

Stakeholder Update #9

Dear Stakeholders,

- Advertisement in a local newspaper;
- Signage on the property;
- Application package to municipalities and public agencies;
- Written notice by registered mail to landowners within 120m;
- ARA Form 1-Notice of Licence Application; and
- ARA Form 2 – Notice of Public Information Session

Brampton Brick has also advised that the public open house they are required to host, as per the ARA, will be held on **Tuesday, November 30, 2010** from 4 to 8 pm at Brampton Brick Limited, 255 Wanless Drive.

If any person wishes to object to the licence application, then an objection must be filed in writing with reasons for objecting and the written objection must be sent to BOTH Brampton Brick and to the Ministry of Natural Resources, to be received no later than the end of the business day on **Monday, December 20, 2010**.
