

Lighthouse Program

Faith-based organizations and community service groups:

The service provision agreement and the train-the-trainer program are ready to go - we just need you! Contact the Lighthouse Program Coordinator at michelle.sullivan@brampton.ca or 905-874-3635.

Vision 2040: Tell us what your future Brampton looks like...

Claudia Larota with the City of Brampton Planning invites one Brampton citizen from each of our Lighthouse Program faith based organizations and community service groups to a City Hall event on the evening of October 11th, 2017. Her team will be filming our Lighthouse Program participants and other invited guests about what they feel is the best vision for the future of Brampton. For more information and to RSVP please contact Claudia at 905-874-3844 or claudia.larota@brampton.ca.

“Exercise, Exercise, Exercise”

One emergency exercise complete, two more to go!

Over 200 responders and 100 volunteers participated our first of three full-scale emergency exercises September 19th, 2017. Want to participate in the next one? Contact us at www.brampton.ca/prepared.

Notification from Region of Peel Public Health:

West Nile Virus infected mosquito larvae has been detected in a few of our region's storm ponds.

Protect yourself and your family.
