## **Public Release of Reports**

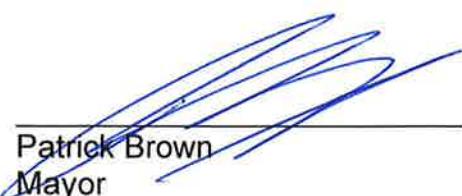

Under the *Municipal Act, 2001*,

I, Patrick Brown, Mayor of the City of Brampton, hereby approve the public release of reports considered by Council in closed session pursuant to Section 239(2)(c) of the *Municipal Act, 2001*, as they related to a proposed acquisition of land by the municipality and were necessary to preserve the City's negotiating position. As the transaction has now been completed and there are no longer commercial reasons to keep the real estate transaction confidential, the information is no longer subject to any active exemptions.

In the interest of transparency regarding a matter brought forward by staff and unanimously approved by Council for the acquisition of the property, and consistent with the Mayor's statutory responsibilities under Section 226.1 of the *Municipal Act, 2001* to ensure transparency, accountability, and effective administration under strong-mayor authority, I hereby authorize the public release of the two related closed session reports dated September 13, 2023, and September 29, 2023, pertaining to the acquisition of 175 Sandalwood Parkway West.

This action supports the provincial priorities established under the Strong Mayors, Building Homes Act, 2022, by advancing the efficient delivery of municipal infrastructure and operational capacity necessary to support housing growth and community safety initiatives, including the City's Automated Speed Enforcement Processing Centre.

Dated at Brampton, this 9<sup>th</sup> day of October, 2025.

Patrick Brown  
Mayor
