## Fee Accommodation For Affiliated Seniors Groups

During the 2015 Budget deliberations, Council approved a report allowing affiliated seniors groups access to designated rooms in neighbourhood centres for no cost.

The access to free room space would be for neighbourhood centres only (does not include Chinguacousy Wellness Centre, South Fletchers Sportsplex and Cassie Campbell Community Centre). This also excludes the following:

- Flower City Senior Centre
- Knightsbridge Community and Seniors Citizens' Centre
- Chinguacousy Park Curling Club and Tennis Centre
- Peel Village Golf Course
- Future designated seniors centres

### What does this mean for the City of Brampton's affiliated seniors groups?

The use of room space within neighbourhood centres will be provided at no cost within the following parameters:

- Daytime hours from 9:00 am – 4:00 pm
- Monday to Friday
- September to June

There will be exceptions which include Statutory Holidays, School Breaks and if the room is book for a Special Event.

Prime time hours, including Saturday and Sunday will continue to be charged at the appropriate senior affiliated room rental rate.
