Purpose and Effect

The lands were previously zoned for residential purposes on June 17, 2015. The purpose of this By-law amendment is to reconfigure the existing zone boundaries and to permit a garage to face the flankage lot line for lots abutting the roundabout. In addition, permission for a temporary sales office is requested until 2020.

Proposal highlights:

- The lands subject to this zoning application are also subject to a draft plan of subdivision application (Files: C05W07.004 & 21T-10020B) that received draft plan approval on September 8, 2014.
- The proposed road and lotting changes are needed to facilitate the development of the lands to the west of this site.
