F 2. Doug Rieger, Manager, Service Development, Transit, Public Services, re: **Brampton Transit New Accessible Bus Tour**.

Doug Rieger was not in attendance at the meeting.

Brampton Transit staff provided Members with a tour of the new accessible transit bus which was parked on Main Street by staff of Brampton Transit.

Alex Milojevic, Director of Transit, and Scott Gillner, Advisor Transit Policy, were present to explain the features of the new vehicle and answer questions from Members.

In response to a question regarding the protocol for passengers in wheel chairs, Alex Milojevic advised that all transit bus operators are trained to assist users to safely secure their wheel chairs. He explained that passengers with disabilities sometimes do not require assistance when offered. However upon request, operators will assist as needed.

Members commended and thanked staff for the proactive approach taken with respect to safety on transit buses for customers with disabilities.

F 3. Request from Frank Raymond, Member, re: **Letter of Condolences from Committee to the Family of Former City Councillor John Hutton**.

Frank Raymond, Member, suggested that a letter from Committee be sent to the family of former Councillor John Hutton extending condolences on his passing.

Accessibility Technical Standards Update

Accessibility Advisory Committee
November 10, 2015

Accessibility for Life
Agenda

- What are the Accessibility Technical Standards?
- Why were they reviewed and updated?
- Who was involved in the review process?
- How will this impact City facilities?
- When and where will the updates be published?
- Questions
What are the Accessibility Technical Standards?

- Original document approved by Council in November 2005
- Detailed technical requirements to prevent new barriers and reduce and remove existing barriers for people with disabilities
- Used to respond to the design, development and construction of new facilities and retrofit and renovation of existing City facilities
- Meets the City’s commitment to foster independence, inclusion and dignity for people of all ages and abilities
Why were they reviewed and updated?

- **Ontario Building Code (OBC)**
  - Deals primarily with interior components and features of a building or facility
  - Reflect and ensure compliance with recent changes to barrier-free section

- **Integrated Accessibility Technical Standard – Part IV.1 Design of Public Spaces Standards**
  - Provincial legislation – Ontario Regulation 191/11
  - Deals primarily with components and amenities in the exterior built environment
  - Elements and components not traditionally included or enforced through other provincial legislation
Who was involved in the process?

- Detailed overview of updates and additions prepared and circulated to staff from various departments for review from their areas of expertise
- The review enabled staff to consider operational implications and provide input
- Staff feedback used to ensure information incorporated into the updated Standards was clear, concise and user-friendly
How will this impact City facilities?

- Limited impact from an interior perspective:
  - Introduction of Tactile Walking Surface Indicators for stairs and ramps
  - Raised tactile surface with a specific shape, size and pattern that is detectable under foot by people who are blind or who have a vision impairment
How will this impact City facilities?

- Adult change tables and emergency call signals for universal washrooms
How will this impact City facilities?

- The first set of technical standards to be legislated and enforced for the exterior built environment:
  - Specific requirements for Tactile Walking Surface Indicators for curb ramps and depressed curbs
How will this impact City facilities?

- Installation of Accessible Pedestrian Signals at pedestrian crossings
- Design features and installation details for activation buttons, pole locations and tones for locator and walk indicator
How will this impact City facilities?

- Specifications for recreational trails, boardwalks and beach access routes
When and where will the updates be published?

- Anticipated publication date is mid-November 2015
- Circulation to internal City staff
- Published on City’s website

To: Accessibility Advisory Committee Members

From: Wendy Goss, Accessibility Coordinator

Subject: William Osler Health System Accessibility Advisory Committee

Earlier this year some members of the Committee expressed an interest in participating in the William Osler Health System (WOHS) Accessibility Advisory Committee. City staff approached the chair of the WOHS AAC and requested that consideration be given to including City of Brampton AAC members on the hospital committee.

At a meeting on September 28th, 2015, staff attended the WOHS AAC meeting, explained the value of the input received from someone with a disability and/or from a caregiver for someone with a disability and encouraged the members of the committee to agree to Brampton AAC member participation. The recommendation was supported by the WOHS Chair and committee members and offered to accommodate more than one AAC member by having alternate members who could share the meeting workload.

A copy of the WOHS Accessibility Advisory Committee Terms of Reference is attached as Appendix I for those members interested in being considered for the position.

If you have any questions, please let us know.

Thank you,

Wendy Goss

Application for Snow Removal Financial Assistance for Seniors and Physically Challenged Citizens

2015/2016 Winter Season (November to April)

QUALIFICATIONS

City Council has authorized a Financial Assistance Program to assist senior citizens and physically disabled homeowners with costs incurred from hiring a service provider to remove snow from their sidewalks and driveways.

To qualify, the applicant must meet the following criteria:

1. Own and occupy the property on which the application is made.
2. Be 65 years of age or older at the date of application or be permanently confined to a wheelchair, restricted to the permanent use of crutches or braces, or otherwise be permanently disabled in such a way as to restrict physical mobility.
3. Not have claimed a credit on any other property for the same winter season.
4. Not live in a condominium dwelling whereby all snow removal is the direct responsibility of the condominium corporation.

Note: Unless physically challenged, rebates for snow removal services will not apply to costs incurred prior to turning 65 years of age.

Medical Information

The physically disabled applicant must provide one of the following:

1. Medical proof from a Canadian Regulated Health Practitioner using the attached medical form located on the back of the application form.
2. A copy of the Accessible Parking Permit issued by the Ministry of Transportation.

Qualifying applicants of a residential property can receive a rebate based on their property type as follows:

1. Non Corner Lots – up to a maximum $100.00 rebate
2. Corner Lots – with sidewalks on two sides of the property and where both/or any portion of sidewalks are not cleared by the City – up to a maximum $150.00 rebate
3. All Other Corner Lots – up to a maximum $100.00 rebate (with no sidewalks, one sidewalk, two sidewalks one city cleared, two sidewalks both city cleared)

To qualify for a rebate, the applicant must fill out the Reimbursement Form and ensure signatures and/or receipts are obtained from their service provider.

If you meet all four (4) criteria listed above, fill out the application form and send it no later than April 30, 2016 to: City of Brampton, Public Works, Business Services Office, 1975 Williams Parkway, Brampton, ON L6S 6E5. Email a scanned copy to: roads@brampton.ca or Fax: 905-874-2599

Ensure you keep a copy for your records.
Throughout the winter months, use this **Reimbursement Form** to track dates and the cost of each service. **For each service occurrence, you must obtain a signature from your service provider and/or attach receipts.** **Sign, date** and return your **Reimbursement Form** as soon as you have paid out your maximum allowance. Incomplete forms will be returned.

**IMPORTANT DATES**

Your application form is due April 30, 2016.

Reimbursement forms received after July 31, 2016 will not be processed.

Subsidy payments for this program will not commence until January 2016.

Snow Removal Financial Assistance

City Council has authorized a Financial Assistance Program to help senior citizens and physically challenged homeowners with costs incurred from hiring a service provider to remove snow from their sidewalks and driveways. Qualifying applicants can receive a grant of up to $100 for non-corner lot properties or up to $150 for corner lot properties with sidewalks on two sides of the property and where both sidewalks are not cleared by City forces.

To qualify for the program, the applicant must meet the following criteria:

- Be 65 years of age or more at the date of the application OR be permanently confined to a wheelchair, restricted to the permanent use of crutches or braces, or otherwise be permanently disabled in such a way as to restrict physical mobility.
- Own and occupy the property on which the application is made.
- Not have claimed a credit on any other property for the same winter season.
- Not live in a condominium dwelling whereby all snow removal is the direct responsibility of the condominium corporation.

Return the application during the winter season, but no later than April 30, 2016.

Once the City has approved an application, use the reimbursement form to provide proof of service to the City of Brampton. Requests for rebates must be received by July 31, 2016.

Important Notice:
We accept application/reimbursement forms and receipts by mail to the City of Brampton, Public Works, Business Services Office at 1975 Williams Parkway Brampton, Ontario, L6S 6E5 (new address as of May 4, 2015. Formally on McLaughlin Rd). Starting in the 2015/2016 snow season, we are also accepting a fax or scanned email copy of your application/reimbursement forms and receipts.
