

Thank you for supporting the #FairDealForBrampton healthcare advocacy campaign to petition the Province of Ontario for more healthcare funding and facilities for Brampton.

Download and print this petition

We're gathering thousands of signatures from Brampton residents and visitors. Print as many copies as you'd like and get signatures from your community: friends, family, neighbours and beyond.

Any Ontario resident who can sign their name can sign the petition - you don't need to live in Brampton, nor do you need to be over 18.

At this time, the Province of Ontario does not accept online petitions, so we need you to return the petition forms after you've gathered signatures.

How to submit signed petitions

When you have finished collecting signatures, you can put all of your petition sheets in an envelope and mail them to us, addressed as follows:

Attn: Pamela Clark (#FairDealForBrampton)
4th Floor City Hall
2 Wellington St W
Brampton, ON L6Y4R2

Contact pamela.clark@brampton.ca if you have any questions.

Visit www.FairDealForBrampton.ca for full campaign details.
