SHADOW GAME

Can you find the shadow for each picture?

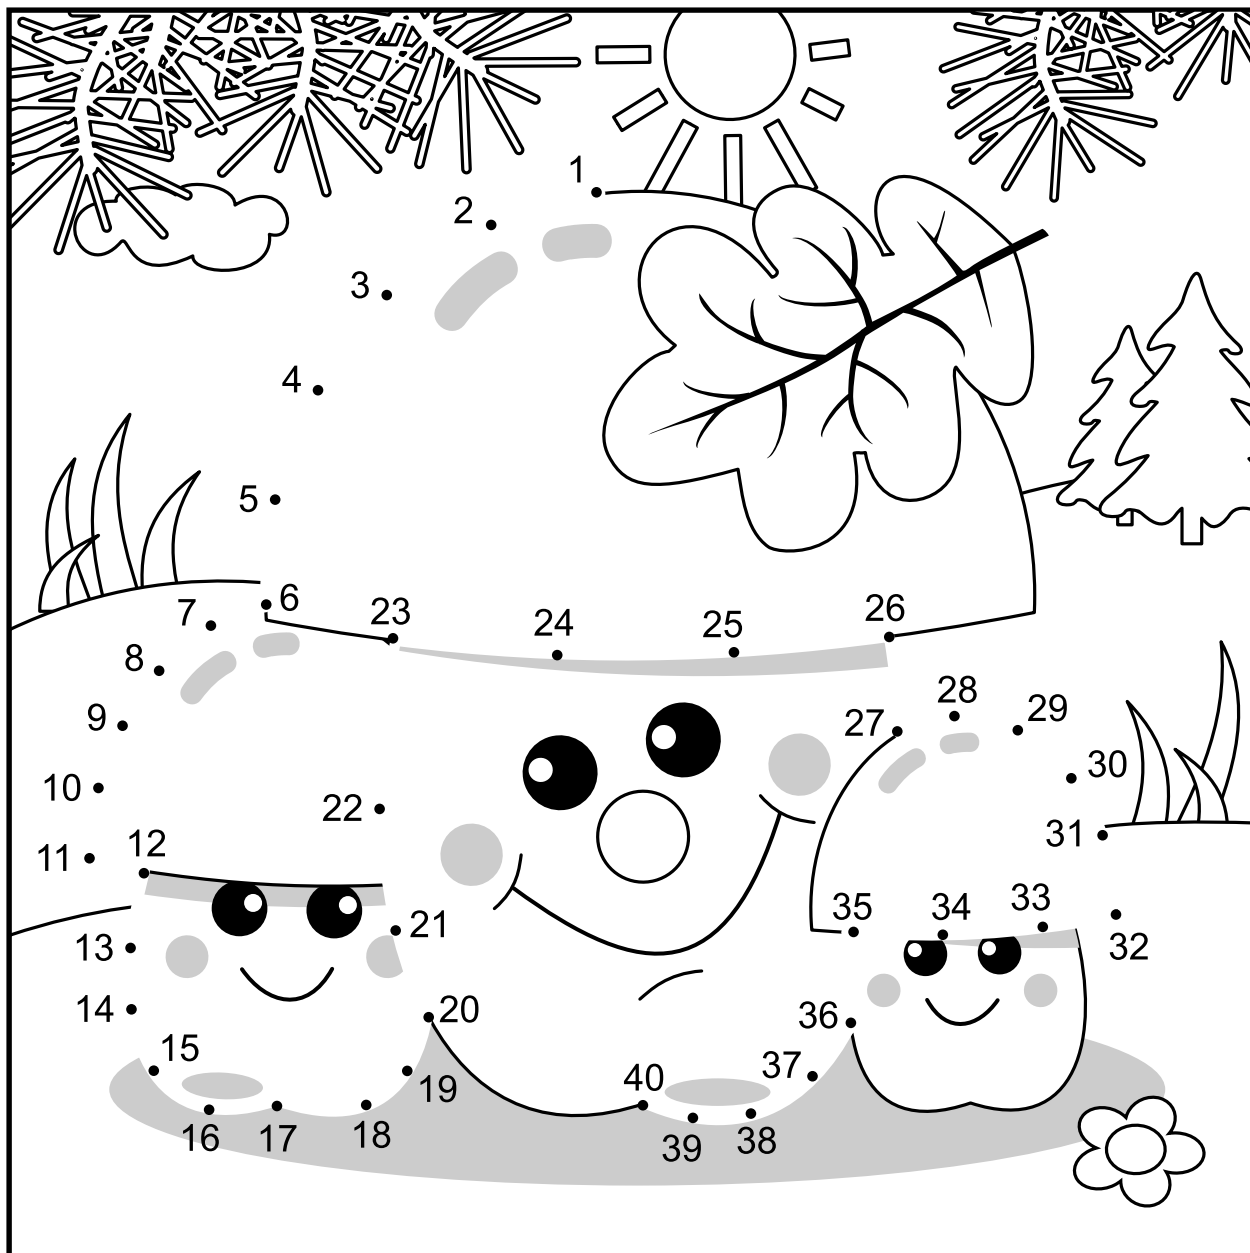

FIND 5 DIFFERENCES

Try to spot five differences between the two pictures.

Draw a line from dot number 1 to dot number 2, then from dot number 2 to dot number 3, 3 to 4, and so on. Continue to join the dots until you have connected all the numbered dots. Then, color the picture!

Help the cubs join the mother bear.
It is time to go to the den!
