

LEADERSHIP MESSAGES

As Mayor, I am proud to say that our city is the Cricket Capital of Canada. Cricket is more than just a sport in Brampton — it's a celebration of a beautiful game, a source of community pride and a growing passion for residents of all ages. Brampton City Council remains firmly committed to investing in the future of cricket, from grassroots programs to world-class facilities. Together, we're building a stronger sporting community and ensuring Brampton continues to lead the way in supporting this dynamic and beloved sport.

Patrick Brown

Mayor, City of Brampton

Rowena Santos

Regional Councillor, Ward 1 & 5 Chair, Community Service Committee

Cricket's rise in popularity across Canada is undeniable and Brampton is proud to be leading the way. These amenities aren't just about the sport, they're about building stronger community connections, engaging youth and celebrating the diverse cultures that shape our city. Whether you're stepping onto the pitch for the first time or you're a seasoned player, Brampton is your home for cricket. We're committed to supporting the athletes who bring energy, pride and passion to the game.

Navjit Kaur Brar

Regional Councillor, Wards 2 & 6 Vice Chair, Community Services Committee

As a city that embraces its cultural diversity, Brampton is proud to support cricket as a vital part of our recreation landscape. Our growing cricket infrastructure demonstrates our commitment to offering facilities and programing that reflect the interests of our residents. Cricket brings people together and we will continue to champion this sport that unites so many. As the sport continues to grow, we look forward to seeing the impact cricket has on our community spirit and well-being.

Marlon Kallideen

Chief Administrative Officer

Cricket is an integral part of Brampton's identity and community. Cricket promotes healthy, active living while also deepening the connections within our diverse community. As CAO, I value the City's commitment to developing inclusive programs and high-quality facilities that reflect our residents' passion and interests. The City is building facilities that will keep Brampton at the forefront of the sport, now and for generations to come.

Bill Boyes

Commissioner of Community Services

I am pleased to see how Brampton's cricket initiatives continue to thrive through collaboration, innovation and community spirit. Our dedicated staff and community partners have been instrumental in delivering high-quality programs that support player development and community engagement at every level. From programs to amenities, we're committed to providing accessible opportunities that celebrate cricket's unique role in bringing people together. With every season, Brampton strengthens its reputation as a city where cricket is more than a game — it's a shared passion that unites and inspires.

CRICKET ENHANCEMENTS UNDERWAY

Through the 2025 Budget, the City of Brampton is investing approximately \$10 million over the next two years to equip local cricket facilities with lighting and other enhancements.

NEW AND EXCITING CRICKET PROJECTS

Blue Oak Park Youth Cricket Field

Opened in June 2024, this synthetic pitch offers youth a space to sharpen their cricket skills while fostering an active and healthy lifestyle.

City Lands Project

A new multi-purpose cricket stadium will anchor a larger sports and entertainment complex within a walkable, transit-oriented mixed-use community.

County Court Park Youth Cricket Field

Opened in June 2024, this synthetic pitch offers youth a space to sharpen their cricket skills while fostering an active and healthy lifestyle.

Creditview Sandalwood Park Cricket Field

Opening in spring 2025, this state-of-the-art hybrid artificial pitch includes lights, irrigation, shade shelters and a scoreboard, providing an enhanced playing experience.

Creditview Sandalwood Park Multi-Sport Field

To better serve the community's growing need for flexible outdoor recreation, the existing soccer field at Creditview Sandalwood Park is being upgraded into a lit, multi-use sports field in 2026. This enhanced facility will support cricket, soccer, and a variety of other outdoor sports, offering inclusive recreational opportunities for residents of all ages.

Earnscliffe Park Cricket Facility

Anticipated to open fall 2025, this will be Brampton's first year-round cricket facility featuring a turf field, batting cages and a seasonal dome.

Gore Meadows East Community Park

Expected to be completed in 2026, the park will include one premier cricket field and two community fields.

Turner Fenton Cricket Pitch

Opened in April 2025, this full-sized, fully lit cricket pitch is Brampton's first joint-use cricket pitch with Peel District School Board.

GT20 TOURNAMENT

The City of Brampton is proud to have been the host sponsor of the GT20 Canada tournament in 2019, 2023 and 2024. The GT20 Tournament is North America's first-ever major T20 tournament aimed at popularizing and developing the game of cricket. The tournament provides a platform not only to local Canadian cricketers but also to the other associate nation cricketers to share the field with legends. This action-packed tournament features six teams battling it out over the course of three weeks to become the ultimate champions.

2024 GT20 Tournament

NATIONAL T20 CHAMPIONSHIPS

Brampton hosted the 2024 National Men T20 Championships and the 2024 National Women T20 Championship at Batsman Park. These tournaments featured over 200 of the country's best players, representing eight provinces, competing at the highest level for the title of National Champions.
