**CAMP INCLUSIVE**

In order for support to be assigned, a current (within one year) Integration & Inclusion Participant Profile must be provided to the Integration & Inclusion team prior to the start of the session. To access a copy of the profile, please email inclusionprograms@brampton.ca.

**Additional Fees:** Services for individuals with needs that require one-to-one supervision are available and can be arranged for an additional fee. Please note that additional support will be scheduled on a first come basis and subject to staff availability. For additional information, please email inclusionprograms@brampton.ca.

**CAMP INCLUSIVE: INTEGRATED PROGRAM SUPPORT**  
The City of Brampton strongly encourages and welcomes the participation of individuals living with a disability into all of our camp programs. Integration Services encourages participants living with a disability to take part in the City of Brampton’s registered camps with additional support on a 2:1 ratio. To request additional support for your child to take part in a City of Brampton registered camp, you must first register your child into the camp of their choice and then register to request the additional support by using the barcode below.

**Age:** 3+  
**Barcode:** 1010588

**DEADLINE TO REGISTER:**  
**MARCH 9, 2020**

**CAMP INCLUSIVE: NO LIMITS**  
This camp program is for participants living with a disability to partake in activities including crafts, games, music, swimming and special events. These fun and inclusive activities will also promote social, fine and gross motor skills development.  
**Age:** 6 – 13

**SCIENCE, TECHNOLOGY, ENGINEERING AND MATH**

**CAMP ENGINEERING LEGO® BUILDERS 1 & 2**  
Participants will develop their social skills and deepen their understanding of the world around them using Duplo LEGO® bricks as they discuss, build, role-play and share ideas. A new theme will help them to explore the world beyond their immediate surroundings, while learning new vocabulary about people, places, and things in real life. Themes may include: community helpers, shopping, food vendors, public transportation, healthcare, public transportation, preschool, physical activities, touring town, extended families, and helping each other. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. Before and after care is available. A separate registration and fee is required.  
**Age:** 4 – 5  
**Class Length:** 7 Hours

**Greenbriar Recreation Centre**  
Mon-Fri 9:00 am  Mar 16  5 $215  1008221

**CAMP ENGINEERING LEGO® SIMPLE & POWERED MACHINES 1 & 2**  
Participants will be able to work as young scientists, engineers and designers working with LEGO® simple and powered machines bricks and guided activities that promote design technology, science and mathematics. Participants will work through real world activities surrounding the themes of gears, pulleys, wheels, axles, levers, cams, inclined planes, gears, pulleys, wheels, levers, ratchets, and power. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. Before and after care is available. A separate registration and fee is required.  
**Age:** 8 – 13  
**Class Length:** 7 Hours

**Greenbriar Recreation Centre**  
Mon-Fri 9:00 am  Mar 16  5 $215  1008218

**CAMP ENGINEERING LEGO® SIMPLE MACHINES 1 & 2**  
Participants will be able to work as young scientists, engineers and designers working with LEGO® simple machines bricks and guided activities that promote design technology, science and mathematics. Participants will work through real world activities surrounding the topics of gears, wheels, axles, levers, and pulleys. Campers may also participate in various camp activities such as cooperative games, sports, water activities and crafts. Before and after care is available. A separate registration and fee is required.  
**Age:** 7 – 9  
**Class Length:** 7 Hours

**Greenbriar Recreation Centre**  
Mon-Fri 9:00 am  Mar 16  5 $215  1008219

**CAMP ENGINEERING LEGO® STEAM PARK 1 & 2**  
Participants explore the world around them as they use functional elements to build interactive models using Duplo LEGO® bricks. They will develop science, technology,
engineerin, art, and math (STEAM) skills, including understandin cause and effect relationships, making predictions and observations, problem-solving and creating representations. Some of the them may include: ramps, moving on water, probability, performing arts, gears, and chain reactions. Campers will participate in various camp activities such as cooperative games, sports, water activities, and crafts. Before and after care is available. A separate registration and fee is required.

**CAMP ROBOTICS LEGO® CODESTORM LEVEL 1 & 2**

Using LEGO® Mindstorms robotics sets, participants will grow their creative problem solving skills enabling them to become critical thinkers and makers for the future. Participants will build robots as they work through the maker design process to design, engineer, build and code using motorized models and simple programming. Some of the models include gyro boy, a colour sorter, puppy robot, robotic arm, a sound machine, security gadget, a puppet, a tabletop game, a drawing machine, and a wearable. Campers may also participate in various camp activities such as cooperative games, sports, water activities, and crafts. Before and after care is available. A separate registration and fee is required.

**CAMP ROBOTICS LEGO® WEDO LEVEL 1 & 2**

Using LEGO® WeDo robotics sets, participants will build and program robots to solve science and engineering problems. They will further their computing and coding skills while gaining an understanding of how machines and computers process information. Activity topics may include: pulling, speed, robust structures, a frog’s metamorphosis, preventing flooding, drop and rescue, sorting to recycle, predator and prey relationships, animal expressions, extreme habitats, and space exploration. Campers may also participate in various camp activities such as cooperative games, sports, water activities, and crafts. Before and after care is available. A separate registration and fee is required.

**CAMP SCIENCE**

Campers will participate in various science-based activities including: dinosaurs and the study of paleontology (Dinos and Fossils); body systems and human diseases (Mini Medical School); the solar system, stars, and planets (To the Moon and Back); how flight works and building rockets and airplanes (Rockets and Airplanes); engineering and different building materials (Buildings and Structures); learning about elements and states of matter (Chemical Reactions); geological activity, natural disasters, and how weather works (Tornadoes and Volcanoes); and habitats in the living world, and what plants and animals need to survive (Plants and Animals). Campers may also participate in various camp activities such as cooperative games, sports, water activities, and crafts.

**CAMP ARCHERY**

This program is for participants who would like to learn or refine their bow and arrow skills. Participants will learn parts of the bow and arrow, proper shooting technique including stances, release and follow-through, and anchor points. Campers may also participate in various camp activities such as cooperative games, sports, water activities, and crafts.

**CAMP BASKETBALL**

This camp is for ballers of all abilities. Participants will enhance their offensive and defensive positioning, dribbling, shooting and passing. Technical skills will be taught through instruction as well as game play. Campers may also participate in various camp activities such as cooperative games, sports, water activities, and crafts. These activities vary by location.

**CAMP GYMNASICS**

Have fun developing body awareness, coordination, flexibility and strength using Olympic gymnastics equipment. Campers may also participate in various camp activities such as cooperative games, sports, water activities, and crafts. Before and after care is available. A separate registration and fee is required.

**SPORTS**

**CAMP GYMNASTICS**

Campers will participate in various routines such as Trampoline, Beams, and Circuits. Campers may also participate in various camp activities such as cooperative games, sports, water activities, and crafts. Before and after care is available. A separate registration and fee is required.

GENERAL INFORMATION

AGE REQUIREMENTS
In order to provide a safe and enjoyable program, age restrictions are applied to our camp programs. Campers must be the minimum age required on the start date of the program.

BEFORE AND AFTER CARE
Before and after care is available for most City of Brampton camps. Extended hours are 7:30 am - 9:00 am and 4:00 pm - 6:00 pm. A separate registration and fee is required.

PICK UP AND DROP OFF GUIDELINES
Prior to first day of camp, please visit our website (brampton.ca/recreation) to fill out all required forms which will be due on the first day of camp. Parents/Guardians will be required to show photo identification to staff when picking up participants.

GOOD BEHAVIOUR GUIDELINES
The City of Brampton is committed to providing a safe and harassment-free environment. Coarse language, physical, aggressive, disrespectful, or uncooperative behaviour is not acceptable. If inappropriate behaviour occurs, it will be recorded, reported and may result in removal from the program and/or facility.

PARTICIPANT CONDUCT
Please inform us of any family or behavioural concerns. Our staff will make every effort to accommodate your child’s needs; however, we reserve the right to withdraw your child from the program should their behaviour cause harm to themselves, other participants, staff or property.

LUNCH AND SNACKS
Campers are responsible to bring their own lunch, snacks and drinks. Please pack items that do not require refrigeration or heating. Remember to send a reusable water bottle. PLEASE NO NUT PRODUCTS.

ALLERGEN REDUCED ENVIRONMENT
City of Brampton camps have adopted an allergen reduced environment. Please avoid packing foods that contain common allergens such as peanuts or nuts of any kind.

MEDICATION
For your child's well-being, make sure staff is aware of any allergies or medications. It is strongly recommended that campers take medication at home under the supervision of parents/guardians.

Camps requiring medication, (e.g. “EpiPen”, asthma inhalers) during program hours must have a signed Personal Information Record with a current photo of the participant. Medication is only accepted in daily doses. Please ensure that all medication is submitted in its original container. Campers carrying an “EpiPen” or inhaler are to carry their pens or inhalers in a “fanny pack” that is accessible at all times. Staff and the department are not responsible for lost or damaged medications.

CAMP DRESS CODE
• Running shoes are strongly recommended for all camps.
• Comfortable play clothes. Please label all towels, bags and clothing.
• Sunscreen and hats are strongly recommended.
• Staff and the department are not responsible for lost or stolen items brought to camp.

RAIN OR SHINE
All camps continue to operate during inclement weather. Please dress your child accordingly.
REGISTERED PROGRAMS

ARISTS, DRAMA & MUSIC

CRAFTS FOR KIDS
Children with an active imagination will enjoy this interactive craft class. Crafts will be based on a different creative theme.
Required Materials: Paint appropriate clothing.
Age: 3 – 6
Class Length: 1.5 Hours

Howden Recreation Centre
Tue 12:30 pm Mar 17 1 $11.51 1008235

FIRST AID, CERTIFICATIONS & LEADERSHIP

BRAMPTON LEARN TO SKATE INSTRUCTOR
The Brampton Learn to Skate Instructor Program prepares you to become a qualified Skate Instructor within our Learn to Skate program. Through classroom and on-ice learning, instructor candidates explore teaching methods, learning strategies and activities, effective correction techniques and evaluation criteria.
Required Materials: Single-bladed ice skates and Canadian Standards Association (CSA) certified hockey helmet.
Prerequisite: Proficient at forwards and backwards skating, forwards and backwards crossovers, forwards and backwards stopping, as well as inside and outside edging. Participants will complete a mandatory on-ice skills assessment based on the outlined prerequisites.
Age: 15+
Class Length: 170 Minutes

Greenbriar Recreation Centre
Fri 4:00 pm Mar 20 3 $56.50 1008244

FITNESS

YOGA MOTHER AND DAUGHTER
Bond with your daughter while enjoying the mental and physical benefits of yoga. Participants will not only relax but will build trust and communication through partner poses. All participants must register individually.
Required Materials: Please supply your own non-slip Yoga mat.
Age: 8+
Class Length: 55 Minutes

Cassie Campbell Community Centre
Mon 7:30 pm Mar 16 1 $8.38 1012592

HOMEMADE SOAP MAKING LEVEL 1
Participants will learn to mix, pour and make colourful soap creations themselves using various shapes. They will also learn how to package their homemade soap. Making homemade soap is lots of fun and participants will leave at the end of the class with their creations!
Age: 6 – 13
Class Length: 2 Hours

Howden Recreation Centre
Tue 10:00 am Mar 17 1 $19.05 1008233

HOMEMADE SOAP MAKING LEVEL 2
Participants will take an active role in creating their soap creations by learning how to layer, swirl and add confetti. Participants will leave at the end of the class with their creations!
Prerequisite: Homemade Soap Making Level 1 (6 to 13 Years)
Age: 6 – 13
Class Length: 2 Hours

Howden Recreation Centre
Thu 10:00 am Mar 19 1 $19.05 1008234

COOKING: CUPCAKE CREATIONS
Have fun while learning to bake and decorate an assortment of homemade cupcakes. Participants will learn the basics of how to follow a recipe, apply frosting and how to decorate their creations with sprinkles and icing. Individual cupcake decorating styles will be encouraged through instructor guidance and in-class practice.
Age: 6 – 10
Class Length: 1.5 Hours

Greenbriar Recreation Centre
Tue 10:00 am Mar 17 1 $11.51 1008224
Thu 1:00 pm Mar 19 1 $11.51 1008225

HOMEBEADE SOAP MAKING LEVEL 1
Participants will learn to mix, pour and make colourful soap creations for themselves using various shapes. They will also learn how to package their homemade soap. Making homemade soap is lots of fun and participants will leave at the end of the class with their creations!
Age: 6 – 13
Class Length: 2 Hours

Howden Recreation Centre
Tue 10:00 am Mar 17 1 $19.05 1008233

HOMEMADE SOAP MAKING LEVEL 2
Participants will take an active role in creating their soap creations by learning how to layer, swirl and add confetti. Participants will leave at the end of the class with their creations!
Prerequisite: Homemade Soap Making Level 1 (6 to 13 Years)
Age: 6 – 13
Class Length: 2 Hours

Howden Recreation Centre
Thu 10:00 am Mar 19 1 $19.05 1008234

SPRING 2020
ROYAL PARTY
Through this program, participants will have the opportunity to play out their fairy-tale dreams. Together with other little princes and princesses, participants will engage in a royal tea party, create special fairy tale themed crafts and play games fit for royalty. Participants are encouraged to wear costumes if they desire.

Age: 3 – 6
Class Length: 2 Hours

Howden Recreation Centre
Wed 10:30 am Mar 18 1 $15.34 1008236

SUPERHERO PARTY
Through this program, participants will have the opportunity to be their favourite superhero for a day. Together with other superheroes, participants will engage in superhero themed crafts, games, stories, and more! Participants are encouraged to wear costumes if they desire.

Age: 3 – 6
Class Length: 2 Hours

Howden Recreation Centre
Fri 10:30 am Mar 20 1 $15.34 1008239

SCIENCE, TECHNOLOGY, ENGINEERING AND MATH

ROBOTICS LEGO® WEDO BUILDER ANIMALS FAMILY
Using one LEGO® WeDo robotics set per family, participants can learn how to build and program various animal robots while creating the mechanisms of: wobbling, cranking, walking, flexing, grabbing, reeling, tilting or pushing with each of the different models they build. Participants will have the chance to explore and use their creativity to build and program beyond the base robotic models.

Age: 7 – 10
Class Length: 2 Hours
