It's lunchtime and my friends and I are ready to eat! Can you help us get through the maze and to our food?

Did You Know?

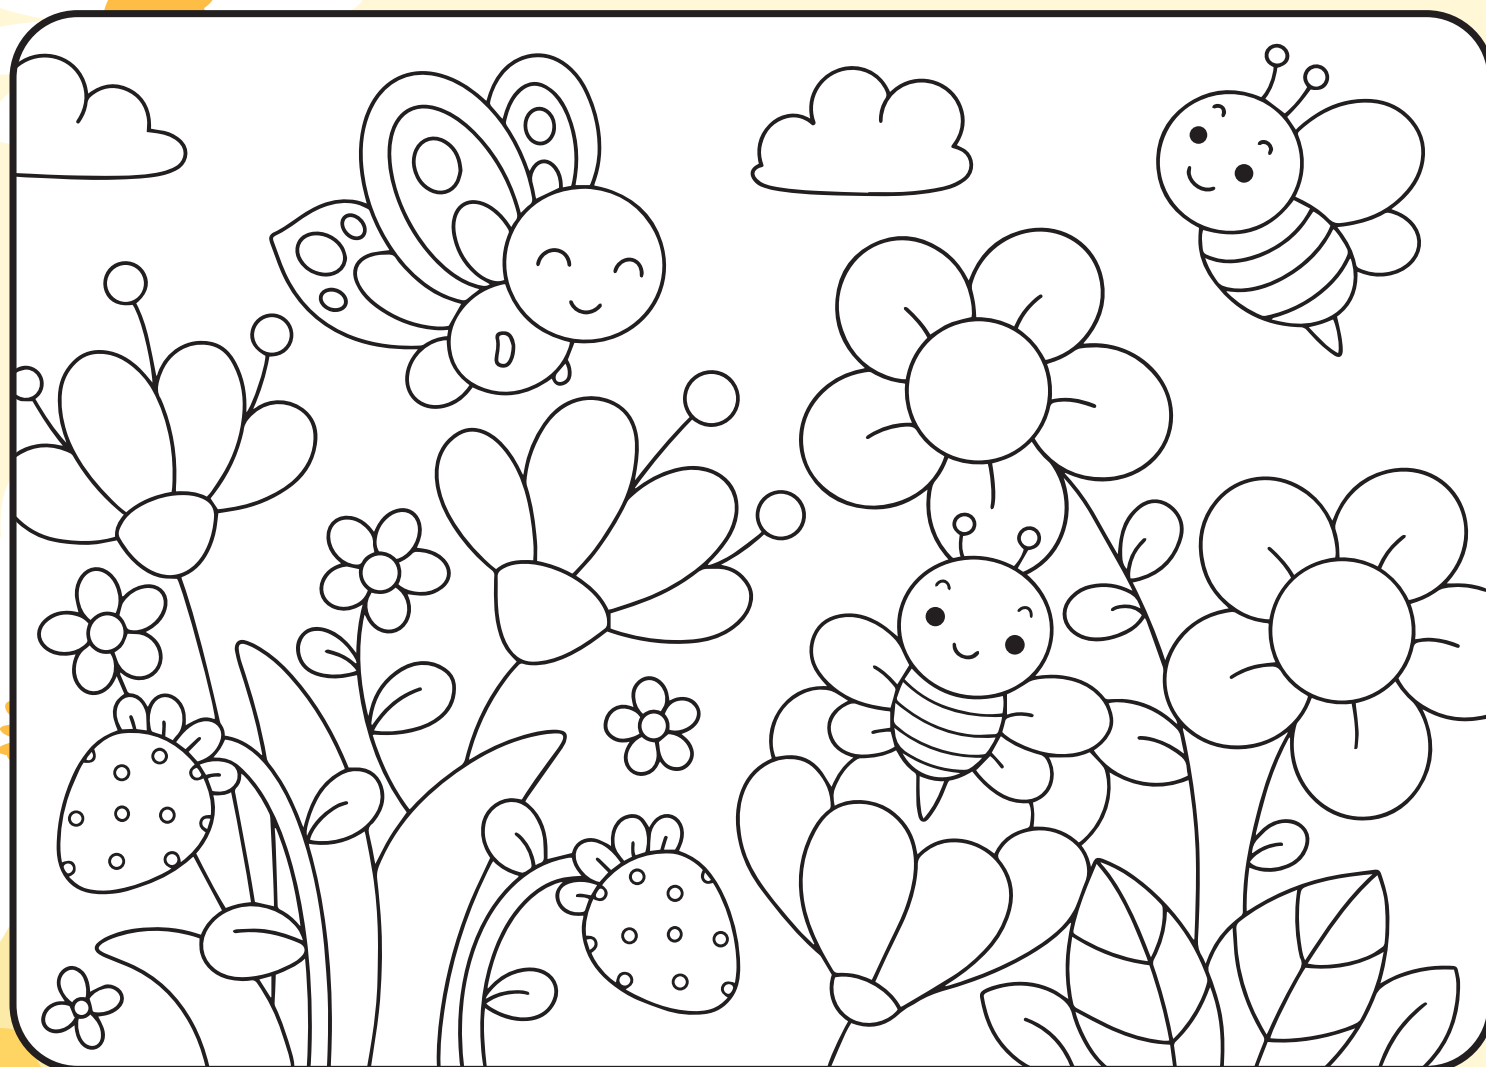

The City of Brampton has more than 30 community centres for you and your family to enjoy.

Visit Brampton.ca/recreation to learn more about each centre and how you can get involved in all the exciting programs and events happening!

Did you know that bees are important because they help plants grow by carrying pollen from one flower to another, which creates fruits, vegetables and seeds?
