

PROCLAMATION

GHANA FOUNDERS' DAY

WHEREAS: Ghanaian Canadians contribute to the cultural, social and economic life of Brampton, helping to build a welcoming and vibrant city.

Ghana's rich heritage, traditions, music, food and cultural expression strengthen our community and provide opportunities for residents to learn from and connect with one another.

Founders' Day, observed in Ghana on September 21, honours the legacy of Dr. Kwame Nkrumah, Ghana's first President, and his leadership in the nation's journey to independence.

Brampton's Ghana Founders' Day celebration brings residents together to celebrate Ghanaian heritage and the contributions of Ghanaian Canadians.

The raising of Ghana's flag in Ken Whillans Square, provides an opportunity to share traditions, strengthen friendships and celebrate the community ties that help our city thrive.

THEREFORE: I, Mayor Patrick Brown, on behalf of Brampton City Council, do hereby proclaim September 21, 2026, as "Ghana Founders' Day" in the City of Brampton.

Mayor Patrick Brown, City of Brampton
