FIRST TIME REGISTERING?
In order to register for any programs, you must first obtain a Family Account, which can ONLY be done in person at any of our local Registration Locations (see pages 4-7). Once the account has been set up, you will be provided both your Family PIN and Client Barcodes, which allows you to use online registration systems.

DO WE HAVE YOUR EMAIL ADDRESS?
In an effort to make our registrations paperless, we offer customers the option of receiving their Registration Receipt via email. Make sure that your Family Account has an accurate email address so that you can take advantage of this service.

WHY REGISTER ONLINE?
Online registration has become the most popular method for registration. It is fast, easy, and offers you the ability of registering without leaving the comfort of your own home.

WAITLISTS
Due to the popularity of our programming, you may find the course you want is already full and you will be prompted to add your name to the waitlist. When on a waitlist, if a space becomes available or another opportunity opens up, you will be contacted by staff to offer you a spot. As well, by adding your name to the waitlist you help us identify the need for additional programming for our ever growing city.
GENERAL INFORMATION

OUR COMMITMENT TO YOU
It is our goal to provide you and your family with positive experiences that build great memories. If there is anything that we can do to assist in making your experience better, please let us know. On occasion, a program may not be the best fit. We want to work with you to ensure that all participants in the program benefit. At times, this may result in transfers, withdrawals, or alternative solutions.

FEES AND HST
All precautions are taken to ensure that accurate information and prices are captured in this brochure. Rates are subject to change, pending City Council approval, and notice will be posted at all Recreation Centres. Fees listed do not include taxes (unless otherwise noted); programs designed for children fourteen (14) years and under or children with special needs are tax exempt.

POST-DATED PAYMENTS
Services are available for specific services/programs to facilitate scheduled payments over the course of a period of time. This process permits reoccurring payments to be directly debited from a customer’s financial institution or personal credit card. Ask a Customer Service Representative for more details.

DECLINED/RETURNED PAYMENTS
Any cheque or credit card payment that is not cleared from the financial institution may be subject to an administration fee of $39.55 including HST. Declined or returned payments may result in a cancellation of services.

ADULT 55+
Adults fifty-five (55) years of age or older are entitled to a 25% discount on all registered programs (with the exception of Inclusive Programs and Adult 55+ specific programs). Proof of age may be required at the time of registration. Material fees (if applicable) are not eligible for a discount.

FAMILY DISCOUNT
