

Peel Renovates

Second Units

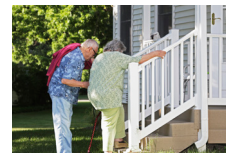

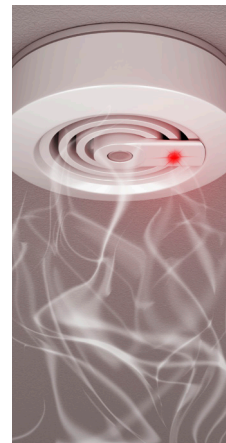

Peel Renovates: Second Units Renovation Assistance Program helps homeowners cover the cost of renovations to an existing second unit to improve health and safety, increase accessibility and obtain a Second Unit Registration.

To qualify*, you **must submit an application to the Region of Peel** as well as meet the following criteria:

- Have a yearly household income of \$87,800 or less
- Live in the City of Brampton
- Own and reside in the home you are applying for renovations to
- Have an existing second unit that requires renovations and/or upgrades in order to apply for a Second Unit Registration
- Have a building permit granted (pursuant to the Ontario Building Code) to commence the work
- A “Building Renovator Licence” may be required under City of Brampton Business Licensing By-law 332-2013, as amended, for those performing the work

Please contact the Region of Peel at **905-791-7800, ext. 8032** for more information.

*Additional eligibility requirements may be applicable
