This matter was subsequently referred to Closed Session for advice that is subject to solicitor-client privilege. Item 19.7 was added to the Closed Session agenda for this purpose.

CW112-2023

That the presentation by Jeffrey Humble, Manager of Policy, Integrated City Planning, Planning, Building and Growth Management, to the Committee of Council meeting of March 29, 2023, re: **Rental Licensing and Registration Programs**, be received.

CW113-2023

Whereas:

1. Licensing a business ensures that adequate measures are in place to safeguard the health and safety of residents and provides protection for consumers and Licenses generally require zoning approval, regular proof of insurance, annual inspections (i.e. fire and property standards);

2. Relative to other types of business operations across the city and despite significant health and safety risks to residents related to this sector, the business of operating room or unit rentals does not consistently require registration or a license to operate;

3. Precedent exists for licensing of other types of rental businesses, such as licensing of short-term rentals or lodging homes;

4. In 2015, the City of Brampton implemented a registration process to permit a business to operate in a manner with specified rules and regulations as set out by a municipality but does not necessarily require the same safeguards (i.e. annual inspections) as a license;

5. The implementation of a one-time registration of second unit dwellings has successfully increased registered units from May 2019 at 1,254 new units to February, 2023, at 16,264 two-units registered with the City;

6. From 2018 to 2022, Enforcement received more than 8,800 property standard (i.e. garbage, noise, weeds/long grass) complaints related to two-unit dwellings but many times having difficulty contacting the property owner to address the issue as it was no longer the principal residence or ownership of the property was transferred;

7. Presently, the City's Two-Unit Dwelling registration process does not assume the units will be rented nor does it require landlords/property owners to update the City with new information;

8. It is anticipated that the City will experience an increase in ARU applications and garden suite applications in the coming year with the adoption of the Official Plan and Zoning By-Law amendments based on the Province's Bill 23 legislation and pressure to create new housing based on Brampton's Municipal Housing pledge to the provincial target of 113,000 units over the next 8 years;

9. Over the past eight years the City's Enforcement Department has seen an increase in the number of illegal lodging house complaints, but in over seventy-five percent (75%) of complaints investigated by Enforcement there was no substantial evidence to determine the dwelling was operating an illegal lodging house;

10. As presented in the corresponding report and attachment 1 - municipal benchmarking, other municipalities such as The City of Waterloo, have experienced similar issues and have implemented licensing of landlords or are currently piloting landlord licensing programs;

11. The highest number of service requests related to property standard violations are concentrated in Wards 1, 3, 4, 5 as per Attachment 3, figure 8 of the Information Report on Proactive Property Standards Exterior Enforcement (RM 42/2022 and RM 55/2022);

Therefore Be It Resolved That:

1. The report from Mirella Palermo titled, 'Information Report: Current City Licensing and Registration Programs of Rental Housing, Overview of Potential

Landlord Licensing Programs and Landlord Code of Conduct (RM 40-2022 and 52/2022)' to the Committee of Council Meeting of March 29, 2023, be received;

2. Staff be directed to report back in Q3 2023, on an implementation plan for a two-year pilot (beginning Q1 2024), of a Brampton Rental Landlord Registration/Licencing Program based on the City of Waterloo and other benchmarked municipalities from Attachment 1 of the Report with the following objective:

- Objectives of the Residential Rental Licensing Program – to protect the health and safety, and human rights of persons to protect the residential amenity, character and stability of residential areas. To proactively mitigate potential risks that may exist within a particular business sector and provide enforcement mechanism to respond to complaints relating to that sector.

3. In the report regarding the implementation of a two-year pilot, staff include (but not be limited to) the following best practices from other municipal licensing programs:

a) Set a cap or process to regulate the number of rental units allowed in ARUs per housing type (single detached, semi-detached, row townhouse)

b) Set a cap on the number of residents permitted in a lodging home and update licensing requirements accordingly

c) That licensing for short-term rentals be amended to include random inspections and that this be applied for new applications or renewals of such licenses moving forward

d) Landlord Registration/Licensing program (applications and renewals) include annual and/or random inspections related to the Ontario Building, Electrical and Fire Codes

e) Explore establishing a Landlord Code of Conduct

f) Application and renewal fees to help offset the cost of the program

g) Include fines and escalating fines for rental units (ARUs, garden suites, or lodging homes) without a license or for those who continue to operate but fail to renew

h) Develop and implement a demerit point system for landlords (similar to Oshawa) to encourage compliance with the City's by-laws beyond fines

i) Develop a checklist or protocol to help bylaw enforcement determine if a property may be operating as a business /Landlord (rental of ARUs, garden suites, and/or lodging home) without a license

j) Develop a list of tenant and owner responsibilities regarding property standards and bylaw enforcement, snow cleaning, and it be provided to landlords in an accessible manner either as a handbook or as an online resource and if possible include pertinent regional information such as waste collection. Licensed landlords would be required to provide this information to tenants

k) Create a directory or interactive online map of all registered licensed properties similar to the current registered second units that is accessible on Geohub to all residents

4. The implementation of the pilot be applied to rental properties (registered or not currently registered as an ARU or garden suite) identified in the top four hotspot areas (as per Attachment 3, figure 8 of the Information Report on Proactive Property Standards Exterior Enforcement (RM 42/2022 and RM 55/2022)), identified as Wards 1, 3, 4, 5 and 7 which represent the highest concentrations of property standard issues across the city;

5. That as per Action Item 8.1.4.1 of the Housing Brampton Plan staff be directed to provide a report to Council on a work-plan to update Lodging Houses for city-wide application;

6. That staff report back in Q3 of 2023 on the work plan for implementing the two-year Brampton Rental Landlord Registration Licensing Program, beginning in Q1 2024, including funding required from the 2024 and 2025 Budgets; and

7. That this motion and corresponding/mentioned reports with appendices, be forwarded to Sheridan College, Algoma University, Toronto Metropolitan University, and identified private colleges for consideration as part of the work being completed on the Brampton Charter for International Students.

12.2 ^Minutes – Committee of Council – April 12, 2023

Dealt with under Consent Resolution C092-2023

The recommendations approved under Consent are as follows.

CW135-2023

That the agenda for the Committee of Council Meeting of April 12, 2023 be approved, as amended, as follows:

To add:

6.3. Delegations, re: Chinguacousy Branch Library Relocation

2. Sylvia Roberts, Brampton resident

9.3.2. Discussion Item at the request of Regional Councillor Palleschi re: International Day of Pink

9.3.3. Discussion Item at the request of Regional Councillor Vicente re: Chinguacousy Branch Library Relocation

9.4.1. Correspondence re: Item 6.3 - Chinguacousy Branch Library Relocation

2. Cody Vatcher, Brampton resident, dated April 11, 2023

To defer the following item to the May 10, 2023 Committee of Council meeting:

9.2.1. Staff Report re: Request to Begin Procurement – Digital Billboard Advertising on City Property

CW136-2023

That the following items to the Committee of Council Meeting of April 12, 2023 be approved as part of Consent: **9.2.2, 10.2.1, 10.2.3, 15.1**

CW137-2023

That the delegation from Mike Labbe, Home Opportunities, to the Committee of Council Meeting of April 12, 2023, re: **Affordable Housing Component of the Argo TFP 51-3 Mount Pleasant Lands**, be **referred** to staff.

CW138-2023

That the following delegations to the Committee of Council Meeting of April 12, 2023, re: **Chinguacousy Branch Library Relocation**, be received:

1. Jaipaul Massey-Singh, Board Chair, and Todd Kyle, CEO, Brampton Library

2. Sylvia Roberts, Brampton resident

CW139-2023

That the following correspondence to the Committee of Council Meeting of April 12, 2023, re: **Item 6.3 - Chinguacousy Branch Library Relocation**, be received:

1. Mohamed Lachemi, President and Vice-Chancellor, Toronto Metropolitan University (TMU), dated April 3, 2023

2. Cody Vatcher, Brampton resident, dated April 11, 2023

CW140-2023

Whereas the Chinguacousy Branch is the face of Brampton Library and has been an integral part of the community for over 50 years offering a wide range of programs and services, and this Council wishes to ensure that our library system remains a vital resource to the residents of this city;

Whereas the Brampton Library and other Bramalea Civic Centre tenants have been on short-term leases with the City of Brampton, with the Brampton Library's lease set to expire in 2024;

Whereas no future commitments for the Civic Centre space beyond 2024 have been made to the Brampton Library;

Whereas the Library's 2022 Facility Master Plan made no reference to existing short term lease with the City, the relocation of the Chinguacousy branch or identified possible future sites;

Whereas City Council declared a health care emergency in January 2020 that recognized the unique and urgent needs of Brampton's health care system, including major funding gaps, long wait times, and hallway medicine;

Whereas the City launched a Fair Deal for Brampton health care campaign to seek provincial funding and support to address the longstanding need for equitable health care funding for Brampton residents, as Brampton has nearly 56% fewer hospital beds per person than the provincial average of 220 beds per 100,000 people;

Whereas in July 2021, Brampton City Council voted in favour of a $1-million planning grant to help fund a future Medical School in the city, matching the funding invested by the Province of Ontario earlier that year;

Whereas the City's actions in support of the Medical School were reflected in the City's recent budget engagement with more than 13,797 residents, in which 81% of respondents said that they support the $20M investment the City is making in Brampton's new Medical School, and 40% of respondents stated that healthcare was the top issue or service that the City should prioritize in our budgeting;

Whereas, since 2015 with the Blue Ribbon Panel, and ongoing investment in institutions with a footprint in the city, the City of Brampton has been actively seeking to increase the footprint of post-secondary education offerings within the City that will support the jobs of the future;

Whereas the City has been actively pursuing a Medical School in partnership with Toronto Metropolitan University, and together conducted community engagement in City wards and through tele town halls in 2022 to gain input on the community's goals around this priority;

Whereas this is the first new Medical School announced by the Provincial Government to be built in the GTA in more than a century and the first in Ontario in over 30 years;

Whereas Brampton residents will directly benefit from the medical school through 94 undergraduate medical students graduating annually, 95 postgraduate highly-trained physicians graduating annually; 5 Integrated Health Clinics to provide 250,000 family care spots for residents to have a family doctor; 1,500 new high quality health sciences faculty and staff jobs, primarily located in Brampton; and more than $255-million per year in local economic benefits;

Whereas the Civic Centre building had to be vacated in order to accommodate the urgent need for a new Medical School in response to the hallway medicine

crisis in Brampton, and to facilitate a rapid opening by 2025 to welcome 189 new medical professionals to help tackle Brampton's healthcare crisis;

Whereas the Chinguacousy Library is relocating to the City-owned facilities at Chinguacousy Park and Glidden Road facilities on an interim basis, a location selected by the Brampton Library staff and endorsed in principle by the Brampton Library Board;

Whereas this Council is committed to the Brampton Public Library and the delivery of library services across the City of Brampton;

Therefore be it resolved that staff continue to support the Brampton Library on a short-term relocation to these City spaces in consultation with Brampton Library staff; and minimize the impact to the local communities; and

That the City work with the Brampton Library, and fund the necessary consultant to determine the future site for the Chinguacousy branch that will best meet the needs of the local community and identify collaborative opportunities for coordinating long-term Library site plans into the City's recreation and facility planning processes.

CW141-2023

That the delegation from Steve Mayer, General Manager, Wet 'n' Wild, to the Committee of Council Meeting of April 12, 2023, re: **Wet 'n' Wild Park Update**, be received.

CW142-2023

That the presentation from C. Ethier, Manager, Government Relations and Public Liaison, Office of the CAO, to the Committee of Council Meeting of April 12, 2023, re: **Government Relations Matters**, be received.

CW143-2023

1. That the report from Laura Lukasik, Manager Tourism and Special Events, Corporate Support Services, to the Committee of Council Meeting of April 12, 2023, re: **Municipal Accommodation Tax**, be received;

2. That Council approve a four per cent (4%) Municipal Accommodation Tax for paid overnight accommodations at hotels, motels, campgrounds, short term rental units (including online home sharing platforms) and bed and breakfasts operating in the City of Brampton, effective July 1, 2023;

3. That a policy be brought to Council at a future date to establish the "City of Brampton Municipal Accommodation Tax" effective July 1, 2023;

4. That a new reserve fund titled “Municipal Accommodation Tax” be established as a holding account for the revenue collected from the Municipal Accommodation Tax;

5. That the City Clerk be authorized to enter into an agreement with each eligible tourism accommodation and short term rental provider regarding the financial accountability required to ensure that all Municipal Accommodation Tax amounts paid to the City of Brampton are used for the exclusive purpose of promoting tourism as required by Ontario Regulation 435/17;

6. That the City of Brampton’s portion of the Municipal Accommodation Tax revenue be directed to support investments, such as Brampton-based place making, beautification, infrastructure and communications programming that support resident/visitor/guest experiences and tourism-related services, infrastructure development and sponsorships for Sport Tourism Events, Marquee Festivals and large-scale tourism activations, subject to the guidelines of the Tourism Sponsorship Program;

7. That staff be given approval to prepare a detailed work plan to support the creation a Municipal Services Corporation pursuant to the Ontario Municipal Act, requirements of Ontario Regulation 599/06, and other application legislation and regulations in the Province of Ontario, and Canada by July 1, 2024; and, that the Municipal Services Corporation with objectives of promoting tourism in the City of Brampton; and, that The Corporation of the City of Brampton serve as the sole shareholder of the Municipal Services Corporation; and, that the following executive positions be approved to serve as the start-up Board of Directors of the Municipal Service Corporation: Director, Strategic Communications, Tourism & Events, Manager Tourism and Events and one member of Council; and

8. That the City Clerk, City Solicitor, Treasurer and Commissioner of Corporate Support Services, or designates, be authorized and directed to take all actions to give effect to these resolutions.

CW144-2023

Whereas, according to the United Nations Panel of Experts Report on Sri Lanka, the war in Sri Lanka ended amidst the indiscriminate killing of 70,000 civilians, caused by the intentional bombings of civilian "safe zones," hospitals and humanitarian operations; and

Whereas the protracted genocide of the Tamils today is carried out through a brutal military occupation, and a deliberate program of Sinhala colonization and settlements; and

Whereas, while government sponsored settlements aim to destroy Tamil homes and livelihoods, the military occupation of the NorthEast controls all aspects of individual, social and professional life, threatening the safety and security of Tamils, and brutally suppressing any dissent against the Sri Lankan state oppression; and

Whereas many Tamil families have moved to Canada to flee the genocide, and Bill 104 tells their story, their struggle and the magnitude of their loss; and

Whereas no foreign interest should interfere with the democratic will of Canadians, and Bill 104 was adopted by the Parliament of Ontario;

Therefore Be It Resolved that the City of Brampton write a letter of support for Bill 104, the *Tamil Genocide Education Act*, which is being appealed by foreign interests to the Supreme Court.

CW145-2023

That staff be directed to add the International Day of Pink to the annual list of commemorative dates of the City.

CW146-2023

1. That the report from Sean Cressman, Manager of Building Design and Construction, Public Works and Engineering, to the Committee of Council Meeting of April 12, 2023, re: **Request to Begin Procurement – Hiring of General Contractors for Construction Projects,** be received;

2. That the Purchasing Agent be authorized to commence the procurement for general contracting services for the building addition and alteration at Flower City Community Campus, Units 1 & 2 (Ward 4); and

3. That the Purchasing Agent be authorized to commence the procurement for general contracting services for asphalt repaving and replacement of the power distribution, lighting and elevator at Professor's Lake Recreation Centre (Ward 8).

CW147-2023

1. That the report from Patricia Lee, Project Manager, Building Design and Construction, Public Works and Engineering, to the Committee of Council Meeting of April 12, 2023, re: **Request to Begin Procurement – Supply, Delivery and Installation of Office Furniture Citywide**, be received; and

2. That the Purchasing Agent be authorized to begin procurement for the supply, delivery and installation of office furniture citywide.

CW148-2023

1. That the report from Anna San Juan, Fleet Administration Supervisor, Fleet Services, Public Works and Engineering, to the Committee of Council Meeting of April 12, 2023, re: **Request to Begin Procurement – Short Term Rental of Pick Up Trucks and Compact Cars for a Three (3) Year Period**, be received;

2. That the Purchasing Agent be authorized to begin a competitive procurement for the Short Term Rental of Pick Up Trucks and Compact Cars for a Three (3) Year Period.

CW149-2023

WHEREAS:

1. Sections 8, 9 and 11 of the *Municipal Act, 2001*, authorize the Council of the Corporation of the City of Brampton to pass by-laws necessary or desirable for municipal purposes, and in particular paragraphs 5, 6 and 8 of subsection 11(2) authorize by-laws respecting the economic, social and environmental well-being of the municipality, the health, safety and well-being of Persons; and the protection of Persons and property;

2. Section 129 of the *Municipal Act, 2001*, as amended, provides that a municipality may prohibit noise and vibration unless a permit is obtained from the municipality and may impose conditions for obtaining, holding and renewing the permit;

3. Excessive sound and inadequately controlled noise may impair public health, safety and welfare and may become a nuisance;

4. Urban noise is not just considered an annoyance, it is considered a “top environmental risk,” according to a recent report by the United Nations Environment Program and cars are the number one source of noise pollution in cities;

5. Many residents and neighbourhoods in the GTA, including Brampton, have experienced an unacceptable increase in noise as a result of modified car and vehicle engines that has become incredibly apparent during and since COVID-19;

6. International research shows that auditory sensitivities are common among people with autism spectrum disorder diagnoses (ASD) and Brampton is home to Erin Oak Kids and currently negotiating with the South Asian Autism Awareness Centre (SAAAC) to establish a location in Brampton, and embraces and supports families with children and adults with autism;

7. Peel Police have launched an annual “Project Noisemaker” campaign to crack down on these “noisemakers”;

8. Neighbouring municipalities, for example, Toronto, Mississauga, Richmond Hill have updated their noise by-laws given the increase in complaints related to excessive vehicular noise;

9. The City of Brampton requires an update to its noise by-law and a data category for complaints concerning excessive vehicular noise or excessive noise caused by lawn maintenance equipment do not currently exist within Brampton’s noise by-law, and are instead miscellaneously categorized as “excessive loud music” or “construction noise respectively;

10. The City of Brampton data shows that complaints miscellaneously captured as “excessive loud music” have had an exorbitant TEN fold increase of 453 in 2018, to 4,896 in 2022;

11. It is an offence under the *Highway Traffic Act* (HTA) for the driver of a vehicle to permit smoke to escape from the vehicle or to cause the vehicle to make any unnecessary noise;

12. The HTA requires every motor vehicle to be equipped with a muffler in good working order and in constant operation to prevent excessive or unusual noise and excessive smoke and prohibits the use of a muffler cut-out, straight exhaust, gutted muffler, Hollywood muffler, by-pass or similar device upon a motor vehicle;

13. As of April 1, 2022, the act of modifying the exhaust system of a motor vehicle is now considered an offence under the HTA but some muffler and auto-body shops continue to provide such services;

14. In 2019 the *Better for People, Smarter for Business Act, S.O. 2019*, c. 14 was enacted to amend the HTA to include a new section (s. 75.1) that will make it an offence to tamper with motor vehicles by:

a. removing, bypassing, defeating or rendering inoperative all or part of a motor vehicle’s emission control system; or

b. modifying a motor or motor vehicle in any way that results in increased emissions from the level to which it was originally designed or certified by the manufacturer of the motor or motor vehicle;

15. s.75.1 of the Act also prohibits the sale of tampering devices that create excessive noise on our streets and in our neighbourhoods.

THEREFORE BE IT RESOLVED THAT:

1. Staff update the noise bylaw with the following:

a. To include data categories to capture complaints specific to excessive vehicular noise and lawn maintenance equipment;

b. Similar to Winnipeg, limit hours and distance of auto-shops that emit excessive vehicular noise generated from the testing of modified vehicles;

2. Staff report back on opportunities to amend licensing requirements for auto-shops as it relates to the modification of vehicles causing excessive noise as per the amendment to the HTA (s. 75.1);

3. Working together with Peel Regional Police launch of “Project Noisemaker” implement a communications plan to increase awareness and notice of respective changes to the City of Brampton’s noise by-law;

4. Communication related to Project Noise Maker and the City of Brampton’s updated noise by-law be issued to all licensed auto-shops in the City of Brampton;

5. This motion be forwarded to Local MPPs, and Peel Regional Police.

CW150-2023

That Committee proceed into Closed Session to discuss matters pertaining to the following:

15.2. Open Meeting exception under Section 239 (2) (c) and (k) of the Municipal Act, 2001:

A proposed or pending acquisition or disposition of land by the municipality or local board; and, a position, plan, procedure, criteria or instruction to be applied to any negotiations carried on or to be carried on by or on behalf of the municipality or local board - a property lease matter

CW151-2023

1. That the following list of award recipients as recommended by the Citizens Awards Selection Committee, be approved:

14.2 Correspondence from Claudio Brutto, President, Brutto Consulting, dated April 3, 2023, re. Council Resolution Request: Minister's Zoning Order (MZO) – Proposed Prestige Industrial & Commercial Complex – 11176 Highway 50 (Part of Lot 16, Concession 12, Northern Division) – City of Brampton, Regional Municipality of Peel

Deputy Mayor Singh provided information on the subject Council resolution request.

The following motion, moved by Deputy Mayor Singh and seconded by Regional Councillor Toor, was introduced and considered.

C096-2023
Moved by Deputy Mayor Singh
Seconded by Regional Councillor Toor

That the correspondence from Claudio Brutto, President, Brutto Consulting, dated April 3, 2023, re. **Council Resolution Request: Minister's Zoning Order (MZO) – Proposed Prestige Industrial & Commercial Complex – 11176 Highway 50 (Part of Lot 16, Concession 12, Northern Division) – City of Brampton, Regional Municipality of Peel**, to the Council Meeting of April 19, 2023, be received; and

WHEREAS City Council has received a request to support a Minister's Zoning Order, referred to as MZO, to facilitate development at lands municipally known as 11176 Highway 50 Part of Lot 16, Concession 12, in the City of Brampton (known as the subject lands); and

WHEREAS the MZO would allow the timely permission to introduce a new Prestige Industrial & Commercial Complex on the subject lands, generating approximately 1000 new skilled jobs; and

WHEREAS Bill 197 amended Section 47 of the Planning Act to grant the Minister of Municipal Affairs and Housing more order-making powers under Minister's Zoning Orders (MZOs) to deliver critical projects; and

WHEREAS the subject lands presents an opportunity for the City to create jobs, support the local and regional economy in close proximity to the future GTA West Corridor along with planned City and Regional road improvements.

NOW THEREFORE BE IT RESOLVED:

1. THAT Council supports the request for an MZO and asks that the Minister of Municipal Affairs and Housing consider this request.

2. THAT the Commissioner, Planning, Building and Growth Management be directed to prepare a request to the Minister of Municipal Affairs and Housing to enact a Minister's Zoning Order for the subject lands.

3. THAT The owner satisfy all City requirements regarding the submission of supporting studies, and other matters, in association with the applicable sections of the Planning Act relating to Site Plan Approval and/or the Development Permit Application processes, as may be applicable.

A motion, moved by Regional Councillor Keenan and seconded by Regional Councillor Santos, was introduced, with the operative clauses as follows.

> NOW THEREFORE IT BE RESOLVED that:
>
> 1. That the Staff Report re. City-Initiated Official Plan Amendment to the Credit Valley Secondary Plan Area 45, Wards 4 and 5, referred to the City Council meeting on May 3, 2023, be further referred back to staff for further consideration; and
>
> 2. That staff be directed to:
>
> a. Continue work with the landowners to complete a comprehensive functional servicing report for the Springbrook Tertiary Plan;

b. Continue to work with the landowners and the Region of Peel on incorporating the findings of the functional servicing report into the approval process associated with ongoing development applications; and

c. Report back to Council on the final Springbrook Tertiary Plan for adoption which shall include findings of the functional servicing report and the results of the 45 degree angular plane analysis.

Councillors Keenan and Santos outlined the purpose of the motion.

The motion was considered as follows.

C106-2023
Moved by Regional Councillor Keenan
Seconded by Regional Councillor Santos

WHEREAS The Region of Peel has identified the need for the City to continue to work with the Region and development proponents to complete a joint functional servicing report to inform the comprehensive development of the Tertiary Plan as proposed;

WHEREAS The Draft Official Plan Amendment for the Springbrook Tertiary Plan currently requires a functional servicing report to be completed prior to approval of any development application within the Tertiary Plan; however, Council wishes to confirm servicing prior to approving the Tertiary Plan to facilitate the proposed density;

WHEREAS residents have expressed concerns with proposed heights with development applications within the Springbrook Tertiary Plan and Council wishes to confirm the impact of the proposed heights in relation to setbacks along the north and south side of Queen Street to ensure the 45 degree angular plane to existing low density communities is not exceeded;

NOW THEREFORE IT BE RESOLVED that:

1. That the Staff Report re. City-Initiated Official Plan Amendment to the Credit Valley Secondary Plan Area 45, Wards 4 and 5, referred to the City Council meeting on May 3, 2023, be further **referred** back to staff for further consideration; and

Council discussion took place with respect to a response from the Provincial Government regarding proportional funding for Emancipation Park servicing enhancements.

In response to questions from Council, staff outlined interim measures that have been or will be implemented in the park, and details on a recent meeting with staff at the Region of Peel.

A motion, moved by Regional Councillor Santos and seconded by Regional Councillor Keenan, was introduced to provide that a follow up letter be sent to the Province to advise of the interim measures the City has implemented for Emancipation Park, including Regional consultation, and to request an update and response to the City's original letter.

The motion was considered as follows.

C109-2023
Moved by Regional Councillor Santos
Seconded by Regional Councillor Keenan

That a follow-up letter be sent to the Province to advise of the interim measures the City has implemented for Emancipation Park, including Regional consultation, and requesting an update and response to the City's original letter.

2. That the City of Brampton renew the funding agreement with Altitude Accelerator (formerly known as RICC) for four (4) additional years with a declining scale of financial assistance;

3. That the CAO be authorized to execute the grant agreement renewal with Altitude Accelerator based on content approved by the Director, Economic Development, and in a form satisfactory to the City Solicitor or designate; and

4. That staff report back to Council on achievements and results of the Altitude Accelerator on an annual basis.

CW159-2023

1. That the report from Martin Finnegan, Senior Manager, Revenue, Corporate Support Services, to the Committee of Council Meeting April 26, 2023, re: **Tax Adjustments, Cancellations and Reductions Pursuant to the *Municipal Act, 2001***, be received; and,

2. That the tax account adjustments as listed on Appendix A of this report be approved.

CW160-2023

1. That the staff report re: **Downtown Brampton – 5G Pilot Status Update**, to the Committee of Council Meeting of April 26, 2023, be received;

2. That the City of Brampton work collaboratively with Alectra and telecommunication services providers to resolve power supply issues and payment arrangements between telecommunication services providers and Alectra;

3. That the City of Brampton clearly communicate to telecommunication services providers the need to enter into and sign the Municipal Access Agreement (MAA) with the City;

4. That the Planning, Building and Growth Management, and Economic Development Departments champion 5G initiatives corporately including intake, review and execution of telecommunication services providers' requests that leverage City passive assets; and

5. That staff also report back with an update, to include communications undertaken and potential mitigation of 5G related costs to businesses in the downtown core.

CW161-2023

Whereas, the City hosted a Garba event in 2019;

Whereas, Council has already approved the 2023-2026 Corporate Event Listing in March 2023, which includes an accommodation for new event opportunities, as approved by Council, including appropriate resourcing;

Whereas, Brampton is a Mosaic and Garba is a key celebration of Gujarati culture;

Therefore Be It Resolved That the City add Garba to the 2023-2026 event listing, with an additional budget of $70,000, to take place in September 2023, with the source of funding to be identified by the Treasurer.

CW162-2023

Whereas after several weeks of public consultation, Brampton City Council voted to allow privately-owned cannabis retail stores in Brampton in January 2019; and

Whereas the Alcohol and Gaming Commission of Ontario has the responsibility for regulating Ontario's cannabis retail stores including the licensing, renewals and enforcement of private cannabis retail stores; and

Whereas in 2018 the Provincial government created the Ontario Cannabis Legalization Implementation Fund to assist municipalities with implementation costs associated to recreational cannabis legislation; and

Whereas in 2022, the City was advised that the Provincial funding through the Ontario Cannabis Legalization Implementation Fund is no longer available; and

Whereas as per the Province's guidelines, legal retail stores cannot be located near a school or private school, as defined in the Education Act, if the proposed retail store is 150 meters away from the school; and

Whereas the distance between a proposed retail store and a school or private school is measured by a straight line from the closest point of the school property or boundary to the closest point of the proposed retail store; and

Whereas if either the store and/or the school is located on a floor other than the ground floor or main level in its respective building, the measure of the 150 meter distance may take into account the vertical distance in assessing compliance with this requirement; and

Whereas the applicant is not required to seek permission from or notify the City of its intention to open a retail cannabis store; and

Whereas the City proactively generates a map that shows a 150 meter buffer zone surrounding the proposed address highlighting schools, parks, public facilities, places of worship and group homes;

Therefore be it resolved:

That the Mayor send correspondence to the Alcohol and Gaming Commission of Ontario advocating for additional provisions when licensing legal cannabis retail stores to expand the 150 meter requirement from schools and private schools to also include parks, public facilities, places of worship and group homes; and

That a copy of the correspondence be sent to the Premier of Ontario and Brampton MPPs and include a request to the Province that the Ontario Cannabis Legalization Implementation Fund be reinstated to support municipalities with costs associated to recreational cannabis legislation.

CW163-2023

That the following item be **referred** to the May 3, 2023 Council meeting:

CW169-2023

Whereas Downtown Brampton is identified as a specific action item in the 2040 Vision, to “realize the full potential of Brampton’s historic Downtown as an advance education, arts, and life sciences hub”, and a vibrant centre with quality jobs, a rich range of activities, and integrated living;

Whereas Downtown Brampton is the focus of significant infrastructure and private sector investment to support growth and intensification consistent with the 2040 Vision;

Whereas the province’s Bill 23, the More Homes Built Faster Act directs the City to achieve 113,000 new housing units by 2031, and the City has signed a Municipal Housing Pledge to work towards this objective;

Whereas 164-166 Main Street North are designated heritage properties under Designation By-laws 198-2017 and 199-2017, and are therefore on Brampton's Municipal Register of Cultural Heritage Resources which serves to protect the heritage and character of Brampton;

Whereas, due to significant long-term neglect, the subject buildings are derelict and in significant disrepair, and have become unsafe;

Whereas, the subject property is located on the City's Main Street and gateway into the Downtown that is designated in the draft Brampton Plan as a Secondary Urban Boulevard that is approximately 200 metres from the Metrolinx GO-Line and future Transit Hub including the future Hurontario Light Rail Transit line; and

Whereas the existence of these properties in their current state has been raised as a concern by area residents, in that they detract from the character and attractiveness of the Downtown and deter reinvestment and revitalization potential;

Therefore Be It Resolved That:

1. Staff be directed to complete a Heritage Impact Assessment for the properties identified as 164-166 Main Street North that addresses the deteriorated state of the buildings;

2. Staff be directed to report to the Brampton Heritage Board meeting of June 20, 2023, regarding the repeal of Designating By-Laws 198-2017 and 199-2017 for 164-166 Main Street North and the removal of the property from the City of Brampton's Municipal Register of Cultural Heritage Resources ("Designated" Heritage Properties) and report back to the City Council Meeting of June 28, 2023; and

3. Staff be directed to report back to Council by the fourth quarter of 2023 on a process for property standards enforcement on designated heritage properties to proactively address issues of neglect or disrepair.

CW170-2023

1. That the Commissioner of Planning, Building and Growth Management be authorized to remove the conditions from HB020-2021, to issue a permit for the demolition of the structure on the property at 11722 Mississauga Road; and

2. That the salvageable timber be relocated to the Siemens property, at the expense of the applicant.

CW171-2023

That the correspondence from Rose-Marie Grycaj, President, Brampton CARP, dated April 17, 2023, to the Committee of Council Meeting of April 26, 2023, re: **Decision to Not Re-establish the Age-Friendly Advisory Committee**, be received.

CW172-2023

That the Committee of Council do now adjourn to meet again on Wednesday, May 10, 2023 at 9:30 a.m. or at the call of the Chair.

10.4.2 Staff Information Report re. Response to Delegation by Solmar/Hampton – Applicant Request to Reduce the Zoning By-law Application Fee for 241 Queen Street East (Solmar/Hampton)

In response to questions from Council, staff provided information on the following:

comparison of applications in Brampton to other municipalities, given the size and complexity of applications submitted to the City, particularly those for lands along transportation corridors

timelines for completion of the comprehensive review of planning fees, including the potential for capping of per unit fees

current processing of the application, and the option for the applicant to pay “under protest” with a view to seeking a reimbursement of some fees should Council approve the capping of per unit fees

potential that the lands subject to this application could be considered for exemptions from development charges

Council considered the request for a reduction in application fees, and discussion took place with respect to a potential referral of this matter back to staff.

The following motion was considered.

C121-2023
Moved by Regional Councillor Palleschi

HB032-2023

That Brampton Heritage Board do now adjourn to meet again on May 16, 2022, at 7:00 p.m.

PDC062-2023

May 15, 2023, Planning and Development Committee Motion – Toronto Gore Estate Residential Area

Whereas on April 6, 2023, Ontario announced the next steps in its plan to build 1.5 million homes by 2031 including the introduction of Bill 97, the *Helping Homebuyers, Protecting Tenants Act, 2023* ("**Bill 97**"), and the release of a draft Provincial Planning Statement to replace the current Provincial Policy Statement and the Growth Plan;

Whereas the City of Brampton's Housing Pledge was approved on March 8, 2023, to support the province's direction for Brampton to accommodate 113,000 residential units by 2031, which accelerates the city's growth targets over the next eight years;

Whereas in addition to the provincial legislative changes, there has been a growing movement across North America to re-examine the planning designations in neighbourhoods to increase opportunities for new residents;

Whereas Brampton's Official Plan designates approximately 600 hectares of land for "Estate Residential" purposes in Toronto Gore that are permitted to be developed for primarily single detached dwellings on lots ranging in area from 1.0 acre to 2.0 acres;

Whereas the Toronto Gore has access to amenities including schools, public facilities, parks and shopping, which sets Toronto Gore apart from estate residential areas in neighbouring communities, such as Caledon, Vaughan and King Township that are much more rural in character; and

Whereas there may be opportunities to add small-scale residential intensification (e.g. lot severances and new housing types) while maintaining the community attributes of the Toronto Gore estate residential area.

Therefore, Be It Resolved That Council direct staff to review and report back on the following:

1. To undertake a Toronto Gore Estate Residential Area Infill and Intensification Study to determine the feasibility of permitting and accommodating small scale residential infill and intensification (including servicing capacity).

2. To provide recommendations on the policy framework, regulations and tools that would be required to ensure the development of compatible lot sizes and housing forms in the established estate residential area.

3. To undertake a comprehensive community engagement program with residents, public agencies and the development industry.

PDC063-2023

That the Planning and Development Committee do now adjourn to meet again for a Regular Meeting on Monday, June 5, 2023, at 7:00 p.m. or at the call of the Chair.

13. Unfinished Business

13.1 Discussion Item at the Request of Mayor Brown re. Banning of Caste Classifications

Note: Council agreed to vary the order of business and dealt with this matter after Closed Session.

The following motion was introduced and considered.

C128-2023
Moved by Regional Councillor Toor
Seconded by Mayor Patrick Brown

WHEREAS, Caste-based oppression is experienced by various faith communities in South Asia, the Caribbean and parts of Africa and East Asia;

WHEREAS there are documented cases of caste-based discrimination in the diaspora in Canada;

WHEREAS, Caste may be identified by but not limited to an individual's last name, family occupation, diet and area of origin, and self-identification can be unsafe when caste-based discrimination is not recognized;

WHEREAS, the Ontario Human Rights Commission examines the roots of discrimination, develops policy for preventing different forms of discrimination and works to raise awareness of human rights issues; the Ontario Human Rights

Commission has the staff capacity, expertise and legal obligation to assess and provide framework for caste oppression in a public education context

Therefore, be it resolved:

That the City of Brampton Diversity and Equity Office work with the Ontario Human Rights Commission, to request that they assess and provide a framework for addressing caste oppression in a municipal governance and service context; and That the resulting framework be adopted as part of the Diversity and Equity Office's report on all anti-discrimination based policies in the City of Brampton.

13.2 Motion re. Dedicated Feeding Spaces

Note: Council agreed to vary the order of business and dealt with this matter after Closed Session.

A revised motion was introduced, displayed and considered as follows.

C129-2023
Moved by Regional Councillor Toor
Seconded by Regional Councillors Brar and Santos

Whereas the Canadian Charter of Rights and Freedoms protects breastfeeding women from discrimination based on sex and guarantees "gender equality" under the law and the City of Brampton is a breastfeeding friendly organization and welcomes all mothers who breastfeed their baby;

Whereas you can nurse a baby out in public wherever you and your baby are allowed to be but a mother may prefer or require a quiet or private space to breastfeed;

Whereas any caregiver may require or prefer a quiet or private space to nurse or feed the baby they are caring for;

Whereas, while the City of Brampton provides accommodations for parents looking to nurse or bottle feed in a private space, it does not have dedicated, breastfeeding or bottle feeding spaces for families;

Therefore be it resolved:

That staff be directed to report back at a future Committee or Council meeting on options for possible implementation within all City-owned facilities to allow mothers to breastfeed or caregivers to bottle feed in a quiet and private space

should they prefer to do so, while being mindful of policy which protects mothers who are free to breastfeed in public spaces as they choose.

1. That the report from Sean Cressman, Manager, Building Design and Construction, Public Works and Engineering, to the Committee of Council

Meeting of May 24, 2023, re: **Request to Begin Procurement – Hiring of Architectural Consultants for Various Projects**, be received; and

2. That the Purchasing Agent be authorized to commence the procurement for professional architectural consulting services for various projects on an as and when required basis for a three-year period.

CW214-2023

That the report from Shane Loftus, Manager, Transportation Right of Way and Safety, Road Maintenance, Operations and Fleet, Public Works and Engineering, to the Committee of Council Meeting of May 24, 2023, re: **Timing of Traffic Signals and Pedestrian Crossings at Intersections (RM 43/2022)**, be received; and

Whereas historically, traffic signals are designed to assign right of way to vehicle and pedestrian movements at an intersection with the objective to balance demand, minimize delay and provide the necessary information for all users to safely navigate through the intersections; and

Whereas the City of Brampton prioritizes pedestrian safety in support of Vision Zero and active transportation; and

Whereas pedestrian crossing times are the basic building blocks of intersection signal timings and determine the rest of the traffic signal phasing; and

Whereas most intersections require pedestrians to use the “push button” to activate the pedestrian walk signal; and

Whereas at traffic signals that change without the corresponding walk signal, pedestrians will oftentimes risk their own safety to save time and cross anyways; and

Whereas the requirement of a pedestrian to push a “push button” shows that intersections are prioritizing vehicular traffic over pedestrian traffic;

Therefore Be It Resolved:

That staff report back on the implementation, including any associated costs, of having all intersections automatically display the walk signal between 6:00 am – 11:59 pm including the possibility of a phased in approach beginning in pedestrian heavy areas.

15. Notices of Motion

15.1 Notice of Motion – Shade Shelters for City Parks to Support the 2023 Cricket Season

Whereas shade structures or shelters within City parks and open spaces provide amenities to contribute to the overall enjoyment by park patrons and provide a number of benefits including rest in a sheltered environment, relief from summer heat, air ventilation and sometimes convenient seating for residents and park patrons; and,

Whereas shade structures/shelters are required for the following City parks to support the 2023 cricket season:

Teramoto Park,

Andrew Mccandless Park,

Emancipation Park, and

Batsman Park;

Therefore be it resolved that:

That the Commissioner, Community Services, be directed to construct four (4) appropriate shade structures/shelters within the following City parks for the 2023 cricket season:

Teramoto Park,

Andrew Mccandless Park,

Emancipation Park, and

Batsman Park; and

That the Treasurer, in consultation with the Commissioner, Community Services, be directed to identify an appropriate funding source for the construction of the four (4) identified shade structures/shelters.

The following items marked with a caret (^) were considered to be routine and non-controversial by Council and were approved as part of the Consent Motion below: **10.4.1, 10.4.2, 12.1, 12.2, 12.3, 12.4, 14.1, 14.2, 15.1, 19.1, 19.2, and 19.3**.

C149-2023
Moved by Regional Councillor Kaur Brar
Seconded by Regional Councillor Santos

That Council hereby approves the following items and that the various Officials of the Corporation are hereby authorized and directed to take such action as may be necessary to give effect of the recommendations as contained therein:

10.4.1.

1. That the report from Luciano Totino, Manager, Development Construction, Environment and Development Engineering, Public Works and Engineering, re. **Subdivision Release and Assumption – Registered Plan 43M-1993 – Realty Corp. – North of Wanless Drive and West of Chinguacousy Road – Ward 6** (Planning References: C03W16.004 and 21T-13007B), to the Council Meeting of June 14, 2023, be received;

2. That all works constructed and installed in accordance with the subdivision agreement for Registered Plan 43M-1993 (the "Subdivision") be accepted and assumed;

3. That the Treasurer be authorized to release the securities held by the City; save and except for the amount of $75,000 which shall be held by the City until such time as the Director, Environment & Development Engineering is satisfied that the warranty period in respect of landscape and fencing works has expired; and

4. That By-law 102-2023 be passed to assume the following streets as shown on the Registered Plans 43M-1993 as part of the public highway system;

> Belgium Crescent, Brisdale Drive, Bucksaw Street, Hammerhead Road, Remembrance Road

10.4.2.

1. That the report re. **Amendment to Building Division Appointment By-law 308-2012 to Appoint a Chief Building Official**, to the Council meeting of June 14, 2023, be received; and

2. That By-law 103-2023 be enacted, to amend Building Division Appointment By-law 308-2012, as amended, substantially in a form and based on content set out in Appendix 1 to this report.

10.6.1.

1. That the report from Kevin Minaker, Manager, Traffic Operations and Parking, Road Maintenance, Operations and Fleet to the Council Meeting of June 14, 2023, re: **Pride Crosswalks – Ward 3 and Ward 7**, be received;

2. That Pride crosswalk be installed on the west leg of the intersection of George Street South and Wellington Street West in Ward 3 and on the Chinguacousy Park Trail adjacent to the Brampton Fire/Life Safety Education Centre in Ward 7; and

3. That, beginning in 2024, staff implement annual public displays of Pride, which may include but are not limited to crosswalks and murals in the month of June as visible demonstrations of Pride in the City, and in support of the City's 2SLGBTQ+ communities.

12.1.

1. That the **Minutes of the Planning and Development Committee Meeting of June 5, 2023**, to the Council Meeting of June 14, 2023, be received; and,

2. That Recommendations PDC064-2023 to PDC074-2023 be approved as outlined in the subject minutes.

12.2.

1. That the **Minutes of the Committee of Council Meeting of June 7, 2023**, to the Council Meeting of June 14, 2023, be received; and,

2. That Recommendations CW218-2023 to CW232-2023 be approved as outlined in the subject minutes.

12.3.

1. That the **Minutes of the Citizen Appointments Committee Meeting of June 8, 2023**, to the Council Meeting of June 14, 2023, be received; and,

2. That Recommendations CAC021-2023 to CAC023-2023 be approved as outlined in the subject minutes.

12.4.

1. That the **Minutes of the Audit Committee Meeting of June 12, 2023**, to the Council Meeting of June 14, 2023, be received; and,

2. That Recommendations AU017-2023 to AU027-2023 be approved as outlined in the subject minutes.

14.1.

That the correspondence from Nando Iannicca, Regional Chair and CEO, Region of Peel, dated May 25, 2023, to the Honourable Steve Clark, Minister of Municipal Affairs and Housing, re. **Region of Peel Resolution Number 2023-393 – Motion Regarding Servicing Capacity Allocation Process and Related Sunset Clause**, to the Council Meeting of June 14, 2023, be received.

14.2.

That the correspondence from Praim Persaud, President, Brampton-Etobicoke & District Cricket League, dated June 12, 2023, re. **Item 13.1 – Notice of Motion – Shade Shelters for City Parks to Support the 2023 Cricket Season**, to the Council Meeting of June 14, 2023, be received.

15.1.

Whereas, the intersection of Yellow Avens & Countryside already has infrastructure included at this location for future traffic light implementation;

Whereas, the inclusion of the current infrastructure will save the City of Brampton time and money when implementing traffic lights at this location;

Whereas, there is a planned subdivision North of this intersection which will subsequently result in increased traffic at an already busy intersection;

Whereas, we have had many residents from neighbouring subdivisions express immense concern in relation to the lack of traffic control and safety at this particular location;

Therefore be it resolved that, Traffic Services staff be directed to initiate the process to implement traffic lights at the intersection of Yellow Avens Boulevard and Countryside Drive.

19.1, 19.2, and 19.3

That the following Closed Session minutes be acknowledged and the directions outlined within be confirmed:

19.1. Closed Session Minutes – City Council – May 31, 2023

19.2. Closed Session Minutes – Committee of Council – June 7, 2023

19.3. Closed Session Minutes – Citizen Appointments Committee – June 8, 2023

6.2 Announcement - Visiting Delegation from Mayor Karamjit Singh Rintu, of Amritsar, India

Mayor Brown announced the visiting delegation from Mayor Karamjit Singh Rintu, of Amritsar, India; and, Deputy Mayor Singh welcomed Mayor Rintu to the City of Brampton.

7. Public Delegations and Staff Presentations (5 minutes maximum)

7.1 Delegations re. Item 10.4.3 – Staff Report re. Information Report – Ministerial Zoning Order Request – 545 Steeles Avenue West:

Sylvia Roberts, Brampton resident, outlined her comments and suggestions regarding the subject Minister's Zoning Order (MZO) request.

David Charezenko, Senior Associate, Bousfields Inc., on behalf of Kingknoll Developments, provided an overview of the MZO request, meetings with Sheridan College and area nursing homes, and community engagement activities.

Item 10.4.1 was brought forward and dealt with at this time.

A motion, moved by Regional Councillor Keenan and seconded by Regional Councillor Medeiros, was introduced, with the operative clauses as follows.

NOW THEREFORE BE IT RESOLVED:

1. THAT Council supports the request for an MZO and asks that the Minister of Municipal Affairs and Housing consider this request.

2. THAT the Commissioner, Planning, Building and Growth Management be directed to prepare a request to the Minister of Municipal Affairs and Housing to enact a Minister's Zoning Order for the subject lands.

3. THAT The owner satisfy all City requirements regarding the submission of supporting studies, and other matters, in association with the applicable sections of the Planning Act relating to Site Plan Approval and/or the Development Permit Application processes, as may be applicable; and

4. That the report from Simran Sandhu, Advisor, Special Projects, Planning, Building and Growth Management, re: Information Report – Ministerial Zoning Order Request – 545 Steeles Avenue West, to the Council meeting of June 14, 2023 be received; and

1. Sylvia Roberts, Brampton resident; and,

2. David Charezenko, Senior Associate, Bousfields Inc., on behalf of Kingknoll Developments.

Councillor Keenan outlined the purpose of the motion.

Staff responded to questions of Council regarding the framework for Council's consideration of MZOs generally, and this MZO request in particular.

The motion was considered as follows.

C150-2023
Moved by Regional Councillor Keenan
Seconded by Regional Councillor Medeiros

WHEREAS City Council has received a request to support a Minister's Zoning Order (MZO) to facilitate development at lands municipally known as 545 Steeles Avenue West in the City of Brampton (known as the subject lands) from Bousfields Inc., on behalf of Kingknoll Developments; and

WHEREAS the MZO would allow the timely permission to introduce new mixed-used buildings, parkland and a new private street on the subject lands; and

WHEREAS Bill 197 amended Section 47 of the Planning Act to grant the Minister of Municipal Affairs and Housing more order-making powers under Minister's Zoning Orders (MZOs) to deliver critical projects; and

WHEREAS the MZO request represents an opportunity for redevelopment of the subject lands to contribute to a range of housing units to help meet the City's housing pledge of 113,000 housing units; and

WHEREAS the existing land use and recent activities at this commercial plaza has been the source of a significant number of property complaints to the City since 2020, regarding excessive noise, parking, fireworks, refuse, idling, and COVID-19 related matters, resulting in extensive City enforcement and Peel Regional Police actions; and

WHEREAS the MZO request presents an opportunity for the property owner to address these issues to redevelop the property in a manner aligned with neighbouring land uses; and

WHEREAS the MZO request presents a significant redevelopment opportunity to achieve City planning objectives along the Steeles Avenue corridor and compliment and support the adjacent Sheridan College campus;

NOW THEREFORE BE IT RESOLVED:

1. THAT Council supports the request for an MZO and asks that the Minister of Municipal Affairs and Housing consider this request.

2. THAT the Commissioner, Planning, Building and Growth Management be directed to prepare a request to the Minister of Municipal Affairs and Housing to enact a Minister's Zoning Order for the subject lands.

3. THAT The owner satisfy all City requirements regarding the submission of supporting studies, and other matters, in association with the applicable sections of the Planning Act relating to Site Plan Approval and/or the Development Permit Application processes, as may be applicable; and

4. That the report from Simran Sandhu, Advisor, Special Projects, Planning, Building and Growth Management, re: **Information Report – Ministerial Zoning Order Request – 545 Steeles Avenue West**, to the Council meeting of June 14, 2023 be received; and

5. That the following delegations re. **Item 10.4.3 – Staff Report re. Information Report – Ministerial Zoning Order Request – 545 Steeles Avenue West**, to the Council Meeting of June 14, 2023, be received:

1. Sylvia Roberts, Brampton resident

2. David Charezenko, Senior Associate, Bousfields Inc., on behalf of Kingknoll Developments.

A recorded vote was requested, with the results as follows.

Yea (11): Mayor Patrick Brown, Regional Councillor Santos, Regional Councillor Vicente, Regional Councillor Kaur Brar, Regional Councillor Palleschi, Regional Councillor Keenan, Regional Councillor Medeiros, Regional Councillor Fortini, Regional Councillor Toor, City Councillor Power, and Deputy Mayor Singh

Carried (11 to 0)

7.2 Delegation from the Kabaddi Federation of Ontario, re: State of Kabaddi in Brampton

Council agreed to provide additional time for this delegation.

Harjit Sahota, Kabaddi Federation of Ontario, in attendance with volunteers from seven member clubs, outlined comments, concerns, questions and suggestions with respect to a tournament during the weekend of June 10-11, 2023, and the state of kabaddi in Brampton.

Mr. Sahota responded to questions of clarification from Council.

Council discussion took place on matters raised by the delegation, during which time staff responded to questions.

At this time, on a two-thirds majority vote to reopen the Approval of Agenda resolution, a discussion item (8.3) was added and dealt with at this time.

A motion, moved by Regional Councillor Toor and seconded by Regional Councillor Toor, was introduced, with the operative clauses as follows:

THEREFORE BE IT RESOLVED:

1. That staff be directed to connect and meet regularly with the Kabaddi Federation of Ontario to gain a better understanding of what is required to better support kabaddi sporting events in Brampton;

2. That the City of Brampton include kabaddi within our Parks & Recreation Master Plan, accounting for the growth and demand of this sport in our city;

3. That a home for kabaddi be included and prioritized in the City Lands redevelopment process and other potential future facilities;

4. That kabaddi be added within the Brampton Sports Alliance; and

5. That kabaddi be given priority booking for seven tournament bookings per year, at the City-owned CAA lands; and

6. That the delegation by Harjit Sahota, Kabaddi Federation of Ontario, re. Sate of Kabaddi in Brampton to the Council Meeting of June 14, 2023, be received.

Councillor Toor outlined the purpose of the motion.

The motion was considered as follows.

C151-2023
Moved by Regional Councillor Toor
Seconded by Regional Councillor Santos

WHEREAS kabaddi is the most prominent sport in the Punjabi community

WHEREAS Brampton is considered to be the second home to kabaddi, internationally outside of Punjab

WHEREAS the Kabaddi Federation of Ontario has been organizing kabaddi tournaments in Brampton and surrounding areas for the past 50 years

WHEREAS throughout the summer months, Kabaddi tournaments in Brampton host up to 10,000+ spectators at their events

WHEREAS events organized by the Kabaddi Federation of Ontario significantly contribute to Brampton's local economy and attracts thousands of visitors to Brampton from across the world

WHEREAS the City of Brampton currently does not have adequate facilities and resources to host large-scale kabaddi sporting events

WHEREAS the sport and the attendance to its events has been growing every year as Brampton is the fastest growing city in Canada

THEREFORE BE IT RESOLVED:

1. That staff be directed to connect and meet regularly with the Kabaddi Federation of Ontario to gain a better understanding of what is required to better support kabaddi sporting events in Brampton;

2. That the City of Brampton include kabaddi within our Parks & Recreation Master Plan, accounting for the growth and demand of this sport in our city;

3. That a home for kabaddi be included and prioritized in the City Lands redevelopment process and other potential future facilities;

8.2 Discussion Item at the request of Deputy Mayor Singh, re: Potential Goreway Gas Plant Expansion in the City of Brampton

Deputy Mayor Singh outlined concerns brought forward from a non-profit organization regarding a potential expansion of the Goreway Gas Plant.

A motion, moved by City Councillor Power and seconded by Mayor Brown was introduced, with the operative clauses as follows:

> THEREFORE BE IT RESOLVED:
>
> 1. That staff be directed to report back and provide an update on the potential expansion of the Goreway Generation Station (8600 Goreway Drive, Brampton, ON); and
>
> 2. That the report back from staff specifically highlight how it effects our City approved GHG emission reduction targets and any potential environmental and health impacts as a result of this contract extension

Deputy Mayor Singh outlined the purpose of the motion.

Councillor Power accepted an amendment from Mayor Brown to request that staff also report on how an expansion of the plant may impact the City's targets for reductions in GHG emissions.

The motion was considered as follows.

C153-2023
Moved by City Councillor Power
Seconded by Mayor Patrick Brown

WHEREAS On May 16th, 2023 the Electricity System Operator (IESO) offered contracts to increase the capacity of gas-fired electricity generation at the Goreway gas plant in the amount of 40.4 megawatts, adding an extra 5 per cent of capacity to the facility;

WHEREAS The IESO also extended the contract of the plant from the end date of 2029 to 2035;

WHEREAS On December 23, 2022, the Energy Minister sent a directive to the IESO about new gas projects stating "it is my expectation that the IESO will be clear about the requirement for a resolution from municipal council supporting a proponent or counterparty with a proposed project located in that municipality";

WHEREAS The Green Energy Repeal Act in (2018) gave powers back to municipalities regarding how land use for renewable energy is regulated and approved in Ontario;

THEREFORE BE IT RESOLVED:

1. That staff be directed to report back and provide an update on the potential expansion of the Goreway Generation Station (8600 Goreway Drive, Brampton, ON); and

2. That the report back from staff specifically highlight how it effects our City approved GHG emission reduction targets and any potential environmental and health impacts as a result of this contract extension.

3. to report back on interest in city-owned vacant properties, and review of the terminology of ‘market rent’; and

4. to report on effects of construction impacts on businesses across the city.

CW223-2023

That the delegation from Bill Godfrey, Founder and Organizer, People Against Littering (P.A.L.'s), to the Committee of Council Meeting of June 7, 2023, re: **Item 11.3.2 - Development of a City-wide Litter Clean-up Program**, be received; and

Whereas Brampton is a green city with more than 9,000 acres of parkland and residents can enjoy more than 850 parks, many recreational amenities, open spaces, paths and trails; and

Whereas maintaining these spaces clean of litter requires the efforts of an entire community and the support of its local government, conservation authorities, community groups, schools, neighbourhood associations, small businesses, corporations and more; and

Whereas the City of Brampton has an existing community clean-up initiative which engages groups and individual volunteers; and

Whereas many community groups have organized clean-ups across the city such as BGC Peel, Bramalea SNAP, Fletchers Creek SNAP, County Court SNAP, TRCA, CVCA, Peel Climate Council along with many others; and

Whereas a citizen-led group called People Against Littering (P.A.L.'s), has inspired hundreds of dedicated volunteers to spend time and pick up over three million pieces of litter from its parks and greenspaces across the city; and

Whereas P.A.L.'s and other community groups have received support from small businesses and corporations in their efforts; and

Whereas P.A.L.’s., is led by the leadership of Bill Godfrey who has a dream of making Brampton a litter-free city, and having a litter-free city is an ideal that Brampton should embrace and develop a plan to a scale across the city,

including providing financial and organizational support, to make the dream of a litter-free city become a reality;

Therefore Be It Resolved that staff convene a meeting that brings P.A.L.'s and other community groups and stakeholders such as, but not limited to, the Brampton Environmental Alliance, Peel Community Climate Council, Downtown Brampton BIA, Toronto and Region Conservation Authority (TRCA), Credit Valley Conservation Authority (CVC), Ontario Ministry of Transportation, sports organizations, places of worship, small and large businesses, and potential park sponsors, to review their processes and coordination efforts to identify gaps in maintaining a clean city, and report back to Council in Q4 2023 with input from these groups on how to inspire and leverage the power of these groups and their volunteers in making Brampton Canada's first litter-free city.

13.1 Notice of Motion – Shade Shelters for City Parks to Support the 2023 Cricket Season

See Item 4.1 – Minutes – City Council – Regular Meeting – May 31, 2023 and Item 14.2

Regional Councillor Santos outlined measures taken subsequent to Council consideration of this matter on May 31, 2023, and acknowledged the efforts of staff and the cricket community toward enhancements for the 2023 season.

Council Santos provided a revised motion for Council's consideration, and Mayor Brown, as seconder of the motion outlined efforts to address challenges faced by the cricket community.

The revised motion was considered as follows.

C155-2023
Moved by Mayor Patrick Brown
Seconded by Regional Councillor Santos

Whereas Cricket has emerged as Canada's Fastest Growing Sport and has surfaced as Canada's highest-viewed sport;

Whereas the City of Brampton is a growing hub for Cricket users, partnerships, facilities and events;

Whereas Brampton is home-base to two important non-profit leagues: BCL - Brampton Cricket League (15 years) and BEDCL - Brampton Etobicoke District Cricket League (35 years) and other emerging leagues serving Brampton's residents, training players, and organizing a groundswell of support and attention for Cricket, attracting major tournaments to Brampton;

Whereas the City of Brampton has invested over $2,000,000 in cricket enhancement over the last (3) three years and continues to invest with approximately $7,000,000 allocated for future projects to support Brampton's vision of being the Cricket Capital of Canada, to include but not limited to:

- Proud host of the 2023 GT20 Canada tournament with six teams represented nationwide
- Kwality Sweets Cricket Pitch at Andrew McCandless Park – cricket lighting upgrades, improved seating, natural turf wickets, scoreboard and more;

Brampton Sports Park (CAA Centre) – redeveloped cricket field with improved grading, spectator access and natural turf pitches at international standards;

Batsman Park – natural turf pitches and improved screens;

Creditview Sandalwood Community Park – installation of a general purpose shade shelter to support all multi-use including cricket;

Creditview Sandalwood Community Park – development of a fully lit cricket pitch anticipated for 2024;

Earnscliffe Park – pitch replacement scheduled for 2023 to support the emerging format of Cricket;

Emancipation Park – installation of a cricket field, added screens, and enhancements to support the availability of additional facility for the competitive grass-roots cricket leagues, with repairs to existing batting cage, pilot washroom installation and general purpose shade structure for 2023;

Flower City Community Campus – expanded field of play, turf field upgrades, field layout adjustment and irrigation;

Gore Meadows Community Park – development of one (1) premier cricket field and two (2) community cricket fields anticipated for 2025;

- Save Max Sports Centre – pitch replacement and shade shelter installation for 2023;
- Great Gulf Cricket Pitch at Teramoto Park – cricket lighting improvements with multiple natural pitches;
- Torbram Sandalwood Community Park – newly replaced screens;
- Joint partnership with Peel District School Board to build a full-sized lit cricket field at Turner Fenton Secondary School anticipated for 2024;

Whereas given the rapid growth and competition for use of cricket amenities, teams and members particularly from Brampton's non-profit leagues are being turned away;

Whereas the cricket community has requested shade shelter sails or shade structures costing $45,000 and $125,000 per unit respectively, on existing fields (players home and away pavillions) to provide coverage from the elements and serve as an amenity to support an improved, uninterrupted quality of the game and include power access in order to promote/live stream games to the cricket community;

Whereas cricket batting cages are an important amenity which are used by batsmen and bowlers to practice their cricketing techniques, but Brampton only has 1 location of batting cages available;

Therefore be it resolved that:

1. Staff be directed to install through the Limited Tendering process, the following cricket enhancements this year:

a) Two (2) shade structures to include power access, at Andrew McCandless Park in the amount of up to $250,000 already funded through existing approved capital projects within the Parks

Maintenance & Forestry Division in collaboration with the Purchasing Division,

b) Cricket batting cage (4 lanes) be installed at Andrew McCandless Park in the amount of up to $325,000 and paid for through the Local Councillors' Park Enhancement Budget in Ward 5, **in collaboration with the Purchasing** Division,

(c) Cricket batting cage (4 lanes) be installed at Save Max Sports Centre, already funded through existing approved capital projects within the Parks Maintenance & Forestry Division in collaboration with the Purchasing Division,

2. Staff develop an appropriate lane allocation management system for cricket batting cages as part of the City's update to its allocation policy,

3. Options for two (2) to four (4) shade shelter sails or shade structures (players Home & Away pavilions) at Batsman Park, be explored with other user groups for implementation with consideration to the park's multi-use field and a budget submission to be made in 2024,

4. Options for two (2) shade shelter sails or shade structures (players Home & Away pavilions) per Cricket Facility at Teramoto & Emancipation Parks with power where possible, be explored and included in a budget submission in 2024,

5. As part of the ongoing update to the Parks and Recreation Master Plan, staff continue regular engagement with cricket organizations in Brampton and bring to Council, suggestions on how to appropriately support the growth in cricket.

13.2 Staff Report re: Budget Amendment and Request to Begin Procurement – Energy Retrofit of Earnscliffe Recreation Centre – Ward 7

Note: Council agreed to vary the order of business, and dealt with this item after Closed Session.

Council consideration included:

- proposed referral of the report back to staff for additional information on impacts on the 2023 hockey season as a result of a potential closure of four recreation centres at the same time (Earnscliffe Recreation Centre,

Chris Gibson Recreation Centre, Susan Fennell Sportsplex and Memorial Arena)

- potential impact on funding should the design work for Earnscliffe be delayed
- possibility of proceeding with construction at Jim Archdekin Recreation Centre in advance of Earnscliffe

The following motion, moved by Regional Councillor Palleschi and seconded by Mayor Brown, was introduced:

> 1. That the report and supplementary information from Mitsa Montaser, Manager, Building Design and Construction, Public Works and Engineering, to the Council Meeting of June 14, 2023, re: Budget Amendment and Request to Begin Procurement – Energy Retrofit of Earnscliffe Recreation Centre – Ward 7, be received; and
>
> 2. That staff be requested to consider alternative options among the system of facilities, and report back to Council with a potential plan of how closures could be timed to avoid concurrent unavailability.

During Council's consideration of this matter, staff responded to questions regarding potential impacts on funding, should the project be delayed, and proposed timelines for a report back.

The motion was considered as follows.

C156-2023

CW238-2023

That the delegation from Greer Campbell, Pam Mcintyre, Emily McIntosh, Members at Large, Women of Ontario Say No, to the Committee of Council Meeting of June 21, 2023, re: **Stopping Harassment and Abuse by Local Leaders**, be received.

CW239-2023

Whereas, all Ontarians deserve and expect a safe and respectful workplace;

Whereas, municipal governments, as the democratic institutions most directly engaged with Ontarians need respectful discourse;

Whereas, several incidents in recent years of disrespectful behaviour and workplace harassment have occurred amongst members of municipal councils;

Whereas, these incidents seriously and negatively affect the people involved and lower public perceptions of local governments;

Whereas, municipal Codes of Conduct are helpful tools to set expectations of council member behaviour;

Whereas, municipal governments do not have the necessary tools to adequately enforce compliance with municipal Codes of Conduct;

Now, therefore be it resolved that the City of Brampton supports the call of the Association of Municipalities of Ontario for the Government of Ontario to introduce legislation to strengthen municipal Codes of Conduct and compliance with them in consultation with municipal governments;

Also be it resolved that the legislation encompass the Association of Municipalities of Ontario's recommendations for:

- Updating municipal Codes of Conduct to account for workplace safety and harassment
- Creating a flexible administrative penalty regime, adapted to the local economic and financial circumstances of municipalities across Ontario
- Increasing training of municipal Integrity Commissioners to enhance consistency of investigations and recommendations across the province
- Allowing municipalities to apply to a member of the judiciary to remove a sitting member if recommended through the report of a municipal Integrity Commissioner
- Prohibit a member so removed from sitting for election in the term of removal and the subsequent term of office.

And that this resolution be provided to the Brampton local MPPs, the Premier of Ontario, Minister of Municipal Affairs and Housing, Association of Municipalities of Ontario, the Associate Minister of Womens' Social and Economic Opportunity.

WHEREAS gender-based violence is defined as violence or abuse perpetrated against a woman, girl or gender-diverse individual because of their gender, gender expression, gender identity or perceived gender; and

WHEREAS according to official 2023 UN Women statistics, globally, an estimated one in three women have been subjected to physical and/or sexual intimate partner violence, non-partner sexual violence, or both at least once in their life (30 per cent of women aged 15 and older); and

WHEREAS, globally, according to the same report, there is a woman or girl being killed every 11 minutes in their home; and

WHEREAS femicide is a result of gender-based violence and 22 countries specifically reference it in their criminal legislation; and

WHEREAS Canada does not currently include the term femicide in their criminal legislation; and

WHEREAS the Canadian Femicide Observatory for Justice and Accountability (CFOJA) found that in Canada between 2018 and 2022 one woman was killed every 48 hours; and

WHEREAS in the same report not all femicide cases have an identified accuser, the majority of identified accusers have been male suspects; and

WHEREAS the injustice of a flawed system in Canada has allowed a serial killer who has been convicted of multiple femicides, Paul Bernardo, to be moved from a maximum-security facility to a medium-security corrections facility, despite the outrage and disdain of victims' families, elected representatives across the country and the public at large; and

WHEREAS 75% of women reported abuse and conflict with a partner, spouse, or parent as their top reason for their housing loss; and

WHEREAS the federal government has allocated 25% of the federal housing budget to housing for vulnerable women; and

WHEREAS the Province of Ontario saw an increase in gender-based violence and intimate partner violence during the Covid-19 pandemic; and

WHEREAS according to the Annual Femicide List published by the Ontario Association of Interval and Transition Houses, the number of femicides from 2019 to 2022 has increased by approximately 30%: and

WHEREAS in 2022 the Ontario government committed to investing $5.9 million over two years through the Victim Support Grant (VSG) program to enhance capacity to support survivors of intimate partner violence and human trafficking; and

WHEREAS at the September 2019 Brampton City Council unanimously passed the motion for the City of Brampton to continue to support and work with existing programs at the Region of Peel, who are providing services to those affected by domestic violence, including the Peel Committee Against Woman Abuse, the Safe Centre of Peel, Embrave: Agency to End Violence, and Victim Services of Peel; and to support public awareness and advocacy work regarding domestic violence and violence against women such as Step Up for Her and Take Back the Night; and

WHEREAS the City of Brampton on Wednesday, January 29, 2020 (pg.5-6) unanimously passed the motion to work with the Region of Peel, Peel Regional Police, and community organizations to develop and strategize a public education and awareness campaign to tackle the issue of Domestic Violence in Brampton and Peel Region; and

WHEREAS on Feb 13, 2020, the Region of Peel Council unanimously supported a motion to work with the City of Brampton, City of Mississauga, Town of Caledon, Peel Regional Police and community organizations to develop and strategize a public education and awareness campaign to tackle the issue of Domestic Violence across the Region; and

WHEREAS the "It's not ok" and "Break the Silence" public awareness campaigns launched as of November 2020, annually for the past 3 years during the 16 days of action to end violence against women; and

WHEREAS the demand for support services increases as awareness increases; and

WHEREAS according to the Peel Regional 2021-2022 Snapshot published by the Peel Committee Against Women Abuse, Embrave: Agency to End Violence have seen a 27 percent increase in survivors accessing shelter programs between 2021 to 2022 in Peel Region; and

WHEREAS Peel Regional Police reported that they responded to more that 17,000 incidents of family and intimate partner violence in 2021 which equates to two disputes every hour; and

WHEREAS all statistics are only scratching the surface and do not include unreported cases; and

WHEREAS a Brampton resident, Davinder Kaur, a 43-year-old woman, was killed by her estranged husband at Sparrow Park in Brampton on May 19th, 2023;

WHEREAS in response to the case involving Davinder Kaur and other cases of femicide in the Region of Peel, various community-based organizations are raising awareness and advocating to all levels of government for immediate action and support; and

WHEREAS 24 municipalities and regions (Ajax, Burlington, Carleton Place, City of Ottawa, Conmee Township, Durham Region, Halton Region, Kincardine, Lanark County, Mattice-Val Cote, Municipality of Mississippi Mills, North Algoma Wilberforce, Prince Edward County, Renfrew County, Town of Hawkesbury, Town of Laurentian Hills, Town of Perth, Town of Rainy River, Town of Renfrew,

Town of Smith Falls, Township of Armour, Township of Enniskillen, Whitby and Woodstock) across Ontario have declared a gender-based violence and/or intimate partner violence epidemic;

THEREFORE BE IT RESOLVED THAT THE CITY OF BRAMPTON:

1. Declare a gender-based violence and intimate-partner violence an epidemic in Brampton; and

2. Request that the Region of Peel's upcoming awareness campaign regarding gender-based and intimate partner violence include this declaration; and

3. Forward a copy of this Resolution to the Region of Peel Council with a request the Region of Peel declare a gender-based and intimate partner violence epidemic across the Region; and

4. Take a stand and advocate with the 24 municipalities and regions that have declared gender-based violence and/or intimate partner violence an epidemic to push the Province of Ontario to officially recognize it as such; and

5. Send a communication to Brampton MPs, and all other Brampton MPPs, signed by Mayor Brown on behalf of Council, requesting that they join their municipal counterparts in solidarity, asking for an epidemic of gender-based violence and intimate-partner violence to be declared at the Provincial and Federal levels; and

PDC088-2023

That the Planning and Development Committee Special Meeting do now adjourn to meet again for a Regular Meeting on Monday, July 31, 2023, at 7:00 p.m. or at the call of the Chair.

12.3 Minutes – Planning and Development Committee – July 31, 2023

Council discussion took place on the following:

Recommendation PDC098-2023 as it relates to Brampton Heritage Board Recommendation HB042-2023:

A motion, moved by Regional Councillor Santos and seconded by Regional Councillor Vicente, was introduced to strike out Recommendation HB042-2023 and replace it with a new recommendation, with the operative clauses of the new recommendation as follows:

> Therefore Be It Resolved That Recommendation PDC098-2023 be amended, to extract and delete Recommendation HB042-2023 and replace it with the following:
>
> 1. That the report from Charlton Carscallen, Principal Planner/Supervisor, dated May 23, 2023, to the Brampton Heritage Board meeting of June 20, 2023, re: Council Motion to De-Designate 164 and 166 Main Street North – Ward 1, be received; and
>
> 2. That staff be directed to issue the notice of intention to repeal by-laws 198-2017 and 199-2017 as per Section 31(3) of the Ontario Heritage Act;
>
> 3. That, if no notice of objection to the repeal of the by-laws is received within the prescribed 30 day time period, staff be directed to bring forward a repealing by-law and issue notice as per Section 31(8) of the Ontario Heritage Act;
>
> 4. That, if no notice of appeal of the repealing by-laws is received within the prescribed 30 day time period, staff be directed to register the repealing by-law on the properties, issue notice, and update the City's Register of Cultural Heritage Resources to remove the reference to 164 and 166 Main Street North as per Section 31(10) of the Ontario Heritage Act;
>
> 5. That, prior to the issuance of any demolition permits for the property, a Documentation and Salvage Report be required to be submitted and approved to the satisfaction of City Heritage Staff.

The motion was voted on and carried as outlined in Resolution C197-2023 below.

Recommendation PDC096-2023, specifically Clause 5 as follows:

> "5. That prior to the zoning by-law amendment coming forward for enactment, staff be requested to work with the Region of Peel and the Applicant to confirm that the truck access be restricted from The Gore Road and shifted to Highway 50;"

Staff responded to questions from Council regarding discussions with the applicant and the Region of Peel.

A motion, moved by Regional Councillor Fortini and seconded by Regional Councillor Palleschi, was introduced to hold the Zoning By-law.

A recorded vote was requested on the amendment, with the results as follows:

Yea (8): Regional Councillor Toor, Regional Councillor Keenan, Mayor Brown, City Councillor Power, Regional Councillor Palleschi, Regional Councillor Brar, Regional Councillor Vicente, and Regional Councillor Santos

Nay (2): Regional Councillor Fortini, Regional Councillor Medeiros

Absent (1): Deputy Mayor Singh

The motion lost 2 to 8, with one absent.

The following motion to receive the subject minutes and approve the recommendations, as amended, was considered.

C197-2023
Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Santos

1. That the **Minutes of the Regular Planning and Development Committee Meeting of July 31, 2023,** to the Council Meeting of August 9, 2023, be received; and,

2. That Recommendation PDC098-2023, as it relates to BHB Recommendation HB042-2023, be amended to strike out and replace HB042-2023 as follows:

> **HB042-2023**
>
> **WHEREAS** 164-166 Main Street North are designated heritage properties under Designation By-laws 198-2017 and 199-2017, and are therefore on Brampton's Municipal Register of Cultural Heritage Resources which serves to protect the heritage and character of Brampton;

AND WHEREAS Downtown Brampton is the focus of significant infrastructure and private sector investment to support growth and intensification consistent with the 2040 Vision;

AND WHEREAS due to significant long-term neglect, the subject buildings are derelict and in significant disrepair, and have become unsafe;

AND WHEREAS the subject property is located on the City's Main Street and gateway into the Downtown that is designated in the draft Brampton Plan as a Secondary Urban Boulevard that is approximately 200 metres from the Metrolinx GO-Line and future Transit Hub including the future Hurontario Light Rail Transit line; and

AND WHEREAS the existence of these properties in their current state has been raised as a concern by area residents, in that they detract from the character and attractiveness of the Downtown and deter reinvestment and revitalization potential;

AND WHEREAS Downtown Brampton is identified as a specific action item in the 2040 Vision, to "realize the full potential of Brampton's historic Downtown as an advance education, arts, and life sciences hub", and a vibrant centre with quality jobs, a rich range of activities, and integrated living;

AND WHEREAS the subject property is located on the City's Main Street and gateway into the Downtown that is designated in the draft Brampton Plan as a Secondary Urban Boulevard that is approximately 200 metres from the Metrolinx GO-Line and future Transit Hub including the future Hurontario Light Rail Transit line;

AND WHEREAS Council is required to consult with its Municipal Heritage Committee prior to repealing a designation by-law, Council requested such consultation through Resolution C104-2023 (Recommendation CW169-2023) in May 2023;

AND WHEREAS the matter of repealing the designation by-law for the properties was heard by the Brampton Heritage Board on June 20th, 2023;

Therefore Be It Resolved That Recommendation PDC098-2023 be amended, to extract and delete Recommendation HB042-2023 and replace it with the following:

1. That the report from Charlton Carscallen, Principal Planner/Supervisor, dated May 23, 2023, to the Brampton Heritage

Board meeting of June 20, 2023, re: Council Motion to De-Designate 164 and 166 Main Street North – Ward 1, be received; and

2. That staff be directed to issue the notice of intention to repeal by-laws 198-2017 and 199-2017 as per Section 31(3) of the Ontario Heritage Act;

3. That, if no notice of objection to the repeal of the by-laws is received within the prescribed 30 day time period, staff be directed to bring forward a repealing by-law and issue notice as per Section 31(8) of the Ontario Heritage Act;

4. That, if no notice of appeal of the repealing by-laws is received within the prescribed 30 day time period, staff be directed to register the repealing by-law on the properties, issue notice, and update the City's Register of Cultural Heritage Resources to remove the reference to 164 and 166 Main Street North as per Section 31(10) of the Ontario Heritage Act;

5. That, prior to the issuance of any demolition permits for the property, a Documentation and Salvage Report be required to be submitted and approved to the satisfaction of City Heritage Staff.

3. That Recommendations PDC089-2023 to PDC097-2023 and PDC099-2023 be approved as outlined in the subject minutes.

2. That the recommendation within the Heritage Impact Assessment prepared by Parslow Heritage Consultancy Inc. (PHC), dated November 2022, for removing the property from the heritage register, be approved.

HB037-2023

1. That the report from Shelby Swinfield, Heritage Planner, dated April 6, 2023, to the Brampton Heritage Board meeting of June 20, 2023, re: **Heritage Impact Assessment - 0 & 256 Main Street North - Ward 1** be received;

2. That the Heritage Impact Assessment for 0 and 256 Main Street North, prepared by LHC Heritage Planning and Archaeology, dated February 2023 be approved; and

3. That the following recommendations within the Heritage Impact Assessment by LHC Heritage Planning and Archaeology be followed:

a. A Temporary Protection Plan be prepared to mitigate potential indirect and accidental impacts to the adjacent resource due to construction;

b. A plaque be considered to commemorate the mercantile history of Brampton; and

c. Comparative analysis of the proposed design elements indicates that it is sympathetic to the character of the surrounding area. LHC recommends that a more vernacular set of materials and designs be utilized. This can include the following:

i. The use of rusticated buff brick instead of stone or stucco on the first storey;

ii. The use of dichromatic brick ends mimicking quoins and/or the use of buff brick in the engaged pilasters; and

iii. The addition of decorative brick coursework which would provide visual interest apart from the symmetry of the building.

HB038-2023

1. That the report from Shelby Swinfield, Heritage Planner, dated March 14, 2023, to the Brampton Heritage Board meeting of June 20, 2023, re: **Heritage Impact Assessment, 4784 Castlemore Road, Ward 10** be received;

2. That the Heritage Impact Assessment for 4784 Castlemore Road, prepared by Golder/WSP Canada Inc, dated March 1, 2023 (per Appendix 1) be approved;

3. That all recommendations within the Heritage Impact Assessment by Golder/WSP Canada Inc. dated March 1, 2023 be followed, including but not limited to:

a. The applicant shall compile a Heritage Building Protection Plan (HBPP) to stabilize and conserve the farmhouse in its current location until the proposed development is initiated. Include measures in the HBPP to mothball the structure until the conservation effort can begin.

i. The HBPP should be prepared by a qualified individual in accordance with the *Standards and Guidelines for the Conservation of Historic Places in Canada*, 2nd Edition (Parks Canada 2010); the *Code of Ethics and Guidelines for Practices* by the Canadian Association of Conservation of Cultural Property and the Canadian Association of Professional Conservators (2009); the MHSTCI's *Eight Guiding Principles in the Conservation of Built Heritage Properties* (2007); *Preservation Briefs 31: Mothballing Historic Buildings* (Park, 1993), and *Well-Preserved: The Ontario Heritage Foundation's Manual of Principles and Practice for Architectural Conservation* (Fram 1998).

ii. The HBPP should also include a plan for potential physical impacts such as accidental damage from machinery, a plan for appropriate repairs should damage occur to the building, and communication protocols that identify who should be informed about the heritage attributes and who should be contacted if there is accidental damage.

b. The applicant shall establish a regular inspection and monitoring protocol until the proposed development is initiated;

c. The applicant shall prepare a Heritage Conservation Plan (HCP) detailing how the heritage attributes of the farmhouse will be conserved, protected, and enhanced, and the preferred conservation approach (i.e., rehabilitation for adaptive reuse), that balances the objectives of heritage conservation with economic and social sustainability.

i. The HCP should also include required actions and trades depending on approach, and an implementation schedule to conserve the farmhouse prior to, during, and after the relocation effort.

d. The applicant shall document the farmhouse through measured drawings, rectified photography, and written notes prior to undertaking any intervention beyond minor stabilization or maintenance;

e. In accordance with the MCM's Heritage Resources in Land Use Planning Process design guidelines that harmonize massing, setback, setting and materials as a mitigation measure to reduce impacts to cultural heritage resources, the design of the dwellings immediately surrounding

the farmhouse shall be sensitively designed to reflect a similar massing, height, and materials.

i. This includes efforts to limit the height of the mid-rise building to the south of the farmhouse, ideally to not exceed two-storeys, to reduce or avoid impacts from shadows cast on to the farmhouse.

f. The applicant shall incorporate landscaping measures into the site planning to ensure vegetation related to the property is protected and/ or enhanced by the development or redevelopment.

i. Efforts should be made to maintain the vegetation on the overall property as much as possible.

g. During the construction phase of development the applicant shall:

i. Implement site control and communication;

ii. Clearly mark on project mapping the location of the farmhouse and communicate this to project personnel prior to mobilization;

1. Where possible prevent heavy equipment traffic from being routed in the vicinity of the farmhouse to minimize potential effects from vibration.

iii. Create physical buffers:

1. Erect temporary fencing or physical barriers around the farmhouse to prevent accidental collision with the structure.

iv. Manage fugitive dust emissions:

1. Draft a fugitive dust emissions plan following practices outlined in the Ontario Standards Development Branch Technical Bulletin: Management Approaches for Industrial Fugitive Dust Sources (2017).

v. Monitor construction within a 10-m zone around the farmhouse for vibration exceedance. This monitoring zone should be communicated to all site personnel.

HB042-2023

WHEREAS 164-166 Main Street North are designated heritage properties under Designation By-laws 198-2017 and 199-2017, and are therefore on Brampton's Municipal Register of Cultural Heritage Resources which serves to protect the heritage and character of Brampton;

AND WHEREAS Downtown Brampton is the focus of significant infrastructure and private sector investment to support growth and intensification consistent with the 2040 Vision;

AND WHEREAS due to significant long-term neglect, the subject buildings are derelict and in significant disrepair, and have become unsafe;

AND WHEREAS the subject property is located on the City's Main Street and gateway into the Downtown that is designated in the draft Brampton Plan as a Secondary Urban Boulevard that is approximately 200 metres from the Metrolinx GO-Line and future Transit Hub including the future Hurontario Light Rail Transit line; and

AND WHEREAS the existence of these properties in their current state has been raised as a concern by area residents, in that they detract from the character and attractiveness of the Downtown and deter reinvestment and revitalization potential;

AND WHEREAS Downtown Brampton is identified as a specific action item in the 2040 Vision, to "realize the full potential of Brampton's historic Downtown as an advance education, arts, and life sciences hub", and a vibrant centre with quality jobs, a rich range of activities, and integrated living;

AND WHEREAS the subject property is located on the City's Main Street and gateway into the Downtown that is designated in the draft Brampton Plan as a Secondary Urban Boulevard that is approximately 200 metres from the Metrolinx GO-Line and future Transit Hub including the future Hurontario Light Rail Transit line;

AND WHEREAS Council is required to consult with its Municipal Heritage Committee prior to repealing a designation by-law, Council requested such consultation through Resolution C104-2023 (Recommendation CW169-2023) in May 2023;

AND WHEREAS the matter of repealing the designation by-law for the properties was heard by the Brampton Heritage Board on June 20th, 2023;

Therefore Be It Resolved That Recommendation PDC098-2023 be amended, to extract and delete Recommendation HB042-2023 and replace it with the following:

1. That the report from Charlton Carscallen, Principal Planner/Supervisor, dated May 23, 2023, to the Brampton Heritage Board meeting of June 20, 2023, re: Council Motion to De-Designate 164 and 166 Main Street North – Ward 1, be received; and

2. That staff be directed to issue the notice of intention to repeal by-laws 198-2017 and 199-2017 as per Section 31(3) of the Ontario Heritage Act;

3. That, if no notice of objection to the repeal of the by-laws is received within the prescribed 30 day time period, staff be directed to bring forward a repealing by-law and issue notice as per Section 31(8) of the Ontario Heritage Act;

4. That, if no notice of appeal of the repealing by-laws is received within the prescribed 30 day time period, staff be directed to register the repealing by-law on the properties, issue notice, and update the City's Register of Cultural Heritage Resources to remove the reference to 164 and 166 Main Street North as per Section 31(10) of the Ontario Heritage Act;

5. That, prior to the issuance of any demolition permits for the property, a Documentation and Salvage Report be required to be submitted and approved to the satisfaction of City Heritage Staff.

HB043-2023

1. That the report from Shelby Swinfield, Heritage Planner, dated April 26, 2023, to the Brampton Heritage Board meeting of June 20, 2023, re: **Heritage Permit Application – 6461 Mayfield Road – Ward 10** be received; and,

2. That the Heritage Permit Application for 6461 Mayfield Road be approved.

15. Notices of Motion

15.1 Notice of Motion - Brampton Angels

Mayor Brown outlined the purpose of the subject Notice of Motion.

The motion was considered as follows.

C199-2023
Moved by Mayor Brown
Seconded by Regional Councillor Toor

WHEREAS, access to capital is critical for the growth and success of the Brampton Innovation District Start-ups;

WHEREAS, these start-ups seek funding opportunities beyond the boundaries of our city;

WHEREAS, Brampton Angels is a not-for-profit, members-only organization comprised of accredited investors, aiming to discover investment opportunities in promising early-stage technology companies;

WHEREAS, the members of Brampton Angels offer not only financial support, but also provide dynamic early-stage companies with valuable mentorship and access to risk capital networks, fostering an environment of learning, networking, and growth;

WHEREAS, Brampton Angels was initiated in March 2023, with administrative support provided by Altitude Accelerator, a key component of our Brampton Innovation District;

WHEREAS, some funding for the operations of Brampton Angels is being provided to the Altitude Accelerator for some programming support, through NACO's program from FedDev, there is a requirement for a Group Manager to oversee the operations and contribute to the success of the Group.

WHEREAS, the Brampton Angels require leadership from the City to assist with the development of the group and the City's support.

NOW, THEREFORE, BE IT RESOLVED, that the City Council shall allocate a full time resource to the Economic Development Office to hire a Group Manager for a one year contract period to assist with the development of the Angel group. This position would be at the Coordinator level, and have a salary of Min $84,403 to Max $105,504 (plus applicable benefits). The cost of the contract will be charged to the Economic Development operating budget.

15.2 Notice of Motion to Request a Report on the Implementation of "Driving Instruction Zones" on City Property

Note: Council agreed to vary the order of business and dealt with the subject Notice of Motion after Closed Session.

Regional Councillor Toor outlined the purpose of the motion and, in Deputy Mayor Singh's absence, Councillor Toor moved the motion and City Councillor Power and Regional Councillor Brar seconded it.

The motion was considered as follows.

C200-2023
Moved by Regional Councillor Toor
Seconded by City Councillor Power and Regional Councillor Brar

Whereas the City of Brampton has over 600 registered Driving School Instructors

Whereas the Driving Instruction industry forms a critical part of the City of Brampton's economy.

Whereas instruction on city property is currently prohibited.

Whereas many Driving Instructors in Brampton have expressed concern over the lack of sufficient resources within the City to successfully carry out their roles

Whereas the parking lots of recreation centres are not utilized fully during the daytime hours and could provide a useful area for instructors to teach parking techniques to student drivers

Whereas many Driving Instructors have mentioned experiencing police and enforcement intervention when providing instruction on City property

Whereas driving instructors currently obtain their licences via the Enforcement and By-law Services office and there may be an opportunity to permit instruction on City of Brampton properties

Whereas we as the City of Brampton should be supporting the Driving Instruction industry

Therefore be it resolved that the City of Brampton's Licensing, Legal, Risk, Enforcement and Recreation departments be directed to work together to bring forth a report to Council to initiate "Driving Instruction Zones" on City Property.

Further be it resolved that the results of this report be brought forth to a future City Council meeting to see if a Pilot Project could be implemented throughout the City of Brampton in support of the industry.

CW291-2023

Whereas:

1. Canada, now reaching 40 million in population, continues to experience record-breaking growth, with Brampton considered one of the fastest growing big cities in the country;

2. Our country's successful growth is intrinsically linked to our cities, towns and communities;

3. Like all Canadians, Brampton residents are facing acute challenges, including housing shortages, homelessness, a lack of mental health support, extreme weather events, concern for public safety and a reliance on aging infrastructure;

4. We want our kids to play in well-kept parks and enjoy lively community centres, our businesses to transport goods on maintained municipal roads and bridges, our senior citizens to be able to live affordably, our students to have a reliable transit system, our newcomers to find suitable housing, our families to be raised in a safe and healthy environment, and our most vulnerable to have access to much-needed support;

5. As Canadians grappled with the COVID-19 pandemic, municipalities like Brampton, which was stigmatized as a "hot-spot" tackled challenges both within

and outside of their traditional jurisdiction, including public health, housing and emergency services which clearly exposed the vulnerability of our local services;

6. Emerging from the pandemic, we've seen federal and provincial sales and income taxes increase rapidly while overall municipal property tax revenue has remained flat—or even declined—when accounting for inflation and population growth;

7. Municipalities are operating within a nineteenth-century revenue system based mostly on property tax collection, to respond to 21st-century responsibilities and evolving needs of Canadians;

8. Municipalities manage more than 60 percent of Canada's public infrastructure yet only receive between 8 and 10 cents for each tax dollar collected;

9. Municipalities, like Brampton are rising to meet these challenges with leadership and innovation but are constrained by an outdated framework that was not designed for the realities of 2023;

10. The Federation of Canadian Municipalities (FCM), representing over 2,000 municipalities big and small across the country, is the national voice for Canada's local governments; and

11. In May 2023, at FCM's Annual Conference, and with full support from the Big City Mayor's Caucus, FCM members passed a resolution outlining the need for the development of a new growth framework to support Canadian municipalities and the people who call our communities home. This resolution gives FCM a mandate to:

- Declare that Canada needs a modernized growth framework for municipalities.
- Lead the development of a Municipal Growth Framework that links municipal financial capacity to challenges such as population growth and economic growth.
- Call on the federal government to engage with FCM in the development of this framework;

12. FCM's call for a modernized growth framework is consistent with Brampton's needs for increased support to deliver important local services and infrastructure to keep up with exponential growth.

Therefore Be It Resolved That:

1. Council officially endorse FCM and the Big City Mayor's Caucus' work calling on the Federal Government to develop a modernized growth framework; and

2. Council include FCM's call for a modernized municipal growth framework in future advocacy efforts and material to the federal government.

CW292-2023

1. That the report from Nash Damer, Treasurer, Finance, Corporate Support Services, to the Committee of Council Meeting of September 6, 2023, re: **2023 Levy By-law per Section 323 of the *Municipal Act, 2001* (Annual Levy on Universities/Colleges, Correctional Institutions and Public Hospitals)**, be received, and;

2. That a by-law be passed for the annual levy on Universities/Colleges, Correctional Institutions, Public Hospitals for the year 2023 as per Section 323 of the *Municipal Act, 2001*.

15. Notices of Motion

15.1 Notice of Motion – Impact of Natural Gas Infrastructure Installation and Maintenance on City Initiated Projects

Regional Councillor Palleschi outlined the purpose of the Notice of Motion.

In response to an inquiry from Councillor Palleschi, staff suggested an amendment to the motion to provide for use of the City's limited tendering process.

Later in the meeting, Council considered staff's suggested amendment to add the following additional operative clause:

2. That Council approves using the City's limited tendering process to access the same contractors used by utility companies.

The motion, as amended, was considered as follows.

C217-2023
Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Kaur Brar

Whereas the City of Brampton maintains a franchise agreement with Enbridge to define the relationship for installing and maintaining natural gas infrastructure on City right-of-way; and

Whereas the City of Brampton has Municipal Access Agreements with additional utility companies that are part of the Public Utilities Coordinating Committee to share information and timelines for various infrastructure projects; and

Whereas despite having these agreements in place, regulatory issues often lead to lengthy delays in City initiated projects;

Therefore be it resolved:

1. That Mayor Brown write a letter on behalf of Council to the Minister of Energy

a. requesting that the Ontario Energy Board review their current processes to identify areas of opportunity to reduce delays being experienced by municipalities; and

b. requesting that the Minister of Energy grant municipalities the ability to use the same contractor, currently being used by utility companies, to move services when needed,

2. That Council approves using the City's limited tendering process to access the same contractors used by utility companies.

That Members of Council be notified of any unsolicited proposals to acquire or lease City property, and such unsolicited proposals be presented to Council or Committee for consideration.

CW327-2023

That the Commissioner of Planning, Building and Growth Management be delegated authority to respond to Honourable Minister Calandra's letter with the City of Brampton's positions on the outlined 74 recommendations before the deadline provided of October 16, 2023, based on the September 25th Workshop and the Planning and Development Committee Meeting of September 25, 2023.

CW328-2023

Whereas, City Council has authorized a Snow Removal Financial Assistance Program to help senior citizens and people with disabilities with costs incurred from hiring a service provider to remove snow from their sidewalks and driveways;

Whereas, qualifying applicants can receive a grant of up to $300 for non-corner lot properties or up to $400 for corner lot properties with sidewalks on two sides of the property and where both sidewalks are not cleared by City forces;

Whereas, City staff in the Roads Maintenance, Operations and Fleet (RMOF) division review each application to ensure it meets the qualifying requirements before approval;

Whereas, to qualify for the program, the applicant must meet the following criteria:

- Be 65 years of age or more at the date of the application OR be permanently confined to a wheelchair, restricted to the permanent use of crutches or braces, or otherwise be permanently disabled in such a way as to restrict physical mobility; and
- Own and occupy the property on which the application is made; and
- Not have claimed a credit on any other property for the same winter season; and
- Not live in a condominium dwelling whereby all snow removal is the direct responsibility of the condominium corporation.

Whereas, approximately 20% of Brampton residents live in rental properties (according to the 2016 Census Profile), and do not currently qualify for the Snow Removal Financial Assistance Program; and

Whereas, approximately 16.5% of private households are maintained by senior citizens aged 65+ (according to the 2016 Census Profile);

Therefore, it can be extrapolated that approximately 3.3% of private household rental properties in the City of Brampton are maintained by senior citizens, who do not currently qualify for the Snow Removal Financial Assistance Program;

Therefore Be It Resolved that City staff in RMOF review the current eligibility criteria for the Snow Removal Financial Assistance Program, to allow senior citizens and people with disabilities that are the primary renter at a single family residence within the City of Brampton the ability to apply for, and be considered for eligibility in the program and that the financial impacts will be reviewed and included in a report back to Council.

CW329-2023

1. That the Mayor, on behalf of Council, send a letter of support to the Prime Minister and Federal Government, in regard to respecting the sovereignty of Canada and its citizens, and encourage the Federal Government to work diligently to bring to justice those responsible for the killing of Hardeep Singh Nijjar; and

2. That correspondence be sent to Peel Regional Police, Royal Canadian Mounted Police (RCMP), Public Safety Minister, Canadian Security Intelligence Service (CSIS), and Ontario Provincial Police (OPP) to ensure the safety of all Canadians in places of worship.

CW330-2023

Whereas the City of Brampton's Winter Lights Festival and Tree Lighting kick off November 17, 2023 and will welcome thousands of residents and visitors to downtown Brampton;

Whereas the Miracle on Main initiative has raised millions through donations and sponsorships for underprivileged families and local charities; and

Whereas the Tiger Jeet Singh Foundation (TJSF) presented Brampton's inaugural Miracle on Main event in December 2019, and aligned with Tree Lighting last year to present Brampton's 2nd Miracle on Main event in November 2022;

Therefore Be It Resolved that Council approve providing financial support for the 2023 Miracle on Main event as part of this year's Winter Lights Weekend Corporate Event programming, with a budget of $65,000.00 to be delivered within the existing 2023 Strategic Communications, Tourism and Events annual base operating budget, to deliver Miracle on Main 2023 in partnership with the Tiger Jeet Singh Foundation (TJSF).

CW334-2023

That staff report back to the October 11, 2023 Committee of Council Meeting with respect to the following proposed motion:

> "That the Commissioner of Planning, Building and Growth Management be delegated authority to reach out to the Ministry of Transportation (MTO) to confirm the City's position of support of access being provided on Countryside Drive (and confirmation of the City's position of not having Cloverleaf ramps at Countryside Drive and the future 410 extension)."

CW335-2023

Whereas, the City's Special Event Road Closure Policy requires Council approval for events that occur when the proposed road closure exceeds 24 hours in duration or over multiple days;

Whereas, staff have received an application to approve a special event road closure related to Ganesh Mahotsav on Saintsbury Crescent for three (3) days from September 20 to 23, 2023;

Whereas, staff have received an application to approve a special event road closure related to Garba on Country Ridge Court for ten (10) days from October 14 to 24, 2023;

Whereas, the organizers of these events have confirmed their events are for the immediate community, which alleviates concerns related to events being too big for a local street, on-street parking and access for Brampton Fire and Emergency Services; and

Whereas, community events are a good way to get to know your neighbours, reduce crime and aggressive driving on local roadways;

Therefore Be It Resolved that staff be directed to approve the special event road closure applications and issue road occupancy permits for the following locations:

Street Name	Ward #	Limits of Road Closure	Date of Road Closure	Time of Event

Saintsbury Crescent	9	52 Saintsbury Crescent to 64 Saintsbury Crescent	September 20, 2023 to September 22, 2023September 23, 2023	5:00 p.m. to 11:55 p.m. 3:00 p.m. to 11:55 p.m.

10. That the CAO and Commissioner be authorized to execute all agreements necessary to establish and operate the Automated Speed Enforcement Processing Centre, as approved by the City Solicitor and the Director of Public Works and Engineering; and

11. That staff be directed to report back to Council once the Ontario Ministry of Transportation and the Ministry of the Attorney General approve the forms, policies and standard operating procedures in alignment with Ontario Regulation 355/22 (Administrative Penalties for Contraventions Detected Using Camera Systems).

4. That, subject to Council’s receipt and consideration of the Letters of Observations as prepared by KPMG in response to Council Resolution C193-2023 for further investigation and confirmation the operational model will offset direct and indirect costs, the following revised staff recommendations 6, 7 and 8 regarding Processing Centre financials and budget, from the original staff report, dated August 8, 2023, be considered at a future meeting or during consideration of the 2024 budget:

6. That sixteen (16) full-time, permanent complement consisting of nine (9) Provincial Offences Officers to lay infractions, three (3) Screening Officers to review appeals, one (1) Manager, one (1) Supervisor, one (1) Analyst and one (1) Clerk, and associated funding in the estimated amount of $1,722,842, be included in the 2024 operating budget submission, pending Council approval;

7. That the revenues will fully offset direct and indirect costs of this program including all new staff asks as confirmed by the KPMG review;

8. That all expenditures and associated revenues of this program be included in the 2024 budget submission, subject to Council approval and consideration and acceptance of the KPMG review;

5. That By-law 218-2019, the Administrative Penalties (Non-Parking) By-law, be amended to update the processes by which reviews and hearings are conducted; and

6. That By-law 333-2013, the Administrative Penalties System, be amended to update the processes by which reviews and hearings are conducted.

CW341-2023

1. That the report from Neil Chadda, Policy Planner II, Integrated City Planning to the Planning and Development Committee, to the Planning and Development Committee Meeting of September 25, 2023, re: **Supplementary Report – City-Initiated Official Plan Amendment to the Credit Valley Secondary Plan Area 45, Wards 4 and 5**, be received;

2. That the report from Neil Chadda, Policy Planner II, Integrated City Planning to the Planning and Development Committee, re: **Recommendation Report – City-initiated Official Plan Amendment to the Credit Valley Secondary Plan**

Area 45, Wards 4 and 5, dated January 16, 2023, and presented at the May 3, 2023 City Council meeting (Attachment 3), be received;

3. That the City-initiated Official Plan Amendment be approved, on the basis that it represents good planning for the reasons set out in this report, including that it is consistent with the Provincial Policy Statement, conforms to the Growth Plan for the Greater Golden Horseshoe, the Region of Peel Official Plan and the City's Official Plan;

4. That the revised Official Plan Amendment, which is generally in accordance with Attachment 9 to this report, be adopted; subject to the following amendment:

a) Whereas Council recognizes the efforts that staff have made on this tertiary plan – it has brought clarity around key issues such as servicing and built form and height; and

Whereas Council also recognizes that the province and federal government are addressing the housing crisis through intensification – whether it be building along our transit corridors or including three ARUs as-of-right on residential lots;

Therefore be it resolved that:

Staff be directed to amend Schedule SP45(b) of the Springbrook Tertiary Plan to implement a "Low Density Residential" designation with an appropriate depth along the periphery of the Tertiary Plan and adjacent to existing residential neighbourhoods not intended to be redeveloped, in order to ensure consistency with the overall character of the Springbrook Area and allow for context sensitive design to be applied in the review of development applications;

5. That approval of development applications and accompanying By-laws in the Springbrook Tertiary Plan area be withheld until the remaining conditions of the joint and comprehensive Functional Servicing Report (FSR) have been addressed to the satisfaction of the Commissioner of Planning, Building and Growth Management;

7. Public Question Period

Peter Fay, City Clerk outlined questions submitted to the City Clerk's Office from Ramaljit Sandhu, Credit Valley Residents Association, one of the delegations at today's meeting, regarding Item 7.2 in the Summary of Recommendations from the Planning and Development Committee Meeting of August 25, 2023, as follows:

1. Why is Queen Street W. between Credit view and Mississauga Road considered a transit corridor since there is only BRT proposed but not approved. This was authenticated by Councillor Palleschi.

2. Why is Queen Street W. between Credit view and Mississauga Road considered a suitable area for mid and high rises as there are no highways, no plazas, no Bus stations, no Go station, no elementary, middle or high school close by or even proposed!!!!

3. Why are existing residents who have spent their lifetime earnings not listened to time and again and only developers are being supported??

4. Why is Elbern Markell and Queen application being promoted when at the public meeting it did not meet the Silver or Gold sustainability levels and is super close to executive homes who have been paying premium taxes for over 15 years? Was it done or has not been done behind closed doors without public knowledge?

Steve Ganesh, Commissioner, Planning, Building and Growth Management, suggested that the questions be referred to staff for consideration when final Tertiary Plan is brought forward, as directed.

Mr. Ganesh assured Members of Council and residents that no decisions or recommendations from his department are being made behind closed doors, that all reports are available online for review, that staff has been forthcoming with information for residents to contact them, and that all reports have been delivered to Council in an open and transparent manner.

Cheryl Roy, Brampton resident, asked the following question regarding Item 7.2 in the Summary of Recommendations from the Planning and Development Committee Meeting of August 25, 2023:

1. Why was the traffic impact study submitted by the applicant approved as is?

2. When will the BRT come to Queen Street West, can you also confirm whether there is now a funding plan or budget in place to help towards Brampton's share of BRT-related costs?

3. Please identify the addresses of the 10 to 16 storey projects that have been approved that are directly adjacent to the upscale executive housing projects that are zoned as Residential 1?

4. Councillor Vicente had asked the developers to re-work the plan for the sustainability score to get to at least silver level instead of bronze, however, what about the compatibility of the other service level concerns? What about the south side and west side, we can see the aerial view to show compatibility? What about the parking in those areas, we don't want the overview of cars coming into our neighbourhood?

5. Where is consolidated studies to show the complete impact of Mississauga Road and Chinguacousy Road? Why does the School Board and other agencies still respond to individual file, i.e. for this specific application?

6. When can we have consolidated reports shared with the residents, this report should show realistic projections for population increase and proportionate impacts on all services to the residents including any increase to property taxes?

7. Will there be any jobs created after the development retail business analysis and impact study, how can we plan without clarity on the purpose of use?

8. Who will be responsible and accountable to meet targets expectations for all essential services for the residents?

9. It was suggested that affordable housing should be made available to the immigration and the concerns by Premier Doug Ford, how come they picked the most expensive area in Brampton to build hi-rise projects?

10. Why can't we have more townhouse public consultation processes as a dialogue, as a way to develop the City together? Why not with the impacted public, City planning team, Councillors, local MPs, MPPs organized by the developer for the full transparency and inclusive process?

Mr. Ganesh noted that some questions raised were not in relation to a development application considered by Committee on September 25, 2023, and that the other theme of questions were in relation to the Springbrook Tertiary Plan considered on that date.

Mr. Ganesh outlined the direction given to staff to report back with a plan that respects the existing well-established communities and the principles of context design in order to address previous concerns and the questions from residents.

Ted Brown from Regeneration Outreach, one of the tenants of 253 Queen Street East, asked about the next steps and timelines relating to Item 7.6 in the Summary of Recommendations from the Planning and Development Committee Meeting of September 25, 2023.

Mr. Ganesh outlined the next steps and indicated that staff were in attendance at the meeting and could respond to any further questions from Mr. Brown.

CW347-2023

That the following items to the Committee of Council Meeting of October 11, 2023 be approved as part of Consent: **8.2.1, 8.2.4, 9.2.1, 9.3.1, 12.2.1**.

CW348-2023

That the delegation from the following members of the Grace Apostolic Ministries Inc., to the Committee of Council Meeting of October 11, 2023, re: **Vacant City-Owned Buildings For Long-term Lease**, be received:

- Uche Ezechim, Vice President

- Barbara Stewart, Charity Event Planning Manager
- Ezekiel Ezechim, President
- Julian Ikediala, Secretary
- Ngozi Adiuku, Treasurer

CW349-2023

That the delegation from Mian Nadeem, CEO, International Fashion for a Cause, to the Committee of Council Meeting of October 11, 2023, re: **Temporary Office Space**, be received.

CW350-2023

That the delegation from Ruweida Hassan, Brampton Somali Canadian Association, to the Committee of Council Meeting of October 11, 2023, re: **Item 12.3.1 - Notice of Motion - Somali Heritage Month**, be received; and

Whereas City Council recognizes that Brampton is strengthened by its diverse and multicultural communities that bolster its place as a world-class city and Canada's top municipalities to live, play and work;

Whereas City Council recognizes the historic and ongoing contributions of Somali communities in this city to the rich legacy and growth of Brampton, including in the important domains of city building, business, culture, arts, sports, and civic life;

Whereas City Council recognizes that Brampton is home to one of the largest Somali communities in Ontario;

Whereas the Ontario legislature has proclaimed the week of June 25 through July 1 in each year as Somali Heritage Week.

Whereas the federal parliament is considering a Bill C-348 to establish July, in every year, as Somali Heritage Month throughout Canada; and

Whereas City Council wishes to celebrate the contributions of Somali communities in Brampton and also support the efforts of Somali communities to preserve its cultures and heritage;

Therefore Be It Resolved That:

- The month of July, in every year, be established and proclaimed as Somali Heritage Month to celebrate the rich contributions of Somali communities in Brampton by updating the Important and Commemorative Dates Listing; and

- City Council support and endorse the efforts of Somali communities to establish a Somali Centre for Culture and Recreation and that City Council request the Mayor to issue a letter to the Premier, Prime Minister and the relevant Ministers urging them to support the communities' efforts in building and sustaining this important initiative.

CW351-2023

That the presentation from C. Ethier, Manager, Government Relations and Public Liaison, Office of the CAO, to the Committee of Council Meeting of October 11, 2023, re: **Government Relations Matters**, be received.

CW352-2023

1. That the report from Dave Salt, Manager, Facilities Services and Operations, Public Works and Engineering, to the Committee of Council Meeting of October 11, 2023, re: **Request for City Facility Rental Fees to be Waived for Roots Community Services Inc. – Ward 3**, be received; and

2. That staff be directed to waive the rental fees plus tax in the amount of $1,469.44 for Roots Community Services Inc. on November 1, 2023, for an event.

CW353-2023

1. That the report from Nelson Cadete, Manager, Transportation Planning, Planning, Building and Growth Management, to the Committee of Council Meeting of October 11, 2023, re: **Feasibility and Need for a Partial Interchange at Highway 410 and Countryside Drive - Ward 2**, be received; and,

2. That the Commissioner of Planning, Building and Growth Management be delegated authority to reach out to the Ministry of Transportation (MTO) to confirm the City's position of support for access being provided on Countryside Drive to serve the Burnt Log subdivision (City File: C03E15.010) and confirmation of the City's position that a future southwest partial interchange at Highway 410 and Countryside Drive is no longer needed; and

3. That the correspondence from Becca Lane, Director, Central Operations, Ministry of Transportation, dated October 10, 2023, to the Committee of Council Meeting of October 11, 2023, re: **Item 8.2.2 - Staff Report re: Feasibility and Need for a Partial Interchange at Highway 410 and Countryside Drive - Ward 2**, be received.

CW354-2023

That the report from Shane Loftus, Manager, Transportation Right-Of-Way and Safety, Public Works and Engineering, to the Committee of Council Meeting of October 11, 2023, re: **Information Report - Snow Removal Financial Assistance Program**, be received;

Whereas, the City's Snow Removal Financial Assistance Program helps seniors and people with disabilities with costs incurred from hiring a service provider to remove snow from their sidewalks and driveways;

Whereas, City staff in Public Works and Engineering review each application to ensure it meets the qualifying requirements before approval; and

Whereas, Brampton residents who live in rental properties do not currently qualify for the Snow Removal Financial Assistance Program;

Therefore Be It Resolved that City staff be directed to:

- Include rental properties with seniors (65 and older) and people with a disability as the primary renter of the property, using the new criteria set out in Item 8.2.3 - Staff Report re: Information Report - Snow Removal Financial Assistance Program, received at the October 11, 2023 Committee of Council Meeting; and
- Increase the 2024 Public Works and Engineering operating budget request by $237,000 to accommodate the revised eligibility requirements.

CW355-2023

1. That the report from Ivana Tomas, Director, Transit Services, to the Committee of Council Meeting of October 11, 2023, re: **Amendment to PRESTO Operating Agreement**, be received.

2. That the General Manager, Transit, or designate, be delegated the authority to execute, on behalf of the City, the First Amending Agreement to the PRESTO Operating Agreement with Metrolinx for the purpose of providing additional revenue loss protection based on the terms described in this report and otherwise satisfactory to the General Manager, Transit, or designate, and in a form acceptable to the City Solicitor, or designate.

CW356-2023

Whereas, the City's Special Event Road Closure Policy requires Council approval for events that occur when the proposed road closure exceeds 24 hours in duration or over multiple days;

Whereas, staff have received an application to approve a special event road closure related to Garba/Navrati Festival on Natronia Trail for three (3) days from October 20 to 22, 2023;

Whereas, the organizers of these events have confirmed their events are for the immediate community, which alleviates concerns related to events being too big for a local street, on-street parking and access for Brampton Fire and Emergency Services; and

Whereas, community events are a good way to get to know your neighbours, reduce crime and aggressive driving on local roadways;

Therefore Be It Resolved That, staff be directed to approve the special event road closure applications and issue road occupancy permits for the following: locations:

CW357-2023

12.4 ^ Summary of Recommendations – Committee of Council – October 25, 2023

Dealt with under Consent Resolution C258-2023

The recommendations approved on Consent are as follows.

CW369-2023

That the agenda for the Committee of Council Meeting of October 25, 2023 be approved, as amended, as follows:

To add:

5.4. Announcement - S&P Global Ratings Affirmation of the City of Brampton's AAA Credit Rating

Council Sponsor: Deputy Mayor Singh

5.5. Announcement - Erinoak Cheque Presentation

Council Sponsor: Mayor Brown

6.5. Delegation from Sylvia Roberts, Brampton resident, re: Item 12.2.1 - Staff Report re: State of Local Infrastructure Report – 2022

11.3.1. Discussion Item at the Request of Regional Councillor Toor re: Logistics Innovation Zone in Brampton

CW370-2023

That the following items to the Committee of Council Meeting of October 25, 2023 be approved as part of Consent: **8.2.1, 8.2.4, 8.3.1, 8.3.2, 8.3.3, 9.3.1, 9.3.2, 10.2.2, 12.2.2, 12.2.4, 12.2.7, 15.4**

CW371-2023

That the delegation from Sushma Khinvasara and Mukesh Shanghavi, representatives of Shrimd Rajchandra Mission Dharampur, Canada, to the Committee of Council Meeting of October 25, 2023, re: **Ceremonial Street Naming Request**, be received.

CW372-2023

That the delegation from Robinson Akintade, Director of Coaching, and Tyrell Lassche, Ombudsman, Brampton Minor Football Association, to the Committee of Council Meeting of October 25, 2023, re: **Support and Growth of Amateur Sport in Brampton**, be **referred** to staff for a report back to include information on comparator groups supported in Brampton, usage of public amenities, and support provided by other cities, within the GTHA, to similar organizations.

CW373-2023

Whereas:

- Gender Based Violence (GBV) and Intimate Partner Violence (IPV) has been declared an epidemic by the City of Brampton, Region of Peel and AMO, alongside dozens of other municipalities across the province and country; and
- Peel Regional Police reported that they responded to more than 17,000 incidents of family and intimate partner violence in 2021 which equates to two disputes every hour; and
- The affordable housing crisis in Canada is a detrimental barrier for survivors to leave their abusers which is forcing them (predominantly

women and their children), to risk their safety every day, by choosing between homelessness or ongoing abuse; and

- Second stage housing also known as Transitional Shelters/Housing is an integral aspect of the continuum of supports for IPV survivors and their children, providing them with wraparound support and the time and space to heal, prepare for the future, and achieve independence, and is proven to be an effective pathway for women and their children to escape violence and find permanent housing; and
- A funding gap exists in Ontario whereby the Provincial Government does not currently fund transitional housing; and
- Because of this funding gap, the Region of Peel has been supporting transitional shelters/housing like Armagh house, which is based in Mississauga; and
- The Region of Peel Council on Thursday, October 26 will be discussing agenda items 8.2 – 8.4 relating to Housing Subsidies, Rapid Response Modular Housing, and Homelessness Policy and Programs; and
- Armagh House has indicated that over 50% of their clients serviced at the Mississauga shelter are Brampton residents; and
- Armagh House is implementing a new model of delivery of 12 units set to launch in January 2024, for transitional housing with vital wraparound support in collaboration with a private developer in Brampton; and
- The Region of Peel has indicated commitments to rent subsidy and some program support for the Armagh House pilot in Brampton, but a funding gap still exists to deliver the program to include the necessary wraparound support consistent with the existing shelter in Mississauga; and
- This new model of transitional housing provided by Armagh costs less than other short-term options such as hotels or building a completely new shelter.

Therefore Be It Resolved That:

1. The delegation from Jannies Le, Executive Director, Samiya Kebir, Program Supervisor, and Rashmi Khosla, Board President, Armagh, re: **Item 9.3.3 - Transitional Housing to Support Women Fleeing Violence**, be **referred** to staff for further consideration, and investigation of potential alignment of transitional housing under provincial and federal housing-related funding sources, on an emergency basis;

2. The City of Brampton forward this motion to, and advocate at the Region of Peel for, support of Armagh House's housing pilot in Brampton, to ensure its delivery with corresponding wraparound support during the Region's transition period of dissolution;

3. The Mayor, on behalf of Council, write a letter to the Provincial Government (Premier, Minister of Housing, Minister of Community and Social Services, and Associate Minister of Women's Social and Economic Opportunity, and all local Brampton MPPs) that transitional housing such as that provided by Armagh House with its necessary wraparound supports, be included as an important piece in building affordable housing that should be financially supported by the province, especially for women escaping domestic violence; and

4. The Mayor, on behalf of Council, write a letter to the Federal Government (Prime Minister, Minister of Housing, Infrastructure and Communities, and Minister of Diversity, Inclusion and Persons with Disabilities, and all local Brampton MPs) to financially support transitional housing and specifically Armagh House's pilot model in Brampton.

CW374-2023

That the delegation from Sylvia Roberts, Brampton resident, to the Committee of Council Meeting of October 25, 2023, re: **Item 12.2.1 - Staff Report re: State of Local Infrastructure Report - 2022**, be received.

CW375-2023

That the presentation from C. Ethier, Manager, Government Relations and Public Liaison, Office of the CAO, to the Committee of Council Meeting of October 25, 2023, re: **Government Relations Matters**, be received.

CW413-2023

Be It Resolved

For over a month, the world has been watching the unfolding situation in Israel and Gaza in shock and horror at the growing number of lives lost and lives torn apart.

What the terrorist organization Hamas did on October 7th was horrific and there's no justification for it.

The continued bombing of Palestinians in Gaza is unbearable. No one should live under constant threat of violence, or be denied the necessities of life. And yet, so many Palestinian and Israeli civilians have lost their lives or been taken captive; women, journalists, doctors - the toll on children has been especially heart-breaking. Israelis deserve to be safe. Palestinians deserve to be safe.

Brampton is a global city. When we are confronted with horrific global events we are all shaken. We are left to make a defining choice between hate or hope. Time and time again Brampton has chosen hope and unity.

It has defined our city as a beacon in difficult times. Our diversity, our empathy and the harmony in which we live is unique in the world. It must be protected. It is our common bond. Our ability as a city to meet deep differences with compassion and hope, to gather and rally democratically in the spirit of community and peace, is always the best of us at work. But, our city isn't perfect. In hard times our common bond is often tested. The fact remains antisemitism and Islamophobia exist here. People are scared of being targeted for who they are or what they believe in.

Any assault on the freedom of people practicing their faith or religion, is not welcome here. Threatening the safety of businesses is not welcome here. Violence, in all its forms, is not welcome here. Hate is not welcome here.

In talking with Muslim and Jewish communities over recent weeks, we heard their worries and their fears. We have heard how deeply people are grieving and how unsafe they feel right now. We have also heard about common hopes and dreams.

Stories of people comforting a sleepless neighbour, sharing their worry for a loved one back home, or meals cooked for friends to nourish them in their worry. These quiet, hopeful moments are a shared dream of peace, made real in our city every day.

We will always choose hope and compassion. We believe that violence is never the answer. We believe that peace can only come through the immediate and unconditional return of all hostages and a ceasefire, as has been called for by humanitarian organizations, including the United Nations.

When violence and darkness surround us, we must continue to be a welcoming, kind and compassionate city.

Brampton will always denounce terrorism, Islamophobia, antisemitism and hate in all its forms.

CW414-2023

1. That the request for a City facility rental fee to be waived for Amri Shamsi Islamic Relief Canada fundraiser for Gaza civilians be supported, and staff work with the organization on a time and location; and

2. That the same offer be extended to Har Tikvah in Brampton for any fundraising efforts for Israeli civilians.

CW415-2023

That the Council Workshop, scheduled for November 20, 2023, starting at 4:00 p.m., include a closed session component in compliance with the Municipal Act, 2001, under the following provision:

Open Meeting exception under Section 239 (3.1) of the Municipal Act, 2001:

The meeting is held for the purpose of educating or training the members, at which meeting no member discusses or otherwise deals with any matter in a way that materially advances the business or decision-making of the council – the downtown Riverwalk project.

CW416-2023

That Committee proceed into Closed Session to discuss matters pertaining to the following:

15.1. Open Meeting exception under Section 239 (2) (c) and (k) of the Municipal Act, 2001:

15. Notices of Motion

15.1 Notice of Motion – Extending Gender Based Analysis Plus Training to all Staff and Committees and Demonstrating our Ongoing Commitment

Regional Councillors Santos and Brar outlined the purpose of the subject Notice of Motion.

The motion was considered as follows.

C300-2023
Moved by Regional Councillor Santos
Seconded by Regional Councillor Kaur Brar

Whereas:

1. Today marks The École Polytechnique massacre, also known as the Montreal massacre, an antifeminist mass shooting that occurred on December 6, 1989, where fourteen women were murdered; and

2. As defined by the United Nations, gender-equality training is a tool, strategy, and means to effect individual and collective transformation towards gender equality through consciousness raising, empowering learning, knowledge building, and skill development; and

3. Brampton Council and the City are committed to ongoing learning related to equity and inclusion and embrace a culture of continuous improvement;

4. Gender Based Violence and Intimate Partner Violence have been declared an epidemic in Brampton and Peel Region;

5. Council resolved on March 8, 2023 for Members of Council and Senior Staff to complete Gender Based Analysis Plus (GBA+) Training, which will occur before March 8, 2024;

6. All staff and members of council-related committees would also benefit from GBA+ training to further support knowledge and a culture that embraces equity, inclusion, and our commitment to end violence against women.

Therefore be it resolved that:

1. The City's online GBA + training program be made available to all staff and members of City of Brampton citizen-based advisory committees, adjudicative tribunals and committees, locals boards and organizations affiliated with the City, and other Council appointments, with a request that each person complete the training program; and

2. In the spirit of transparency, the percentage of people who have completed GBA+ training in each Department (including "Members of Council Offices"), as well as members of citizen-based advisory committees, adjudicative tribunals and committees, locals boards and organizations affiliated with the City, and

other Council appointments be shared on the City's Equity and Inclusion Office webpage, ongoingly.

1. That the City of Brampton Council endorse a 2024 net property tax levy variance of 1.9% on the Tax Bill for the City;

2. That the Treasurer be authorized to make all necessary transfers of amounts budgeted on a provisional basis in General Government accounts to Department operating accounts, as and when the necessary supporting information is available;

3. That the Chief Administrative Officer be authorized to affect the necessary funding transfers, incur expenditures, and add or adjust complement as required to implement the budget;

4. That Budget Policy Fin-140 (Section 6.10e) be amended and replaced as follows:

    e) Capital Projects or Activities that have been open for 3 years or longer and have no commitments against them are to be presented to Council, through the Second Quarter Capital Status Report, including a

recommendation for closure with remaining funds returned to source. Projects with an external funding component or that are tied to funding by other levels of government will be exempt from this section as the budget or program is dependent on external factors not controlled by the City of Brampton;

5. That the Budget Policy Fin-140 be amended to add the following as Section 6.10j:

    j) Annual recurring capital programs with unspent balances greater than the 5-year average spend can only request new funding by reducing an equivalent amount of existing endorsed funding. Projects with an external funding component or that are tied to funding by other levels of government will be exempt from this section as the budget or program is dependent on external factors not controlled by the City of Brampton;

6. That the budgeted $950,000.00 relating to project number 245865-022 titled Baseball Diamond Conversion to Kabaddi Field/Sesquicentennial Park on Page 134 of the budget binder be reallocated to the Purchase and Installation of Portable Washrooms and Bleachers, to support Parks and Recreation events city wide; and

Downtown Brampton BIA - 2024 Budget

Regional Councillor Vicente advised that various City departments will be providing additional services to the Downtown Brampton BIA, and provided an overview of the revised budget.

The following motion was considered.

C324-2023
Moved by Regional Councillor Vicente
Seconded by Regional Councillor Keenan

Whereas:

1. Downtown Brampton is in a time of major transformation with key projects including the CFI, LRT, Riverwalk and Major Transit Station on the horizon; and,

2. Key infrastructure and streetscaping upgrades are under construction causing major disruption to businesses; and,
3. Gage Park, Ken Whillans Square and Garden Square will be going through major upgrades; and,
4. The City has approved a revised parking strategy which makes special accommodation for downtown Brampton's current condition; and,
5. Ongoing construction on City or Public property has further impacted business recovery after the pandemic; and,
6. The perception of cleanliness and safety are exasperated by the ongoing construction in the downtown; and
7. Downtown Brampton continues to attract more delegations, dignitaries, and events such as Collision 2024, through the work of Economic Development and the activities of the Innovation District; and
8. The City of Brampton currently has a MOU with the Downtown Brampton BIA outlining each organizations baseline obligations and responsibilities; and
9. In accordance with the MOU, subject to Council approval, the City may provide additional assistance to the DBBIA as permitted; and,
10. The DBBIA recognizes that they need to strive to become more self sufficient following this major construction period, through increased memberships, BIA boundary changes and other revenues sources; and,
11. The DBBIA presented a 2024 Budget of **$1,137,535** to Council, which incorporates increase levies, BIA reserves and increased funding from the City; and,
12. The DBBIA originally requested additional funding in the form of General Subsidy in the amount of **$257,250** to address graffiti, lighting, security, cleanliness, banners, and marketing; and,
13. Council gave direction for the DBBIA to meet with City departments to clarify the request and find efficiencies to deliver the level of service the DBBIA envisions for the downtown; and
14. The DBBIA is now requesting a revised budget of **$1,089,335**, which reduces the City's contribution in the 2024 Budget request by **$70,700.**

Therefore, be it resolved that the City approve a revised Downtown BIA 2024 Budget of $1,089,335, which includes:

- An increase to the BIA levy portion to *$383,386;*
- Withdrawing from the BIA reserve in the amount of *$105,000;*
- The City contributing *$365,950* of which **186,550.00** is additional City subsidy for 2024; and,
- Sponsorship, Grants & Marketing Revenue in the amount of $*235,000*

5. Business Matters

5.1 Discussion Item at the Request of Mayor Brown, re: International Student Housing within the City of Brampton

See Item 4.1

A motion, moved by Mayor Brown and seconded by Regional Councillor Keenan, was introduced, fine-tuned and displayed for Council's reference, with the final operative clauses as follows:

Therefore be it resolved that the City of Brampton advocate to the Federal Government:

- Requesting that for every student visa issued, a direct linkage to appropriate accommodation, as coordinated by post-secondary institutions, referencing a home/housing address in close proximity to their community of study consistent with local municipal housing by-laws; and
- To implement a more restrictive visa policy, including a cap on student permits issued annually and prioritization of student permits for post-secondary institutions implementing student housing plans;
- Federal funding for housing supportive infrastructure required to support international students residing within municipalities.

That Council's Resolution be shared with AMO, FCM, Brampton MPs and MPPs and the Region of Peel;

That Strategic Communications staff be requested to support the City's advocacy on this matter.

Mayor Brown outlined the purpose of the motion.

The motion was considered as follows.

C332-2023
Moved by Mayor Patrick Brown
Seconded by Regional Councillor Keenan

Whereas the City of Brampton is a mosaic of cultures that embraces diversity and inclusion, which attracts new international students studying locally and in other institutions outside of Brampton;

Whereas City Council recognizes that Ontario has more international students than all other provinces and territories combined, and a substantial portion of new international students settle in Brampton where they face issues of affordability particularly related to housing, where many end-up in insufficient living conditions;

Whereas public and private colleges have significantly increased international enrollment subsequently significantly increasing their revenue/profits, over the last 10 years but have added very little to no new on-campus housing, leading to students living in Brampton but attending schools in other regions such as Kitchener, Northern Ontario, Montreal, Windsor, and more;

Whereas post-secondary institutions (public and private colleges and universities) have increasingly relied on online learning platforms, further incentivizing learners to live in Brampton while studying outside of the city; and

Whereas the City of Brampton has taken a proactive response within our jurisdiction, in leading to address some of these issues through the “Brampton Charter for Improving the International Student Experience”, committing to working in partnership with non-profit organizations, local hospital, the Region of Peel, Peel Regional Police, and various post-secondary institutions;

Whereas the Federal Government recently announced they will significantly limit the number of study permits issued and raise the financial requirement for prospective students;

Therefore be it resolved that the City of Brampton advocate to the Federal Government:

- Requesting that for every student visa issued, a direct linkage to appropriate accommodation, as coordinated by post-secondary institutions, referencing a home/housing address in close proximity to their community of study consistent with local municipal housing by-laws; and
- To implement a more restrictive visa policy, including a cap on student permits issued annually and prioritization of student permits for post-secondary institutions implementing student housing plans;
- Federal funding for housing supportive infrastructure required to support international students residing within municipalities.

That Council's Resolution be shared with AMO, FCM, Brampton MPs and MPPs and the Region of Peel;

That Strategic Communications staff be requested to support the City's advocacy on this matter.

A recorded vote was requested and the motion carried as follows.

Yea (10): Mayor Patrick Brown, Regional Councillor Santos, Regional Councillor Vicente, Regional Councillor Kaur Brar, Regional Councillor Keenan, Regional Councillor Medeiros, Regional Councillor Fortini, City Councillor Power, Deputy Mayor Singh, and Regional Councillor Singh Toor

Absent (1): Regional Councillor Palleschi

Carried (10 to 0 with 1 absent)

A motion, moved by Mayor Brown and seconded by Regional Councillor Santos, was introduced, fine-tuned and displayed for Council's reference, with the final operative clauses as follows:

Therefore be it resolved that the City of Brampton advocate to the Provincial Government:

- To immediately double the Heads and Beds levy to ensure additional funding is available to municipalities who provide municipal services for international students; and
- To strengthen regulations and data requirements, including the municipality in which the student resides, for private and public post-secondary institutions to hold them accountable to the international students enrolled in their programs and more accurately and equitably distribute the Heads and Beds levy according to which municipality the student resides.

That Council's Resolution be shared with AMO, FCM, Brampton MPs and MPPs and the Region of Peel;

That Strategic Communications staff be requested to support the City's advocacy on this matter.

Councillor Santos outlined the purpose of the motion.

The motion was considered as follows.

C333-2023
Moved by Mayor Patrick Brown
Seconded by Regional Councillor Santos

Whereas the City of Brampton is a mosaic of cultures that embraces diversity and inclusion, which attracts new international students studying locally and in other institutions outside of Brampton;

Whereas City Council recognizes that Ontario has more international students than all other provinces and territories combined, and a substantial portion of new international students settle in Brampton where they face issues of affordability particularly related to housing, where many end-up in insufficient living conditions;

Whereas public and private colleges have significantly increased international enrollment subsequently significantly increasing their revenue/profits, over the last 10 years but have added very little to no new on-campus housing, leading to students living in Brampton but attending schools in other regions such as Kitchener, Northern Ontario, Montreal, Windsor, and more;

Whereas post-secondary institutions (public and private colleges and universities) have increasingly relied on online learning platforms, further incentivizing learners to live in Brampton while studying outside of the city; and

Whereas the City of Brampton has taken a proactive response within our jurisdiction, in leading to address some of these issues through the “Brampton Charter for Improving the International Student Experience”, committing to working in partnership with non-profit organizations, local hospital, the Region of Peel, Peel Regional Police, and various post-secondary institutions;

Whereas the Heads and Beds Levy is the formula which empowers municipalities to levy an annual amount per student and has remained unchanged since 1987, despite year after year advocacy efforts to the province;

Whereas the levy is currently fixed at $75 per student per year, and had it been indexed to inflation, the levy would stand at $158 per student today, equating to $117.2M annually, a simple yet significant improvement to help Brampton deal with the increasing costs to support the disproportionate (relative to other municipalities) number of international students’ municipal service needs such as transit, community and recreation amenities, community safety, and more.

Therefore be it resolved that the City of Brampton advocate to the Provincial Government:

- To immediately double the Heads and Beds levy to ensure additional funding is available to municipalities who provide municipal services for international students; and
- To strengthen regulations and data requirements, including the municipality in which the student resides, for private and public post-secondary institutions to hold them accountable to the international students enrolled in their programs and more accurately and equitably distribute the Heads and Beds levy according to which municipality the student resides.

That Council's Resolution be shared with AMO, FCM, Brampton MPs and MPPs and the Region of Peel;

That Strategic Communications staff be requested to support the City's advocacy on this matter.

A recorded vote was requested and the motion carried as follows.

Item 16.2 was brought forward and dealt with at this time.

A motion, moved by Regional Councillor Toor and seconded by Regional Councillor Santos, was introduced, with the operative clauses as follows:

Whereas Brampton's Innovation District works with technology corporates and start-ups in Brampton;

Therefore Be It Resolved:

1. That the Economic Development Office work with SONEIL Spark to pilot its technology in Brampton to support electric vehicle charging solutions. This demo will encourage more residents to adopt this environmentally friendly alternative to traditional cars, and lower their carbon footprint; and

2. That Economic Development staff be guided by global best practices, the Ontario Centre of Innovation, and supported by the Facility Ops & Maintenance department, Building Design & Construction department & Recreation department; and

3. That Economic Development staff provide a letter of support to Soneil and OCI to confirm the City of Brampton's commitment to the project; and

4. That a copy of this resolution be provided to the Ontario Centre of Innovation for information; and

Councillor Toor outlined the purpose of the motion.

An amendment was introduced and accepted by the mover to add the following additional clause:

5. That the delegation content be referred to staff for consideration in conjunction with the actions above.

The motion was considered as follows.

C005-2024
Moved by Regional Councillor Toor
Seconded by Regional Councillor Santos

Whereas advanced manufacturing is the largest employment sector in Brampton;

Whereas the automotive industry is undergoing a significant shift, with technological advances and evolving mobility preferences redefining its future;

Whereas the City of Brampton is one of Ontario's leading hubs for electric vehicle supply chains with billions of dollars invested by anchors like Stellantis and Magna;

Whereas Soneil Electronics, headquartered in Brampton for 30 years, has been a leading global designer and manufacturer of battery charging technology. Soneil is developing a new technology for electric vehicle (EV) charging and is interested in piloting in the City of Brampton;

Whereas Ontario Centre of Innovation (OCI) supports projects related to the development and demonstration of technologies in EV and battery manufacturing technologies;

Whereas a pilot project in the City of Brampton, if approved, will be funded by Soneil Electronics in the amount of approximately two million dollars and an additional one million dollars by the OCI. The City of Brampton will contribute in-kind resources – there will be no cost to the City;

Whereas in 2019, the City of Brampton declared a climate emergency and established targets to reduce GHGs generated in the City by 80% by 2050;

Whereas recent regulations on electric-vehicle sales mandates in Canada recently outlined a strategy to eliminate the sale of gas-powered vehicles by 2035;

Whereas the City of Brampton is engaged in developing innovative solutions for electric vehicle infrastructure as part of its commitment to environmental sustainability;

Whereas Brampton's Innovation District works with technology corporates and start-ups in Brampton;

Therefore Be It Resolved:

1. That the Economic Development Office work with SONEIL Spark to pilot its technology in Brampton to support electric vehicle charging solutions. This demo will encourage more residents to adopt this environmentally friendly alternative to traditional cars, and lower their carbon footprint; and

CW030-2024

Whereas the City of Brampton is calling on the Province to strengthen existing legislation to empower landlord rights in an effort to reduce the number of

landlord/tenant issues creating a backlog at the Ontario Landlord and Tenant Board; and

Whereas Brampton has experienced a high and growing number of converted residential rental units also known as additional residential units in existing neighbourhoods; and

Whereas Brampton is home to a significant number of international students, many of whom find housing in residential rental units; and

Whereas the City of Brampton is the first city to endorse an International Students Charter and has continuously advocated for the federal and provincial governments to better address issues related to the high number of international students being housed in the City; and

Whereas the Province of Ontario has recently announced a requirement for post-secondary institutions to guarantee adequate housing options for incoming international students; and

Whereas the Province of Ontario is allowing additional residential units (ARUs) to be included in municipal housing targets; and

Whereas landlords with residential rental properties in Brampton are concerned about the backlog of tenant issues at the Ontario Landlord and Tenant Board, particularly related to overcrowding of tenants due to tenant subletting outside of lease agreements,

Therefore be it resolved that:

1. The Mayor, on behalf of Council, write a letter to the Minister of Municipal Affairs and Housing, that asks the Landlord and Tenant Board to find a fair balance of landlord and tenant rights related to tenants who break agreements of their lease, including but not limited to, subletting to other tenants and excessive past-due rent, and also address the backlog of cases; and

2. A copy of this letter be sent to the Attorney General of Ontario and all Brampton MPPs.

CW031-2024

12.2 Minutes - Planning and Development Committee – February 12, 2024

Regional Councillor Palleschi, Committee Chair, led Council's consideration of the minutes.

A motion, moved by Regional Councillor Keenan and seconded by Regional Councillor Medeiros, was introduced to strike out Recommendation PDC034-2024 and replace it with the following:

> **"PDC034-2024**
>
> 1. That the staff report titled: **Recommended Report, Application to Amend the Official Plan and Zoning By-law (To permit an eight (8) storey residential apartment building consisting of 82 dwelling units including a retail use at grade), Glen Schnarr & Associates Inc. - Soneil Clarence Inc., 75 Clarence Street, Part Block A, Plan 521, Ward 3**, dated January 15th, 2024, to the Planning and Development Committee of February 12th, 2024 be received;
>
> 2. That the Official Plan and Zoning By-law Amendment submitted by Glen Schnarr & Associates Inc., on behalf of Soneil Clarence Inc, Ward 3, File: OZS-2019-006, be **refused**, on the basis that:
>
> a. The proposed development is not compatible with surrounding character of the existing built form,
>
> b. The cumulative impacts of the combined uses in the proposed zoning by-law (i.e. commercial school) with the proposed residential development could have undue impacts on the existing community, adding to traffic associated with the proposed residential development,
>
> c. The scale and massing of the proposed development does not fit within the existing street context."

Councillor Keenan outlined the purpose of the amendment to provide reasons for Committee's recommendation to refuse the application for 75 Clarence Street.

The amendment was voted on and carried.

The following motion to receive the minutes and approve the recommendations, as amended, was introduced and considered.

The following motion was considered.

Note: The motion was subsequently moved by Regional Councillors Santos and Brar and seconded by All Members of Council.

C061-2024
Moved by Regional Councillors Santos and Brar
Seconded by All Members of Council

Whereas in 2019, City Council passed a motion for City staff to continue working with and supporting existing programs at the Region of Peel which service those affected by domestic violence, and to support public awareness and advocacy regarding violence against women;

Whereas on June 21, 2023, the City of Brampton declared gender-based violence and intimate-partner violence an epidemic in Brampton, advocating for increased funding and support for organizations that provide essential resources, vital support, and safe spaces for individuals affected by domestic violence;

Whereas the City of Brampton received a delegation from Armagh House on October 25, 2023 requesting funding support from the City to operate 12 affordable transitional housing units located in Brampton, which will support women and their families;

Whereas the City of Brampton received funding from the federal government through CMHC's Housing Accelerator Fund (HAF), which can be used in support of housing under 4 categories, one of which is investments in affordable housing, namely the construction and operation of affordable housing units.

Therefore be it resolved that Council endorse:

- Financial assistance in the form of a cash grant of $300,000 to Armagh House, subject to the negotiation and execution of a mutually acceptable agreement with the City; and
- The delegation of authority to the Commissioner, Planning, Building & Growth Management, and Treasurer to execute on behalf of the City the contribution agreement with Armagh House on such terms and conditions acceptable to the Commissioner, Planning, Building & Growth Management, and in a form acceptable to the City Solicitor or designate.

- The structure meets all nine (9) criteria under Ontario Regulation 9/06 needed for designation
- Designation carries with it eligibility for Heritage Incentive grants

iv. Restoration is recommended; and,

4. That the following 'Long Term Restoration Recommendations' as per the Heritage Impact Assessment by Bruce Corley for 7749 Churchville Road be followed:

i. Should the building be subject to restoration, a 'Heritage Conservation Plan' should be prepared that addresses the particularities of the house's history and construction, including:

- Providing adequate ventilation to the cellar and repairing/replacing damaged timbers (subsequently dated using dendrochronology);
- Determining the location, size, and design of original doors and windows and replacing them using the design of the Orange Church Inn;
- Rebuilding the chimney;
- Replacing roof with cedar shingles; and
- Determining the original floor levels, wall, and stair configuration and restoring the interior using casings derived from the existing interior profile

ii. The original fabric of the structure be uncovered, including:

- Removing existing metal siding to restore the pebble dash lime mortar;
- Revealing the fascia and associated trim, and restoring using accurate profiles; and
- Removing the existing drywall

iii. The building be measured and documented with thorough measured drawings and photographs once the underlying fabric has been uncovered.

CW157-2024

Whereas City Council recognizes that Brampton is strengthened by its diverse and multicultural communities that bolster its place as a world-class city and Canada's top municipalities to live, play and work; and

Whereas City Council recognizes the historic and ongoing contributions of various communities in this city to the rich legacy and growth of Brampton, including in the important domains of city building, business, culture, arts, sports, and civic life;

Therefore be it resolved that Cultural Services staff facilitate Bishop David Saffery's event commemorating Christian Heritage Month at The Rose Brampton on Sunday, December 1, 2024, and the Commissioner of Community Services waive all associated rental fees.

CW158-2024

That the presentation by Heidi Dempster, General Manager, Transit, Ivana Tomas, Director, Transit Services, and Dr. Josipa Petrunić, President and CEO, Canadian Urban Transit Research and Innovation Consortium (CUTRIC), to the Committee of Council Meeting of April 24, 2024, re: **Brampton Zero Emission Bus Strategy**, be received.

CW159-2024

1. That the report from Heidi Dempster, General Manager, Transit, to the Committee of Council Meeting of April 24, 2024, re: **Brampton Zero Emission Bus Implementation Strategy & Rollout Plan**, be received;

2. That Council endorse the Brampton Transit Zero Emission Bus Implementation Strategy and Rollout Plan prepared by the Canadian Urban Transit Research & Innovation Consortium to help guide the City's transition to an environmentally sustainable transit service;

3. That Council adopt and commit to a net zero objective by transitioning to a zero emission bus fleet for Brampton Transit as early as 2040 with full fleet transition required no later than 2050, if possible;

4. That Council consider the capital and operating financial commitments outlined in the Brampton Transit Zero Emission Bus Implementation Strategy and Rollout Plan Summary Report corporate priorities during the City's annual budget process, noting that future capital and operating requests are subject to change and require approval through the annual budget process; and

5. That the General Manager, Transit, be directed to update the Brampton Transit Zero Emission Bus Implementation Strategy and Rollout Plan on a five-year cycle, subject to future funding approval during the annual budget process.

CW160-2024

Whereas the City of Brampton continues to demonstrate leadership in environmental actions, such as strategies and/or plans, that are commitments to take action against climate change by reducing greenhouse gas emissions (GHG);

Whereas the City of Brampton declared a climate change emergency in 2019, one of more than 2,300 governments worldwide to do so, and subsequently the City's Community Energy and Emissions Reduction Plan (CEERP) was developed;

Whereas in 2020 City of Brampton Council endorsed CEERP, which creates a roadmap that will improve energy efficiency, reduce greenhouse gas emissions, create economic advantage, ensure energy security, and increase Brampton's resilience to climate change;

Whereas the CEERP identified greenhouse gas emissions reductions, with the largest contributor to greenhouse gas emissions being the transportation sector;

Whereas to meet the goals identified in CEERP, Brampton Transit started to work on various feasibility studies exploring the possibility and roadmap to reduce its environmental impact by decarbonizing its fleet;

Whereas the City of Brampton launched its Electric Bus Demonstration & Integration Trial in 2021, at the time, the largest single global deployment of

standardized and fully interoperable battery electric buses and high-powered overhead on-route charging systems, which builds on Brampton's commitment to sustainability by greening its fleet;

Whereas in 2022, the City of Brampton engaged the Canada Infrastructure Bank and achieved financial close on an investment wherein the CIB will commit up to $400 million to support Brampton Transit's purchase of up to 450 zero-emission buses, the CIB's largest zero emission bus financing commitment with a municipality to date, supporting one of the largest public transit fleet conversions in Canada;

Therefore, be it resolved that City staff be directed to:

1. Continue to advocate with all levels of governments on funding and extensions to current funding deadlines to align with industry electrification timelines;

2. Engage with Energy service providers as a Service partners to gain information on possible solutions to deliver on Transit's electrification strategy and implementation plan that is practical, cost efficient and focused on reducing greenhouse gas emissions (GHG) and report back to Council; and

3. Work with CUTRIC and Metrolinx on the integration of electrifications at GO stations.

13.2 Staff Report re: Budget Amendment and Award Strategy for NRFP 2024-091 Winter Maintenance Services 2024 to 2034 – All Wards

Council agreed to vary the order of business and dealt with this item after Delegation 7.4.

Council consideration included varying opinions with respect to a preferred length for the contract, communications plan and surveying of residents regarding costs for windrow and sidewalk cleaning services, and potential requirement for Closed Session consideration.

Staff responded to questions from Council on the following topics:

- options for the length of the contract and costing for each
- prioritization of active transportation routes, including Transit stops
- contract management, quality control and accountability, including performance evaluations
- impact on costs as a result of climate change and varied weather patterns
- windrow and sidewalk cleaning services
- termination provisions

With a two-thirds majority vote, the Approval of Agenda was re-opened and Closed Session Item 19.3 was added.

Following Closed Session, a motion, moved by Regional Councillor Vicente and seconded by Deputy Mayor Singh, was introduced to approve an eight (8) year term, with one (1) two-year renewal option, to not proceed with provisional services at this time pending conclusion of the community consultation, to approve a budget amendment, and to provide direction to staff regarding communication and surveying of residents.

The motion was displayed for Council's reference.

Council provided clarification for staff regarding communications and surveying of residents, and proposed "friendly" amendments to the motion.

The motion, as amended, was considered as follows.

C080-2024

CW236-2024

Whereas hackathons are events that bring together diverse groups of individuals to collaborate intensively on innovative projects over a short period of time; and

Whereas hackathons have a proven track record of spurring innovation and entrepreneurship by providing a platform for creative problem-solving, rapid prototyping, and the development of new technologies and solutions; and

Whereas the organization of a hackathon can engage the local community, including students, professionals, and entrepreneurs, fostering a spirit of collaboration and civic engagement; and

Whereas hackathons have the potential to address pressing local challenges by leveraging the collective intelligence and creativity of participants to generate practical and innovative solutions; and

Whereas the successful implementation of solutions developed during hackathons can lead to economic growth by creating new business opportunities, attracting investments, and generating employment; and

Whereas hackathons can also serve as a catalyst for establishing or strengthening partnerships between local government, businesses, educational institutions, and non-profit organizations; and

Whereas the City of Brampton has a history of supporting community-led hackathons, demonstrating a commitment to fostering innovation and collaboration within our community;

Therefore Be It Resolved that Council directs Economic Development staff to investigate the feasibility of organizing a hackathon aimed at addressing local challenges within our community; and

Be It Further Resolved that staff consider the following elements in their investigation:

1. Identification of key local challenges that could be addressed through a hackathon.

2. Potential partners and sponsors from the private sector, educational institutions, and non-profit organizations.

3. Possible venues, dates, and formats for the hackathon.

4. Budgetary requirements.

5. Strategies for promoting the hackathon to ensure broad and diverse participation.

6. Mechanisms for supporting the development and implementation of viable solutions post-hackathon.

8.2 Proposed Motion to Address Funding Shortfalls in Municipal and Social Services in Brampton

Mayor Brown and Regional Councillor Vicente outlined the purpose of the motion.

An amendment was proposed and accepted to include local MPs, local MPPs and the Federation of Canadian Municipalities (FCM) as part of the advocacy outlined in Clause 3 of the motion.

The motion, as amended, was considered as follows.

C124-2024
Moved by Regional Councillor Vicente
Seconded by Mayor Patrick Brown

WHEREAS Brampton is one of the fastest-growing large cities in Canada, serving as a diverse economic engine for both Ontario and the country, being Canada's ninth-largest city with a population in 2024 of 826,998; and

Whereas Brampton residents need access to and reliable support from various social services, including childcare, senior care, and mental health care, at different stages of their lives to thrive and succeed; and

Whereas a recent report by the Metamorphosis Network has shown that Peel residents receive less provincial funding for municipal and social services compared to the average Ontario resident, with a shortfall of $578 per person annually; and

Whereas this funding gap results in over $868 million in underfunding across Peel annually, with almost half a billion dollars affecting Brampton alone; and

Whereas these funding deficiencies lead to longer wait times and less equitable access to municipal and social services for Brampton residents; and

Whereas to compensate for provincial funding shortfalls, Brampton has had to increase municipal contributions to these services using local revenue sources such as property taxes and user fees; and

Whereas Brampton deserves a fair, new deal from the provincial government that ensures sufficient and sustainable funding so residents have equitable access to the municipal and social services they rely upon;

THEREFORE BE IT RESOLVED THAT:

1. The Council of the City of Brampton urges the Government of Ontario, the Premier, the relevant ministers, and local MPPs to immediately commit to providing a fair, new deal for Brampton to ensure that the city receives an equitable share of provincial investment in municipal and social services;

2. The Council of the City of Brampton calls on the Government of Ontario, the Premier, the relevant ministers, and local MPPs to meet with local representatives, including municipal elected officials, City Staff, and non-profit organizations, to collaborate on a plan to address provincial underfunding of municipal and social services in Brampton; and

3. That the Mayor, on behalf of City Council, will advocate to the Government of Ontario, the Premier, the relevant ministers, local MPs, local MPPs, and the

Federation of Canadian Municipalities (FCM), to convey the aforementioned requests.

8.3 Proposed Motion - Consideration for Establishing a Municipal Services Corporation (MSC) to support Regional Transition of Services and Key Strategic Investments

Mayor Brown outlined the purpose of the motion.

Staff responded to questions regarding the timeline for undertaking the actions in the motion.

The motion was considered as follows.

C125-2024
Moved by Mayor Patrick Brown
Seconded by Deputy Mayor Singh

WHEREAS the Region of Peel is undergoing a transition of key services from the Region to the City of Brampton, Mississauga, and Caledon or new entities;

WHEREAS the transition of these services necessitates significant project costs associated with any transition of Regional services as directed by the Province, that would best position Brampton to handle the full scope and scale of these projects, including real estate and project financing to the benefit of local residents;

WHEREAS the City of Brampton is undertaking numerous large scale strategic initiatives and investments including a new ASE Processing Centre, future Transit electrification, the Centre for Innovation and City Lands projects, plus others, which will benefit from the streamlined governance and operational efficiencies offered by an MSC;

WHEREAS the establishment of an MSC would provide Brampton with enhanced capabilities to manage, finance, and execute large-scale projects, ensuring better service delivery and financial sustainability;

THEREFORE BE IT RESOLVED that the Council of the City of Brampton hereby directs staff undertake the necessary public consultations for establishing a Municipal Services Corporation, in light of the new circumstances of transition of Region of Peel services, and to report back with a comprehensive plan for the MSC establishment, including potential structures, governance models, financial implications and public feedback.

BE IT FURTHER RESOLVED that this plan should include stakeholder consultations and an implementation timeline to ensure a smooth transition and effective management of the newly acquired services and ongoing infrastructure projects.
