- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the campaign's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Evaluate the overall presentation, structure and content of the financial statement, including the separate schedules, and whether the financial statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## INDEPENDENT AUDITORS' REPORT

### AUDITORS' REPORT

To the Clerk of the municipality of Brampton:

#### Report on the Financial Statements

We have audited the accompanying Statement of Campaign Income and Expenses and the Calculation of Deficit of Linda Jeffrey, candidate for the campaign period from May 2, 2018 to December 31, 2018 relating to the election held on October 22, 2018, in accordance with the financial reporting provision in the Municipal Elections Act, 1996 (Section 88.25).

In our opinion, except for the effect of adjustments, if any, which might have determined to be necessary had we been able to satisfy ourselves as to the completeness of the records as described in the Basis for Qualified Opinion paragraph, the financial statement presents fairly, in all material respects, the income and expenses for the campaign from the period May 2, 2018 to December 31, 2018 and the determination of deficit in accordance with the accounting treatment prescribed by the Municipal Elections Act, 1996 (Section 88.25).

#### Basis for Qualified Opinion

Due to the nature of the types of transactions inherent in an election campaign, it is impracticable through auditing procedures to determine that the accounting records include all contributions of goods and services, and receipts and disbursements. Accordingly our verification of these transactions was limited to ensuring that the financial statements reflect the amounts recorded in the accounting records of Linda Jeffrey, candidate in accordance with the accounting procedures established by the Municipal Elections Act, 1996 (Section 88.25) and we were not able to determine whether any adjustments might be necessary to income and expenses, and deficit

#### Responsibilities of Management and Those Charged with Governance for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance the accounting procedures established by the Municipal Elections Act, 1996 (Section 88.25), and for such internal control as management determines is necessary to enable the preparation of the financial statement that is free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the campaign's financial reporting process.

#### Auditor's Responsibility for the Audit of the Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
