

BUILDER BULLETIN #2013-02

IMPORTANT NOTICE TO BUILDERS

2012 ONTARIO BUILDING CODE (O.Reg.332/12)

In accordance with the transition provisions of the 2012 Ontario Building Code please be advised of the important deadline dates that may affect your current and imminent applications and building permits.

- **The deadline for filing of permit applications for buildings designed to comply with the 2006 Building Code is December 31, 2013.**
Note: The Building Division offices close at Noon December 24, 2013 and re-open on January 2, 2014
- **Permits must issue within 6 months from the date of application - no extensions**
- **Construction must start within 6 months of the permit issuance - no extensions**
- **As of January 1, 2014 only Certified Models designed and reviewed for compliance with the 2012 Building Code will be acceptable. No permit applications will be accepted without a certified model updated to the 2012 Building Code.**
