How to Register for Camp Integration Support

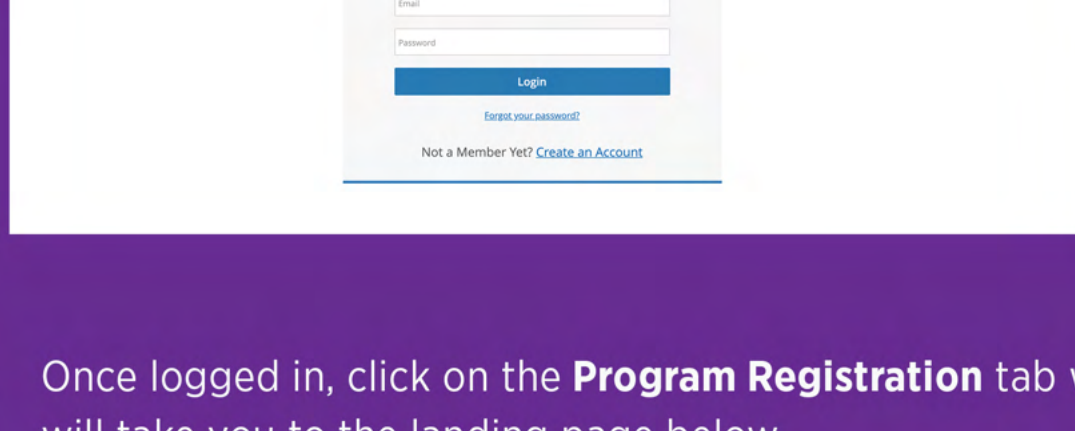

The City of Brampton is committed to providing recreational experiences to all individuals with various abilities. Integration services ensure participants who have a disability have the opportunity to take part in registered programs with additional 2:1 support. 1:1 support is available for an additional fee.

Please Note: Camp registration must be completed before registering for additional support. Each week of camp has an Integration Support Request registration option. Request for additional support closes the Thursday prior to the camp week starting.
