## NOTICE OF ONLINE PUBLIC INFORMATION CENTRE #1

### Bramalea Road Improvements from Queen Street East to South City Limit Municipal Class Environmental Assessment Study

The City of Brampton is undertaking a Schedule 'C' Municipal Class Environmental Assessment (Class EA) Study for improvements to Bramalea Road from Queen Street East to the south City limit (see map). In 2015, the City of Brampton completed a Transportation Master Plan Update that recommended the widening of Bramalea Road from 4 lanes to 6 lanes.

The EA study is assessing potential improvements along the study corridor to accommodate current and future transportation needs of pedestrians, cyclists, transit and motorists. You are invited to participate in the **Online Public Information Centre** to learn about the project findings to date and share your input.

#### The Process

The study is being carried out in accordance with the planning and design process for Schedule 'C' projects as outlined in the Municipal Class Environmental Assessment (October 2000, as amended in 2007, 2011 and 2015), which is approved under the Ontario Environmental Assessment Act.

#### Online Public Information Centre

To protect the health and safety of City of Brampton residents and staff during the COVID-19 pandemic, this Public Information Centre (PIC) is being held using a virtual format.

The City of Brampton is committed to informing and engaging the public on the Bramalea Road Improvements Class EA, and will be presenting an Online Public Information Centre on the City's website starting **January 11, 2021 to February 8, 2021**.

#### How to Participate:

Step 1: Visit [www.brampton.ca/BramaleaEA](http://www.brampton.ca/BramaleaEA) by using your computer or mobile phone.

Step 2: View the material and complete the comment form provided on the website.

If you are unable to participate online please leave a voicemail with your name and phone number and a member of the project team will contact you for your input.
