

LITTER REDUCTION CHARTER

The **City of Brampton Litter Reduction Charter** is a city-wide litter reduction initiative aimed at increasing awareness, encouraging engagement and bringing about positive change. We, the undersigned individuals, organizations and community members, recognize the urgent and important need to address litter in the City of Brampton. In response, we hereby commit to the following vision and goals:

Vision

To foster community participation to beautify Brampton by committing to the elimination of litter.

Goals

Collectively, we will work to:

- Promote community engagement to foster cleaner neighbourhoods by increasing awareness on the impact of litter and encouraging positive behaviours.
- Enhance and increase prevention measures in the community to reduce litter.
- Review and evaluate processes and procedures within existing systems and identify opportunities for improvement.

By endorsing this Charter, we commit to taking action together in pursuit of a cleaner, healthier, and sustainable future for the City of Brampton. Collectively, we can work to create a litter-free city where residents and community leaders are empowered and equipped to contribute to the reduction of litter within their neighbourhoods, businesses, and organizations.
