

BUILDER BULLETIN #2019-04

(June 5, 2019)

IMPORTANT NOTICE TO BUILDERS

Development Charge Increase and Submission Deadline Dates for Certified Models and Residential Repeat Applications

Please be advised that, in order to increase the likelihood of an application being reviewed and issued prior to the August 1, 2019 development charge increase; applications must be received prior to the deadlines provided below:

- **June 12, 2019** for any Certified Models
- **June 28, 2019** for any Residential Repeat applications

Effective immediately, all certified model applications will no longer require the schematic drawing for the interior water pipe layout for the house. All other requirements from previous **Builder Bulletin #2018-02 and #2018-02 (1)** still apply. More particularly, all Certified Model applications must include the **Water Pipe and Plumbing Data Sheet**. Refer to the links below for clarification.
