Purpose and Effect

The purpose of the application is to amend the current residential apartment zoning designation to increase the building height along Bovard Drive (from 9 to 15 storeys) and along an internal street (6 storeys) as well as to introduce stacked townhouses. A new "Open Space" zone is also proposed to facilitate a public park. The proposed zoning revisions will accommodate the proposed plan of subdivision, with a total of approximately 1,241 residential units.

If you have received this notice as an owner of a property and the property contains 7 or more residential units, the City requests that you post this notice in a location that is visible to all the residents, such as on a notice board in the lobby.

Important Information about making a submission

If a person or public body does not make oral submissions at a public meeting or make written submissions to the City of Brampton with respect to a proposed plan of subdivision, proposed official plan amendment or proposed zoning by-law amendment before the City gives or refuses to give approval to the draft plan of subdivision, or before a zoning by-law is passed, or before a proposed official plan amendment is adopted:

- (a) The person or public body is not entitled to appeal the decision of the City of Brampton to the Local Planning Appeal Tribunal; and,
- (b) The person or public body may not be added as a party to the hearing of an appeal before the Local Planning Appeal Tribunal unless, in the opinion of the Tribunal, there are reasonable grounds to do so.
