PROCLAMATION

Recreation and Parks Month

WHEREAS: June is recognized as Recreation and Parks Month, an annual celebration of the value and benefits that quality recreation and park resources bring to communities at the local, regional, and provincial levels.

The City of Brampton is steadfast in its commitment to providing parks and recreation amenities that meet the evolving needs of the community both now and in the future. June as Recreation and Parks Month creates an opportunity to shine a light on the network of parks, trails and recreational amenities that make Brampton an excellent place to live and play.

In honour of Recreation and Parks Month, the City of Brampton is offering a variety of free drop-in programs and special events for residents of all ages to take part in.

These activities allow for a healthier, more vibrant and more connected community, where individuals experience improved physical and mental health, stronger social ties and a greater appreciation for the natural and cultural resources that enrich our city.

THEREFORE: I, Mayor Patrick Brown, on behalf of Brampton City Council, do hereby proclaim June 2025 as “Recreation and Parks Month” in the City of Brampton.

Mayor Patrick Brown, City of Brampton
