

LETTER OF INTENT AND DECLARATION FOR THE INSTALLATION OF COOKING FACILITIES

FACILITY _____

ADDRESS _____

I, _____ (owner) of the aforementioned facility declare that the kitchen range(s) installed will not be used for commercial cooking purposes.

The range(s) will be used for the re-heating of food only. No grease-laden vapours will be produced.

The kitchen range(s) will be of a residential type and a residential kitchen exhaust hood will be installed, exhausting to outdoors.

I will ensure that, if any substantial changes occur in the type or volume of cooking in the kitchen, I will notify the Building Division. A permit may be required to revise all affected systems.

Further, I will post a copy of this letter of intent in the kitchen.
