

## Lighthouse Program Year End Update

A special thank you to the organizations that helped our city's planners with their Future Ready charettes in 2017. Your contribution was greatly appreciated. Additionally, the feedback from our ResilientVille workshop in November 2017 has been very positive, so another ResilientVille workshop will be offered in Spring 2018. If you missed our last ResilientVille, please register for the next one.

Ready to sign the agreement in the New Year?

Alain Normand, manager of our Brampton Emergency Management Office will be available for various dates throughout January 2018 to work with your designated signing authority on the Lighthouse Program service provision agreement. Those wishing to sign on should book an appointment time between the hours of 8:30 AM to 4:30 PM. Here are the dates he will be available:

January 9, 17, 18, 22-25, 29, 31, 2018

For the following days, Alain will be available in the afternoons, ONLY, between 1 PM and 4:30 PM:

January 10, 15, 16, 2018

In alignment with our award-winning CERV program, Lighthouse training will begin after the agreement signing in January 2018.

Our first invitation post-agreement will be to reserve your seat(s) for our City of Brampton Annual Emergency Management Workshop at the end of January. This year's theme is Flooding. Many of our emergency management stakeholders will be in attendance, so you won't want to miss out.

Looking forward to seeing you in the new year,
