PROCLAMATION

Celebrate Research Week

WHEREAS: Research plays a vital role in driving economic growth and positive change in our communities. Brampton is home to a vibrant research and innovation ecosystem that includes manufacturing, technology and health care.

The new Osler Research Institute for Health Innovation (ORIHI) and the establishment of the Toronto Metropolitan University (TMU) School of Medicine, located in Brampton, mark a significant milestone in Brampton's pursuit of excellence in health care, education, research and innovation.

We recognize research and innovation in Brampton, celebrating the achievements of institutions, organizations and residents who help advance Brampton's reputation as an innovation hub.

This week, we highlight the vibrant spirit of innovation, collaboration and progress within our city which contributes to the quality of life for residents through community-based research and academic partnerships.

THEREFORE: I, Mayor Patrick Brown, on behalf of Brampton City Council, do hereby proclaim November 16 to 20, 2026, as “Celebrate Research Week” in the City of Brampton.

Mayor Patrick Brown, City of Brampton
