## DENNIS KEENAN

Regional Councillor  
Wards 3 & 4  
905.874.2603  
dennis.keenan@brampton.ca

We are proud of what we have accomplished together so far and are committed to continuing to work collaboratively to bring important issues and initiatives forward in Council Chambers.

Over this Term of Council, we have introduced a number of motions and advocated on several important issues for the residents of Wards 3 & 4, such as the creation of the Residential Rental Licensing Program (RRL), banning fireworks, addressing zoning issues to protect our neighbourhoods, investing in traffic reducing measures, improving our parks and providing free recreation programming for seniors 65+. Please refer to page 6 for additional highlights from this Term of Council.

Your input on important issues impacting Wards 3 & 4 has been invaluable. It has been great speaking with so many of you throughout this term at our town halls, which have generated constructive discussions and strong civic engagement. Subjects and priorities that were presented included: Road Calming Measures, Traffic, Property Standards & By-Law Enforcement, Bike Lanes, RRL, Service Brampton, Crime & Safety, Additional Residential Units, Parks, LRT, Brampton Parking Plan, Budget, Zoning & Planning and Downtown Revitalization.

We have also been incredibly honoured to have hosted many community events that have brought our residents and neighbours together. Our events proved to be more than just activities, they were memorable opportunities for us to build relationships with you, celebrate the community and to create memories for families across our ward. Giving back to our community was at the heart of our events, and with your generous non-perishable donations we were able to provide an abundance of food to the Knights Table and Brampton Food Hub, which helped ensure that individuals and families who were facing food insecurity had access to meals and essential resources. We remain grateful for your continued participation and enthusiasm at our events and thank you for contacting us and keeping in touch. We look forward to continuing to be your voice in Council Chambers and are available to meet with you in-person to discuss your questions or concerns.

### SAVE THE DATES!

**Wards 3 & 4 Town Hall:** Tuesday, April 28, 2026, from 7 pm – 9 pm, at City Hall

**Community Tree Planting with Credit Valley Conservation (CVC):** Sunday, April 26, 2026, from 9:30 am – 12 pm, at Roehampton Park

Sincerely, Councillor Medeiros and Councillor Keenan

## RECREATION FEE ASSISTANCE PROGRAM

ActiveAssist is a fee subsidy program that helps make recreation more accessible for low-income Brampton residents by reducing financial barriers so everyone can stay active and connected in the community. Residents can receive up to \$275 per family member towards recreation programs and services, including registered and drop-in activities, fitness memberships and more. Learn more and apply at [brampton.ca/activeassist](https://brampton.ca/activeassist)

## HELP KEEP BRAMPTON CLEAN

A cleaner, greener Brampton starts with you! Join Brampton's Parks Cleanup Program and help remove litter in the community from April 1 to November 1. Register for a community or self-led cleanup at one of our many parks and green spaces. High school students will be provided with volunteer hours. This year's program is generously sponsored by Capital Power, TD and CN.

For more information and to register, visit [brampton.ca/cleanup](https://brampton.ca/cleanup)

## SUMMER IN THE CITY

Make the most of summer in Brampton with a vibrant season packed with culture, community spirit and unforgettable experiences. From lively outdoor concerts and multicultural festivals to free family-friendly events and thrilling outdoor adventures, there's something happening in every corner of the city. Spend warm evenings enjoying movies under the stars, explore bustling night markets and discover live music in one of many beautiful public spaces. Whether you're planning a fun night out with friends or a full weekend of activities with the family, you'll find endless opportunities to experience something new and exciting. Discover the full lineup and start planning your summer at [experiencebrampton.ca](https://experiencebrampton.ca)

## SUMMER RECREATIONAL ACTIVITIES TO EXPLORE

Keep cool this summer with more than 18 splash pads located throughout Brampton, perfect for children of all ages! Spend the day exploring all that Chinguacousy Park has to offer, from the popular wading pool to its family-friendly attractions. You can also enjoy a refreshing dip at the scenic outdoor pool in Eldorado Park, relax on the sandy beach at Professor's Lake or make a splash on the inflatable water park. Plus, summer camps are available all summer long, offering fun-filled activities for kids of all interests. Before heading out, visit [brampton.ca/summer-fun](https://brampton.ca/summer-fun) for hours of operation, facility updates and weather-related notices.

## BEING A GOOD NEIGHBOUR STARTS AT HOME

The City of Brampton enforces property standards to support safe, well-kept neighbourhoods.

- Do not park vehicles on lawns, overhanging the curb or blocking sidewalks.
- Store waste carts in permitted locations and set them out only during approved collection times.
- Remove inoperable vehicles and equipment from your property.
- Trailers and recreation vehicles on properties must abide by storage, size and location regulations.
- Ensure pools and hot tubs have compliant enclosures or secured covers.
- Maintain fences within height limits and keep exterior building elements in good repair.

Higher administrative fines are now in effect for property standards and other by-law violations. Learn more at [brampton.ca/bylaws](https://brampton.ca/bylaws)

## CREATING SAFER ROADS

To keep Brampton roads safe, the City uses a variety of traffic calming measures to reduce speeding and improve safety in neighbourhoods. From pedestrian crossovers and speed display boards to physical measures like speed cushions and roundabouts, these tools help protect road users and create safer streets for drivers, pedestrians and cyclists. Reduced speed limits in Neighbourhood Speed Safety Zones and designated Community Safety Zones with increased fines further support safer travel, especially for children, seniors and families. Explore Brampton's Traffic Calming Map to see what road safety features are installed in your area. Learn more at [brampton.ca/roadsafety](https://brampton.ca/roadsafety)

## NEW CARBON MONOXIDE REQUIREMENTS

As of January 1, 2026, new Fire Code requirements for carbon monoxide (CO) alarms are in effect. CO alarms are now required outside all sleeping areas and on every storey of your home. Carbon monoxide is an invisible, odourless gas that can be deadly. Learn more at [brampton.ca/carbonmonoxideweek](https://brampton.ca/carbonmonoxideweek)

## NOISE BY-LAW

As residents spend more time outside, they are asked to keep excessive noise down. Under the City's Noise By-law, persistent and recurring noise that causes disturbances to other Brampton residents can be enforced. Be a courteous neighbour, do your part. Learn more at [brampton.ca/bylaws](https://brampton.ca/bylaws)

## HOW TO PAY A CITY PARKING TICKET

If you receive a Penalty Notice for a parking infraction, you must either pay or dispute the ticket within 15 days of the issue date. Payments can be made online, in person, by telephone or by mail. For more information, visit [brampton.ca/aps](https://brampton.ca/aps)

## PROPERTY RENTAL UNITS MUST BE LICENSED

All property owners with one to four rental units in Brampton must obtain a licence under the Residential Rental Licensing (RRL) Program. Prior to applying, any Additional Residential Units must be registered. Operating an unlicensed rental is illegal. Learn more at [brampton.ca/RRL](https://brampton.ca/RRL)

## MAINTAIN YOUR YARD

Help keep our city clean, green and safe year-round by maintaining your yard. Keep your property free of garbage and debris, and regularly cut grass and weeds. As a general rule, if your grass is taller than a soccer ball, it's time to mow. Learn more at [brampton.ca/bylaws](https://brampton.ca/bylaws)

## FEEDING WILDLIFE IS PROHIBITED

Under the City's Animal Services By-law, feeding wildlife is not allowed. Feeding animals can lead to safety concerns, property damage and increased wildlife activity in neighbourhoods. Store your garbage, green bin and recycling boxes inside a garage/shed or place them away from fences and railings that animals can easily climb. Learn more at [brampton.ca/animalservices](https://brampton.ca/animalservices)

## 2022-2026 TERM IN REVIEW

As your Councillors, we are proud of what we have accomplished together and the improvements that have come to Wards 3 & 4. Over the Term of Council, we have worked together to ensure your voices are heard in Council Chambers and worked to improve the safety and wellbeing of our neighbourhoods, making investments in By-law enforcement and property standards, parks and recreation, and community safety a priority. We would like to thank the residents of Wards 3 & 4 for your continued support and engagement.
